psychiatric Irish nursing; nurses' attitudes; professional values, 11777
psychiatric nurse patient relationship; relationship progress; interpersonal relations theory, 4921
psychoanalysis; history of psychology; artifacts; human relationships; works of art, 5032
psychological maladjustment; psychosocial functioning; childrens trust beliefs; social relationships; peers; best friends, 843
psychopathology; psychiatric disorders; breast cancer; psychosocial implications; prevention; treatment; intervention, 4710
psychosocial functioning; psychosocial integration; interpersonal relationships; cognitive abilities, 12423
psychosocial variables; coach athlete relationship; educational interventions, 10371
recovery process; family relationship; supportive relationships; community relationships; support networks & services; mental health professionals; interpersonal relationships; schizophrenia, 20866
relational aggression; relationship manipulation; intervention programs; schools response; social behavior, 18105
relational aggression; school settings; education professionals; childhood development; gender differences; familial influences; proposed best practices, 18088
relational diagnosis; family psychology; DSM; classification; assessment, 32740
relational health; attachment; psychological distress; college students; parental attachment; women; men, 31862
relational self; significant others; self concept; close relationships, 16432
relational theory; psychiatric classification:DSM-IV, 13675
relational turbulence model; network members; courtships; relationship uncertainty; intimacy; interference; facilitation; partners; hindrance; network member helpfulness; perceived network involvement, 31751
relationally autonomous reasons; personally autonomous reasons; relational-interdependent self-construal; motivation; goals, 22815
relations; mental models; reasoning; inference, 30986
relationship aggression; dating violence; adolescent romantic relationships; adolescent aggression; assessment; threatening behavior; physical aggression, 6246
relationship and power trees; relationships; power; self evaluation; classroom activities; kindness; helpfulness; students; teachers; sense of belonging, 12022
relationship conflict; trust; transactive memory; top management teams; performance relation; social political relations, 9110
relationship development; workplace integration; organizations; employees; evolutionary psychology, 9153
relationship norms; brand information processing; communal relationships; exchange relationships, 12286
relationship patterns; adult attachment constructs; object relations constructs; emotional connection; interpersonal narratives; relationship status; parental marital status, 1211
relationship satisfaction; depression; romantic stress, 11256
relationship satisfaction; relationship rating; lovers; bonding; interaction dynamics; emotion; expression; clarity; contact; fitness effect; graphs, 1142
relationship satisfaction; supportive partner; relationship conflict, 22748
relationship status; relationship happiness; subjective well being; committed relationships; married individuals; cohabitation; dating relationships, 4155
relationship status; testosterone; heterosexual men & women; non-heterosexual men & women, 22286
relationships; genetics; taxonomy; DSM; relational distress; risk factors, 32773
relationships; self-esteem; memory; rejection; partner representations; partner information, 19498
relationships; specific model; general model; attachment models; attachment representations; peer models; parental models; romantic models, 7411
relative severity of acts; physical violence; heterosexual relationships; item response theory analysis; injuries, 19988
residential care; assisted living; later life transitions; aging; interpersonal relationships, 19273
reversal theory; interpersonal relationships; sports; methodological framework, 15223
risk regulation; relationships; rejection; perceived regard; belongingness, 31764
romantic attachment; social interactions; interaction quality; relational contexts; romantic partners; family members; platonic friends; acquaintance; romantic relationships, 19532
romantic love; sexual desire; emotion; facial expression; relationship functioning; relationship commitment; sexual reproduction, 22723
romantic partner; distress; socially anxious women; interpersonal processes; social support; relationship satisfaction, 16789
romantic relationships; African American; white adolescents; intimate relationship style, 3851
sacrifice; sexuality; interpersonal relationships; well being; dating; avoidance motives, 7376
school readiness; social relationships; readiness related competencies, 16192
science; happiness; Aristotle; religion; mental health; interpersonal ties; social skills, 14346
self bolstering resource; close positive relationships; liability focused information, 1113
self defense mechanism; turning against self; symptom distress; interpersonal problems; therapy outcome, 4948
self monitoring; positive affect; social interaction; interpersonal relationships; social encounters, 25631
serial arguing; relational difficulties; demand/withdraw patterns; argumentative episodes; aversive episodic reactions; implications for well-being; romantic relationships, 22759
service coordination teams; serious emotional challenges; behavioral challenges; pediatrics; health care services; interpersonal conflicts, 29920
sex and relationship education documentation; schools fulfillment, 17971
sex and relationship education; homosexuality; sexually transmitted diseases, 18037
sex differences; adolescent aggression; intimidation; relationships; social status, 31466
sex education; relationships education; sexuality; sexual relations; sexual experience, 8484
sexual risk taking; relationship status; partner serostatus; homosexualy active men; unprotected anal intercourse; HIV; Australia, 29213
situational factors; relationship violence; dispositional factors; personality characteristics; physical aggression; intimate relationships, 20396
sociable resources; interpersonal relationships; intimate relatives; friends; interpersonal interaction, 16440
social connectedness; cell phone use; gender differences; proximity; social relationships, 22372
social environment; individual relationships; identification; internalization; compliance; persuasive communication; interests; conflict settlement, 10214
social information processing model; relational aggression; intent attributions; social goals, 3848
social nature; recovery process; social process; social relationships; socialization; interpersonal relationship; social life; reconstruction of self; psychiatric patients; community services, 20863
social psychology; perspectivism; theory of perspectives; self development; social engagement; realism; interpersonal relations; community relations, 1115
social relation; personal networks; social structures; social circles; genesis; dyadic relations, 10406
social relations; depressive symptomatology; social self efficacy, 28638
social relations; group participation; small groups; judgments; task related ability, 31732
social relationships; peer groups; children's aggression; aggression development, 25319
social relationships; social behavior; high incidence disabilities; behavioral adjustment; emotional adjustment, 15083
social relationships; social needs; subjective well-being; social production function theory; aging; life satisfaction; affection; behavioral confirmation; status; physical loss, 22595
social relationships; work satisfaction; elementary school teachers; policy making; school environment; social networks, 30422
social stigma perceptions; interpersonal relationships; young males; psychotic disorder; socially isolation, 4361
social support networks; Internet users; social relationships; ego centred networks; interpersonal communication, 22364
social ties; economic behavior; interpersonal relationships; social value; work teams; individual differences; economic processes, 16474
social ties; Internet use; computer mediated communication; interpersonal communication, 34690
social world; personality traits; cultural dynamics; person description; groups; relationships, 19464
substance abuse counselors; beliefs; multiple relationships; educational level; recovery status; experience; supervision, 14853
successful collaborations; interpersonal relationship; health care teams; Canadian Health Transition Fund, 5252
supportive peer relations; information sharing; employee diversity; task interdependence; African American peers; intergroup knowledge; Whites, 2866
supreme court; disability policy; boardrooms; bedrooms; courtrooms; cloakrooms; employment discrimination; family law, 24519
team knowledge; formal plans; episodic team process; performance relationships, 30482
team selling; interpersonal relationships; learning role; sales teams; key accounts sales; research agenda; interrelationships model; strategy; team sales success, 5953
temperament effects; perceived maternal rejection; childhood anxiety; behaviour problems; interpersonal relationship; emotional arousal, 13238
testosterone; relationship status; sociosexuality; sexual selection; mating effort; romantic involvement; men; sexual interests, 34680
theories; victim decisions to stay/leave; violent relationships; behavioral analysis; decision making; partner violence; behavioral conceptualization, 10758
therapeutic process; time limited dynamic psychotherapy; relationship change; interpersonal functioning; behavior change, 1941
training methods; cross cultural investigation; problem solving; students; mild mental retardation; African Americans; European Americans; Nigerians; interpersonal problems; Interest based training, 27272
triadic interaction; early childhood development; interpersonal relationships, 13198
trouble responsibility; conversational repair; relationships management; miscommunication; repair initiation, 25601
trust games; long term contracts; relationship; agent, 24285
trust; relationship length; information processing; supervisor-employee interactions, 33509
trustworthiness; trust; past relationship length, 13449
undergraduate students; relationship commitment; relationship autonomy; social comparison orientation; interpersonal relationships, 4137
verbal sexual coercion; dating partner; relationship commitment; relationship maintenance, 32266
victim offender relationship; women sexual assault experiences; crime survivors; romantic partners, 26069
violence prevention; initiative development history; relationship violence; causes & consequences; child sexual abuse; dating violence; woman abuse; risk factors; risk behaviors, 13943
violence; sports; sportsmen; interpersonal relations; physical activity, 24418

women autonomy; gender relations; couple responses; communities; semantic meanings; cognitive meanings, 19406
women's fear of success; internal growth barriers; relational ties; caregiver relationships; familial fixations; internalizations; self-sabotage patterns; transference-countertransference, 22709
women's fear of success; internal growth barriers; relational ties; caregiver relationships; familial fixations; internalizations; self-sabotage patterns; transference-countertransference, 22714
women; violence use; intimate relationships; aggression; victimization; posttraumatic stress symptoms; depression symptoms; childhood abuse experiences, 1505
working self-concept; self-expansion model; relationship dissolution; self-expanding; postdissolution; predissolution relationships; closeness; recall; priming; relationship qualities, 31757
Interpersonal Relationships [See Also Family Relations, Friendship, Kinship, Marital Relations]—Books
Adolescent risk behaviors: Why teens experiment and stategies to keep them safe, 19259
Close relationships: Functions, forms and processes, 19550
Dancing for dollars and paying for love: The relationship between exotic dancers and their regulars, 19414
Growing together: Personal relationships across the lifespan, 4168
Why?: What happens when people give reasons. . . and why, 31727
You don't have to take it anymore: Turn your resentful, angry, or emotionally abusive relationship into a compassionate, loving one, 23146
Interpersonal Relationships [See Also Family Relations, Friendship, Kinship, Marital Relations]—Chapters
Negotiating (Non)Monogamy: Bisexuality and Intimate Relationships, 4101
Interracial Adoption—Serials
transracial adoption; cultural identity; politicians; professionals; social sciences; self esteem; adoptees, 29507
Interracial Family—Serials
interracial family health experience; family identity; developmental transitions; race interpretation, 13323
Interracial Marriage—Serials
adulthood transition; interracial sexual relationships; family formation, 4004
discourse analysis; love; Blacks; Whites; interracial marriage; prejudice; taboo; racial inequalities, 28550
heterosexual privileges; same sex interracial intimacy; monoracial bias; interracial visibility; intimate relationships, 1086
interracial marriage; African American attitudes; interracial friendship, 19364
interracial patterns; intraracial patterns; mate selection; diverse Black populations, 28385
young adults independence; interracial unions; same sex unions; US society, 4088
Interracial Offspring—Serials
biracial identity development program; alienation; cultural identity crisis; social learning; social environment; cultural factors, 7
multiracial adolescents; at risk populations; substance use; violence; monoracial adolescents, 16153
Interrater Reliability—Serials
adolescent defendants; adjudicative competence; interrater reliability; Fitness Interview Test-Revised; factor structure; psychometrics, 30750
adolescents; parents; teachers; adolescent personality; five factor model; interrater agreement, 22541
attention deficit hyperactivity disorder symptoms; interinformant agreement; symptom prevalence; factor structure; parents; teachers; age differences, 17074
bizarre delusions; diagnosing delusions; interrater reliability, 34820
clinician validation; poison control center; opioids; substance abuse; interrater reliability; injections, 32385
Clock Drawing Test; test scoring; interrater reliability; cognitive impairment, 24635
interobserver reliability; visual interpretation; electroencephalograms; sleep deprivation; diagnosed seizures, 35361
observation; validity; multi-informant approach; coder training; valid global ratings, 21809
omission mistakes; calculation; Cohens Kappa; analysis; coefficients paradox features; observer, 33872
physical activity settings; environment-behavior relations; EAPRS; instrument development; inter-rater reliability; parks; playgrounds, 33780
rating discrepancies; feedback; multiple raters; linguistic properties, 9497
score differences; writing samples rating; rater agreement; score writing assessments; interrater reliability; educational measurement; academic achievement, 5803
structured assessment protocol; behavioral assessment; joint attention; autism spectrum disorders; childhood development, 12450
test reliability; judgments; testing; clinical psychology; diagnosis, 33837
testing; Cronbach's alpha coefficients; statistical test; test items; statistical reliability; type I errors, 27681
web based program; software environment; response protocols; coding efficiency; open ended assessments, 9442
Interrater Reliability—Books
Analyzing rater agreement: Manifest variable methods, 3243
Interresponse Time—Serials
self-control; Prisoner's Dilemma game; trial spacing; interfering task; choice behavior, 30981
time sharing; rats; peak interval procedure; gaps; distracter stimuli; switch; instructional ambiguity; memory decay, 12817
Interrogation—Serials
child sexual abuse investigations; emotional language; police officers; child victims; interviewers; gender, 24517
evolutionary psychology; false confession; social dynamic events; genetic replicative success; police interrogation practices; heuristics, 9275
interrogation techniques; social psychology; police personnel; legal confession; police interrogation; suspects; law, 9312
interrogative pressure; interrogative responses; leading questions; interviewer demeanour; interviewee; interrogation suggestibility, 7391
interviewing to detect deception; behavioral adaptation effect; overshadowing effect; interviewing styles, 10422
juvenile interrogation; false confession; immaturity of judgment; Miranda; minors; testimony; suggestibility; judgment; development; legal processes; sociology; morality, 19142
knowledge management technology; value shop; police investigation performance; information technology; organizational performance; police officers, 33678
medical ethics; war; terrorism; Guantanamo Bay; Iraq, Afghanistan; health care professionals; treaters; coercive interrogation, 27517
military health care personnel; ethical conduct; war on terror; torture; interrogation; disciplinary action, 11811
Miranda warnings; adult rights; juvenile warnings; juvenile rights; clinical forensic psychologists; readability, 36638
nonverbal behavior; cues to deception; police interrogations; truth tellers; liars' strategies; mock interviewees, 12402
psychological consultation; scientific investigation; interrogations; confessions; crimes; legal procedures, 9261
sexual harassment; investigation; false allegations; deception, 24516
Interrogation—Books
Interrogations and Disputed Confessions: A Manual for Forensic Psychological Practice., 6201
Intersensory Integration [See Sensory Integration]
Intersensory Processes [See Also Sensory Integration, Synesthesia]—Serials
bobwhite quail chicks; spatial contiguity; spatial stimulus properties; postnatal responsiveness; intersensory perception; audiovisual stimulation; embryo; temporal synchrony, 22054
crossmodal binding; localizing objects; virtual reality; visual search; auditory information; nonimmediately visually available object; visual information, 15615
intersensory perception; spatial discordance; temporal order judgment; temporal ventriloquism; spatial attention; light; sound; visual discrimination, 27753
Sensory Experiences Questionnaire; sensory features; young children; autism; developmental delays; typical development; caregiver-report assessment; hyperresponsiveness; hyporesponsiveness, 21627
Intersexuality [See Hermaphroditism]
Interspecies Interaction—Serials
ambivalence; police K-9 officers; patrol dogs; human animal interaction, 18476
anthrozoology; human animal interaction; human animal programs; peer review; International Association of Human Animal Interaction Organizations meeting, 6639
behavioral response; group-housing; calves; humans; inter-observer reliability; test-retest reliability; familiarity, 9683
benefits; companion animals; attachment theory; human-animal bond, 31107
biological anthropology; animal use; cross cultural variation; human cruelty; animal rights movement; human nature, 15769
butterflies; male territoriality; species differences; morphology; physiology; aerial interactions, 22107
childhood; adolescent bestiality; interpersonal violence; perpetrator race; personal crime; childhood residence; education, 26031
chimpanzees; signs; human interaction; object signs; action signs; acquisitive motivation; linguistics, 6667
dog-human relationship; Canis familiaris; attention; social cognition; communication, 27961
dog; classroom; children with severe emotional disorders; learning; emotional stability, 27270
emotional reactivity; socializing animals; social skills; dogs; domestication; animal human relations, 9682
emotional reactivity; socializing animals; social skills; dogs; domestication; animal human relations, 9679
equine facilitated psychotherapy; human animal interaction; coping skills; well being; quality of life, 17429
equine facilitated psychotherapy; human animal interaction; coping skills; well being; quality of life, 4963
evolution; character displacement; competitor species; Darwin's Finch species; food supply; natural selection, 27933
garter snakes; tonic immobility; antipredator behavior; supination; human predator handling; physical restraint, 27979
golden jackals; red foxes; behavioral responses; canids; interspecific competition; avoidance; olfactory perception, 15826
hidden food location; communicative cues; behavioral cues; physical cues; domestic dogs; great ape; cooperative communication; object choice task; causal cues, 15766
interspecies hormonal interactions; man; domestic dog; motivation, 34008
interspecific brood parasitism; breeding; altricial birds, 24950
interspecific social interactions; reproductive success; frogs; social interference, 31137
interspecific social interactions; reproductive success; frogs; social interference, 31143
mixed species aggregations; vocal alarm signals; carib grackles; zenaida doves; antipredator behavior; foraging, 9728
Padangtegal Monkey Forest; human visitors; long-tailed macaques; patterns of aggression; presence or absence of food; demographics; age; sex, 484
pet loss; human animal bond; health service delivery; professional services, 5254
pet loss; psychologists; needs assessment; human animal bond, 11257
psychophysiological effects; human animal interaction; stress buffering effects; relaxation; blood pressure, 13001
sheep behavior; human-animal interactions; human eye contact; domestication; warning cues, 27968
social capital; pet ownership; pet connection; health benefits; social interaction, 464
test validity; Animal Human Continuity Scale; test construction; psychometrics; attitudes toward animals, 33784
tourist impact; Tibetan macaques; animal behavior; ecotourism implications, 31110
zygoptera; Enallagma; habitat selection; oviposition; predator detector; reproductive success; damselflies; chemical cues, 34031
Interstimulus Interval—Serials
anomia treatment; aphasia; interstimulus interval; spaced retrieval, 17407
eyeblink conditioning; cerebellum; conditioned response timing; ISI discrimination; development, 34163
individual pattern representations; context dependency; collective representation; interstimulus interval; reaction time, 299
perceptual representation; task invariant aspects; goodness; reaction time; interstimulus interval, 298
psychopathy; reward; punishment information; decision making; inter-stimulus reinforcement distance, 25980

temporal order judgment; simple reaction time; statistical decision making; intensity effects; mathematical model; simulation, 18674
visual event related potentials; interstimulus intervals; Parkinsons disease; motor disability; Wechsler adult intelligence scale; regional cerebral blood flow, 14241
Intertrial Interval—Serials
acquisition; steady state; time-left experiment; pigeons; scalar expectancy theory, 12827
appetitive conditioning; interval duration effects; blocking; conditioned stimulus; rats, 12825
break effect; interval cycle; temporal tracking; pigeons, 12826
intertrial interval; conditional stimulus; rats; appetitive conditioning; discriminative cue, 12816
interval timing; gap procedure; temporal decay; animal memory; peak procedure; ambiguity hypothesis; subjective shortening, 477
learning; memory; consolidation; freezing; timing; dorsal hippocampus; fear conditioning, 3545
memory interval; untimed stimuli; instructional ambiguity; retention interval; intertrial interval, 12834
mice learning; win-shift contingency; water escape; motivation; intertrial interval, 6663
perception; empty intervals; filled intervals; rats; response time; signal duration; intertrial interval; houselight illumination; clock rate effect; switch latency effect, 3466
short retention interval; context-conditioned fear; rats; intertrial interval; learning, 18909
timing; memory; timed intervals; untimed stimuli; animal memory; gap or retention interval; intertrial interval; forgetting; resetting the clock; instructional ambiguity; memory loss, 3470
Weber's law; time perception; timing theory; temporal production; categorization experiments; pigeons; stimulus duration, 12814
Interval Reinforcement [See Fixed Interval Reinforcement]
Intervention [See Also Crisis Intervention, Early Intervention, Family Intervention, School Based Intervention]—Serials
A Quiet place programme: therapeutic programme; social difficulties; emotional difficulties; behavioural difficulties; classroom behaviour; childhood development, 12097
academic self efficacy; African American youths; school social work practice; intervention; school performance, 15006
acceptance and commitment therapy; habit reversal training; trichotillomania, 17426
achievement settings; writing based attributional retraining; primary control; secondary control; psychotherapeutic motivational intervention, 25594
addiction treatment; treatment allocation; psychosocial treatments; pharmacological treatments; interventions, 33144
adoptive parenting; parenting skills; interventions, 14395
advantaged & disadvantaged youth; interventions; cultural bias; society, 7204
aerobic dance intervention; body image; physical self perceptions; adolescent girls; physical education, 16149
African American men; illnesses; prevention interventions; community intervention involvement, 35744
African American; adolescents; intervention; prevention; substance use; Strong African American Families Program; alcohol use; rural African American adolescents, 20873
African Americans; functional behavioral assessments; behavioral intervention planning; special education & disciplinary referrals; behavior adjustment; at risk populations; disabilities; ADHD, 21249
aggression replacement training; Norwegian students; educational programs; behavior problems; social competence; social skills, 15104
aggression; psychiatric inpatient settings; mental illness; nursing management responses; intervention, 23938
AIDS prevention; HIV prevention intervention; AIDS risk reduction; sexually active college students; students risk behavior; sexual risk taking; normative feedback; goal setting, 5167
alcohol brief intervention; diverse practice settings; alcoholism; populations; outcomes; costs, 16996
alcohol-related injury; emergency department; research; policy questions; brief intervention; problem drinking, 33120
alternative models; learning disabilities identification; responsiveness to intervention, 10905
Alzheimers disease; operant conditioning; behavioral interventions; older adults; dementia; college students; reinforcement schedules, 1921
American culture adaptation; Asian Indians; elderly immigrants; intervention strategies, 918
American Professional Society on the Abuse of Children; APSAC; Task Force report; recommendations; reactive attachment disorder; attachment problems; attachment therapy; maltreatment, 13876
anesthetic services; healthcare interventions; ethnographic data, 8528
animal welfare; equine animals; developing countries; pathology; interventions, 34009
anxiety disorders; prevention; treatment; Internet based program; preventive cognitive behavioral intervention, 17478
at risk youth; crime reduction; intervention evaluation; school exclusion; self-esteem; young offenders; attitudes about crime & police, 24538
attachment; maternal sensitivity; intervention; parent-child relationship; temperament; video feedback, 22698
attention deficit hyperactivity disorder; aetiology; comorbidity; developmental course; intervention options; genetic influences; environmental influences, 14007
attention deficit hyperactivity disorder; social skills; computer-mediated intervention; training program, 30365
attitude change; physical disabilities; negative attitudes; stigma; cognitive intervention; cognitive and behavioral intervention; prejudice, 14132
Australian mothers; safety intervention; child characteristics; toddlers; injury prevention; gender differences; temperament; language comprehension; mother child relations, 16357
autism; communication; communication outcome; father training; social reciprocity intervention; in-home training; imitation, 10897
battered women; career intervention; critical consciousness; empowerment; domestic violence; social cognitive career theory, 17798
batterer intervention programs; participant; facilitator accounts; processes of change; men's violence; domestic violence, 8347
behavior change; active intervention; HIV; health; communication; theoretical assumptions; preventive strategies, 5009
behavioral health services; social ecological perspective; community psychology analysis; rural areas; intervention; rural behavioral health, 29865
behavioral intervention; health-related quality of life; angioplasty patients; Exhaustion Intervention Trial; depression; anxiety; hostility; percutaneous coronary intervention; exhaustion, 29751
behavioral interventions; collegiate football; game performance; goal setting; verbal feedback; publicly posted feedback, 35567
behavioral interventions; HIV-positive; HCV-positive; hepatitis C; drug users; epidemiology; at-risk populations; injection drugs; hepatitis C virus, 32033
behavioral smoking reduction; smoking reduction intervention; smoking cessation programs; patient participation; harm reduction, 17776
behavioral strengths; emotional strengths; black African children; behavioral assessment; clinical intervention; socioeconomic status, 829
behavioural adaptation; road width; drivers; safety interventions; driving simulator; risk factors, 18404
bereavement specific support; grief; intellectual disability; carers; counseling; integrated intervention; mental health; behavior, 20348
binge eating disorder; multi modal intervention program; hospitals, 23280
biological measures; bullying; intervention; self report; peer nomination; counseling, 34981
breast cancer education program; low income communities; Vietnamese Americans; women; apartment based intervention, 5205
brief psychodynamic intervention; crisis intervention; treatment outcome; treatment effectiveness, 11273
burnout reduction; collaborative action research; intervention; firefighters; evaluation; stress in organizations, 24351
cancer prevention intervention; behavior change; multiethnic workers; health behavior; intervention effects, 5196
caregivers; health education program; health care costs; social work, 8612
caregiving; psychosocial intervention; social support; mediation models; spouse caregivers; depression; Alzheimer's Disease, 11606
causal intervention; multiple cue judgment; positive effects; negative effects; learning; observation; memory, 12766
causal modeling; intervention development; health outcomes; theory based behavior change; health related behavior change; Pro Active program, 11505
Centers for Disease Control and Prevention; traumatic brain injury, 5243
child abuse; child protection; state intervention; social workers views; decision making; emotional abuse; sexual violence, 23100
child mental health; research practice gaps; evidence informed practice; policy; interventions; community-based interventions, 29881
Child Protective Services; social intervention; cultural dilemmas; Korea; child abuse, 11592
child psychotherapy; parents; interventions; psychoanalysis; Tavistock Clinic Under Fives Service, 23663
child sexual abuse; service provision; gender roles; politics; adults; survivors, 34983
child; preteen; radio program; KidTalk with Dr. Mary; community based preemptive intervention; emotional awareness; social competency, 17617
children; parental death; parent guidance program; emotional pain; clinicians; communication, 29973
Chinese; South Asians; religious institutions; HIV prevention; HIV epidemic; Asian immigrant religious institutions; conservative innovation, 8487
chronic homless; interventions, 26905
chronic physical illnesses; treatment adherence interventions, 11512
citizen participation; public policy; collaboration; community psychology; interventions, 17726
civil war; expected duration; outside interventions; conflicts; diplomatic efforts; diplomacy; mediation; economic interventions; mediation, 34491
clinical factors; mental illness; employment intervention; employment programs; self regulation; psychiatric symptoms; employment outcomes, 7630
clinical judgment; prevention; behavior problems; reliability; validity; parental functioning; global assessment, 26476
clinical trial registry; international psychogeriatrics; specific interventions, 29334
clinician patient interaction; risk factors; treatment benefits; harm; treatment outcomes, 20406
clinician patient interaction; risk factors; treatment benefits; harm; treatment outcomes, 20363
clinician patient interaction; risk factors; treatment benefits; harm; treatment outcomes, 20357
cognitive behavioral alcohol programme; high risk drinking university freshmen; post mailed minimal intervention, 26966
cognitive behavioral interventions; hospital setting; smoking cessation intervention; cardiology wards; organizational determinants; psychological determinants; drug rehabilitation; patients, 23985
cognitive behavioral therapy; intervention; schizophrenia; mental health nurses, 32826
cognitive behavioral therapy; interventions; mental health practice; family members, 20520
cognitive stimulation; dementia; cognition orientated group interventions; quality of life, 29287
cognitive-behavioral therapy; adolescents; depression; recovery; moderation; psychosocial group interventions; recovery; life skills tutoring, 16685
cohort analysis; adherence intervention programmes; antiretroviral therapy; viral load; HIV, 35669
collaborative care; bipolar disorder; intervention development; trial design; treatment effectiveness evaluation, 33039
college students; safe sexual behavior; sexually transmitted diseases; condoms; intervention, 18481
communication skills; group intervention; Parkinsons disease; speech treatment, 14244
community based organizations; HIV infections; at risk populations; heterosexuality; VOICES/VOCES behavioral interventions, 35723
community mental health; psychological intervention; mental health services; health service utilization, 8586
community practice interventions; social work; evidence based practice, 14701
community-based HIV prevention programs; intervention characteristics; organizational characteristics, 20711
comorbidity; learning disorders; emotional disorders; behavior disorders; intervention; academic underachievement; students, 10610

computer based intervention; childhood depression; psychosocial support; psychoeducational intervention; psychiatric illnesses, 16713
condom use; female sex workers; Vietnam; interventions; epidemic, 31703
constructive interventions; divorced parents; divorcing parents; never-married parents; educational services; counselors; nontraditional families; reframing technique, 2024
control intervention; ventilator therapy; randomised controlled trial; acute respiratory distress syndrome; control tidal volume, 11214
controlled drinking; alcohol treatment community; controversy; interventions, 26955
core interventions; nursing interventions; self care assistance; psychosocial interventions; home nursing, 2331
cost benefit analysis; economic assessment; productivity assessment tool; occupational health; safety interventions, 3036
cost effectiveness; behavioral intervention; seropositive youth; treatment costs; HIV; AIDS, 4896
cost effectiveness; psychological intervention; smoking cessation; cigarette smoking; bupropion; nortriptyline; pharmacological intervention, 8657
counseling interventions; work and personal interface, 29554
couple relationships; intergenerational patterns; child adaptation; intervention; marital quality, 994
court mandated batterer intervention program; program evaluation; Caucasians; men; Blacks; drug usage, 13875
culturally specific engagement; intervention strategy; African Americans; adolescent males; therapeutic process; clinical guidelines, 20374
decision making; mental health interventions; patient participation, 20801
decision making; risk behaviors; counseling intervention; ovarian cancer; high risk women; genetic counseling, 2203
decisional balance; Motivational Interviewing; alcohol consumption; safe sex behavior; motivation; college males, 15110
delinquency; substance abuse; conduct problems; youth problem behavior; youth interventions; harmful interventions; iatrogenic effects; ethics, 8250
dementia; psychosocial intervention; primary care settings, 33131
depressed mood; drinking and driving offenders; additional counseling; receptivity to counseling; resistance to counseling, 14761
depressive symptoms; college students; brief interventions; personalized feedback intervention; depressed mood; coping; hopelessness, 20622
determinants; smoking initiation; adolescents; smoking preventive interventions, 17768
diabetes decision support; Vermont Diabetes Information System; interventions; chronic illness; primary care; community laboratories, 35803
diabetes; evidence-based interventions; social workers; treatment; psychosocial interventions, 2149
diabetes; pediatrics; behavioral assessment; behavioral intervention; pediatric chronic disease; type II diabetes; type I diabetes, 8053
diagnoses; interventions; electronic health record; elementary school children; health promotion; school nurses, 36387
dietary modification; breast cancer risk; prevention; dietary fat, 17604
Diffusion of Effective Behavioral Interventions; program development; program training; HIV prevention; sexually transmitted diseases; program implementation, 35715
disorganized narratives; therapist intervention hierarchy; treatment problem; emotions; therapeutic relationship, 17455
dissociative disorders; therapeutic interventions; treatment; ego strengthening; skill building; psychotherapy, 16697
dissociative identity disorder; multiple personality disorder; treatment; Tortured Child Syndrome; intervention, 29528
dissociative identity disorder; treatment; therapists; interventions, 16676
distraction based coping intervention; women; coping responses; cancer genetic risk assessment; anxiety; family members, 17236
doctor patient interaction; decision support tool trial; intervention, 33079
domestic violence; child protection; collaborative interventions; children; mothers; battered women's shelters; child protection agencies, 35862
domestic violence; health sector; screening; prevention interventions, 16911
domestic violence; media coverage; social movements; source analysis; family tragedies; intervention, 7897
dose effect; bereavement; HIV/AIDS; group interventions; intervention outcome, 35659
drug user community; public health implications; illicit drug users; threat to community, 32384
e-care center; mental health interventions; mental health needs; communication; healthcare services; data mining; data analysis, 29874
eastern stress management session; salivary cortisol; body mind spirit; psychological outcomes; intervention, 17486
economic perspectives; computer based tools; alcohol problems; diagnosis; alcohol treatment, 23165
economic perspectives; costs and cost analysis; brief intervention; health care costs; alcohol treatment; Project TrEAT; screening, 23980
educational intervention; experiments; randomized designs; educational research, 8833
efficacy; effectiveness; range of possible changes; evidence based intervention; treatment; behavior changes; model; research, 26488
electronic monitoring; offenders; positive intervention, 12393
emotional intelligence; interventions; reading disabilities; emotional processes; students; cognition; emotional knowledge, 18133
employability; worksite interventions; rheumatoid arthritis; osteoarthritis; risk factors, 27434
enduring effects; cognitive behavior therapy; depression; anxiety; psychosocial interventions; treatment termination, 11199
enjoyment perception; physical activity; intervention efficacy, 35760
environmental ambiance; locomotion behaviors; elders; dementia; wandering; intervention, 14288
epilepsy nursing; quality of life; intervention program; epilepsy, 11077
erectile dysfunction; sexual health; bicycle saddles; pathophysiology; intervention strategies; ergonomics, 5148
establishing evidence; informed core intervention competencies; psychological first aid; public health personnel, 24111
ethnic diversity; intervention; older adults; socioeconomic differences; sample recruitment; sample retainment; communication, 16220
evaluation; family literacy; Even Start; interventions; child literacy; adult literacy; parent child interactions; randomized experiments, 5769
evaluation; HIV prevention; intervention; risk factors; harm reduction; peer health advocates, 26329
event management; event criticality; urgency; leadership role; team leader intervention; semi-autonomous work team effectiveness; organizations, 27381
evidence based interventions; HIV prevention; behavioral interventions; risk behaviors; risk determinants; cultural context; treatment effectiveness; funding agencies, 35735
evidence-based interventions; clinicians; top down research; bottom up research; mental health facilities, 2294
evidence-based interventions; clinicians; top down research; bottom up research; mental health facilities, 2262
executive coaching; developmental intervention; managers; future research; management development, 5947
existential issues; health problems; HIV; coping, 23588
experimental analysis; reading intervention; reading instruction context; group instruction; motivation, 33387
exploratory analysis; adherence patterns; program completion; pedometer based physical activity intervention; client characteristics, 35759
family therapy; child custody; interventions; divorces; child visitation; disputes, 35577
family therapy; scapegoating; Therapeutic Storytelling Intervention; individual therapy, 20538
family violence response team; domestic violence; police; program evaluation, 13897
fathering; father-child relationships; father interventions; father involvement; treatment outcomes, 32721
fathers; child protection; child welfare policy; practice; interventions; abusive men; family, 35891
feminist critique; feminist interventions; sexing up strategy; phallogocentrism, 1043
feminist intervention; women's body image; cultural messages; body image dissatisfaction; body image disturbance, 32752
focused stimulation; autism spectrum disorder; natural language interventions, 35641
forgiveness; divorce; religion; intervention; outcome study; ex-spouse, 5020
formative research; intervention programs; physical activity; adolescent girls; intervention planners; Trial of Activity for Adolescent Girls, 14712
foster care; intervention; discipline practices; co-parenting; externalizing problems; parenting intervention, 17732
foster children; therapeutic interventions; empirical studies; theoretical support; clinical support; empirical support, 20812
functional behavioral assessment; intervention effectiveness; developmental disabilities; longitudinal outcomes, 20530
functional communication; non speaking preschool children; communication intervention strategy, 2387
general psychiatrists; patients' children; adult patients; major depressive disorder; preventive interventions; risk factors; funding, 35534
geriatric depression; detection; treatment barriers; risk reduction; somatic intervention; medical disorders; pharmacotherapy; exercise; electroconvulsive therapy, 10630
geriatric depression; detection; treatment barriers; risk reduction; somatic intervention, medical disorders, pharmacotherapy, exercise, electroconvulsive therapy, 10656
girl; delinquency; intervention; arrest; foster care; juvenile justice system, 7893
Grief Intervention approaches; Neonatal Death; grief intervention models; family grief reactions; mourning; social work practice, 2199
group counseling; children; group process; verbal response modes; coding system; Group Leader Intervention System; test development; test validation; therapist interventions, 24627
group forgiveness intervention; forgiveness; perceived stress; trait anger; outcomes; health-related psychosocial variables, 23639
group intervention; computer based intervention; food portion size; estimation skills; food models; obesity; treatment; prevention, 14309
group intervention; parenting programs; aggressive children; child functioning; maternal confidence; parenting knowledge; parenting attitudes; treatment evaluation; mothers, 32739
group intervention; voice therapy; political prisoners; Palestinian women; trauma, 5443
group psychotherapy; inpatient unit; MEGA Group Model, 23647
group therapy; adolescent substance abuse; group intervention; iatrogenic effects; deviancy training; treatment outcomes, 8663
health care research; health promotion; adolescent development; experiment controls, 5189
health disparities reduction; African American population; health communication; health promotion interventions, 14624
health risks; problem alcohol use; criminality; at risk groups; motivational interventions; arrest; offenders; treatment program evaluation, 35052
health-promotion interventions; chronic illness; disability, 11520
healthcare; intervention; multidisciplinary approach; chronic illnesses; quality of care, 17398
heterosexuals attitudes; homosexuals; interventions; bisexual individuals, 13422
history; Ontario day nurseries; intervention; child care; regulation; administration; youth care forum; discourses, 31656
HIV infection; risk; drug users; drug sellers; crack; powder cocaine; heroin; interventions, 14162
HIV medication; treatment readiness; interventions; adherence, 26337
HIV positive women; condom usage; educational intervention, 23808
HIV prevention intervention; high risk behavior; prison based prevention; inmates; intervention effectiveness, 17808
HIV prevention interventions; intervention facilitators; behavior change; condom use; health promotion; attitude change; motivational change; source effects, 26772
HIV prevention program; evidence based interventions; community level interventions, 35747

HIV prevention; effective behavioral interventions; community based organizations; state health department; Michigan; community based providers, 35743
HIV prevention; intervention effectiveness; community participation, 29802
HIV; AIDS; global initiatives; mental health interventions; mental health problems, 1874
homeless adolescents; adolescent substance use; brief intervention; motivational interviewing; short-term effects; substance use intervention; risk reduction; high-risk groups, 37153
homework assignments; lifestyle physical activity intervention; transtheoretical measures; behavioral processes; cognitive processes, 26788
hyperlexia; social story intervention; intervention effectiveness; young child; attention from peers; verbal cues; visual cues; behavior change, 21257
immigrant parish community; community intervention; cultural differences; community dynamics; Catholic churches; Chinese immigrant subgroups; intervention, 35850
impaired driving; court intervention; offenders; recidivism, 12360
incarcerated women; social work intervention; narrative therapy; self destructive behaviors, 20932
individual stress; organizational stress; interventions; organizational development; comprehensive stress management program, 24287
injection drug use; adolescent initiation; intervention programs, 16980
injection drug use; knowledge gain; capacity building; intervention development; rapid assessment and response; health problems, 23827
insomnia; behavioral interventions; treatment efficacy; age differences; aging; sleep characteristics; cognitive behavior therapy; relaxation, 11324
instructional interventions; mathematics; students; emotional disorders; behavioral disorders, 30371
integrative geragogy; interventions; legitimizations; handicapped; elderly people; educational gerontology, 16232
intention; behavior change; intervention; meta analysis, 16585
intergroup bias; stereotype threat; sex differences, 16470
Internet based depression prevention; primary care intervention; adolescents; risk factors, 5288
Internet based real time system; pharmacological interventions; neurodevelopmental disorders; neuropsychiatric disorders; monitoring, 32729
Internet delivery; face-to-face delivery; group body image; disordered eating; group interventions, 13625
Internet-based interventions; computer-based interventions; smoking intervention; smoking cessation, 14758
interpersonal dependency; batterer intervention program; violence; treatment issue, 19485
intervention development; cultural adaptation research; diverse families; evidence based practice, 23541
intervention effectiveness; at risk population; substance abuse prevention; adolescent prevention programs; program effectiveness; meta analysis, 5416
intervention goals; society; cultural bias, 7201
intervention program; attention deficit hyperactivity disorder; substance use disorders, 23158
intervention program; domestic violence; criminal justice; stalking; law, 13926
intervention program; mental illness; service providers; parental attitudes; Invisible Childrens Project, 7620
intervention research study; experimental design; instructional intervention; learning disabilities; teacher-researchers, 9025
intervention research study; experimental design; instructional intervention; learning disabilities, 9021
intervention research study; experimental design; instructional intervention; learning disabilities, 9022
intervention research study; experimental design; instructional intervention; learning disabilities; theory; design-based research, 9034
intervention response; feasibility; issue examination; scientific evidence; identification; learning disabilities, 12053
intervention targets; cultural change; behavioral change; behavior contingencies, 32832
intervention types; publication rates; higher education institutions; international universities; publication promotion, 27297
intervention; forgiveness in therapy; predictors of forgiveness; counseling effectiveness; clients, 8298
intervention; peace workshop; ethnic conflict; empathy, 3991
interventions; causal learning; decision making, 21957
interventions; children causal inferences, 6547
interventions; children; autistic spectrum; young people; research, 29100
intimate partner violence; intervention programs; American Indian women; victims; Violence Against Women; batterer recidivism; adolescent mothers, 13923
intimate partner violence; primary care; chronic illness management; public health; screening; intervention, 16885
intimate partner violence; survivor preferences; health care providers; intervention; domestic violence, 1460
juror reactions; potential stressors; positive attitudes; decision making; stress levels; debriefing intervention, 9308
kindergarten; third grade; reading disability; reading achievement; intervention, 12094
knowledge gaps; Hewlett foundation; conflict; intervention, 9296
language disorders; phonological intervention; speech disorders; language skills; sound production; meaning based intervention, 7989
language impairment; phonological awareness; parental implementation; shared reading; intervention, 10941
language intervention; syntactic skill levels; preschoolers; language development; passive voice; intervention; experimentally manipulated input, 10080
language learning disabilities; reading disabilities; language intervention; language disorders, 7955
language-literacy learning; literacy interventions; collaborative approaches; natural learning contexts, 17076
learning disabilities; physiological responses; death and dying; bereavement; death concept; emotional responses; behavioural responses, 2273
learning disabilities; physiological responses; death and dying; bereavement; death concept; emotional responses; behavioural responses, 14652
learning disabilities; problem solving framework; responsiveness to intervention; student centered assessment, 11831
learning disabilities; schizophrenia; disorder management; psychosocial intervention; nurses, 26946
literacy intervention; collaborative approaches; special education; speech language pathologists; teachers; language impairment, 17130
long stays; discharge facilitation; state psychiatric institutions; group intervention strategy; resistant; continued hospitalization, 17501
long term participation; rehabilitation interventions; stroke, 26354
long-term benzodiazepine users; benzodiazepine craving severity; Benzodiazepine Craving Questionnaire; two-part treatment intervention; discontinuation trial, 13973
low-fat dietary program; at-risk group; cardiovascular disease; dietary modification; Women's Health Initiative; postmenopausal women; prevention, 17597
low-fat dietary program; at-risk group; cardiovascular disease; dietary modification; Women's Health Initiative; postmenopausal women; prevention, 29781
low-fat dietary program; at-risk group; cardiovascular disease; dietary modification; Women's Health Initiative; postmenopausal women; prevention, 29811
low-fat diets; at risk group; invasive breast cancer incidence; dietary modification; postmenopausal women; prevention; Women's Health Initiative, 29810
low-fat diets; at risk group; invasive breast cancer incidence; dietary modification; postmenopausal women; prevention; Women's Health Initiative, 29808
low-income battered women; economic justice strategies; domestic violence; interventions; women's poverty, 17737
management of dead bodies; psychosocial interventions; tsunami; mental health services; community level, 29911
marriage; prevention; couples therapy; randomized controlled trial; parenthood; marital quality, 17504
maternal depression; intervention programs; infant reactions; high risk motherhood; mother infant interactions; socioemotional development; infant development, 22987
mediation analysis; African American; fruits and vegetables; randomized controlled trial; latent variable structural equation modeling; psychosocial mediation; Body and Soul Effectiveness Trial, 29795
medication adherence intervention; advanced practice psychiatric nurses; human immunodeficiency virus; serious mental illness; facilitators; barriers, 35797
mental health augmentation; nurse home visiting programs; nurse family partnership; preventive intervention; mother child relationship, 17714
mental health services; employment status; occupational care; vocational interventions, 23991
mental illness; behavioral sexual risk reduction intervention; intervention dosage; homeless men, 20528
mental illness; HIV risk reduction intervention; human males; social skills intervention, 20705
mild traumatic brain injury; treatment; interventions, 8110
military; smoking cessation; smoking prevention; smokeless tobacco; tobacco control program; long-term use; US military troops; basic military training; health education, 20897
mindful caregiving; mindfulness based stress reduction; mindfulness training; caregivers; group based intervention; illnesses; patients; family members, 20841
minimal contact intervention; walking behavior; intervention feasibility; transtheoretical model; self efficacy; walking promotion; insufficiently active women, 2187
motivation; audio review; health behavior; risk factors; interventions; treatment, 31087
multicultural education interventions; sensitivity training; mental health professions, 11765
multifaceted intervention; Audit Project Odense; ischemic heart disease; randomized controlled trial; general practice; outreach visits; feedback; secondary prevention, 17254
multiple interventions; work place injuries; injuries prevention; job analysis; job characteristics; onsite physical therapist, 27431
multisite system intervention; homeless persons; serious mental illness; ACCESS program, 25818
Multisystemic Treatment; serious behaviour problems; teacher effectiveness evaluation; home based intervention; community based intervention; youth, 32289
musculoskeletal health; teamwork; work organization interventions; computer work; psychosocial work stressors, 24464
mystery customers; national community pharmacy chain; United Kingdom; asthma intervention; intervention delivery, 14673
neurofuturity; theory of change; memory; intervention; therapy, 20385
neuropsychological aspects; learning disabilities evaluation; children; response to intervention, 10908
non-government organization; HIV preventive intervention; ecological interventions; developing world, 2205
nontraditional interventions; unorthodox interventions; social work; ethics; legal implications, 33230
normal childbirth; interventions; cesarean surgery; labor induction; epidural analgesia; episiotomies, 23753
normative feedback interventions; gender specific misperceptions; heavy drinking; drinking norms; intervention efficacy; college students, 19466
note taking; reviewing; school learning; interventions; academic levels, 15007
nursing home interactions; staff resident communication; intervention, 20848
nursing home residents; serial trial intervention; comfort treatments; pharmacological; nonpharmacological; behavior; unmet needs; nurses, 35920
nursing interventions; outcome achievement; acute care settings; therapeutic self care, 14636
obesity; eating; exercising; sleeping; epidemiology; intervention, 26244
obesity; prevention; meta analysis; moderators; interventions; health behavior; exercise, 33026
obsessive compulsive disorders; disorder subtypes; treatment; interventions, 19919
office ergonomic intervention; musculoskeletal symptoms; stress; work organization; keyboards, 24467
older people; dementia care; Snoezelen; reminiscence; intervention; patient behavior; heart rate; occupational therapy, 8419
otitis media; self injurious behavior; behavioral intervention; autistic child, 2001
parent centered intervention; drug abuse; Hispanic immigrant adolescents; HIV prevention; intervention; families, 14672
parent training; cognitive development; parental stress, 4878
parent use; reading interventions; child outcomes; tutoring; learning disabilities; academic achievement; experimental investigations, 18134
parenting interventions; drug-dependent mothers; young children; attachment-based approach; outpatient interventions; child welfare system; caregiving skills, 20562

parents; foster parents; parenting caregivers; foster care system; young children assessment; social work practice, 14703
parents; intervention; parental distress; uncertainty; childhood diabetes; child behavior problems, 2192
partner stalking; victim services & justice system professionals' representative responses; psychological distress; mental health; criminal justice professionals; stalking intervention, 16873
patient demand; medical interventions; primary care; clinical visit; medical decision making; physician patient interaction; health care costs, 11453
pediatric encopresis; Internet intervention; audio; graphics; interactivity, 17569
pediatric epilepsy; psychosocial adjustment; psychological intervention; youth; seizure frequency, 14285
pediatric feeding disorders; behavioral treatment; feeding problems; GI conditions; oral feeding, 8032
pediatric hematology-oncology patients; intravenous procedures; CD-ROM intervention; cognitive appraisals; fear; behavioral distress; pain, 17566
pediatric immunizations; pain; clinical practice; efficacy; employed intervention; clinical significance; distraction, 11471
pediatric obesity; intervention; family; health, 23815
pedometer based intervention effects; physical performance; mobility related self efficacy; community dwelling older adults, 35748
periodical press; woman's suffrage movements; Canada; United States; interventions; strategic representations; narratives, 31553
personal intervention; substance abuse treatment; residential model; acquired brain injury; self monitoring; self control, 26402
physical activity intervention; breast cancer; survivors; intervention efficacy; vigor; fatigue, 35746
physical activity; church intervention; aerobic exercise; African American women, 23832
physical activity; exercise; intervention; primary care; signal detection methods; sedentary primary care patients, 20716
physical activity; planning interventions; orthopedic outpatient rehabilitation; young adults; middle aged adults; older adults; self administered planning; interviewer assisted planning; coping plans, 20867
pica; functional assessment; automatic reinforcement; ingestion of inedible items; intervention; developmental disabilities; self-injury, 14425
poor individuals; practitioner values; value systems; interpersonal interaction; intervention; patient therapist relationship, 4920
positive behavior support; interventions; disabilities; Asperger syndrome, 14426
positive psychology; happiness; character strengths; interventions; virtues, 20369
post Tsunami psychosocial playground; psychosocial programming; humanitarian compassion; psychosocial interventions; disasters; Sri Lanka, 35461
postnatal depression; preventative interventions; controlled trials; narratives; postpartum women; data sources, 7651
postpartum intention; resume smoking; smoking behavior; obstetrics, 33156
postvention; suicide; survivors; interpersonal psychotherapy; crisis intervention; self help, 23569
pragmatic language impairment; social language therapy; pragmatic language therapy; children; intervention outcomes, 11689
pre-licensure interprofessional education; post licensure collaborative interventions; interventions effectiveness; health professional; client care; care delivery, 5577
pretend play; adaptive functioning; child development; creativity; coping; emotion regulation; interventions; anxiety; distress; externalizing behavior; outcomes, 29469
prevention program; promotion intervention program; mother infant relationship; home visiting intervention, 17596
prevention research; Latino families; preventive interventions; cultural factors; protective factors; family, 26519
prevention; obesity; eating disorders; integrated approaches; interventions, 8243
preventive healthcare services; communication interventions; communication strategies; service utilization; patients; physicians; men, 2193
preventive intervention; cultural adaptation; Latino behavioral health; parenting; parent management training; problem behaviors; at risk youth, 5025
preventive psychosocial forensic interventions; community mental health services; offending, 26826
primary care physicians; collaboration; interventions; treatments; clinicians, 29514
proactive telephone counseling; minimal intervention; smoking cessation, 33152
problem activation; resource activation; therapeutic interactions; patient behavior; therapist intervention; consistency theory micro process analysis, 17436
prodromal symptoms; psychological interventions; bipolar disorders; coping strategies, 10645
program development; undergraduate competency based coach education program; Canada; sport intervention; sport psychology, 27054
prostate cancer; psychoeducational intervention; quality of life; self-esteem; self-efficacy, 20216
psychiatry; intervention; psychotic illness; mental health disparities; research; community-based psychiatric services; European Union, 2222
psychoanalysis; countertransference; psychotherapeutic process; relationships; intervention; young males, 14369
psychoanalysis; countertransference; psychotherapeutic process; relationships; intervention; young males, 14392
psychoanalysis; countertransference; psychotherapeutic process; relationships; intervention; young males, 14393
psychoanalysis; countertransference; psychotherapeutic process; relationships; intervention; young males, 14368
psychoeducation; eating disturbance; intervention; dieting; eating disorder symptoms; risk factors; mental health; college women, 20148
psychoeducational intervention; hemodialysis; fluid adherence; interdialytic weight gain, 2218
psychological capital development; micro intervention, 27403
psychological interventions; pediatric chronic illness; diabetes; cancer; cystic fibrosis; sickle cell disease, 31975
psychopathy theories; treatment development; psychometrics; measurement tools, 26070
psychosis intervention; mental health carepath; community mental health centers; evaluation, 23901
psychosocial intervention; men; psychotherapeutic intervention; gender sensitivity; therapist countertransferences; bias; socialization; help seeking behavior, 4970
psychosocial interventions; bipolar disorder; treatment enhancement program; pharmacotherapy; cognitive behavioral therapy; family focused psychoeducational treatment; outpatient, 28846

supportive intervention; chemotherapy; fatigue; cancer patients; well being, 23787
Sure Start; social exclusion; child poverty; preventive intervention, 33104
tacting actions; childhood development; autism spectrum disorder; generalization; verbal antecedent; intervention; labeling, 29120
Taking Charge; female veterans; posttraumatic stress disorder; military sexual trauma; personal safety; therapeutic self-defense program; behavioral intervention, 17487
telehealth interventions; rehabilitation technology; rehabilitation psychology; internet; world wide web, 5410
telephone intervention; HIV patients; informal caregivers, 33056
telephone interventions; nursing students; heart failure patients; treatment outcomes; home; community care, 35838
television viewing habits; adult obesity intervention; behavioral target, 14550
therapeutic intervention; sexual violence; poverty; deviant behavior, 23538
thought processes; self-as-a-model intervention; learning to swim; children, 22248
tobacco use; cancer patients; smoking cessation; interventions; cancer center; readiness to quit, 17239
tobacco withdrawal; exercise intervention; sleep disturbance, 20623
Tourette syndrome; school based application; habit reversal; behavior modification, 11323
Tourette's syndrome; tic disorder; school accomodations; intervention; functioning, 12054
training goals; tiered intervention based services; adherence; internship; legislative developments; school psychology; students; disabilities education, 30210
training of trainers; psychosocial interventions; mental health interventions; wars; violence; natural disasters, 36048
transition; students; emotional disorders; behavioral disorders; intervention, 30398
translation into practice; modality; brief interventions; health behavior interventions, 20732
translational neuroscience; neurosteroids; psychopharmacology; interventions; pharmacology; human behavior; brain disorders; treatment; neuropsychiatric disorders; preclinical studies, 24960
transplantation; clinical trials; quality of life; coping; depression; consumer skills intervention, 26790
transtheoretical model; health behavior; dietary change; theory of planned behavior; implementation intentions; stages of change, 17376
traumatic brain injury; community reintegration; intervention; data set; clinicians; advocates; society, 26439
treatment integrity; behavioral intervention; children; autism; independent variables, 20533
treatment intervention; postpartum depression; parenting stress; combination therapy; mothers, 17404
treatment team functioning; mindfulness-based mentoring intervention; adult inpatient psychiatric hospital; patient satisfaction; staff satisfaction, 24083
understanding interventions; intervention outcomes; mothers of infants; mothers' transition; pediatric nursing practice, 20354
verbal psychotherapy; body perspective; body oriented interventions; non verbal communication; physical contact, 17443
video; social story interventions; social communication skills; children; autism; aspergers syndrome; social reinforcement, 29501
virtual reality; behavioral intervention; pediatric oncology patients; painful medical procedure, 8085
visualization; systematic desensitization; habituative interventions; public speaking anxiety, 4887
vocational rehabilitation; vocational models; vocational interventions; psychiatric disability; employment, 29984
VOICES/VOCES intervention; HIV prevention; technical assistance; Centers for Disease Control and Prevention, 35725
warning messages; gambling; brief intervention; prevention; beliefs, 18342
wasted children; child undernutrition; non-emergency settings; developing countries; child mortality; intervention, 26280
web based intervention; general practice; excessive alcohol consumption; positive responders, 4899
women; postnatal depression experience; primary care; intervention; interviews, 22985
work related musculoskeletal disorders; ergonomic interventions; theories, 24414
young children; causal strength; probabilities; interventions; causal mechanism, 787
young drug users; 3,4-methylenedyoxymethamphetamine; epidemiology; intervention; public health; drug rehabilitation, 20014

Intervention [See Also Crisis Intervention, Early Intervention, Family Intervention, School Based Intervention]—Books

Adolescent suicide: Assessment and intervention (2nd ed.), 7837
Bioterrorism: Psychological and public health interventions, 4935
Chronic health-related disorders in children: Collaborative medical and psychoeducational interventions, 29209
Energy psychology interactive: Rapid interventions for lasting change, 5091

Enhancing the well-being of children and families through effective interventions: International evidence for practice, 20835
Geriatric neuropsychology: Assessment and intervention, 22599
Geropsychological interventions in long-term care, 35930
Handbook of international disaster psychology: Interventions with special needs populations (Vol. 4), 23580
Infant and early childhood mental health: A comprehensive development approach to assessment and intervention, 13239
Positive prevention: Reducing HIV transmission among people living with HIV/AIDS, 5208
The psychology of resolving global conflicts: From war to peace (Vol. 3), 22635

Interview Schedules [See Also Diagnostic Interview Schedule, Structured Clinical Interview]—Serials

sensitivity; Anxiety Disorder Interview Schedule IV; ADIS-IV; detection; potentially traumatic childhood abuse experiences; anxiety disorder patients, 24613
Significant Other Survey; test development; family members; substance abuse; psychometric properties, 12531

Interviewers—Serials

childhood events; appropriate interviews; trained interviewer; appropriate manner; event participants; real events; final interview; parental misinformation; social pressure, 3429
criterion related validity estimates; interviewer validity coefficients; panel-level validity coefficients; concurrent validation project; noncommissioned, 30797
data quality; data collection process; household telephone surveys; interviewers, 18645
interviewers; human factors; evaluation research; program evaluation; interaction analysis; discourse analysis; health education; experimental design, 24696

Interviewing—Serials

child abuse; interview protocol; test validity; test reliability; psychometrics; interviewing, 20350
clinical interviewing; ethnic minorities; assessment; diagnosis; African Americans; ethnic & cultural factors, 20424
computer-assisted interviewing; face-to-face direct interview; emotional and behavioral difficulties; child psychiatric interviews; clinician-child communication, 11271
computer-assisted self-interviewing (CASI); audio-CASI; children's consultation; children's participation; Internet; planning children's services, 11576
data saturation; variability measurement; nonprobabilistic sampling; sample size; interviews; thematic analysis, 15563
decisional balance; Motivational Interviewing; alcohol consumption; safe sex behavior; motivation; college males, 15110
fidelity measures; motivational interviewing; clinical supervisors; substance abuse; behavior problems; therapist competence; drug rehabilitation, 30131
fieldworker; foreigner; ethnographic interviewing; nonnative languages; linguistics, 15574
forensic interviewing; child sexual abuse; cognitive interviewing; perpetrators, 19953
homeless adolescents; adolescent substance use; brief intervention; motivational interviewing; short-term effects; substance use intervention; risk reduction; high-risk groups, 33153
information gathering; accusatory interview style; discomfort; cognitive demand; individual differences; shyness; deception, 31935
interpersonal dynamics; negotiation; anthropology; interviews; interviewing; ethnography; sociolinguistics, 16318
interpersonal dynamics; negotiation; anthropology; interviews; interviewing; ethnography; sociolinguistics, 16310
interpersonal dynamics; negotiation; anthropology; interviews; interviewing; ethnography; sociolinguistics, 16315
interpersonal dynamics; negotiation; anthropology; interviews; interviewing; ethnography; sociolinguistics, 16309
interrogative pressure; interrogative responses; leading questions; interviewer demeanour; interviewee; interrogation suggestibility, 7391
interviewing techniques; questioning; responses, 19184
interviewing to detect deception; behavioral adaptation effect; overshadowing effect; interviewing styles, 10422
investigatory interviewing guidelines; children; scientific community; forensic psychiatry, 33712

leadership roles; candidates; research, 12161
masculinities; gender; interviewing; data collection; data interpretation, 226
Motivational Interviewing Skill Code; coding system; content validity; test reliability; treatment situations, 22
motivational interviewing; drug-related problems; alcohol abuse; age differences; adolescents; young adults, 23160
motivational interviewing; HIV testing; American Indian substance abuse treatment facility; risk factors, 11501
motivational interviewing; self determination theory; therapeutic change; need satisfaction; internalization, 32813
motivational interviewing; self-determination theory; theoretical framework; counseling, 1968
motivational interviewing; within session client behavior; smoking cessation; principles; African American smokers; counselor adherence, 14743
person centered interviewing; psychocultural phenomena; observation; ethnography; Tahiti; Nepal, 9494
psychological disorders teaching; group interviewing; diagnostic approach; learning classroom activity; undergraduate students, 36291
qualitative research; interviewing; insight; health experiences; child health research, 758
research roles; family studies; interviewing; qualitative research; social constructionism, 19365
semi-structured interview techniques; interviewer self disclosure; similarity; category entitlement; youth, 18630
small world chains; social networks; interviewing; accuracy, 13277
structured interview demonstration; classroom activity; interviewees responses; interview questions; student learning, 14941
therapeutic interviewing strategy; counseling practice; individual therapy; couples therapy; health-focused counseling; medical issues; health issues; chronic illness, 2026

Interviews [See Also Intake Interview, Interview Schedules, Job Applicant Interviews, Psychodiagnostic Interview]—Serials

adolescent anorexia nervosa; disorder treatment; parents views; proactive stance, 1649
adolescent substance use assessment; self administered questionnaire; face to face interview formats; substance use frequency; alcohol use; marijuana use; chemical dependency assessment, 3183
Andre Weitzenhoffer; interview; professional life; hypnosis, 11746
child abuse; interview protocol; test validity; test reliability; psychometrics; interviewing, 20350
children's eyewitness recall; question repetition; interviews, 19185
cognitive interview; developing country; witnesses; testing efficacy, 27710
course assignment; parent interview; college students; child development course, 36257
criterion related validity estimates; interviewer validity coefficients; panel-level validity coefficients; concurrent validation project; noncommissioned, 30797
domestic violence; doctor-patient relationship; clinical interview, 7756
domestic violence; doctor-patient relationship; clinical interview, 7814
drug use; assessment; adolescents; African American; Hispanic; drug abuse treatment; interviews; self report; measurement; marijuana use; cocaine use; urine assays, 7852
ego-centered networks; computer-assisted interviews; social networks; substance use, 24700
evolutionary psychology teaching; tenets of psychology; interview, 14939
group selection interview; interpersonal interaction; fairness; multiple applicants interview, 19540
Huckleberry Finn; interview; David Nylund; attention deficit hyperactivity disorder; pathologizing language; narrative counseling, 1961
institutional interviews; television media; political leaders; verbal behavior; discourse analysis, 28196
institutional review board; deliberations; decision making; research ethics; observation; interview methods, 14782
interpersonal dynamics; negotiation; anthropology; interviews; interviewing; ethnography; sociolinguistics, 16310
interpersonal dynamics; negotiation; anthropology; interviews; interviewing; ethnography; sociolinguistics, 16318
interpersonal dynamics; negotiation; anthropology; interviews; interviewing; ethnography; sociolinguistics, 16309
interpersonal dynamics; negotiation; anthropology; interviews; interviewing; ethnography; sociolinguistics, 16315
interview; Cees Goos; senior staff; international public health initiative; World Health Organization; substance abuse prevention program; research experience, 30044
interview; David Tidmarsh; forensic psychiatrist, 36010
interview; policy; homology; dialogue; civilizations; conflict, 34493
interview; Sarah Frances McCabe; criminologist; criminology, 36650
interviewing contexts; suggestibility; theory of mind; inhibitory control; preschool-age children, 13156
interviewing to detect deception; behavioral adaptation effect; overshadowing effect; interviewing styles, 10422
Jan Stensson; interviews; psychoanalysts, 23681
Joseph Gusfield; alcohol research; problems; social construction, 20701
Juha Partanen; personal experiences; drinking problems; drinking patterns; social researcher, 36011
Kurt Danziger; psychological objects; psychological methods; history of psychology; historical psychology, 18490
laddering method; managers; personal values, 199
linguistic markers; psychological state; media interviews; political candidates; presidential campaign; cognitive domains, 7306
Marco Bacciagaluppi; interviews; psychoanalysts, 23658
medical interview asymmetry; expectation states; status difference, 11190
monolingual language ideologies; refugees; interviews; code choice; Belgian asylum procedure, 3939
motivation; interview; psychotic disorders; patients; schizophrenia; medication; substance abuse disorders, 32137
news interview; neutralism; neutralistic professionalism; news interviewers, 25188
nonvisible disabilities; interviewees with disabilities; interview ratings and disabilities; disability disclosure in interviews; timing of disability disclosure, 28767
objects of discourse; broadcast political interview; sociocultural context; media, 22396
Parkinson's disease; occupational therapy; interview; personal identity; mood; favorite activities, 20918
personality disorder symptoms; forensic inpatients; response style; self report; interview-based measures; social desirability bias, 34951
personality traits; structured interviews; behavioral interview; situational interview; applicant personality; employment interview ratings; personality factors, 12167
practical reflection; sharing transcripts; research process; academic writing; epistemology; ethical implications, 8801
prison experience; violent crime; lifestory interviews; narratives; discourses, 29078
psychoanalysts; International Forum of Psychoanalysis; Jan Stensson; Marco Bacciagaluppi; Stafo Bolognini; interviews, 23682
risk factors; injecting drug users; peer intervention; orthwest Wales, 32331
sensitive questions; anonymity; web based interviews; socially desirable answers, 9927
sex work; prostitutes' vocational orientations; prostitutes' views, 7347
standardized Cognitive Interview; older adults; text-based stimuli, 15711
Stefano Bolognini; interviews; psychoanalysts, 24013
structured interview demonstration; classroom activity; interviewees responses; interview questions; student learning, 14941
structured interview formats; favorable impressions instruction; individual differences; verbal & nonverbal impression management; trainees; impression management tactics, 31768
suicide attempt; suicide; self-injury; deliberate self-harm; measurement; Suicide Attempt Self-Injury Interview; test development; test validity; test reliability, 30738
teaching; reading; literacy; reading education; interview, 8847
television talk shows; therapists interviews; patient attitudes; life experiences; social issues; patient therapist relationship, 4865
The Family Journal; Jon Carlson; founding editor; counseling field; interview, 8340
unbounded interview status; criminal victimization reports; actual experiences, 4405
unreliable narrators; inconsistency; qualitative interviews; narratives, 27714
verbal interaction; interviewer; alleged victims; child sexual abuse, 19972
video conferencing; forensics; psychiatry; video interviews, 29446
Wayne K. Goodman; interviews; obsessive compulsive disorder, 20942
women; postnatal depression experience; primary care; intervention; interviews, 22985
Zarit Burden Interview; test validity; caregivers stress; elderly patients; dementia, 12435

Interviews [See Also Intake Interview, Interview Schedules, Job Applicant Interviews, Psychodiagnostic Interview]—Books

FIT-R: Fitness Interview Test-Revised. A structured interview for assessing competency to stand trial, 18515
Higher wisdom: Eminent elders explore the continuing impact of psychedelics, 6867

Interviews [See Also Intake Interview, Interview Schedules, Job Applicant Interviews, Psychodiagnostic Interview]—Chapters

Investigative Interviews of Children: A Review of Psychological Research and Implications for Police Practices, 18469

Intestines—Serials

duodenal obstruction; eating disorder; patient; abdominal pain; excessive food consumption; stomach; bulimia nervosa; women, 20130
freewheel running; mouse; intestinal lymphocyte death; acute strenuous exercise; mice, 15861
pneumatosis intestinalis; traumatic brain injury; sorbitol, 8138

Intimacy—Serials

Abuse within Intimate Relationships Scale; test validity; factor analysis; test reliability; psychometrics, 11172
adolescence; friendships; relocation; intimacy; companionship, 25379
anorexia nervosa; intimacy attitudes; women; Western culture; romantic relationships, 17114
attachment; closeness; dyadic attributes; marital quality; neuroticism, 969
attachment; fear; intimacy; self differentiation; substance disorder treatment facilities; self report, 17793
autonomy; self-determination; relationships; motivation; conflict; romantic relationships, 7412
childhood sexual abuse; implicit processing; intimacy related stimuli; psychiatric patients, 16840
doctor-patient relationship; married couple; patient gratitude; emotional intimacy; health care professionals, 5280
Dyadic Almost Perfect Scale; test validity; test reliability; psychometrics; perfectionism; intimate relationships; factor structure, 30708
early adolescents; emerging adults; friendship; intimacy; gender differences; age differences, 28353
ego development; identity; intimacy; Black men; White women; cross racial relationship; intimate relationships, 13166
emotional intimacy; imitation; social interaction; subjectivity; infant development; adult infant interactions, 29538
friends; friendship; Poland; United States; interpersonal relations; intimacy, 19528
friendship; relational self construal; intimacy development; roommate relationships, 19497
gay parenthood; paternity; gay male intimacy; kinship; parental desire; decision-making, 13420
impasse; intimacy; script protocol; Eric Berne; intrapsychic process; interpersonal process, 35473
intimacy groups; group types; social categories; task groups; intergroup relations; entitativity role; essentiality role; judgments; collective responsibility, 13448
intimacy role; relationship perception; courtship; interpersonal interaction; relationship talk, 28583
intimate partner violence; coping strategies; older women; grounded theory, 20003
intimate partner violence; person oriented perspectives; variable oriented perspectives; research, 7750
intimate relationship; healthy relationships; intimacy, 31905
intimate relationships; marriage; marital relations; trust, 25497
length of stay; Canada; intimate partner violence; immigrant women, 34986
masculinity; sexuality; emotional intimacy; HIV; heterosexual men; strategies; sexual encounters, 3942

motivation; close relationships; sacrifice; relationship maintenance; daily experience methods; intimate relationships; motives; approach; avoidance; well being; relationship quality, 1139
need fulfillment; self expansion; susceptibility predictors; infidelity; motivation, 34677
online friendships; relationship satisfaction; gender compositions; intimacy; trust; self disclosure; friendship duration, 16443
parental support; adolescent adjustment; relationship intimacy; parent-adolescent dyads; major stressful event, 28487
posttraumatic relationship syndrome; intimate relationship; trauma; posttraumatic stress disorder, 25975
pre-marital conversation; love; intimacy; marriage dynamics, 34560
relational turbulence model; network members; courtships; relationship uncertainty; intimacy; interference; facilitation; partners; hindrance; network member helpfulness; perceived network involvement, 31751
relationship satisfaction; intimacy needs; marital relationships; intimacy satisfaction, 7224
self report; close relationships; social threat, 16573
sexual intimacy; college women attitudes; adult development, 34401
sexual intimacy; new mothers; counseling; spiritual dimensions; personal dimensions; social dimensions, 35467
sociable resources; interpersonal relationships; intimate relatives; friends; interpersonal interaction, 16440
social vulnerability to HIV infection; unprotected anal intercourse; regular male partners; at risk; condom use; modern societies; intimate relationships, 17207
transgender practices; partnering; parenting; sociological studies; intimacy; social relations, 34630
working models; attachment processes; attribution processes; intimate relationships; relationship satisfaction, 16444
working self-concept; self-expansion model; relationship dissolution; self-expanding; postdissolution; predissolution relationships; closeness; recall; priming; relationship qualities, 31757

Intimacy—Books

Being and loving: How to achieve intimacy with another person and retain one's own identity (3rd ed.), 3878
Growing more mature: Insights from the lives of highly achieving men and women, 3877
Male-male intimacy in early America: Beyond romantic friendships, 19432

Intimacy—Chapters

Negotiating (Non)Monogamy: Bisexuality and Intimate Relationships, 4101

Intoxication [See Toxic Disorders]

Intoxication (Alcohol) [See Alcohol Intoxication]

Intra Aural Muscle Reflex [See Acoustic Reflex]

Intracranial Self Stimulation [See Brain Self Stimulation]

Intramuscular Injections—Serials

antipsychotic drugs; psychiatric emergencies; oral administration; intramuscular injections, 13662
intramuscular injections; mental health setting; medications; practice technique; nurses; best practice guidelines; mental health consumers, 32933
involuntary intramuscular injections; psychiatric emergency service; chemical restraint; emergency room; obervation, 35934
long-acting injectable naltrexone; efficacy; tolerability; alcohol dependency, 11371
long-acting injectable naltrexone; efficacy; tolerability; alcohol dependence, 11386
olanzapine; intramuscular antipsychotics; psychiatric inpatient; agitation; aggression; seclusion, 23727

Intraperitoneal Injections—Serials

habituation role; unconditioned response; lithium chloride; preexposure effect; rats; intraperitoneal injections; unconditioned stimulus, 6835

Intravenous Drug Usage—Serials

AIDS prevention; social research; behavioral research; injection drug users, 2216
attitude change; HIV vaccine trials; HIV negative injection drug users, 7857
behavioral HIV risk reduction; injection drug use; intervention; drug treatment, 35406
behavioral interventions; HIV-positive; HCV-positive; hepatitis C; drug users; epidemiology; at-risk populations; injection drugs; hepatitis C virus, 32033
biomedicine; injecting drug users; hepatitis virus; risk factors; socio demographic factors; at risk populations, 4480
booting; flushing; risk factors; bloodborne viruses; injecting behavior; cocaine, 32362
Brazil; HIV infected drug users; health care services; AIDS prevention; health care policy, 29787
cocaine use; street based sex work; injection drug users; prostitution, 26015
crack smokers; drug injectors; community residents; stigma; risk perceptions; sexual relations; HIV; social partnerships, 1724
depression; Beck Depression Inventory-II; injecting drug users; factor analysis; psychiatric symptoms, 21673
detoxification treatment; injection drug users; health care services; substance abuse treatment; HIV; hepatitis C, 14742
drug treatment system; health care utilization; injection drug users; Massachusetts; treatment repeaters, 14750
focus groups; educational needs; females; injecting heroin users; Taiwan; HIV/AIDS prevention; prison; transmission attitudes; HIV testing, 14598
harm reduction; supervised injecting facilities; evidence; ethics; policy, 20763
health trends; drug users; needle exchange programs; sociodemographic characteristics; AIDS prevention; risk behavior; harm reduction; Switzerland, 26775
Hepatitis C; injecting amphetamine users; Transtheoretical Model of Behavior Change; decision to cease injecting, 26097
HIV positive injecting drug users; antiretroviral medication adherence; cognitive functioning; memory; psychomotor speed; neurocognition, 29777
HIV testing; hepatitis C testing; injection drug users, 17221
HIV transmission behaviors; prison; Puerto Rican drug injectors; drug & sex risk behaviors; jail, 8067
HIV; risk behavior; risk factors; gender differences; injection drug users; China; family support; economic pressure; sex partner; intravenous drug users, 26095
injecting drug use; young adults; Amsterdam; disease prevention; client attitudes, 29834
injecting drug users; hepatitis; unprotected sexual contact; vaccination; knowledge; risky behavior; preventive interventions; syringe exchange program, 1522
injection drug use; adolescent initiation; intervention programs, 16980
injection drug use; HIV transmission; high risk sexual behaviors; African countries, 26098
injection drug use; HIV transmission; Russia; AIDS; risk factors; vulnerable populations; harm reduction, 35234
injection drug use; knowledge gain; capacity building; intervention development; rapid assessment and response; health problems, 23827
injection drug use; life expectancy; HIV positive cohorts; HAART treatment, 23359
injection drug users; HIV incidence; Serologic Test Algorithm; HIV prevention services expansion; syringe exchange services, 4690
injection drug users; personal networks; HIV risk behaviors; interpersonal relationships, 29817
injection drug users; personal networks; HIV risk behaviors; interpersonal relationships, 29789
injection partners characteristics; needle sharing; adolescents; young adults; HIV; risk factors; injection drug use; interpersonal dynamics; intimate partners, 32389
law enforcement; drug injectors; drug abuse; deterrence; Human Immunodeficiency Virus, 16949
methamphetamine; outpatient treatment; hepatitis C virus; heroin injection; illicit drug use; virus transmission, 34787
midazolam injection; methadone treatment; AIDS/HIV vaccine trial; needle sharing; trends; injection drug users, 4502
naloxone; injection drug users; overdose prevention, 20887
needle and syringe exchange programs; HIV prevention; intravenous drug users; infections; program effectiveness; study designs, 29782
needle and syringe programs; harm reduction; drug laws; ethics, 29806
needle exchange operations; Brazilian community; HIV infection rates; injection drug users; tagged syringes; syringe circulation, 29788
needle exchange programs; Amsterdam; intravenous drug usage; AIDS prevention, 29833
needle syringe programs; HIV infection; injecting drug users; public health interventions, 29835
police drug crackdowns; hospitalization rates; illicit injection related infections; New York City; arrest rates, 4503
polydrug use history; injection drug users; primary drug; modulating drugs; drug interaction; Puerto Rico, 29040
psychiatric comorbidity; opioid abuse; HIV risk behavior; syringe exchange participants; prevalence, 32333
Puerto Ricans; migrants; social support; HIV; injection risk; drug shooting gallery use; sharing needles; paraphernalia, 16984
quality of life; measurement; opiates; clinical trials; Quality of Life Interview-Brief Version; psychometric properties; reliability; validity; consistency; injection drug users; drug abuse treatment, 30751
risk factors; injecting drug users; peer intervention; orthwest Wales, 32331
salient beliefs; drug preparation practices; injection drug users; Puerto Rico; risk factors, 7849
secondary needle exchange programs; drug injectors; needles availability; injecting equipment sterilization, 29809
sexual risk behavior; injection drug users; highly active antiretroviral therapy; history; condom use; HIV testing & counseling, 7870
sterile syringes; safe syringe disposal; injection drug users; methadone maintenance treatment; risk behavior, 30012
syringe buying; syringe selling; injection drug users; syringe exchange programs; North America; risk factors; HIV infection; client attitudes, 29807
syringe exchange programs; HIV outbreak; injection drug users; Canada; political opposition; health care utilization; health care delivery, 29837
syringe exchange research; research informed policy; harm reduction; political processes, 29823
United States; HIV/AIDS; researchers; HIV-infected people; injecting drug users; epidemics; Puerto Rico, 32565

Intravenous Injections—Serials

aluminum toxicity; intravenous injection; boiled methadone; substance abuse, 17009
intravenous mirtazapine; depressed inpatients; antidepressants; therapeutic efficacy; tolerability; safety, 32917
Pavlovian learning; intravenous cocaine; injections; drug abuse, 19058

Intrinsic Motivation—Serials

academic motivation; learning goal oriented; achievement goal oriented; learning strategies; trainee teachers; teacher education course, 21175
achievement; achievement motivation; performance attainment; goals; intrinsic motivation; conceptual models; theories; competence, 21178
alcohol use; substance use; athletics; exercise; self-determination theory; intrinsic motivation; extrinsic motivation; athletic involvement, 32378
goal theories; motivation theories; rigorous humanism; methodology; Joseph Rychlak, 211
group creativity; extrinsic motivations; intrinsic motivations; obligation; rewards; task performance; creativity-affecting motivation, 25648
Herzberg's motivation theory; suggestion schemes; intrinsic satisfaction, 12199
identification with academics; intrinsic motivation; extrinsic motivation; self efficacy; cognitive engagement; intervention, 15700
implicit motives; explicit goals; motivational functioning; psychopathology; motivational systems; avoidance tendencies, 25779
intrinsic motivation; overjustification; performance; rewards; behavioral contrast, 30186
intrinsic motivation; social behavior; theory of planned behavior; forms utility, 18500
intrinsic-extrinsic goals; self-determination theory; circumplex structure; cross-cultural research; motivation, 3987
love; therapy; intrinsic motivations; Christianity; self esteem; psychological literature; theological literature; counseling, 25462
motivation; treatment completion; American Indian adolescents; substance abuse treatment; diagnosis, 29995
motivational orientation; personality; gender differences; racial and ethnic student groups; boredom; affective style; free time, 27445
perceived teacher feedback; intrinsic motivation; physical education, 2727
personal power; social power dynamics; intrinsic motivation; decision-making, 31813
profound knowledge; choice theory; management style; intrinsic motivation, 20393
rewards; intrinsic motivation; cognitive processes; path analysis; achievement, 6614

self determination theory; extrinsic goal; intrinsic goal; academic motivation; study behavior; educational quality, 15066
smokers; dissatisfaction; persuasive constraint; internal motivation; behavior change; source expertise; persuasion; smoking cessation; self image; intention; social influence; identity threat, 19491
stimulating tasks; reading comprehension; intrinsic motivation; teacher guidance, 27176
thinking skills; intrinsic motivation; effective learning; learning environment; classroom teaching, 21190
work; mothers; fathers; emotions; spillover; intrinsic work motivation; work hours; taking time for self; emotional climates; anxiety, 16343

Introspection—Serials

personal introspection; self fabrication; unconscious/conscious theory; behavior explanation; fundamental attribution error; cultural prejudices; consumer behavior, 18375
phenomenology; introspection; perception; experimental design; experimental subjects; cognitive sciences, 18640
researcher-informant introspections; personal introspection; multiple-methods approach; consumer research; conscious thinking; unconscious thinking; consumer attitudes; metaphor elicitation, 18364
temporal distance; self-perception; actor-observer; visual perspective; introspection; trait self ascription; past & future self, 16485

Introspection—Books

Exploring inner experience, 18881

Introversion—Serials

extraversion; task performance; workload levels; introversion, 25649
extraverts; introverts; mood regulation; mood maintenance; mood repair; affect; self-regulation, 25678
neuroticism; introversion; women; disordered eating behaviors; personality traits; personality correlates, 14070
personality; twin studies; neuroticism; extraversion; cognitive impairment, 31516
safeguarding tradition; psychological type preferences; vergers; Church of England; introversion; extroversion; personality, 28421

Intuition—Serials

anchoring and adjustment heuristic; intuitive judgments; judgmental biases; uncertainty; plausible estimate, 18779
behavioral economics; dual process; inferential correction & adjustment; decision making in sports gambling; overconfidence; intuition; intuitive bias, 27882
business environment; management methods; managerial decision making; intuition; uncertainty, 2829
cultural preferences; formal reasoning; intuitive reasoning; European Americans; Asian Americans; East Asians; categorization; conceptual structure; deductive reasoning, 409
desire; foresight; intention; intentional actions; folk intuitions; morality, 31805
folk intuitions; free will; moral responsibility; experimental philosophy; prephilosophical judgments; freedom, 9604
free will; folk intuitions; responsibility; determinism, 31806
free will; folk intuitions; responsibility; determinism, 31815
instructional intuition; management education; action learning, 36440
instructor intuition; educational setting; technical rationalist approaches; implicit learning, 36153
intelligent design; creationism; scientific knowledge; intuitive beliefs, 24194
intuition; psychology; psychological orientation, 8259
intuition; reflection; transpersonal psychology; organizational learning, 2912
intuitive decision making; complex situations; somatic markers; artificial grammar learning task; skin conductance measures, 3410
intuitive eating; body appreciation; body acceptance; body function; objectification theory; college women, 34723
intuitive eating; eating behaviors; evaluation; psychometrics; eating disorders; cues; college women; assessment; test development, 15405
intuitive eating; well-being; eating disorders; college women; hunger; satiety cues; symptomatology, 35166
intuitive judgments; correlations; attenuating effect; contaminated distributions; scatterplots, 380
intuitive knowledge; physics; pendulum; cognitive development; children; imagery; task-specific knowledge; pendulum motion law; task conditions; judgment; perception, 781
memory loss; intuition; midazolam; implicit memory; explicit memory; decision making; hippocampus, 31161
memory; cultural narratives; minimally counterintuitive narratives; myths; folktales; cultural stability; cognitive templates, 27865
moral dilemmas; moral rules; emotional responses; intuitions; judgments; reasoning, 28674
psychometric approach; intuitive physics; physics performance; cognitive aging; systematic errors; cognitive ability, 6545
self perception; high intuitiveness; beliefs; experiences, 31916
spatial intuitions; learning; rotations; virtual reality, 6542
theory-driven design approach; collaboration systems; structure of scientific theory; intuitive theories, 21504
trait inferences; quality feedback; intuitive judgment; consumer behavior; trust behavior; managers, 15250
uniformity of fixation density; Voronoi method; fixation locations; cell size distributions; visual evaluation; intuitive meaning, 33934

Inuit—Serials

Inuit inmates; Nunavut, Canada; criminal justice reform, 21570
Inupiat & Yup'ik Alaskan natives vs Venezuelian Carribeans; alcohol abuse problems; Inuit community; treatment approaches; culturally-relevant assessment, 20036
non Indigenous counselors; Inuit spirituality; counsellors, 8796

Inventories [See Also Interest Inventories]—Serials

Adolescent Grief Response Inventory; adolescents; death; multidimensional aspects; loved ones; test validity; test development; test reliability, 24574
aggressive driving inventories; aggressive driving; factor analyses; driving experience; test validity, 15406
baseline client characteristics; therapeutic alliance; schizophrenia treatment; Working Alliance Inventory; psychometric properties, 14321
body part terminology; American Sign Language; inventories; articulation; gesture; phonology, 34292
Brief Pain Inventory; test validity; test reliability; psychometrics; osteoarthritis; sleep, 21693
Brief Symptom Inventory; Central Americans; factor analysis; Latinos; mental health; psychological distress, 18541
British Inventory of Mental Pathology; principal components analysis; Delusions-Symptoms-States Inventory; factor analysis; factor structure; psychiatric screening measure, 12490
cancer survivors; pediatric oncology; psychological distress; factor analysis; BSI-18; factor structure; adult survivors of childhood cancer; Childhood Cancer Survivor Study, 15469
Children's Depression Inventory; child psychiatric population; classification of major depressive disorder; Danish version; validity; reliability, 105
Children's Depression Inventory; post Iraqi invasion; Kuwaiti youth; test reliability, 24606
Childrens Depression Inventory; Childrens Depression Rating Scale Revised; test reliability; Hebrew version, 131
chronic procrastination, factorial structure, reliability, Spanish adult population; General Procrastination Scale; Adult Inventory of Procrastination; Decisional Procrastination Scale; validity, 18525
classification; personality and clinical scales; Millon Adolescent Clinical Inventory; males; juvenile offenders; residential facility, 13999
college students; night sky watching behaviors; psychological attachment; astro tourism, 19630
comorbidity; eating disorders; parenting; test validity; test reliability; Young Parenting Inventory, 12520
construct validity; predictive validity; Career Planning Inventory; high school success; career development, 27676
convergent validity; cognitive therapy; major depression; CORE-OM; CORE-SF; assessment & outcome measurement; measures of depression, 15448
COPE inventory; dimensionality; approach and avoidance motives; positive traits; negative traits; coping strategies; self sufficiency; social support, 22830
Copenhagen Burnout Inventory; burnout measurement; personal burnout; work-related burnout; client-related burnout; human service sector employees; test validity & reliability; job satisfaction, 6354
Copenhagen Burnout Inventory; burnout measurement; personal burnout; work-related burnout; client-related burnout; human service sector employees; test validity & reliability; job satisfaction, 6355
couples; Quality of Relationships Inventory; confirmatory factor analysis; support; male female relations; factor structure; models; sex differences, 15407
drinking situations; adolescents alcohol use; alcohol use disorders; Inventory of Drinking Situations; test validity; psychometrics, 6320
dysphoric body-image emotions; Spanish sample; psychometric properties; Situational Inventory of Body-Image Dysphoria-Short form; test validity; test reliability; translation, 30744
Eating Disorder Inventory; confirmatory factor analysis; female university students, 6342
factor structure; Eating Disorder Inventory-C; children; adolescents; eating disorders; questionnaires, 12496
factor structure; psychometric properties; maslach burnout inventory; educators survey; elementary school teachers; secondary school teachers; Cyprus; burnout; syndrome, 15484
factorial validity; Maslach Burnout Inventory general survey; professional personnel, 27672
factors affecting training transfer; organization type; content validity; job training; training effectiveness; Learning Transfer System Inventory, 3212
Female Sexual Subjectivity Inventory; factor structure; validity; reliability, 18528
Frank Miller; Substance Abuse Subtle Screening Inventory, 18558
high end specificity; childrens depression inventory; anxiety diordered youth; diagnostic criteria; depressive symptomatology, 78
institutional misconduct; Youth Level of Service Case Management Inventory; offender assessment; correctional professionals; predictive validity, 18604
internal validity; internal reliability; learning style inventory, 12546
International Personality Item Pool; Revised NEO Personality Inventory; readable personality inventories; internal consistency; comparative validity; cross validation; cross observer agreement, 27604
interpersonal circumplex; Inventory of Interpersonal Problems; validity; test forms; Dutch translation; factorial structure, 15474
interpersonal problems; structure; change; psychotherapy; Inventory of Interpersonal Problems; factor structure, 18557
inventory development; psychosocial risk factors; resilience; military personnel; war zone deployment; hazardous environments; test consistency; reliability; validity; PTSD; health, 30764
inventory randomness validity scales for the jesness inventory revised; juvenile delinquency; test validity; adjudication, 18510
juvenile offenders; risks; needs; strengths; psychometric standards; recidivism; assessment inventory, 6326
learning style preferences; Myers Briggs Type Indicator; Learning Style Inventory; graduate students, 36321
Life Experience Inventory; college achievement; prediction, 30203
Malay Brief Pain Inventory Questionnaire; test validity; test reliability; psychometrics; cancer pain, 21659
malingered response; Trauma Symptom Inventory; posttraumatic symptomatology; Atypical Response Validity Scale; honest response, 24631
masculinity norms; relationship satisfaction; Conformity to Masculine Norms Inventory; gender role strain, 48
Music Performance Anxiety Inventory for Adolescents; music performance anxiety; assessment; adolescents; cross-validation; talented adolescents; musicians, 9375
My Class Inventory Short Form; accountability tool; elementary school counseling programs; classroom climate measurement, 3207
Myers Briggs Type Indicator; personality types; coping styles; Coping Inventory for Stressful Situations, 30704
negotiation; social psychological outcomes; satisfaction; trust; self; justice; subjective value; Subjective Value Inventory, 30692
Noctcaelador Inventory; criterion group validity; night sky attachment behavior; astronomical society members, 3156
parent motivation; treatment participation; family; treatment barriers; test validity; Parent Motivation Inventory; test construction; test reliability, 27636
Personality Assessment Inventory; reliability; item response theory; short form; full form; test validity; factor structure, 30724
personality factors; supernumerary personality inventory; honesty; humility; Big Five personality factors, 1231

personality functioning; antisocial personality traits; psychopathic self report inventories; personality traits; personality disorders; five factor model, 4196
personality inventory faking; dissimulation simulation; test validity, 9368
phenomenographic pedagogy; approaches to teaching inventory; teaching; inventory development, 143
posttraumatic stress disorder; Impact of Event Scale; screening properties; cutting scores, 6329
Preventive Resources Inventory; college students; stress prevention; test construction; test validity; test reliability; psychometrics, 30665
professional burnout; Dutch; Maslach Burnout Inventory; test validity; test reliability, 9441
psychometric evaluation; Posttraumatic Cognitions Inventory; test reliability; test validity; Dutch version, 24634
psychometric properties; Social Phobia Inventory; panic disorder; agoraphobia; obsessive-compulsive disorder; test reliability; test validity; social anxiety, 27611
psychometrics; Self-Regulation Strategy Inventory-Self-Report; high school students, 30771
Psychopathy Checklist; juvenile psychopathy; Youth Psychopathy traits Inventory; conduct disorder, 30719
psychopathy; Psychopathy Checklist-Revised; taxometrics; discrete class; taxon, 13888
psychopathy; self report inventories; personality traits; faking; test validity, 30702
relationship acceptance; relationship behavior; behavior frequency; romantic relationships; Partner Behavior Inventory; psychometrics, 30655
reliability; validity; Brief Pain Inventory short form; patients with osteoarthritis, 15463
revised circadian type inventory; test validity; working sample; test reliability, 9438
scale properties; Team Role Self-Perception Inventory; team roles; factor models; factor structure, 30794
Sexual Self-Concept Inventory; early adolescent girls; sexual development; validity, 18520
single item self esteem measures; mental health services; psychiatric patients, 10476
social anxiety disorder; adolescence; SPIN; assessment; Social Phobia Inventory; validity; reliability, 30732
social competence inventory; integrative nature; self report; emotional intelligence; social skills, 30444
social workers; multicultural competencies; Multicultural Counseling Inventory; social work education, 3200
Spanish nurses; death anxiety; death depression; inventories; test validity, 6291
Stepfamily Life Index; discriminant validity; internal reliability; knowledge structures; stepchildren; stepfamily functioning, 30683
stressful life events; checklist inventories; intracategory variability; narrative-rating methods; psychopathology; risk factors; reliability; validity, 18546
structural equivalence; multilevel equivalence; ASSEI; cross-cultural; independent self; interdependent self; Adult Sources of Self-Esteem Inventory, 18538
Structured Inventory of Malingered Symptomatology; feigned psychosis; coached malingering, 15454
Student Readiness Inventory; academic performance; social desirability; Big Five Inventory; test validity, 30783
Substance Abuse Subtle Screening Inventory-Adolescent; juvenile correctional facility; treatment planning, 106
Swedish version; competitive state anxiety; test reliability; sport psychology; cognitive anxiety; somatic anxiety; test validity; psychometrics; Competitive State Anxiety Inventory-2, 9345
system dynamics education; systems thinking inventory task; task performance; system concepts; student population, 5669
Temperament and Character Inventory-Revised; Cloningers personality questionnaire; factorial structure; internal consistency; psychometric characteristics; French version, 63
Temperament and Character Inventory; social behaviors; social adaptation; dyadic interaction; harm avoidance; cooperativeness, 9383
temporomandibular disorders; confirmatory factor analysis; psychological assessment; psychometrics; Brief Symptoms Inventory, 18547
test reliability; Brain Injury Grief Inventory; construct validity; measurement; test validity, 121
test reliability; construct validity; Spontaneity Assessment Inventory; Spontaneity Deficit Inventory; Revised Obsessive-Compulsive Inventory, 30689
test reliability; test validity; Posttraumatic Growth Inventory; psychometrics; life changes; stressful experiences; Spanish version, 12522
test reliability; test validity; suicidality; adjudicated delinquents; Suicide Screening Inventory, 15397
test validation; reliability; Teacher-Student Relationship Inventory; test development; quality of relationship with students; teacher perceptions, 18
therapeutic relationship; psychotic illness; Working Alliance Inventory; Helping Alliance Questionnaire; assertive community treatment; validation, 27612
traumatic brain injury; assessment; Neuropsychiatric Inventory, 27645
Vedic Personality Inventory; test reliability; test validity; test generalizability, 24600
Working Alliance Inventory Short Revised; test validation; test development; psychotherapy; psychometrics; item response theory, 12436
Investigation [See Experimentation]
Involuntary Smoking [See Passive Smoking]
Involuntary Treatment—Serials
civil commitment; involuntary psychiatric treatment; capacity to refuse treatment; competence to refuse treatment; European human rights law, 36628
clinical judgment; decision making; Mental Health Act; Mental Health Review Board; least restrictive treatment, 18445
competence to stand trial; side effects; forced medication; United States v. Sell; individual rights; mentally ill defendants, 9291
ethical issues; bioethics; drug therapy; informed consent; patient rights; autonomy; forced treatment, 36122
force elimination; recovery oriented systems; health care services; forced treatment, 17649
involuntary clients; social workers experiences; social workers perceptions; outreach programs, 35857
involuntary intramuscular injections; psychiatric emergency service; chemical restraint; emergency room; observation, 35934
involuntary medication; mentally ill defendants; competence to stand trial; Sell v. United States; individual rights, 9285
involuntary medication; Sell v. United States; psychological practice; competence to stand trial; coercion; procedural justice, 3081
involuntary status; judgmental descriptors; emotive descriptors; mental health tribunals; clinicians; civil commitment, 5614
involuntary treatment; competence; criminal process; capital punishment; professional ethics, 36643
mental disorders; mental health law; incapacity; involuntary treatment; civil commitment, 29855
mentally ill; mental health care delivery; involuntary treatment; hospital admission; epidemiology; European Union, 2278
pharmacotherapy; delusional disorders; mental illness; disorder management; compulsory treatment, 32926
probation; mental health; mandated treatment; treatment noncompliance; caseloads; problem solving strategies, 17700
psychiatric admissions; involuntary hospital treatment; schizophrenia; young male patients, 8627
psychological assessment; psychological treatment; least restrictive treatment; involuntary treatment; U.S. Supreme Court; psychotropic drugs; functional behavior analysis, 3092
regional psychiatric boards; compulsory hospitalization monitoring; compulsory outpatient treatment; quality of care; mentally ill inpatients; Israeli legislation, 11530
Involvement [See Also Community Involvement, Job Involvement, Parental Involvement]—Serials
adolescent experiences; family involvement; adolescent peer relations; school attendence; adolescent activity, 7060
apparel advertisements; elaboration likelihood model; consumer attitudes; involvement level; information processing activities; attitude formation, 36543
children involvement; parent treatment; homeless veterans; community residential care; characteristics, 2279
college students; relationship involvement; Relationship Involvement Scale; test reliability; test validity; psychometrics, 18514
depression; welfare reform; welfare recipients; mental illness; labor force involvement; factors; inclusion, 28801
educational psychology journals; womens involvement; organizational membership; women representation, 2611
employee involvement climate; organizational effectiveness, 15201
extracurricular involvement; adolescent adjustment; participation; youth development; academic achievement, 33400
factor analyses; score validity; Family Emotional Involvement and Criticism Scale, 27686
family member perceptions; quality of care; long term care; demographic factors; family involvement, 35916
family strategies; supporting involvement; meaningful activity; dementia patients; community, 14257
family; staff perspectives; familial noninvolvement; nursing homes; cognitive impairment; psychiatric disorder; cultural factors, 14854
fatherhood; psychological bonding; infants; responsibility; paternal involvement, 7254
hopelessness; loneliness; older adults involvement; favorite television performers; social influences; identification, 3886
improving cancer care; patient associations; experience collaboration; patients involvement; health care professionals; health care systems, 17227
incarcerated fathers; release from prison; father child relations; perceptions of fatherhood; father involvement, 11694
initial trust formation; elaboration likelihood model; etailers; consumer behavior, 21486
interdependence; marriage; life tasks; strategies; spouse involvement; life task pursuit; marriage length, 22670
involving undergraduates; aging research; university; life long learning; mentor; interpersonal relationships, 30301
leisure involvement; agency commitment, 9166
leisure satisfaction; leisure involvement; personality; happiness; Chinese, 1190
line manager involvement; work-life balance; career development; organizational practices; organizational structures, 33504
low-power; high-power; persuasive messaging; attitude change; women's magazines; radical feminist view; opinions; involvement, 4057
managers; escalation; decision involvement inertia; decision involvement distortion; commitment; organizations, 21488
mayoral takovers; educational involvement; schools, 33325
mental health services; mental health; user involvement, 35774
minority youths transitions; fatherhood; Puerto Rican adolescents; father child relations; life course; family background, 13187
motivational selectivity; adult development; goal-pursuit involvement; intergoal facilitation, 15758
multiple involvements; group interaction; group therapy; sex offenders, 13908
optimism; goals; immune; immunity; engagement; distress, 34762
orbitofrontal cortex involvement; chronic analgesic overuse headache; episodic migraine, 23304
organizational commitment dimensionality; affective commitment; normative commitment; continuance commitment based on low alternatives; volunteer organization commitment; role fulfillment, 9117
parental involvement during placement; family foster care; parental participation; parental roles; parental perception; social workers; foster parents, 35886
paternal involvement; fatherhood; parenting; social expectations; cohort analysis, 7255
patient involvement; decision-making process; choice; illness management; biomedical model; health care, 8540
predictors; treatment engagement; cohabitating female partners; Vietnam theater veterans; combat-related post-traumatic stress disorder; PTSD treatment barriers, 25967
public policy; academia; advocacy; political processes; university involvement; policymakers; communication; academic campuses, 17824
race differences; sex differences; late life; Church involvement, 19338
religious involvement; gender differences; major depression; church attendance, 22973
schizophrenia patients; medical treatment; involvement; decision making ability, 25922
schizophrenia patients; medical treatment; involvement; decision making ability; symptoms, 25908
school inclusion of students with disabilities in regular classrooms; school counsellors attitudes & involvement, 2740
service user involvement; learning disability centre; care programme approach, 17085
service user involvement; psychiatry; power; health care reform; critical realism perspective; United Kingdom, 35828

Involvement—Serials
undergraduate students; student involvement; cognitive aging research; faculty mentors; research award, 30270
web environment; situational involvement; flow construct; Internet marketing; enduring involvement, 21453
youth activity involvement; positive development; high school students; participation frequency, 34429
youth perceptions of life at school; school connectedness in adolescence, 12041
Ions [See Electrolytes]
Irradiation [See Radiation]
Irrational Beliefs—Serials
cognitive behavioral therapy; voice hearers; clinical application; faulty thinking; faulty beliefs, 32822
cognitive behavioral therapy; voice hearers; clinical application; faulty thinking; faulty beliefs, 35541
developmental parallels; infant development; false beliefs; attribution; theory of mind; neurocognitive mechanism, 22452
functional analysis; treatment; irrational; rational statements; elderly woman; Alzheimers disease; speech problems, 17267
irrational beliefs; social constructionism; ethnic attitudes; collective self esteem; rational emotive behavior therapy; social constructionist, 14401
mindfulness-based stress reduction; rational emotive behavior therapy; meditation; irrational beliefs; self-discipline; self-acceptance; compassion; intentionality, 35479
psychopathological symptoms; belief bias; personal beliefs; non clinical sample; believability; logical validity; dysfunctional convictions; development; diathesis, 1444
Irrational Beliefs—Books
Arguing to better conclusions: A human odyssey, 34306
Irritability—Serials
methodology; multidimensional scaling; developmental psychology; irritability; mood change; adolescent development, 3253
sphincter of Oddi dysfunction; gastrointestinal disorders; pancreatobiliary type pain; cholestasis; pancreatitis; psychological distress; irritability; oversensitivity; somatization, 10977
Irritable Bowel Syndrome—Serials
chronic illness; healthy adolescents; psychosocial adjustment; inflammatory bowel disease, 23321
course of instruction; women; irritable bowel syndrome; symptoms; psychological well being; medical care requirements, 26266
eating disordered individuals; irritable bowel syndrome; syndrome prevalence, 4588
geographical differences; epidemiology; irritable bowel syndrome; functional gastrointestinal disorder; Romania; cultural factors, 35186
hypnosis home treatment; irritable bowel syndrome; treatment outcomes; hypnotherapy; compact disc recordings, 14535
irritable bowel syndrome patients; hypnotic inductions; manualized induction; tailored induction; emotional stress; treatment outcomes, 14532
irritable bowel syndrome; family relationships; mind-body attributions; gastrointestinal illness, 35189
irritable bowel syndrome; gastroenterologists; hypnosis; pathogenesis; pathophysiology; treatment options; hypnotherapy, 14146
irritable bowel syndrome; gastrointestinal disorder; adult population; etiology; hypnosis treatment, 14141
irritable bowel syndrome; gastrointestinal disorder; gastroenterologists; neural mechanisms; somatic hyperalgesia; visceral hyperalgesia; hypersensitivity; neonatal colitis, 32542
irritable bowel syndrome; gut directed hypnotherapy; hypnotic skills; symptoms improvement; quality of life; client treatment matching; Manchester approach, 14533
irritable bowel syndrome; hypnosis; disorder treatment, 8451
irritable bowel syndrome; management; hypnotherapy; integrated care program; client treatment matching; functional gastroenterology service; Manchester model, 14675
irritable bowel syndrome; standardized hypnosis treatment; North Carolina protocol; verbatim delivery; clinical practice; treatment outcomes, 14534
irritable bowel syndrome; treatment outcome; group cognitive therapy, 14549
Rorschach Reality-Fantasy Scale; potential space; alexithymia; psychosomatics; construct validity; inflammatory bowel disease, 9408
therapeutic effects; irritable bowel syndrome; hypnosis; gastrointestinal disorder; medical care; cognitive behavioral therapy, 14156
Ischemia [See Also Cerebral Ischemia]—Serials
amphetamine; task dependent recovery; focal cortical ischaemic lesions; rat, 6839
brain stem; ischaemia; patients; pathological yawning; symptoms, 17244
foreign accent syndrome; cortical compensation; brain damage; ischemic stroke; basal ganglia, 11074
mental vulnerability; risk factors; ischemic heart disease; epidemiology; psychosomatic symptoms; social anxiety; comorbidity, 14177
multifaceted intervention; Audit Project Odense; ischemic heart disease; randomized controlled trial; general practice; outreach visits; feedback; secondary prevention, 17254
plasma volume changes; mental stress ischemia; coronary artery disease patients; psychological stress, 29233
silent cerebral infarct; mitral valve prolapse; risk factors; magnetic resonance imaging; ischemic stroke, 4726
trigeminal autonomic symptoms; trigeminal autonomic cephalalgias; transient ischaemic attacks, 1690
tyrosine kinase A; forebrain ischemia; gerbil; hippocampus; immunoreactivity; protein content; dentate gyrus, 31192
Ischemia [See Also Cerebral Ischemia]—Chapters
Linkages Between Facial Expressions of Anger and Transient Myocardial Ischemia in Men with Coronary Artery Disease, 8096
Islam—Serials
Al Qaeda; Islamic terrorist organizations typology; Dune organization; organizational behavior patterns; terrorist movements, 1564
gender differences; depression; undergraduate students; Islamic countries, 32097
gender differences; Islamic countries; anxiety; undergraduate students, 31839
immigrant Muslim women; Canada; womens oppression; hijab; life experience; womans clothing, 13402
Islam; suicidal behavior; Muslim countries; socioeconomic status; suicide, 16869
Islamophobia; September 11; religious discrimination; prejudice; stereotyping; minority groups, 13289
mental health practice; Arab families; spirituality; Islam; client belief systems; social justice, 17670
national liberation struggle; Islamic feminisms; South Africa; Muslims; communities; politics, 13398
religious beliefs; identity; Islamic headscarf; legal restrictions; religious signs; French policy, 34499
sexual abuse; child abuse; Islamic cultures; Palestine; separation; individuation; abusive childrearing; suicidal terrorists; war; refugees; distress; terrorism, 26016
Shi'i support of Hezbollah; satisfaction with government performance; personal religiosity; Lebanon; regional instability, 22612
terrorism; conflict; global tensions; militant; militant Islam; social justice, 28404
Isocarboxazid—Serials
refractory depression; case study; treatment planning; drug therapy; isocarboxazid, 32905
Isolation (Social) [See Social Isolation]
Isolation Effect—Serials
adult survivors; child abuse; John Gottman's sound marital house theory; negative sentiment override; isolation cascade; family therapy, 29019
alpha melanocyte stimulating hormone; putative stress induced sickness behaviors; isolated guinea pig pups; anti-inflammatory peptide; passive responses, 13048
associative isolation; associative memory; list memory; paired associates learning; chaining model, 9627
oddball items; memory; isolation; differentiation; category learning, 18808
Isoproterenol—Serials
olfactory learning; one day old rat; isoproterenol; reinforcing effects; animal learning; norepinephrine, 25095
Itching [See Pruritus]
Item Analysis (Statistical)—Serials
bi-factor multidimensional item response theory model; testlet based tests; reliability, 21752
Brief Psychiatric Rating Scale-Extended; item analysis; subscale analysis; psychometrics; reliability; validity; factor structure; sensitivity to change; severely and persistently mentally ill, 21663
crystallized subtests; abilities; non-crystallized abilities; intelligence; single-trait correlated uniqueness; g loadings, 33794
differential functioning of items and tests; SAS/IML program; significance testing; differential item functioning; differential test functioning; DIFCUT, 12440
differential item functioning; order response items; item analysis; item bias; ordinal items; measurement validity, 3132
intelligence quotient; Scholastic Assessment Test; SAT; item responses; g factor; gender differences; mental ability; test validity; test reliability, 33770
item characteristics; answer changing behaviors; item discrimination; multiple choice test items, 24564
item characteristics; Attitudes Towards Smoking Scale; log linear models; t test; attitudes; item discrimination, 33803
item pool management; test assembly; item writing; law school admission test, 21709
item response theory; hierarchical generalized linear model; dichotomous items, 12616
logistic regression models; heterogeneity; item response theory; binomial variation; ignored random person effects, 21733
Markov Chain Monte Carlo; item parameters; estimation; generalized graded unfolding model, 21751
mixed format tests; item response theory linking methods; linking proficiency scales, 12582
model based equating; empirical equating; item response theory; item parameter; Armed Services Vocational Aptitude Battery; test form, 21788
model checking; item response theory; Bayesian model-checking tool; model misfit; posterior predictive assessment; discrepancy measure, 21794
money mismanagement measure; test development; cross validation; suspected range restriction; Rasch analyses; test reliability; test validity; serious mental illness, 24611
ordered multiple choice items; diagnostic assessment; student cognitive development, 12541
Rasch analysis; rank ordered data; professional golfers; linear measures; stroke-play tournaments, 12588
Rasch model; response latencies; personality questionnaire; social desirability, 24605
rating scale model; partial credit model; disordered thresholds; Rasch models; polytomous responses; structural thresholds; Thurstone thresholds, 6368
SAS program; Winsteps; psychometric program; item parameter; Rasch model; web based presentations, 21799
technical analysis; Slosson Phonics and Structural Analysis Test; test validity; item analysis; test reliability, 3197
test validity; health related quality of life; physical symptoms; causal variables; indicator variables, 21699
testlets; item performance; discrimination parameters; alternative models, 12586
unidimensional item response theory models; Bayesian approach; posterior predictive model checking, 12608
Item Analysis (Test)—Serials
differential item and test functioning; statistical tests; Monte Carlo; item response theory; test bias; test forms, 30214
item response theory; differential item functioning; measurement invariance; family psychology; Project on Human Development in Chicago Neighborhoods; cross cultural measurement, 20
item score; acquiescence score; acquiescent responding; psychometric index; item complexity; item characteristics; item length, 12463
item validity; chronic back pain; functional capacity evaluation; occupational therapists; Dictionary of Occupational Titles; performance measure; physical demands of jobs, 15494
older adults; filial responsibility; expectations; vignette technique; attitude item scale, 3149
Rasch measurement application scale; test validity; test reliability; psychometrics, 12585
schools; differential item functioning; hierarchical generalized linear models; item analysis; group differences; educational achievement; racial ethnic differences, 17933
statistical significance; Differential Functioning of Items and Tests, 12594
student attitudes; problem solving; algebra; mathematics education; curriculum; numerical strategies; graphing strategies; constructed response items, 18096
test development; item specifications; English as second language; foreign languages, 30674
theoretical structure; Stanford Binet test; item content; administration format; standardization procedures, 21635
Item Bias [See Test Bias]

Item Content (Test)—Serials
item score; acquiescence score; acquiescent responding; psychometric index; item complexity; item characteristics; item length, 12463
student attitudes; problem solving; algebra; mathematics education; curriculum; numerical strategies; graphing strategies; constructed response items, 18096
Item Response Theory—Serials
bi-factor multidimensional item response theory model; testlet based tests; reliability, 21752
characteristic curve linking procedure; nominal response model; item response model; distractor categories, 30651
computer adaptive tests; individualized tests; measurement; item selection; item response theory, 30657
construct validity; Multidimensional School Anger Inventory-Revised; test reliability; exploratory factor analysis; Rasch analyses, 30769
differential item and test functioning; statistical tests; Monte Carlo; item response theory; test bias; test forms, 30214
differential item functioning; order response items; item analysis; item bias; ordinal items; measurement validity, 3132
effort moderated model; item response time; item parameter estimation; proficiency estimation, 12617
estimation bias; multiple-category classification; likelihood; Bayesian estimators; item response theory; educational measurement, 30613
estimation procedures; actual latent trait distributions; item pool characteristics; computerized adaptive testing system; partial credit model, 14
FNE; BFNE; correlated errors; method factors; factor analyses; Fear of Negative Evaluation; convergent validity; statistical methods; validity analyses; factor structure; item response theory, 114
generalized graded unfolding model; item response theory; statistics; dimensionality assessment; factor structure, 15
group level item response models; consumer reports; health plan quality; healthcare providers; Medicaid recipients, 21790
information theory; latent class; latent trait; model selection; latent distribution modeling; information-theoretic approach, 30828
item parameter estimation; three parameter logistic model; marginal maximum likelihood estimation; Bayesian estimation, 167
item response mixture modeling; tobacco dependence; phenotypical analyses, 26118
item response model; nominal data; rising selection ratios criterion, 12600
item response theory (IRT); Ramsay-curve IRT (RC-IRT); nonnormality; density estimation; distributional assumptions; model selection; latent variables; latent distribution, 30843
item response theory analysis; behavioral inhibition system; behavioral approach system; personality traits, 6268
item response theory; ability based guessing model; probability; statistical analysis; language test; mathematics test, 21715
item response theory; dichotomous response data; polytomous response data, 3220
item response theory; differential item functioning; measurement invariance; family psychology; Project on Human Development in Chicago Neighborhoods; cross cultural measurement, 20
item response theory; hierarchical generalized linear model; dichotomous items, 12616
item response theory; measurement issues; leadership research, 27688
item response theory; substance use; disorder severity; diagnoses; predictive validity; concurrent validity; construct validity, 26112
Leadership Practices Inventory; item response theory; transformational leadership; test reliability, 21729
life satisfaction; cross cultural differences; item response theory; structural equation modeling; multiple indicator multiple cause model, 25691
limited information; goodness of fit testing; item response theory; models for sparse tables; statistic testing; chi squared distribution, 30805
logistic regression models; heterogeneity; item response theory; binomial variation; ignored random person effects, 21733
Mantel method; generalized Mantel Haenszel method; logistic discriminant function analysis method; differential item functioning; polytomous items; educational measurement, 185
marker characteristic stability; Rasch model; academic achievement; learning, 24646
Miller Forensic Assessment of Symptoms Test; psychometrics; Item Response Theory; psychiatric symptoms, 9339
missing data; non-ignorable missing data; item response theory models, 3223
mixed format tests; item response theory linking methods; linking proficiency scales, 12582
model based equating; empirical equating; item response theory; item parameter; Armed Services Vocational Aptitude Battery; test form, 21788
model checking; item response theory; Bayesian model-checking tool; model misfit; posterior predictive assessment; discrepancy measure, 21794
model item components; linear logistic test model; parameter estimation; Rasch measurement; spatial memory measure, 12583
monitoring; computer based tests; test validity; psychometrics; item response time; warning messages, 33877
multidimensional item response theory; ability estimation; Bayesian estimation; test scoring, 164
multidimensional item response theory; longitudinal data; secondary schools, 12612
multilevel longitudinal Rasch measurement model; hierarchical generalized linear model; psychotherapy outcomes assessment, 12511
multisource feedback instrument; psychometric properties; performance; item response theory; rating, 30430
neurological disorders; psychometrics; test validity; test reliability; Rasch analysis; traumatic brain injury; spinal cord injury; rehabilitation centers, 3177
optimal testlet pool assembly; multistage testing designs; mathematical programming technique, 21595
personality assessment; Internet; test administration; item response theory; statistical methods; factor analysis, 24583
personality measurement; test construction; item response theory; ideal point methods; personality assessment; scale development; scoring; item calibration; personnel section, 9381
power; type I error; covariance structure analysis; differential item functioning; graded response items; mean structure analysis, 21761
probability; statistical test; test index; test reliability; item response theory; classical test theory; educational measurement, 27685
processing mechanisms; Rasch analysis; Object Location Memory Test; test construction; instrument designed; measurement properties; complexity factors; spatial memory, 6364
promax rotations; varimax rotations; factor structure recovery; dichotomous items; oblique method, 12574
psychological test calibration; Rasch model; traditional approaches; test limitations; test models, 9337
psychometric approaches; elementary school education; arithmetic word problems; item response theory; individual difference, 11976
psychometric modeling; response speed; accuracy; multidimensional models; logistic regression, 12614
psychometric modeling; response speed; accuracy; multidimensional models; logistic regression, 12602
psychopathy; adolescent female offenders; item response theory analysis; Psychopathy Checklist; test validity; test reliability, 18571
Rasch analysis; rank ordered data; professional golfers; linear measures; stroke-play tournaments, 12588
Rasch measurement application scale; test validity; test reliability; psychometrics, 12585
Rasch model testing; mixture fit index; contingency table analysis; chi squared statistics, 30813
Rasch model; item information functions; item response theory; measurement models; parameters, 6370
Rasch model; measurement properties; health status questionnaires; asthma; test reliability; AQ20; test validity, 21661
Rasch models; linear regression models, 24663
rating scale model; partial credit model; disordered thresholds; Rasch models; polytomous responses; structural thresholds; Thurstone thresholds, 6368
relative severity of acts; physical violence; heterosexual relationships; item response theory analysis; injuries, 19988
response probability criterion; standard setting method; bookmark mapping; item mapping; Rasch binary item, 33862
sample size; CAST item parameter estimation; adaptive tests; item response theory; educational measurement, 27657
SAS macros; classical test theory; item response models; statistically different test scores; compatibility; availability, 21784
SAS program; Winsteps; psychometric program; item parameter; Rasch model; web based presentations, 21799
sequential computerized mastery tests; simulation studies; item response theory; computer applications; computer assisted testing, 15408
statistical significance; Differential Functioning of Items and Tests, 12594
stimulus affectivity; Danish Word Association Test; response heterogeneity; reaction time prolongation, 12503
stochastic ordering; latent trait; sum score; polytomous item response theory models, 12613
stochastically ordered mixed Rasch models; homogeneity; latent classes, 21772
testlets; item performance; discrimination parameters; alternative models, 12586
understanding parameter invariance; unidimensional item response theory models, 12603
unidimensional item response theory models; Bayesian approach; posterior predictive model checking, 12608
unidimensionality; bandwidth; Center for Epidemiological Studies Depression Scale; classical test theory; item response theory, 12521
unidirectional & non-unidirectional differential item functioning; computerized adaptive testing; logistic regression; item response theory likelihood ratio test; trait estimation; educational testing, 30781
vertical scaling; Rasch model; WINSTEPS; BILOG MG; vocabulary tests; item parameters; ability parameters, 18595
windows based program; item response theory; estimates parameters; Generalized Graded Unfolding Model, 12601
IV Drug Usage [See Intravenous Drug Usage]
Jails [See Prisons]
James (William)—Serials
pragmatism; pluralism; Jerome Bruner; William James; disagreement; pragmatism's goal; self-knowledge, 34247
Japanese Cultural Groups—Serials
cigarette use; frontal lobe; Japanese adults; cognitive function, 25107
commercial sex behaviours; Japanese male tourists; Thailand, 22725
cultural adaptation; culture and self; Japanese couples; cultural negotiation; academic sojourners; gender roles; cultural identity; international graduate students; acculturation, 28435
elder abuse perceptions; Japanese women; Japanese men, 13868
guilt; shame; Thematic Apperception Test; Japanese university students, 19659
Japanese culture; production; consumption; cultural globalization; global cultural market; consumer culture; cross cultural consumption, 3017
psychosocial factors; glycemic control; Japanese patients; type 2 diabetes; glycosylated hemoglobin; adherence; self efficacy, 20688
schizophrenia; serotonin system; receptor genes; Japanese population, 19843
Jaw—Serials
Rorschach test; oral cenesthopathy patients; pain; cognitive functions; personality tendency; interpersonal interaction; jaw; teeth; sensation; mucus, 20177
Jealousy—Serials
child custody; divorce; envy; perversion; narcissism; parent motivation; perverse attitudes; psychoanalytically oriented treatment, 28457
death instinct; emotional trauma; envy; revenge, 22859
delusional disorder; parasitosis; jealousy; stroke; quetiapine; sertraline, 11376
envy; psychosocial development; shame; sadism; self development; separation individuation; narcissistic urges, 1267
evolutionary psychology; cognitive load; modularity; jealousy; automaticity; infidelity; gender differences; evolution; emotion, 31744
evolutionary psychology; cognitive load; modularity; jealousy; automaticity; infidelity; gender differences; evolution, 31730
hypersexuality; delusional jealousy; stroke; psychotic symptoms; quetiapine; sexual intercourse, 23380

Jealousy—Serials

jealousy; emotion; evolution; sex differences; socioeconomic status; age; continuous measures; dichotomous; sexual infidelity; emotional infidelity, 22033
jealousy; self-esteem; aggression; emotion; threatened self, 34734
maximin; Borda maximin; envy-avoidance; allocations, 3918
relationship experience; romantic jealousy; sex differences; infidelities, 13561
Schadenfreude; pleasure at another's misfortune; envy; predictors, 19576
sex differences; jealousy; infidelity; cognitive preoccupation, 13469

Jews—Serials

breast cancer risk counseling; genetic testing; genetic counseling; Ashkenazi Jewish women; psychosocial group counseling; breast cancer worry; cancer risk perception, 17601
Bulgaria; Jews; social identity; social mobility; social solidarity; intergroup dynamics, 16469
Jewish identity; Jewish values; religion; late adolescents; collective identities, 28356
Jewish women; remarriage; religious divorce; New York's legislation, 19372
multicultural counseling; orthodox jew; psychotherapy; psychology; psychiatry; mental health care, 35523
negative attitudes; positive attitudes; attitudes toward compromise; psychological correlates; Israeli Palestinian conflict; threat perceptions, 912
object relations; orthodox Jews; disabled siblings; family of origin; alexithymia; health, 11205
orthodox; humanitarian; science; beliefs; prejudice; Jews; Muslims; ethnic minorities, 19342
psychoanalysis; Jewish history; Sigmund Freud; Judaism; theology; Christianity, 34779
psychological development; treatment; immigrants; self psychology theory; childcaring; personality development; Jews, 29527
strategy usage; written output; Arab children; Jewish children, 8939
weight; psychological aetiology; obesity; Hilde Bruch; Jews; psychoanalysis; predisposition, 14060
wife abuse; definitions; beliefs; ultra-Orthodox Israeli Jewish men; patriarchal ideology, 16906
World War II experiences; risk of suicidal behavior; aging Holocaust survivors, 19949

Job Analysis—Serials

employee competencies; KSAO; employee characteristics; task based job analysis; task proficiency; employee assessment; task performance; task inventory, 30791
innovations; job analysis; metrics; human resource; technology; decision making; organization; occupational information network, 36429
instructional objectives; instructional design system; job analysis; organization; instructional environments; needs assessment; training issues, 36425
nuclear power plant shift; supervisor's decision making strategy; microincidents; cognitive processes; organization training; job analysis, 5945
occupationally-specific skills; human resources; methodology; method validity; job requirements, 36432
organizations; performance behaviors; job redesign; feedback; employee perceptions; organizational reward, 21368
personality based job analysis; self serving, 15147
rater goals; job analysis ratings; social desirability, 30423
social work fieldwork activities; social work students; social work teachers; social work undergraduates; social work instructors, 5567
synthetic validity; job requirement matrix; selection; job component validity, 18606
web based job analysis; human resources functions; computer applications; occupational information network; US Navy, 36413

Job Applicant Attitudes—Serials

applicant perceptions; person environment fit; organizational environment; recruitment process, 9073
applicant reactions; pre employment application blanks; procedural justice; organizational justice theory, 27363
attribute importance method; reason method; understanding behavior; Internet job search behavior; perceived importance; motivating behavior, 9091
Big Five personality; fairness perceptions; self perception; perception of hiring organization; law enforcement applicants, 30796
college graduate recruitment; Attraction Selection Attrition model; organizational screening; self reported organizational attraction; employee recruitment; screening, 9097
job benefits; compensation packages; preferences; sex differences; college seniors, 27362
organizational image beliefs; recruitment; organizational knowledge; recruitment media; media richness; media credibility, 30488
organizational recruitment website; job seeker perceptions; organizational culture; job descriptions, 27350
organizations; applicant attraction; environmental processing, interactionist processing; self-processing, 5873
racioethnicity; minorities; decision making; job applicants, 21325

Job Applicant Interviews—Serials

benchmarks; prior disability; job candidates; bias; Americans with Disabilities Act; job interview, 27358
cross cultural interviewing; hiring process; interviews; cultural backgrounds; cultural bias, 21356
gatekeeping encounter; employment interviews; trustworthiness; job candidates; second language, 16017
interpersonal information; job applicants; ethnicity; cognitive mediation, 5883
interviewing self-efficacy; personality; job interview success; internal locus of causality, 18214
nonvisible disabilities; interviewees with disabilities; interview ratings and disabilities; disability disclosure in interviews; timing of disability disclosure, 28767
predictors; employment status; job search success; job interviews; job offers; person job fit; person organization fit; self efficacy, 24317
psychiatric disabilities; job interviews; supported employment; job placement services, 7615
psychiatric disabilities; job interviews; supported employment; job placement services, 28792
psychiatric disabilities; job interviews; supported employment; job placement services, 28790
selection interview; political arena; power networks; lobbying; inferior candidate; organization, 12155
sexual harassment; women performance; job interview, 2833
stereotype suppression; information processing; employment interviews, 12131
structured employment interview; coaching program; sciences, 21357
training; verbal self guidance; self efficacy; performance; Native North Americans; selection interview, 24289
visible tattoos; visible body modification; industry; human resource managers; hospitality industry; body piercings; recruiters; employment; interviewees, 21362

Job Applicant Screening—Serials

applicant personality; resume evaluation; recruiters; personal traits; job applicants; employability, 12157
college graduate recruitment; Attraction Selection Attrition model; organizational screening; self reported organizational attraction; employee recruitment; screening, 9097
Physical Aptitude Test; fire fighters; pre employment assessment; perception; test validity; job tasks, 12561
public sector environment; criterion space; sub group differences; alternative selection devices; job experience, 9064
Spanish Personality and Preference Inventory-Normative; psychological needs; organizational psychology; work environments; reliability; needs assessment; validity, 33853

Job Applicant Screening—Books

Psychological assessment in the workplace: A manager's guide, 5924

Job Applicants—Serials

affirmative action; organizational justice; diversity; black applicants; reactions, 5869
applicant personality; resume evaluation; recruiters; personal traits; job applicants; employability, 12157
benchmarks; prior disability; job candidates; bias; Americans with Disabilities Act; job interview, 27358
Big Five personality; fairness perceptions; self perception; perception of hiring organization; law enforcement applicants, 30796
dialect; accent; ethnicity; comprehensibility; employability; job applicants, 27353
ethnic differences; gender differences; job applicants; decision making; reasoned action; recruitment; job choice; minority groups; women, 24306
gatekeeping encounter; employment interviews; trustworthiness; job candidates; second language, 16017
goal orientation; teacher motivation; teacher applicants; student teachers, 17981
impression management; self deception; criterion validity; personality measures; personnel selection; job applicants; test scores; balanced inventory of desirable responding, 21722
job advertisements; organizations; job applicants; recruiting, 27470
job benefits; compensation packages; preferences; sex differences; college seniors, 27362
mandatory employment arbitration systems; applicants attraction; organizational justice theory, 15136
negotiations; starting salary; internal organizational agents; expectancy theory; agency theory, 24316
network quality; networking intensity; white collared; job seekers; career success; personality variable, 33525
non traditional applicants; employee recruitment; recruitment message, 30428
online degrees; credentials; employment; executives; qualification acceptibility; job applicants; employee recruitment, 18196
organizational impression management; minority job applicants; female job applicants; recruitment; marketing; social psychology, 15141
organizational justice; applicant reactions; expectations; selection; anticipatory justice, 18198
organizations; applicant attraction; environmental processing, interactionist processing; self-processing, 5873
overweight; female applicants; job applicants; job discrimination; New Zealand; negative personality characteristics; human resource/recruitment consultants, 12160
perceived fairness; employee selection; applicants personality; procedural justice perception; distributive justice perceptions, 27349
personnel selection; police personnel; personality test; cognitive ability tests; assessment center; employment interview; ethnic score differences; applicant factors; method factors, 30790
positive presentation management; intelligence; job applicants; personality differentiation; neuroticism; extraversion, 24311
recruiting source informativeness; organizational perceptions; job application; application behavior; firefighter job; organizational familiarity; selection process, 12168
relational demography; similarity attraction; interview assessments; offer decisions; recruiter applicant similarity, 5908
social networks; labor market; job search; race; hiring; African Americans; Hispanics, 36426

Job Change [See Career Change]

Job Characteristics [See Also Work Load]—Serials

bodily habits; work life; embodied time; emotional expression; modernity; physical expression; gender, 18320
call centers; lean service; work design; job-related strain, 21438
college students perceptions; job demands; retirement ages; job performance; occupations, 15057
conscientiousness; flow at work; job characteristics; job performance; occupational health psychology, 30490
education; occupational complexity; Alzheimers disease; cognitive decline, 17261
employee commitment; organizational influences; work group; tenure; job level, 12109
end of life issues; palliative care; nursing homes; nursing home staff; dementia, 11783
felt accountability; strain reactions; workplace stress; job autonomy, 18262
hierarchical differences; sectoral differences; managerial work; critical work activities; job duties, 24337
individual socioeconomic status; occupational physical activity; neighborhood socioeconomic status; demographic factors, 34513
informal caregiving; working age; job characteristics; family roles; job flexibility, 26922
item validity; chronic back pain; functional capacity evaluation; occupational therapists; Dictionary of Occupational Titles; performance measure; physical demands of jobs, 15494
JD-R model; burnout; engagement; organizational commitment; job demands; resources; model robustness; cross cultural differnces; occupational context; data collection methods, 33561
job attribute preferences; employment; paid work hours; family responsibilities; human sex differences, 36457
job behaviors; transformational leadership; job characteristics; organizational citizenship behavior, 27328
job changes; employee attitudes; job content; changing department; relocation; voluntary turnover, 2895
job characteristics; stress research; self reports; work related strain; methodology, 18255
job characteristics; work family conflict; work family facilitation; work experiences, 2869
job outcomes; supported employment programs; typicalness; sheltered employment, 8685

job satisfaction; organizational determinants; nursing home employees; employee commitment; quality improvement; turnover intention, 12203
knowledge; skill; ability statements; licensure developing; certification examinations; test development; job task, 36068
knowledge; skill; ability statements; licensure developing; certification examinations; test development; job task, 36087
manager tenure; private club industry; demographic factors; job content; organizational factors, 4129
motivational cultural intelligence, realistic job preview; realistic living conditions preview; cross cultural adjustment, 15176
multiple interventions; work place injuries; injuries prevention; job analysis; job characteristics; onsite physical therapist, 27431
negative job characteristics; perceptions; negatively oriented personality; future psychological symptoms; future physical symptoms, 15166
nurses; organization; work; longitudinal; crosslagged panel model; psychological work reactions; organizational characteristics; work charateristics; job burnout; work motivation, 24118
Occupational Information Network; ONet; jobs classification system; Family Life Project; occupations; work characteristics; family researchers, 34547
occupational rehabilitation; job matching; return to work; professional competence, 26989
organizational citizenship behavior; employee perceptions; task interdependence; performance evaluations; job performance, 12172
organizational factors; individual characteristics; social support; sociodemographic factors; supervisor support, 33567
organizational family support; job autonomy; perceived control; work family culture; positive spillover; employee well being; employee attitudes, 18182
perceptions of organisational politics; job distress; felt obligation; job ambiguity; organizational citizenship behaviors; extension personnel, 21422
personality assessment training; state licensing board policy, 14824
policy capturing; recruitment; job choice; job attribute preferences; statistical weights; direct estimates; efficacy; compensatory strategy; noncompensatory strategy, 24685
prison chapel volunteers; correctional volunteers; personality traits; job characteristics, 11709
psychiatric inpatient units; staffing; Medicare; per diem patient-based payment system; job duties, 26930
psychological distress; labor market; shame; deprivation; wellbeing; financial distress; job characteristic; unemployment, 27393
recovery; recuperation; fatigue; health; well-being; job characteristics; off-job demands, 18274
recruiting source informativeness; organizational perceptions; job application; application behavior; firefighter job; organizational familiarity; selection process, 12168
routinization; work characteristics; creativity; proactive behaviors, 27407
situational determinants; dispositional determinants; job satisfaction; perceived job characteristics, 36456
sleep quality; work family spillover; job characteristics; health care workers, 18321
team type; job characteristics; job satisfaction; team commitment, 36451
telecommuter satisfaction; relationships; job satisfaction; job characteristics, 27398
transformational leadership; job characteristics; organizational citizenship; job performance; employees perceptions; prediction, 9084
undergraduate students; part time employment; China; student characteristics, 2805
work characteristics; job design; Taylorism; personal initiative; workforce characteristics; adaptation; self reliance; self efficacy; well being, 36400
work family interference; mediator; job demands; job burnout; doctors; medical profession, 36110
work home interference; managers' well being; effort expenditure; recovery opportunities; job demands; job control; overtime; full time work; adverse work outcomes, 30509
work instability scale; traumatic brain injury; job retention, 33822
work related factors; chronic disability; low back pain; psychosocial factors; employee attitudes; occupational stress, 27436

Job Discrimination [See Employment Discrimination]

Job Enrichment—Serials

work redesign; obstacles; job enrichment, 15144

Job Experience Level—Serials

Anane Olatunji; adolescents; high school attrition; editors; Mexicon origin youths; work experience; theoretical model; work group, 12034
bereavement counseling; therapist's experiences; phenomenology; data collection; memory, 29484
chief executive officers attributes; attitude toward change; moderating effects; non profit organizations; diversity of functional experiences, 33547
combat exposure; military experience; traumatic stress; mental health; perceived benefits; wisdom; later life, 7110
developing mathematics teachers; preservice teachers; experienced teacher; epistemology; educational programs; learning environment; teacher education, 27145
entry level skills; airport operations personnel; management personnel; airport managers; skills; traits; aviation, 5962
formal training; medical education; scholarly evaluation; colleagues manuscript; peer reviews, 27063
Israeli school counselors; terrorism; professional development levels; coping, 21287
knowledge combination; experience; team innovations; individual innovations; comic book industry, 36499
managers; gender differences; work experiences, 12119
pedagogical techniques; student progress; instrumental lessons; American music teachers; teacher experience; performance quality; introductory applied lessons, 36245
peer crowds; work experience; financial saving behavior; young Canadians; economic behavior; money, 16529
professional expertise; mental health; social workers; practice situations; cross national research, 5600
retail work experience; career expectation; job satisfaction; retail career intention; college students, 36419
selection factors; evaluation; employment; family; wellbeing; transitioning; welfare; work experience; ethnography, 26898
social work education; suicide intervention; suicide prevention; social workers' experiences, 36057
sport psychology; consultants experience; hypnosis, 36510

Job Family Relationship [See Family Work Relationship]

Job Involvement—Serials

burnout; work engagement; teachers; motivational process; well being, 14925
caregiving; roles; stress; work-family; disability, 17745
discriminant validity; Utrecht Work Engagement Scale; job involvement; organizational commitment; work engagement; psychometric properties, 24649
human resources department professionalism; collective professional behavior; strategic involvement, 12229
job aspects; Norwegian School Psychology Service; positive challenge work; perceived work control; job attitudes; job satisfaction; job involvement; organizational commitment, 18264
long term care; workforce crisis; dementia care; training collaborative; job satisfaction; career commitment; Alzheimer's care staff; career identity; involvement; aging; future employment, 33270
meaning of work; employee cynicism; employee engagement; emotions, 27391
measurement; work engagement; short questionnaire; factorial validity; internal consistency; test validity; countries; work burnout, 27675
psychological detachment; work during off job time; job stressors; job involvement; recovery related self efficacy; school teachers, 30254
work burnout; work engagement; individual differences; temperament traits; personality; extraversion; neuroticism, 15171

Job Knowledge—Serials

action-based learning; goals; attention; market knowledge acquisition; costs; benefits; decision making; transfer of learning, 27469
construction organization; product knowledge; data entry skills; frequency building; functional assessment; insufficient skills; foremen; employee performance, 12175
decision making; high velocity environments; managerial knowledge; heuristic reasoning; guiding principle; organizations, 5961
employee benefit system effects; organizational commitment; employees benefit knowledge; employee attitudes, 2888
ergonomic issues; team lifting; scientific knowledge; psychological stress; physiological stress; risk factors, 3028

formal standards based industry; acquisition timing; uncertainty management; technical knowledge, 18314
interpersonal learning; tacit knowledge; March's exploration exploitation model; organization; personnel turnover, 36488
knowledge combination; experience; team innovations; individual innovations; comic book industry, 36499
knowledge communities; community-of-practice; knowledge collectives; collectivity-of-practice; organizational behavior; shared understanding; knowledge exchange, 9141
knowledge construction; teacher community; enquiry; school university partnerships; teachers; professional knowledge; collaborative learning environment, 24176
knowledge sharing; fostering knowledge; people management practices; socio psychological aspects, 12156
knowledge sharing; team communication styles; job satisfaction; performance beliefs; job related cognitions, 18169
perceived value; expert knowledge; intellectual capital; struggle; knowledge-intensive organization; members; communicative processes; Bourdieu's notion of symbolic capital, 2914
research activity; development capabilities; knowledge networks; firm; individual positions; intraorganizational network; chemical company, 6025
salesperson selection; training; development; job knowledge; employee skills, 5904
teachers work lives; intensification; professional development; professional knowledge, 33355
worker safety; health training methods; safety knowledge; job performance; negative outcomes, 24413

Job Mobility [See Occupational Mobility]

Job Performance [See Also Employee Efficiency, Employee Productivity]—Serials

360-degree assessment; multisource; feedback; leadership; development; decision-making, 27366
accountability; human resources managers; job performance measurement; management; evaluation; legislative incentives; taxpayer funded programs; Government Performance Results Act, 36435
adverse impact; personnel selection; estimation procedure; quality selected workforce; prediction; mean criterion performance; multistage selection decisions; selection processes, 24310
affect; goals; demands; appraisal; beliefs; high work demands; work performance, 2872
Assessment of Work Performance; instrument development; work rehabilitation; job performance; motor skills; process skills; communication skills, 27674
aviation; dispatchers; job performance; U.S. airlines; operational factors; air carriers, 5936
career related practices; job performance; absenteeism; job search; work environment, 5881
chronic pain; perceived organizational support; performance-related outcomes; POS, 30487
citizen trust; government performance measurement; citizen participation; citizens perceptions, 22643
clinical psychology education; clinical psychologists; clinical knowledge; clinical practice ability; performance; personality & emotional adjustment, 2507
cognitive ability; alternative measures; job performance; ethnic group differences; conscientiousness, 12177
cognitive ability; military personnel; neuroticism; job performance; stress intolerance, 9173
collaborative learning style; team learning performance; self directed teams; business environment, 12171
college students perceptions; job demands; retirement ages; job performance; occupations, 15057
community policing; police performance measures; policing practice; reassurance policing; policing strategy, 24541
conscientiousness; flow at work; job characteristics; job performance; occupational health psychology, 30490
construct validity; Cognitive Behavior Inventory; job performance; biodata; test reliability; psychometrics, 9070
construct validity; performance ratings; self rating; peer rating; supervisor rating; reliability; cognitive measures; personality measures, 18609
construction organization; product knowledge; data entry skills; frequency building; functional assessment; insufficient skills; foremen; employee performance, 12175
contextual performance; self- & other perceptions; workplace deviance; leadership; narcissistic personality, 30472
core employees; competitiveness; organizational capabilities; organizational efficiency; Spanish firms, 18222

counterproductivity; counterproductive work behavior; antecedents; abuse toward others; production deviance; sabotage; withdrawal; theft, 24407
crew collaboration; spaceflight; stress; job performance; working conditions; decision making, 2935
curvilinear; job performance; turnover; relationship; Switzerland; bank employees; merit bonus, 5885
developmental outcomes; 360 degree feedback; feedback characteristics; self efficacy; feedback dimensions; focal managers' role; job performance, 18600
dynamic news environments; contextual primes; air war; diplomatic solution; judgments; military action; presidents job performance; 1991 Persian Gulf War, 6880
emotion regulation; emotion episodes; resource allocation; performance episodes; episodic process model; affective influences; cognitive & regulatory processes, 5926
emotional dissonance; job satisfaction; job performance; personality factors, 12111
employee & manager emotional intelligence; job satisfaction; job performance; food service employees, 24295
employee assistance programs; overcoming resistance; supervisory surveillance; job performance; substance abuse; professional disciplinary mechanisms, 5920
employee competencies; KSAO; employee characteristics; task based job analysis; task proficiency; employee assessment; task performance; task inventory, 30791
employees skills; employees achievement; job performance; workplace experiences; organizational settings; flow experiences; mood, 9118
employer attitudes; skill deficiencies; economic performance; employee attitudes; reporting skill shortages, 18224
enhancing job site training; supported workers; autism; severe disabilities; teaching job skills; simulation training, 17047
ergonomics; computer manikins; workers task performance; sequence based activity; method analysis; assembly environment, 3034
feedback seeking; Developmental Assessment Center; transportation industry; interpersonal dimensions, 24320
gender bias; gender stereotypes; performance appraisal; promotion; glass ceiling; type of position, 30474
gender differences; space mission; work performances; stress, 2878
geographic dispersion; team processes; team effectiveness; software development, 6038
goal orientation; leadership; climate; cross level; employee motivations; individual-level performance; organizational work groups; models, 5872
goal progress; personal goals; well being; work satisfaction, 2899
health risk change; presenteeism change; financial services employees, 36455
high performance teams; team building; guiding principles; business organizations; organizational development, 5963
human performance; spaceflight; bioethics; individual ambitions; corporate goals, 17913
human resource development professionals; values priorities; job performance; education level; involvement in organizational practice, 5901
human resources management; financial performance; organizational performance; bankruptcy prediction; business management; Belgian companies, 12228
human resources performance; National Health Service; performance indicators; human resource managers; government policies; perceptions; performance ratings, 5907
impression management tactics; supervisor ratings; organizational citizenship behavior; employee likability; job performance, 27365
interdependence; competitiveness; objective sales performance; personality trait, 12178
job characteristics; job attitudes; hesitation; work behaviors; supervisors; job performance; job satisfaction, 21366
job performance; job attitudes; emotional competence; personality, 18221

Bayesian adjustment strategies; within category feature correlations; judgment accuracy; memory, 31037
bilateral motor actions; motor congruence hypothesis; arm flexion; arm extension, 3346
brain response; forgivability judgments; empathic judgements; posttraumatic stress disorder; cognitive behavioral therapy; social cognition; symptom resolution; neurophysiology, 7723
calibration; above average effect; better-than-average effect; judgment errors; unskilled; unaware; metacognitive insight; difficulty perception; relative comparisons, 10448
catching bars; matching bars; different orientations; systematic distortions; perceptual judgments, 3325
causal intervention; multiple cue judgment; positive effects; negative effects; learning; observation; memory, 12766
causal judgment; phenomenal causality; naive physics; semantics of causality; causal understanding; causal asymmetry; bias; theories, 12753
causal structure; cooccurrence information; judgments; causal inference, 27890
cautious processing; trust; risk perceptions; ambiguous relational events; transgression evaluations; dating; romantic relationships; judgment, 1118
changing interpretation; judgmental bias; social phobia; highly structured cognitive treatment, 17482
child caring; kinematics; judgment; social perception; physical weight; morality, 25506
child judgment; magical causality; constraints; child beliefs; attribution, 25303
childrens distributive justice judgments; aversive racism; Euro American children; moral judgments; racial differences, 28348
cognition; customer satisfaction; satisfaction judgment, 30555
cognition; optimal predictions; everyday cognitive judgments, 33965
cognitive maps; distance estimates; geography; spatial reasoning; spatial representation; global scale location; judgments; strategies, 15654
comparative judgments; semantic congruity effect; instructions; stimulus, 21954
comparison; categorization; dissimilarity; affective judgments; person perception; morphs; context effects, 16486
confidence; culture; emotion; recognition; facial expression; immigrants; judgment, 7438
confirmation illusion; exposure; advisor's hypothesis; point estimate; uncertain quantity; confidence judgment, 12729
connectivity; semantic priming; reaction time; stimulus judgement; semantic associates; lexical decision; magnetic resonance imaging; brain regions, 22226
construal; fate judgments; counterfactual judgments; counterfactual attributions; time; temporal distance, 28630
consumer price judgments; informative price patterns; non-informative price patterns; reference price, 27463
contextual factors; informal reasoning fallacies judgement; students performance; arguments, 15676
country of origin influences; product evaluations; cross cultural differences; animosity impact; industriousness brutality perceptions; product judgment, 30556
course grade distributions; students judgments; classmates performance; judgment biases; grade prediction, 5823
covariation; implicit; nonconscious; social judgment, 18826
covert uncertainty; overt responses; paradox; defection despite trust; fuzzy nature, 27876
crime judgments; social pressure; black clothing; conformity, 7457
cue plays; store reputation; product judgments; social identity goals; brand and price information, 30558
cumulative risk estimates; judgment strategies; motivational processes; cognitive heuristics, 4226
curved visual objects; contour transitions; judgments; attitude; preference; threat, 30889
decision formation; judgment; neural circuitry; visual saccade decision circuit; decision mechanism, 3601
decision heuristics; multiattribute choice; confidence judgments; frequencies; preferences, 27880
decision making; affect; judgment, 21948
decision making; choice; emotion; affect; judgment, 22041
decision making; cognition; anger; judgment; negative emotions; Appraisal Tendency Framework, 21939
developmental differences; frequency judgments; recency judgment, 13122
driver behavior; traffic accident; gender based judgments; traffic violations; driver carelessness & aggression; contextual factors; gender; car types, 12361
dynamic news environments; contextual primes; air war; diplomatic solution; judgments; military action; presidents job performance; 1991 Persian Gulf War, 6880
emotional foundation; political cognition; extrinsic anxiety; political tolerance judgments, 7302
equivalent lighting model; cues; lightness judgments, 18701
eyewitness identification; confidence accuracy relation; confidence accuracy calibration; identification latency; target-absent base rate; lineup instructions; foil similarity, 15638
eyewitnesses; confidence judgments; event memory; realism, 15355
faking; response instructions; situational judgment test; Big Five personality test; knowledge response, 9374
fantasy proneness; false fame effect; absorption; monitoring errors, 31878
female figures; human female waist to hip ratio; attractiveness; male judgments; preferences by men; decision process; forced choice preference; underlying judgment times, 13419
finger prints matching; contextual top down processing; participants judgment; judgmental bias; emotional manipulation; forensic evaluation, 9281
first impressions; threat; face perception; rapid personality judgment; intelligence, 21906
flexible unconscious; judgmental impact; unaware perception; stimulus exposure time; target category; mindset orientation; subliminal emotion faces, 13496
framing effects; Information Integration Theory; children; judgment; decision; expected value; reason; gains & losses; choice, 7020
frequency depth effects; consumer price judgments; brands, 12297
functional locus; parity judgments; fast responses; spatial numerical association of response codes, 377
functional magnetic resonance imaging; impaired judgment; spatial orientation; cerebellum; cognitive functions, 1791
game relativity; context effects; strategic decision making; prisoner's dilemma game; judgment; cooperation, 12752
gaze perception; schizophrenia patients; perceptual abnormality; social interaction; gaze bias; judgment, 7690
gender differences; hobbies; judgment; instrumentality; expressiveness; masculinity; feminity, 1234
global psychophysical judgments; psychophysical function; intensity filtering; physical ratio; binaural loudness, 15628
habitual stereotype use; social stereotypes; stereotype disconfirming information; stereotype based beliefs; reducing stereotype based judgments, 19564
human causal judgments; retrospective revaluation; conditioning; within-compound associations; cues; associative learning; inferential reasoning, 431
human computer interaction; physiological responses; emotions; speech; subjective responses; computer mediation; user judgements, 6933
human judgment; decision making; consumer psychologists; consumer research; personality research, 15239
human judgment; intentionality; morality; social cognition; folk concept, 31802
human learning; trial-by-trial learning; covariation learning; causation; contingency; signal detection theory; judgment; outcome expectancy measures, 393
hypocrisy judgment; event order; attribution; social judgment; impression formation; person perception, 4170
hypothetical behavior perceptions; judgments; romantic partners; friends, 7445
imagery; law; judgment; decision making; reasoning, 27850
incremental learning; category structure; inferences; judgments; family resemblance, 30978
individuality; independent self concepts; public judgments; cognitions; motivation, 28696
individuals; dyads; multiple-cue judgment; cognitive processes; performance; learning; social interaction, 13490
information retrieval; judgment; attention; experiential processing style, 15644
integrative evolutionary model; error management theory; judgments under uncertainty; cognitive biases, 12725
intentionality judgments; morality; folk psychology, 31803
interference; human causal learning; human predictive judgments; reinstatement, 6575
intergroup sensitivity effect; judgments; social identity; personality trait evaluation; perceptions of fairness; identity; constructiveness; agreement, 19536
intersensory perception; spatial discordance; temporal order judgment; temporal ventriloquism; spatial attention; light; sound; visual discrimination, 27753
intimacy groups; group types; social categories; task groups; intergroup relations; entitativity role; essentiality role; judgments; collective responsibility, 13448
intransitive preferences; random effects approach; choice behavior; systematic violations; modeling; judgments, 15539

intuitive judgments; correlations; attenuating effect; contaminated distributions; scatterplots, 380
Judgment Model of Cognitive Distortions; cognitive schemata; sexual offenders; denial; beliefs; values; action, 26177
judgment; psychotherapeutic outcome; patient clinician relations, 11197
judgmental biases; socially anxious individuals; nonanxious individuals; social events; interpretation, 19923
judgmental consequences; underlying mechanisms; human judgment; numeric estimate; anchoring, 9603
judgmental forecasts; judgmental bootstrapping; task feedback; sales forecasts, 12189
judgmental orientations effects; narrative judgmental orientations; paradigmatic judgmental orientations; qualitative evidence; quantitative evidence; health related inference; health communication, 4140
judgments of learning; model; metamemory; stochastic drift, 402
judgments of learning; online monitoring; cue; paired associate; words, 15730
judgments of learning; underconfidence; debiasing; foresight, 18847
judgments; gender differences; job satisfaction; stereotype strength; occupational success prediction, 2865
knowledge activation framework; lay personality knowledge; dispositional judgments; thinking, 13506
latency facilitation; temporal order judgments; visual processing; priming; conscious perception; visual mask, 24828
leader ingroup prototypicality; procedural justice; ingroup leader; status judgements; leader role; ingroup member; banking organizations, 2854
listeners judgments; emotional engagement; performances; music; Scriabin etude; musicians, 34244
macaca mulatta; rhesus macaques; numerosity judgments; uncertainty monitoring; monkeys; metacognition, 18901
magnitude; size congruity effect; intrapartial sulcus; luminance, 30899
mental representations; spatial descriptions; language; alignment effects; spatial judgments; orientation specificity, 33943
metacognition; judgments of learning; JOLs; transfer of learning; illusions of competence; foresight bias; mnemonic cues; theory based judgments, 31048
metacognition; judgments of learning; underconfidence with practice; retrieval fluency; judgment bias, 6432
metacognitive experiences; human judgment; mind; debiasing, 33977
metacomprehension; ease of processing; fluency; judgments; aging; text learning; age-related differences, 22455
metacomprehension; metacognition; judgment; learning; memory, 3390
momentary accessibility; metacomprehension judgments; judgment lags; accessibility effects, 24782
mood congruent perceptions; success; self other framing; judgments, 16526
moral development; conventional rules; personal rules; foster care; evaluation; ethnicity; reasoning; judgments, 28292
moral judgment; personality disorder diagnosis; cultural norms, 25982
moral judgment; role of metaphysics; values; medical ethics; guidance, 30158
moral judgments; hedonic states; socially relevant stimuli; abstract reasoning; simulation; cognitive control; ethical dilemmas, 24834
moral judgments; hypnotic disgust; moral intuitions; arbitrary word; posthypnotic suggestions, 7551
moral predispositions; American politics; election campaigns; moral values; voting; moral judgment; attitudes, 4051
multiple cue learning; self insight; strategy; rolling regression; implicit versus explicit learning; suboptimal strategies, 18849
multiple information sources; time; judgments; visual system; event perception, 24753
negative emotions; positive emotions; judgments; global well being; momentary mood; goal discrepancy; Chinese university students, 13522
neural correlates; spatial judgment; object construction; parietal cortex; monkeys; motor response, 3542
noun noun combinations; modifier; head noun; response times; conceptual combination; sensibility judgments, 6601
nuclear powers; independent judgment; nuclear environment; nuclear weapons; arms race, 10222
numerosity judgment; age differences; children strategy use, 790
objective measures; aesthetic judgment; memory traces; verbal responses; aesthetic preferences; art, 25137
obsessive compulsive disorder; memory judgments; monitoring, 11220
offence taking; institutional harassment policy; moral judgements; self serving, 24145
offence taking; institutional harassment policy; moral judgements; self serving, 24149
offence taking; institutional harassment policy; moral judgements; self serving, 2575
old-new recognition; response time; exemplar model; similarity; color; individual-participant/individual-item performance; multidimensional perceptual stimuli; recognition choice probabilities, 18677
olfactory identification deficits; schizophrenia outpatients; olfactory hedonic judgment, 13762
outcome recall; cue-outcome relationship; causal judgement; target cues; food cues; allergic reactions; backward blocking; associative & nonassociative mechanisms of forward blocking, 22002
peer assessment; manifestations of depression; person perception; personality judgment; Electronically Activated Recorder; cues, 32114
peer evaluation; reviewer hostility; bias; dissensus, 30073
perception-action; interception; learning; calibration; judgments; observers, 18725
personality judgment; judgment accuracy; realistic accuracy; information quantity; information quality; interaction, 28605
personality; situational judgment test; implicit trait policy; accentuation effect, 28673
physician perception; patient perceptions; physician explanations; medical encounters; diagnosis; physicians judgment; physician patient interaction, 8224
plausibility; Plausibility Analysis Model; human judgment, 15642
police officers; generalized communicative suspicion; deceptive statements; judgment; investigator bias effect, 6209
policy of preemption; consequences; judgment; decision making; uncertainty; error; false negatives; false positives, 13390
political responsibility; citizens; judgments; partisan bias, 13392
posteriori information effects; culpability judgments; cross cultural perspective; crime victims; victims' moral attributes, 1572
predictive value; well being judgments; relationship stability; relationship satisfaction; subjective well being, 25600
priming; new identity; self judgments; behavior; self-monitoring; stereotype activation, 4219
probabilistic inversion; computational algorithms; information; expert judgments; quantitative management science models; decision making; uncertainty, 5954
procedural justice; voice; approach-avoidance; hedonic motivation; motor action, 34707
propensity effect; hindsight bias; judgments; courtroom; jurors decision making; computer animation, 21573
proximity heuristic; accident probabilities; perceived distance; target event; disastrous outcome; future disasters; near-accidents; life-threatening situation, 7456
proximity structure; achromatic surface colors; asymmetric lightness matching; proximity judgments; stimulus intensity, 21864
psychiatric evidence; sex; drugs; recidivism; medical tribunal cases; disciplinary proceedings; risk management, 33219
psychometric functions; price judgments; consumer judgments; discounted prices, 12293
psychophysical judgments; behavioral attributes; psychological functions; empirical evaluation; psychological review, 183
psychophysical judgments; model evaluation; behavioral properties; psychophysical function; auditory experiments, 184
public opinion; public judgment; crime; penal policy; crime control; policy debates; attitudes; errors; assessments, 18457
reading comprehension; metacognition; judgment; individual differences; verbal ability; college students, 6422
recognition; belief judgments; repetition primes; memory, 3409
recognition; classification judgments; artificial grammar learning; z transformed receiver operating characteristics; heuristics, 18852
recognition; cues; judgment; decision making; ecological rationality; fast and frugal heuristics, 12740
recursive reminding; repetition; printed frequency; connectivity; recognition; judgments; effect size, 21985
redundant signals effect; visual coactivation; time course of sensory processing; temporal order judgment; diffusion model, 24830
regulatory nonfit; bias; correction of judgments; attribution, 31816
remember Know judgments; retrieval; contextual details; recognition memory, 24801
repeated exposure; responses; musical compositions; intact vs patchwork compositions; unity & liking ratings; two factor arousal theory; listeners, 27805
ripple effects; memory; memory distortion; judgments; moral responsibility; negative act, 31064
risk judgments; judicial disagreement; decision making; social influence; legal issues; bail decision; crime management, 9311
risk judgments; risk as value model; risk perception; risk information; dual processes; analysis; affect, 16533
scene complexity; three dimensional scenes; color constancy; surface color judgments, 6468
second order judgments; judgments of learning; judgment accuracy; metacognition, 3365
self perception; high intuitiveness; beliefs; experiences, 31916
self referencing differences; judgment; choice; recall; visualization, 9611
self-interest; attitude; personal relevance; argument strength; self-interest bias; judgment; persuasion, 7442
self-knowledge; behavioral prediction; discrimination; judgmental accuracy; bias; individual differences, 19619
senses interaction: vision; touch; consumer judgment, 21472
sequential performance judgments; comparison processes; judgments in sport; assimilation; contrast, 33598
sex judgments; body shape; body motion; morphology; gender; psychosexual behavior, 10344
sexual arousal; sexual decision making; judgment; self stimulation; male college students, 21904
sexual harassment; gender differences; victim; legal judgments, 6188
similarity judgment; transformation-based models; structure-mapping models; Similarity as Interactive Activation and Mapping model; object configuration, 6535
similarity judgments; multipurpose taxonomies; category organization, 398
situational judgment effectiveness; proactive personality; work perceptions; work outcomes, 18165
situational judgment test; video; predictive validity; medical students; written tests, 30666
situational judgment tests; scoring strategies; theory; practice; job applicants, 30787
situational judgment tests; social validity; interactivity; video based testing; simulation, 27671
size representation; action; conscious judgment; visual illusions; unconscious representations; dissociation, 21880
SNARC effect; dual route; LRP; Simon effect; lateralized readiness potential; judgment; Arabic numerals; response selection, 12945
social cognition; comparative optimism; risk perception; probability judgment; numerosity perception; target group size, 16438
social judgment theory; social norms campaign; normative information; health behaviors, 22625
social judgment; stereotypes; person perception; competence; warmth, 7448
social judgments; item-order; life satisfaction; well-being; personality; information access, 1249
social judgments; public settings; privacy; watching; gender differences, 25577
social power; judgment; behavior; stereotypes; power groups; theories of power, 31733
social relations; group participation; small groups; judgments; task related ability, 31732
social risk judgments; media exposure; attention; alcohol related injuries, 6887
social scientists; decision making; statistical analysis; data analysis; judgments, 15508
songs; emotions; lyrics; melodies; instrumental music, 34237
stealing thunder; self incriminating information; mock juror judgments; processing resources; source credibility, 33725
stereotyping; familiarity; person perception; social judgeability; heuristic processing, 25606

stereotyping; prejudice; attitudes; resistance; bias correction; thoughtful processing; nonthoughtful processing; judgments, 10461
subjective ease; malleable meaning; social judgment; evaluative judgments; metacognition, 18771
subjective judgments; social sciences; null hypothesis significance testing; human resource development; quantitative methods, 30847
target position; target task; judge sensitivity; target felt rapport; nonverbal behavior; interpersonal sensitivity; perception, 1151
task switching; mediator retrieval; instructional cues; executive control; magnitude & parity judgments; association strength, 15671
teasing; social judgment; social perception; miscommunication; aversive interpersonal behaviors, 16436
temporal order judgment; simple reaction time; statistical decision making; intensity effects; mathematical model; simulation, 18674
test reliability; judgments; testing; clinical psychology; diagnosis, 33837
theoretical perspectives; cancer risk perception; protective actions; risk judgments; anxiety; policy level; societal perceptions; decision making, 17235
thin slice judgments; consumer psychology; consumer domain; consumer information processing, 15236
threats; situational judgment tests; college admission; College Student Questionnaire; Situational Judgment Inventory; selection instruments, 21711
timbre discrimination; target chord; sensory consonance; musical priming; sensory dissonance; musical relatedness; discrimination judgments, 27807
time judgments; global temporal contexts; time interval, 3291
training; holistic identity; clinical judgment; counseling psychologists, 29362
transitional justice; truth evaluation; truth commissions; Eastern Europe, 22615
unrealistic optimism; unwanted pregnancy; risk perception, 1206
valence; comparison focus; self positivity bias; positive traits; negative traits; above average effects; comparative judgments, 1168
value; motivation; pleasure & pain; engagement; decision making; emotion; hedonic experience; judgment, 24877
walkers; ground surfaces; judgments; visual cues; color; slippery ground; low friction conditions; coefficient of friction, 27773
web usage; selection criteria; male students; female students; judgments; college students; human sex differences, 5843
willingness to pay; consumer attitudes; product features; judgments; consumer satisfaction; evaluation, 24446

Judgment [See Also Clinical Judgment (Not Diagnosis), Probability Judgment]—Books

Expert political judgement: How good is it? How can we know?, 4056
Situational judgment tests: Theory, measurement, and application, 15409

Judgment [See Also Clinical Judgment (Not Diagnosis), Probability Judgment]—Chapters

Judgment under Uncertainty: Heuristics and Biases, 10443

Judo—Serials

emotion; facial expressions; Olympic Games; universality; FACS; social setting; contextual factors, 33600
self handicapping effects; attributions; perceived judo competence; ability level; failure; sport psychology, 20919

Jumping—Serials

jump target selection; landing objects; target objects; peering-jump behavior; retinal image motion; praying mantids; mantis religiosa; edges; horizontal peering movements, 6700
jumping; anticipatory activation; neural circuitry; functional magnetic resonance imaging; color processing; neurophysiology, 25058

Jung (Carl)—Serials

clinical practices; C. G. Jung; Toni Wolff; psychotherapists; Tina Keller; psychotherapy, 32853
clinical practices; C. G. Jung; Toni Wolff; psychotherapists; Tina Keller; psychotherapy, 32870
clinical practices; C. G. Jung; Toni Wolff; psychotherapists; Tina Keller; psychotherapy, 32869
clinical practices; C. G. Jung; Toni Wolff; psychotherapists; Tina Keller; psychotherapy, 32851
Freud; Jung; Martin Heidegger; schizophrenia; hallucinations; dream states; ego; repressed aggressive impulses; thought process; defenses; waking consciousness; delusional system; theory, 4352
historian of psychoanalysis; Paul Roazen; Freud; Anna Freud; Jung; contributions to historiography, 13599
history; autobiography; C. G. Jung; Jungian psychology, 6243
International Association for Analytical Psychology; IAAP; Journal of Analytical Psychology; JAP; interdisciplinary approach; Jungian clinical practice; training programs; scientific papers, 14456
Journal of Analytical Psychology; JAP; International Association for Analytical Psychology; IAAP; containers; divergent views; Jung's theories and concepts, 13612
Jung; 80th birthday celebration; founding; International Association for Analytical Psychology; Journal of Analytical Psychology; early history; relationship; diversity of Jungian clinical practice, 14462

Jung (Carl)—Books

Beyond psyche: Symbol and transcendence in C. G. Jung, 28719

Jungian Psychology—Serials

cognitive psychology; reflective function; Jungian movement; analytical psychology; patient's unconscious; cognitive science, 23666
concept of training; trainees' professional & personal individuation; Jungian psychology; curriculum; gradual transformation; training community, 24088
dissociation; affective neuroscience; Jungian psychology; neuroscience, 2038
dreaming mind brain; Jungian perspective; neuroscience; clinical material; dreaming process; evidence based research; dream sleep; dreams; transference; emotional experience, 14396
group process; analytic candidates; Jungian analytic training; unconscious; analytic curriculum; Bion, 24071
group therapy; analytical psychology; Poland; archetypal patterns, 23560
history; autobiography; C. G. Jung; Jungian psychology, 6243
inner animals; guided imagery; personal totem pole process; Jungian active imagination; chakra system; ancient shamanism, 26483
International Association for Analytical Psychology; IAAP; Journal of Analytical Psychology; JAP; interdisciplinary approach; Jungian clinical practice; training programs; scientific papers, 14456
Journal of Analytic Psychology; International Association for Analytical Psychology, 33193
Journal of Analytical Psychology; JAP; International Association for Analytical Psychology; IAAP; containers; divergent views; Jung's theories and concepts, 13612
Jungian theory; Journal of Analytical Psychology; 50th anniversary conference; tensions and contradictions; theory; clinical practice, 13608
metaphorical interpretations; analytical psychology; psychoanalytic theory; countertransference; psychotherapy, 35594
psychic states; death; mourning; Charles Dickens; Our Mutual Friend, 691
real imagination; imaginary; theoretical antecedents; analytical psychology; psychoanalysis; Oedipal disappointment, 14458
role theory; archetypes; Moreno philosophy; psychodrama; kabbalistic Tree of Life; Jung concept, 4940
social significance; synchronicity; Jung's analytical psychology; modernity; mass society; cultural events; social events, 22868
spirituality; psychoanalysis; defensive posture, 29624
spirituality; psychoanalysis; defensive posture, 29638

Jungian Psychology—Books

Journey into depth: The experience of initiation in Monastic and Jungian training, 4257

Jungian Psychotherapy [See Analytical Psychotherapy]

Junior Colleges [See Colleges]

Junior High School Students—Serials

junior high school students; career planning; future; career goals; student attitudes, 33452
social justice; Latinos; mathematics teaching; parental attitudes; curriculum; classroom, 36160
suburban girls; passage rites; American educational system; suburban community; problem behavior; White females, 5842

Junior High Schools—Serials

psychiatric symptoms; epilepsy; junior high school; adolescents, 35320
teachers approaches; leadership styles; compulsory education level school; human sex differences, 5703

Juries—Serials

administration; standardized pretrial juror bias assessment; college students; semantic priming, 9347
arbitrariness; death penalty; defendant's appearance; trials; capital jurors; punishment decision; jurors, 21557
battered women; defendant typicality; culpability judgments; homicide; attitudes; jurors, 18465
child sexual abuse; jury; bench trials; criminal trials, 33730
child testimony; truthful statements; deceptive statements; courts; child sexual abuse; jurors' perceptions; witness credibility; defendant guilt, 33723
expert testimony; jurors decisions; gender; testimony complexity; heuristic cue, 12385
expert witnesses; perceptions; eligible jurors; judicial system; legal proceedings, 12394
gender difference; speech style; juror perceptions; child testimony; sexual abuse, 1875
generic prejudice; laws; sexual assaults; homicides; juror bias; cognitive resource theory; simple attention models, 30640
judges; jury trial; child custody cases, 3079
juror reactions; potential stressors; positive attitudes; decision making; stress levels; debriefing intervention, 9308
jurors; judicial admonitions; inadmissible hearsay testimony; juror instructions; hearsay evidence; civil juries; jury verdicts; legal decisions; policy implications; psychological reactance, 12388
jury aids; expert witnesses; summary statements; note-taking; quality of decision making; civil litigation; mock jury members; cognitive aids, 6519
jury selection; US jury service; prospective jurors; privacy protection; distributive justice, 3093
justice individualization; Daryl Atkins; jury; death penalty; mental retardation, 27527
law enforcement officers; jurors; conviction rate; guilty; criminal defense lawyer, 9279
limiting instructions; evidence processing; judgments; emotionally evocative evidence; gruesome photographs, 33720
mitigating evidence; capital cases; capital murder; Texas Criminal Court; U.S. Supreme Court; jury, 27533
social dominance orientation; racial attitudes; juror decision making; racial bias; sentencing, 6191
stealing thunder; self incriminating information; mock juror judgments; processing resources; source credibility, 33725

Jury Selection—Serials

jurors competencies; marginal changes; jurys size; decision making; choice behavior; probability, 179
jury selection; US jury service; prospective jurors; privacy protection; distributive justice, 3093
racial diversity; group decision making; jury selection; jury deliberations; group composition, 19535

Justice [See Also Criminal Justice, Procedural Justice, Social Justice]—Serials

advancing cultural analytic science; metacontingencies; cultural systems; social justice; human rights, 32829
affective events theory; emotional labor; interactional justice, 30507
affirmative action; organizational justice; diversity; black applicants; reactions, 5869
Australian women; family violence; restorative justice; criminal justice, 18463
behavioral ethics; justice; morality; evolutionary game theory; folk theorem; equilibrium; cooperation, 22754
beneficence; ethics; forensic; justice; psychiatry; welfare, 9259
care-based moral reasoning; justice development; law-enforcement students; nursing students; social work students; care development; ethic, 21215
child sexual abuse; justice concept; criminal justice; traditional legal perception; child protection systems, 17016
Chinese lawyers; screening practices; justice; practice of law, 21555
classroom justice; students perceptions; emotional response; empowerment, 11850
communication training program; legal services; communication disabilities; justice system; legal personnel; multimedia, 36657
community-based correctional services; cost benefits; statewide parole program; recidivism, 36009
criminology; criminology failure; enlightened justice; criminology usefulness; experimental criminology, 3072
culture; institutions; neoliberalism; French capitalism; Britain; United States; egalitarianism; social justice; industrialization, 10248
death penalty; medical ethics; forensic sciences; forensic psychiatry; justice system; courts, 33713

developmental psychology; ethnic prejudice; social development; social justice; social psychology; applied psychology, 9985
educational process; parental involvement; students; journal; online submissions, 27134
employee reactions; corporate social responsibility; organizational justice; employee perceptions; employee emotions; employee behavior, 30506
environmental concern; polluted community; health; justice; color; Blacks; ethnic attitudes, 19331
equality; social dilemmas: emotional reactions; retributive reactions; trust; attribution; honesty; explanations; dishonesty, 25585
fair organization; organizational life; justice; human resource managers; organizational policies, 27317
fairness norms; justice; social contract; self regarding preferences; evolution, 22769
forgiveness; transitional justice; human rights; perpetrators; victims; political prisoners, 22606
game theory; rational cooperation; Hobbism; behavioral economics; fairness, 22744
historical conflict; incitement; terrorism; fairness; deprivation; injustice, 7151
just allocation; team loyalty; virtue ethics; emergency medicine; dyadic relationship; well being, 11805
justice individualization; Daryl Atkins; jury; death penalty; mental retardation, 27527
justice; judicial system; American legal system; criminology; wrongful conviction, 9284
justice; schools; educational goods distribution; school life; teaching-learning practices; teachers; grade distribution; social theory; students; beliefs; right to education; classrooms, 27133
justice; teams; sensemaking; justice climates; treatment fairness; justice perceptions; cognition, 25619
law; social change; legitimacy; human rights; civil rights; government, 18434
legal claims; everyday political encounters; civil rights; justice; law; government officials; citizens, 24526
legality; media framing; supreme court procedures; fairness perceptions; everyday politics; legal guidelines, 30618
legitimacy; public relations; media access; organizations; stem cell; cloning, 6942
low-income battered women; economic justice strategies; domestic violence; interventions; women's poverty, 17737
moderating effects; equity sensitivity; organizational justice; organizational citizenship behaviors, 15182
moral mandate; fairness; justice; anger; motivated reasoning; group differentiation, 19514
moral responsibility; whiteness; social justice education; color blindness; meritocracy; individual choice; discourses, 2637
national model; vertical prosecution; murdered children; physical abused children; child abuse; law enforcement; investigative phase; law enforcement professionals, 16919
normative theory; evolutionary game theory; institutional design; behavioral economics; justice, 22767
organizational change; emotional experiences; negative emotions; perceived justice; trust, 9121
organizational culture; justice perceptions; leader member exchange; schools, 27395
organizational justice; applicant reactions; expectations; selection; anticipatory justice, 18198

young people; sexual abuse; sexually abused children; treatment; book reviews, 35412
young peoples; behavioural difficulties; therauptic influences; nontherauptic influences; emotional difficulties; social constructs, 10759
youth justice system; cultural norms; restorative action project; decision making; juvenile delinquency; cultural factors, 24532

Juvenile Delinquency [See Also Female Delinquency, Male Delinquency]—Books

Attachment and sexual offending: Understanding and applying attachment theory to the treatment of juvenile sexual offenders, 29086
Evaluating juveniles' adjudicative competence: A guide for clinical practice, 6166
Language of the the gun: Youth, crime, and public policy, 21550
Young people and crime: Improving provision for children who offend, 32404

Juvenile Gangs—Serials

Asian gangs; homicides; weapons; criminalistics; criminology, 34996

defiance theory; sanctions; gang membership; legitimacy; law violation; delinquency, 34958
drugs-violence nexus; Mexican-American; gang members; human males, 35024
female gangs; juvenile female offenders; female arrests; law enforcement, 23086
gang affiliation; violent misconduct; inmates involvement; confinement, 33178
gang members; self reports; gang involvement; drug abuse monitoring program; disclosure rates; juvenile delinquency, 26179
gangstas; thugs; hustlas; street code; gangsta rap music; social identity; youth culture; violence, 10862
HIV/AIDS prevention; gang members; prevalence; gang lifestyle; Belize, 32566
HIV; risk factors; gang members; developing countries; daily activities; gender differences; power dynamics, 22884
Latinos; high school students; students perceptions; gangs; crews, 21221
school psychologists; youth gangs, 8248
violent behavior; substance use; delinquent behaviors; middle school students; high school students; gang involvement, 32402

Juvenile Justice—Serials

academic achievement; juvenile corrections; age; ethnicity; disability; male youth offenders, 11696
adolescent fathers; teen fathers program; Mexican descent; parenting program; juvenile justice system, 20824
adolescents; adult criminal courts; antisocial behavior; juvenile courts, 33693
Antisocial Process Screening Device; internal consistency reliability; psychopathic features; justice involved adolescents, 12512
capital sentences; capital punishment; death sentence; juvenile offenders; defendants; standards of decency; perceptions; public opinion; law; legislation, 21568
countries; youth justice; criminology; policy transfer; transnationalization; localization; repenalization; best practices, 14776
criminal justice policies; juvenile justice reform; courtroom workgroup; perceptions, 36637
delinquents; juvenile system; adult prison; sentencing; rehabilitation; reoffending; disabilities; trauma; immaturity, 20925
disproportionate minority contact; juvenile justice; community needs, 36639
drug involvement; juvenile justice diversion program; psychosocial functioning; intensive case management services, 26997
evidence based psychosocial treatments; juvenile justice system; delinquent behavior, 17417
gender; ethnicity; family environment; assessment efforts; juvenile justice; African American; Caucasian; juvenile court, 21565
juvenile assessment center; juvenile justice; national demonstration project, 11711
juvenile justice laws; juvenile detention centers; beatings; ill-treatment; UN Convention on the Rights of the Child, 18433
juvenile justice residential facilities; suicide attempts; suicide, 31991
juvenile justice system; mental disorders; out of home placement; cursory psychiatric evaluation; empirically supported treatment; community-based intervention; family-based intervention, 8694
juvenile justice; mental health; criminal behavior; psychiatry; psychiatric disorders, 17027
juvenile justice; psychopathology; mental health screening; psychiatry, 17401
juvenile offenders; postrelease rehabilitative programs; treatment; juvenile justice, 17029
juvenile offenders; well being; death penalty; juvenile justice system; rehabilitation; treatment, 12398
legal issues; mental health; rights; ethics; juvenile justice, 18467
Massachusetts Youth Screening Instrument-Second Version; Voice Diagnostic Interview Schedule for Children; juvenile justice, 26
mental health problems; juvenile justice; psychiatric pathology, 16914
mental health screening; juvenile justice systems; health care services; diagnostic assessment instruments, 17010
mental health services; juvenile justice facilities; psychiatric care, 17013
micropolitics; victim-offender mediation; restorative justice; adjudication; juvenile court; power, 36647
Mood and Feelings Questionnaire; depression; juvenile justice; screening, 91
multisystemic therapy; juvenile justice youth; independent effectiveness trial; evidence based practice; family; effectiveness evaluation, 23572
North Carolina Assessment of Risk; measurement; risk assessment; juvenile offenders; risk of recidivism; predictive validity; race; ethnicity; gender, 18572
positive behavioral support; juvenile justice facility; views of stakeholders; administrators; teachers; clinical personnel, 11703
positive peer culture programs; juvenile justice system; victims of child maltreatment; recidivism; dependent youth; delinquent offenders, 32403
probate court; mothers pensions; Michigan; judicial authority; juvenile courts; discretion; poor relief practices, 5349
psychopathy; violence risk assessment; youth; forensic evaluations; juvenile justice, 16657
psychopharmacologic treatment; juvenile offenders; juvenile justice; aggression; violence; conduct disorder, 17028
research guidelines; juvenile justice; child forensic interviews; age differences; crimes; special needs, 15567
restorative justice; criminal justice; practitioners; researchers; developed countries, 24535
restorative justice; juvenile justice; civil society; jurisdictions; psychology; social work; law; criminology, 24514
sentencing outcomes; prison time; juveniles; criminal court; rural areas, 12401
sexual abuse victimization; involvement in juvenile justice system; at risk populations; young women, 23190
special education students; health care services; juvenile court systems; program evaluation, 18120
status offenders; juvenile court; ethnicity; gender; global risk indicators, 4521
suicide risk; juvenile justice intake; suicidal behaviors; violent offenders; substance disorder, 26073
victim evaluations; restorative justice; crime victims, 24537
William H. Rehnquist award; juvenile courts; judicial honor; judges, 3067

Juvenile Justice—Books

Forensic mental health assessment of children and adolescents, 33715
Young people and crime: Improving provision for children who offend, 32404

Kainic Acid—Serials

antioxidant vineatrol; kainic acid induced seizures; oxidative stress; heat shock proteins; rats, 13020
behavioral change; hippocampal changes; schizophrenia; prenatal invasive interventions; kainic acid; motor behavior; cognitive behavior; social behavior; rats, 31300
kainic acid administration; oxytocinergic neurons; glutamate receptors; N methyl D aspartate receptors; immunohistochemistry, 22328

Karate [See Martial Arts]

Karyotype Disorders [See Chromosome Disorders]

Ketamine—Serials

ketamine anesthesia; word recall; electroconvulsive therapies; etomidate; major depression; short term memory, 29702
ketamine dependence; ketamine misuse; discontinuation; detoxification treatment, 29035
ketamine effect; locomotion; cognitive function; central neuronal activity; sensorimotor gating; working memory; dose response characteristics; light dark cycle, 34215
ketamine; anesthesia; ECT; antidepressant effects; major depression, 5063
low dose ketamine; pathophysiology; fibromyalgia; N-methyl-D-aspartate, 35228
N-methyl-D-aspartate receptor; antagonist ketamine; task switching performance; executive control impairments; glutamate system; schizophrenia symptoms; animal behavior, 34224
neuropathological findings; intrathecal administration; ketamine; neuropathic cancer pain; pain management, 32973
neuropathological findings; intrathecal administration; ketamine; neuropathic cancer pain; pain management, 32993
receptor antagonist; ketamine; rats; mice; phencyclidine; psychotomimetic effects; stereotypes, 22192
subanesthetic ketamine; physiology; human behavior; anesthesia; analgesia; drug dosages; safety profile, 674

Keyboards—Serials

neural control; reversed piano; cortical organization; male musician; musical functions; sensory cortex; piano keyboard; temporal sulcus; left dominance; music perception; right dominance, 34095

Kibbutz—Serials

cooperative behavior; ingroup outgroup bias; city residents; Israeli kibbutz members; kibbutz socialization, 34686
emotion states; narrative co-construction; kibbutz children; mother child dyads; metapelet child dyads; female caregiver, 16116
thinking groups; collective identity; Israeli Kibbutzim, 28569

Kidnapping—Serials

AMBER alert system; missing children; psychological research; memory; witness identification, 36648
child abduction; parents distress; social support; family; mother; father, 23195
preliminary evaluation; behavioral skills training procedures; teaching abduction prevention skills; school children, 18154

Kidney Diseases—Serials

diabetic body self; diabetes; assumptions; effective treatment; practitioner patient relationship; physical illnesses, 8035
end stage renal disease; life transitions; patients lives; patients survival; disorder coping; nephrology; dialysis; transplant treatment; treatment course; suffering, 1679
end-stage renal disease; Patient and Staff Symposium, 33000
mental adjustment; coping strategies; psychological distress; end stage renal disease patients, 14120
obstructive uropathy; vesicoureteral reflux; neonates; hydronephrosis; renal damage, 23290
prenatal diagnosis; fetal hydronephrosis; neonatal development; pregnancy; renin angiotensin system, 23335
renal dysfunction; anorexia nervosa; risk factors; restricting type; laxative abuse; self induced vomiting, 35163
sociocultural factors; hospitals; lenth of stay; nephrotic syndrome; Japan; health insurance, 35943
treatment withdrawal; depression; renal dialysis; dialysis withdrawal; end-stage renal disease, 17578
young couples; life experiences; renal failure; renal transplant; health issues; chronic illness; clinical practitioners, 4917

Kidney Transplants [See Organ Transplantation]

Kidneys—Serials

neuropsychological function; renal effects; dental amalgam; children; mercury exposure; intelligence quotient; safety; neurobehavioral effects, 20689
sexuality; pancreas; kidney transplant; health; quality of life; organ transplantation; sexual function; sexual self esteem, 20687
sexuality; pancreas; kidney transplant; health; quality of life; organ transplantation; sexual function; sexual self esteem, 20697
sexuality; pancreas; kidney transplant; health; quality of life; organ transplantation; sexual function; sexual self esteem, 20683
sexuality; pancreas; kidney transplant; health; quality of life; organ transplantation; sexual function; sexual self esteem, 20698

Kinases—Serials

absence of neuroleptic malignant syndrome; elevation of serum creatine kinase; quetiapine, 14497
Alzheimers disease; GSK3; tau phosphorylation; metals; proteins; glycogen synthase kinase, 32628
behavioral plasticity; memory impairment; memory reconsolidation; amygdala; protein kinases A; rats, 22345
calcium calmodulin dependent protein kinase; brain region specific changes; chronic morphine treatment; neuroplasticity; mouse brain, 3692
creatine kinase; mirtazapine treatment; bipolar disorder; quetiapine, 26692
haplotypes; chromosome 16; protein kinase c-beta gene; autism, 7921
inositol; triphosphate kinases; gene expression; olfactory reception; drosophila melanogaster, 24976
kinase pathway defects; cognitive deficits; Alzheimer disease; dendritic spines; mental retardation; mutation; morphogenesis; amyloid; protein; hippocampal neurons, 22270
long-term potentiation; serum & glucocorticoid inducible kinase gene; hippocampal neurons; long-term memory formation; neuronal plasticity; SGK phosphorylation; rats, 18984
memory reactivation; behavioral expression; extracellular signal regulated kinase phosphorylation; rat prefrontal cortex; amygdala, 15781

metabolites; protopanaxadiol type saponins; axonal regenerative factor; teneurin 2; phosphatidylinositol 3-kinase; ginseng, 24974
mitogen activated protein kinase; amygdala; forced swim rats; immobility; maternal deprivation, 34046
mitogen activated protein kinase; kinase signalling; memory stabilization; neurons; gene expression; brain plasticity, 25004
neuronal activators; Alzheimers disease; neurodegeneration; genetic susceptibility; genetic etiology; cyclin dependent kinase, 1807
phosphatidylinositol kinase signaling; contextual memory; memory retrieval; memory extinction; mice; hippocampus, 3675
phosphorylation; rat frontal cortex; Extracellular Signal-Regulated Kinase; rat behavior; MK-801; Methyl Ethyl Ketone, 31274
progestin receptors; role; mitogen activated protein kinases; opioid receptor agonist; female reproductive behaviors; ovariectomized rats, 15956
rat frontal cortex; hippocampus; cerebellum; GSK-3beta phosphorylation; Ser473-Akt; Ser133-CREB; Ser9-GSK-3beta; MK-801; adaptor protein; Ser33-beta-catenin; schizophrenia, 6828
spatial memory maintenance; atypical protein kinase C; protein kinase Mzeta; spatial information; long-term potentiation; memory storage; spatial memory; hippocampus, 34112
Taiwanese population; nucleotide polymorphisms; schizophrenia; protein kinase; AKT1, 13782
Target of Rapamycin protein; serine-threonine kinase; cell-cycle progression; energy status; food intake; hypothalamus, 22249
XK gene; McLeod Syndrome; neuropsychiatric disorder; novel mutation; chorea; behavioral disturbance; creatine kinase, 11137

Kindergarten Students—Serials

academic achievement; kindergarten students; mathematics achievement; reading ability, 27230
cultural congruence; young aboriginal students; ethical implications; classroom researchers; student interaction patterns; peer relations; teacher expectations, 9005
energent literacy; storybook reading; animated stories; media; vocabulary; multimedia stories; kindergarten children at risk; narrative comprehension; language skills, 21162
English vocabulary development; bilingual kindergartners; language learners; vocabulary skills; growth rates; receptive vocabulary; expressive vocabulary, 19201
kindergarten childrens; written number symbols; number comprehension, 13164
kindergarten classroom; lowest performing students; english learner; phonological awareness skills, 33441
kindergarten literacy achievement; integrated learning system; kindergarten emergent reading skills; listening comprehension; phonological awareness; print concepts knowledge, 8891
kindergarten students; cardiovascular risk; parent education; diet; family physical activity; program evaluation, 11498
kindergarten students; first grade students; core reading programs; phonemic awareness; learning strategies; No Child Left Behind; phonemics, 2670
language impairments; school functioning; academic difficulties; urban kindergartners; behavior problems; African American, 25312
motor function; social participation; kindergarten children; individual differences, 19122
prereading intervention; literacy; social skills; kindergarten children; reading skills; social behavior; behavioral disorders; reading difficulties, 2669
reading disabilities; small-group intervention; kindergarten; first-grade; at-risk children, 18143
school based kindergarten transition policies & practices; child academic outcomes; children; academic achievement scores; family socioeconomic status; demographic factors; parent involvement, 5673
student conversation; computer based technology classroom; kindergarten students, 5829
supplemental reading instruction; tutoring; kindergarten, phonics; paraeducators; reading difficulties; at risk students; code oriented instruction, 30294
teacher student relation; conflictual relationships; kindergarten students, 12032
teachers' self report; pedagogical practices; socially inhibited; average children; hyperactive children; kindergartners, 21161
theory of mind; attention; executive function; false belief; kindergarten boys; teacher ratings, 28247
transition to kindergarten; student behavior; transition supports; problem behavior, 9010
Voyager Universal Literacy System; kindergarten students; inner city schools; educational program evaluation; beginning readers; early reading skills, 21138

Kindergartens—Serials

children literacy achievements; family factors; kindergarten; school; language skills; family measures, 5790
classroom environment; kindergarten; family environment; social problems; behavioral problems; resiliency; children's self control; children's behavior, 5821
conceptual and procedural knowledge; counting; kindergarten; grade 1; grade 2; mathematics, 18052
disruptive behaviors; kindergarten; high school diploma; parental attitudes; teacher management style; educational achievement, 7098
early education; educational inclusion; Poland; educational integration; kindergartens; special needs, 33482
kindergarten behavior; uninhibited temperament; inhibited temperament; classroom behaviors; risk factors; infant temperament, 12038
kindergarten classroom; lowest performing students; english learner; phonological awareness skills, 33441
kindergarten teachers; perceptions; attitudes; language & literacy development; language intervention; speech language pathologist, 15023
kindergarten; third grade; reading disability; reading achievement; intervention, 12094
number sense growth; mathematics difficulties; reading skill; mathematical performance; income status, 13135
nutrition messages; childrens food choice; kindergarteners, 16058
poor achievement; early grade school; kindergarten scores; cognitive tasks; academic areas; childhood development, 18063
school readiness; social prerequisites; social school entry tasks; kindergarten classrooms, 18085
self explanation effect; addition problems; encoding; kindergartners; children, 10035
self explanation; encoding; kindergartners; experts strategy; learning, 11978
teacher judgments; language skills; children; kindergartens; language impairments; speech therapy; literacy; educational attainment, 30260
teachers' directions; preschool & kindergarten classrooms; high probability command sequence; student compliance, 8984
within-class ability grouping; kindergarten; individual differences; academic achievement; reading growth, 33407

Kindling—Serials

conditioned effects; kindling; hippocampus; rats; perirhinal cortex; defensive behavior; conditioning, 9781
pentylenetetrazol kindling; thioperamide; learning deficits; memory deficits; donepezil; histamine H 3 antagonists, 15971
secretin; kindling; seizures; neurons; brain; antiepileptic; rats, 31307

Kinesics [See Body Language]

Kinesthetic Perception—Serials

ethanol; handwriting; kinaesthetic perception; psychomotor performance; distance estimation, 6865
haptic augmentation; science instruction; touch; science inquiry program; viruses; nanoscale science; students; learning; engagement; computer visualizations; kinesthetic feedback; attitudes, 18023
oral kinesthetic deficit; adults; hypothesis; chronic developmental stuttering, 23283
proprioceptive acuity; ipsilateral position matching; velocity discrimination, 3553
visual perception; self motion; postural parameters; spatial characteristics; temporal characteristics; postural kinematics, 22381

Kinship—Serials

child welfare system; private kinship care; families; private caregivers, 33106
constructing families; kinship; donor insemination; parent child relationships; social construction; genetic connection; social ties, 22666
divorce; remarriage; kin; intergenerational responsibilities; parent-child relationships; stepparent-stepchild relationships; reciprocity, 34574
evolutionary psychology; close relationship model; helping behavior; genetics; emotional closeness; relationship factors, 16456
filial piety; kinship; public care; government; elder care; parents, 35855
genetic inheritance; biomedicine; lived experience; American society; cultural meanings; disease etiology; family medical history narratives; kinship; choice; memory, 3516
Greek women; Britain; ethnic identity; cultural values; multiculturalism; kinship networks; social capital; family relations, 34527
Japanese macaques; agonistic confrontations; kinship; rank, 22103
Kinship Algebra Expert System; software implementation; cultural theory; algebraic model, 15329
kinship; computing; anthropology; genealogical software; software tools, 15327
mate fidelity; intra-lineage polygyny; greater horseshoe bats; kinship; social group cohesiveness; mating behaviors, 496
parenting practices; kinship support; academic adjustment; African American teens; European American teens, 34425
resemblance judgments; genetic relatedness; family relationship; kinship recognition; phenotype matching; facial features; belief effects, 1148
social support; race; kin versus friends; racial differences; well being, 34655
troop fission; ring-tailed Lemurs; Lemur catta; fission process; troop females; birth season; home range; adult females; matrilineal lines, 22088
type 2 diabetes mellitus; genetics; kinship; biomedicine; epistemology, 4608
type 2 diabetes mellitus; genetics; kinship; biomedicine; epistemology, 4668

Kinship Recognition—Serials

leaf cutter ant species; nestmate recognition; odor cues; cuticular hydrocarbons, 18890
nestmate recognition cues; stingless bee, 9671
resemblance judgments; genetic relatedness; family relationship; kinship recognition; phenotype matching; facial features; belief effects, 1148
scent-based kin discrimination; familiarity; family groups; black rock skinks; social lizards, 24937

Kinship Structure—Serials

disasters; mental health services; planning and delivery; preparedness; psychosocial support; kinship based cultures, 29844
family development; beanpole kin structure; intergenerational ties; family structure; family networks, 28445
family; meanings; kinship networks; ethnography; minority ethnic families, 22601

Kirton Adaption Innovation Inventory—Serials

national personality characteristics; cross cultural differences, 7507

Kleine Levin Syndrome—Serials

Kleine-Levin Syndrome; hypersomnia; head injury, 35148

Kleptomania—Serials

kleptomania; diagnosis; treatment; cognitive behavioral therapy; psychiatry; symptoms; stealing; serotonin reuptake inhibitors, 32213
kleptomania; treatment; obsessive compulsive spectrum disorder; models, 32067

Knee—Serials

anterior knee pain; synchronization of motor unit action potentials; motor unit synchronization, 1693
exercise therapy; cost effectiveness; home exercise programs; treatment; knee pain, 1709
randomized controlled trial; maternal hand knee positioning; occipitoposterior position; childbirth labor, 23756

Knowledge Based Systems [See Expert Systems]

Knowledge Engineering—Serials

expert systems development; design process; knowledge engineer's conception, 21535
expert systems; knowledge engineering; neural networks; journal; scientific communication, 17846
hypertext based diagnosis system; navigation tools; expert systems; diagnostic system; knowledge representation, 6139
understanding complex behavior; decision making; ethnographic knowledge elicitation tools; anthropological fieldwork, 15325
web lying; input modification; web based applications; knowledge base modification; expert systems; sequential information; input distortion, 15326

Knowledge Level [See Also Health Knowledge, Job Knowledge]—Serials

abstract knowledge; concrete knowledge; bilingual patient; semantic refractory access dysphasia; cerebral artery stroke; semantic association; comprehension, 26386
adolescent child molesters; sexual knowledge; empathy, 35073
adolescent females; sexually transmitted infections; diagnosis; prevention; treatment; STI knowledge, 14114

adolescents knowledge; attitudes; demographic characteristics; sexual experience; risk behaviors, 13223
adolescents text processing; adolescents text reasoning; adolescents learning; historical issue; multiple information source, 10088
age differences; creativity tasks; task structure; students knowledge base, 7028
age; chess; mitigation; threat; check; pattern recognition; anticipation; expertise; skill; knowledge activation; novice & intermediate & expert chess players; age differences, 22465
alcoholic drink content; perceptions of harm; alcohol-related harm; knowledge level; college students; risk perception; beer; wine; premixed alcopops, 1094
arithmetic inversion; arithmetic associativity; knowledge level; conceptual development; associativity, 31421
ASHA convention; clinical methods; speech language pathologists; speech-language pathology, 11726
attitude behavior consistency; attitudes; social behavior; attitude relevant knowledge; attitude complexity; knowledge amount, 19454
attitudes toward ECT; health professional attitudes; biased attitudes; methodological issues; ECT knowledge, 11421
automatic & effortful processing; self statements; depression; cognitive processes; negative knowledge structures, 28865
branding strategies; marketing communication; perceived brand meaning; parent brand; consumer knowledge; consumer attitude, 3019
category learning & dimensionality; concepts; error-driven learning; unsupervised learning; feature knowledge; family resemblance, 15717
category learning; strategy change; task difficulty; selective attention; error driven learning; knowledge restructuring, 3422
certified athletic trainers; knowledge; perception; professional preparation; eating disorders; athletes, 35168
children's nursing perspective; children's nurse educators; nurses' knowledge; spirituality; educational practice; nursing curriculum, 5550
children; long term memory; knowledge; repeated questioning; autobiographical memory; pediatric examination; recall accuracy; age differences, 16125
childrens understanding; scientific knowledge; earth representations, 22483
client attitudes; health seeking behaviors; knowledge level; cancer prevention; cancer screening; treatment; immigrant minorities, 17230
clinical psychology education; clinical psychologists; clinical knowledge; clinical practice ability; performance; personality & emotional adjustment, 2507
cognitive assessment; learners; knowledge structures; schema; problem solving; arithmetic; memory; expertise, 16111
cognitive control; neural mechanisms; Stroop Task; Stroop effect; neural network model; conceptual knowledge, 15873
college faculty; image management; self-justification; escalation of commitment; knowledge development; marketing academicians, 30252
computer based instructional package; eating disorders; knowledge level; students attitudes; interactivity conditions; educational program evaluation, 21147
conceptual and procedural knowledge; counting; kindergarten; grade 1; grade 2; mathematics, 18052
conceptual complexity; construct validity; scientific knowledge; psychosocial measurement, 6280
conceptual complexity; construct validity; scientific knowledge; psychosocial measurement, 6277
conceptual complexity; construct validity; scientific knowledge; psychosocial measurement, 6273
conceptual complexity; construct validity; scientific knowledge; psychosocial measurement, 6281
conceptual development; intuitive physics; representational redescription; U shaped growth; children's reasoning; implicit knowledge; ability; trends; block balancing, 7005
consumer calibration; friends knowledge; cognitive biases, 21468
continuous improvement; knowledge perspective; Knowledge Structure Mapping, 6124
conventional mathematical knowledge; teacher math talk; teacher speech; early math development; preschool mathematics; teacher input; number skills, 11932
convergent thinking; divergent thinking; creativity; knowledge, 33960
critical incidents; multicultural training; graduate students; examination; student experience, 33245
culture; self-knowledge; self understanding; narrative; child development, 34337
decision making; design project; knowledge level, 15203
disaster management; cultural heritage; knowledge; perception; New South Wales; rural fire service brigade captains, 33652
divergent thinking; tests; test scores; domain-specific knowledge; enhancement; creativity, 33976
doctor perceptions; doctor knowledge; doctor attitudes; drug abuse; drug education; drug rehabilitation, 11789
domain specific knowledge; serial order; neurophysiologic research; interacting factors; Bayesian decision theory, 9571
drug costs; hospitals; doctors; knowledge; primary care; drug prescription; awareness, 26762
drug dependence; Internet; residential treatment program; controlled substances; drug dealer; knowledge, 23159
emotion knowledge skills; low income elementary school children; social status; peer experiences, 8999
encoding; mode of retrieval; sequence learning; processing; knowledge acquisition; implicit learning; automaticity; mode of acquisition, 12779
English; student teachers; knowledge; attitudes; primary classrooms; teachers education; values; professional identity, 30258
expertise development; knowledge management; organizational learning; organizational practices, 18302
expertise effects; creative problem solving; Chinese GO players, 18793
expertise reversal effects; computer based environment; electrical circuit; knowledge level; learning environments, 24200
family education; intervention; ethnic minorities; type 1 diabetes; health outcomes; knowledge; metabolic control, 11514
family skills; psychiatry residents; core competency; knowledge level; student attitudes, 17854
financial knowledge; low income population; financial education program; financial management, 35904
financial literacy; black college students; race; gender; age; parental educational level, 1240
fluid intelligence; crystallized intelligence; adult learning; personality; interests; domain knowledge; independent learning; self-concept; financial issues, 19602
food consumption; environmental awareness; ecology effects; economic effects; environmental knowledge; environmental attitudes; environmental behaviors; Internet-based simulation game, 9226
general knowledge; ability; IQ; abstract reasoning; personality, 31849
general practitioners; knowledge; symptoms; epidemiology; schizophrenia; general practitioners' characteristics, 30141
globalization; psychology of work; changing workplace; technology and workers; applied psychologists; knowledge, 30122
health care providers' knowledge; trichotillomania; treatment process, 17839
health disparities; knowledge development; race; ethnicity, 11181
health literacy; social support; Medicare enrollees; managed care plan, 33064
higher knowledge; higher aspirations; human resource professional, 15143
HIV knowledge; sexual risk behaviors; street children; Ghana; sexual experiences, 31508
inconsistent knowledge; Web navigation; Web site content; Web site design, 12328
indigenous knowledge; multicultural discourse; racist backlash; epistemological aspects; cross cultural situations; political institutions, 33340
indigenous local knowledge; geographical information systems; marine protected areas; designing; socioecological behavior; artisanal fisheries, 33651
individual engagement; knowledge sharing; Knowledge management systems; employees; organizational commitment; job autonomy; perceptions, 27371
infants' knowledge; occlusion; containment; cognitive abilities; reasoning; decalages, 16103
inference based knowledge; syllogistical inferential knowledge; childrens ability; childhood development, 28298
information retrieval; transactive memory systems; organizational work teams; communication; knowledge levels perceptions, 6885
informed consent; longitudinal studies; participants limited understanding; knowledge level, 11808
informing parents; anesthesia; children's surgery; test reliability; test validity; parental knowledge; need for information; anxiety, 11474
innovation processes; markets; fallible knowledge; simulation model; consumer knowledge, 3020
intelligence; belief in paranormal; knowledge of probability; aging, 16235
Internet use; international engagement; electronic communication systems; international political knowledge; international participation, 25186
intuitive knowledge; physics; pendulum; cognitive development; children; imagery; task-specific knowledge; pendulum motion law; task conditions; judgment; perception, 781
Israelis students attitudes; disengagement plan; perceived risk; biblical events knowledge, 10252
Journal of College Counseling; publishing; college counseling knowledge; Professional Issues & Innovative Practice sections; manuscripts; counselors, 21292
knowledge acquisition; hypervideo design; learning; knowledge transforming processes, 36287
knowledge activation framework; lay personality knowledge; dispositional judgments; thinking, 13506
knowledge construction; role assignment; asynchronous discussion groups; computer supported collaborative learning; multilevel analysis, 8848
knowledge construction; teacher community; enquiry; school university partnerships; teachers; professional knowledge; collaborative learning environment, 24176
knowledge embeddedness; creation of synergies; strategic alliances; theoretical model, 6883
knowledge gaps; Hewlett foundation; conflict; intervention, 9296
knowledge gaps; school staff; high quality ecological assessments; schools, 2604
knowledge integration; management methods; teams, 24325
knowledge level; knowledge sharing; databases; management methods; organizational behavior, 24333
knowledge level; language proficiency; reading tests; background knowledge, 12547
knowledge level; performance; multinational subsidiaries; human capital; multinational companies, 27367
knowledge management; management implementation; technology, 12180
knowledge sharing; social networks; organizations; multiple networks; multiple phases; work teams, 12232
knowledge tracing; noisy environment; student reading proficiencies; speech recognition; students knowledge; letter to sound mappings; student performance, 33674
knowledge work; educational attainment level; information technology; informational labor process, 12134
knowledge workers; policing; network; police organizations; criminal investigation; police informants; political policing; counterterrorism, 15371
knowledge; interest; academic development; academic achievement; domain knowledge; learning, 11995
knowledge; perception; action; cognitive representations; objects; sequential action; object recognition, 18806
knowledge; readers; native language; construction needs; sentential contexts; priming; sentence processing, 21932
knowledge; skill; ability statements; licensure developing; certification examinations; test development; job task, 36087
knowledge; skill; ability statements; licensure developing; certification examinations; test development; job task, 36068
large-scale environmental knowledge; self-reported environments; objective environments; physical environments; environmental perception; geographic information system, 9229
learning to cook; production learning environment; kitchens; knowledge construction & skill; experience; chefs, 33558
level of knowledge; diabetes management; low-income persons; diabetes education; intervention, 11510
literacy experience; preliteracy knowledge; environmental factors; school based literacy; children; twin pairs; genetic mediation, 9772
long cane components; visual impairment; clients knowledge; clients preferences, 11138
long term care; death and dying; rural healthcare environments; knowledge level; end-of-life care; nurses; nurses' aides, 30090
managing learning design; higher education environment; institutional strategies; IMS Learning Design, 11919
medical decision making; expertise; risk perception; decision threshold; fuzzy trace theory; physicians, 33284

memory impairment; patients; Alzheimer's disease; cognitive impairment unawareness; etiology; symptoms, 14234
mental health nursing crisis; third level worker; professional skills; professional knowledge, 20958
mental representations; engineering students; expertise acquisition; functionality role; knowledge changes, 15732
midwives; knowledge level; attitudes; hypnosis; hospitals; hypnotherapy service, 27086
mothers' perception; fathers' perception; work to family spillover; preadolescents; children; parental knowledge level; daily lives, 13354
multiple categories; property prediction; binary choice judgment; probability rating; knowledge level, 3235
naive biology; knowledge about inheritance; borderline mental retardation; elementary school age; conceptual development, 7963
narratives; suicide; psychological autopsy; lay knowledge; understanding; mental disorder, 27512
nature experience; environmental knowledge; values; action; nature experience; environment, 36152
newspapers; news discourse; English language; journalists' knowledge; text presupposition; ideology; cognitive effect; processing efforts; Ethiopia, 16049
nursing students knowledge ties; individualization; professional learning; commitment; Knorr Cetina's theory; social integration; student identity formation, 8765
open source communities; technology; virtual learning, 24493
oral language; reading competence; school transition; vocabulary knowledge; comprehensive language; grammar; semantics; word recognition; early reading skill; emergent literacy; language, 5809
oral language; school transition; vocabulary knowledge; grammar; semantics; word recognition; code related precursors; early literacy; reading development; preschool children; young schoolchildren, 5793
organizational knowledge; learning, 24405
overconfidence; highly educated males; investments; certainty, 16516
pain; case studies; clinical knowledge, 14560
partial knowledge; abstract words; conceptual knowledge; semantic dementia; Alzheimer's disease; cortical degenerative conditions, 29253
partner knowledge; dating relationship; passion; idealization; cognitive organization, 19515
patient care; student nurses theoretical knowledge; nurses education, 24060
perceived performance; expert endorsements; celebrity endorsements; consumer risk perceptions; product technology orientation; internalization; identification; consumer knowledge, 33617
personality judgment; judgment accuracy; realistic accuracy; information quantity; information quality; interaction, 28605
personality; intelligence; general knowledge; psychometrics; Big Five Personality Inventory; fluid intelligence, 16536
phonological knowledge; atypical speech sound development; acoustics; perceptual characteristics, 6488
political knowledge; campaign sponsorship; party attacks; candidate attaks; candidate evaluations, 10335
potpourri issue; historical context; knowledge domains; democratic nations, 6214
practice wisdom; evidence based practice; service user contribution; knowledge based practice; medical & social care practitioners; research objectivity; evidence hieracrchies; systematic reviews, 17888
preschoolers; physical knowledge; sinking objects; learning; mistaken beliefs, 7001
principal attitudes; teacher attitudes; inclusive education; background characteristics, 36199
prior knowledge effects; memory; suggestibility; kindergarten students; elementary school students, 6990
prior knowledge; written genres; examination settings, 8969
process-tracing techniques; verbal reports; eye tracking; problem solving; knowledge elicitation, 6553
professional ethics; politics; action research practice; human interdependency; cogeneration of knowledge; fairer power relations, 17915
professional ethics; power; community campus partnership; action research; community-based participatory research; participatory evaluation; research ethics; social relations and research, 17905
professional knowledge; alternative medicine; medical doctors; complementary medicine; competencies; legitimacy claims, 33302
profound knowledge; choice theory; management style; intrinsic motivation, 20393
prosodic knowledge; word recognition; newly acquired words; monosyllabic words, 25175
public knowledge; schizophrenia; treatment; causes; health knowledge, 32166
qualitative research; researchers; knowledge; transactional validity, 27698
qualitative studies; schism; health research; knowledge level; food risks; alternative medicine, 219
reading habits; reading comprehension; memory beliefs; older adults' knowledge; Medicare; health insurance, 14583
sampling knowledge; understanding; academic tests; test construction; textbooks; test reliability; educational measurement, 33850
schema consistency; contradictory misinformation; additive misinformation; false memory; photographs; stimulus typicality, 27912
school psychologists; knowledge; training; child psychopharmacology, 20990
schoolchildren potential; health change agents; health education; rural community; health communication training, 8501
scientist farmer collaboration; biological knowledge, 405
scores; Verbal & Quantitative Tests; Graduate Record Examinations; grade point average; knowledge level; personal development; counseling skills; counselor education; admission criteria, 2524
self deception; high risk sexual behavior; HIV; AIDS; Northern Kenya, 13416
sexual antimonies; parent/child sex education; children's sexual knowledge; sexual information, 19383
single adults; homeless shelters; counselors knowledge; social action, 33241
social cognition; age related goals; knowledge; adaptive aspects, 28335
social representations; social context; organ donation; transplantation, 4180
spatial transformations; iconic gestures; spatial working memory; spatial reasoning; inference; journeyman forecasters; visuospatial domains; meteorologists; experts; neuroscience researchers, 18864
specific numeracy educational program; kindergarten children; numerical skills; conceptual knowledge; procedural skills; program effectiveness; numerical cognition, 8907
students' knowledge development; subject discipline; quantitative methods; qualitative methods; multilevel analysis; students' mathematical explanations, 210
sum-difference theory; remember-know paradigm; recognition memory; signal detection models; receiver operating characteristic curves; item recognition; memory models; recollection; familiarity, 24857
sum-difference theory; remembering; knowing; remember-know paradigm; recognition memory; signal detection models; receiver operating characteristic curves; item recognition; STREAK; TODAM, 24862
supplemental healthcare plans; gender differences; health insurance; knowledge level; financial learning, 2260
tacit knowledge; multidimensional model; academic tacit knowledge; Academic Tacit Knowledge Scale; domain specificity, 9434
teacher education; literacy; professional knowledge; student learning outcomes; classroom research, 30244
teacher knowledge construction; collaborative knowledge construction; learning environment, 24169
teacher knowledge; physical education; teachers understandings; professional development; teachers attitude, 24164
teacher quality; content knowledge; pedagogical knowledge; alternative teacher-certification programs; underperforming schools; principals; teachers, 8883
teachers knowledge; epilepsy; students; teacher attitudes, 17969
teachers management knowledge; classroom management; teaching effectiveness; physical education teachers; teacher development, 2613
teachers perceptions; teaching; learning; knowledge building community; professional development, 36185
team mental models; knowledge structures; team ability; team training; team performance, 24286
team training; geographically distributed teams; computer-assisted training proficiency; knowledge transfer, 24389
testing effect; negative suggestion effect; false memory; multiple choice testing; knowledge, 139
tip of the tongue states; states resolution; incubation period, 3359

understanding complex behavior; decision making; ethnographic knowledge elicitation tools; anthropological fieldwork, 15325
understanding level; eighth grade students; science student teachers; chemistry concepts; science education, 2690
understanding; numerical magnitudes; math ability; estimation skills; knowledge; children ability, 28226
university students; child maltreatment; careers; academic disciplines; mandated reporting; knowledge; understanding, 26062
utterances; eye tracking; scene processing; eye movements; sentence ambiguity; linguistics; world knowledge, 27779
video gaming; youth hockey players; concussion knowledge acquisition; video game; gaming activity, 25331
virtual fetal pig dissection; females high school biology students; learning tool; virtual lab experience; knowledge acquisition, 11940
voice; mutual construction; learning transfer; ecological perspective; group work training; teaching, 36075
wobbly handrail; wooden handrail; differentiation; safety; effectiveness; material properties; infants' behavior, 6980
working memory; children; English language; Spanish language; vocabulary; knowledge, 6957
written information; HIV testing; patient knowledge; test uptake; verbal communication, 26789
yes/no test; vocabulary knowledge; scoring methods; university students; vocabulary levels test, 12548

Knowledge Level [See Also Health Knowledge, Job Knowledge]—Books

Children's thinking about cultural universals, 34373

Knowledge Level [See Also Health Knowledge, Job Knowledge]—Chapters

Experience, Expertise, and Decision Bias in Negotiation: The Role of Strategic Conceptualization, 12144

Knowledge Management—Serials

Americans with Disabilities Act; visual impairment; equal employment opportunity; employment discrimination; knowledge management; settlement benefits, 4859
asynchronous learning networks; online work; knowledge building; collaborative inquiry; teacher education, 18041
complexity theory; information research; dynamics; information management, 36588
customer relationship management; hotel operations; information & communication technology; knowledge management; relationship marketing, 6097
expertise development; knowledge management; organizational learning; organizational practices, 18302
fuzzy sliding mode control; decoupling; computational controller; rule adaptation; nonlinear systems; robot; uncertainty, 33679
grounded theory; qualitative research methods; knowledge management; knowledge work; academic research management; knowledge-based view of organizations; grounded theory approach, 24707
Hungarian space research; knowledge management; Rosetta mission, 36485
job support tools; workgroup performance; complex tasks; knowledge based job support tools, 5927
knowledge communities; community-of-practice; knowledge collectives; collectivity-of-practice; organizational behavior; shared understanding; knowledge exchange, 9141
knowledge exchange; human resource practices; high technology firms; organizational climate; firm sales growth, 30464
knowledge management role; innovation process; organizational learning; organizational effectiveness; organizational creativity; innovation, 21399
knowledge management technology; value shop; police investigation performance; information technology; organizational performance; police officers, 33678
knowledge management; management implementation; technology, 12180
knowledge management; space industry; aerospace organizations; technology, 36489
knowledge management; tourism, 24424
organizational controls; knowledge management processes; knowledge attributes, 15211
perceived value; expert knowledge; intellectual capital; struggle; knowledge-intensive organization; members; communicative processes; Bourdieu's notion of symbolic capital, 2914
qualitative research synthesis; actionable knowledge base; management research; evidence based reviews, 18637
tacit knowledge; leverage; information technology, 27309

telecommunications equipment manufacturing industry; knowledge creation; external venturing; investments; innovation, 36450
Knowledge of Results—Serials
action learning; intention; observed behaviour; motor learning, 15631
medical results delivery; health care services; health care delivery; client attitudes; genitourinary medicine services; London clinics; supply & demand, 23874
Kohlberg (Lawrence)—Serials
medicine faculty students; student attitudes; cheating behavior; Kohlbergs moral development concept; intellectual development, 17898
moral development; cognitive developmental approach; cooperation; moral judgment; pragmatic approach; Lawrence Kohlberg's model; moral decision making; morality, 24556
moral development; cognitive developmental approach; cooperation; moral judgment; pragmatic approach; Lawrence Kohlberg's model; moral decision making; morality, 24553
moral reasoning; Kohlberg; Gilligan; developmental morality; stage theory, 31882
Kohs Block Design Test—Serials
visuoconstructional ability; posttraumatic stress disorder; ethnic background; risk factors; control group; block design test, 16795
Korean Cultural Groups—Serials
Acculturation Scale; Korean American college students; student attitudes; cross cultural differences, 24592
caring self; self esteem; pastoral care; religious education; Korean American women; individuality, 25429
confucianism; self development; Korean American women; psychological health; women; societal attribution, 25536
cultures; Korean American cultural identification; theology; cross cultural psychology, 25471
developing cultural competence; family roles; cultural values; family structure; Korean immigrant families, 16314
grief ministry; death; Korea; cultural differences; funeral narratives; United States, 25470
Korean Americans; cognitive behavior therapy; diagnoses; psychotherapy; mental health service underutilization, 29359
male homosexuality; modern Korea; ancient history; views, 16409
parental acceptance rejection; theory; parental behavioral control; Korean American families; affection reports; aggressiveness, 1003
physical violence; marital relationships; first generation Korean Americans; demographic characteristics; perceptual measures, 34954
professional counseling services; attitudes; help seeking; educational differences; gender differences; adult Korean Americans; income differences, 1987
sociocultural context; Korean men; smoking behavior; cigarette smokers; smoking cessation strategies; immigrants, 4106
sociocultural context; Korean men; smoking behavior; cigarette smokers; smoking cessation strategies; immigrants, 4103
Korean Cultural Groups—Books
Asian Americans in class: Charting the achievement gap among Korean American youth, 30329
Korsakoffs Psychosis—Serials
memory; Korsakoff's syndrome; amnesia; memory rehabilitation; self performed tasks; verbal free recall; verbal recognition; object naming, 11094
temporal order memory; spatial order information; Korsakoff patients; spatiotemporal presentation, 26125
Wernicke-Korsakoff syndrome; vomiting; pregnancy; neurological disorders; pathology; psychosis; ophthalmoplegia; ataxia; impaired consciousness, 20165
Kupfer Detre Self Rating Scale [See Nonprojective Personality Measures]
L Dopa [See Levodopa]
Labeling—Serials
category representations; classification; stimulus, 22025
children labeled as sexually abused; perceiver bias; behavioral problems; aggressive behavior; family history; child gender, 4460
episodic memory; categorical memory; retrieval-induced forgetting; problem solving; thinking; gist-specific retrieval; item-specific retrieval, 24854
HIV; AIDS; Africa; eating plastic; winning the lotto; illness beliefs, 4698
homosexuality perceptions; Turkish university students; gender differences; labels; prior social contact, 25614
interpersonal chemistry; negativity; bonding; negative attitude sharing; interpersonal relationships; closeness, 19482
involuntary status; judgmental descriptors; emotive descriptors; mental health tribunals; clinicians; civil commitment, 5614
label; artifact; creator's label; reasoning; artifact's function; children, 16108
labeling; criminal embeddedness; subsequent delinquency; labeling theory; social networks; stigma, 17011
long term effects; labeling rape experience; rape victims; psychological distress; alcohol use, 23120
media labeling; disability community identity; cultural language; disability terminology; Disability Rights Movement, 16624
mental illness; stigma; explicit attitudes; stereotypes; social perception, 16696
sexual dysfunction; infertility; Indian couples; labeling; gender differences; client attitudes; stigma, 8036
verbal labeling; verbalization; action-effect learning; event representations; action goals, 34360
Labor (Childbirth)—Serials
benzodiazepine compounds; spontaneous labour; blood serum; medication, 15926
cesarean delivery; maternal request; National Institute of Health conference; nulliparous women, 35699
coached pushing; uncoached pushing; three months postpartum; cesarean rates, 35680
demographic factors; social factors; psychological factors; labor pain; child birth; anxiety sensitivity, 15931
epidural analgesia; labor pain; evidence based medicine; cesarean delivery, 14128
healthy birthing care; human development; maternal preoccupation; birthing practitioners, 4886
normal childbirth; interventions; cesarean surgery; labor induction; epidural analgesia; episiotomies, 23753
professional labor support; intrapartum nurses; emotional support, 17587
randomized controlled trial; maternal hand knee positioning; occipitoposterior position; childbirth labor, 23756
Labor Management Relations—Serials
ethnic politics; labor market closure; political economy; shipbuilding industry; industrial decline; Protestant workers; Northern Ireland government, 6024
hard drives; gender stratification; high-tech production; workplace stratification; firm nationality; product characteristics; labor relations, 18298
negative reciprocity; labor market; positive reciprocity; gift exchange; equilibrium, 24315
occupational networking; collegial exchange; contract professionals; workforce flexibility; labor market regulation, 15198
politics; depression; moderators; achievement; POS, 1353
safety; climate, groups; management-employee relations; organizational support; foundation climates; occupational accidents, 24296
trade union learning representatives; employee centred learning opportunities; employee employer relationships, 6034
work arrangements; supervisors; social relations; group relations; peers, 27351
workplace disputes; employment arbitrators; labor arbitrators; jurors; decision making, 18176
Labor Relations [See Labor Management Relations]
Labor Union Members—Serials
trade union learning representatives; employee centred learning opportunities; employee employer relationships, 6034
union membership; academic workers; university workers; service employment; union solidarity & attachment, 2904
Labor Unions—Serials
employee desire; unionized employees; employee characteristics, 18259
employees rights; employer rights; National Labor Relations Act; management prerogatives; organized labor; salting; union organizing; management behaviors, 2793
Nalco Smelter plant; trade unions; organizational climate; political parties; caste; religion; language; social groups, 9122
third party attitudes; labor strike; psychological strain; union; dispute; student perceptions; university faculty, 18204
trade union learning representatives; employee centred learning opportunities; employee employer relationships, 6034
trade unions; discourse of diversity; equal opportunities discourse; organizations; employment discrimination; social groups, 36446
trade unions; employee-employer relationship; union effects; institutional arrangements; bargaining; lay representation; perceptions; workplace management, 2780
union membership; academic workers; university workers; service employment; union solidarity & attachment, 2904
works council; employment change; unionism, 18162
Laboratories (Educational) [See Educational Laboratories]
Laboratories (Experimental) [See Experimental Laboratories]
Laborers (Construction and Industry) [See Blue Collar Workers]
Laborers (Farm) [See Agricultural Workers]
Labyrinth (Anatomy) [See Also Cochlea]—Serials
inner ear; middle ear implant; superparamagnetic iron oxide nanoparticles; auditory function, 22256
Labyrinth (Apparatus) [See Mazes]
Labyrinth Disorders [See Also Motion Sickness]—Serials
lateralised vestibular hypofunction; canal paresis; handedness; ear; auditory function, 20317
virtual reality; grocery store; vestibular dysfunction; physical therapy; computer applications, 23533
Lactation—Serials
galactorrhoea; methadone use; opiate dependence; prolactin, 29988
human breast areolae; scent organs; morphology; maternal neonatal coadaptation; lactation; skin glands; olfactory perception, 19028
maternal deprivation; milk intake; bilaterally facial nerve injury; rats, 22275
rats; Purkinje neurons; pregnancy; lactation; ethanol exposure, 9881
Language [See Also Dialect, Figurative Language, Foreign Languages, Form Classes (Language), Native Language, Phrases, Profanity, Rhetoric, Sentences, Sign Language, Spelling, Vocabulary, Written Language]—Serials
aberrant practice effects; object naming; aphasic patients; language; neurology, 23505
adaptive value; natural language discourse; traits; fitness; computer applications, 27491
age of acquisition effects; word naming; orthographic transparency; phonology mapping; language; reading, 24823
age of acquisition; languages; object naming; word associate generation, 25246
annotations; tutoring; medical students; language; intelligent tutoring systems, 30099
aphasia; language; lexical decisions; cortical plasticity; basal ganglia, 8097
applied linguistics; transitions; definitions; disagreements; English language teaching; communication, 9940
Arabic language; patient education materials; Jordan; primary care, 14601
Attract F; verbal morphology; Kiswahili; verbs; syntax; morphemes; language, 25170
audiology; South Africa; speech-language pathology, 30077
augmentative communication; alternative communication; childrens attitudes; peers; videotapes; formal English; informal English, 13167
Australian language; body part terms; Kuuk Thaayorre; human body; cross linguistic patterns; lexicon; metaphor, 34274
autism; reciprocal imitation skills; language; pretend play; joint attention; early intervention, 29594
autistic children; narrative discourse; scaffolding; coherent interpretations; language; socialpragmatic account, 1594
basic research; social policy process; children; families; policy making; language, 25351
behavioral language intervention; autism; applied verbal behavior; naturalistic teaching approach; terminology; stimulus control; teaching procedures, 29596
behavioural phenotype; Down syndrome; computer; motor skills; chromosome 21, 29140
Bible translation; medicine man talk; missionaries; language expert; San Carlos Apache community; indexical associations; cultural practice; religious practice, 34520
bilingual identity; writers; Borderlands; bilingual graduate program; language; learning, 19080
bilingual; lexical selection; lexical access; language switching; speech production; language suppression, 30982
Black studies; public discourse; higher education, 36157
body part terms; Jahai; lexicon; hunter gatherers; structural properties; semantic properties, 34266

body part terms; Solomon Islands; Papuan language; grammatical properties, 34296
body part terms; words; Tiriyo language; morphology; verbs; adjectives; semantics, 34288
body parts; categorization; Punjabi language; terms; inventory, 34286
body; Neo-Kleinian view; ego; language; Freud; Klein; Winnicott, 28708
brain activation; developmental dyslexia; universal cognitive theories; phonological features, 35141
brain responses; spoken language; developmental dyslexia; subject verb agreement; event related potentials, 23243
Broca's aphasia; neurosyntactic analyses; linguistic performance; syntactic movement, 14183
Broca's aphasia; neurosyntactic analyses; linguistic performance; syntactic movement, 14187
Broca's aphasia; neurosyntactic analyses; linguistic performance; syntactic movement, 14197
Broca's aphasia; neurosyntactic analyses; linguistic performance; syntactic movement, 14204
Broca's aphasia; neurosyntactic analyses; linguistic performance; syntactic movement, 14216
Broca's aphasia; neurosyntactic analyses; linguistic performance; syntactic movement, 14275
case alternations; meaning of predicates; morphosyntactic expression of arguments; swarm class verbs; frame semantic approach; diathesis; event structuring concept; Czech; linking; semantic roles, 6901
cheap talk; language use; linguistic theory; pragmatics; interpersonal interaction, 735
child centered behaviors; caregivers; infants; language development; social communication; infant engagement; gestures, 28307
child language research; clinical forum; treatment; stuttering, 10948
child sexual abuse investigations; emotional language; police officers; child victims; interviewers; gender, 24517
childrens writing skill; Oriya medium schools; socioeconomic status; mother tongue, 8971
Chinese English speaking children; phoneme categorisation; reading performance; second language skills; phonological processing skills; first language skills, 13131
Chinese indefinites; specificity; internal modifier; left peripheral modifier, 34303
code mixing; Chinese-English mixed code; Hong Kong schools; codeswitching; medium of instruction; communication style; bilingualism, 30277
cognitive linguistics; biology; cognition; biosemiotics; physicalism; semoisis; life experiences; autopoiesis, 34279
cognitive process; translation; writing; cognitive levels; second language, 9600
cognitive processing; language tasks; literacy; education; neural activation; Chinese subjects, 15670
collaborative response work; conversation analysis; gender; insulting; membership categorization analysis; multiethnic groups; pre-adolescent boys'; insults; working class; immigrants, 7047
color categories; universal innate representation; cross cultural comparison; color domain; cultural transmission; cross-language agreement; hypotheses; linguistic imprinting, 9935
common language; white feminist phenomenology; indigenous centred approach; self determination; socio cultural dynamics, 1041
communication system; computer simulations; language; neural networks; communication systems; linguistic system; adaptive factors, 3769
communication; cognitive capabilities; communicative behaviors; language evolution, 3739
communicative environment; language; globalization; transidiomatic practices; mobility; linguistics, 3764
communitarian view; language; social behavior, 25587
computer-mediated communication; online communities; youth leadership; civic engagement; adolescents & Internet; gender differences; leadership styles; language use, 22517
confidence scoring; intention recognition; spoken dialogue systems; speech recognition errors; ambiguous user utterances, 16015
consumer responses; English accent variations; international advertising; marketers; purchase intentions, 12281
conversational language; group interaction; group performance; computer mediated communication; collaborative argumentation, 33402
corrective recasts; fundamental problems; language acquisition; coding criteria, 3760
cortical memory mechanisms; language origins; linguistic phenomena; semantic processing; syntactic processing; grammar, 25153
cortical processing; planum temporale; pitch information; language experience; auditory perception, 15630
covert articulation; speech; language; neural networks; visual cue; words, 34127
cross cultural research; protolanguage groups; comparative ethnography; comparative archaeology, 16308
cross linguistic categorization; human body; semantic typology; languages; dictionaries, 34272
cross-linguistic transfer; adjective-noun strings; preschool bilingual children; speech production; English; French; noun-adjective order; overlap; ambiguity, 19100
cultural chameleons; bicultural consumers; conformity motives; decision making; loss avoidance; language manipulation; bilingual Chinese persons; choice problems; English language, 9186
cultural competence; cultural identity; cross-cultural adaptation; Vietnamese heritage language school, 30204
deceptive verbal communication; temporal changes; sequencing effects; linguistics; language; interpersonal communication, 19483
deep language disorders; nonfluent progressive aphasia; semantic errors; language production tasks; reading, 1832
dialogic pedagogy; grammar; stylistics; Russian language; semantics; scholasticism; parataxic sentence; secondary schools, 2640
dialogic pedagogy; grammar; stylistics; Russian language; semantics; scholasticism; parataxic sentence; secondary schools, 2653
dialogic pedagogy; grammar; stylistics; Russian language; semantics; scholasticism; parataxic sentence; secondary schools, 2681
dialogic pedagogy; grammar; stylistics; Russian language; semantics; scholasticism; parataxic sentence; secondary schools, 2651
dialogic pedagogy; grammar; stylistics; Russian language; semantics; scholasticism; parataxic sentences; secondary schools; writing ability, 2639
discourses; txting; technologies; literacies; texting; school essay, 3728
diversity; justice; language; abstraction; sense-making; workplace; organizational justice, 18270
dyadic orienting; preschool children; autism; showing behaviors; pointing behaviors; joint attention; language; non verbal ability, 35115
dynamical processes; self-organizing communication systems; language processes; distributed coordination; computational models, 6137
E Z reader model; cognition; eye movements; visual processing; language processing; reading; lexical processing, 15684
Eastern Indonesia; Papuan language; body parts; Tidore; lexicalisation; partonomy, 34298
educational online discussion groups; computer mediated communication; undergraduate psychology courses; gender; language, 36159
embodied model; epigenetic robots; sensorimotor grounding; grounding transfer; linguistic abilities; language; autonomous mental development; behavior, 36610
emotions; Native American language; East Cree; good feelings; bad feelings; Natural Semantic Metalanguage; lexicography, 31342
English learning toddlers; novel spatial word learning; spatial relations; novel word; language specific semantic spatial categories, 19168
environmental mediation; genetics; nonverbal ability; language ability, 22460
ethnomethodology; therapeutic traditions; language, 30855
event related potential; lexical analysis; language processing; grammatical complexity, 3753
evolution; grammatical knowledge; computer-assisted language learning system; deaf learners; English language; tutorial feedback, 33682
evolution; semantics; language games; meaning; communication; words; players, 27497
experiential knowledge; spatial & temporal language; fictive motion; temporal reasoning, 386
eye movements; linguistic control; spatial control; reading; visuospatial ability; language, 18820
factor analysis; speech sound disorders; spelling achievement; phonology; syntactic skills; reading achievement; semantics; articulation, 17128
focused stimulation; autism spectrum disorder; natural language interventions, 35641
Francophone Africans; identity display; language practice & attitudes; territoriality; space, 4000
French literature; creolization; target language; linguistics, 34291
frequency effects; Chinese inflection; orthography; languages; lexical decision; words; European languages, 16028
functional magnetic resonance imaging; hemispheric dominance; noninvasive language mapping; frontal activation; frontal lateralization; comprehensive language mapping; children, 3810
functional MRI; temporal lobe epilepsy; language lateralization; Chinese; bilingualism, 32613
functional neuroimaging; neurolinguistics; language; cerebral processing, 34136
genres; gender; language ideology; Muskogee women; linguistics; gossips, 19097
gesture; speech; communication; language; thinking, 20315
grammatical categories effects; child visual language processing; event related brain potentials; language abilities, 25300
grammatical gender processing; phonological form; bilingualism; first & second languages; noun termination; German, 30966
grammatical morphology; cerebellum damage; human language; verbal memory; working memory; neuropsychology, 18784
grammatical processing; sentence processing; psycholinguistic techniques; mature native speakers vs child first language vs adult second language learners, 13081
grammatical processing; sentence processing; psycholinguistic techniques; mature native speakers vs child first language vs adult second language learners, 13067
grammatical processing; sentence processing; psycholinguistic techniques; mature native speakers vs child first language vs adult second language learners, 13064
grammatical processing; sentence processing; psycholinguistic techniques; mature native speakers vs child first language vs adult second language learners, 13080
grammatical processing; sentence processing; psycholinguistic techniques; mature native speakers vs child first language vs adult second language learners, 13069
grammatical representation; grammatical number marking; cognitive dispositions; bilinguals; cognition; language acquisition, 19085
happiness; eye; heart; somatic referencing; West African emotion lexica; West African languages; monolingualism, 22376
hemispheric activation; mental word; rhyme generation; transcranial Doppler sonography; cortical language areas, 15880
hemispheric differences; laterality; Urdu; bilingualism; reading; word identification; Urdu-English bilinguals, 15853
hemispheric sensitivities; sentential constraint; word processing; visual field; language comprehension, 6784
hemispheric specializations; spatial processing; spatial judgement; language processing; hemispheric dominance, 3575
high school science; science classroom; academic identities; students attitudes, 24230
highly proficient bilingualism; language production; lexical access; language switching, 30975
human behavior; language; reality therapy; human relationships; choice theory, 11308
human communication; spoken language; linguistic information; speech technology; speech prosody, 9948
hyperlexia; autism spectrum disorder; language growth; comprehension skills; reading skills; visual scaffolding, 7911
ictal vomiting; left hemisphere language dominant patient; temporal lobe epilepsy; partial seizures; hippocampal sclerosis, 14264
identity; language; sexuality; gender; desire, 4215
immigrants; Assimilationist Threat Scale; scale development; cultural threat; cultural norms; lifestyle; language; productivity; citizenship, 27607
infant language learning; multiple generalizations; artificial language, 13130
infinite language; finite structure; neurons; memory, 6138
information; communication access; professional client interactions; language; pathologists; communication disorder; clinicians; speech language pathology services, 35171
interactive dialogue; special interest; computer-assisted language learning; learning environment; deaf students; grammar, 33675

interdependent development; autonomous development; bilingualism; question formation; bilingual development; linguistic environment, 3828
interlanguage transfer; function words; subject insertion; subject omission; native language, 6896
interweaving protosign; protospeech; imitation system; language readiness; mirror system; vocal gestures, 9931
Japanese-English bilinguals; US monolinguals; autobiographical memory; words; cues; language; earliest memory, 22000
jargon aphasia; language; nonword production; semantics; syntax; writing; monitoring, 26254
language & social & behavioral skills; early & later childhood; social competence; peers; attention; impulse control; mother-child play; term & preterm children; social outcomes; peer relations, 34404
language ability; childhood hearing impairment; bilateral hearing impairment; speech; nonverbal ability; sign language, 35382
language ability; childhood hearing impairment; bilateral hearing impairment; speech; nonverbal ability; sign language, 35385
language ability; developmental language differences; executive functioning; performance; social skills; deaf children, 20370
language abstraction; inferences; attitudes; motives; linguistics, 25159
language acquisition; language change; language evolution; meaning inference; cultural transmission; cross-situational learning; computational model, 6921
language activation; amphetamine; cerebral dominance; cerebral dopamine neurotransmission; motor dominance, 15984
language breakdown; theoretical approaches; Dutch agrammatic aphasics; linguistic theories, 16032
language control; bilingual brain; neuronal responses; word meaning, 25157
language cultural barriers; enemy prisoners of war; foreign nationals, 17668
language development; language evolution; neural model; language structure, 3779
language development; posterior language regions; hemisphere specialization; segmentation techniques; toddler brain, 22146
language development; speech impairments; congenital disorders; aided communication; language; speech, 26256
language dominance; mesial temporal lobe; epilepsy; brain plasticity, 35311
language emergence; neural agent models; robotics; embodied systems; multi-agent systems; connectionist simulations, 6142
language evolution; Windows Approach; language, 34264
Language History Questionnaire; Web based interface; bilingual research; second language acquisition; computer software, 33775
language identification; heuristics; decision making; proper names, 34262
language ideologies; power; resources; communities; gender diferences; social change; social inequalities, 34276
language lateralization; brain; handedness; age differences, 34132
language lateralization; epilepsy; dichotic listening; frontal lobe; temporal lobe, 14210
language learning; speech language pathology; learning disabilities; literacy, 14094
language mapping; magnetic source imaging; magnetoencephalography; external validity; epilepsy; surgery; brain activity; Wernicke's area, 23439
language processing; language development; language change, 34301
language processing; text memory; cognitive aging; self-regulation; compensation; reading, 25292
language production; picture description; eye movement monitoring; object naming; deception; gazes, 24807
language production; speech errors; lexical bias effect; cross-linguistic differences in language processing; Spanish, 25162
language representation; semantic structure; syntax, 22203
language use; technologies; computer mediated discourse; news media; Internet, 34254
language; communication ability; right hemisphere; brain damage; discourse production, 32608
language; comprehension; semantix; syntax; lexical information, 15675
language; culture; communication; post soviet crime; policing; Russia; criminal justice, 36622
language; culture; conciousness; linguistic theory; Benjamin Lee Whorf; western science, 3776
language; dementia of the Alzheimer type; Down syndrome; communication, 16643
language; literacy; federal legislation, 6926
language; meaning; social difficulties; emotional difficulties; behavioral difficulties, 13882
language; medial temporal lobe; spontaneous discourse; linguistic analysis; amnesia, 1305
language; medial temporal lobe; spontaneous discourse; linguistic analysis; amnesia, 19739
language; neural network; simulation; sensorimotor sequence learning; grammatical structures; neurophysiology, 6898
language; psychoanalysis; psychotherapeutic processes, 5034
language; reading; late-talking toddlers; socioeconomic status; nonverbal ability; language; family, 4595
language; statistical learning; rule learning; parsing; syllables; nonadjacent events; nonadjacent dependencies; associative mechanisms; algebraic like computations, 18828
language; systemic functional linguistics; ideation, 549
language; thought; color naming; color cognition, 21933
languages; Finnish communication; silence; cultural practices, 31339
Lao expressions; body part terms; inventory; English; grammatical structure; semantic structure, 34271
learning disabilities; English learners; nondiscriminatory assessment; Education for All Handicapped Children Act; Individuals with Disabilities Education Act; special education, 30366
lexical competition effects; aphasia; lexical candidates; spoken word processing; Brocas area; auditory language comprehension, 17296
lexical semantic priming; neuropsychology; chronic schizophrenia; functional magnetic resonance imaging; language; thought; map brain activation, 19839
lexically driven syntactic priming; subsequent utterances, 6539
linguistic practices; linguistic naming; language varieties; sociolinguistics, 22382
linguistic structure emergence; grammatical communication systems; cognitive modeling; lexical; grammar; computer models, 3743
literacy; ethnolinguistic diversity; transitional bilingual education; Malawi; languages; government policies, 30281
literalism; metaphorical interpretation; truth; contextualist literalist controversy; language; implicit indexicality; semantic transfer, 22387
low income Latina adolescent mothers; living arrangements; psychological adjustment; language; self esteem; use of services, 13107
machine learning techniques; special issue; speech recognition; language technologies, 6126
macrostructure; microstructure; corpus callosum; language lateralisation; functional lateralisation; individual differences, 15907
male juvenile offenders; narrative language abilities; story grammar elements; community based court orders; criminal behavior, 7900
Mandarin Chinese conversation; sequential words positions; language; social interaction; linguistics, 740
mathematical discourse; mathematics teaching methods; language barriers; South African primary school, 15058
mathematical models; language, 730
mathematics education; primary multilingual classroom; discourse analysis; dominant language, 11962
mathematics language reading interactions; algebra learning; English language learners; reading challenges; middle school students; classroom mathematics instruction, 30275
medical humor; comic technique; comic writers; creative writing; language; E. J. Poncela, 9915
Mennonite settlers; language interaction; cultural interaction; Lao newcomers; immigration; children; interpersonal relationships, 19310
mental representations; language; orientations specificity; alignment effects; spatial descriptions; spatial judgment, 31021
mental representations; neural networks; dynamic behavioral sequences; language; cognitive processes, 6145
mental representations; spatial descriptions; language; alignment effects; spatial judgments; orientation specificity, 33943
metaphor; coupling; action oriented perspective; cross domain conceptual mappings; conceptual metaphor theory; conceptual blending theory, 16041
methodological issues; score linkages; similar content tests; different languages; concordance method; prediction method, 9430
Mexican Americans; language acculturation; self esteem; adolescents; epidemiologic studies; elderly; probability, 19272
misunderstanding; psychoanalytic situation; analyst patient interaction; language translation, 26636
modeling; language; mathematics word problems; bilinguals; problem completion paradigm, 10031
monolingual language ideologies; refugees; interviews; code choice; Belgian asylum procedure, 3939
morphological encoding; Mandarin Chinese; compound words; speech production; priming, 18775
morphological structure awareness; phonological awareness; word recognition; vocabulary knowledge; cross linguistic differences, 10055
mother child conversations; internal state language; traumatic event; tornado; nontraumatic event; cross lagged correlations; childhood development, 10029
motor resonance; language comprehension; action observation; mirror system; mental simulation; embodied cognition; visual stimulation, 12703
multiple effects; priming; nonconscious social action; complex conceptual structures; language use; real life, 19448
music in dreams; music and language; music and the right hemisphere; language and the right hemisphere; sleep, 27734
music syntactically chord functions; linguistic syntax; language; left anterior negativity; mismatch negativity; early right anterior negativity, 3334
musical training; pitch changes in language; brain electrical activity; linguistic phrases, 28291
native speakers; Japanese language; bias; second language; sentence processing, 34284
natural language processing; ranking; reranking tasks; perceptron algorithm; ordinal regression algorithms, 6132
nature nurture; cultural neurophenomenology; mind-body schism; Fisher information; experience; culture; reality, 31597
non native language; quantity language; language rhythm; phonetics; syllables, 6923
non-Western researchers; situatedness; language; social strata, 9505
notional number agreement; English; spatial distribution; sentence completion task; subject-verb number agreement, 6528
noun noun combinations; modifier; head noun; response times; conceptual combination; sensibility judgments, 6601
nuclear holocaust; human meaning; Hiroshima; Michihiko Hachiya; diaries; language, 25441
occupational stress; stigmatization; job satisfaction; work tension; organizational commitment; coping behavior; perceived discrimination; foreign accent; health-related work outcomes, 33570
online teaching; online language tutors; online language courses, 8903
oral language; reading achievement; bilingual children; kindergarten students; narratives, 13151
oral language; reading competence; school transition; vocabulary knowledge; comprehensive language; grammar; semantics; word recognition; early reading skill; emergent literacy; language, 5809
oral language; school transition; vocabulary knowledge; grammar; semantics; word recognition; code related precursors; early literacy; reading development; preschool children; young schoolchildren, 5793
organizational levels; gossip's utility; language content; competitive sports team; self serving purposes; group serving purposes, 12239
origins of speech; cultural evolution; language acquisition; phonetics; phonology; learnability; syllable systems; computational model, 6916
ostracism; exclusion; workplace attitudes and behavior; prejudice; workplace interactions; language; organizational commitment; organizational citizenship behavior, 19502
Pasifika languages; Manukau language maintenance project; Niuean community; language proficiency; bilingualism; narratives; ethnic identity, 28211
pattern languages; human computer interaction; interaction design; communicating information, 24459
Penn Chinese TreeBank; annotation guidelines; bracketing guidelines; phrase structure annotation; Chinese Language Processing; machine learning approach, 6114
perception; emotion; language; linguistic relativity, 18871
perceptually grounded categories; language; models, 6549

Language—Serials

persons; items; sections; languages; Test of English for International Communication; score dependability, 30678
phoneme awareness; alphabetic literacy skills; reading development; spelling; cross linguistic differences, 10904
phonemic fluency; Portuguese; letter rankings; phonology; languages; verbal fluency, 34293
phonological awareness skills; school aged children; bilingualism; Samoan; English, 30309
phonological encoding in speech production; Japanese; moraic representation; cross linguistic differences; implicit priming task, 30993
phonologically assimilated words; language experience; language learning; event-related potentials, 28199
phonology; grammatical skills; reading; spelling; languages; phonological awareness; primary school students, 21196
play skills instruction; teaching methods; autism; social skills; language skills, 1575
predicate coordination; clause structure; Japanese; morphemes; verbs; syntax; language; sosite, 25163
preposition comprehension; word learning abilities; language development, 31422
primate social cognition; cognitive mechanisms; language, 497
professional academic writing; multilingual scholars; literacy brokers; English medium texts; academic knowledge production, 16021
prosodic cues; morphological complexity; speech signal; vowel length; intonation; plural nouns; Dutch language, 3332
prosodic information; prosodic processing; language; linguistics; brain activation; children, 22486
pseudo syllabic paradigm; typing; transparent orthography; languages; computer keyboards, 18382
psycholinguistic research; language processing; language research, 34267
psycholinguistics; language production; gender congruency; freestanding & bound morphemes; open & closed class words; representation; retrieval, 31017
religious conservatives; presidential discourse; political attitudes; God talk; freedom; liberty; religious language; political movements; Christians, 19286
research construct; task based learning; second language acquisition literature, 6918
robust spoken language understanding; computer game; game control; language interpretation; player interaction; semantic representation; automated speech recognition; algorithms, 16007
Savosavo; body part terminology; meanings; partonomic relations; linguistic evidence, 34302
second language admission requirements; language residency criteria; language assessment; language support; academic performance, 5797
self mutilation; symptomatology; language style; psychotherapy; verbal emotion; narration, 27840
semantic category membership; syntactic decision making; event related brain potentials; psycholinguistics; language comprehension; semantic gender marking, 34159
semantic dementia; language; nonsemantic aspects of language, 17268
semantic process; phonological process; word reading; Korean orthography; word processing; words frequency; Hangul words; Hanja words, 711
semantic similarity; linguistic relativity; cross-linguistic research; grammatical gender effects; language development; cognition; language learning, 3780
semantic underdetermination; natural language; cognitive uses; sentences; semantic interpretation; introspectivist version, 9964
sentence comprehension; attention; Tagalog language, 9579
sex differences; cerebral laterality; language; visuospatial processing; neuroimaging; phonology, 31180
sexual harassment; cross cultural differences; ethnic differences; language; Singapore; language, 3990
sexual metaphor; unconscious fantasy; psychic life; Kleinian discourse; sexual behaviour; language, 22861
short term memory; language processing; neuropsychology; neuroimaging; sentence comprehension; verbal learning, 6587
social cognition; communication systems; young children; trust; language, 10004
sound symbolism; word learning; word sounds; word meaning; language, 31418
spatial perspective; virtual reality; motion; reference frames; linguistic context; language, 21903
Specialist Legal Interpreter Training program; legal services; court interpreters, 28186
speech action patterns; discourse types; multilingual institutional communication; linguistic actions; source language; target language; genre, 3754
speech perception; dialect perception; language-related ERPs; late positive component; event-related potentials(ERPs), 6484
speech perception; speech sounds; lexical knowledge; lexical decision; life span; language change, 33950
speech processing; language processing; verbal serial recall; word frequency; speech perception; word phonological neighborhood; concreteness, 21902
speech production; schizophrenia; voice onset time; language system; acoustics, 16753
speech-language tests; speech-language pathologists; intellectual disability; students, 30653
spelling acquisition; visual units; motor unit size; bilingual & monolingual children; French speaking; Spanish-speaking; handwriting; gaze lift analysis; syllable-size; orthographic characteristics, 34358
spontaneous language decline; Alzheimers disease; picture description task; writing skills; patients; pathological cognitive decline, 11072
statistical computation; rule-based computation; associative learning; language; statistical learning; parsing; syllables; nonadjacent events; nonadjacent dependencies; algebraic like computations, 18856
subject verb agreement; syntactic structure; word order; language production, 720
syllables; processing units; French; Spanish; handwriting; spelling level; letters, 13071
syntactic ambiguity resolution; prosodic foot; cross language differences; phonology; grammar, 28206
syntax; navigation; language; computational simulations; neurosciences; language; communication; parser; evolution, 3751
terminology; Papuan language; body parts; nouns; human biology; semantics; vocabulary, 34283
test validity; College English-Test Spoken English Test; group discussion task; test performance, 30660
text structure; struggling readers; language processing techniques; school texts; reading assessment, 27830
theories of humor; language; society; hermeneutics; historical circumstances; untested theory; methodological error, 28182
theory of mind; parent-child book reading; mothers mental state language, 10026
therapeutic words; psychotherapy; language; brain, 26550
therapist influence; client language; motivational interviewing; motivational enhancement therapy, 23604
training; speech; language; education professionals; communication difficulties; children; teachers; therapists; policies; practice, 30249
transcranial magnetic stimulation; language switching; bilingual patients; dorsolateral prefrontal cortex, 2105
transitional probability; word recognition; natural language; visibility; reading; lexical selection, 18778
triggering hypothesis; codeswitching; corpus-based evaluation; bilingual production; language choice; lemma selection; Dutch-Moroccan Arabic corpus, 19088
Ukrainian public discourse; language; ethnicity; media discourse, 34280
uncoupled leftward asymmetries; planum morphology; functional language processing; left hemisphere; language laterality, 25160
unsupervised semantic mapping; natural language; lexicmancer concept mapping; algorithm; lexical co occurrence information; machine learning, 36592
utterance classification; discriminative language modeling; automatic speech recognition error, 16034
verbal vignettes; language; attribution; covariation; quantifiers, 13072
video modeling; video feedback; social language skills; autism; teaching; peers, 21250
visual influence; sex difference; heard speech; language processing, 30865
vocabulary; instruction; primary children; repeated reading; transfer; word meanings, 14943
vocalization systems; phonotactics; combinatoriality; communication system; linguistics; language; self organization; evolution; neural maps, 3773
voice; aspiration; Russian; Hungarian; German; Swedish; Turkish; language; phonology; optimality theory; laryngeal contrasts, 25172
vowels; syllables; spelling; letters; cross linguistic differences, 10061

Language Arts Education—Books

Wittgensteinian recovery; developmental psychology; child development; pretend play; imagination; make believe; fictive mental states; language, 34324
word meaning deafness; writing words; cerebral mechanisms; phonological representation; semantic representation; neuropsychological theories, 20155
word meaning; semantic processing; unattended meaning; additional task load; acoustics; electrophysiology, 587
words; phonological similarity; language processing, 6523
working memory; children; English language; Spanish language; vocabulary; knowledge, 6957
writing; speaking; syntactic priming; language production, 13065
writing; speaking; syntactic priming; language production, 22374

clinical perspectives; speech sound disorders; language development; childhood, 7986
color learning; conceptual functioning; word meaning; term acquisition; abstraction, 31411
color term acquisition; conceptual constraints; attentional constraints; linguistic constraints; object words learning, 31419
communication skills; receptive language development; severe expressive impairments; MacArthur Communication Developmental Inventory; Battelle Developmental Inventory, 33835
computational model; child directed speech; child development; language learning; syntax, 22414
conceptual functioning; word meaning; abstraction; linguistic constraints; attentional constraints; color term learning; preschoolers, 31425
conceptual functioning; word meaning; abstraction; linguistic constraints; attentional constraints; color term learning; preschoolers, 31396
consonant vowel cooccurrence patterns; Mandarin learning infants; phonetics development; infant vocalizations; adult speech; infant development, 10037
convergence; degeneracy; neural representation; bilingualism; language development; neuroimaging; individual differences; brain damage, 28183
convergence; degeneracy; neural representation; bilingualism; language development; neuroimaging; individual differences; brain damage, 28188
cross linguistic cartography; language development; number development, 13147
cross-language lexical connections; mental lexicon; trilingual aphasia; language development; bilingualism, 32627
crosslinguistic perspectives; visual perception; word recognition; language processing; developmental processes; Korean writing system, 34294
definitional skills; metalinguistic skills; metalinguistic acquisition, 22442
developmental communication disorders; language acquisition; language disturbances; genes; speech acquisition, 10940
developmental disabilities; emerging speech; elementary communication skills; expressive language development; natural environment; verbal behavior, 1593
distributed learning effect; children; acquisition of abstract syntactic construction, 19160
Down syndrome; cognitive development; language; childhood development, 32452
dynamic event words; motion event semantics; single word meanings; linguistic expression; pre linguistic cognition; language development, 19187
early language acquisition; neurophysiological markers; phonemes; electrophysiological markers; brain, 10043
early N400 development; later language acquisition; early childhood development; semantics; specific language impairment, 22457
early segmentation; fluent speech; infants; crosslinguistic differences; infant ability; bisyllabic words; language, 16123
eclectic treatment; language comprehension; behavioural intervention; special education programme; autism, 4544
English acquisition; single function word; grammatical sentences, 22469
English compounds; regular plurals; monolingual children; bilingual children, 3830
English language learners; language acquisition; learning disabilities; literacy, 18124
English vocabulary development; bilingual kindergartners; language learners; vocabulary skills; growth rates; receptive vocabulary; expressive vocabulary, 19201
error rates; young children; inversion questions; language-specific rules; grammar; auxiliary subtypes; error patterns; generativist theories; constructivism, 3775
etiology; language skills; twins; genetics; verbal memory; articulation; phonology; grammar; vocabulary; phenotypes; individual differences, 31409
executive control; bilingualism; language processing; cognitive neuroscience; neuroimaging; event-related brain potentials; functional magnetic resonance imaging, 28068
experiential learning; script formation; learning cycle; psychological life plans; childhood development; language acquisition, 34328
expressive vocabulary; language learners; ecological settings; language communities, 3817
family involvement training; language skills; young elementary children; migrant families; program outcomes; literacy program, 33391
folk psychology; language use; communicative acts, 16096
foreign language experience; European level; language skills; personnel training; communication skills, 8880
French English bilingual child; complex deverbal words; language acquisition; language acquisition, 7011
gestural vocal deixis; representational skills; early language development, 10060
gesture; aphasia therapy; cueing effect; sign language acquisition, 29980
grammatical development; lexical development; immature preterms; linguistic development, 22496
grammatical errors; naturalistic adult child discourse; conversational interaction; child speech, 10068
hemodynamic studies; second language processing; cerebral cortex; first language processing, 28093
hemodynamic studies; second language processing; cerebral cortex; first language processing, 28078
home literacy environment; parental literacy beliefs; literacy development; mother literacy, 31427
home literacy environment; preschool-aged children; language skills; literacy skills; parental influences, 16140
hyperlexia; autism spectrum disorder; language growth; comprehension skills; reading skills; visual scaffolding, 7911
incidental word learning; spoken English; hearing child; deaf parents; vocabulary levels; American sign language, 13120
infant language learning; multiple generalizations; artificial language, 13130
infant lexical acquisition; embodied intention; computational model; word discovery; word-meaning association; social cognitive skills, 7030
infant; naps; abstraction; language learning; sleep; final word learning; word dependencies; remembering; abstract relations, 31406
inferences role; referential intent; word learning; autism, 10891
inflectional morphology; language learning; learner characteristics; input variables; nouns; vocabulary, 19089
interdependent development; autonomous development; bilingualism; question formation; bilingual development; linguistic environment, 3828
intonation development; English speaking children; acoustics; monosyllabic utterance, 22501
knowledge; readers; native language; construction needs; sentential contexts; priming; sentence processing, 21932
labels; attention; novel objects; childhood development; autism spectrum disorder; group comparison; vocabulary; language development, 26199
language ability; developmental language differences; executive functioning; performance; social skills; deaf children, 20370
language acquisition; child language; language change; universal grammar; sentence interpretation; English speaking children; Japanese speaking children, 34346
language acquisition; children; evidentiality; certainty; understanding of others as epistemic beings; choice behavior; verbs; Japanese speakers, 19186
language acquisition; comparative approach; human infants; nonhuman primates, 18897
language acquisition; language change; language evolution; meaning inference; cultural transmission; cross-situational learning; computational model, 6921
language acquisition; learning; word meaning; adult speaking; color, 31394
language acquisition; words mapping; perceptual salience; social cues; object names; labels; novel objects, 22487
language development; deaf children; Sign Language of the Netherlands; lexical richness; syntactic complexity; language dominance; adult child interaction, 17362
language development; language evolution; neural model; language structure, 3779
language development; literacy acquisition; maori medium education; english language instruction; academic achievement; foreign language learning, 8972

language development; social environment; human biology; environmental variability; individual differences, 16105
language development; social psychology research; trends, 31347
language development; speech impairments; congenital disorders; aided communication; language; speech, 26256
language development; syntactic acquisition; learnability constraint; Subset Principle; Semantic Subset Principle; semantic subset problems; semantics acquisition theories; child language; linguistics, 22480
language discourses; ideologies; early childhood education; immigrant parent views; childhood educators; domination; bilingual development, 30321
language disorders; written language; language development; Topics in Language Disorders, 7987
language evolution; Windows Approach; language, 34264
language experience; phonetic contrasts; monolingual acquisition; bilingual acquisition; English; age differences, 28306
Language History Questionnaire; Web based interface; bilingual research; second language acquisition; computer software, 33775
language intervention; syntactic skill levels; preschoolers; language development; passive voice; intervention; experimentally manipulated input, 10080
language processing; language development; language change, 34301
language production; utterance length; fragile X syndrome, 23317
language specific influences; acquisition; language development; cognition; spatial words; linguistics, 19177
language specific influences; linguistic differences; cognitive processes; attentional patterns, 13070
language-literacy learning; literacy interventions; collaborative approaches; natural learning contexts, 17076
language; literacy; intervention; Head Start; vocabulary development; teachers; book reading; strategies; language, 14986
languages; brain; event related potentials; words; bilingual toddlers, 10038
learning names; count nouns; infant development; visual perception; cognitive ability; language development; meaningfulness, 16095
learning; bilingual development; sociocultural interpretation; young children; language; peers; teachers; conscious learning efforts; proactive learning & teaching, 30310
learning; demonstratives; conversation; linguistic forms; pragmatic development; nonverbal cues; visual attention; Turkish children, 31412
lexical aspects; grammatical aspects; toddlers; language; imitation accuracy; morphology, 31410
lexical conceptual development; grammatical abilities; same language vocabulary development; bilingual toddlers, 22448
lexical frequency; sentential complements; verb; syntactic construction; children; ability; language acquisition; repetition; language processing, 19183
lexical processing; semantic processing speed; lexicosemantic variables; age of acquisition, 25282
lexically precocious children; lexicon status; lexical abilities; grammatical abilities; individual differences; grammatical development, 10056
lexically specific grammar; children; question construction; syntactic development; spontaneous speech; language development; abstract constructions; age differences, 6988
linguistic constraints; literacy development; language development; phonological awareness, 10076
literacy development; bilingualism; monolingual classroom, 33404
Maori medium education; language revitalisation; language development; bilingualism, 8919
mass-count syntax; word meaning; count nouns; novel mass nouns; quantity judgment; individuals; one-to-one syntax-semantics mappings; word extension; underlying knowledge; late-learned exceptions, 22438
maternal reading; teaching patterns; school readiness; low income African American families; maternal education; language ability, 19377
maternal verbal scaffolding; childhood development; language abilities; reading comprehension skills; decoding skills, 14954
mean length of utterance; linguistic knowledge; morphosyntax; vocabulary, 779
metaphonological development; French; English; early childhood; phonological awareness; native language; phoneme; syllable, 31400
modeling; automatic reinforcement; passive voice; language acquisition; psycholinguists; behaviorism; language subtleties, 28312
morphological awareness; cross-language transfer; Chinese reading; English reading; phonological awareness; biliteracy acquisition; primary school students, 28309
morphosyntax; semantics; language development; mood expression; children; Swahili, 13127
mother child communication; maternal style factors; future events; language development; temporal terminology, 25265
motivational factors; foreign language learning; cultural variation; language assessment; language acquisition, 5812
natural recovery; preschool child; early childhood stuttering; developmental stages, 1658
newborn hearing screening; hearing loss; etiology; prelingual hearing loss, 23525
non word repetition; non word discrimination; expressive phonology; Swedish preschool children; phonological sensitivity; language impairment; phonological processing; phonemes, 1657
nonword repetition skills; young children; stuttering; phonology; language development, 32497
noun plurals; German; regularity; productivity; default; language acquisition, 31413
nous; verbs; Japanese children; caregivers; book reading; toy playing, 22482
novel words; adjectives; Spanish-speaking children; interpretation; contextual cues; grammar; English-speaking children, 27838
novice learners; event-related potentials; neurocognition; second language processing; neurobiology; brain potentials; language development, 28085
object agreement; Swahili children; knowledge; nominal specificity; determiners; pronouns, 31398
object predictability; young children; imitation; sentences; verbs; conceptual relation; performance; speech, 31426
ontogeny; phylogeny; language acquisition; children disabilities; childhood development; communicative competence; linguistic status; cognitive development, 5635
origins of speech; cultural evolution; language acquisition; phonetics; phonology; learnability; syllable systems; computational model, 6916
parental selection; vocal behavior; crying; cooking, babbling; language evolution; social interaction, 28287
phonological activation; visual semantic retrieval; Chinese characters; Stroop effect; reading ability; language development, 9584
phonological development; lexically precocious children; vocabulary size; language development, 28303
phonology; reading skills; mental retardation; childhood development; language ability; verbal working memory; speech articulation, 14005
phonology; utterance; crosslinguistic perspective; vowels, 22494
poverty of stimulus argument; structure dependence; complex polar interrogatives; language acquisition; auxiliary fronting; indirect statistical information; neural networks, 9257
prenatal cocaine exposure; language outcomes; child age; gender; birthweight, 16929
preposition comprehension; word learning abilities; language development, 22493
preposition comprehension; word learning abilities; language development, 31422
preschool communities; alternative language development; child-child interactions; mainstreaming; special education, 15089
preschool language development; children; adolescent mothers; maternal verbal ability; risk factors, 16126
preschoolers; learning; Hmong; English; lexical-semantic skills; picture naming; picture identification tasks; language; bilingualism; English as second language, 5804
processing instruction; output based instruction; second language development; linguistic development, 16025
processing instruction; second language acquisition; communicative output; attention; linguistics, 25178
productive language patterns; infants; familial risk; Dyslexia; typically developing infants; vocabulary composition; 17-month-old children; genetics; word production, 4594
psycholinguistic effects; lexical tasks; age of acquisition, 25274
reading disabilities; Hebrew speaking children; upper elementary grades; phonology; language skills, 32447
recall memory; visual recognition memory; gestural communication; language emergence; infant development, 28282
research construct; task based learning; second language acquisition literature, 6918
salience condition; salience cues; early word learning; references; infants, 34355
second language processing; miniature language model; neurocognition; sentence comprehension; grammar processing, 28035
semantic similarity; linguistic relativity; cross-linguistic research; grammatical gender effects; language development; cognition; language learning, 3780
semantics; syntax; language; linguistic argument structure; toddlers, 28277
sentence interpretation strategies; bilingual children; syntactic strategies; Spanish-English bilinguals; bilingual adults, 19191
sentence processing; American Sign Language; delayed first language acquisition; grammatical judgment; syntactic structures; deaf participants; grammatical stimuli; native learners; acquisition onset, 35380
sentence production; syntax acquisition; learning; linguistics; connectionist models, 19090
shape bias; word learning; taxonomic bias, 3819
sound symbolism; word learning; word sounds; word meaning; language, 31418
specific language impairment; language acquisition; passive sentences; active sentences; word order; English; Cantonese, 20154
speech impairment; childhood development; adherence; sonority hypothesis; phonological development; consonant clusters, 26260
speech patterns; Cypriot Greek late talkers; vocabulary; phonological development; expressive language; phonetic skills, 28297
speech segmentation; language development; outcomes; infant; individual differences, 25284
spelling acquisition; visual units; motor unit size; bilingual & monolingual children; French speaking; Spanish-speaking; handwriting; gaze lift analysis; syllable-size; orthographic characteristics, 34358
spelling development; syllabic stage; Portuguese-speaking children, 28273
spelling; morphology; dyslexia; phonology; language development, 32443
spelling; spelling development; sound-to-spelling relationships; context-sensitive spelling patterns; vowels; phonemes, 28308
Structured Photographic Expressive Language Test; test validity; test reliability; psychometrics; language impairment; preschool children, 9404
stuttering; language formulation; language development; syntactics; etiology, 19164
Swedish non-word repetition; language development; language proficiency; phonological short term memory; preschool children, 19190
syllable structure; sonority; language inventory; aphasic neologisms, 8174
syllables; functional units; copying task; spelling acquisition; gaze lifts; children; age differences, 25270
syntax production; bilinguals; language development; sentence production; reading ability; cognitive ability; motor cortex, 19092
syntax; sentence structure; verbs; nouns; early childhood development; language acquisition, 28278
teacher judgments; language skills; children; kindergartens; language impairments; speech therapy; literacy; educational attainment, 30260
teaching; children's speech; language development; teacher's skills; teacher's understandings; teacher training; foundation stage, 17984
transitivity; structural cue; telicity comprehension; language acquisition; childhood development; semantics, 16138
translational research; language development; developmental disabilities; evidence based practice, 32411
unraveling dyad; recurrence analysis; explore syntactic coordination patterns; children caregivers conversation; individual differences, 32719
utterance lenhth; morphemes; language development; syntactic skills; English-speaking children; linguistics, 3831
variability accounting; coda consonants production; language development; linguistics; phonological development; novel word imitation; unstressed syllables, 16112
verb agreement morphology; British Sign Language; linguistic phenomena; typological factors; language acquisition, 13152

attention deficit hyperactivity disorders; education; development; language difficulties; teachers' knowledge; chronic difficulties; neuropsychological dissociation, 26195
auditory perception; visual perception; speech perception skills; language learning disabilities, 17082
Cantonese speaking children; specific language impairment; verb morphology; morphemes; expression of aspect, 14088
cerebral perfusion abnormalities; developmental language disorder; parametric mapping; statistical analysis; cerebral blood flow; basal ganglia; etiology, 32506
complex sentence formulation; picture description tasks; specific language impairment; priming; school age children; syntactic production, 29175
conversational language; generalizability theory; decision theory; observational design; grammatical and phonological impairments, 15552
deep language disorders; nonfluent progressive aphasia; semantic errors; language production tasks; reading, 1832
developmental communication disorders; language acquisition; language disturbances; genes; speech acquisition, 10940
dyslexia; language impairment; phonological skills; reading; reading disability; literacy development; grammatical skills; semantic skills; pragmatic skills; genetics; environmental effects, 23248
dyslexia; neurocognitive impairment; schizophrenia; language disorders, 16744
early N400 development; later language acquisition; early childhood development; semantics; specific language impairment, 22457
functional communication; executive function; ability; aphasia; language impairment, 32624
functional magnetic resonance imaging; verbal working memory; adolescents; specific language impairment; neuroimaging; behavioral techniques; listening span; sentence encoding; word recognition, 4596
graduate students; communicative disorders; language learning disabilities, 7996
language based processing tasks; language impairment; monolingual children; bilingual children, 14090
language deficits; healthy older adults; motor tasks; stroke survivors, 17248
language disorders; phonological intervention; speech disorders; language skills; sound production; meaning based intervention, 7989
language disorders; speech sound disorders; phonology; treatment effectiveness; optimality theory, 7984
language disorders; written language; language development; Topics in Language Disorders, 7987
language impairment; attention deficit disorder with hyperactivity; parental questionnaire; Five to Fifteen, 20069
language impairment; oral narratives; language development; pronominal reference skills; pronouns, 20153
language impairment; phonological awareness; parental implementation; shared reading; intervention, 10941
language impairment; reading comprehension; literacy partnerships, 17127
language impairment; social skills; goals; treatment methods; quality of life, 7936
language impairment; speech language pathologists; treatment outcomes; intervention process; autism spectrum disorders; longitudinal case studies, 7990
language impairments; academic activities; social participation; treatment goals; language comprehension, 7950
language impairments; school functioning; academic difficulties; urban kindergartners; behavior problems; African American, 25312
language learning disabilities; dyslexia; speech language pathologist, 7993
language learning disabilities; reading disabilities; language intervention; language disorders, 7955
language learning; speech language pathology; learning disabilities; literacy, 14094
language regression; EEG abnormalities; seizures, 4556
literacy intervention; collaborative approaches; special education; speech language pathologists; teachers; language impairment, 17130
literacy partnerships; language education; teachers; speech language pathologists, 17129
literacy; transition strategies; upper elementary students; language learning disabilities; teaching; education classroom, 14091
memory impairments; language impairments; hippocampal cortex; perirhinal cortex damage; medial temporal lobe epilepsy patients; volumetric magnetic resonance imaging, 26367
neurocognitive rehabilitation; aphasia; bilingual patients; language impairment; neuroanatomy; Hispanics, 28023
non word repetition; non word discrimination; expressive phonology; Swedish preschool children; phonological sensitivity; language impairment; phonological processing; phonemes, 1657
novel root compounds; specific language impairment; linguistic information, 1655
number development; working memory; specific language impairment; instruction; number skills; knowledge, 7988
phonological short-term memory deficits; grammar; children; heritable language impairments; genetic influences; intelligence tests, 20066
pragmatic language impairment; social language therapy; pragmatic language therapy; children; intervention outcomes, 11689
prosodic problems; pragmatic problems; Swedish children; language impairment; discourse level pragmatic ability; spontaneous speech samples; discourse level; acoustic evaluations; acoustic analysis, 10944
reading comprehension instruction; language disorders; reading disabilities; evidence based practice, 9018
residual language deficits; optimal outcome children; autism spectrum disorder; language ability; pragmatics; semantics; history, 35105
sensorimotor performance; school children; autism; developmental language disorder; motor deficits; low IQ, 23221
social cognition deficit; schizophrenia; pragmatic deficits; communication abilities; language impairment, 32146
specific language impairment; children; educational needs; classrooms; teaching; speech language therapy; special education, 33474
specific language impairment; kindergartners; normal language achievement; speech signal lengthening; auditory word discrimination; speech discrimination, 10945
specific language impairment; language acquisition; passive sentences; active sentences; word order; English; Cantonese, 20154
specific language impairment; task switching; children; executive functioning; functional magnetic resonance imaging; neurophysiological correlates, 17126
speech and nonspeech processing; specific language impairment; behavioural frequency discrimination thresholds; auditory stimuli; event related potentials; age differences, 1656
speech arrest; language deficit; epilepsy surgery; electrical cortical stimulation; treatment outcomes, 26765
speech language impairment; phonological awareness; writing experiences; communication impairment; spoken language knowledge, 11690
speech sound disorders; speech & language therapists; therapy; interactional training programme, 14818
speech-language pathology; communication systems; language disorders, 35172

Language Proficiency—Serials

stress pattern discrimination; risk perception; language impairment; prosodic abilities; acoustic cues, 6804
structural priming; specific language impairment; young children, 29176
Swedish tonal word accents; children; language impairment; normal controls; linguistically naive listeners, 26255
syntactic binding; Down's Syndrome; Williams Syndrome; adolescents; reflexive & non-reflexive pronouns; passive & active sentence comprehension; specific language impairment, 1631
theory of mind; metaphor task; language impairment; autistic spectrum disorder, 4558
treatment effects; speech intelligibility; utterance; specific language; intelligibility impairments; language impairment, 11693
user interface; ARTUR; computer based speech training system; human computer interface; language disorders, 32503
visual immediate memory; specific language impairment; perceptual organization; nonverbal tasks; visuospatial deficits; childhood development, 32496
weak syllable processing; deaf children; cochlear implants; multiword utterances; prosodic foot structure; language problems; linguistic process development; peers, 26468
word learning; children; vocabulary deficits; specific language impairment; novel words; explicit teaching; phonological form; semantic properties, 4571
word meaning deafness; writing words; cerebral mechanisms; phonological representation; semantic representation; neuropsychological theories, 20155

Language Disorders [See Also Aphasia, Mutism]—Books

Teaching students with communication disorders: A practical guide for every teacher, 21276

Language Disorders [See Also Aphasia, Mutism]—Chapters

The Organization of Language and the Brain, 35174

Language Proficiency—Serials

bilingualism; learning to read; phonological awareness; second-language learning; language transfer; writing systems, 6981
children literacy achievements; family factors; kindergarten; school; language skills; family measures, 5790
cognitive skill; attention control; second language proficiency; expertise development; attention shifting; bilinguals, 401
construct validity; C-tests; general language proficiency, 30656
cultural influence; linguistic influence; brain organization; dyslexia; language proficiency; language acquisition age; bilingualism; working memory, 25164
discussion; gendered language; computer mediated communication; language style; gender stereotypes; gender differences, 25177
early first language attrition; language acquisition; childhood bilingualism; research findings, 6992
educational equity; disproportionate representation; minority students; special education; student ethnicity; language proficiency status; disability labels; access to least restrictive environment, 30364
emotion situation knowledge; autobiographical memory; immigrants; language skills; age differences; group dynamics, 16085
English as language of instruction; language proficiency; achievement; English subjects; English; Dutch; bilingualism; secondary education; Netherlands, 18002
English proficiency; health insurance; health care services; Hispanics; elderly population, 14623
highly proficient bilingualism; language production; lexical access; language switching, 30975
immigrants; literacy; Dutch classes; language competence, 24179
individuals role; social characteristics; demographic characteristics; English speaking Latino youth; English proficiency, 34533
items; vocabulary; reading; second language testing; multiple true false test format; multiple choice; concurrent validity; reliability, 18503
knowledge level; language proficiency; reading tests; background knowledge, 12547
language skills; learning difficulties; reading skills; sentence recall, 7934
language skills; simultaneous interpreters; language proficiency; language comprehension; working memory; cognitive skills, 16009

learners abilities; Japanese language learning; Japanese texts; phonological knowledge; unknown words; reading comprehension, 16019
legislation; hypothesis; task based instruction; task performance; systematic teaching; language teaching theory, 5772
linguistics; cultural influences; brain organization of language; dyslexia; reading fluency; morphology; double deficit hypothesis; native language; literacy measures; foreign language proficiency, 26220
maternal input; theory of mind; deaf children; mothers' mental talk; child language proficiency, 23524
musical ability; second language proficiency; phonology; syntax; lexical knowledge; individual differences; adult learners, 31350
native language predictors; foreign language proficiency; foreign language aptitude; native language literacy; oral language; cognitive ability; elementary school students, 27227
Pasifika languages; Manukau language maintenance project; Niuean community; language proficiency; bilingualism; narratives; ethnic identity, 28211
positive washback; international teaching assistants; training program; learning outcomes; classroom activities; spoken language proficiency, 14935
post traumatic stress symptoms; English language acquisition; economic self sufficiency; Bosnian refugees; mental health status, 4371
reading comprehension; word recognition; language proficiency; cognitive skills; measurement; prediction, 27827
reading efficiency; english speaking children; oral proficiency; cognitive linguistic processes; individual differences; language groups, 15004
school transition programme; language proficiency; foreign language learning; biligualism, 8830
second language admission requirements; language residency criteria; language assessment; language support; academic performance, 5797
second language learning; gender; handedness; syntax; semantics; phonological task; college students, 8955
selection purposes; reading test; item discrimination; language proficiency; psychometrics; university entrance examination; EFL, 12553
Swedish non-word repetition; language development; language proficiency; phonological short term memory; preschool children, 19190

Language Proficiency—Books

Educating English language learners: A synthesis of research evidence, 21098

Laryngeal Disorders—Serials

automatic occlusion device; tracheoesophageal speech; laryngectomy, 17805
perceptual characteristics; acoustic characteristics; voice changes; reflux laryngitis patients, 26306
vocal cord paralysis; fighter pilot; thymoma; glottic function; laryngeal nerve paralysis, 23325
voice quality; speech quality; laryngectomy; esophageal speech; electroacoustical speech aid; tracheoesophageal voice prosthesis, 17807

Laser Irradiation—Serials

low intensity laser therapy; trigger point injection; myofascial pain syndrome, 32996

Latchkey Children [See Child Self Care]

Latency (Response) [See Response Latency]

Lateness [See Tardiness]

Latent Inhibition [See Also Proactive Inhibition, Retroactive Inhibition]—Serials

context specific latent inhibition; conditioned suppression task; computer video game; conditioned stimuli, 31088
directed forgetting; inhibition; retrieval; older adults; inhibition deficit; age differences; memory, 16144
episodic forgetting; retrieval induced forgetting; sampling; recovery; recovery failure, 6560
episodic inhibition; retrieval; practice; category cued recall; lexical decision; forgetting; long-term knowledge, 12738
extinction; learned inhibition; fear; neuroscience; erasure; learning, 18949
latent inhibition; dopamine; preexposure; amphetamine; rats; haloperidol, 22297
latent inhibition; human predictive learning; cue preexposure; cue outcome pairings, 15735
latent inhibition; interpolation; task irrelevant stimulation; preexposure; conditioning; attenuated responding; unconditioned stimulus; rats, 6652
latent inhibition; rats; preexposure performance; autoshaping; conditioned performance, 12815
latent inhibition; stimulus generalization; pre-exposure; taste aversion procedure; rats, 13046
latent inhibition; visual attention; spatial attention; children; attention deficit hyperactivity disorder, 10884
obsessive-compulsive disorder; latent inhibition; visual search task; schizophrenia; biological psychiatry, 28945
perceptual learning; inhibitory associations; rats; humans; inhibition; flavor aversion; generalization, 18854
personality; creativity; latent inhibition; personality scales, 19610
preexposure effects; retention interval; latent inhibition; perceptual learning; choice-maze discrimination task; discriminative stimuli; rats, 31116
recovery; blocking; overshadowing; backward blocking; super latent inhibition; classical conditioning; attentional model; neural network model; storage; retrieval, 9702
salience modulation; flavor stimuli; perceptual learning; associative inhibition; rats; conditioned aversion; discrimination, 18898
semantic inhibition; inhibition of return; semantics; item repetition; item heterogeneity; spatial variability, 21893
spatial negative priming; early Alzheimer's disease; cognitive inhibition; spatial localization, 26452
task switching; backward inhibition; lateral inhibition; cues, 347
taste; c-Fos; neophobia; latent inhibition; aversion learning; novelty, 9851

Latent Learning—Serials

latent cue preference; sodium depletion; rats; learning, 6670
latent learning; deferred imitation; young infants; latent association, 3818
learning; physically present cues; memory; association; deferred imitation task; early cognitive development, 25253

Latent Trait Theory [See Item Response Theory]

Lateral Dominance [See Also Handedness, Ocular Dominance]—Serials

adolescent blind individuals; discrimination thresholds; sound lateralization; auditory spatial ability; visual information; auditory inputs, 4860
aplysia; snails; long term sensitization; learning; unilateral stimulation; sensory neurons; ipsilateral; contralateral modifications; brief shock treatment; contralateral training, 31111
asymmetrical hatching behaviors; Japanese quail chicks; bobwhite quail; domestic chicks; postnatal motor laterality, 480
attention; brain; laternal dominance; neurology; neurons; pseudoneglect, 28063
attentional set mixing; impaired performance; target selection; selective response activation; event-related lateralizations; set repetitions, 31015
atypical brain laterality; attention deficit disorder with hyperactivity; hemispheric differences; word and emotion recognition; adults, 17045
behavioural lateralisation; Australian magpie; Gymnorhina tibicen; antipredator responses; begging behavior, 18975
brain asymmetries; corpus callosum; interhemispheric transfer; functional lateralization; sex differences; morphology, 25028
brain asymmetry; handedness; capuchin monkeys; lateralization; Cebus apella, 9815
categorization; lateralization; anomaly detection; experience, 572
cephalopod; octopus; behavior; arm preference, 27973
cerebral asymmetries; verb generation task; right hemisphere involvement; semantic retrival, 9575
cortex functional asymmetry; homing pigeons; olfactory impairments; avian piriform cortex; pigeons navigation; olfactory navigational map; cortical lesions, 6751
dentate gyrus; hippocampus; encoding deficit; retrieval effects; contralateral lesions; spatial maze learning task; brain, 31193
dichotic listening; right ear advantage; signal detection tasks, 9558
differential attention effects; dichotic listening; auditory processing disorders; free recall; attention laterality, 3338
discontinuity; left-handedness; dextrality; handwriting; age differences; educational management, 12908
dominance; cerebral; emotion; facial expression; laterality; neuropsychology; left hemisphere, 31090
dyslexic individuals; event related potential; reading performances; neurophysiological correlates; word processing; hemispheric asymmetry, 35139

emotional content; declarative memory; event related potential; memory retention; gender differences; sex related hemispheric lateralization, 12944
explicit processing; implicit processing; representational space; left hemispatial neglect; dissociations; mental number line, 18995
eye movements; lateralised word recognition; fixation points; attention, 18976
facial features; familiar faces; unfamiliar faces; brain hemisphere; visual half field, 9797
foveal splitting; differential processing; Chinese orthography; brain; phonetic information, 6905
functional hemispheric asymmetries; visual processing subsystems; causal relation; spatial relations; lateralization; neural development, 6739
functional magnetic resonance imaging; hemispheric dominance; noninvasive language mapping; frontal activation; frontal lateralization; comprehensive language mapping; children, 3810
functional MRI; temporal lobe epilepsy; language lateralization; Chinese; bilingualism, 32613
fused dichotic words test; attention; reliability; validity; perceptual asymmetries; lateral dominance; stimulus onset asynchrony, 9824
gait freezing; Parkinsons disease; asymmetric motor function; rhythmic hand movement, 4812
global; local; visual processing; gender differences; hemispheric asymmetries; processing biases; evoked potentials, 12934
hemisphere asymmetry; finger movements; hand movements; finger posture, 22163
hemispheric activation; hemispheric interaction; functional lateralisation; attention, 9795
hemispheric activation; mental word; rhyme generation; transcranial Doppler sonography; cortical language areas, 15880
hemispheric asymmetries; right hemisphere; complex tones; consonant vowel syllables; sound intensity discrimination; music; speech, 525
hemispheric asymmetry; kanji stimuli; Japanese script; associative priming paradigm; phonetic; orthographic encoding; lexical decision, 3372
hemispheric asymmetry; visuomotor processes; visuoperceptual processes; cerebral hemisphere; unilateral brain lesions; illusions, 1808
hemispheric differences; laterality; Urdu; bilingualism; reading; word identification; Urdu-English bilinguals, 15853
hemispheric dynamics; creativity; semantic priming; right hemisphere, 11157
hemispheric lateralization; cognitive functions; centrotemporal spikes; epilepsy; children, 35267
hemispheric specialization; motor function; hemispheric integration; dynamic process; motor control, 12938
hemispheric specializations; spatial processing; spatial judgement; language processing; hemispheric dominance, 3575
hippocampal activation; gender differences; cognitive strategy; memory; lateralization; brain activation patterns, 34083
homotopy; heterotopy; bilateral field; dimond paradigm; reaction time; neuropsychology, 12670
implicit emotion; autobiographical memory retrieval; face recognition; lateral dominance; medial temporal lobe, 34078
intentional switches; bimanual coordination patterns; nondominant hand; handedness, 22162
language lateralization; brain; handedness; age differences, 34132
lateral asymmetries; mouth opening; word generation; male stuttering; non stuttering participants; bilabial phones, 4593
lateral presentation; central presentation; words reading; reading disabled children; limited exposure duration; remedial education; dyslexia; processing speed, 7935
lateralisation; stripe faced dunnart; vertebrate species; behavioral responses; binocular visual field, 3587
macaque monkeys; ipsilateral hand responses; hemodynamic; electrophysiological analyses; functional MRI; primary somatosensory cortex; neural mechanisms, 22196
macrostructure; microstructure; corpus callosum; language lateralisation; functional lateralisation; individual differences, 15907
mental rotation; EEG; parietal laterality; sex differences, 584
mental rotation; EEG; parietal laterality; sex differences, 594

mixed laterality; posttraumatic stress disorder; interpersonal trauma; neurological abnormalities, 13840
neural control; reversed piano; cortical organization; male musician; musical functions; sensory cortex; piano keyboard; temporal sulcus; left dominance; music perception; right dominance, 34095
noise phobia; lateralization; paw preference; dog; fear, 28062
nonhuman primates; hemispheric specialization; avian spatial orientation; categorical and coordinate spatial relations; coordinate cognition; lateralization pattern; cerebral asymmetries, 25055
object recognition; visual hemifield paradigm; global shape; hemispheric asymmetry, 12922
orthographic neighborhood; SERIOL model; lexical decision; letter position encoding; hemispheric specificity; visual word recognition; N effect; orthographic level; computational modeling, 6555
perception; hemispheric asymmetry; retinal eccentricity; fixation; visual hemifields, 15875
perceptual asymmetry; chimeric face stimuli; early unilateral brain damage; children, 11048
perceptual expertise; face recognition; own race bias; split brain patients; recognition accuracy; right cerebral hemisphere; hemispheric lateralization, 11126
perisylvian brain anatomy; pars opercularis; gray matter volumes; planum temporale; Heschls gyrus; pars triangularis, 18980
person-specific knowledge; biographical knowledge; temporal lobe; semantic memory & modality effects; semantic memory & brain laterality; lesion; category specificity; stimulus modality, 18983
posture hand preferences; reach preferences; arboreal feeding; behavioral lateralization; postural origins theory; sifakas, 6708
prefrontal cortex; cognitive training; semantic organizational strategies; bilateral activation, 34109
rapid categorization; foveal natural images; extrafoveal natural images; event related potentials; lateralization effects; behavioral impairment; spatial attention, 6749
right hemispheric language dominance; right frontal tumor; functional transcranial doppler sonography; late onset right frontal epilepsy; ganglioglioma, 14219
right nipple preference; rhesus macaques; nonhuman primate; hemispheric specialization; ontogeny, 22090
right shift theory of handedness; hand preference; cerebral dominance; humans; chimpanzees; asymmetry, 18948
schizophrenia patients; handedness, 4353
schizophrenia; rightward bias; line bisection; false memory; interhemispheric transfer; spatial attention; pseudoneglect, 13771
schizotypal personality; lateral preference; magical ideation; performance asymmetries; handedness, 9812
seat side preference; visual attentional orientation; perceptual & motor asymmetry; right hemisphere, 19006
sex differences; cerebral laterality; language; visuospatial processing; neuroimaging; phonology, 31180
sex-related hemispheric differences; intranasal trigeminal system; trigeminal event-related potentials; olfactory sensitivity, 590
spatial information processing; coordinate spatial processing; posterior parietal cortex; categorical and coordinate judgments; imagery domain, 25054
spatial relations; categorical processing; coordinate processing; hemispheric specializations; neuroimaging, 25042
spatially directed arm movements; left hand; right hemisphere; movement planning, 3106
split brain patient; self recognition; cerebral hemispheres; hemispheric specialization; cerebral commissurotomy, 1834
startle reflex; lateralization; anteromedial temporal lobe; amygdala; emotion; affective picture viewing, 12921
stethoscope orientation; cerebral lateralisation; lateral preferences, 28056
stimulus valence; arousal; lateral spatial attention; affective reactions; automaticity; visual space; attention; left vs right hemisphere; right handed Ss, 30874
stuttering; hemispheric dominance; at risk population; personality traits, 20156
task complexity; attentional information; handedness; hand selection; object location; motor dominance, 13141
transposed letter; laterality effects; lexical decision; cerebral hemispheres; visual field; word recognition, 15891
uncoupled leftward asymmetries; planum morphology; functional language processing; left hemisphere; language laterality, 25160
verbal conceptual processing; nonverbal conceptual processing;left hemisphere; right hemisphere; brain; dissociation, 31225
visual recognition; neural subsystems; lateralization; coordinate spatial relations, 24737
visuospatial attention; right hemisphere; arousal; functional neuroanatomy; cortical structures; sleep deprivation, 22027
voice onset time; talker identification; left ear right hemisphere processing advantage; perceptual training, 33948

Lateral Dominance [See Also Handedness, Ocular Dominance]—Chapters

The Asymmetry of Facial Actions Is Inconsistent with Models of Hemispheric Specialization, 6776

Lateral Geniculate Nucleus [See Geniculate Bodies (Thalamus)]

Latinos/Latinas [See Hispanics]

Laughter—Serials

decisions; mood; thinking; laughing; choices, 21910
happiness; humans; motor area; neural structures; perception; action; laughter; social behavior, 22825
likeability; videotaped laughter; still photographed laughter, 28682
pathological laughing; mirtazapine treatment; stroke; pathological crying; selective serotonin reuptake inhibitors, 8139
pathological laughing; pathological crying; traumatic brain injury; lamotrigine; structural brain damage; social dysfunction, 26382
premotor cortex; electrical stimulation; frontal lobe; lesions; supplementary sensorimotor area; laughter; surgery; speech; patients, 23476
spontaneous laughs; spontaneous smiles; neonates, 22421
young children; laughter, 28264

Laughter—Books

Laugh lines for educators, 36179

Law (Government) [See Also Civil Law, Criminal Law]—Serials

family homicide; suicide; separation; disputed access; disputed custody; family law; Western Australia, 29073
family law; children's rights; Fourth World Congress on Family Law and Children's Rights, 30635
Mozambique; state; legal system; legal practice; legal pluralism; heterogeneous state; community courts; traditional authorities, 21545
parental rights termination; foster care children; adoptive families; foster care discharge; reunified children; Adoption and Safe Families Act, 1009
Smith Mundt Act; domestic propaganda ban; cold war statute; public diplomacy; federal law; policy issues, 18444
traditional honor-based value system; dignity-based value system; film; sociolegal theory, 19115
treatment provision; law reform; changing policy; mental health care; legislative processes; choice behavior; incapacity to refuse treatment, 15348

Law (Government) [See Also Civil Law, Criminal Law]—Books

Current perspectives in forensic psychology and criminal justice, 18439

Law Enforcement [See Also Adjudication, Incarceration, Legal Arrest, Legal Detention]—Serials

Australian heroin shortage; Canadian heroin supply; daily heroin use; enforcement; global heroin supply forces, 26132
Australian heroin shortage; Canadian heroin supply; heroin use; enforcement; global heroin supply forces, 26141
chronic drug users; ethnography; drug policy; marginalization; Netherlands; relationship quality; enforcement effects, 35037
community policing; program assessment, 9263
criminal activity; crime measures; spatial analysis; at risk population; activity theory; police calls; ambient populations, 35060
critical incident stress debriefing; law enforcement; legal administrative issues, 35808
cybercrime types; legal approaches; crime fighting; organizational approaches; technological approaches; case study, 18412
disorderly crowd; policing strategies; law enforcement; public disorder, 9269
English football; international tournaments; hooliganism; banning orders; proportionality; public order policing; crowd psychology; civil liberties; legislation, 24528
executive leadership; law enforcement; personality; leader effectiveness; organizations, 28613
eyewitness memory; law enforcement; eyewitness experts; law enforcement personnel; legal system, 15356
eyewitness; confidence inflation; expert testimony; post identification feedback; law enforcement; courts; resistance, 30626
female gangs; juvenile female offenders; female arrests; law enforcement, 23086
frustration; aggression; legal framing; policing; public disorder; Sweden; Denmark; mass social demonstrations, 7125
gender; race; class; Chinese exclusion laws; enforcement, 24524
global rule; Law Enforcement; international police; cooperation; counterterrorism, 18454
gray marketing; enforcement; marketing, 15260
homelessness; mental health; police enforcement; Vagrants, Gaming & Other Offences Act; Mental Health Act; homeless with mental illness, 6184
justice; therapeutic process; hybrids; children's rights; state policy; law enforcement; child abuse; child neglect; models, 20810
juvenile police informants; law enforcement agents; coercion; persuasion; friendship; secrecy, 33694
knowledge management technology; value shop; police investigation performance; information technology; organizational performance; police officers, 33678
law enforcement training performance; dysfunctional job performance; general mental ability; personality; life history variables, 18473
law enforcement; drug injectors; drug abuse; deterrence; Human Immunodeficiency Virus, 16949
law enforcement; law enforcement officers; police culture; psychological services, 3101
managerial performance; law enforcement; job performance; work setting, 30417
marginalization; Black law enforcement executives; social isolation; leadership roles, 21580
mentoring programs; police legitimacy; role models; criminal justice; law enforcement, 33739
mobile radar; speed enforcement; road accidents; rural roads; road safety, 9241
money laundering; information revolution; law enforcement; drug trafficking; terrorism, 9306
national model; vertical prosecution; murdered children; physical abused children; child abuse; law enforcement; investigative phase; law enforcement professionals, 16919
organizational perviousness; hate crime policing, 12414
police accountability; police governance; government policy making, 9264
police enforcement; drug abuse; public health; societal cost; drug policy, 4479
police experiences; Street Watch; police-community partnerships, 9314
police officers perceptions; force violation; experienced veterans; sworn personnel; supervisory personnel; American police; tolerance, 12415
police officers; stress; law enforcement profession; intervention, 29500
policing ideals; law enforcement; discretion; decision making, 18474
policing, 9268
political protest; police strategies; policing styles; transnationalization; social science; public order, 9313
process driven collaboration support; interagency cooperation; crime analysis; law enforcement; collaborative efforts; modeling; work flow management; information retrieval; COPLINK, 18426
public opinion polls; media; politics; law and order; criminal sentencing, 6182
punishment rehabilitation continuum; criminology; criminal justice; law enforcement officers; police, 36620
red light runners; photo enforcement program, 33667
residential security patrols; residential areas; marketplace; policing schemes, 22605
seat belt use; seat belt laws; law violation; enforcement provision, 9244
sex offenders; recidivism; treatment effectiveness; law enforcement; community view; public policy, 35069
social correlates; institutionalization; police department; public policy approach; crime; law enforcement; towns, 21578
street gangs; organized crime groups; law enforcement, 7783
support services; perceived stigma; vermont state police; peer support program, 6208
UK policing; television portrayals, 9265

United States; law enforcement; laws; Germany; hate; collective memories; institutionalization; individual victimization; holocaust; democracy, 12384

generation responsive leadership behaviors; job satisfaction; generations X; generations Y; expectations, 30418
grassroots leadership; personal values; motivating factors, 4135
group conflict; leadership behavior; cognition; affection; group decision making, 31752
hockey team captains; perceptions; athlete leadership behavior, 18329
humility; leadership; power; virtues; leadership behaviors; top level managers; organizational, 6021
humor; leadership style; transformational leadership; transactional leadership; workplace interaction, 30481
implicit leadership; United States; Mexican immigrants, Mexican Americans; non Hispanic Americans; leadership styles; cultural groups; sociocultural factors, 27539
individual thinking; leadership; innovation, 10374
leader member exchange; curvilinear effect; stress; organizational researchers, 15190
leadership behavior; organizational culture; cheif executive officer; leaders ability, 18183
leadership behaviors; teams; performance outcomes; team effectiveness; team productivity; team learning, 27370
leadership development; coaching; compassion; chronic power stress, 36443
Leadership Practices Inventory; item response theory; transformational leadership; test reliability, 21729
leadership style; group stability; decision making, 10421
leadership style; regulatory orientation; transformational leadership; goals, 27369
leadership style; team performance, 15149
leadership styles; humor; workplace interactions; working conditions; organizational behavior, 33543
leadership styles; mood; atmosphere; cooperative support; project groups; group work; team management; organizational culture, 5995
leadership styles; New Ireland; high school administrators; Papua New Guinea; decision making; communal society; developing countries, 24174
leadership; betrayal; adaptation; psychosocial impact, 16458
leadership; cognitive ability; community development; transformational leaders; leadership qualities; leadership style, 11863
leadership; R&D management; project teams; substitutes for leadership; organization performance, 12185
leadership; self-sacrifice; self-esteem; collective identification, 34669
nonlinear dynamics; systems theory; leadership traits; performance; cooperation, 27554
parenting leadership style; Adlerian parenting; Dreikurs' group dynamics; factor analysis of parenting values; parent-child dyads; family patterning, 19382
perception; leadership styles; work behavior; Indian Air Force; self report; subordinates, 24433
personality profile; leadership style; leadership behavior; multifaceted individual; Indira Gandhi; personality profiles, 1035
personality role; situational variables; demographic variables; job search; European managers, 15117
personality; leadership styles; neuroticism; transformational leadership, 22836
psychopathic leadership; emotional competence; leadership style; emotional intelligence, 29525
stress management; problem solving executives; coercieve leadership style; workplace; organizations, 24334
subjective theories; leadership behavior; personality theory; organizational setting, 18276
Subordinates' Information Inquiry; cross cultural consideration; leadership style effect; organizational setting; communication, 5956
teachers approaches; leadership styles; compulsory education level school; human sex differences, 5703
transactional leadership behavior; work environment; personality traits; leadership qualities; charismatic leadership, 9105
transformational leadership; leadership behavior; emotion recognition ability; personality characteristics; managers, 12194
transformational leadership; passive leadership; employee safety, 18319
vestigial assumptions; academic amnesia; leadership; forefathers; personal qualities; organizational success, 18228

Leadership Style—Books

Leaders and their followers in a dangerous world: The psychology of political behavior, 4055
Pathways to outstanding leadership: A comparative analysis of charismatic, ideological, and pragmatic leaders, 22774
Transformational leadership (2nd ed.), 13475
What every principal should know about strategic leadership, 21123

Learned Helplessness—Serials

housing conditions; depressive like phenotype; learned helplessness paradigm; male mice; anxiety-related behavior, 3491
ribonucleic acid; serotonin; learned helplessness rats; major depression; pathophysiology; fluoxetine treatment, 3574
subchronic treatment; imipramine; neuropeptide Y; positive cells; hippocampus; learned helplessness; rats; calcitonin gene related peptide; depression, 652

Learning [See Also Adult Learning, Animal Learning, Cognitive Hypothesis Testing, Conditioning, Cooperative Learning, Discrimination Learning, Experiential Learning, Extinction (Learning), Foreign Language Learning, Generalization (Learning), Generation Effect (Learning), Implicit Learning, Incidental Learning, Intentional Learning, Interference (Learning), Mastery Learning, Maze Learning, Mnemonic Learning, Nonverbal Learning, Observational Learning, Organizational Learning, Perceptual Learning, Probability Learning, Rat Learning, Relearning, School Learning, Self Regulated Learning, Sequential Learning, Serial Learning, Skill Learning, Social Learning, Spatial Learning, Spontaneous Recovery (Learning), State Dependent Learning, Transfer (Learning), Verbal Learning]—Serials

academic work; teaching effectiveness; student learning; student focused approach; university policies; academic standards improvisation; teaching innovation, 2656
accelerated learning; syntactic development; semantic analogy; verb indirect object; naturalistic speech; facilitation; transfer; children, 7012
acoustic model clustering; decision tree; supervised learning; supervised decision rule; vocabulary speech recognition; learning algorithm, 3337
active learning; passive learning; abbreviation-expansion codes; menu interface; vocabulary; computer peripheral menu, 36561
adult neurogenesis; learning; hippocampus; memory; dentate gyrus, 31204
age of acquisition; reading late learned words; phonological processing; naming; neuroanatomical correlates; brain, 24809
aging; encoding; metacognitive monitoring; cues; learning; age differences; interactive imagery; paired associates, 31014
aging; learning; visual stimuli; age differences; reaction time; perceptual abilities; rule memory; rule complexity; stimulus novelty; response competition, 31009
aha effects; stimulation; dynamic learning; group setting; generative tasks; memory, 31078
aligning assessment; long-term learning; higher education; contextualized learning, 33432
Alzheimers disease; errorful learning; errorless learning; memory rehabilitation, 11092
Alzheimers disease; learning; mild cognitive impairment; Rey Osterrieth Complex Figure Test; aging; dementia; visual memory, 20264
amygdala; learning & memory; electrophysiology; classical conditioning; instrumental conditioning; fear conditioning; signaled avoidance conditioning, 3465
anorexia nervosa; neurocognitive disturbances; cognitive neuroscience; abnormal eating behavior; weight; obsessive compulsive disorder; neurocognitive model; habit learning, 20146
Anthony Giddens; structuration theory; educational design; design principles; blended learning; learning outcomes; educational practice, 18038
apprenticeship system; educational training; learning; society; world economy, 11963
artificial grammar learning; finite state grammars; transfer; multiple regression analysis; repetition, 24856
assessment; change; teaching standards; learning, 8944
associative blocking & highlighting; learned attention; eye gaze; individual differences; eye tracking, 250
associative learning; perceptual style; individual differences; field dependence; intelligence, 12747
asymptotic Bayesian structure learning; graph supports; Gaussian graphical models; statistical analysis; multivariate analysis; algorithms, 21781
asynchronous learning networks; online work; knowledge building; collaborative inquiry; teacher education, 18041
auditory fear conditioning; conditioned stress; amygdala; learning; rats; nitric oxide, 25124
aural learning; speakers, 30201
autism; everyday object use; parental guidance; social influence, 4567
aviation training; aviation safety; aviation community; flight education; teaching method; thinking skills; pilots; learning, 27875
avoidance; Pavlovian conditioning; amygdala; fear; rat; amygdala; learning & memory; electrophysiology; classical conditioning; instrumental conditioning, 3461
baptism; fire; clinical pastoral education; learning theory; verbatims; reflective teaching method, 27060
behavior modeling; interpersonal skills; online learning; learning outcomes; teaching; model presentation formats, 8897
behavioral theories; reward functions; neurophysiology; neural correlates; learning; decision making; utility theory, 9526
biological motion; form perception; masking; learning; arbitrary motion, 261
bipolar disorder; functional polymorphisms; nitric oxide; brain functions; memory; learning, 13683
blocking; causal structure; children; contingency learning; cues; causal models, 416
breadth of constraint; continuum; phoneme errors; learning; artificial phonotactic constraints; local & language wide constraints; time course; durability; natural constraints, 6435
business education; curriculum development; macroeconomics, 36229
c-Fos; somatosensorial cortex; limbic system; associative learning; cerebral cortex, 34096
California Verbal Learning Test; learning patterns; executive control; encephalitis, 35316
career development; personal development planning; career planning; undergraduate learning, 15012
categories; causal relations; causal learning; previous learning contexts, 22020
categorization; eyetracking; prototype model; exemplar based generalized context model; category learning; selective attention, 255
category learning & dimensionality; concepts; error-driven learning; unsupervised learning; feature knowledge; family resemblance, 15717
category learning; memory; striatum; prefrontal cortex; aging; explicit learning; Parkinson's disease; deficits; rule generation; selection processes, 17331
category learning; RULEX model; predictions; model investigation; algorithmic method, 174
category learning; strategy change; task difficulty; selective attention; error driven learning; knowledge restructuring, 3422
causal induction; strength; learning; causal relationship; graphical models, 6521
causal intervention; multiple cue judgment; positive effects; negative effects; learning; observation; memory, 12766
causal learning; temporal order; intervention; covariation; cues, 18850
chemistry students; learning experiences; educational choices; student attitudes, 12023
childhood development; learning development; active learning; passive learning; strategies; self explanation, 3835
children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36314

children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36302
children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36317
children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36323
children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36306
children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36310
children; learning; museum, 11860
chunking; task sequences; task inhibition; prediction; reaction time; learning, 18846
class inclusion; learning; logical explanations; problem solving; childhood development, 28301
classical conditioning; picture-picture paradigm; evaluative conditioning; learning, 15725
classification; inference learning; categorization; category learning; category representation; predictive inference; feature inference learning; prototype representation; exemplar representation, 6415
classroom environment; community outcomes; learning assessment; learning community program; student achievement; academic outcomes; social outcomes, 8915
classroom participation; postgraduate level; learning process; students; Personal Response System, 14990
cognitive architectures; multimedia learning; memory; instruction; learning theories, 27194
cognitive asymmetry; Alzheimers disease; apolipoprotein E; visuospatial stimuli; learning; memory; global local processing ability; verbal ability; spatial ability; elderly, 3895
cognitive fluency; learned interpretation; judgement; cue learning, 18817
cognitive learning; memory abilities; culture; evolution, 3281
cognitive load theory; imagination effect; expertise reversal effect; element interactivity effect, 6583
cognitive load; single-media and multimedia presentations; learning; testing, 33643
cognitive loads; learning efficiency; schematic supportive information; cognitive skill acquisition, 9591
cognitive procedural learning; cognitive processes; episodic memory; executive functions, 27894
cognitive skills; learning task selection; training, 12742
collaboration; pedagogical quality; educational settings; learning; children's social interaction, 15067
collaboration; Prescriptions for Healthy Learning Project; partnership; professionals; feedback; mental health problems, 35826
collaborative leadership; action learning; management education, 36430
collective mathematical understanding; improvisation; mathematics education; classroom practice; mathematical tasks, 18054
collinear context; perceptual filter; Gabor stimulus; classification image method, 30918
communication education; teaching; learning; journal, 22366
complex emotion; learning; amnesia; decision making; episodic memory systems; frontal lobe lesion, 14278
complex systems; education; scientific importance; educational importance; learning science research, 14899
computational intelligence; earth sciences; generic theoretical frameworks; predictive learning; environmental sciences, 36601
computational model; habituation; learning; cognitive processes, 6400
computer assisted instruction; intellectual disabilities; information technology; special education; learning, 30374
computer assisted language learning; computer assisted teaching; research synthesis, 11915
computer experience; computer programs; computer networking; learning; students, 15070
computer supported learning; effective learning; enjoyable learning; instructional design, 11931
computer systems; learning; metacognition; comprehension; Point&Query; AutoTutor; iSTART, 5746
computerized visualizations; problem solving skills; probability theory; mathematical solution; learning; text; mental images; animation; cognitive load theory, 11960
conditional effects; interventions; note-taking procedures; learning; effect size; academic achievement, 27293
conflict adaptation effect; priming; cognitive adaptation; response conflict monitoring; repetition-priming; information processing, 9528
conflicting values; postmodern values; modern values; achievement values; school related decisions; students' values; well being values; student learning, 2722
content-focused technology; teacher learning; technology integration; learning framework; learning communities; educational institutions; inquiry groups, 8869
contingency learning; task complexity; judgments; primacy effect; working memory, 31054
continuous learning; age; unemployed job seekers; social support; education initiative; updating behavior; past job control; motivation to learn; financial hardship, 33510
creative collaboration; teaching and learning; music composition; composer teacher interaction; music education, 18007
cue competition; designs; reasoning process; causal learning; learning phenomena, 24870
cue competition; human causal learning; experimental task; elemental; configural, 387
cue interaction; predictive responses; cue competition; learning phase; causality assessments; theories, 15747
cultural beliefs; Western beliefs; Chinese beliefs; human learning, 6584
cultural diversity model; learning; teams; learning; academic team processes; cultural characteristics; heterogeneity; team performance, 5845
curiosity; pleasures; learning; neuroscience; motivation; affective experience, 6764
decision making; basal ganglia; dopamine; orbitofrontal cortex; neural network; reinforcement learning, 18970
democracy; learning; religious education; moral education; citizenship education; decision making, 25434
depression; Alzheimers disease; aging; learning clinical challenge, 1888
development of fraction concepts; physically distributed learning; physical environments, 430
developmental process; urban environment; Arts youth program; learning; life transition; adult life, 19231
digital cameras; multidimensional learning; K-12 classrooms; educational tools; today's classrooms; students, 33347
discourse context; reading; learning; printed words; pronunciation; attention; retention, 25272
dog; classroom; children with severe emotional disorders; learning; emotional stability, 27270
dual task interference; working memory; perceptual category learning, 22026
e-learning; continuance intention; technology acceptance model; service & system quality; usability, 24460
educational media; media; learning; technology, 36164
elementary students; learning; bar graphs; graphing application software, 21176
emotion-based learning; Iowa Gambling Task; negative symptoms; schizophrenia; set shifting; positive symptoms, 19870
emotional experiences; learning process; feelings, 5642
emotional impact; learning; group dynamics; student progression; retention; social integration; academic achievement, 24211
emotional intelligence; cross cultural differences; facial expressions; emotion recognition; learning; training, 31857
English learning toddlers; novel spatial word learning; spatial relations; novel word; language specific semantic spatial categories, 19168
environment; embodied structure; learning; instruction giving; interaction; post-instruction performance, 24199
errorless learning advantage; word stem completion; memory impaired participants; implicit memory; explicit memory, 14254
evaluating effectiveness; infusion learning model; physical education majors, 11895
evolutionary learning community; societal transformation; arts; sciences; systems design, 28556
example elaborations; active learning; procedure acquisition; database; instructional meterials, 24181
exercise; single mathematical object; pedagogy; variation; sense making, 15745
expectations; teaching; learning; Taiwan; foreign; college students; special education, 14901
extinction; learned inhibition; fear; neuroscience; erasure; learning, 18949
eyetracking; selective attention; category learning, 436
feature integration; learning; binding problem; attentional set; event file; visual features, 24715
feedback model; perceptual learning; categorization; visual perception; cortical region interactions; visual information processing; top down information, 18431
feedback; learning; teaching; computer assisted instructions; human machine systems design, 3060
filtering ranking perceptron learning; partial parsing; phrase recognition system; algorithm learning, 6123
fluency; discrepancy; familiarity; encoding; learning; memory; recognition, 31050
function learning; extrapolation; interpolation; models; linear functions; continuous predictor & criterion, 31051
game learning; convergence; Crawford puzzle; reinforcement learning; lagging anchor learning model, 1130
gaze; mentalistic phenomenon; cultural learning; human cognitive phenomena, 22475
gender gaps; group listening; group speaking; social constructivist approach; teaching; learning, 5650
generality; repetition; descriptive learning models; simulation based analysis; within-game predictions, 9629
genomics; learning; memory; microarray technology; brain, 18942
gesture; learning; problem solving, 25252
goal orientations; adaptive learning; achievement motivation; conceptualization; self improvement; test validity; test construction; competence, 30169
group supervision; facilitating learning; teaching; mental health care; mental health clinical placements; general nurse students; student perceptions, 17877
habituation; associative learning; cuttlefish; dishabituatory stimulus, 24905
hands; gestures; mental processes; speech; learning; teaching, 3370
High Scope Ireland Conference; High Scope participants; long term benefits; literacy; school success; employability; substance misuse; delinquency; pregnancy; Plan-Do-Review approach, 11593
higher education; participation; educators; learners, 14891
human amygdala; emotion; cognition; emotional learning; memory; perception; social stimuli; human behavior; cognitive neuroscience, 9525
human categorization behavior; exemplars; category learning; discriminating stimuli; rule based theories, 18807
human causal induction; causal learning; cognitive processes; inference, 15683
human causal learning tasks; second-order conditioning; cause & effect; training; extinction; mental model; associative mechanism, 21993
human development; family science; masters program; learning; curriculum change, 14992
human development; magnetic resonance imaging; learning; brain structure; cognitive development, 18947
human learning; contingency learning; generalization; gradient; extinction, 31071
human learning; trial-by-trial learning; covariation learning; causation; contingency; signal detection theory; judgment; outcome expectancy measures, 393
human operant learning; concurrent reinforcement; response variability, 15729
human resource development policy; management development; participation; mid-career managers; lifelong learning, 21358
hypermedia learning systems; navigation support, 11905
imagination; modality; instructions; visual diagrams; learning; written text; cognitive load, 30325
immediacy behaviors; online course; learning, 8929
implementing m-learning modules; mobile learning system; architecture; prototype; adaptation perspective; learning environments; e-learning, 24187
implicit learning; nonlocal rules; music; inversion rule; mere exposure effect; artificial grammar learning; chunking; diatonic inversion, 6580
incremental learning; category structure; inferences; judgments; family resemblance, 30978
inductive analysis approach; detecting learning design patterns; human cognitive processing; pedagogical patterns, 11901
infant; cognition; self-propulsion; animacy; learning; concept acquisition; motion properties, 31420
infants; memory; movement development; contingency; learning, 25298
information literacy skills; information and communication technologies; teaching; networked learning; higher education; technical skills; Internet, 36256
information presentation; troubleshooting skill; learning; working memory; procedural information; implications for problem solving teaching methods, 18785

information visualizations; knowledge acquisition; dimensional factor; color coding factor, 9590
instructional intuition; management education; action learning, 36440
instructional practices; grades 1 and 2; reading & spelling achievement; high poverty schools; literacy; teaching effectiveness; learning, 11832
integration; student perceptions; faith; learning; social work students; undergraduate students, 36351
intellectual ability; metacognition; learning; problematicity theory; task complexity, 33988
interactive computerized environment; students; theory concepts; collaborative learning; arguments, 21149
interference; human causal learning; human predictive judgments; reinstatement, 6575
Internet; computer assisted teaching; education; music; learning environment; single modal systems; dual modal systems; e-learning; managed mix; multimedia; text only; auditory-verbal condition, 18040
interprofessional learning; higher education structural barriers; patient centred collaborative practice; faculty jurisdictions; human service programs, 5539
interprofessional learning; interprofessional education; health professional learning; learning approaches; cooperative learning; positive interdependence; interpersonal skill; experiential learning, 5532
interventions; causal learning; decision making, 21957
intuitive decision making; complex situations; somatic markers; artificial grammar learning task; skin conductance measures, 3410
investment risk; structural uncertainty; learning; equilibrium; consumption, 34484
involving undergraduates; aging research; university; life long learning; mentor; interpersonal relationships, 30301
Jigsaw cooperative learning activities; handheld technology; nursing students; attitudes; performance in learning; interaction, 30196
Jim Kaput; university professor; conceptual educational systems; learning scientist, 14900
John Bowden; learning practice; teaching; university, 2578
judgment; risk; risky choice; sequential choice; subjective probability; cognitive processes; learning; stochastic model, 411
judgments of learning; model; metamemory; stochastic drift, 402
judgments of learning; online monitoring; cue; paired associate; words, 15730
judgments of learning; underconfidence; debiasing; foresight, 18847
Kantian ideal; medical learning curves; medical practice; medical practitioners; learning; pofessional ethics, 11815
Kintsch's Construction-Integration Model; text comprehension; learning, 27917
knowledge acquisition; hypervideo design; learning; knowledge transforming processes, 36287
knowledge; interest; academic development; academic achievement; domain knowledge; learning, 11995
language learning websites; discipline specific factors; usability; e-learning; foreign language learning, 36285
language; literacy; federal legislation, 6926
language; statistical learning; rule learning; parsing; syllables; nonadjacent events; nonadjacent dependencies; associative mechanisms; algebraic like computations, 18828
latent inhibition; human predictive learning; cue preexposure; cue outcome pairings, 15735
leadership mentoring; situated learning; school principalships, 33356
learner generated drawing; learning strategy; expository text; problem solving; drawing groups, 21204
Learning Behaviors Scale; factor structure; construct validity, 21710
learning communities; Louisiana state university; social support; academic support; curriculum; African American popular culture; linked courses; faculty collaboration; race; hip hop music; sports, 21142
learning communities; special education; high schools, 24254
learning communities; student attitudes; typology; student experiences; community programs, 11929
learning conditions; variation theory; pedagogy; awareness; experience; phenomenography, 36168
learning design expressiveness; evaluation benchmark; suitability; IMS Learning Design, 11903
learning design players; CopperCore Learning Design Engine, 11941
learning design; teaching; group dynamics; education, 18030
learning experience; elementary school students; math problems; multiple solutions, 27218
learning experience; social science research; higher degree program, 27231
learning opportunity; student performance; algebra assessments; English assessment; student performance; teacher expertise, 8958
learning outcomes; multicultural music education; classroom learning; sociocultural phenomenon, 36225
learning process; educational settings; high probability request; noncompliance; reinforcement, 27542
learning protocols; computer supported writing; adaptive prompts; eHELp, 12370
learning scenarios; learning units; conceptual elements, 11909
learning tasks; cognitive skills; law students; driving questions, 30284
learning theory; statistical probability; selective attention; locally Bayesian learning; trial by trial learning, 33865
learning-oriented assessment; feedback; technology; teacher education; peer learning, 36253
learning; active aging; health; life events; spirituality; emotional status; gerontology, 19263
learning; Asia Pacific region; primary education; senior secondary schools, 36162
learning; asymmetric games; mixed strategy equilibria; bimatrix games; response dynamics, 2972
learning; bilingual development; sociocultural interpretation; young children; language; peers; teachers; conscious learning efforts; proactive learning & teaching, 30310
learning; childhood development; nursery; communications technology skills; emergent information; computers, 36268
learning; conditioning; expectancy; automatism; dissociations; reaction times; priming, 31063
learning; diagrams; self-explanation; mental models; comprehension processes; inference generation, 14994
learning; evolution of strong reciprocity; ultimatum game; phenotypic plasticity, 31736
learning; free recall; testing effect; students' confidence; retention; memory, 21199
learning; freedom; ski simulator task, 18841
learning; freedom; ski simulator task, 21990
learning; internet use; literacy practices; web reading; childrens skill; web based texts, 8987
learning; media; technology; education; information; communication; Internet; secondary school students; curriculum; media literacy; teacher education program, 36259
learning; movement sequences; proactive effects; retroactive effects; interference paradigm, 12777
learning; multimedia environments; high tech environments; cognitive theory; media; technology, 24860
learning; multiple representations; cognitive science; constructivist; educational theory; design framework; functions framework; tasks framework, 27815
learning; students; teaching; teachers, 18056
learning; text based learning environment; instructional strategies; higher education, 5752
learning; worked examples; instructional explanations; self explanations; germane cognitive load, 24185
lexical stress differences; lexical access; learned words; artificial lexicons; cohort items; segmentation; rhyme, 12715
limb movements; motor plasticity; learning mechanisms; sensory adaptation, 15633
literacy experience; preliteracy knowledge; environmental factors; school based literacy; children; twin pairs; genetic mediation, 9772
literacy learning; pedagogical purpose; Vivian Paley's storytelling curriculum; dictation; dramatization, 8894
locomotion control; visual cues; locomotor strategies; age related changes; learning, 13134
logistic model trees; supervised learning; tree induction methods; linear models; numeric values prediction; algorithm; classification problems; logistic regression, 3226
marker characteristic stability; Rasch model; academic achievement; learning, 24646
math-estimation task; communal learning; individual learning; African American children; cultural context, 11988
mathematical learning; computer assisted teaching; mathematical multimedia software; Down syndrome; special education, 30375
mathematics; cognitive correlates; arithmetic; algorithmic computation; word problems; third grade skill; language; problem solving; concept formation; processing speed; long term memory, 15003
medical students; motivation; learning, 2453
medical students; motivation; learning, 2527
memory model; regression analysis; learning curves; animal learning; addicts, 6669
memory; mathematics learning difficulty; basic addition performance; counting speed; adolescent student; learning; problem solving strategies, 21186
metacognition; judgments of learning; underconfidence with practice; retrieval fluency; judgment bias, 6432
metacognition; need for cognition; learning; problem solving; task performance, 6512
metacognition; study-time allocation; region of proximal learning; education; memory, 18848
metacognitive control; optimal learning; learning curves; learning environment, 33991
metacognitive control; study repetitions; remembering; learning; decision making; memory, 21970
metacognitive knowledge; learning; technology; classrooms, 5780
microtubule associated protein deficiency; behavioral phenotype; altered retina function; mice; altered behavior performance; learning; memory; synaptic neurotransmission, 3522
modality effect; graphical information; learning, 11918
modality of instructional messages; method-affects-learning hypothesis; media; learning; instructional methods; instructional messages; multimedia; animated pedagogical agent; virtual reality, 24196
modality; learning braille; haptic alphabets; blind persons; communication; learning; stimulus discrimination, 27863
motivation; delivery mode; learning goal orientation; perceived barriers; perceived enablers; course outcome; course satisfaction; classroom; blended learning courses, 33405
motor learning; nonlinear dynamical system; bifurcation; time scale; landscape, 18765
multiple solution methods; mathematics learning; worked out examples, 24188
museum; electronic; guide; PDA; learning; art, 30304
mutation; hippocampal learning; inbred mouse strains; cognitive abilities; fear conditioning; genetic background; genes, 3515
neural correlates; memory development; learning; neuroimaging; behavioral measures; cognitive processes; developmental processes, 15705
neural markers; categorization; human infants; learning processes; electrical activity, 10063
neural network model; learning; human cognition; relational thinking; relational concepts, 27832
neural network;local learning; information maximization, 6147
neural representation; pictorial occlusion; object recognition; human visual system; magnetic resonance imaging, 18996
neurobiology; learning; memory, 12876
neuroscience; education; cognitive neuroscience; classroom applications; brain-based learning, 24965
nonprofit organizations; Foucauldian reading; feminist organizations; womens learning, 13396
nursing work environment; patient safety; learning organization, 17831
nursing-related learning; breast feeding; preference formation; artificial scent; odor; maternal milk; infants; nursing, 25240
oddball items; memory; isolation; differentiation; category learning, 18808
online language learning; electronic literacy skills; Webheads; electronic literacy; discourse management; technological skills; synchronous text-based computer-meditated communication; scaffolding, 8940
online learning; femininities; role-playing games; chat rooms; instant messaging; girls interactive; gender identity, 31458
online multiclass learning; feedback; utterance classification; algorithms, 6121
online unsupervised classification; learning mechanism; unsupervised topology, 24503
ontologies; integrate learning design; learning object content, 11933
open discussion; problem solving; blame; learning; organizational behavior, 7431
organizational justice; learning motivation; training outcomes, 30467
organizational knowledge; learning, 24405
orienting tasks; learning; learner attitudes; educational hypertext system, 21139

parental role; learning facilitation modes; informal learning; mathematics; Grade One learners, 18018
Parkinson's disease; dopaminergic modulation; learning; memory; impaired learning; L dopa, 17340
payoff structure; regulatory focus; perceptual categories; motivation & learning; promotion focus; prevention focus, 9601
pedagogy; learning; teaching; elementary literacy; teacher education, 17995
perception; initial probabilities; Bayes Window; Bayes theory; prior probability; innate skills; illusions; learning, 19179
perceptual learning; cortical plasticity; Hebbian learning; reweighting; connectionist model; linear classifier; orientation; discrimination, 435
perceptual learning; implicit memory; scene perception; visual features; chunking; multielement scenes; statistical learning; visual shape combinations, 3307
perceptual learning; inhibitory associations; rats; humans; inhibition; flavor aversion; generalization, 18854
personal digital assistant orientation; screen layout; Chinese vocabulary learning; young children; preferences, 21524
personal selling course; service learning inputs; service learning outcomes, 27177
pervasive learning games; hybrid educational gamescapes; learning tools; video games; NOKIAGAME; mobile phones; computers, 27136
philosophers; educationalists; dualistic theory; learning; teaching; reflection, 25147
polydrug abuse; cocaine; alcohol; learning; stimulus response associations, 10821
pop up windows; multimedia learning; textual information, 27896
portfolio assessment; learning enhancement; effective practice; students responsibility; candid reflection; strategic prompts; metacognitive independence, 5742
positive emotions; race bias; face recognition; holistic processing; learning, 9633
positive washback; international teaching assistants; training program; learning outcomes; classroom activities; spoken language proficiency, 14935
postgraduate nursing students; innovative computer simulation; multimedia learning; patient management; clinical cues; evaluation, 21009
prepulse inhibition; fear potentiated startle; tissue inhibitor of metalloproteinase; knockout mice; emotional learning; extracellular matrix, 3518
preschoolers; physical knowledge; sinking objects; learning; mistaken beliefs, 7001
preschoolers; speakers desires; new words; toys; word learning, 25290
primates; optimal control theory; medical superior temporal; cerebral cortex; recurrent neural network; model, 6152
priming; reactivation; memory accessibility; infants; forgotten memory; retention, 16092
prism adaptation; schizophrenia; procedural learning; cerebellum; neural networks; awareness, 32142
proactive personality; motivation to learn; five factor model of personality; development activity, 28668
probabilistic categorization; probabilistic category learning; strategies; hippocampal damage; cues; young adults, 18987
problem based learning; undergraduate community nutrition class; curriculum, 36289
professional development; classroom context; technology integration; education program; learning communities; technology program, 8868
professional development; higher education; portfolios; learning; assessment, 11837
professional development; school settings; apprenticeship; professional learning; culture; cognition; personality, 17975
professional knowledge; service learning; reflective learning; students learning styles; marketing education, 27128
psychosocial development; school success; emotional learning; social learning; quality of life, 16180
public health; evidence based learning; policy resistance; complex systems; systems thinking; simulation modeling, 26868
rational learning; bounded learning; policy choice; policy innovations; developing countries; trade regimes; community services, 13279
reactive transactions; personality; learning; individual differences; adult developmental trajectories; differential learning; reactive personality-environment transactions, 31489
reading instructions; English language learners; bilingualism; elementary reading, 8941
reconfigurability; creating new courses; learning objects, 11967
reflection; learning; student attitudes; classroom setting, 12021
reflective practice; teaching; learning; educational contexts; teacher training college, 27153
reflective writing; learning; cognitive development; creativity; qualitative research, 1225
regulative support; scientific inquiry learning; online tool support; student learning; computer simulation, 30314
reinforcement learning scheme; multi agent game; Markov decision process; information games; decision problem, 6130
reinforcement learning; eye movement behavior; attention; reading; computational models; reading, 18803
relational learning; pediatric palliative care; transformative education; culture of medicine; educators; family, 30086
residents responses; medical error; coping; learning; change; emotional challenges; medical mishaps, 24064
response priming; response effects; associative learning; visual effect stimuli; auditory effect stimulus, 18838
retrieval inhibition; episodic recall; cognitive tasks; forgetting; learning; cues; age differences, 3436
rhesus monkeys; cocaine self-administration; delayed reinforcement; acquisition, 471
salespersons; goal orientation; achievement motivation; performance avoidance orientations, 24362
Scalar Expectancy Theory; testing; learning to time model; temporal bisection task; timing; pegions, 24892
school development; education for sustainable development; Austria; global learning, 36277
school leaders; learning; individual development; professional practice; head teachers; Scotland, 5718
science classroom; teaching; learning; students' practical epistemology; teachers' epistemological moves; conversations; meaning making, 18086
scientific thinking; learning; scientific reasoning; students development; urban sixth graders, 11991
scientific thinking; learning; scientific reasoning; students development; urban sixth graders, 11992
scientific thinking; learning; scientific reasoning; students development; urban sixth graders, 11993
senior adults perceptions; successful aging; life changes; learning; coping; health, 25389
sensorimotor map; modulating lateral interactions; reasoning; planned behavior; reinforcement learning approaches; neural field models; motor activities, 33983
sequence learning; serial reaction time; response selection, 15591
serial recall; Hebb repetition effect; short-term memory; learning, 24865
service learning; graduate gerontology program; foster grandparent program; learning collaboration, 23910
shallow learning; deeper learning; reading time; general relevance instructions, 30316
shape bias; word learning; taxonomic bias, 3819
sleep and learning; REM sleep; memory; neurocognitive approach; dreams; sleep wake cycle, 18878
social context; children's categorization; play; cue; learning; child perceptions, 16177
social; emotional; ethical; academic education; learning; participation; democracy; well-being; social-emotional education; character education; school based mental health; quality of life, 33343
software scaffolding; middle school students; coordination of theory and evidence; evidence-based explanations; scientific reasoning, 11935
software technologies; research; learning; school reform; educational psychology, 14987
spatial intuitions; learning; rotations; virtual reality, 6542
speech segmentation; statistical learning; attention, 9961
spelling; spelling development; sound-to-spelling relationships; context-sensitive spelling patterns; vowels; phonemes, 28308
statistical computation; rule-based computation; associative learning; language; statistical learning; parsing; syllables; nonadjacent events; nonadjacent dependencies; algebraic like computations, 18856
stimulus appearance; affect learning process; symbolic structure; artificial grammar learning, 27913
stimulus orientations; categorical discriminations; perceptual categories; learning, 9581
stressful experience; learning; lifespan; eyeblink conditioning; classical fear; threatening stimuli; stress hormones; neuronal activities; age differences; sex differences, 10523
structural similarity; spatiotemporal noise effects; learning dynamic; novel objects, 21883
student attitudes; books; computers; learning, 15056
student perceptions; written feedback; tutors; learning; assessment, 12013
students approaches; teachers approaches; learning conceptions; academic context perceptions; teaching conceptions; teaching environment perceptions, 8934
students civic attitudes; social capital; learning outcomes, 15047
students participation; students perceived learning; anticipated future behaviors; campus judicial systems, 8832
studying persistence; academic achievement; competing tendencies; learning activities; leisure time engagement; study motivation; optimal learning, 2701
subiculum; instrumental learning; dopamine receptors; motivation; rats; motor behavior, 22291
subiculum; instrumental learning; dopamine receptors; motivation; rats; motor behavior, 22334
subject performance tasks; associative learning; amnesia; mild cognitive impairment; free recall; recognition memory, 32642
symmetry; duality; ecological psychology; Robert E Shaw; human learning; space perception, 12321
synaptic plasticity; synaptic communication; learning; memory maintenance; neurons, 18944
tacit knowledge; medical education; learning; medical teachers; pedagogic principles; knowledge base, 17872
teacher education; literacy; professional knowledge; student learning outcomes; classroom research, 30244
teacher immediacy; motivational factor; student learning; causal model; cognitive learning, 18003
teacher nonverbal immediacy; teacher credibility; student motivation; student affective learning; college teachers; college students, 27226
teachers perceptions; teaching; learning; knowledge building community; professional development, 36185
teaching action research; postgraduate students; demographics; learning style, 15010
teaching; autonomous learning; higher education; learning system; media studies module, 11955
teaching; learning; higher education, 2585
technology affordances; undergraduate students; learning environments; computer technologies; elementary school students; middle school students; learning outcomes, 18068
technology integration; early childhood learning; urban elementary school; 100 days of school project; enhanced learning; literacy; technology in primary education, 11946
technology; media; educational practices; teaching; learning, 36260
technology; teaching; learning; teachers; computer assisted learning, 30238
teens; learning; ragtime festival; school structures; ethnography; hegemonic; guns; school violence, 33348
testing; written feedback; music students; communicative learning; practice, 12004
testosterone; cognition; sex hormones; learning; memory; aging, 22281
theoretical perspective; generic learning view; understanding coaching; learning coaching; learning processes; conceptual research framework; coach development, 27444
third age education; Canada; Japan; attitudes; aging; learning; participation; society, 25392
thought processes; self-as-a-model intervention; learning to swim; children, 22248
time preference; learning; Ukrainian students; economic theory; individual preference; competitive markets; cooperative action, 31799
traditional classroom; online discussion; student motivation; learning activities; college students; student attitudes, 30328
transcription factor; CREB activity; learning; brain region involvement; memory; cAMP response element binding protein; hippocampus, 6745
trend-setting learning biographies; cultural script; young people; late modernity life; knowledge-based societies; life course; sociology, 28233
tutoring mode; help tools; distance education; virtual learning; prompting; human tutor access; means of intervention, 33395
user interfaces; consumer perceptions; online stores; telepresence; Internet; virtual reality; consumer learning, 15258
ventral striatum; nucleus accumbens; prediction errors; classification learning, 34121

verbal labeling; verbalization; action-effect learning; event representations; action goals, 34360
vertical Simon effect; spatial compatibility task; learning effects; automatic two dimensional spatial coding; prior practice, 3394
video; classroom; instructional practices; films; mass media; learning tool; teacher perceptions, 36246
virtual group problem solving; basic communication course evaluation; online learning; performance expectations; threaded discussion boards, 21157
visual familiarization; Headturn Preference Procedure; audio familiarization; Preferential Looking Procedure; emergent effects; infants; segmentation; word learning; grammar, 34354
Wisdom Development Scale; integrated learning outcomes; higher education; test reliability; test validity; psychometrics; factor analysis, 21632
word learning; children; vocabulary deficits; specific language impairment; novel words; explicit teaching; phonological form; semantic properties, 4571
word learning; event-related potentials; N400; vocabulary learning; familiarity; individual differences, 6796
working memory capacity; seductive details effect; text; learning; comprehension, 22013
working memory; executive functioning; educational attainment; learning; school achievement, 19197
working memory; short-term memory; Down syndrome; Williams syndrome; specific language impairment; attentional deficits; neurodevelopmental disorders; diagnosis; remedial support; learning, 7573
Learning [See Also Adult Learning, Animal Learning, Cognitive Hypothesis Testing, Conditioning, Cooperative Learning, Discrimination Learning, Experiential Learning, Extinction (Learning), Foreign Language Learning, Generalization (Learning), Generation Effect (Learning), Implicit Learning, Incidental Learning, Intentional Learning, Interference (Learning), Mastery Learning, Maze Learning, Mnemonic Learning, Nonverbal Learning, Observational Learning, Organizational Learning, Perceptual Learning, Probability Learning, Rat Learning, Relearning, School Learning, Self Regulated Learning, Sequential Learning, Serial Learning, Skill Learning, Social Learning, Spatial Learning, Spontaneous Recovery (Learning), State Dependent Learning, Transfer (Learning), Verbal Learning]—Books
Building effective learning communities: Strategies for leadership, learning, & collaboration, 11874
The Cambridge handbook of: The learning sciences, 27142
Constructivist learning design: Key questions for teaching to standards, 30302
Differentiating the high school classroom: Solution strategies for 18 common obstacles, 21169
The implementation guide to student learning supports in the classroom and schoolwide: New directions for addressing barriers to learning, 33420
Integrating inquiry across the curriculum, 11972
The learning brain: Lessons for education, 515
Powerful classroom stories from accomplished teachers, 5687
Service learning: A guide planning, implementing, and assessing students projects (2nd ed.), 21166
Teaching and learning: Lessons from psychology, 5683
Voices of Experience: Memorable Talks From the National Institute on the Teaching of Psychology, Vol. One, 8954
Learning Ability—Serials
cerebral asymmetry; fusiform areas; learning efficiency; new writing system; individual differences; fMRI, 31234
compensation strategies; organizational learning; learning capability; Spanish chemical industry; employee commitment, 2784
comprehensive vocabulary instruction; metacognitive word learning skills; reading comprehension; vocabulary achievement; elementary school children; vocabulary intervention, 5758
correlation information; perceptual categories; learning; 4 mo olds; rapid correlation, 10052
epistemological beliefs; ways of knowing; academic performance; learning ability; college students, 15020
facilitating self regulation; higher education; self report; undergraduate students; learning behavior, 33467
hippocampus; spatial memory; nutrition; birdsong; developmental trade-off; development; Aphelocoma californica, 3599
immune cells; neurogenesis; spatial learning abilities; adult brain; lymphocytes; microglia; hippocampus; mice, 22229
Knoxs cube imitation test; verbal memory; learning ability; motor performance; intelligence quotient; behavioral assessment; intelligence measures, 6286
learning names; count nouns; infant development; visual perception; cognitive ability; language development; meaningfulness, 16095
learning styles; cultural differences; Kolb's learning model; typologies, 7205
learning; linear functions; nonlinear functions; younger adults; older adults; cues; ability; age differences, 31056
mathematics skills; Tswana speaking learners; mathematics achievement; social class; South Africa, 15009
organization learning capability; chemical industry; psychometrics; test reliability; test validity, 3210
preposition comprehension; word learning abilities; language development, 22493
preposition comprehension; word learning abilities; language development, 31422
second order judgments; judgments of learning; judgment accuracy; metacognition, 3365
self explanation; encoding; kindergartners; experts strategy; learning, 11978
significant life events; memories; future learned responses; stress; hormones; neuroanatomy, 12781
spatial memory; hippocampus; development; nutrition; Aphelocoma californica; Western scrub jays, 3456
statistical computations; speech stream; rodents; speech perception; learning abilities, 614
teacher training; technology; professional development; pedagogical agents; learner personalities, 10469
working memory; learning; genetically diverse mice; cognitive abilities; retention; individual differences, 9696
working memory; phonological awareness; progress; early learning goals; cognitive functioning; school entry, 3816
Learning Centers (Educational)—Serials
community; educational institutions; social programs; No Child Left Behind Act; science-to-policy translation; federal funding; after-school programs; community learning centers, 30279
community; educational institutions; social programs; No Child Left Behind Act; science-to-policy translation; federal funding; after-school programs; community learning centers, 30280
reading scheduling; writing scheduling; small group instruction; learning center designs; learning activities; student performance, 2659
Youth Work Learning Center; child & youth care workers; education; training, 2495
Learning Disabilities [See Also Dyslexia]—Serials
academic achievement; behavioral functioning; intellectual disabilities; high incidence disabilities; students; special education; learning disabilities; IQ, 2751
academic interventions; brief experimental analysis; oral reading; response to intervention; learning disabilities, 15090
ADHD; executive functions; learning disabilities; girls; neuropsychological functioning, 17063
adult learning disability; errors; control groups, 27648
advocacy services; learning disabilities; evaluation, 17673
advocacy; learning disabilities; stakeholders; interviews, 26224
affective problems; mild learning disability; social disadvantage; ill health; risk factors, 1619
affective problems; mild learning disability; social disadvantage; ill health; risk factors, 1621
alternative models; learning disabilities identification; responsiveness to intervention, 10905
arithmetic; problem solving; word problem; arithmetic learning disabilities, 29130
auditory perception; visual perception; speech perception skills; language learning disabilities, 17082
Baroness Ashton; learning disabilities; consultation exercise; decision making; Mental Capacity Act, 12387
British Journal of Learning Disabilities; learning disabilities; national health services, 26225
British Journal of Learning Disabilities; learning disabilities; national health services, 26227
care proceedings; learning difficulties; jurisdictions; parents; family network; court studies; child care; Australia; England, 6169
Caucasians; Hispanics; Latino children; learning disabilities; differential diagnosis; word recognition; vocabulary skills, 11224

central coherence skills; detail focused processing; adolescents development; intellectual disability; comorbid; autism spectrum disorder; cognitive ability; early intervention, 14031
cerebello cerebral disorder; neuroanatomy; learning disabilities; visuo-spatial deficits; cerebellum; neuropsychological assessment; executive functions, 35292
checklist development; child characteristics; developmental perspective; educational facilities; learning disabilities; special education; educational programme; childhood development, 6351
child perceptions; arts inclusion project; musical performance; learning difficulties, 18146
children with learning disabilities; research consent; research confidentiality; data protection; research process; regulations; learning disability research; child development; ethics, 30157
children; learning disabilities; capacities; exogenous interference; distraction, 1618
childrens writing problems; clinical disorders; writing skills; learning disibilities, 10886
Chinese dyslexic children; word learning deficit, 23241
chronic earwax obstruction; ear infections; learning disabilities; tooth removal; clinical records, 14039
classroom; clinic; language learning disability; academic concepts; teacher language; discourse difficulty, 7946
co-teaching; learning disabilities; educational technology; computer assisted instruction, 27277
cognitive behavior therapy; learning disabilities; clinical psychologists; practitioner consensus, 32445
cognitive tools; writing skills; student performance; learning disabilities, 7938
college algebra; students; mathematics disability; differentiation; mathematics difficulty; math fluency; nonverbal/visual reasoning; reading; attention; working memory, 2746
college students; learning disabilities; grade points; college outcome, 2588
college students; mathematics course; learning disabilities; performance, 2752
comic strip conversations; social skills training; behavioral support strategy; learning disability; cognitive disability; behavioral disability, 1603
comorbidity; frequency discrimination; children; reading difficulties; learning difficulties; verbal ability; attention deficit hyperactivity disorder; attentional factors, 26229
controlled drinking programme; learning disabilities; living condition; medium security; alcohol awareness programme; alcohol use, 26953
coping behavior; learning disabilities; self harm; female patients; secure facilities, 1623
curriculum based measurement; goal setting; student understanding; goal awareness; reading goals; learning disabilities, 9041
definitional models; assessment models; special education; English language learners; learning disabilities; curriculum-based dynamic assessment, 18109
disabilities; learning; general education curriculum; communication access; special education; perception; Comprehensive Assessment of Student and Team Supports; Beyond Access model, 36362
Down syndrome; executive function; learning disabled, 32465
ecological validity; learning disabilities; diagnostic models, 14038
education policy; disabilities; special education teachers; principals; education department; assessment program; special education students, 33479
effective schooling; learning disabilities; Benchmark School; academic achievement; school failure; theory; school environment, 21088
elementary students; mild disabilities; general education classrooms; peers; social interventions, 18136
eligibility determinations; English language learners; reading related learning disabilities; special education support, 18147
English language learners; language acquisition; learning disabilities; literacy, 18124
epidemiology; modeling; risk factors; protective factors; learning disabilities, 29133
expressive writing program; writing skills; high school students; learning disabilities, 7954
family caregivers; learning disabilities; minority ethnic groups; social worker support; social services, 29868
financial decisions; adults; learning disabilities; social policy; legal policy; clinicians, 32449
fragile X mutation; autism; mental retardation; learning disabilities; neurodegeneration, 8022

genuine inclusion; students disability; colonizing discourses; learning disabilities, 9030
gifted students; learning difficulties; creativity enrichment program, 18130
gifted; learning disability; risk factors; resilience, 7939
girls; Turner syndrome; primary school students; mathematical disability; normative group; counting skills, 26299
goal orientations; motivation; elementary school students; learning disabilities; academic achievement, 18098
government policy; disabilities; social processes; social support; inequalities; learning disability; community; society, 29126
graduate students; communicative disorders; language learning disabilities, 7996
graphic symbols; sentence structures; students; learning disability; syntax, 30381
group counseling; parents; children with learning disabilities; counseling groups; stress reduction; parents, 11348
high school students; emotional disturbances; learning disabilities; academic skills; social skills; behavioral skills, 28752
high school; algebra; learning disabilities; student perceptions; intervention; success; accomodations, 2744
hospital; community; employment; Dr. H. C. Gunzburg; Monyhull Hospital; learning disabilities, 17804
individual educational plans; learning difficulties; special education students, 36366
individualized education program; student participation; planning meeting; self directed learning; special education; disabilities, 33475
integrated mental health service; psychiatric disorders; learning disabilities; public policy, 26216
intellectual disabilities services; Greece; vocational services; educational services; diagnosis, 26231
intellectual disabilities; learning disability; social inclusion; supported living, 32453
intellectual disability; offending by intellectually disabled; police officers; residential care staff; reporting criminal behavior to police; rape; theft, 10865
intervention response; feasibility; issue examination; scientific evidence; identification; learning disabilities, 12053
intervention strategies; behavioural difficulties; social context; emotional difficulties, 29127
juvenile offenders; learning disabilities; conduct problems, 17017
language learning disabilities; dyslexia; speech language pathologist, 7993
language learning disabilities; reading disabilities; language intervention; language disorders, 7955
language learning; speech language pathology; learning disabilities; literacy, 14094
language skills; learning difficulties; reading skills; sentence recall, 7934
learning difficulties; creativity; rituals; special needs; therapists, 29125
learning difficulties; learning disability policy; empowerment; labeling; self-advocacy; resilience; service provision rhetoric, 7940
learning difficulties; mothers; child protection; experiences; vulnerable families, 26210
learning disabilities services; network training; support system; care management; evaluation, 26839
learning disabilities; academic achievement; intelligence quotient; identification cariteria, 7943
learning disabilities; advocacy schemes; advocacy evaluation models; public accountability, 9148
learning disabilities; behavioural intervention; challenging behaviours; hospital resettlement, 11319
learning disabilities; civil rights movement; teaching; historical content; middle school students; curriculum, 18115
learning disabilities; cognitive behaviour therapy; psychosis experience; men; clients, 11314
learning disabilities; college students; parental communication; discursive distancing; identity negotiation; self perceptions, 19459
learning disabilities; depression; students; risk factors, 14041
learning disabilities; diagnostic approaches; definitions; legislation; psychiatric systems; diagnostic system; clinical judgment; discrepancy model; classification model, 14042
learning disabilities; early intervention; dual discrepancy, 10903
learning disabilities; English learners; nondiscriminatory assessment; Education for All Handicapped Children Act; Individuals with Disabilities Education Act; special education, 30366
learning disabilities; general education; learning seminar; classroom inclusion; team teaching; school support; school opportunities; equal opportunity; academic achievement, 36357
learning disabilities; guardianship practices; community integration, 1624
learning disabilities; health needs; local community; external placements, 26223
learning disabilities; identification patterns; prevention outcomes; responsiveness; intervention, 12088
learning disabilities; learning disability teams; health care needs; health service access; primary health care teams; disability team role, 14658
learning disabilities; out-of area residential placements; policy context, 35922
learning disabilities; physiological responses; death and dying; bereavement; death concept; emotional responses; behavioural responses, 2273
learning disabilities; physiological responses; death and dying; bereavement; death concept; emotional responses; behavioural responses, 14652
learning disabilities; problem solving framework; responsiveness to intervention; student centered assessment, 11831
learning disabilities; schizophrenia; disorder management; psychosocial intervention; nurses, 26946
learning disabilities; school psychologists; opinions; achievement discrepancy; preferences, 29529
learning disabilities; service provision; geographical isolation; United Kingdom; rural areas, 11531
learning disabilities; sexual abuse complainants; demographics; conviction; expert testimony; legal processes, 1620
learning disabilities; sexual offenders; community services; cognitive functioning; sex education; cognitive distortions; offending cycle; relapse prevention, 30032
learning disabilities; societal oppression; learning disabled adults; needs; self-advocacy, 11542
learning disabilities; special school; skill-building; identity; labeling; caretaking, 1616
learning disability; intervention responsiveness; making decisions, 12083
learning disability; Learning Disabilities Initiative; special education programs, 12043
learning disablities; client attitudes; health needs; inpatient care evaluation; health care inclusion policy; disability severity; health care ultizatition, 14365
leisure activities; school break; learning disabilities; childhood development; classroom performance, 13657
literacy; transition strategies; upper elementary students; language learning disabilities; teaching; education classroom, 14091
locus of control; personal emotional adjustment; social adjustment; college life; students; learning disabilities, 20106
mathematics; learning disability; single digit multiplication; incremental rehearsal; retention; intervention, 9015
memory conjunction errors; face recognition; learning disabilities; nonverbal intelligence, 20105
memory profile; childrens memory; nonverbal learning disability, 7942
mental health; evidence based practice; special education; behavioral disorders; evidence sustainability; learning disabilities; emotional disorders, 12045
metacognitive skills; math problem solving; prediction & evaluation skills; mathematics learning disability; children, 20107
middle school students; mathematical word problem-solving; learning problems, 5852
missing connections; learning disability services; transition; adolescence; adulthood, 17672
motivation; metacognition; psychopathology; learning disabilities; at risk populations, 29135
multiple learning disabilities; communication; interaction; emotional literacy skills; intensive interaction therapy, 26219
neuropsychological aspects; learning disabilities evaluation; children; response to intervention, 10908
number sense; visuospatial disabilities; mental number line; numerical disabilities; number coding, 4570
parent use; reading interventions; child outcomes; tutoring; learning disabilities; academic achievement; experimental investigations, 18134
passage reading fluency; reading ability; learning disabilities; gains measurement; individual differences, 9024
people with learning difficulties; empowerment; service forums; street level policy; governmental policy; service policy; service forums, 9273
performance approach avoidance motivation; planned behavior theory; model stability; Greek students; learning disabilities; academic achievement, 2709
preschool children; developmental delay; learning disabilities; special education services, 29092
processing abilities; math skills; adult learning disability; college adults; learning problems, 17083
professional caretakers; attachment figures; day care centers; intellectual disability; behavior problems, 14008
profound learning difficulties; number awareness; disorder severity, 1625
promoting strategic learning; eighth grade students; mathematics struggling, 7937
psychosocial status; adolescents; learning disabilities; comorbid attention deficit hyperactivity disorder, 7944
psychotropic medication; drug prescription; learning disabilities; health care professionals, 14481
public health; policy development; reproductive technology; genetic diagnosis; learning disabilities; diagnosis, 13627
reading achievement; learning disabilities; reading & question generation intervention; special education; Reread Adapt & Answer Comprehend intervention; at risk students, 21259
reading comprehension; adults; learning disabilities, 26217
reading; mathematical ability; writing disabilities; childhood development; clinical disorders; learning disabilities, 25778
research ethics; children; learning impairments; research participation; informed consent; assent; competence, 27106
rights based social policy; learning disability; empowerment; equal citizenship; claim articulation; claim actualization; resource control; governance; advocacy, 7952
schizophrenia; learning deficit; errors; learning; schizoaffective disorder patients, 16769
secondary intervention; learning disabilities; identification; unresponsiveness, 18114
self determination skills; learning disabilities; emotional disturbance; special educators; parents; opportunities, 18112
self efficacy; mood; effort; hope; students; learning disabilities; peers; self perceptions; achievement, 20108
semantic radicals processing; Chinese characters; Chinese brain injured patient; dyslexia; dysgraphia; semantic errors; phonetic radicals, 11083
service user involvement; learning disability centre; care programme approach, 17085
severe learning disabilities; challenging behavior; hospital care, 14040
signal detection theory; learning disabilities; special education; diagnosis; teachers; decisions, 20407
social disturbances; emotional disturbances; learning problems; intelligence quotient; childhood development, 7383
social identity; learning disabilities; self advocacy, 1617
social support; middle school students; learning disabilities, 15081
social work; participatory research; learning disability, 3245
solution focused brief therapy; learning disabilities; psychotherapy, 1980
special education; discrepancy models; identification; inclusion; self-contained models; learning disabilities; ethic groups; racial groups; mild learning disorders; English language learners, 18138
specialist memory clinic; learning disabilities; dementia; assessment; diagnosis, 17080
specific learning disability; disabilities identification; primary intervention; secondary intervention; special education, 12056
staff members; learning disabilities; residents meetings; verbal interactions; power, 14722
stories; reading suggestions; scientific study; reading comprehension; learning disabilities; academic failure; instructional research, 27139
student outcomes; co-teaching; secondary education; learning disabilities; special education; academic achievement; reading; writing, 27281
teacher perceptions; profound learning difficulties; multiple learning difficulties; disabled children; professional development; societal perspective; childhood development, 9026
teachers; responsiveness to instruction; instruction strategies; learning disabilities; children; students, 12046

teaching strategies; learning disabled students; gifted students; spatial strengths, 36265
temporal lobe lesions; herpes simplex virus encephalitis; cognitive ability; learning disabilities; neuropathology, 1712
test validation; Dyslexia Adult Screening Test; postseondary students; specific learning disabilities, 3201
therapeutic programs; learning disabilities; care systems; behavioral change, 26211
time; learning disabilities; concepts; time perception, 17084
treating chronic nightmares; sexual assault survivors; intellectual disability; learning disabilities; imagery rehearsal therapy, 14382
university researchers; self-advocacy organizations; research partnership experiences; support worker; learning difficulties, 7949
validity; learning disabilities identification: operationalization; underachievement, 12079
vitamin D level; learning disabilities; long-term care; hospital wards, 17087

Learning Disabilities [See Also Dyslexia]—Books

Addressing learning disabilities and difficulties: How to reach and teach every student, 36178
Nonverbal learning disabilities: A clinical perspective, 20109
Teaching students with learning disabilities: A practical guide for every teacher, 21271
Young people and crime: Improving provision for children who offend, 32404

Learning Disorders [See Also Learning Disabilities, Reading Disabilities]—Serials

comorbidity; learning disorders; emotional disorders; behavior disorders; intervention; academic underachievement; students, 10610
implicit sequence learning deficit; patients; Parkinson's disease; learning abilities; basal ganglia; patterned information, 14267
individual budgeting; state financed developmental disabilities services; US, 5256
mild developmental disabilities; learning difficulties; neuropsychological recovery; head trauma; cognitive recovery, 29310
nonverbal learning disorder; Aspergers syndrome; neuropsychological assessment; personality assessment; diagnosis; visuospatial correlates; communication; emotions; behavioral correlates; brain, 35135
pentylenetetrazol kindling; thioperamide; learning deficits; memory deficits; donepezil; histamine H 3 antagonists, 15971
treatment outcomes; substance abuse; adolescents; learning disorders; comorbidity; substance abuse treatment, 32049

Learning Environment—Serials

activity theory; analyzing knowledge building framework; computer databases; computer supported learning environment; community; rules; mediating artefacts; division of labour, 33415
analytic identity; multitheoretical psychoanalytic culture; psychoanalytic training; contextual challenges; learning experiences; supervision; learning processes; analytic trainee, 11759
Anthony Giddens; structuration theory; educational design; design principles; blended learning; learning outcomes; educational practice, 18038
assessing social ability; online learning environments; cognitive learning; social learning; social interaction; computer mediated social mechanisms, 21218
bilingual programs; teaching environment; learning environment; transnational programs; postgraduate MBA program; Australian academics teaching in china, 2649
business education; learning environment; curriculum; integration, 8922
category acquisition; environmental influences; goals influences; SUSTAIN clustering model, 6586
children's museums; inquiry learning environment; exceptional learning needs; museum field trips, 9036
civic engagement; virtual city; networked technologies; learning environments; youth, 34380
classroom based assessment; preservice teacher education; assessment driven planning, 5701
clinical education; medical students; learning environment, 17880
cognitive apprenticeship; metacognitive skills; metacognitive knowledge; primary school learning environments; student metacognition; direct instruction; Dutch education, 2692
cognitive diagnosis component; intelligent learning environments; teaching methods; school learning, 30292
cognitive tools; writing skills; student performance; learning disabilities, 7938
collaboration; pedagogical quality; educational settings; learning; children's social interaction, 15067
collaborative learning; metacognitive skills; hypermedia; problem based learning; learning environments; computers; students; reflective prompts, 30168
collaborative learning; music education; musicology; students; learning habits; learning environment, 36315
College and University Classroom Environment Inventory; CUCEI; validity; reliability; computer classroom environment; learning environment; students' perceptions, 33465
competency based performance assessment; design; e learning environments; 4C/ID model, 30784
computer confidence; navigation tools; hypermedia; learning environment; performance; attitudes, 21160
computer-based learning environments; self-regulatory tools; social cognition, 5784
computers; metacognition; teaching method; learning environments, 5733
conceptual change; constructivist learning environments; elementary schoolchildren; physics concepts; structural support; instructional support; floating; sinking; curricula; understanding, 21141
cultural change; software; blackboard managed learning environments; learning organization, 11897
developing creativity; motivation; self actualization; learning systems; failure, 10479
educational websites; interface design; gender specific preferences; graduate students, 18083
efficacy evaluation; collaborative learning; computer supported university contexts, 11916
electronic discussion sections; academic performance; university classes; teaching tool, 5736
embodied agents; e learning environments; student perception, 21222
expertise reversal effects; computer based environment; electrical circuit; knowledge level; learning environments, 24200
family learning environments; childrens school related outcomes; family background; family settings; cultural contexts, 8967
Flexible Inquiry Learning Environment; inquiry learning study; content domain; task complexity; computerized learning, 11926
foreign language learning; blind student; Coventry University; learning environments; curriculum, 9033
group contingency intervention; academic engagement; problem behavior; elementary school classrooms; at risk students; learning environment; teaching, 27564
help functions; help effectiveness; interactive learning environments; learner related factors; help seeking behavior, 12368
high quality care; learning environments; development; young children; child care facilities; curriculum; teacher & child interactions; learning programs; enhancement Grant Project, 14957
implementing m-learning modules; mobile learning system; architecture; prototype; adaptation perspective; learning environments; e-learning, 24187
inclusive education; high school students; severe intellectual disabilities; learning environment, 15074
informal out of school mathematics; formal in school mathematics; decimal numbers; learning environment, 8893
information rich learning environment; student learning; technology use; collaborative design process; shared workspaces; digital repositories, 11942
inscriptional practices; data tables; graphs; inquiry based classrooms; seventh graders; teaching methods, 24252
instructional design factors; reflective thinking; middle school students; college students; learning environments; teaching methods, 24248
instructional designers; authoring tools; learning environments; authoring environment; teachers; evaluation, 12367
interactive dialogue; special interest; computer-assisted language learning; learning environment; deaf students; grammar, 33675
knowledge construction; teacher community; enquiry; school university partnerships; teachers; professional knowledge; collaborative learning environment, 24176
language choice; pedagogical focus; code switching; language teaching; learning environment; English as second language, 11968
learning design engines; remote control; learning support environments, 11923
learning environment; online learning; computer mediated communication; hermeneutics; conversation, 30356
learning environments; computers; tool use; research, 14997
learning environments; constructivism; students' perspective; conflict; higher education, 30336
learning environments; educational attainment; cognitive differences; schooling outcomes; adolescents, 15051
learning environments; teachers attitudes; students attitudes; educational designers perspectives, 12030
learning situations; students construction; professional tasks; classroom setting; multiple representations; artefacts, 30307
learning to cook; production learning environment; kitchens; knowledge construction & skill; experience; chefs, 33558
learning units design; grid computing; learning environments; education; IMS Learning Design, 11947
learning; multimedia environments; high tech environments; cognitive theory; media; technology, 24860
learning; text based learning environment; instructional strategies; higher education, 5752
meaningful relationships; authenticity; university environment; faculty members; authentic teaching; teachers experience; collaborative learning, 2608
metacognitive control; optimal learning; learning curves; learning environment, 33991
motivation; learning environment; achievement goals; self-efficacy; Korean girls, 8985
multi-attribute utility theory; adaptive techniques; intelligent web-based educational software; intelligent learning environment, 33403
nursing students perception; clinical learning environment; nursing, 5548
online collaborative learning; learning environment; experiences, 21089
online environment; learning assessment; web based course; primary care Masters program; higher education; e-learning, 33257
online learning environments; computer assisted learning, 11954
online learning environments; net based course, 14942
peers; tutors; decision-making; discourse acts; scaffolding; virtual workplace, 30286
personality traits; social participation; learning environment; classroom; web-based instructions; individual differences, 27166
problems; assessment validity and reliability; web based distance learning environments; solutions; instructors; students, 21718
reusable elements; adaptive learning designs: IMS Learning Design; learning elements, 11898
science learning environment; literature multimedia learning; multimedia design, 2676
sciences; students' perceptions; classroom environments; learning environment; background variables; gender; socioeconomic status; ethnicity; class size; middle schools, 18072
self injurious behavior; trauma; therapeutic community principles; learning environment; safety; clinical practice, 19945
self regulated learning; mathematical problem solving; e-learning environment, 14898
self-esteem; self-concept; academic achievement; learning environments; 7th grade students, 17952
simulation based learning; CyclePad; design & optimization of thermodynamic cycles; tutorial dialogue system, 33685
situated cognition; learning environment; technology; computer based simulation; junior high school; principal, 30213
student approaches; learning; teaching environment; learning environment; elementary teacher education, 36206
student cultural background; student perceptions; science classroom learning environment; teacher interpersonal behaviour, 5833
student perceptions; continuous summative assessment; learning environment; college students, 36353
studying inquiry learning; flexible inquiry learning environment; learning tasks; human computer interaction, 12337
Taiwan; mothers; adolescents; guidance; parenting strengths; learning needs, 7241
teacher beliefs; constructivist learning environments; epistemological beliefs; technology based environments, 5711
teacher education; problem-based learning; e-learning environment; blended learning; pedagogical approaches, 36190

teacher effectiveness; methodological reflections; research; process-product perspective; standardized tests; classrom observation; qualitative methods; outcome measures, 15485
teacher knowledge construction; collaborative knowledge construction; learning environment, 24169
teachers beliefs; multimedia learning; computer assisted instruction, 11894
teaching patterns; physics instruction; teacher student interactions; students perception; learning conditions, 30287
team skills; skills training; collaborative learning; university, 30323
technology enhanced teaching; educational research evidence; learning environments designm & evaluation; approaches; authentic learning; scientific thinking; computer integration; science teaching, 11869
thinking skills; intrinsic motivation; effective learning; learning environment; classroom teaching, 21190
virtual reality; agoraphobia; learning environments; rehabilitation; computer assisted instruction, 23046

Learning Environment—Books

Building effective learning communities: Strategies for leadership, learning, & collaboration, 11874
Collaborative learning, reasoning, and technology, 30235
Learning places: A filed guide for improving the context of schooling, 33382
Planning classroom management: A five-step process to creating a positive learning environment (2nd ed.), 30357

Learning Organizations [See Organizational Learning]

Learning Rate—Serials

aging; associative memory; skill learning; learning rates; paired-associate learning; adult age differences, 30970
autoshaped head poking; mice; learning curve, 24904
experiential learning; team learning; team purpose; team membership; team context; team process; team action; role leadership; organizations, 6661
three term contingencies; Raven scores; cognitive processing; learning rate; intelligence measures, 12786
word reading learning; learning rates; cumulative learning; decision making, 30866

Learning Strategies [See Also Mnemonic Learning, Observational Learning, Social Learning]—Serials

academic motivation; learning goal oriented; achievement goal oriented; learning strategies; trainee teachers; teacher education course, 21175
active learning; educational change; teacher education; teaching practices; rural school, 5706
activity theory; higher education; learning technologies, 11959
Babson college; curricular changes; administrative changes; strategic planning; total quality management; organization development, 2647
behavioral analyses; neurophysiological analyses; dynamic learning processes; neural activity; temporal lobe; associative learning tasks; behavioral learning, 574
category learning; strategy change; task difficulty; selective attention; error driven learning; knowledge restructuring, 3422
childhood development; learning development; active learning; passive learning; strategies; self explanation, 3835
clinical psychologist training; problem based learning; doctoral programs; competencies; curriculum, 33259
cognitive functioning; learning strategies; actors; acting; memory; learning theory; text comprehension; cognition; cognitive aging, 18676
collaborative learning; music education; musicology; students; learning habits; learning environment, 36315
computer simulations; technological advances; inquiry learning, 21135
cyberspace; learning strategies; self-regulation; achievement; goal orientation; web-based education; college classrooms; teaching, 29474
dolphins; social factors; learning strategies; cognitive tasks, 3457
early childhood; education; mathematics learning strategy; teachers; India; culturally responsive teaching; finger counting technique, 18020
electronic documents; e-learning; learning techniques, 2664
hypertext; comprehension; reading strategies; cognitive process, 6546
information technology; communication technology; learning; psychology undergraduates; student-designed intranet page, 33389
instructors' willingness; distance education participation; instructional elements; learning strategies; student interaction; experience level, 11886
kindergarten students; first grade students; core reading programs; phonemic awareness; learning strategies; No Child Left Behind; phonemics, 2670
Learning and Study Strategies Inventory Revised; structural models; strategic learning; skill; will; self regulation; effort related activities; goal orientation; cognitive activities, 21716
learning strategies; rehearsal activity; web-based distance learning; teaching methods; feedback; academic achievement; student attitudes, 30297
learning strategies; scripted peer tutoring; educational reform; structured interactions; student centered learning; Malaysia, 11990
learning strategy; transitive inference performance; human cognition; logical reasoning; neural systems, 21943
learning styles; individual differences; perceived effectiveness; learning activities; student preferences; marketing education, 27180
learning styles; individual differences; perceived effectiveness; learning activities; student preferences; marketing education, 27189
learning technologies; augmentative and alternative communication; cerebral palsy; skill acquisition, 8692
learning technology; augmentative and alternative communication technology; team members; self-efficacy, 8686
learning tool; students role; writing strategies; academic achievement; teaching methods; written communication, 21084
learning; linear functions; nonlinear functions; younger adults; older adults; cues; ability; age differences, 31056
literacy; transition strategies; upper elementary students; language learning disabilities; teaching; education classroom, 14091
low achieving middle school students; integrated learning systems; Merit literacy software; language arts curriculum, 24154
managing learning design; higher education environment; institutional strategies: IMS Learning Design, 11919
metacognition; hypermedia program; learning strategies; training; computers, 11865
metacognitive control; childrens short term study strategies; long term study strategies; judgments of learning, 3838
modern sports coaching; learning strategies; reflective practice; coach education, 12267
motivational factors; learning strategies; resource management; course grade; college students, 27220
name learning strategies; retrieval practice; semantic association; imagery; memory improvement techniques; imagery mnemonics, 6590
note taking; reviewing; school learning; interventions; academic levels, 15007
peer assisted learning strategies; peer mediated instruction; reading performance, 14975
peer assisted learning; learning strategies; elementary school children; social preference; friendship, 11912
problem based learning; gerontological issues; older adults; interdisciplinary approach; pedagogical tools; learning outcomes, 8769
problem learning; traditional instruction; self-regulated learning; motivation; learning strategies; goal orientation, 27198
promoting strategic learning; eighth grade students; mathematics struggling, 7937
real words; pseudohomophones; word processing; orthographic knowledge; prelingually deafened individuals; learning strategies, 14296
reflective learning continuum; undergraduate business education; student attitudes; cross cultural differences, 27225
scientific management; managerial control strategies; ballet dancers, 698
self-regulated learning strategies; individual study time; prepared participation; achievement; problem-based curriculum; learning processes; time planning; self-monitoring, 27137
social construction; differential learning; French primary schools; English primary schools; teaching differentiation; differential attitudes; sociocultural differentiation, 11956
social learning; imitation; animal behavior; learning processes; learning strategies, 27934
strategy change; data driven processes; voluntary processes; conscious human processing; learning processes, 369
strategy usage; written output; Arab children; Jewish children, 8939
structured integrated learning system; first grade students; reading gains; reading achievement; reading skills, 2644
student approaches; learning; teaching environment; learning environment; elementary teacher education, 36206
student goal orientations; parent goal orientations; classroom goal structures; math achievement; African Americans; high school transition; self-efficacy in mathematics, 11986
teaching; autonomous learning; higher education; learning system; media studies module, 11955
tutoring intervention; tutor-assisted intensive learning strategies; kindergarten; community tutors; at risk students; reading difficulties, 11825
word frequency; mirror effect; recognition task; recognition memory; learning strategy; metacognition, 6540

Learning Strategies [See Also Mnemonic Learning, Observational Learning, Social Learning]—Books

Addressing learning disabilities and difficulties: How to reach and teach every student, 36178
Increasing student motivation: Strategies for middle and high school teachers, 36301
Teaching around the 4MAT cycle: Designing instruction for diverse learners with diverse learning styles, 36299
Teaching word meanings, 15033

Learning Strategies [See Also Mnemonic Learning, Observational Learning, Social Learning]—Chapters

Using Creative Dramatics With Gifted Students, 12066

Learning Style [See Cognitive Style]

Learning Theory—Serials

behavior disorder; traumatic brain injury; intervention; philosophy; learning theory; treatment practices, 35288
Chinese classrooms; cross cultural application; immediacy learning models; motivation; teacher immediacy; affective learning; cognitive learning, 27206
collective mathematical understanding; improvisation; mathematics education; classroom practice; mathematical tasks, 18054
constructivism; semantic learning theories; psychological learning theories; cognition; pragmatics, 6558
constructivist psychology; Logical Learning Theory; teleology; empirical methods; psychologists, 230
contemporary learning theory perspective; anxiety disorders; etiology; individual differences; maintenance; disorder development; stressful events, 10719
digital piracy; self-control; social learning theory; structural equation modeling; white-collar crime; college students, 33701
fluctuation dissipation theorem; learning models; statistical learning; Bayesian learners; learning theoretic computation, 175
game learning; convergence; Crawford puzzle; reinforcement learning; lagging anchor learning model, 1130
generality; repetition; descriptive learning models; simulation based analysis; within-game predictions, 9629
guidance role; instructor; teaching; learning process; Gagne's theory; conditions of learning; phases of learning; model for design of instruction, 21103
learning theory; statistical probability; selective attention; locally Bayesian learning; trial by trial learning, 33865
overshadowing; degraded contingency; extended comparator hypothesis; retrospective revaluation; Pavlovian conditioning; rats, 9705
perceptual learning; Gestalt; complexity; neural circuits; visual displays; visual complexity theory; behavioral implications; form and texture arrays, 9536
post traumatic brain injury; executive dysfunction; problem solving; learning theory; cognitive behavioral theory; cerebral function, 35419
school based second language acquisition research programs; epistemological & technical challenges; ethical challenges; second language learning; Canadian school settings, 5768
social learning theory; cross functional case education; cross functional integration; problem solving; work process improvement; managerial case education, 5740
text formats; science conceptualizations; world wide web; learning process; learning theories, 34250
tobacco dependence; dopamine; nucleus accumbens; neurobiology, 1516
tobacco dependence; dopamine; nucleus accumbens; neurobiology, 1518

Least Squares—Serials

biased regression; directional signal; noise ratio; linear regression; orthogonal sequence; least squares estimators; multivariate analysis, 21755
confirmatory factor analyses; estimation methods; general health questionnaire; least squares estimation methods; ordinal response scale; social science research; measurement models, 6344
confirmatory factor analyses; least squares means; maximum likelihood; variance; simulation, 24656
correlation; statistical regression; least squares, 9471
linear unbiased estimation; optimality; least squares; fundamental bordered matrix, 12572
maximum likelihood; weighted least squares means and variance; confirmatory factor analyses; estimation, 24657
multivariate least squares; multivariate models; growth curve model, 12573
nonlinear least squares estimation; empirical process techniques; nonlinear regression function, 15529
strong consistency; least squares estimation; linear regression models; epistemic vagueness; adequacy, 12584
Lecture Method—Serials
academic skills; English as a second language; lecture comprehension; academic listening; Chinese students, 27248
guided notes; completed notes; lectures; college students quiz performance; college course, 18060
PowerPoint handouts; generational effect; intact handouts; PowerPoint assisted lecture; psychology education, 30289
psychological anthropology; mind; lecture method; Robert I. Levy; memorial, 10277
teaching methods comparison; interteaching; lecture; college classroom; undergraduate students; classroom instruction, 18033
Left Brain [See Left Hemisphere]
Left Hemisphere—Serials
cognitive deficits; mental sets; psychopathic offenders; executive dysfunction; left-hemisphere activation hypothesis, 32222
divided visual attention; left hemisphere activation; psychopathic offenders, 16830
dominance; cerebral; emotion; facial expression; laterality; neuropsychology; left hemisphere, 31090
episodic memory; interhemispheric interaction; cerebral hemispheres; handedness, 561
forced attention; focal temporal lobe epilepsy; dichotic listening performance; neuropsychological test battery; left hemisphere cognitive dysfunction, 20257
hemispheric asymmetry; temporal resolution; magnocellular pathway; nonverbal stimuli; visual judgments; left hemisphere, 6472
hemispheric processing; metric properties; object recognition; magnetic resonance imaging, 31218
ictal vomiting; left hemisphere language dominant patient; temporal lobe epilepsy; partial seizures; hippocampal sclerosis, 14264
inferences; familiarity; hemisphere asymmetries; text comprehension; background knowledge; semantic associations, 6774
interhemispheric training; neurofeedback training; homologous sites; non homologous sites; electrode sites; brain electrical stimulation, 5081
neuropragmatics; extralinguistic pragmatic ability; left hemisphere damaged patients; right hemisphere damaged patients; linguistic deficits, 26387
perceptual asymmetry; chimeric face stimuli; early unilateral brain damage; children, 11048
perceptual priming; right hemisphere; left hemisphere; object decisions; cerebral hemispheres; visual field differences, 18787
uncoupled leftward asymmetries; planum morphology; functional language processing; left hemisphere; language laterality, 25160
verbal memory deficits; preadolescent case; brain lesions; left parahippocampal gyrus; benign tumor; cognitive ability, 23485
Leg (Anatomy)—Serials
Asperger syndrome; insomnia; motor phenomena; leg movements, 32437
coping strategies; psychosocial adaptation; elderly veterans; lower limb amputations; demographic variables, 18345
leg motor activity; sleep patterns; infants; Downs Syndrome; leg movements, 17098
levetiracetam; restless legs syndrome; periodic limb movements; sleep; augmentation; adjunctive therapy, 35683
oxcarbazepine treatment; paroxetine-induced restless leg syndrome; obsessive compulsive disorder, 20602
quetiapine; periodic restless legs syndrome; schizophrenia; bipolar disorder; risperidone; lithium; drug therapy, 16702
restless legs syndrome; genetics; genome, 14137
Tourette syndrome; peroneal bones; stress fracture; obsessive compulsive disorder; tics, 23422
Legal Arrest—Serials
alcohol abuse; drug abuse; drug dependence; prevalence; self reports; adult arrestees, 7880
drug use; drug possession arrests; racial disparity; police perceptions, 10361
female arrests; felony domestic violence; criminal justice policies; unintended consequences, 16853
legal arrest; deterrence; legal processes; crime, 15361
mental disorders; comorbidity; postrunaway arrests; homeless adolescents; runaway adolescents, 34782
police drug crackdowns; hospitalization rates; illicit injection related infections; New York City; arrest rates, 4503
police organizations; police behavior; police arrest decisions; organizational determinants; policing styles; police behavior; organizational characteristics, 27537
pretrial release; supervision experiments; drug arrests; jail overcrowding; adjudication; justice agencies; defendants, 30637
punitive action; gentle persuasion; police officers justifications; dual arrests, 15373
zeroing; offenders; career criminals; age; arrest, 13988
Legal Confession—Serials
confessions; legal testimony; theft; legal evidence; accuracy of witness information, 27515
evolutionary psychology; false confession; social dynamic events; genetic replicative success; police interrogation practices; heuristics, 9275
expert psychological testimony; disputed confession evidence; federal courts; United States; Vallejo; psychological research; language factors; alleged offense, 30619
false confessions; plausibility; consequences, 15364
interrogation techniques; social psychology; police personnel; legal confession; police interrogation; suspects; law, 9312
juvenile interrogation; false confession; immaturity of judgment; Miranda; minors; testimony; suggestibility; judgment; development; legal processes; sociology; morality, 19142
psychological assessments; confessions; mentally retarded suspects; suggestibility; cognitive deficits; Miranda rights, 7956
psychological consultation; scientific investigation; interrogations; confessions; crimes; legal procedures, 9261
stealing thunder; self incriminating information; mock juror judgments; processing resources; source credibility, 33725
suspect personality; police interrogations; false confessions; authoritarianism; individual differences; locus of control; interaction anxiousness; fear of negative evaluation, 13534
Legal Confession—Books
Interrogations and Disputed Confessions: A Manual for Forensic Psychological Practice., 6201
Legal Decisions—Serials
competence to stand trial; side effects; forced medication; United States v. Sell; individual rights; mentally ill defendants, 9291
corporal punishment defence; law; human rights; child abuse; physical abuse, 9278
criminal justice; miscarriage of justice; culpable offenders; judicial proceedings, 9276
criminal sentences; experts; judicial decision making; random sentencing demand, 16447
criminal sentencing; sentencing policies; guidelines systems; Supreme Court decisions, 21559
democractic deliberation; prostitution; brothels; legalization; Netherlands; business, 34605
emotional harm; child protection; legal response; child neglect, 24518
employment decisions; court decisions; administrative decisions; Americans with Disabilities Act, 9271
European Court of Human Rights; defamation case law; protected speech; hierarchy; vulnerability to restriction; criminal defamation, 18461
family court; expert evidence; litigation, 6170
federal mail fraud; wire fraud cases; marketing; federal courts; fraudulent activities; federal cases; legal judgments; business ethics, 6194
individualized education program; legal analysis; administrative decisions; case law; behavior improvement plans; Individuals with Disabilities Act; Disabilities Education Improvement Act, 21245
involuntary medication; mentally ill defendants; competence to stand trial; Sell v. United States; individual rights, 9285
involuntary medication; Sell v. United States; psychological practice; competence to stand trial; coercion; procedural justice, 3081
jurors; judicial admonitions; inadmissible hearsay testimony; juror instructions; hearsay evidence; civil juries; jury verdicts; legal decisions; policy implications; psychological reactance, 12388
lawsuit; Channing club; Board of Regents; Texas Tech University; legal precedent; student press censorship cases; student affairs, 2721
limiting instructions; evidence processing; judgments; emotionally evocative evidence; gruesome photographs, 33720
mental illness; negligent failure; litigation; duty of care; Presland v Hunter Area Health Service case; mental health services; Supreme Court appeal decision; liability; psychiatrists, 35941
mental illness; right to refuse treatment; forced medication; recovery; consumer; ex-patient; survivor, 3076
mild traumatic brain injury; victim characteristics; brain damage; intoxication status; potential jurors; judgment, 8124
psychological assessment; psychological treatment; least restrictive treatment; involuntary treatment; U.S. Supreme Court; psychotropic drugs; functional behavior analysis, 3092
psychological perspectives; legitimacy; legitimation; authorities; voluntary acquiescence; social thought; social psychology; decisions; rules; institutions, 10390
public opinion; youth crime; criminal justice; juvenile justice; public reaction; restorative sentencing, 6196
quota fear; discrimination law; United States; racial discrimination, 3077
racial desegregation; America; public schools; disabled students; Brown vs Board of Education, 8851
rape myth beliefs; prejudiced instructions; guilt; decisions; date rape; legal decisions; legal cases, 13894
risk judgments; judicial disagreement; decision making; social influence; legal issues; bail decision; crime management, 9311
road rage behavior; preventive efforts; penalties; legal changes; mass media education; drivers; court programs; environmental design, 18398
Supreme Court; child welfare sector; Canadian criminal legislation; corporal punishment; criminal code, 15357
terror management theory; legal decisions; bias; jury decision making; mortality salience; social influences of terrorist attacks, 3090
unanimous decisions; split decisions; group pressure; conform; lone dissenter; voting patterns; U.S. Supreme Court; social influence, 10404
US Supreme Court; litigation; constitutional legitimacy; segregation laws; racial identity; Plessy v Ferguson; legal decisions; separate but equal policy, 3080
Legal Decisions—Books
Clinician's guide to child custody evaluations (3rd ed.) , 16352
Legal Detention—Serials
Cornelia Rau; mentally ill detainee; jurisdiction; immigration detention policies; civil actions, 6171
correctional facilities; juvenile detention; practice parameter; comprehensive diagnostic assessment; mental health assessment; treatment, 5444
detention; refugees; immigrants; Royal Australian and New Zealand College of Psychiatry, 895
dilemma; victims; detention; mental health worker; legal responsibility; ethics; terror; torture, 11211
Hong Kong; detention center; clinical inquiry; offender narrative, 11698
immigration detention; temporary protection visa status; mental health; refugees, 13291
juvenile justice laws; juvenile detention centers; beatings; ill-treatment; UN Convention on the Rights of the Child, 18433
laboratory analysis; oral fluid analysis; drug use; instant analysis; arrestees; drug testing; arrestees, 35058
mental health care; juvenile detention facilities; psychiatric problems; mental health clinicians, 33175
mental health service delivery; immigration detention; government policy making; professional ethics, 33297
psychiatric assessment; TBS order; mentally ill offenders; prisons; prisoners, 33176

psychiatric diagnoses; descriptive diagnosis; personality disorders; die personality disorders; die diagnoses; detention, 1441

Legal Evidence [See Also Legal Testimony]—Serials

confessions; legal testimony; theft; legal evidence; accuracy of witness information, 27515

defendant race; victim race; juror gender; evidence processing; murder trial, 21563

expert psychological testimony; disputed confession evidence; federal courts; United States; Vallejo; psychological research; language factors; alleged offense, 30619

jurors attitudes; post sentence civil commitment; sex offenders; legal applications; evidence, 24529

jurors; judicial admonitions; inadmissible hearsay testimony; juror instructions; hearsay evidence; civil juries; jury verdicts; legal decisions; policy implications; psychological reactance, 12388

limiting instructions; evidence processing; judgments; emotionally evocative evidence; gruesome photographs, 33720

lineup identification; eyewitness identification testimony; post-identification feedback; suspicion; defendant; evidence; bias; legal system, 30623

mitigating evidence; capital cases; capital murder; Texas Criminal Court; U.S. Supreme Court; jury, 27533

mitigating evidence; mental illness; death penalty considerations; U.S. Supreme Court, 27532

psychiatric evidence; psychiatrists; expert witnesses; federal criminal trials; crime; judicial development; courts, 27528

psychiatric evidence; psychiatrists; federal criminal trials; crime; judicial development; courts; Federal Rule of Evidence 704(b), 27534

psychiatric evidence; sex; drugs; recidivism; medical tribunal cases; disciplinary proceedings; risk management, 33219

Legal Evidence [See Also Legal Testimony]—Books

Scientific evidence and equal protection of the law, 21548

Legal Interrogation [See Interrogation]

A Positive View of Spitzer's Research and an Argument for Further Research, 20504
Reconsidering "Sexual Desire" in the Context of Reparative Therapy, 20495
Reparative Science and Social Responsibility: The Concept of a Malleable Core As Theoretical Challenge and Psychological Comfort, 20508
Science and the Nuremberg Code: A Question of Ethics and Harm, 20513
Sexual Diversity and Change Along a Continuum of Bisexual Desire, 20512
Sexual Orientation Change and Informed Consent in Reparative Therapy, 20507
Sexual Orientation Change: A Study of Atypical Cases, 20497
Sexual Reorientation Therapy: Is It Ever Ethical? Can It Ever Change Sexual Orientation?, 20514
The Spitzer Study and the Culture Wars, 20496
Spitzer's Oversight: Ethical-Philosophical Underpinnings of "Reparative Therapy", 20511
Study Results Should Not Be Dismissed and Justify Further Research on the Efficacy of Sexual Reorientation Therapy, 20509
Too Flawed: Don't Publish, 20499
Understanding the Self-Reports of Reparative Therapy "Successes", 20490

Lesions [See Also Brain Lesions, Neural Lesions]—Serials

cephalopods; electrolytic lesion; vertical lobe; locomotor activity; spatial learning, 34087
cognition; functional independence; cerebral artery infarct; neuropathology; lesions; corpus callosum; occipital region; thalamus; cerebellum, 26360
dentate gyrus; hippocampus; encoding deficit; retrieval effects; contralateral lesions; spatial maze learning task; brain, 31193
hippocampus; recall; fear; prefrontal cortex; synaptic plasticity; lesions; long term potentiation, 25006
locus of control; coping strategies; emotional well being; spinal cord lesion, 32524
vocal fold collision; phonation; vocal tissue; organic lesions; glottis; stabilization; voice intensity; pitch, 14089

Lesson Plans—Serials

experienced teachers; preservice teachers; lesson plans; experience; music education, 5693
lesson goals; student learning; individual interest development; lesson structure; learning activities; academic achievement, 8977
lesson planning; Lesson Plan Evaluation Rubric; Four Stages of Lesson Planning strategy; teachers, 8923
preservice teachers; lesson planning; string project; music education; curriculum, 5722

Lesson Plans—Books

Constructivist learning design: Key questions for teaching to standards, 30302
180 days to successful writers: Lessons to prepare your students for standardized assessments and for life, 36176
Visual knowing: Connecting art and ideas across the curriculum, 5788

Letters (Alphabet) [See Also Consonants, Vowels]—Serials

alphabetic skills; preschool students; letter naming; letter writing; procedural knowledge; conceptual knowledge, 15011
Brazilian preschoolers; United States preschoolers; letter names; language learning; vocabulary; literacy; cross cultural differences, 19200
children's word recognition; letter features; reading development, 25299
distractors processing; attentional focus; priming procedure; target letters; object based selection process, 18867
double deficit hypothesis; dyslexia; reading deficits; phonological awareness; rapid naming; reading achievement, 26221
electrophysiological response; expert letter perception; visual processes; brain activations; familiar writing system; neural selectivity, 3646
eye movements; reading; spatial word length; letters, 12678
font tuning; expertise; letter perception; visual acuity; expert readers; visual system, 21850
handwriting legibility; good bad dimensions; motor programs; visual spatial arrangement; letter formation; coding scheme; elementary school students, 15005
lapse resistance; misreporting errors; verbal letter reporting task; psychophysical testing; visual acuity; thresholds, 18694
letter by letter dyslexia; normal readers; stimulus degradation; letter processing, 34273
letter detection; text comprehension; reading processes; reading rate, 3389
letter names; letter knowledge acquisition; letter sounds; word recognition; Hebrew alphabet, 13144
letter optotypes; grating stimuli; contrast sensitivity; magnocellular pathways; parvocellular pathways, 18734
non-random associations; graphemes; colors; synesthetic & non-synesthetic populations; letters, 6730
orthographic knowledge; visual word features; visual processing; reading; visual processing of multiletters; case mixing; pseudo words, 16120
orthographic neighborhood frequency effect; lexical decision task; French word manipulation; letters, 27858
phonemic fluency; Portuguese; letter rankings; phonology; languages; verbal fluency, 34293
phonological awareness; letter sound knowledge; preschool children; reading acquisition, 22456
reading ability; letter specific processing; human development; perceptual processing; matching task, 19167
reading fluency; phonological awareness; orthographic pattern recognition; rapid letter naming; connected text reading; dyslexia, 26218
reading; word recognition; orthographic processing; letter position; relative position priming; lexical decision; superset primes, 15697
segregated objects; attention; letters; moving stimuli; stationary stimuli; attentional capture, 21841
semantic category fluency; letter fluency; automatic processing; controlled processing; verbal fluency, 25267
semantic radicals processing; Chinese characters; Chinese brain injured patient; dyslexia; dysgraphia; semantic errors; phonetic radicals, 11083
syllables; processing units; French; Spanish; handwriting; spelling level; letters, 13071
transposed letter; laterality effects; lexical decision; cerebral hemispheres; visual field; word recognition, 15891
visual word recognition; reading; lexical access; letter transpositions; masked-prime naming; morpheme boundaries, 6511
vowels; syllables; spelling; letters; cross linguistic differences, 10061
word frequency; word class; missing letter effect; reading; guidance organization model; GO model; visual attention, 15689
word reading; impaired letter naming; word dissociation; reading processes, 14259

Leucine—Serials

mutation; Taiwanese patients; Parkinsons disease; leucine; inheritance; Chinese patients, 8148

Leucocytes [See Also Lymphocytes, Natural Killer Cells]—Serials

agranulocytosis; antipsychotics; clozapine; leukopenia; olanzapine treatment; schizophrenia, 26698
excretory-secretory product; striatum; rats; monocytes; microglia, 22194
human herpes virus 6; peripheral white blood cell count; drug eruptions; carbamazepine; drug induced hypersensitivity syndrome, 23561
leukocyte esterase; chlamydia detection; nucleic acid amplification test; medical diagnosis, 17174
leukocyte esterase; chlamydia detection; nucleic acid amplification test; medical diagnosis, 17142
oxidative DNA damage; peripheral leukocytes; cognitive impairment; Alzheimers disease; oxidative stress; pathogenesis; memory deficit, 4804
oxidative DNA damage; peripheral leukocytes; cognitive impairment; Alzheimers disease; oxidative stress; pathogenesis; memory deficit, 4741
oxidative DNA damage; peripheral leukocytes; cognitive impairment; Alzheimers disease; oxidative stress; pathogenesis; memory deficit, 4770
oxidative DNA damage; peripheral leukocytes; cognitive impairment; Alzheimers disease; oxidative stress; pathogenesis; memory deficit, 4813
preimplantation tissue typing; human leukocyte antigen; preimplantation genetic diagnosis; tissue matched child; haematopoietic stem; siblings, 11472
seminal fluid; sex accessory glands; leucocytes; mammals; insects; fertilization, 28117
white matter changes; brain atrophy; Huntingtons disease; neuronal degeneration; neurophysiology; pre-symptomatic; diffusion tensor imaging study; genetic mutations; abnormalities, 8167

Leukemias—Serials

coping strategies; survival strategies; leukemia patients; bone marrow transplantation, 8464
coping strategies; survival strategies; leukemia patients; bone marrow transplantation, 8458
generalized relevance learning vector quantization; gene expression; data prototypes; weighting terms; cost function values; leukemia, 18425
social support; leukemia remission; child perceptions; pediatrics, 35243

Leukocytes [See Leucocytes]

Leukotomy [See Psychosurgery]

Level of Functioning [See Ability Level]

Levodopa—Serials

chronic stroke; dopaminergic effects; encoding; motor memory; drug dosages; levodopa, 5130
dopamine; dyskinesia; rats; L-DOPA; abnormal involuntary movements; receptor antagonists; Parkinson's Disease, 681
dopamine; levodopa; Parkinson's disease; semantic priming; signal-to-noise ratio; semantic activation; lexical decision, 20240
dopaminergic modulation; cognitive function; L DOPA treatment; Parkinsons disease; positive and negative effects; working memory; drug therapy; cognitive flexibility, 14199
factitious disorder; Parkinsons disease; psychiatric comorbidity; major depression; panic disorder; dopamine dysregulation syndrome; levodopa; drug addiction, 4835
gastric emptying; levodopa; pharmacokinetics; Parkinsons disease patients; carbidopa; motor symptoms, 23781
levetiracetam; levodopa induced dyskinesia; Parkinsons disease; dopaminergic therapy, 5157
levetiracetam; Parkinson disease; levodopa; dyskinesia; quality of life; motor functioning; drug tolerance; drug efficacy, 26421
levodopa; dyskinesia; hemiparkinsonian rats; abnormal involuntary movements; rotational behavior, 22320
mood states; motor states; Parkinson's disease; oral carbidopa/levodopa administration; levodopa infusion, 8473
motor system inhibition; dopa responsive dystonia; modulation; levodopa; dystonia parkinsonism; intracortical inhibition; drug therapy, 35676
odor discrimination; rats; L-DOPA, 13040
Parkinson disease; nerve growth factor; levodopa; treatment efficacy, 8159
Parkinson's disease; dopaminergic modulation; learning; memory; impaired learning; L dopa, 17340
Parkinson's disease; L-Dopa; subthalamic stimulation; depressive symptoms; hedonic tone; electric stimulation, 35372
paroxetine treatment; motor response; levodopa; Parkinson's disease; walking speed; tapping; dyskinesia, 5124
plasma homocysteine; Parkinson disease; levodopa; entacapone; vitamin status; hyperhomocysteinemia; catechol-O-methyltransferase, 26458
sensitization; dyskinesia movements; contralateral turning behavior; abnormal involuntary movements; levadopa; l dopa 6 hydroxydopamine; rats; testing environment, 25121

Lewy Body Disease [See Dementia with Lewy Bodies]

Lexical Access [See Also Lexical Decision]—Serials

acoustic-phonetic clarity; position; sensitivity to mispronounced words; children; adults; lexical restructuring process, 34344
age differences; eye movements; reading; SWIFT model; word frequency; lexical processing; saccade generation, 33933
age of acquisition; lexical processing; object recognition; semantic processing tasks; bilinguals; aphasics; deep dyslexics, 25268
artificial lexicon; lexical activation; lexical learning; lexical entries; segment similarity; order information, 12714
bilingual speech production; lexical access; lexical selection mechanism; semantics; lexical nodes, 28185
bilingual; lexical selection; lexical access; language switching; speech production; language suppression, 30982

children's knowledge; grammatical categories; novel nouns; priming; lexical items; pragmatic correctness, 13136
communicative speech synthesis; lexical information, 9956
confrontation naming; aging; normal elderly; lexical retrieval, 10202
cross cultural behavior; personality factors; European psycholexical studies, 10486
deaf signers; sign language; phonology; semantics; human development; lexical access; tip of fingers phenomenon, 11155
dialects; accents; lexical access; adaptation; lexical decision; speech processing perturbation, 33947
event-related potentials; N400; auditory sentence processing; semantics; lexical selection; semantic integration, 15586
eye movements; ambiguity; lexical access; context; subordinate-bias effect fixation times; word form; instantiated word meaning; word frequency; lower frequency word; meaning frequency, 18684
first language lexicalization; second language lexical inferencing; Farsi speaking learners; English as foreign language, 8925
hierarchical structure; factor scores; orthogonal factor; coefficients; lexical personality factor, 24665
highly proficient bilingualism; language production; lexical access; language switching, 30975
idiomatic phrases; lexical access; idiom production; identity priming; semantic priming; word meanings, 13082
language production; speech errors; lexical bias effect; cross-linguistic differences in language processing; Spanish, 25162
language; comprehension; semantix; syntax; lexical information, 15675
letter detection; eye movement patterns; lexical analysis; reading tasks; target words, 30864
lexical access; anomia; age of acquisition; familiarity; frequency, 1778
lexical access; picture naming; phonology; semantics, 12744
lexical access; picture word interference; auditory pseudoword distractors; picture naming; lexical retrieval, 6508
lexical access; pronominal clitics; gender marked verb; pictured object; word frequency, 16012
lexical aspects; grammatical aspects; toddlers; language; imitation accuracy; morphology, 31410
lexical competition effects; aphasia; lexical candidates; spoken word processing; Brocas area; auditory language comprehension, 17296
lexical conceptual development; grammatical abilities; same language vocabulary development; bilingual toddlers, 22448
lexical decision; syllable frequency; naming; lexical access, 30973
lexical information; semantic; syntactic information; foreign languages; neural response; sentences; German language; Russian language; neural substrates, 3613
lexical knowledge; lexical use; autistic language; temporal concepts; conversation; autism, 35125
lexical learning; spelling; dysgraphia; phonological deficits; developmental dyslexia; new word learning, 29129
lexical processing; semantic processing speed; lexicosemantic variables; age of acquisition, 25282
lexical prosody; spoken words; word familiarity; lexical access; language, 31348
lexical retrieval; muscular activity; speech theories; hand functions; gestural activity; semantics; electromyographic activity; words, 727
lexical semantic priming; neuropsychology; chronic schizophrenia; functional magnetic resonance imaging; language; thought; map brain activation, 19839
lexical semantic processing; sentential load; paradigmatic techniques, 736
lexical stress differences; lexical access; learned words; artificial lexicons; cohort items; segmentation; rhyme, 12715
lexical; sublexical; phonological ambiguity; allophonic specificity; spoken word recognition; flaps, 6487
lexically & nonlexically based reading treatment; deep dyslexic; reading skills; semantics; lexical access; phonology; primes; grapheme-phoneme associations, 23249
lexically driven syntactic priming; subsequent utterances, 6539
neuroanatomical correlates; lexical representations; brain lesions; verbs; nouns; grammatical class; imageability; actionality; aphasia, 20238
online information searching; multilingual search; content based search; ontological commitments; navigation; lexical resources, 9930
oral reading passages; elicit speech samples; clinical populations, 16031
orthography; abstract phonology; phonological representation; lexical representation, 34295
orthography; morphology; lexical organization; form priming, 6902
phonological activation; ignored pictures; cascade model; lexical access; naming latencies, 729
phonological development; lexically precocious children; vocabulary size; language development, 28303
phonological memory; lexical access; narratives; grammatical skills; second language oral production; adult learners, 28204
phonological representations; encoding word forms; bilingual control; between-language phonological facilitation; bilingual speakers; spoken distractor words; target language; condition-action rules, 28208
phonological similarity effect; serial recall; words; short term memory; list interference; lexical access, 3423
picture naming; lexical processing; functional MRI; effortful lexical retrieval; anterior cingulate gyrus; dorsolateral prefrontal cortex, 28190
preschoolers; learning; Hmong; English; lexical-semantic skills; picture naming; picture identification tasks; language; bilingualism; English as second language, 5804
psycholinguistic effects; lexical tasks; age of acquisition, 25274
relation priming; relational similarity; word pair; comprehension; noun; lexical similarity, 21922
relative clause attachment ambiguity; online comprehension; corpus frequencies; lexical variables; exposure based accounts; sentence processing; Dutch, 24798
retrieval induced forgetting; inhibition; competition; transfer appropriateness; perceptually driven memory test; conceptual memory, 31031
specificity; within-category phonetic variation; voice onset time; encoding; long term memory; lexical competition, 12797
speech production; lexical access; cascaded processing; development; age differences; phonological activation; interference; articulation, 16109
speech production; lexical access; context effects; lexical activation; lexical choice; picture word inference, 722
spoken language comprehension deficit; verb subcategory knowledge; lexical syntax, 7983
spoken word recognition; lexical activation; word length; phoneme identification; reaction time, 33971
stress diacritics; reading; Greek; lexical information; orthographic information, 33440
sublexical representations; bilingual speech production; bilingual lexical access; semantics, 28180
syntax; lexical semantics; bilateral paramedian thalamic infarction; neurolinguistic analysis; language symptoms; frontal lobe; brain, 14202
tip of the tongue states; aging; psycholinguistic perspective; metacognitive perspective, 3395
trace search; age; lexical activation; working memory; sentence processing, 34260
transitivity; sequence learning; insights; second language; verbs; Spanish; native language; errors; chunking; lexical items; morphosyntax, 34305
unsupervised semantic mapping; natural language; lexicancer concept mapping; algorithm; lexical co occurrence information; machine learning, 36592
verb processing; nouns; verbs; verbal inflectional morphology; cortical mechanisms; temporal gyrus; bilateral inferior frontal & occipital & left middle & inferior temporal cortices, 31028
visual word recognition; reading; lexical access; letter transpositions; masked-prime naming; morpheme boundaries, 6511
voice onset time; VOT; Dutch plosives; spoken word recognition; relevance of phonetic detail; cross-modal identity priming; lexical access, 12749
word naming speed; language acquisition; frequency; Spanish language; phonology; semantics; lexical access, 28181
word production; homophones; frequency effect; lexical processing; speaking; distraction, 6914

Lexical Decision—Serials

age of acquisition; age; repetition priming; object naming; picture naming; word reading; lexical decision, 25243
age of acquisition; picture naming; semantics; lexical decision; phonological representations; object recognition, 25249
aging; dual-task interference; visual word recognition; divided attention; life span; cognitive processing; lexical processes; automaticity, 31521
ambiguous words; lexical processing; lexical decisions; semantic priming; homographs, 6915
anagram software; cognitive research; psycholinguistic variables; cognitive processes; lexical variables, 36595
aphasia; language; lexical decisions; cortical plasticity; basal ganglia, 8097
aphasic lexical speech automatisms; agrammatism; human communication, 9939
artificial lexicon; lexical activation; lexical learning; lexical entries; segment similarity; order information, 12714
associative effects; phonological priming effects; letter search; morphological priming; lexical memory; semantic memory, 28193
behavioral effects; neurobiological effects; printed word; word repetition; lexical decision; naming behavior, 9588
bilingualism; masked priming; translation; associative priming; phonology; lexical decision task; Dutch English bilinguals, 6406
brain's language; semantic word properties; movements; lexical decision; action association; visual images; visual associations; cell assemblies; neurons, 569
Chinese typography; small screen; rapid serial visual presentation; reading comprehension; dynamic text, 3358
Chinese words; evoked potentials; lexical decision; word frequency; word concreteness, 12757
concreteness; context availability; lexical decision, 15669
conflict words; threat words; attention; emotion; Stroop; emotional Stroop effect; attention; cognitive slowing; reading; lexical decision; color naming; stimulus salience, 3277
connectionist modeling; lexical processing; semantic priming; stages-of-processing; parallel distributed processing (PDP); word frequency; stimulus quality; perceptual ability; neural networks, 12695
connectivity; semantic priming; reaction time; stimulus judgement; semantic associates; lexical decision; magnetic resonance imaging; brain regions, 22226
cross-language lexical connections; mental lexicon; trilingual aphasia; language development; bilingualism, 32627
decision making; semantic categorization; lexical decision; word identification; reading; visual word recognition; Bayes; computational modeling, 18794
dialects; accents; lexical access; adaptation; lexical decision; speech processing perturbation, 33947
dopamine; levodopa; Parkinson's disease; semantic priming; signal-to-noise ratio; semantic activation; lexical decision, 20240
episodic inhibition; retrieval; practice; category cued recall; lexical decision; forgetting; long-term knowledge, 12738
event related potential; lexical analysis; language processing; grammatical complexity, 3753
frequency effects; Chinese inflection; orthography; languages; lexical decision; words; European languages, 16028
high functioning dyslexics; reading difficulties; reading comprehension skills; lexical decision; orthographic change; morphology; derived forms, 26214
inhibitory voluntary control; memory; stimulus onset; asynchrony; reaction time; suppressed memories; lexical decision, 33953
interhemispheric communication; multiple tasks; dyslexic children; finger localization task; rhyming judgment task; primed lexical decision task, 26228
intraclausal coherence relations; German preposition bei; meaning; lexical polysemy; discourse interpretation, 16013
lexical characteristics; words; emotional Stroop experiments; word recognition; emotional Stroop task, 18668
lexical decision task; false memory; semantic priming effect; source monitoring, 6552
lexical decision; syllable frequency; naming; lexical access, 30973
lexical decision; word identification; reading; hemisphere; lateralization; priming; visual knowledge, 6741
lexical processing; semantic processing speed; lexicosemantic variables; age of acquisition, 25282
lexical stress perception; brain damage; lexical semantic activation; semantic priming; cues; lexical decision; prosody, 20289
lexical stress; visual word recognition; word endings; stress assignment; nonwords; disyllabic words; psycho-

linguistic models of single-word reading; lexical decision; atypically stressed words, 21968
lexicality; stimulus length; dyslexia; overadditivity effect; reaction time, 26215
lexico-semantic processing; mild cognitive impairment; semantic memory; Alzheimer disease, 29256
masked priming; inhibition; interactive activation; lexical decision; visual word recognition, 24796
masking; phonology; priming effects; English; visual word processing; lexical decision; reading; DRC model, 28207
meaning selection; subcortex; lexical ambiguity; repetition effects; semantic priming; subcortical lesions; lexical decisions, 35276
media image effects; self esteem; advertisements; lexical decision, 21482
morphemic homophony effect; kanji compound words; lexical decisions; naming; phonological information; orthographic representations, 737
morphology; lexical decision; words; Hebrew; Dutch, 6897
neural correlates; morphological decomposition; language; neuroimaging; lexical decision; semantics, 31202
neutral prime; event related potential; lexical decision; semantic integration, 15650
nonconscious influence; scent; cognition; behavior; citrus scented cleaner; olfactory cues; lexical decision task; cleaning activity, 263
number words; case evidence; primary progressive aphasia; semantic tasks; numerical matter; nouns; massive impairments; lexical processing, 14087
on line lexical processing; Alzheimer's disease; mild cognitive impairment; mass nouns; count nouns; dual nouns; lexicosemantic knowledge, 14271
orthographic neighborhood frequency effect; lexical decision task; French word manipulation; letters, 27858
orthographic neighborhood; SERIOL model; lexical decision; letter position encoding; hemispheric specificity; visual word recognition; N effect; orthographic level; computational modeling, 6555
orthographic neighbors; neighborhood frequency effect; lexical decision; word identification; reading, 27879
orthographic uniqueness point; eye movements; reading; naming; lexical decision, 31346
perceptual learning; speech; generalization; phonemes; lexical decision, 31049
performance monitoring; error processes; lexical decision tasks; Parkinson's disease; dementia, 14223
phonological lexical activation; reading aloud; computational models of reading aloud; orthographic density; visual word recognition, 28201
phonological reading; repetition priming; pseudohomophones; lexical decision, 27833
phonology; phonological neighborhood; visual word recognition; lexical decision; nonword fillers; naming; semantic categorization, 6557
proficient readers; Italian developmental dyslexia; nonlexical reading procedures, 35138
psycholinguistic effects; lexical retrieval tasks; linguistics, 31344
psycholinguistics; language production; gender congruency; freestanding & bound morphemes; open & closed class words; representation; retrieval, 31017
reaction time; contextual diversity; word frequency; lexical decision time; visual word recognition; semantic variables, 33900
reading development; Italian words; children; phonological recoding; lexical reading transition; orthographic units; aloud conversion; memory skills; grapheme conversion, 34363
reading disability; hemispheric interaction; phonological impairment; lexical decision, 14043
reading words; discourse analysis; modulation; lexical priming effects; message level context; linguistics; electrophysiological research; behavioral research, 31343
reading; word recognition; orthographic processing; letter position; relative position priming; lexical decision; superset primes, 15697
repetition priming; hyperpriming; semantic dementia; lexical decision, 32618
schizophrenia; semantic priming; thought disorders promotion of related words, 7676
semantic action representation; goal-directed action; grasping; tool use; lexical decision; intention, 24722
semantic priming; psychopathy; lexical decision task; dysfunctional affect-language interactions, 32209
semantic similarity; semantic priming; Spanish; lexical decision task, 16035
semantics; ambiguity; relatedness-of-meaning; word recognition; lexical decision, 30990
sensory motor based functional knowledge; man made objects; lexical decision; manipulation features, 12736
solutions effects; stem decision; identification; production processes; priming, 3349
speech perception; speech sounds; lexical knowledge; lexical decision; life span; language change, 33950
speech production; lexical access; context effects; lexical activation; lexical choice; picture word inference, 722
speech segmentation; word recognition; rhythm; phonotactics; coarticulation; psycholinguistics; lexical cues, 3336
spoken word comprehension; t lenition; phonology; lexical status; word recognition, 22385
stages-of-processing; parallel distributed processing (PDP); lexical semantic priming; word frequency; stimulus quality; lexical processing; perceptual ability; neural networks, 12693
stages-of-processing; parallel distributed processing (PDP); lexical semantic priming; word frequency; stimulus quality; lexical processing; perceptual ability; neural networks, 12692
stem allomorphy; mental lexicon; reading ability; event related potentials; nonce words, 15883
stereotypic movements; stereotype activation; overweight; attitudes; lexical decision, 10470
Stroop; emotional Stroop effect; attention; cognitive slowing; reading; lexical decision; color naming; stimulus salience, 3278
symbol string sensitivity; symbol position; adult performance; lexical decision; visual word recognition; symbols task performance, 392
task interference; time based; event based; dual intention prospective; memory conditions; decision latencies; memory tasks, 423
time course; priming; word body neighbors; phonological lexical decision tasks, 731
transposed letter; laterality effects; lexical decision; cerebral hemispheres; visual field; word recognition, 15891
visual word recognition; lexical decision; masked neighbor priming; multiple criteria account; multiple readout model, 6404
visual word recognition; reading, orthographic input coding; computational models; lexical decision; masked printing; letter migration, 24795
Williams syndrome; lexical influences; phonological short-term memory; genetic disorder; linguistics; serial recall; lexicalization errors, 4746
word frequency effects; High Dimensional Explorer; hyperspace analog to language; semantics; lexical decision; reaction time; intelligent systems, 36591
word length; lexical decision; dyslexia; reading ability, 32446
word length; visual word recognition; lexical decision; English Lexicon Project; syllables; orthographic neighbors, 24817
word priming; schizophrenia; semantic influences; lexical decisions; associational influences, 16766
word repetition priming; emotional arousal; lexical decision making, 9615

Liberalism—Serials

culture; institutions; neoliberalism; French capitalism; Britain; United States; egalitarianism; social justice; industrialization, 10248
discourse analysis; community college; missions; neoliberal ideology; education; teaching, 5630
entrepreneurial self; at risk population; identity horizons; selfhood; youths; liberal welfare government; psychological discourses, 22823
feminist subject; poststructuralist discourse; liberal humanist individual; collective biography, 13395
fixity of sexual identities; heterosexual/homosexual binary; biomedical knowledge; public sphere; liberalism; sexual orientation; late modernity; social constructionism; queer theory; politics, 4092
psychiatric drugs; drug promotion; neoliberalism; politics; pharmaceutical industry; brain; chemical imbalances; mental problems, 20596
young women; feminist identities; gender inequality; neoliberalism; equal opportunities; feminism, 7328

Liberalism (Political) [See Political Liberalism]

Libido—Serials

capitalist discourse; libidinal enjoyment; social bond; anti social effects; Lacan, 22864
excessive sexual desire; paroxetine; antidepressants; hypomania; sexual function; libido; serotonin; female patient, 20609
ideology; consumers; primal repression; cultural industry; sublimation; libido; postmodernity; pleasure, 12290
schizophrenia; quetiapine; libido; symptoms, 11398

Librarians—Serials

research librarians; working conditions; cognitive work analysis, 9610

Libraries—Serials

alcohol addiction; alcoholism; Brown University; temperance; alcohol treatment; literature; photographs; books; journals, 26139
computational approach; scholarly sensemaking; digital library; sensemaking tools, 18389
motion; library; identity; gender; emotion perception; computer animated displays; human movements, 27495
Tscope; computer programming; programming library; MS Windows platform; syntax; computer software, 36593

Librium [See Chlordiazepoxide]

Licensing (Professional) [See Professional Licensing]

Licensure Examinations [See Professional Examinations]

Licking—Serials

dopamine activation; stereotyped grooming sequences; rats; syntactic chain; forearm movements, 12929
NPY; licking; feeding; microstructure; taste; sucrose; saccharin; rats; neuropeptide Y, 28134
orbitofrontal ensemble activity; licking; brain mechanisms; orbitofrontal cortex, 15811

Lidocaine—Serials

intravenous regional block; lidocaine treatment; complex regional pain syndrome; motor performance; drug therapy, 17593
temperature; local anesthetics; in vitro; in vivo; lidocaine; electrophysiological recordings; sciatic nerve, 13011

Life Changes—Serials

adult attachment; marital conflict; family interaction; marital interaction; transition to parenthood; couples; birth, 979
after-care outcomes; felt security; social support; state sponsored care, 28323
alcohol dependence; transition; stability; developmental; symptoms; syndrome, 23167
attachment representation; family relations; psychological health; romantic activity; leaving home; relationship quality; psychological symptomatology, 31484
breast cancer survival; traumatic stress; posttraumatic personal growth; demographic characteristics; coping; client attitudes; optimism; hope; quality of life, 11021
care leaving; state sponsored care; substitute care; independent adult living; transition, 29928
changing; coping; stimulus; adolescent perceptions; adult research, 25311
community; family life; work life; civic society; civic engagement; life transitions, 22671
critical body reflections; European American women; sociocultural discourse; midlife transition; female experiences; ambivalence, 13215
depression; adolescence; early adulthood; interpersonal functioning; interpersonal difficulties; risk factors; depression onset; transition to adulthood, 19796

life course; childhood disadvantage; cumulative adversity; heart attack risk, 8091
life course; family structure; gender differences; single parenthood; parental health, 7208
life course; informal job matching; job openings; entry level jobs; job reentry, 2812
life course; mild intellectual deficits; educational attainment; occupational attainment; family formation; social support; physical health; psychological well being, 10896
life course; sibling experience; mental illness; mental retardation; developmental disabilities; adult sibling relationships, 10585
life history strategy; K factor; personality factors; individual differences; human development; life history parameters, 6952
lifespan differences; prison inmates; lifespan changes; social networks; motivational fators, 8695
male athlete; eating disorder; bulimia nervosa; sports; life span, 26246
marital breakdown; marital separation; divorce; social factors; life course; economic factors, 988
marital quality; life course; health; gender differences; age differences, 16349
military service; life course; aging; war; retirement, 7118
military service; mortality; health dynamics; retirement study; life course; continuity; oldest old, 9171
minority youths transitions; fatherhood; Puerto Rican adolescents; father child relations; life course; family background, 13187
older adults; state sponsored child care; social services; care files; self identity; family experiences; childhood experiences; life course; care leavers; Data Protection Act, 29932
organizational plasticity; neuromodulation; life span; memory plasticity; neurocomputational modeling; developmental plasticity; cognitive processes; cortical processes; dopaminergic system, 34105
paternal identity; low income African American men; life course perspective; family, 7230
perceptual motor timing; preferred tempo; rhythm perception & production; entrainment; life span development, 28246
personality change; meta-analysis; mean-level change; personality development; personality traits; life course, 10139
personality traits; personality change; immutable; NEO-PI-R;, meta-analysis; maturation; culture; biology; mean-level change; personality development; life course, 10138
racial disparities; incarceration; health outcomes; US; life course, 20818
regret; well-being; health; self-regulation; goal adjustment; quality of life; life-span; disengagement, 10201
resilience; adaptation; older women; experiences; advantage; adversity; life span, 10185
social exclusion; risk factors; life course; protective factors, 906
social status; life span; risk factors; protective factors; human development; health; developmental perspective; gender differences; race ethnic experiences, 7156

socioeconomic status; life course; health outcomes; human existence, 7160
speech errors; lifespan; aging; children; young adults; anticipatory proportion, 16137
spiral repetition; generative life cycle model; ecology; life story; life and death; time concept, 25234
spiral repetition; generative life cycle model; ecology; life story; life and death; time concept, 25235
spiral repetition; generative life cycle model; ecology; life story; life and death; time concept, 25202
spiral repetition; generative life cycle model; ecology; life story; life and death; time concept; metaphor, 25218
spiral repetition; generative life cycle model; ecology; life story; life and death; time concept; metaphor, 25229
strategic selection; gender disparities; careers; life course; health, 7164
time course; spoken language perception; variability effects; lifespan changes; age differences; adaptive resonance framework, 34287
traits; maturation; meta-analysis; culture; biology; personality change; mean-level change; personality development; life course, 10099
wartime military service; nations call; life course; aging; wartime experiences; world war; Korean veteran population; Vietnam veteran population, 7117
Wechsler Adult Intelligence Scale-III; lifespan development; measurement invariance or equivalence; confirmatory factor analysis; factor structure, 30687
well being; adult lifespan; aging; happiness, 31888
women's work=life balance trajectories; UK; reformulating choice; constraint in transitions; part-time work; life-course; women's decision-making, 31622

Life Span—Books

Cinema and life development: Healing lives and training therapists, 5102
Development across the life span (4th ed.), 34340
Growing together: Personal relationships across the lifespan, 4168
Health psychology: A critical introduction, 20665
Life-span development (10th ed.), 34341
Life-span human development, 5th ed., 34342

Life Sustaining Treatment—Serials

disabled people; disability rights; treatment withholding; treatment withdrawing; life sustaining treatment; treatment decisions; risk factors; assisted suicide; treatment futility, 1932
discretionary death; life support technologies; end of life decision making; medical practice, 5250
intellectually disabled infants; intellectual disability; life-sustaining treatment withdrawal; infants interests; ethical issues; decision making, 36144
life sustaining therapy; life support withdrawal; family participation; family decision making; health care provider interaction, 23794
moral experience; French parents; life support decisions; critically ill children; grounded theory; parent communication, 17572
quality of life; life prolonging treatment; personal characteristics; advance care planning; life span, 10195

Life Transitions [See Life Changes]

Lifesaving [See Artificial Respiration]

Lifestyle [See Also Lifestyle Changes]—Serials

active living research; recreation facilities; public health challenges; recreation fields; leisure related resources including, 2974
adolescents' lifestyles; violent victimization; social concern; physical victimization; sexual assaults, 26163
benign prostatic hyperplasia; lower urinary tract symptoms; quality of life; growth factors; urogenital disorders; lifestyle, 1700
cochlear implantation; deaf children; health care services; ethical dimensions; social/cultural view; deaf life; controversy; culture, 14295
consumerism; lifestyle; voluntary simplicity lifestyle; evaluation; female undergraduates, 28653
depression; health promoting lifestyles; mental health & illness; physical illness; psychiatric rehabilitation, 25819
developmental coordination disorder; prevalence rates; Canadian children; Greek Children; lifestyle differences, 25790
drug related lifestyle factors; partner victimization; family; childhood victimization; women; domestic violence, 23104
exercise message; attentional bias; sedentary lifestyle; health promotion; schema, 15748
exiled Iranian activists; feminist attention; life stories; feminist methods, 1044
finite mixtures; unobserved heterogeneity; structural equation model; MECOSA; life style; estimation; covariance, 30839
geriatric lifestyle; current health; expectations; quality of life; medical disabilities; attitudes, 13242
health care; New Zealand; Maori population; health status; indigenous peoples; social circumstances; lifestyle factors; health care; health disparities; health care services, 35781
healthy behaviors; young adults; developmental disabilities; lifestyles, 32433
homework assignments; lifestyle physical activity intervention; transtheoretical measures; behavioral processes; cognitive processes, 26788
individuality; creativity; lifestyle; work values; autophotography, 30863
leisure; active lifestyles; physical activity; health; holistic approach, 2971
lifestyle effects; physical activity counseling program; feedback; pedometer; pulmonary rehabilitation; chronic obstructive pulmonary disease, 17760
lifestyle health risks; obesity; self insured employers; health related cost, 36463
lifestyle patterns; driving behavior; road accident risk; urban areas, 9236
lifestyles; AIDS risk; moral worlds; young people; sexual relationships; unemployment, 29216
marketing; consumer society; hedonistic lifestyle; consumer marketing; social acceptance; globalization, 36550
National Weight Control Registry; adult weight loss; health metabolic indicators; weight management; lifestyle maintenance, 5179
political ideology; health lifestyles; self rated health; Belarus; Russia; Ukraine; democracy, 25415
promiscuity; attitudinal ambivalence; condom purchase; lifestyles; consumer attitudes, 6067
social networks; aging; demographics; health; lifestyle; survival; elderly, 879
social support; social ecological resources; lifestyle intervention; type 2 diabetes; post menopausal women; health behavior; health outcomes, 20160
socioeconomic distinction; cultural resources; cigarette smoking; lifestyles, 19312
trajectory groups; trajectories; frequent marijuana use; emerging adulthood; adulthood transition; trajectory correlates; demographics; lifestyle characteristics; high school seniors; young adults, 4499

Lifestyle [See Also Lifestyle Changes]—Books

Adlerian lifestyle counseling: Practice and research, 20486
Prescription for change: For doctors who want a life (2nd ed.), 21051

Lifestyle Changes—Serials

daily life; complicated grief patients; loss; daily routine; life activities, 13557
health care providers; family oriented counseling; treatment compliance; health status; lifestyle change; therapeutic strategy, 35580
lifestyle changes; hypertension; aerobic exercise; dietary interventions; weight loss; alcohol moderation; smoking cessation, 17250
lifestyle modification intervention; hypertensive patients; blood pressure; cardiovascular risk factors, 20227
lifestyle modification intervention; hypertensive patients; blood pressure; cardiovascular risk factors, 20232
lifestyle modification intervention; hypertensive patients; blood pressure; cardiovascular risk factors, 20228
minimal contact intervention; walking behavior; intervention feasibility; transtheoretical model; self efficacy; walking promotion; insufficiently active women, 2187
psychosocial cardiac disease risk factors; quality of life; cardiac rehabilitation; Ornish Program for Reversing Heart Disease; intense lifestyle modification; coronary artery disease, 23945
substance use; homeless emerging adults; drug use; alcohol use, 13294
voluntary simplifiers; beginner voluntary simplifiers; complex decision making processes; lifestyle changes, 27466

Light [See Illumination]

Light Adaptation—Serials

lightness constancy; cortical processing stages; surface perception; illumination; light adaptation; luminance; visual perception, 27772

Light Therapy [See Phototherapy]

Likability—Serials

benevolent sexism; gender inequalities; hostile sexists; benevolent sexists; judgmental process; prejudice, 7314
deceptive behavior; disliking people; lying; deception; perception; likability, 13472
likeability; videotaped laughter; still photographed laughter, 28682

Likert Scales—Serials

Likert based scorings; semantic differential based scorings; positive psychological constructs; psychometrics; resilience; acquiescence bias, 12465
reliability; validity; Likert-type scales intellectual disability; self-report, 33768
Teacher Behaviors Checklist; Factor Analysis; psychometrics; teaching assessment; teaching effectiveness; test validity; test reliability, 24645

Liking [See Affection]

Limbic System [See Also Amygdala, Fornix, Gyrus Cinguli, Hippocampus, Medial Forebrain Bundle, Olfactory Bulb, Septal Nuclei]—Serials

Alzheimers disease; magnetic resonance proton spectroscopy; limbic regions; disease course, 4760
c-Fos; somatosensorial cortex; limbic system; associative learning; cerebral cortex, 34096
limbic structures; paralimbic structures; aging; gray matter; frontal cortices; parietal cortices; central gyrus; parietal lobes, 3893
magnetic resonance imaging; abnormalities; temporal lobe; limbic structures; euthymic patients; bipolar disorder, 32105
motor evoked potentials; imagery; limb disuse; detrimental effects; transcranial magnetic stimulation, 22232
sex differences; dimorphic motor behavior; skilled movements; rats; animal feeding behavior; forelimb movements; postural adjustments, 604
steroid hormone levels; aggression; tree lizards; testosterone; limbic brain plasticity; regional brain volume; seasonal changes, 22131
Tourettes syndrome; deep brain stimulation; centromedian parafascicular complex; globus pallidus; thalamus; limbic striatopallido thalamo cortical systems, 1787

Limen [See Thresholds]

Limited English Proficiency [See Language Proficiency]

Linear Perspective—Serials

blind adult; drawing; foreshortening; obliques convergence; one point perspective; object direction, 32698
facets; linear ordering polytope; unification; weighted graphs; binary choice; stochastic modeling, 21754
students' coordination; geometric reasoning; fixed perimeter task; mathematical understanding; linear measurement; numerical strategies; cognitive theory; problem solving, 27210
visual perspective taking; response times; object location; angular distance; visibility judgments, 21867

Linear Regression—Serials

Bayesian modeling; covariance matrices; propriety; linear regression; correlated errors; heterogeneous errors, 18612
biased regression; directional signal; noise ratio; linear regression; orthogonal sequence; least squares estimators; multivariate analysis, 21755
corrected version; Akaike information criterion; multivariate analysis; linear regression models; numerical experiments; statistics, 18625
elliptical distribution; multivariate linear model; residuals; normal distributions, 30812
empirical likelihood; single index models; linear regression; statistical probability; multivariate analysis, 21798
graphical log linear models; statistics; edge exclusion test; power calculations; simulation, 30837
hierarchical linear models; Johnson Neyman type technique; analysis of covariance; Wald statistic, 173
linear inequality constraints; product multinomial setting; testing; statistics; probability vectors; maximum likelihood estimates, 30801
linear unbiased estimation; optimality; least squares; fundamental bordered matrix, 12572
maximal reliability; asymptotic power; covariance structure modeling; asymptotic chi squared distribution; latent linear regression, 30835
multivariate linear models; sample size calculations; random explanatory variables; response variables, 12606
multivariate local linear regression; variance reduction; estimators; conditional variances; bandwidth selection, 21747
quadratic discriminant analyses; linear discriminant analyses; consistency properties, 9479
Rasch models; linear regression models, 24663
strong consistency; least squares estimation; linear regression models; epistemic vagueness; adequacy, 12584

suppression situations; multiple linear regression; partial F test; variable selection, 21793
unbiased representations; general Gauss Markov model; dispersion matrix, 12579
Linear Regression—Books
Linear models for optimal test design, 9351
Linguistics [See Also Ethnolinguistics, Grammar, Metalinguistics, Neurolinguistics, Orthography, Psycholinguistics, Sociolinguistics]—Serials
American Indian English; linguistic features; television; movie, 16024
American sign language; animation; encoding; linguistic signal; machine translation, 33646
amount of talk; linguistics; talk control, 3824
analog acoustic expression; speech communication; linguistics; prosodic forms; information, 31349
anterior cingulate cortex; intentional communication; social cognition, 9934
aphasia; bilingual user; British sign language; English; cross linguistic cues; left hemisphere, 1799
applied linguistics; transitions; definitions; disagreements; English language teaching; communication, 9940
assimilation; problematic experiences; therapeutic failure; therapeutic dropout; linguistic therapy; reactive depression, 35484
asymmetries; number acquisition; quantifiers; linguistics; language development; numerical ability, 16107
Australian language; body part terms; Kuuk Thaayorre; human body; cross linguistic patterns; lexicon; metaphor, 34274
autistic children; scaffold coherent interpretations; social pragmatic account; social deficit; linguistic deficit; narrative discourse, 7918
automatic techniques; backward causal connectives; semantics; contexts; Dutch newspaper corpora, 16001
Aymara language; crosslinguistic comparison; spatial construals; gestures; time models, 28203
bilingualism; representation; Spanish English contact; legal institutional memory; discourse analysis; biculturalism; Latina women; linguistic diversity; cultural diversity, 34297
bilingualism; script choice; Russian American signage; classified advertisements; Russian-Americans; immigrants; Russian texts; Cyrillic script, 708
brain activation; sentence comprehension; inferior frontal gyrus; supplementary motor area; lingual gyrus; brain change, 18977
categorization; inductive reasoning; similarity, recognition memory, cognitive development; induction task; young children; linguistic labels; perceptual information; artificial labels; real labels, 3822
categorization; inductive reasoning; similarity, recognition memory, cognitive development; induction task; young children; linguistic labels; perceptual information; artificial labels; real labels, 3837
causes; enabling conditions; linguistic cues; mental model generation, 6533
central & peripheral cues; visual attention; spatial perception; linguistics, 27769
cheap talk; language use; linguistic theory; pragmatics; interpersonal interaction, 735
chimpanzees; signs; human interaction; object signs; action signs; acquisitive motivation; linguistics, 6667
Chinese indefinites; specificity; internal modifier; left peripheral modifier, 34303
clause final politeness; Japanese men; casual conversations; social status, 16039
clinical perspectives; speech sound disorders; language development; childhood, 7986
cognitive ability; linguistic ability; reading comprehension skills; diverse linguistic backgrounds; verbal working memory; language; children, 24152
cognitive architecture; developmental neuroscience; linguistics; neuroimaging, 30997
cognitive factors; linguistics; collective nouns; children's processing; English speakers' judgments; Welsh speakers' judgments; novel words, 19192
cognitive linguistics; biology; cognition; biosemiotics; physicalism; semoisis; life experiences; autopoiesis, 34279
cognitive models; metaphorical components; moral system; political system; conceptual metaphors; candidates; debates, 712
color categories; universal innate representation; cross cultural comparison; color domain; cultural transmission; cross-language agreement; hypotheses; linguistic imprinting, 9935
color term acquisition; conceptual constraints; attentional constraints; linguistic constraints; object words learning, 31419
color; color categories; linguistic relativism; language game; universalism; cultural acquisition; computational model, 6892
coloring task; extensional meanings; information collection; body part terms, 34299
communication problems; researchers; informants; speech difficulty; qualitative data collection; Parkinson's disease; alternative therapy; complementary therapy; linguistic inability, 35996
communication system; computer simulations; language; neural networks; communication systems; linguistic system; adaptive factors, 3769
community interpreters; role; pediatrics; medical interactions; pediatricians' views; typology, 8538
compliment behavior; bilingual Kuwaiti college students; cross linguistic pragmatic differences; English as foreign language, 21211
computational model; linguistic Human-Robot Interaction; spatial reference systems; object identification; model of projective relations, 21536
conceptual functioning; word meaning; abstraction; linguistic constraints; attentional constraints; color term learning; preschoolers, 31403
conceptual functioning; word meaning; abstraction; linguistic constraints; attentional constraints; color term learning; preschoolers, 31396
conceptual functioning; word meaning; abstraction; linguistic constraints; attentional constraints; color term learning; preschoolers, 31425
contextualization; translator; interpreter; mediated events; linguistic anthropology, 19086
cross dialectal data sharing; acoustic modeling; Arabic speech recognition; linguistics; automatic speech recognition systems, 3333
cross linguistic categorization; human body; semantic typology; languages; dictionaries, 34272
cross linguistic encoding; motion events; age differences, 13075
cross-linguistic transfer; adjective-noun strings; preschool bilingual children; speech production; English; French; noun-adjective order; overlap; ambiguity, 19100
cultural factors; linguistic influence; neural bases; theory of mind; Japanese bilinguals; neuroimaging, 31198
cultural influence; linguistic influence; brain organization; dyslexia; language proficiency; language acquisition age; bilingualism; working memory, 25164
discreteness; continuity; linguistic analysis; complex categories; metaphors, 25166
discursive approach; risk communication; genetic counseling; probability; probabilistic terminology, 20721
doctor patient consultations; triadic exchanges; dyadic exchanges; discourse analysis, 8222
doctoral degrees; foreign languages; United States; foreign language education; literatures; cultures; linguistics, 5633
dynamic event words; motion event semantics; single word meanings; linguistic expression; pre linguistic cognition; language development, 19187
early segmentation; fluent speech; infants; crosslinguistic differences; infant ability; bisyllabic words; language, 16123
embedded structure; evolution; phonology; grammar; linguistics; acoustics; physiology; articulation, 25069
European Union; translation problems; linguistic devaluation; multilingual communication, 9962
expressive vocabulary; language learners; ecological settings; language communities, 3817
extra object; linguistic apprehension; spatial relationships; located object; reference object; Thurstone's law of judgment; acceptability distribution; spatial term, 30867
eye movements; linguistic control; spatial control; reading; visuospatial ability; language, 18820
family mediators; linguistic acculturation; adolescent development; mental health; behavior problems; depressive symptoms, 25330
flexible mental processes; numerical size judgments; Hebrew letters; linguistic function; alphabets; arithmetic, 24824
free sorting behavior; naming; color vocabularies; grouping behavior; linguistic; languages; industrialized & traditional cultures, 9548
French literature; creolization; target language; linguistics, 34291
genres; gender; language ideology; Muskogee women; linguistics; gossips, 19097
grammatical development; lexical development; immature preterms; linguistic development, 22496
Gricean Maxim of Quantity; speakers; listeners; linguistic performance; language comprehension, 19091
human communication; spoken language; linguistic information; speech technology; speech prosody, 9948
imagistic gestures; semantic dimension size; speech, 25154
intelligibility; second language speech; linguistic backgrounds; native population, 16027
interdependent development; autonomous development; bilingualism; question formation; bilingual development; linguistic environment, 3828
intraclausal coherence relations; German preposition bei; meaning; lexical polysemy; discourse interpretation, 16013
journalistic reporting; hormone replacement news; science communication; sensationalism; linguistic analysis; medical rhetoric; newspapers; news magazines, 2168
jurisdictional discourse; bodily conduct; linguistic expression; legal professionals; semiotic resource; synchronization; speaker; listener, 3768
language abstraction; inferences; attitudes; motives; linguistics, 25159
language ideology; racial inequality; Mexican restaurant; English speaking Anglo employees; Anglo managers; linguistics; monolingualism, 19087
language intervention; syntactic skill levels; preschoolers; language development; passive voice; intervention; experimentally manipulated input, 10080
language specific influences; acquisition; language development; cognition; spatial words; linguistics, 19177
language specific influences; linguistic differences; cognitive processes; attentional patterns, 13070
language writing; multiple perspectives; diaspora contexts; Asia Pacific; academic literacy; teaching interests; native language; culture, 3765
language; culture; conciousness; linguistic theory; Benjamin Lee Whorf; western science, 3776
language; medial temporal lobe; spontaneous discourse; linguistic analysis; amnesia, 1305
language; medial temporal lobe; spontaneous discourse; linguistic analysis; amnesia, 19739
linguistic & nonlinguistic influences; eye movement; orthography; oculomotor behavior; fixation durations; reading, 19029
linguistic accommodations; older adults; communication disorders; partner motivation, 7992
linguistic anthropology; speech act theory; meaning; speech community; Hopi Indians; interpretation; arguments; debate; disputes, 13077
linguistic apprehension; spatial relationship; reference object; acceptability; Thurstones law of judgment, 33931
linguistic comparison; writers; physicists; fiction; emotions; motivation; word usage, 25141
linguistic constraints; attentional constraints; color term learning; preschoolers, 31417
linguistic constraints; literacy development; language development; phonological awareness, 10076
linguistic constructions; modernity; Korean television commercials; English language; Korean language, 16020
linguistic differences; shape perceptions; terrorism; violence; newspaper articles; people attitudes, 6899
linguistic form emergence; time; neural networks; word learning; phylogeny; syntax, 3767
linguistic fuzzy logic game theory; Nash equilibrium, 12422
linguistic gender marking; categorization schema; syntactic structure; brand name; consumer attitudes, 3012
linguistic intergroup bias; crime news; racial attitudes; stereotypical news coverage; news media, 19072
linguistic markers; psychological state; media interviews; political candidates; presidential campaign; cognitive domains, 7306
linguistic structure emergence; grammatical communication systems; cognitive modeling; lexical; grammar; computer models, 3743
linguistics; cognition; sentences; imitation; thoughts; pragmatism, 25158
linguistics; cultural influences; brain organization of language; dyslexia; reading fluency; morphology; double deficit hypothesis; native language; literacy measures; foreign language proficiency, 26220
linguistics; Japanese twins; singletons; delayed language development; early childhood development; Illinois Test of Psycholinguistic Abilities, 34359

Linguistics—Serials

linguistics; loanwords; Hadrami Arabic; bilingualism; morphology; phonological processes; Arabic dialect, 19082
Mandarin Chinese conversation; sequential words positions; language; social interaction; linguistics, 740
Mary Brennan; sign linguist; deaf education; British Sign Language; obituary, 14293
mean length of utterance; linguistic knowledge; morphosyntax; vocabulary, 779
monolingualism; Moroccan adolescents; linguistic sabotage; hegemony; school; stereotypes; Belgium, 5830
neural substrates; linguistic prosody; syntactic disambiguation; brain damage; brain hemisphere; prosodic cues, 14266
neuropragmatics; extralinguistic pragmatic ability; left hemisphere damaged patients; right hemisphere damaged patients; linguistic deficits, 26387
nonlinguistics; auditory variations; lexical processing; Brocas aphasics; white noise; semantic priming, 17303
novel root compounds; specific language impairment; linguistic information, 1655
ontogeny; phylogeny; language acquisition; children disabilities; childhood development; communicative competence; linguistic status; cognitive development, 5635
orthographic transparency; onset entropy; spellings; alphabets; phoneme mappings; cross cultural differences; cross linguistics; pronunciation, 3752
Penn Chinese TreeBank; annotation guidelines; bracketing guidelines; phrase structure annotation; Chinese Language Processing; machine learning approach, 6114
perceptual availability; discourse; young children; referring expression; social cognitive developments; linguistics, 28290
phonological encoding in speech production; Japanese; moraic representation; cross linguistic differences; implicit priming task, 30993
phonology; utterance; crosslinguistic perspective; vowels, 22494
political communication; Linguistic Intergroup Bias; ingroup outgroup behavior; stereotypes; language, 31336
polylogue; commercial colloquium; information; pragmatic knowledge; linguistic expression, 31345
positive mood; global processing style; linguistic expressions; autobiographical events, 31338
post totalitarian Russia; cultural context; linguistic context; analytical space; transference countertransference dynamics, 22604
procedural meanings; well; Xhosa English; pragmatic marker; linguists; syntactic property; semantic property; pragmatic property, 714
processing instruction; second language acquisition; communicative output; attention; linguistics, 25178
profanity; social functions; emotional functions; linguistic functions; physical effects; cardiac rate; increased Galvanic skin responses; crosslinguistic obscenity, 34281
pronunciation modeling; phonological rules; linguistic hierarchies; speech recognition, 3053
prosodic information; prosodic processing; language; linguistics; brain activation; children, 22486
prosodic sensitivity; reading development; linguistic rhythm; speech rhythm; stress; eye movements, 28212
psycholinguistic effects; lexical retrieval tasks; linguistics, 31344
race relations; social psychology; racism; experiences; everyday practices; linguistic practices; talk; materiality, 10272
rating discrepancies; feedback; multiple raters; linguistic properties, 9497
readership; economics metaphors; linguistic metaphors; business discourse; scientific discourse; purpose, 16036
reading comprehension; nonsense word decoding; linguistic comprehension; teenagers; severe reading delays, 26226
reading comprehension; time course; linguistic analyses; enriched composition; sentences, 24813
reading words; discourse analysis; modulation; lexical priming effects; message level context; linguistics; electrophysiological research; behavioral research, 31343
reading; attention; parafoveal preview; alternating case; parallel processing; pretarget viewing; linguistic information; words; time course; visibility; eye fixation, 373
reading; spelling; memory; neuropsychology; pronunciation; linguistics, 3763
response modality effect; spelling words; linguistic complexity; keyboarding proficiency; handwriting; computerized instructions; long-term memory, 14974
response time; standard setting method; assessment methods; liguistic assessment; computer assisted testing, 33852
rimes; prereaders; phonological awareness tasks; articulation; epilinguistic phonological tasks; word pairs; onsets; codas, 22497
Savosavo; body part terminology; meanings; partonomic relations; linguistic evidence, 34302
semantic dementia; verbal expressions; linguistics; semantic processing; numerical knowledge; comprehension, 26379
semantic number; morphological information; linguistic phenomena, 710
semantics; syntax; language; linguistic argument structure; toddlers, 28277
sign language; trends; linguistics; research; spoken languages, 34300
Skinner; verbal behavior; linguistic sources, 26612
social perceptions; network based technique; vocalization; linguistic variation; phonetic realization, 3756
somatic marking; conceptual blending theory; Chinese philosophy; multiple scope blends; normativity; emotions; decision making; value creation, 6920
speech action patterns; discourse types; multilingual institutional communication; linguistic actions; source language; target language; genre, 3754
speech interactions; linguistic challenges; cognitive tasks; visuomotor tasks; lip movements; repetitive speaking conditions; young adults; nonspeech activities; motor challenges; concurrent speech, 3758
speech pathology; professional interpreting practice; interpreter mediated communication; Italian-speaking immigrants; English-speaking healthcare professionals; voice; medicine; lifeworld, 8238
speech perception; bilingualism; second language perception; phonemic discrimination; attention, 728
structural constraints; code switched advertising; persuasion, 12314
Swedish tonal word accents; children; language impairment; normal controls; linguistically naive listeners, 26255
teaching; foreign languages; literature; Adlerian psychology; community; linguistics; democracy; family; schools, 1119
therapeutic relationship; linguistic interaction; short term therapy; interactive behavior, 4951
time; psychological reality; ego; metaphor construal; cognitive linguistics; visual priming; time perception, 25171
tree adjoining grammar; abstract specifications; syntactic principles; linguistic structure, 6928
utterance lenhth; morphemes; language development; syntactic skills; English-speaking children; linguistics, 3831
utterances; eye tracking; scene processing; eye movements; sentence ambiguity; linguistics; world knowledge, 27779
variability accounting; coda consonants production; language development; linguistics; phonological development; novel word imitation; unstressed syllables, 16112
verb agreement morphology; British Sign Language; linguistic phenomena; typological factors; language acquisition, 13152
vocalization systems; phonotactics; combinatoriality; communication system; linguistics; language; self organization; evolution; neural maps, 3773
weak syllable processing; deaf children; cochlear implants; multiword utterances; prosodic foot structure; language problems; linguistic process development; peers, 26468
word familiarity; linguistic; word meaning; cognitive processes, 9941
word final disfluencies; palilalia; linguistic unit; singleton consonant; monosyllabic words; stuttering, 3778

Linguistics [See Also Ethnolinguistics, Grammar, Metalinguistics, Neurolinguistics, Orthography, Psycholinguistics, Sociolinguistics]—Books

Language and mind (3rd ed.), 19105
Language in the schools: Integrating linguistic knowledge into K-12 teaching, 11974

Linkage Analysis [See Genetic Linkage]
Lions [See Felids]

Lipid Metabolism—Serials

Alzheimer disease; apolipoprotein E; apoE4; neurobiology; neurodegenerative disorders; lipid metabolism; pathogenesis; homeostasis, 17290
Kupffer cells; alcoholic liver disease; fat accumulation; mouse; gender differences; tumor necrosis factor, 1548
lipid peroxidation; brain tumor; free oxygen radicals; enzyme activities; antioxidant system, 32593
Orlistat treatment; clozapine induced hyperglycemia; weight gain; pancreatic lipase inhibitor, 8401

Lipid Metabolism Disorders—Serials

management; treatment; dyslipidemia; HIV; AIDS; protease inhibitors; antiretroviral therapy, 14575

Lipids [See Also Fatty Acids]—Serials

Alzheimer's disease; dyslipidemia; lipids; pathogenesis; amyloid-beta plaques; neurofibrillary tangles; neuronal loss, 26425
apolipoprotein E genotype; lipid profile; Alzheimers disease; cholesterol, 32675
atypical antipsychotics; serum leptin levels; disabled lipid profiles; euthymic bipolar patients; bipolar disorder, 32907
chronic stress; body fat content; obesity prone strain; obesity resistant strain; mice, 623
dysbetalipoproteinemia; tricyclic antidepressants; clomipramine; protease inhibitors; apolipoprotein-E2 homozygosity; major depression, 5053
high cholesterol; triglycerides; body mass index; suicide attempters; major depressive episode, 16843
Huntingtons disease; neurotrophic enhancers; drug therapy; behavioral deficits; rodent models; gangliosides; pyrimidines; mesenchymal stem cells; neurodegenerative disorders, 28141
lipids; psychiatrists; major risk factor; cardiovascular disease; risk assessment, 8054
lipopolysaccharide infusion; ibuprofen treatment; behavioral effects; histopathological effects; rats, 672
odors; fat-like properties; associative learning, 30879
omega-3 fatty acid; lipid profile; clozapine; schizophrenia; schizoaffective disorder, 28875
stress; cholesterol; mental stress testing; cardiovascular disease, 4336
striatal lipid peroxidation levels; nimodipine; neuroprotective effects; pilocarpine-induced seizures; rats; behavior change, 6850

Lipoproteins—Serials

aggression; aggressive behavior; cholesterol; apolipoprotein A-I; apolipoprotein B ratio; blood lipids; young adult males; personality disorders; biological correlates, 25994
ancient receptor family; lipoprotein receptors; synaptic plasticity; memory formation; Alzheimers disease; neurodegenerative disease; neuropsychiatry, 12932
lipoprotein; elevated plasma levels; psychiatric patients; adverse cardiovascular events; risk factor; schizophrenia; major depression; bipolar disorder; personality disorder, 16667
neuronal specific regulatory elements; apolipoprotein gene proximal promoter; neurodegenerative diseases; Alzheimers disease; transcriptional activity, 3608
serotonin transporter polymorphism; low density lipoprotein; late onset depression, 34857

Lipreading—Serials

asymmetries; visual expression; speech perception; vocalization; consonant; lip movement; language; lateral dominance, 21889
speech reading; reading ability; eight year old deaf children; learning to read, 17361

Lips (Face)—Serials

speech interactions; linguistic challenges; cognitive tasks; visuomotor tasks; lip movements; repetitive speaking conditions; young adults; nonspeech activities; motor challenges; concurrent speech, 3758

Liquor—Serials

malt liquor consumption; alcohol drinking patterns, 31705

Listening [See Auditory Perception]

Listening (Interpersonal)—Serials

Active Empathetic Listening Scale; scale development; test validation; salespeople; psychometrics, 12560
complaining exercise; solution-focused brief therapy; listening skills; therapist; client, 2496
coordinating attention; listener's eye movement; eye movement coupling; speaker's eye movement; discourse comprehension, 6441
rumors; gossip; urban legends; cognitive processing; listeners; social relationships; anxiety; conversation, 12418
shallow listening; decision making; interpersonal relationships, 10408
verbal behavior; joint control; active listener; verbal relations, 28585
words; learning; overhearing; 18-month-old infants, 34349

Listening (Interpersonal)—Books

Stop arguing with your kids: How to win the battle of wills by making your children feel heard, 1023

Listening Comprehension—Serials
academic skills; English as a second language; lecture comprehension; academic listening; Chinese students, 27248
coordinating attention; listener's eye movement; eye movement coupling; speaker's eye movement; discourse comprehension, 6441
facial cues; gestures; second language learners; learners listening comprehension; English as second language, 8945
genetics; environmental influences; listening comprehension; reading comprehension, 22470
Gricean Maxim of Quantity; speakers; listeners; linguistic performance; language comprehension, 19091
Informal-Richter Educational Assessment Device; qualitative reading inventory; college students; listening comprehension; oral reading passages, 29491
spoken language comprehension deficit; verb subcategory knowledge; lexical syntax, 7983
visual signals; text comprehension; speech synthesis; text memorization; discursive segments; prosodic cues, 21528
word meaning deafness; writing words; cerebral mechanisms; phonological representation; semantic representation; neuropsychological theories, 20155
Literacy [See Also Computer Literacy]—Serials
early reading development; home literacy experiences; early understanding; visual aspects; orthographic aspects; print , 13145
academic languages; project based instruction; literacy skills; students perceptions; literacy socialization; teacher perceptions; secondary school immigrant, 5734
adolescent mental health literacy; depression; help seeking; peers; ability, 16150
adult literacy learners; low literacy stigma; consumer education; shopping; market-place negotiation; consumer behavior, 6077
alphabetic print; reading development; early literacy curriculum; hypertextual elements; governance; assessment, 16102
Alzheimer's disease; cognitive decline; literacy level; ethnicity, 4798
assistive technology; literacy skills; language education; disabled students; team decision making; reading skill support; writing skills; literacy partnerships, 18116
ATM accessibility; illiterate groups; interfaces; bank account holders; ATM withdrawal transactions, 15293
audiotapes; health literacy; health information exchange intervention; health communication, 8507
autism spectrum disorder; communication; teaming strategies; literacy learning, 7912
beginning reading success; meaningful assessment; early literacy skills; school psychologists; reading skills, 14951
bilingualism; vocabulary; cross-linguistic transfer; Spanish language; English reading comprehension; holistic model; literacy; reading skills; Latinos, 15017
Brazilian preschoolers; United States preschoolers; letter names; language learning; vocabulary; literacy; cross cultural differences, 19200
cancer information; readability instruments; comprehension; word recognition; Internet; cancer education; health literacy; Web-based information; print information, 23368
child maternal contributions; shared reading; language development; literacy development; metalingual utterances, 13126
children literacy achievements; family factors; kindergarten; school; language skills; family measures, 5790
children writing; handwritten monomodal work; text production; assessment; multimodality; literacy pedagogies; literacy curriculum; classrooms, 21163
cognitive processing; language tasks; literacy; education; neural activation; Chinese subjects, 15670
collaborative efforts; emergent literacy; efficient word recognition; speech language pathologists; classroom teachers; team teaching, 18137
cross national differences; skills earnings relationship; labor market institutions; literacy skills, 34525
curriculum; instructional influences; early literacy attainment; classroom context; cross cultural differences; teachers' qualifications; childhood development, 8914
disciplinary variation; undergraduate essays; professional academic discourse; literacy practices, 3771
discourses; txting; technologies; literacies; texting; school essay, 3728
early literacy skills; preschool children; intervention; language; preschool teachers, 33337
early reading; bilingual kindergartners; educational television; individual growth rates; phonological awareness; letter word identification, 15027
educational psychology; cognitive neuroscience; research; brain development; literacy; dyslexia, 14966
educational race; cultural integrity; literacy; multilingualism; learning english; classrooms; globalization; teaching, 3988
English language learner; short-term & working memory; literacy; reading disabilities; cognition; bilingual children; at risk children; reading; vocabulary; English as a second language; Spanish, 19199
English language learners; language acquisition; learning disabilities; literacy, 18124
environmental influences; genetics; literacy; early development; phonology; rapid naming; reading skills, 22443
evaluation; family literacy; Even Start; interventions; child literacy; adult literacy; parent child interactions; randomized experiments, 5769
film literacy; optical effects, 30207
financial literacy; black college students; race; gender; age; parental educational level, 1240
gay themed discourses; literacy teaching; ethnography, 18028
health literacy; health information; health outcomes, 11513
hidden literacies; inquiry approaches; bilingual high school writers; ecological framework; academic English; writing skills, 16044
home literacy environment; parental literacy beliefs; literacy development; mother literacy, 31427
home literacy environment; preschool-aged children; language skills; literacy skills; parental influences, 16140
home literacy model; parent involvement; reading comprehension; fluency; spelling skills; word reading; pleasure; literacy experiences; kindergarten literacy skills, 15021
identity; childhood culture; literacy learning; African American student, 18047
illiteracy; two dimensional object naming; color processing, 14092
immigrants; literacy; Dutch classes; language competence, 24179
information literacy skills; information and communication technologies; teaching; networked learning; higher education; technical skills; Internet, 36256
instructional practices; grades 1 and 2; reading & spelling achievement; high poverty schools; literacy; teaching effectiveness; learning, 11832
Internet based learning environment; literacy development; Knowledge Forum, 36274
intertextuality; read-alouds; integrated science-literacy units; urban primary classrooms; thought development; language development; scientific language; classroom discourse, 30295
kindergarten literacy achievement; integrated learning system; kindergarten emergent reading skills; listening comprehension; phonological awareness; print concepts knowledge, 8891
kindergarten teachers; perceptions; attitudes; language & literacy development; language intervention; speech language pathologist, 15023
Korean literacy; English literacy; english as second language; academic literacy; schools; Asian adolescents; cross cultural differences, 5817
Korean; English; biliteracy; cross-language transfer; phonological transfer; orthographic transfer; reading, 15030
language development; literacy acquisition; maori medium education; english language instruction; academic achievement; foreign language learning, 8972
language writing; multiple perspectives; diaspora contexts; Asia Pacific; academic literacy; teaching interests; native language; culture, 3765
language-literacy learning; literacy interventions; collaborative approaches; natural learning contexts, 17076
language; literacy; federal legislation, 6926
language; literacy; intervention; Head Start; vocabulary development; teachers; book reading; strategies; language, 14986
law students; economics students; academic reading practices; literacy problems; culturally dependent sources; Great Britain; France; Spain, 5814
learning; internet use; literacy practices; web reading; childrens skill; web based texts, 8987
linguistic constraints; literacy development; language development; phonological awareness, 10076
literacy development; bilingualism; monolingual classroom, 33404
literacy development; spelling development; elementary school; urban eenvironments; disadvantaged children, 21150
literacy education, 21136
literacy experience; preliteracy knowledge; environmental factors; school based literacy; children; twin pairs; genetic mediation, 9772
literacy experiences; teaching propensities; elementary preservice teachers; reading mathematics word problems, 30255
literacy intervention; collaborative approaches; special education; speech language pathologists; teachers; language impairment, 17130
literacy learning; pedagogical purpose; Vivian Paley's storytelling curriculum; dictation; dramatization, 8894
literacy learning; school children; teaching; language, 8826
literacy partnerships; language education; teachers; speech language pathologists, 17129
literacy partnerships; special education; curriculum-based language instruction; intervention, 18129
literacy reform models; high poverty schools; first grade achievement patterns; literacy instruction; first grade achievement, 5815
literacy teaching; assessment; professional development; secondary school teachers; knowledge; skills, 30243
literacy; church activity; religious orientation, 3353
literacy; deaf education; deaf world; written language; sign language; deaf studies, 32696
literacy; deaf education; deaf world; written language; sign language; deaf studies, 32701
literacy; early childhood settings; peers; conversations; curriculum; academic instruction, 18031
literacy; ethnolinguistic diversity; transitional bilingual education; Malawi; languages; government policies, 30281
literacy; foreign language instruction; second language instruction; psycholinguistic processes; reading; writing, 5655
literacy; mathematics skills; psychiatric in-patients; adult literacy program, 14664
literacy; research, 5628
literacy; transition strategies; upper elementary students; language learning disabilities; teaching; education classroom, 14091
literature; literacy curriculum; professional development; teaching; learning; writing; primary school students; classrooms, 21154
mediated action; literacy contexts; South Africa; sociocultural psychology, 15998
mental health literacy; Australian research; public health; social network, 14592
mentor political literacy; new teachers; school environments; reading; navigating; advocating; teachers expertise, 33353
Michigan prisoners; U.S. prisoners; foreign prisoners; literacy rates, 8702
mixed methodology; teachers attitudes; adult literacy; educational change; numeracy skills; Skills for Life; England; qualitative method; quantitative method, 206
morphology; literacy; phonology; vocabulary; reading; phonological memory; phonological decoding; spelling; words; elementary school students; middle school students, 15013
multilingual literacies; literacy practices; community language school; elementary schools; classroom interaction; economic immigration, 5760
native language predictors; foreign language proficiency; foreign language aptitude; native language literacy; oral language; cognitive ability; elementary school students, 27227
one-to-one tutoring programs; literacy; special education, 11835
parent delivered direct instruction; reading curriculum; early literacy skills; first grade children; reading skills; phonemic awareness; childhood development, 8835
parents literacy beliefs; parents literacy behaviors; childhood development, 16367
pedagogy; learning; teaching; elementary literacy; teacher education, 17995
phonics; self-teaching materials; traditional English orthography; alphabetic decoding; primary school; Chinese orthography, 21159
preliterate Hebrew speakers; syllable splitting; consonant; vowels; kindergarten students; literacy; grade school students, 10070

preservice teacher; conceptual understandings; literacy teaching; curriculum; spelling; grammar; phonics; Australian schools; theories, 30246
professional academic writing; multilingual scholars; literacy brokers; English medium texts; academic knowledge production, 16021
racial differences; cognitive decline; education; literacy; African Americans, 11118
reading development; reading impairment; neurobiological factors; behavioral factors; literacy skills; classroom, 7947
retention; Hispanic students; child; parent; teacher; school; peer predictors; literacy performance; educational policy, 18103
social behavior; emergent literacy; preschool students; sex differences, 13101
social behavior; literacy achievement; low income status; social skills; aggressive behavior, 15052
teacher education; literacy; professional knowledge; student learning outcomes; classroom research, 30244
teaching; reading; literacy; reading education; interview, 8847
transnational media; literacy; Latina teens; cultural resources; womenhood, 22435
Voyager Universal Literacy System; kindergarten students; inner city schools; educational program evaluation; beginning readers; early reading skills, 21138
wordless picture books; young children; early literacy; reading development; self that reads, 16119
writing development; descriptive writing; longitudinal research; urban students; primary grade writing; low income; literacy development; classroom environment; teachers, 30306

Literacy [See Also Computer Literacy]—Books

50 literacy strategies: For culturally responsive teaching, K-8, 21173
Multicultural issues and literacy achievement, 21165
Quotes to inspire great reading teachers: A reflective tool for advancing students' literacy, 27207
Reading Hebrew: The language and the psychology of reading it, 16048
Teaching the dimensions of literacy, 33425

Literacy Programs—Serials

dyslexia; self-esteem; dyslexia support; National Literacy Strategy; dyslexia friendly schools movement; policy implementation; approach efficacy, 24261
early childhood educators; professional development; literacy workshop; literacy practices; preschool children; literacy skills, 27178
eating disorders; college women; at risk; media literacy program; risk factors; prevention intervention, 17105
evaluation; family literacy; Even Start; interventions; child literacy; adult literacy; parent child interactions; randomized experiments, 5769
family involvement training; language skills; young elementary children; migrant families; program outcomes; literacy program, 33391
family literacy program; writing abilities; parental intervention; reading abilities; school year; home activities; class teaching, 8937
language practices; literacy practices; Dominican families; family literacy programs; technologies, 13078
language-literacy learning; literacy interventions; collaborative approaches; natural learning contexts, 17076
literacy intervention; collaborative approaches; special education; speech language pathologists; teachers; language impairment, 17130
literacy partnerships; language education; teachers; speech language pathologists, 17129
literacy partnerships; special education; curriculum-based language instruction; intervention, 18129
National Literacy Strategy; corpus linguistics; education policy; education policy; classroom practice, 21158
new teachers; educational resistance; literacy instruction program; professional principles; prescriptive educational policies, 17963
nonformal education; informal economies; sub Saharan Africa, 14902
phonological awareness; nursery-aged children; Early Listening program; multiculturalism; multilingualism; language development; pre-literacy skill development, 30283
professional development; urban schooling; early literacy; teacher education; reading clinics; intervention strategies; reading specialists, 27152
reading instruction; student; resistance; classroom environment; primary school students; activity settings; motivation; choice; challenge; control; collaboration; constructing meaning; consequence, 18092
womens persistence; adult literacy classes; dispositional variables; adult attitudes; self efficacy; resilience; attributions, 17960

Literature [See Also Poetry, Prose]—Serials

alcohol addiction; alcoholism; Brown University; temperance; alcohol treatment; literature; photographs; books; journals, 26139
children; parents; eminent writers; behavioral science; literature; human development; child psychology; child rearing, 16060
clinical practice; counseling psychology; literature, 4944
consumer research; literature; fiction; novels; intellectual resources; marketing, 6056
contemporary fiction; narrative forms; lesbian feminist; feminist girlhood, 34608
critical analysis; literature; Internet; consumer health information, 5110
development of literary theory; psychoanalysis, 1263
doctoral degrees; foreign languages; United States; foreign language education; literatures; cultures; linguistics, 5633
doing gender; gender discrimination; fiction; organizations; workplace discrimination; coercive action, 27394
epic woman; humor; female protagonist; medieval epic; renaissance epic; literature, 31313
Eric Fromm; psychoanalysis; analytic processes; creativity; therapeutic alliance; James Joyce, 3709
ethnic identity; Latino students; Chicano literature; multicultural education, 3999
feminism; cultural fantasy; narratives; fantasy novels, 34618
feminism; literature; social class; gender differences; whiteness, 34617
fiction; novel; writing aptitudes; psychologists; publication, 15994
fiction; psychoanalytic theory, 13597
fictional story; humorous article; professional personnel; professional ethics, 27018
French literature; creolization; target language; linguistics, 34291
Freud translation; return to Freud; Freud anecdotes; fable; Hamlet; psychoanalysis; Freud's work, 28704
genre; Canadian reception; suffrage militancy; history; news reports; debates, 31572
Google search engine; word for word plagiarism; masters theses; anti plagiarism software packages; Googles effectiveness; academic disciplines, 695
humor; literary role of women; literary theory; humor, 28499
hypocrisy; irony; cognitive model; psychology; philosophical literature, 25703
Jules Vernes novel; counterdepressive narratives; conscious element; opposites; literary works, 9914
lesbianism; feminism; literature; gender differences; sexuality; love, 34612
linguistic comparison; writers; physicists; fiction; emotions; motivation; word usage, 25141
literalism; metaphorical interpretation; truth; contextualist literalist controversy; language; implicit indexicality; semantic transfer, 22387
literary Black studies; Pan Africanism; epistomological variables of the academy; Black studies discipline in higher education, 36173
literary dreams; dream interpretation; psychoanalysts; psychoanalysis, 3716
literary reading activities; good students; weak students; storytelling; reading ability; teaching methods, 21145
mathematics ability; geometry vocabulary; academic achievement; school learning; children's literature, 18010
metaphor; Eurocentric contexts; Arguedas; Asturias; Malouf; indigenous concepts; many sided analogies; protagonists; reality; Men of Maize; An Imaginary Life; novels; Deep Rivers, 16010
metaphorical images; organizations; researchers; organizational literature; heuristics, 12220
multicultural education; Web-mediated discussion; literature response; teacher education; literacy methods; social studies methods; multicultural historical fiction, 27155
neuropsychology; meta analysis; research literature; methods, 15864
outcome expectations; vocational literature; future research, 12146
post-feminist girlhood; human females; feminism; interpretation of literature; novels, 34614
self affirmation; death attitudes; sociology; suicide; literary texts; self concept; impulsiveness, 34751
Skinner; verbal behavior; linguistic sources, 26612
social work; bibliometrics; citation analysis; health care, 8583
state socialism; Czech masculinities; popular literature; R. John: Memento; models of masculinity; masculinity and drugs; homosexuality; body, 16268
suffering; therapeutic relationship; Miss Lonelyhearts, 31315
taboos; human societies; behavior regulation; African writers; discourse; taboo adherence; taboo violation; death; madness; sex; incest; Europhone African literature, 19084
teaching; foreign languages; literature; Adlerian psychology; community; linguistics; democracy; family; schools, 1119
The Wonderful Wizard of Oz; metaphor; career counseling issues; counselor training; counseling practice; cross cultural issues, 18186
time orientation; psychoanalysis; The Picture of Dorian Gray; illusory world; patients; awareness of time passing; capacity to mourn; Freud's paper; phenomenology of depressive position; guilt, 32848
women's suffrage; women's writing; cultural productions; suffrage literature; political issues, 31563
writing productivity; treatment package; fiction writers; Internet based intervention; graphic feedback, 35439

Literature [See Also Poetry, Prose]—Books

Madame Bovary's ovaries: A Darwinian look at literature, 9917

Literature [See Also Poetry, Prose]—Chapters

Dramatic Prelude: Using Drama to Introduce Classic Literature to Young Readers, 12070
Harry Potter: Enchantment for All Seasons, 12063

Literature Review—Serials

developmental review; developmental scientists; theoretical analyses; literature reviews, 17823
literature review; health profiles; health states; quality adjusted life years ; individual health preferences, 5284
methodological issues; diverse study types combination; systematic reviews; mixed methods; qualitative methods; quantitative methods, 207
multisystemic therapy; social interventions; systematic review; research synthesis, 12625
multisystemic therapy; social interventions; systematic review; research synthesis, 12631

Literature Review—Books

Systematic reviews in the social sciences: A practical guide, 15575

Literature Review—Chapters

The Varied Outcomes of Schizophrenia, 7711

Lithium [See Also Lithium Carbonate]—Serials

adjunct divalproex; lithium; clozapine; treatment resistant schizophrenia; clozapine monotherapy, 32912
bipolar disorder; transition; pharmaceutical industry; nomenclature; diagnoses; lithium, 13721
bipolar I disorder; recurrence; lamotrigine; lithium; mood episodes; depressive episodes; drug therapy; treatment effectiveness evaluation, 26658
bipolar patients; antisuicidal effect; lithium; long term medication; suicidal behavior; mortality, 28962
electroconvulsive therapy; lithium; combination treatment; treatment safety, 1871
gabapentin divalproex combination; lithium; bipolar disorders; developmental disabilities; safety; schizoaffective disorder, 23703
genetically modified mice; harboring mitochondrial DNA defects; aberrant cyclic change; wheel running activity; lithium; mood disorder; lithium treatment, 25108
habituation role; unconditioned response; lithium chloride; preexposure effect; rats; intraperitoneal injections; unconditioned stimulus, 6835
histamine; lithium; memory retrieval; cross state dependent retrieval; mice; avoidance, 687
lamotrigine; lithium; weight; bipolar disorder; obese patients, 35606
lithium prescription; bipolar disorder; Spain; trends; lithium use, 17524
lithium response; Val66Met polymorphism; neurotrophic factor gene; bipolar disorder; lithium treatment; Japanese patients, 20594
lithium treatment response; bipolar disorder; -116C/G functional single-nucleotide polymorphism; XBP1 gene, 8388
lithium treatment; body weight; rats; thymolysis; plasma corticosterone; stress; glucocorticoids, 13030
lithium treatment; evidence base; bipolar disorder; maintenance therapy; medical treatment; mania prevention; depressive episodes; suicide; side effects; clinical effectiveness, 17553

lithium-paired context; rats; anticipatory nausea; gaping; chemotherapy patients; cues, 28111
lithium; hyperparathyroidism; bipolar affective disorder; drug therapy; treatment, 29691
lithium; suicidal behavior; mood disorders, 22950
massive uvula oedema; lithium therapy; lithium discontinuation; bipolar manic disorder, 20611
metabolic adverse effects; nephrogenic diabetes insipidus; risk factors; weight gain; lithium; hypothyroidism; hyperparathyroidism, 20181
myasthenic gravis; resistant depression; lithium discontinuation; bipolar disorder, 35176
obesity; rats; lithium; induced seizures; pilocarpine; acepromazine; treatment; ketamine; prepuberty, 9891
passive avoidance; lithium effects; morphine state dependent memory; memory performance; rats, 13053
pathological gambling; mood disorders; comorbidity; cyclothymia; bipolar disorder; lithium treatment, 2053
polymorphism; bipolar disorder; lithium prophylaxis; genes; genetic risk factor; nucleotides, 13678
randomized treatment trial; Australian National Survey; psychotic excitement; epidemiological surveys; psychiatry, 14801
risperidone withdrawal; respiratory dyskinesia; bipolar disorder; dementia; lithium, 17516
serum lithium levels; plasma lithium levels; bipolar disorder; psychotherapy; psychoeducation, 2051
SPECT; neuropsychological measures; lithium toxicity; bipolar disorder; metronidazole, 13736
suicide; lithium; mood disorders; antisuicidal effect, 22949
taste aversion learning; conditioned taste aversion; unconditioned stimulus preexposure; wheel running; lithium chloride; rats, 25091
taste aversion learning; lithium; appetitive; consummatory; taste reactivity; conditioning & testing method; flavor-drug association, 27955

Lithium Carbonate—Serials

cardiomyopathy; long term treatment; lithium; coincidence; lithium carbonate; cardiac disease; adverse drug reactions, 26741
Mogens Abelin Schou; lithium therapy; clinical psychiatry; medicine, 24045

Litigation—Serials

child sensitive practices; high conflict parenting disputes; family relationship; litigation processes, 27535
Constitutional right; experimental drugs access; ACCESS Act; Food and Drug Administration; terminally ill; lawsuit; advocacy group, 32751
divorce litigation; conflict; legal discourse; child alienation; child custody; child access; case assessments; psychology; psychiatry, 13347
employee theft lawsuits; employer misconduct; allegations, 21387
evidence based practice; child sexual abuse; psychological injury; future damages; lawsuits; forensic report, 32232
family court; expert evidence; litigation, 6170
forensic psychiatric assessments; behaviorally disruptive physicians; adjudicatory procedures; civil litigation, 27518
Hunter Area health services; professional liability; judgments; quality of care; litigation, 33733
insurance claims; errors; compensation payments; medical malpractice litigation, 36119
insurance claims; errors; compensation payments; medical malpractice litigation, 36120
insurance claims; errors; compensation payments; medical malpractice litigation, 36124
insurance claims; errors; compensation payments; medical malpractice litigation, 36131
insurance claims; errors; compensation payments; medical malpractice litigation, 36141
insurance claims; errors; compensation payments; medical malpractice litigation, 36143
lawsuit; Channing club; Board of Regents; Texas Tech University; legal precedent; student press censorship cases; student affairs, 2721
litigation; psychosocial outcome; cognitive outcome; severe brain injury; reliability; recovery; illness behavior, 23507
malpractice; tort remedy; non medical negligence; contract breach; lawsuits, 8813
patients rights; patient safety; quality of care; litigation; hospitals, 20850
psychiatry malpractice; administrative inquiries; physician misconduct; litigation, 33313
psychological autopsy; undetermined deaths; litigation; assessment techniques, 33709
vexatious litigant sanction; Rupert Frederick Millane; psychiatry; legislative changes, 33727

Litigation—Books

Anatomy of a lawsuit: What every education leader should know about legal actions, 15354
Law and mental health: A case-based approach, 18440
Minds on trial: Great cases in law and psychology, 30627

Liver—Serials

alcohol-related liver disease; liver transplantations, 29758
hepatic enzymes; biological hepatic toxicity; olanzapine treatment; hepatotoxicity; drug therapy, 29198
naltrexone treatment; hepatic transaminase; outpatients; analgesics; drug safety; impulse control disorder; pathologic gambling, 23711
phosphorylation; hypothalamus; suprachiasmatic nucleus; mouse; circadian clocks; hypothalamus; cryptochromes; liver; glycose synthase kinase 3beta, 34172

Liver Disorders [See Also Cirrhosis (Liver), Hepatitis]—Serials

alcohol-related liver disease; liver transplantations, 29758
Chronic Liver Disease; socioemotional support; friends' responses; family support; middle aged women; caregivers; coping strategies; gender differences; online support service use, 1685
Kupffer cells; alcoholic liver disease; fat accumulation; mouse; gender differences; tumor necrosis factor, 1548
liver disease; morbidity; mortality; consultation liaison psychiatrist; neuropsychiatric symptoms; psychiatric issues, 20751
stress modulation; oxidative stress; alcoholic patients; alcohol toxicity; alcohol liver damage; reactive oxygen species, 1552

Living Alone—Serials

senior center activities; late life friendships; aging women; loneliness; health; well being; social network, 28373

Living Arrangements [See Also Cohabitation, Living Alone]—Serials

child behavior problems; African Americans; family structure; child adjustment; parenting practices; households; child outcomes; caregivers, 25518
defense mechanism; life experiences; living systems; computational models; ecological psychology; epistemology; Robert Rosen, 16000
economic necessity; alternative consumption practices; Leicester, 985
family process; house plan; theraputic techniques; family bonds; family suffering, 20555
gendered living arrangements; disabilities; gender inequality, 29090
home situation related differences; quality of working life; life course perspective, 12258
household-based convoy; reciprocity; support exchange; adult children; noncoresiding parents; social support; household type; kinship network; family network, 28439
housing policy; Belgium; young people; housing situation; urban living environments; housing needs; housing desires, 25232
living circumstances; South Africa; suicide mortality; racial differences; gender differences; city, 7752
low income Latina adolescent mothers; living arrangements; psychological adjustment; language; self esteem; use of services, 13107
marital status; living situation; cognitive decline; elders; cognition; alcohols; chronic diseases, 31533
relatives; staff; living conditions; adults; intellectual disabilities, 23262
sexual privacy; early sexual debut; Nairobi informal settlements; urban environments; poverty; sexuality; urban poor, 22658

Living Wills [See Advance Directives]
Lobectomy [See Psychosurgery]
Lobotomy [See Psychosurgery]

Local Anesthetics [See Also Cocaine, Lidocaine]—Serials

hypnosis; EMLA; eutectic mixture of local anesthetics; pain; lumbar puncture; pediatric cancer, 20217

Localization (Perceptual) [See Perceptual Localization]
Localization (Sound) [See Auditory Localization]

Locus Ceruleus—Serials

anagram solving; supine; standing; locus coeruleus noradrenergic system; insight; body posture, 546
infant attachment; amygdala; hyper functioning; noradrenergic locus coeruleus; mammalian; neurobiology; caregiver; rats; humans, 9810

Locus of Control [See Internal External Locus of Control]

Logic (Philosophy)—Serials

cultural historical psychology; objective processes; technogenic civilization; L.S. Vygotsky, 25148
institutional logics; executive identities; managerial challenge; public administration; Austria; public sector, 21379

Logic (Philosophy)—Books

Subjective experience and the logic of the other, 19695

Logical Thinking—Serials

altruist detection; cognitive mechanisms; sharing; cheater detection; logical inferences; social contexts; social intelligence, 31807
analogical mapping; analogical inference; analogical reasoning; isomorphic mappings; homomorphic mapping; problem solving ability, 9594
belief bias; syllogistic reasoning; eye movement analysis; inspection times; process tracing; logic; models; belief interaction; conclusions; believability, 12704
class inclusion; learning; logical explanations; problem solving; childhood development, 28301
cognitive architecture; internal simulation; global workspace; brain; consciousness states; logical thinking, 21955
cognitive consistency; counterfactual thinking; factual outcomes; groups perceptions; reasoning, 28564
cognitive development; concrete operational stage; analogical reasoning; scientific thinking; class inclusion task; family analogy, 783
complex logical reasoning problems; difficulty model; Graduate Record Examination; cognitive elements; mental models; cognitive processes, 15677
conditional reasoning; proofs recognition; competent reasoners; mental logic; individual differences; Modus Tollens, 9568
developmental differences; individual differences; conditional reasoning; logic instructions; alternative antecedents; inferences; verbal ability, 22453
global workspace theory; problem framing; cognitive sciences; cognitive processes; analogical reasoning; information processing; conscious states; biological brain, 9609
inference based knowledge; syllogistical inferential knowledge; childrens ability; childhood development, 28298
learning strategy; transitive inference performance; human cognition; logical reasoning; neural systems, 21943
logic; implicit transitive inference; logical reasoning; choice performance, 361
logical relations understanding; discrete quantities; continuous quantities; childrens understanding; reasoning generalization, 785
nonmonotonic logic; statistical inference; probability; default logic, 21533
normative truth claims; public administration; argumentation; scholarship, 34599
rapid responding; belief bias; dual process theory; syllogistic reasoning; heuristic processes; correct logical decisions; analytic processes, 9580
rational learning; bounded learning; policy choice; policy innovations; developing countries; trade regimes; community services, 13279
relational integration; older adults; inferencs making; analogical reasoning; problem solving; multiple relations; working memory capacity; age, 10198
spectrum inversion; conscious experiences; logical possibility; functionalism; scrambling theorem; mathematical formulation; color space, 18720
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18719
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18702
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18717
teaching methods; deductive reasoning skills; symbolic logic; students strategies; educational implications, 14971
teaching methods; deductive reasoning skills; symbolic logic; students strategies; educational implications, 18025
Wason selection task; heuristic analytic dual process theory; drinking age problem, 10396
working memory spans; conditional reasoning; retrieval; inhibition; stored counterexamples, 9628

Logistic Models [See Item Response Theory]

Logistic Regression—Serials

discriminative learning; naive Bayes model; logistic regression, 178

group classification methods; misclassification rates; predictor distribution; covariance inequality; effect size; sample size; group size ratio, 15505
logistic model trees; supervised learning; tree induction methods; linear models; numeric values prediction; algorithm; classification problems; logistic regression, 3226
logistic regression models; heterogeneity; item response theory; binomial variation; ignored random person effects, 21733
mothers mental distress; parenting practices; infants; toddlers, 7259
power loss; logistic; ordinal logistic; probit regression; outcome variable, 15538
psychometric modeling; response speed; accuracy; multidimensional models; logistic regression, 12614
psychometric modeling; response speed; accuracy; multidimensional models; logistic regression, 12602
unidirectional & non-unidirectional differential item functioning; computerized adaptive testing; logistic regression; item response theory likelihood ratio test; trait estimation; educational testing, 30781
Logotherapy—Serials
Catholic pastoral action; religious leaders; therapeutic intervention; traditional psychology; Catholic Church; logotherapy; Tsunami; religious faith; life meaning, 4969
Christian conversion; drug addiction recovery; depression; Logotherapy, 4949
Ken Wilber; Viktor Frankl; spirituality; comprehensive view; life meaning; philosopher; psychiatrist, 3725
logotherapy; disasters; medical ministry; crisis subtype, 4941
logotherapy; parish nursing; holistic nursing, 5095
logotherapy; United States Army; military chaplains; Victor Frankl, 6052
logotherapy; veterans; combat; posttraumatic stress disorders; psychosocial functioning; trauma; survivors; symptoms; emotional experience; drug abuse, 32809
pastoral counseling; University chaplain; Christian university; university students; Christian theology; religious beliefs; logotherapy; freedom; responsibility, 5096
pastoral psychology; logotherapy; logotherapy application, 4950
universal values; Noahide laws; human values; Noahide theology; logotherapy, 3978
Victor Frankl; Pytell; humanistic psychology; Rollo May; Carl Rogers; Abraham Maslow; logotherapy; meaning; Holocaust experience; trauma, 29618
Viktor E. Frankl; theologian; logotherapy; theology; religion, 3982
Viktor Frankl; Logotherapy; Existential Analysis; meaning; reductionism, 8283
Logotherapy—Books
On the Theory and Therapy of Mental Disorders: An Introduction to Logotherapy and Existential Analysis, 1938
Loneliness—Serials
adult attachment; social self-efficacy; self-disclosure; loneliness; depression; freshman college students, 1381
aging; isolation; loneliness; life timeline; toys, 31527
coping; loneliness; age differences; cultural differences, 28683
health behaviors; loneliness characteristics; social isolation; obesity; physical ability; smoking; cross-sectional survey, 28661
hopelessness; loneliness; older adults involvement; favorite television performers; social influences; identification, 3886
intellectual disability; loneliness; adults; support needs, 23255
internally generated auditory imagery; tunes; consciousness; loneliness; separation; music, 31954
Internet chat room use; life satisfaction; loneliness, 25660
loneliness; aging; partner status; older adults; social networks; impairment, 3888
loneliness; blood pressure; age; psychosocial stress, 15943
loneliness; coherence; teachers; children; self report; reading difficulties, 17073
loneliness; depression; childhood development; attachment; parental styles; self competence, 34393
loneliness; depression; social support; stress; hostility; demographic characteristics; aging, 16709
loneliness; depressive symptoms; perceived togetherness; older people, 4338
loneliness; social connectedness; mental representations; social relationships; interpersonal relationships, 6524
loneliness; youth homeless; young adults; age groups; population; emotional distress; alienation; social inadequacy, 25362
older women; loneliness; well being; emotional distress; health problems; life changes; sociocultural factors; gender role, 31671
parental attachment security; parental conflict behavior; offspring's relational attachment; loneliness; relationship satisfaction, 19381
personality predispositions; university students; parental care; loneliness; attachment behavior, 13591
physical disabilities; loneliness; quality of life; emotional well-being; social intercourse; chronic illness, 32546
physical embodiment; tactile interaction; social agents; social robots; human-robot interaction; loneliness, 33689
pregnancy; coping strategies; motherhood; loneliness, 7533
Primo Levi's loneliness; suicide nearness; death drive; narcissism; psychoanalytic perspectives; depressive content; Holocaust; conflict; wish for peace; need for love, 31964
psychological distress; loneliness; disability; old age; mental health; prevalence; human sex differences, 28763
psychological dysfunction; loneliness; caritative nursing; hermeneutics, 19774
senior center activities; late life friendships; aging women; loneliness; health; well being; social network, 28373
social anxiety; depressive symptoms; social skills; loneliness; mothers' social functioning; school age girls, 13687
social loneliness; emotional loneliness; De Jong Gierveld Loneliness Scale; test validity; test reliability; psychometrics, 30694
social monitoring; loneliness; unskilled social interactions; social inclusion, 4144
social withdrawal; social maladjustment; loneliness; aggression; friendship; social status; elementary school children; Canada; Cuba, 3872
subjective feelings; emotional loneliness; parental attachment; peer attachment, 34728
therapeutic households; isolation; psychosis; asylums, 23554
young homeless youth; loneliness; intimate relationships, 10514
Loneliness—Chapters
Comments on Dr Norman A. Cohen's paper: ''On loneliness and the ageing process'', 32884
On ageing and psychopathology–discussion of Dr Norman A. Cohen's paper ''On loneliness and the ageing process'', 32820
On loneliness and the ageing process, 32879
Long Term Care—Serials
Alzheimers Disease; M Saleem Ismail; long-term benefits; pharmacology; drug therapy; interview, 1759
client attitudes; depression; long term care residents; retirement community; older adults attitudes; residential journaling, 16729
community based service utilization; dementia caregiving career; institutionalization; long term care services; nursing home placement, 5318
community partnerships; older adults; federal policy; long term care; organizational sustainability; collaborative organizational partnerships, 8574
community placement; service user reintegration; long term care; mental health care facilities; rehabilitation, 2297
continence care; long term care institutions; care providers, 5389
continuing education programs; organizational support; long term care; work environment; management support; educational program effectiveness; learning reinforcement, 5569
curriculum development; long term care nurses; depression recognition; dementia, 33263
depression; long-term care; assessment; treatment; environmental influences; interventions, 11613
educational impact; computer based training; tutorial on dementia; long term care; licensed practice nursing students; students knowledge, 36082
family member perceptions; quality of care; long term care; demographic factors; family involvement, 35916
family members; unit managers role; staff family relationships; continuing care settings; family perspectives; long term care settings, 5382
Functional-Cognitive Assessment Scale; Alzheimers Disease Assessment Scale; patients; dementia; long-term care; cognitive performance; psychometrics, 33838
innovative practice; gardening; dementia; long term care, 17321
insomnia; long term care; elderly residents; nursing home; quality of life, 17201
long term care placement; Alzheimer's Disease; family caregivers; survival, 33116
long term care; assistive technology; personal care; quality of life; older persons disabilities; cognitive abilities; care services, 2327
long term care; death and dying; rural healthcare environments; knowledge level; end-of-life care; nurses; nurses' aides, 30090
long term care; family caregiver experiences; family members; dementia; placement waiting, 17749
long term care; health insurance; health care policy; public attitudes; consumer education; consumer income, 33045
long term care; workforce crisis; dementia care; training collaborative; job satisfaction; career commitment; Alzheimer's care staff; career identity; involvement; aging; future employment, 33270
long-term care; speech-language pathologists; professional skills; responsibilities; quality of service; professionalism; privacy; ethical practice; communication skills, 27114
long-term nursing care; elderly people; ethical problems; elder care; Finland, 35829
long-term therapy studies; evidence-based psychotherapies, 26594
narrative structure; narrative content; schizophrenia; long term individual psychotherapy; metacognition, 4362
noninstitutional long term care services; cost effectiveness; dementia; Medicaid waiver programs; consumer directed care; capitated models; community services; case management, 17722
nursing home residents; people visits; pets visit; pet facilitated therapy; long term care setting, 1899
psychological distress; symptoms; older adults; long term care centers, 4283
quality of care; Norwegian nursing homes; quality of life; long term care; elderly person, 23929
Resident Classification Scale; test validity; functional dependence measure, 33781
residential care settings; Internet resources; long-term-care facilities; quality-of-care information; Internet search, 20845
resilience; long term care; foster care; adult development, 9979
spirituality; liminal environment; assisted living; elder care; death; dying; long term care; life experiences, 14620
transient psychotic disorders; schizophrenia; long term course, 25927
vitamin D level; learning disabilities; long-term care; hospital wards, 17087
wandering behavior; nursing homes; assisted living facilities; demographic variables; long term care; dementia, 5379
Long Term Care—Books
Geropsychological interventions in long-term care, 35930
Long Term Memory—Serials
amnesia; mild cognitive impairment; episodic long-term memory; episodic short-term memory; implicit long-term memory, 11105
amygdala; hippocampus; temporary memory deficit; brain; long-term memory; retention, 34115
audition; long term memory; working memory; pitch comparison task; memory interference; distraction; musicians, 30949
chicks; recall; somatic protein synthesis; long term memory; amnesia; memory reactivation; colchicine, 6664
contextual fear; amnesia; retrieved memory; reactivation; long term memory; consolidated memory; amygdala; reconsolidation; therapeutic targets; cholinergic system; histaminergic system; cannabinoids, 31278
diffusion model analysis; adult age differences; episodic long-term memory; semantic long-term memory; memory retrieval; context memory; aging; reaction time; recognition test, 12782
electrophysiological indexes; encoding; behavioral indexes; recall; developmental change; event related potential; long term memory; infants, 15909
glucocorticoid dopaminergic interactions; long term memory; inhibitory avoidance; male rats; corticosterone; dopamine receptors, 18936
interference sources; spatial memory; long term memory retrieval; perceptual orientation, 9638
long term memory; attention; working memory; priming effects, 31079

long term memory; individual differences; adult attachment; child sexual abuse, 4515
long term memory; protein synthesis blocker; terrestrial snail; anisomycin; contextual memory; memory reconsolidation, 6752
long-term memory engrams; bidirectional synaptic weight; clustered plasticity model, 28073
long-term potentiation; serum & glucocorticoid inducible kinase gene; hippocampal neurons; long-term memory formation; neuronal plasticity; SGK phosphorylation; rats, 18984
memory; aging; associative information; prices; expertise; schematic support; recall performance, 10173
metacognitive control; childrens short term study strategies; long term study strategies; judgments of learning, 3838
music cognition; early infancy; long term memory; listening preferences; music education; infants' preferences, 34356
protein synthesis; long term memory; associative training trial; parasitic wasp; drosophila, 25000
protein synthesis; memory consolidation; consolidation theory; long term memory trace; taste recognition; neophobia, 6771
recency effects; semantic similarity; memory; long term recency; short term recency; short term memory; list memory; neurocomputational model, 21981
reflective thinking; mental imagery; posttraumatic stress disorder; long term memory, 9593
reversible hippocampal lesions; immediate vs delayed inactivation; recent vs remote spatial memory; rats, 18953
seizure control; temporal lobe surgery; long term outcome; epilepsy; surgery, 23435
serotonin; short term memory; long term memory; odor learning; terrestrial slug; central nervous system, 25126
short term memory; long term memory; persistence; accumulation; natural scenes; pictures; visual memory, 15731
signaling molecules; long term memories; adult brain function; biological processes; notch signaling pathway; cell fate specification; brain; memory processes, 6746
situation models; retrieval interference; pictures; words; long term memory; presentation format; learning, 27915
specificity; within-category phonetic variation; voice onset time; encoding; long term memory; lexical competition, 12797
subitizing; magnitude representation; magnitude retrieval; deaf; hearing adults; long term memory; visual-spatial analog; mathematical difficulties, 32695
worked example effect; human cognition; cognitive load theory; long term memory; instructional explanations; conceptual learning, 21960
working memory; memory retrieval; interference; long-term memory; working memory capacity, 22007
working memory; neural correlates; prospective memory; event related brain potentials; delayed intentions; stimuli detection, 12941
zaprinast; long term memory; neonate chicks; single trial passive avoidance task; post-training administration; dose-dependent retention, 15960

Long Term Potentiation [See Postactivation Potentials]

Longevity [See Life Expectancy]

Longitudinal Studies—Serials

criminology; community samples; risk factors; life events; protective factors; longitudinal experimental studies, 29069
developmental risk processes; risk-disorder pathways; psychiatric disorders, 28813
hybrid functional models; longitudinal data analyses; wage inequality; variance components; covariance structure, 9477
informed consent; longitudinal studies; participants limited understanding; knowledge level, 11808
language impairment; speech language pathologists; treatment outcomes; intervention process; autism spectrum disorders; longitudinal case studies, 7990
longitudinal research; Southeast Asian refugees in Canada; resettlement; boat people; pre-migration trauma; mental health services, 20327
longitudinal; ego-control; ego-resiliency; multimeasure; multiperiod; methodology, 18632
multidimensional item response theory; longitudinal data; secondary schools, 12612
music therapy; dementia; longitudinal research; research design, 11444
personality disorders; course of disorder; personality traits; developmental trends; risk factors; treatment utilization; remission; borderline personality disorder, 10746
personality disorders; course of disorder; personality traits; developmental trends; risk factors; treatment utilization; remission; borderline personality disorder, 10745
personality disorders; DSM-V; personality traits; developmental trends; treatment utilization; remission; borderline personality disorder; Five-Factor Theory; longitudinal studies, 10742
personality disorders; personality traits; developmental trends; risk factors; treatment utilization; remission; borderline personality disorder, 10748
personality disorders; personality traits; developmental trends; risk factors; treatment utilization; remission; borderline personality disorder; DSM classification, 10751
personality disorders; temporal stability; personality traits; developmental trends; risk factors; treatment utilization; remission; borderline personality disorder, 10752
personality pathology; longitudinal study; personality disorder; stability; psychopathology; characteristic traits; behavioral personality dysfunctions, 10740
research methodology; longitudinal tracer study approach; hoshin kanri; middle range theory, 9489
statistical model; theoretical models; longitudinal data; temporal design; discrete states; primary interest, 9490
statistical tests; latent growth curves; power analysis; aging; structural equation models; adult cognitive development; life span development, 30816

Longitudinal Studies—Books

Models for intensive longitudinal data, 18658

Loosening of Associations [See Fragmentation (Schizophrenia)]

Lorazepam—Serials

catatonia; delirious mania; schizoaffective disorder; treatment; oral lorazepam; dosage, 11403
contrast sensitivity; long term lorazepam users; oculomotor balance; ophthalmological effects; static stimuli; visual acuity, 31286
lorazepam effects; dextromethorphan effects; transcranial magnetic stimulation; human motor cortex; cortical responses, 3678
lorazepam; diazepam; catatonic features; major depression; schizophrenia; intramuscular injection, 25868
memory; metamemory; benzodiazepine; lorazepam; scopolamine; cognitive mechanisms; neurochemical mechanisms; dose effects, 6847
psychotic symptoms; catatonia; psychosis; AIDS; lorazepam; aripiprazole, 8387
saccadic eye movements; flumazenil; benzodiazepine; pagoclone; pharmacodynamic effects; lorazepam, 658
schizophrenia patients; clozapine therapy; morbidity; mortality; lorazepam, 19842
topiramate effect; catatonia; drug therapy; delirium; Lorazepam; benzodiazepines; divalproex, 25876

Lordosis (Animal) [See Animal Sexual Receptivity]

Loudness [See Also Noise Levels (Work Areas)]—Serials

global psychophysical judgments; psychophysical function; intensity filtering; physical ratio; binaural loudness, 15628
hearing impaired listeners; hearing aids; preferred loudness, 17367
loudness summation; mismatch negativity; event related brain potential; humans; stimulus onset asynchrony; tone omissions, 22241
preferred overall loudness; hearing-impaired listeners; wide dynamic range compression hearing aids, 17368
serotonin; citalopram; loudness dependence; auditory evoked potential; central serotonin function, 22332
spectral loudness summation; function of duration; hearing-impaired listeners; retrocochlear processes, 29321
Threshold Equalizing Noise test modification; cochlear dead regions; steeply sloping high frequency hearing loss; loudness, 23522

Love—Serials

adult attachment style; romantic relationships; Spanish students; cultures, 7417
agape love; couple relationships; romantic relationship; altruistic love; religiosity; relationship satisfaction, 10294
amae environment; theory; therapy; expectation; love; psychoanalysis; ego; clinical vignettes, 29351
attachment; object relations; triangular love perspectives; God; communion; complaint, 25460
child development; mother child relationship; psychotherapy, 19499
compassionate love scale; altruistic love; empathy; prosocial behavior; humanity; close others; spirituality, 4165
conceptions of love; US vs China dating vs married couples; demographics; perceived stress; relationship satisfaction; male female relationships; sex; marital status; interdependence; cultural; gender, 31601
courtship persistence; intrusive pursuit; rejecter perspective; pursuer perspectives; intrusive pursuit; unrequited attention, 1156
discourse analysis; love; Blacks; Whites; interracial marriage; prejudice; taboo; racial inequalities, 28550
emotion expression; love; cultures; native language, 16586
emotions; philosophy; love, 33995
emotions; relationship dissolution; dynamic factor analysis; attachment, 22037
ethical systems; love; value; human beings; meta-ethical theory; obligations; evolutionary biology; psychologists; neighbors; psychological motivation, 25464
family therapy; healing behavior; love; perceptual system; relationship; spirituality, 20550
feared empathy; representation of love; empathic ability; love story, 16459
feminist consciousness; womens bonding; love poetry; erotic narratives; female sexuality, 16395
Filipina entertainers; romance; relationships; GI's; US military camp towns; prostitution; trafficked entertainers, 7358
hurting time; reality therapy methods; lost love; emotional adjustment, 11438
immature love scale; college students; psychometrics; test validity; test reliability, 3160
interpersonal forgiveness; altruism; God; love; enemies; psychological processes; motivation; virtues, 25716
lesbianism; feminism; literature; gender differences; sexuality; love, 34612
lifestyles; AIDS risk; moral worlds; young people; sexual relationships; unemployment, 29216
love scales; simplified version; tetrangular model of love; Sternberg's model; psychometrics, 12487
love-hate relationship; critiques; affirmations; Christian responses; Christian psychologists; love; God; neighbor; ethical intuitions, 25607
love; relational nurturing; family therapy; schizophrenic disorder; borderline personality disorder; antisocial personality disorder; ultramodern concept; family history; power, 14443
love; same sex love; sexual orientation; categorization; psychoanalytic relationship; psychoanalysts, 8353
love; television; gender differences; romance; sex; college students; students perceptions, 28217
love; therapy; intrinsic motivations; Christianity; self esteem; psychological literature; theological literature; counseling, 25462
marital lust; fluctuation; relationship states, 25491
money; love; postdivorce families; children's perspectives; trade offs; economic sociology; sociological division; caring, 9999
negotiation; love; marital competence; interpersonal competence; evaluation; model; couples, 25480
open awareness; love; authentic existence; D. W. Winnicott; William Blake; Winnicott's theory of development, 6870
Oscar Schindler; spirituality; justice; Karl Barth; Gustav Gutierrez; love; theology; history; Holocaust, 13287
pre-marital conversation; love; intimacy; marriage dynamics, 34560
psychoanalytic treatment; love; Freuds perspective; therapeutic alliance; transference; superego; identification, 29387
psychology; love; theories; God; theology; religious experience; Christian psychologies; metaphysics; ethics; neighbors-as-self, 25466
psychotherapy; love; anthropology; God; creativity; psychotherapeutic process; neighbor; self love; life giving; forgiving; suffering; renewing, 25465
real love; romantic love; adolescents; adults; perceptual differences; need for love, 10133
relationship quality; married couples; divorced couples; relationship problem; communication; love, 31636
romantic love; sexual desire; emotion; facial expression; relationship functioning; relationship commitment; sexual reproduction, 22723
sacrifice; parenthood; motherhood; social value system; guilt; socialization; social environment; love, 28473
sex differences; counterfactual thinking; sexual regrets; cognitive processes; love, 19526
terror management theory; close relationships seeking; self esteem; attachment styles; death attitudes, 19538

therapist patient interaction; analyst; erotic-sexual drives; emotional love; primary love; treatment effectiveness, 35592
Trappist monks; motivation; discernment; altruistic attitudes; compassionate love; expression; personal growth; spiritual growth; religious traditions; religious development, 943
triadic reality; oedipal phase; parent child relations; object choice; self representation; psychoanalysis, 8356
Love—Books
The beggar IV: Die before dying, 3985
Being and loving: How to achieve intimacy with another person and retain one's own identity (3rd ed.), 3878
Psychoanalytic reflections on love and sexuality, 19694
101 Things I wish I knew when I got married: Simple lessons to make love last, 4008
Low Birth Weight [See Birth Weight]
Lower Class—Serials
child care social work; deprived families; trends; protective services, 33090
elite athletes; non elite athletes; psychological characteristics; gymnasts competition; training centers, 1201
posttraumatic stress disorder; symptoms; community sample; low income pregnant women, 25970
underclass youth; social sciences; heuristic modeling; social groups; cultural factors; adolescent development; inner city youth, 22534
Lower Class—Books
Behind the eight ball: Sex for crack cocaine exchange and poor Black women, 10852
Lower Income Level—Serials
academic possible selves; African American; Hispanic; prevention; self regulation; academic outcomes; academic attainment; social identity; low income students; minorities, 30345
academic self concept; academic ability; acedemic success; technical college students; academic performance; minority students; low income students, 2696
activity of daily living; disability trajectory; low income groups; elders; psychosocial factors; health factors; demographic characteristics, 3900
African American women; risky sexual behavior; sexual health variables; low income women; sexuality, 1082
Asian tsunami; low income countries; infectious diseases; tourist; disaster, 30601
asset accumulation; savings; low income families; individual development accounts, 13272
bonding social capital; low income neighborhoods; resident participation; neighborhood characteristics, 7157
breast cancer education program; low income communities; Vietnamese Americans; women; apartment based intervention, 5205
child care experiences; low income communities; developmental quality; maternal views; nonparental care; home care; Head Start, 25510
child care subsidies; low income urban mothers; work hour problems; families, 13373
child care; low income families; school age children; family structure; child welfare; disabilities, 26202
civic engagement; low-income families; low-wealth families; neighboring; volunteering, 19332
college aspirations; low income level; African Americans; urban high schools; academic achievement; racial identity, 2595
college preparedness; at-risk students; outreach program; low income level; middle school students; GEAR UP, 33388
college students attitudes; minority students; low income students; academic success, 33456
community gardening; low income urban participants; women infants and children program; New Mexico; nutrition educators; caseload, 17611
community leaders' perceptions; single mothers; low income mothers; mothers' needs; social support concerns, 11572
contextual influences; marriage; relationship maintenance; family policy; family interventions; low income populations, 7222
dental health; low income children; Community Voices; rural communities; policy making, 26892
depression; clinical trials; ethnic-minority women; cognitive-behavioral therapy; low income; cognitive behavior therapy; antidepressant medication; group therapy, 17403
design; data collection; father presence; infants; toddlers; lower income level; parent child interactions; parent child relations, 25199
developmental pathways; rural trailer park; youth; low-resource community settings, 19138
diabetes mellitus; Appalachians; health care services; lower income level; culturally sensitive care, 29193
dignity; low wage home care labor; healthcare industry; home care workers, 8553
early reading skills; young children; instructional interventions; reading development; behavioral assessments; cognitive skills; phonological skills; low-income families, 31415
economic roulette; low wage working mothers; family networks; work patterns; public systems, 10217
educational achievement; African Americans; racial & ethnic minorities; low income; higher education; Hispanics; GEAR UP; educational equity & access; federal educational initiatives, 17957
emotion knowledge skills; low income elementary school children; social status; peer experiences, 8999
emotional trauma; posttraumatic stress disorder; symptoms; low income level; human females; Mexican American women, 4375
environmental effects; school readiness; academic achievement; economic disparities; at risk children, 769
fathering roles; low income families; intergenerational transmission, 31658
female headed households; married couple households; low income households; policy implications, 13284
health outcomes; socioeconomic position; poverty; morbidity; mortality; food insecurity; low income Americans; housing instability; hospital services, 23839
health service utilization; low income women; health; psychosocial factors; demography, 26872
healthful eating; low income families; nutrition interventions; healthy foods; health promotion, 14589
HIV; AIDS; low income urban household setting; Botswana; gender; personal space contracts; caregiving, 35908
homophobia; low income HIV positive women; women of color; social stigma; coping behavior; physical needs; emotional needs; psychological needs; support networks; disclosure, 4686
incentive payments; attendance; depression; therapy appointments; African Americans; low income, 20456
instructional set; low income adults; Internet use, 9925
Internet use; academic performance; technology; low income children, 24213
interpersonal identity; social capital; low income; African American adolescents; adolescents perceptions, 22536
intimate partner violence; low income women; health; employment, 7820
long term nutrition; physical activity curriculum; rural environment; low income level; biethnic community; students attitudes; knowledge; self efficacy, 36375
longitudinal prediction; preschool parenting measures; low-income; middle childhood cognitive outcomes; socioemotional child outcomes; parenting assessment methodologies; measurement, 9512
low income level; Canadians experiences; health related services; health care reform; poverty, 20800
low income women; military family; child rearing; disabled children; mothers role, 1019
low income; fathers; couples and relationships; IRT; heterogeneity; within-group variability; father-mother relationship, 28438
maternal racial identity; maternal parenting behavior; child outcomes; low income urban black families; cognitive achievement; social competence, 999
maternal reading; teaching patterns; school readiness; low income African American families; maternal education; language ability, 19377
mother child bookreading; low income families; early childhood development; cognitive development; vocabulary; comprehension; language; cognition, 28474
nutrition education; low income adults; older adults, 23819
parental involvement; education; low income families; public elementary school; community members; agency professionals; educators, 33413
parental mediation; childrens' television viewing; low income; families; Caucasian parents, 7278
participatory consultation; oral history; socioeconomic conditions; working class mothers; parents; youth experiences; social mobility; justice; activism, 10212
paternal identity; low income African American men; life course perspective; family, 7230
patterns; perceptions; ecstasy use; low-income; young women; risk factors, 16428
poverty; community; low income group; rural area; urban areas; Mississippi, 935
Prenatal Breast-feeding Self-efficacy Scale; psychometric properties; pregnant women; low income level, 15482
probability sampling; field burden constraints; sheltered homeless women; low income level; two-stage sampling; cost effectiveness, 15558
psychiatric patients; Medicare drug benefit; mental health patients; prescription drug program; low income patients, 23834
rural environments; lower income level; mothers; chronic stress; health; life changes; resources, 25445
school based interventions; social justice; curricula development; Ecological Developmental Cognitive framework; Achieving Success Identity Pathways; educational programs, 21144
sequential costs; poverty; measurement; low income families, 34495
sexual harassment; rental housing; low income women; women victims; behavioral ecology; comparison with workplace sexual harassment, 1500
single sex schools; educational improvement; low income minority students; California; public single gender academies, 5648
social assistance programs; poverty; inequality; Azerbaijan; low income country, 34479
social behavior; literacy achievement; low income status; social skills; aggressive behavior, 15052
stigma; mental health promotion; community development; low income area, 8504
structured arts program; psychosocial functioning; low income communities; adolescent development; artistic ability; social skills, 19257
student self-assessment; student engagement; primary school learners; poor communities, 36318
suicidal behavior; low income; suicide attempters; African American women; risk factors; hopelessness; substance abuse; trauma history; sociodemographic characteristics, 32265
suicidal ideation; urban children; low income urban backgrounds, 16861
suicidal ideation; urban children; low income urban backgrounds, 16887
teachers perceptions; relationship quality; school success; low income; African American students; elementary school teachers, 30195
unprotected sex; shelters; low-income housed women; Los Angeles; HIV; intoxication; prevention; interventions; substance use; sexual abuse; poverty, 32311
vegetable intake; fruit intake; low income groups; adult women; Sisters in Health; experiential program; nutrition education; social interaction; intervention, 5170
writing development; descriptive writing; longitudinal research; urban students; primary grade writing; low income; literacy development; classroom environment; teachers, 30306
Lower Income Level—Books
NCLB Meets School Realities: Lessons from the Field, 11875
Loyalty—Serials
covert uncertainty; overt responses; paradox; defection despite trust; fuzzy nature, 27876
customer loyalty intentions; cellular phone customers; brand preferences, 21471
customer loyalty; cultural impact; service quality; brand name value; customer value, 9198
e store loyalty; switching barriers; customer satisfaction; attention; antecedents; Internet, 24439
four-stage loyalty model; moderator effects; loyalty sequence; consumer behavior, 24441
just allocation; team loyalty; virtue ethics; emergency medicine; dyadic relationship; well being, 11805
loyalty marketing trends; twenty first century; management strategies, 6086
marketing communication; consumer marketing; customer values; customer loyalty; Internet; brand choice; purchasing frequency, 9176
organizational resources; work engagement; service climate; job performance; customer loyalty, 5886
peripheral group members; identity security; intragroup position; group position; prototypical; loyality, 22755
promotional revenue bump; loyalty program members; marketing actions, 9191
service provider; employee satisfaction; citizenship behavior; customer satisfaction; customer loyalty; attitudes, 18354
service quality gap; customer loyalty; practical guidelines; casino hotels; casino players, 6061
LSD (Drug) [See Lysergic Acid Diethylamide]
Lucid Dreaming—Serials
dreams; video games; consciousness; lucid dreams; mystical; observer dreams; dream control, 27925

Lucid Dreaming—Serials
lucid dreams; lucidity; dream recall; reflection-intention technique, 15762
REM sleep; sleep; lucid dreaming; dreams; consciousness; cognition; volition; cortical topography; electrophysiology; psychophysiological correlates, 28100
Luck [See Chance (Fortune)]
Lumbar Spinal Cord—Serials
hypnosis; EMLA; eutectic mixture of local anesthetics; pain; lumbar puncture; pediatric cancer, 20217
Lumbrosacral Plexus [See Spinal Nerves]
Luminance—Serials
attention; motion aftereffect; neuronal responses; color; luminance, 34181
binocular disparity; spatial summation; visual perception; visual masking; luminance, 266
brightness; transient glare; standard luminance; surround conditions, 30913
chromatic linear motion detectors; macaque; neurons; motion perception; color; luminance, 539
chromatic masking; invisibility illusion; luminance contrast; color contrast, 6464
color matching; isoluminance; color perception, 6480
color matching; isoluminant; dimming effect, 6467
depth information; judgment; surface color mode appearance; luminances; mode perception, 327
display effects; luminance contrast; memory performance; EEG response; preferences, 3432
glare effect; afterimage; illusion; lateral geniculate nucleus; retina, 30925
high frequency edges; eye fixation; natural images; mapping; spatial frequency; luminance; image characteristics, 33919
human cortical responses; visual noise modulations; luminance modulations; visual evoked potentials, 3632
human periphery; cone opponency; colour contrast detection; contrast sensitivity; luminance; neurons, 6766
human ventro occipital cortex; isoluminant color stimulation; EEG responses; visual system, 3639
illumination; lightness; cues; illusions; color constancy, 27793
infants' ability; luminance information; individuate objects; visual system, 16142
lightness constancy; cortical processing stages; surface perception; illumination; light adaptation; luminance; visual perception, 27772
lightness illusions; simultaneous lightness contrast; highest luminance; double anchoring theories; illuminating discounting; lightness perception; color, 24735
lightness perception; luminance; individual differences; theory, 24736
long distance stereoscopic detector; partially occluding surfaces; binocularly unmatched elements; noise technique; phantom occluder; external noise; luminance contrast thresholds, 18736
luminance contrast; chromatic induction; cerebral cortex; brightness mechanisms; visual perception; color, 27771
luminance interaction; chromatic motion perception; color perception, 6446
luminance ratios; objects; illumination differences; coplanar ratio hypothesis; lightness perception; relative reflectance, 18723
luminance response function; electroretinogram; chromatic stimuli; photopic b wave; photopic hill; visual stimulation, 3321
luminary emergence; eminence; Chinese history; influences of war, 31540
magnitude; size congruity effect; intrapartial sulcus; luminance, 30899
monkey; human; overt attention; natural conditions; eye movements; luminance contrast; texture; visual stimuli; saliency, 18888
perceived angular velocity; rotating object; aspect ratio; luminance; rotational motion percepts; ellipses, 33921
perceptual decisions; motion pattern formation; computational simulations; luminance perturbations, 27812
perceptual transparency; contrast polarity model; luminance based arithmetic model; object perception, 296
psychophysics; perceptual decisions; motion detection; motion pattern formation; luminance, 27729
simultaneous lightness contrast; plain articulated surrounds; visual display; luminance; illusion, 21838
surround induced foveal afterimage pulsation; neural effect; luminance; visual cells, 18738
temporal adaptability; sensitivity; visual adaptation; luminance; threshold contrast; spatial frequency, 301
two pulse experiment; cross correlation; Rashbass model; temporal summation; luminance; visual thresholds; visual system, 18742
variable achromatic color; variable chromatic color; Helmholtz Kohlrausch effect; lightness; luminance, 24762
visual displays; numeric meaning; luminance; digits; performance; classification task; numerals, 18705
Luminance Threshold [See Brightness Perception]
Lunar Synodic Cycle—Serials
full moon; wild maned wolves; Chrysocyon brachyurus; predators; prey behaviour, 34038
predation; cathemerality; predatory species; lunar cycle variation; lemurids; ceboids; primates; activity patterns, 22078
Lung—Serials
early development; postnatal environment; impaired lung structure; birthweight; lung development; respiratory health; cellular mechanisms, 10982
lung transplant; psychotherapeutic intervention tools; etiology; anxiety; panic; insecurity, 26279
psychological distress; non-small cell lung cancer patients; early intervention, 29220
self identified racial & ethnic differences; lung cancer; genetics; racial groups; risk factors, 11026
syndrome of inappropriate antidiuretic hormone secretion; lung cancer; sweet taste; dysgeusia, 23371
Lung Disorders [See Also Cystic Fibrosis, Pneumonia, Pulmonary Tuberculosis]—Serials
acquired immunodeficiency syndrome; acute pulmonary embolism; symptoms, 26751
asthma; chronic obstructive lung disorders; sick leave; health complaints; functional limitations; adaptation; perceived control; health knowledge; disease management, 10956
chronic hypoxia; neurocognitive development; abnormalities; preterm infants; bronchopulmonary dysplasia; spatial memory; risk factors; infant development, 26309
chronic obstructive pulmonary disease; Taiwan; physiological factors; psychological factors; social factors; hospital readmission; patients; hospital discharge, 14110
conjugated linoleic acid; muscle mass; Lewis lung carcinoma; B16 melanoma; protein; cancer cachexia; mice; tumor necrosis factor alpha; cytokines, 20218
cyclooxygenase activity; muscle mass; mice; Lewis lung carcinoma; indomethacin; NS398; type 1 TNF receptors; B16 melanoma; cancer cachexia, 20215
electroconvulsive therapy; hypertension; pulmonary edema, 2113
Functional Assessment of Cancer Therapy-Lung Version 4; test validity; test reliability; quality of life; Korean version, 21707
lifestyle effects; physical activity counseling program; feedback; pedometer; pulmonary rehabilitation; chronic obstructive pulmonary disease, 17760
lung cancer; smoking; college students perception; Jordan; college students knowledge, 1292
lung transplantation; coping skills training; telephone based training; quality of life, 26477
major depression; minor depression; older medical inpatients; chronic heart pulmonary disease; congestive heart failure, 32002
maternal medication use; selective serotonin reuptake inhibitors; late pregnancy; newborns; exposure; risk; persistent pulmonary hypertension, 23692
maternal medication use; selective serotonin reuptake inhibitors; late pregnancy; newborns; exposure; risk; persistent pulmonary hypertension, 23717
maternal medication use; selective serotonin reuptake inhibitors; late pregnancy; newborns; exposure; risk; persistent pulmonary hypertension, 23701
patient perspective; provider perspective; home telecare; acute exacerbations management; chronic obstructive pulmonary disease, 4654
pulmonary emboli; clozapine therapy; clozapine side-effects; risk factor; Irish case history, 20601
quality of life; chronic obstructive pulmonary disease patients; comorbidity; anxiety; depression, 31983
self efficacy; self reported physical functioning; chronic obstructive pulmonary disease; chronic heart failure; genetic factor, 8003
smoking cessation; chronic obstructive pulmonary disease; cigarette smoking, 26315
somatic symptoms; indicators; chronic obstructive pulmonary disease; psychological distress; military veterans; medical illnesses; diagnosis; anxiety; depression, 16618
symptom occurrence; symptom distress; family caregivers; lung cancer patients; assessment discrepancies; professional caregivers; nurses, 5293
Lupus—Serials
clozapine; lupus erythematosus; dopamine; side effects; cardiovascular side effects; schizophrenia; clinical trials, 29645
cognitive dysfunction; neurometabolites; MRI; non-neuropsychiatric systemic lupus erythematosus, 8029
Neuropsychological Battery for Systemic Lupus Erythematosus; test reliability; test validity; cognitive impairment; rheumatoid arthritis, 119
Neuropsychological Battery for Systemic Lupus Erythematosus; test reliability; test validity; cognitive impairment; rheumatoid arthritis, 118
plasma levels; brain derived neurotrophic factor; CNS lupus; catecholamine metabolites; psychotic symptoms; central nervous system; systemic lupus erythematosus; 3-methoxy-4-hydroxyphenylglycol, 35197
systemic lupus erythematosus; parental magico religious illness beliefs; illness experience; major depression, 14151
Luteinizing Hormone—Serials
luteinizing hormone releasing hormone treatment; depot leuprolide acetate; psychotherapy; pedophilias; sex offenses; relapse; suicide attempt; drug abuse; borderline intellectual functioning, 2085
luteinizing hormone releasing hormone treatment; depot leuprolide acetate; psychotherapy; pedophilias; sex offenses; relapse; suicide attempt; drug abuse; borderline intellectual functioning, 2046
pituitary hormones; breeding; mole-rat; luteinising hormone; season; sex, 28110
reproductive suppression; subordinate female highveld mole rats; endogenous opioid peptides; plasma luteinizing hormone, 25081
Lutherans [See Protestants]
Lying [See Deception]
Lymphatic Disorders [See Blood and Lymphatic Disorders]
Lymphocytes—Serials
freewheel running; mouse; intestinal lymphocyte death; acute strenuous exercise; mice, 15861
psychotic patients; bipolar disorders; mixed states; schizophrenia; serotonin transporter structure; platelets; lymphocytes, 13677
qi-training; immunological parameters; T lymphocyte concentrations, 31246
selective serotonin reuptake inhibitors; lymphocytes; social phobia; normal individuals, 13817
Lysergic Acid Diethylamide—Serials
club drug use; substance abuse; lysergic acid diethylamide; lifetime drug use rates; youths, 17778
research; psychedelic drugs; lysergic acid diethylamide; ethics approval; neurophysiological effects, 28157
Machiavellianism—Serials
Machiavellianism; trait perfectionism; perfectionistic self presentation, 13581
Machine Learning—Serials
algorithm selection; algorithm control; machine learning; low-knowledge approach; classifiers; scheduling; performance; optimization algorithms, 3056
backpropagation decorrelation; recurrent learning; online stability; nonlinear feedback theory; output weights; algorithms, 18424
decision based neural networks; computational burden; local competition; learning algorithms, 18429
early warning system; financial crisis; financial market volatility; detection; daily financial condition indicator, 21531
emotion recognition; facial expression analysis; neurofuzzy network; man machine communication systems, 12379
facial attractiveness; human beauty; machine learning; facial images; facial features, 18427
filtering ranking perceptron learning; partial parsing; phrase recognition system; algorithm learning, 6123
fluctuation dissipation theorem; learning models; statistical learning; Bayesian learners; learning theoretic computation, 175
humor recognition; automatic classification techniques; computational models; machine learning; humor generation, 24496
language independent grapheme to phoneme conversion; latent analogy; machine learning techniques, 709
learning machines; hybrid ensembles; single predictors; algorithms; generalisation; neural networks, 18411
learning time; evolutionary computation; reinforcement learning; metaparameters; agent learned policy; agent genes, 24488
learning vector quantization; adaptive algorithms; codebook vectors; synthetic databases; real databases, 18423

Machine Learning—Serials

learning vector quantization; winner takes all algorithms; learning curves; training dynamics; mathematical modeling, 18410
machine learning techniques; special issue; speech recognition; language technologies, 6126
machine learning; clustering; prediction errors; estimation, 36605
machine learning; sedimentation modeling; decision making, 36598
machine learning; soil classification; engineering problems; geotechnics; petroleum, 36599
memetic evolutionary training; recurrent neural networks; time-series prediction; bio-inspired mathematical models; evolutionary algorithms, 21525
multi-step reasoning; machine learning; artificial intelligence; problem solving, 3062
multi-strategy apprenticeship learning; task reduction; mixed-initiative reasoning; plausible version spaces; rule learning; ontology; learning strategies; Disciple Rapid Knowledge Fomation system, 3061
natural language processing; ranking; reranking tasks; perceptron algorithm; ordinal regression algorithms, 6132
negotiation process; negotiation specialists; sentiment analysis; electronic negotiations; natural language processing; informal information exchange; messages; machine learning, 24497
neutral examples; sentiment; neutral training examples; positive examples; negative examples; accurate classification; machine learning, 24494
one sided error; heuristic learning; Boolean formulas; agreement problem; models, 6122
online multiclass learning; feedback; utterance classification; algorithms, 6121
opinion recognition; learning algorithm; feature organization, 24498
PAC-Bayesian compression bounds; prediction error; learning algorithms; classification; sample compression; non-zero empirical risk, 6128
plan quality; adaptive automated planning systems; machine learning; AI planning; search-control rules; rewrite rules; performance improving planning; PIP system; heuristics, 3063
planning; machine learning; version spaces; algorithms; hierarchical task network methods; candidate elimination method; preconditions of htn methods; artificial intelligence, 3059
real life emotion annotation; machine learning; emotional state; emotion detection; lexical features; human-human verbal interaction, 9648
robust recall; modular associator networks; rapid learning; autoassociative networks; memory; heteroassociatively trained synapses, 18416
unsupervised semantic mapping; natural language; lexicmancer concept mapping; algorithm; lexical co occurrence information; machine learning, 36592
work place learning; machine operator; dialogical relationship; context; human resource management; business organizations; problem solving; experience level, 33536

Magazines—Serials

childcare magazines; gendered discourses; parenting; parent child relations; social change; mothers; fatherhood, 28219
disability characteristics; magazine advertising; negative attitudes, 21496
eating disorders; content analysis; magazine articles; anorexics; bulimics, 20131
hardcore drinking; alcohol consumption; magazines; risk taking; gender differences; drinking behavior, 13431
heart disease; mass print magazines; content analysis, 25181
low-power; high-power; persuasive messaging; attitude change; women's magazines; radical feminist view; opinions; involvement, 4057
Men's Health magazines; male images; muscular physique; Men's Fitness magazines; sociocultural standards of beauty, 747
pornography; media; internet; Norway; chatting; films; magazines, 34638
prostate cancer; men's magazines; impotence; men's health; erectile dysfunction, 1678
representation of males; teenage girl magazines, 4063
sexual difference; fitness magazines; media, 746
women; romance; body; magazines; gender role, 11175

Magical Thinking—Serials

alternative medicine; psychological perspective; health beliefs; paranormal beliefs; rational thinking; magical beliefs; values, 8423
child judgment; magical causality; constraints; child beliefs; attribution, 25303
magical beliefs; causal inference; self-perception; apparent mental causation; conscious will, 28680
schizotypal personality; lateral preference; magical ideation; performance asymmetries; handedness, 9812
social cognitive functioning; schizotypal characteristics; magical ideation, 34948

Magnesium—Serials

magnesium sulphate; antinociceptive effect; tricyclic antidepressant; amitriptyline; analgesic activity; mice, 3680

Magnetic Resonance Imaging—Serials

acute citalopram; neuronal effects; pharmacology; psychiatric disorders; serotonin; treatment; aetiology; magnetic resonance imaging, 2077
age differences; encoding networks reorganization; subsequent recognition memory, 6802
alcoholism; neural systems; brain structure; physiology; magnetic resonance imaging; neuropsychology; neuroimaging; neurocircuitry, 1547
Alzheimers disease; magnetic resonance imaging; clinical practice; Tajiri project; dementia, 17294
Alzheimers disease; magnetic resonance proton spectroscopy; limbic regions; disease course, 4760
amygdalar volume; Alzheimer's disease; psychiatric symptoms; magnetic resonance imaging, 17289
auditory brain mapping; mice; manganese enhanced MRI; sound evoked activity; hearing loss; auditory brainstem activity; inferior colliculus, 3509
auditory hallucinations; transcranial magnetic stimulation; magnetic resonance; Heschls gyrus, 32697
behavioral data; psychological theories; imaging experiments; data analytic approaches; cognitive affective processes; fMRI; event related potentials; magnetic encephalography, 24793
blood oxygen level dependent response; spatial working memory task; neuropsychological predictors; functional MRI response patterns; adolescents, 6591
brain activity; Attention Deficit Hyperactivity Disorder; functional imaging studies; different ages; symptoms; behavior, 29088
brain development; magnetic resonance imaging; pediatrics; children; adolescents; neuroimaging; developmental neuroscience, 34103
brain imaging; media processes; images; filmic montage; video games; virtual violence; children's brain activation, 13057
brain morphometry; schizophrenia; brain regions; magnetic resonance imaging; cerebrospinal fluid volume, 4349
category specific cortical activity; retrieval; memory search, 9836
causality; cognitive processing; functional magnetic resonance imaging; brain; complex behavior, 18789
cerebral asymmetry; fusiform areas; learning efficiency; new writing system; individual differences; fMRI, 31234
cerebral palsy; cognitive delay; preterm infants; gray-matter abnormalities; adverse neurodevelopmental outcomes; psychomotor delay; neonatal MRI; prediction, 35278
cerebrospinal fluid markers; magnetic resonance imaging; mild cognitive impairment; Alzheimers disease diagnosis, 20248
cognitive correlates; brain; cognitive functions; magnetic resonance imaging; proton density; subcortical gray; white matter hyperintensities; severity; non-demented elderly; set shifting; attention, 12953
cognitive correlations; magnetic resonance spectroscopy measures; healthy elderly brain; fronto subcortical circuits; neuropsychological tests, 564
cognitive decline; memory clinic; magnetic resonance imaging; temporal lobe; white matter hyperintensities; elders, 10197
cognitive dysfunction; neurometabolites; MRI; non-neuropsychiatric systemic lupus erythematosus, 8029
computerized mental rotation task; functional magnetic resonance imaging; task validity, 27650
connectivity; semantic priming; reaction time; stimulus judgement; semantic associates; lexical decision; magnetic resonance imaging; brain regions, 22226
cortical activity; developmental changes; imaging studies; magnetic resonance imaging; brain, 9987
cortical activity; developmental changes; imaging studies; magnetic resonance imaging; brain, 9982
cortical activity; developmental changes; imaging studies; magnetic resonance imaging; brain, 9983
cortical activity; developmental changes; imaging studies; magnetic resonance imaging; brain, 9989
cortical midline structures; emotional valences; emotional stimulus processing, 6789
deductive reasoning; three stage model; human culture; problem solution; neurocognitive processes; parietal cortex; prefrontal cortex, 15651
developmental psychology; social cognitive neuroscience; perception; Theory of Mind, 34703
diagnostic criteria; multiple sclerosis; MRI, 35213
directional selectivity; BOLD activity; human posterior parietal cortex; memory guided saccades; functional MRI; visual field, 25031
dorsolateral prefrontal cortex; morphology; schizophrenia; short term outcome, 10679
electroencephalogram; brain responses; functional magnetic resonance imaging; simultaneous acquisition, 34120
event related potentials; fMRI environment; topography; EEG, 34149
first episode schizophrenia; brain volume; magnetic resonance imaging, 28898
fluorodeoxyglucose positron emission tomography; potassium channel antibody; nonparaneoplastic limbic encephalitis; clinical course; neuropsychology; seizures; magnetic resonance imaging; memory, 4622
frontal lobe; white matter; depression; symptoms; anisotropy; neural circuits, 16641
functional connectivity; visualization; principal component analysis; functional magnetic resonance imaging; brain, 18988
functional magnetic resonance imaging; bipolar disorder; brain activation, 22996
functional magnetic resonance imaging; episodic memory; brain; insights; epilepsy; intracranial electroencephalography; patients studies; lesion, 12919
functional magnetic resonance imaging; hemispheric dominance; noninvasive language mapping; frontal activation; frontal lateralization; comprehensive language mapping; children, 3810
functional magnetic resonance imaging; neural activity; perfusion signal; sequence learning, 18990
functional magnetic resonance imaging; products; person; neural dissociations; brand; semantic judgments; neural correlates; prefrontal cortex, 30550
functional magnetic resonance imaging; study designs; cognition; cognitive comparison strategies; stimulus presentation possibilities; technical aspects; neuroscientists, 18945
functional magnetic resonance imaging; verbal working memory; adolescents; specific language impairment; neuroimaging; behavioral techniques; listening span; sentence encoding; word recognition, 4596
functional magnetic resonance imaging; visual system dysfunction; visual hallucinations; Parkinson's disease; visual cortex, 35299
functional MRI; component reflection process; prefrontal cortex; functional organization; anterior cingulate; orbitofrontal cortex, 3577
functional specialization; rostral prefrontal cortex; human brain; neuroimaging, 31187
grating orientation; tactiles; neural circuitry; magnetic resonance imaging; parietal & frontal cortical areas, 3628
hemodynamic response; chronic hypoperfusion; stroke; functional magnetic resonance imaging; brain injury, 26356
hemodynamic response; electrophysiological response; human face processing; functional magnetic resonance imaging; event related potential; brain, 15914
human development; magnetic resonance imaging; learning; brain structure; cognitive development, 18947
hypnosis; clinicians; functional magnetic resonance imaging, 26722
interval timing; behavior; reinforcement; performance decrement; neurophysiology; functional Magnetic Resonance Imaging, 12880
language lateralization; epilepsy; dichotic listening; frontal lobe; temporal lobe, 14210
leptomeningeal gliomatosis; dysphasia; intracranial hypertension; seizures; magnetic resonance imaging; lesions, 1813
lexical semantic priming; neuropsychology; chronic schizophrenia; functional magnetic resonance imaging; language; thought; map brain activation, 19839
magnetic resonance images; head trauma; contusion visibility; intraparenchymal injuries; early stage; late stage; traumatic brain injury, 26376
magnetic resonance imaging; abnormalities; temporal lobe; limbic structures; euthymic patients; bipolar disorder, 32105

magnetic resonance imaging; Alzheimer's disease; Arabs; brain structure, 8104
magnetic resonance imaging; bipolar disorder; evaluation; neuroanatomy; pathophysiology, 22969
magnetic resonance imaging; hippocampus; brain; post-traumatic stress disorder; memory, 1426
magnetic resonance spectroscopy; glutamate; neurotransmission; glutamine; metabolic modeling; brain disorders, 22216
magnetoencephalography; neuroimaging; beamforming techniques; cortical networks; magnetic resonance imaging, 3636
major depression; carotid artery; late-onset major depression; intima medium thickness; white matter hyperintensities; magnetic resonance imaging; elderly patients, 13699
methodological issues; conceptual issues; functional MRI; schizophrenia research; psychological disorders; neurological disorders; schizophrenia patients, 27695
middle cerebral artery stroke; brain activation; brain reorganization; recovery assessment, 11034
mitochondrial dysfunction; bipolar disorder; magnetic resonance spectroscopy, 7666
MRI abnormalities; complex partial status epilepticus; brain damage; temporal lobe epilepsy, 26372
MRI volumetry; anterior thalamic volumes; absence seizures; idiopathic generalized epilepsies; thalamic segmentation, 26374
MRI; neurological findings; Macrocephaly Cutis Marmorata Telangiectatica Congenita syndrome; children, 4627
neural correlates; virtual reality analgesia; magnetic resonance imaging; pain, 14335
neurodegenerative disorders; magnetic resonance imaging; Alzheimers disease; nigrostriatal dysfunction; dementia, 8180
neuronal activity; functional brain imaging; blood oxygenation; cerebral blood flow; visual cortex; negative blood oxygenation level responses, 34128
neuronal structures; visualization; human brain; diffusion tensor magnetic resonance imaging; data acquisition process; tumor, 18952
olfactometer; magnetic resonance imaging; computer; serial interface; cost, 33914
orbitofrontal cortex; schizophrenia; schizoaffective disorder; behaviors; psychiatric symptomatology; neuropsychological aggression; iatrogenic effects; magnetic resonance imaging, 10674
Pelizaeus Merzbacher disease; developmental disorder; myelin formation; nervous system; proteolipid protein; gene mutation; auditory evaluation; electromyography; MRI, 1604
permanent sensorimotor dysphasia; status epilepticus; elderly patient; MRI; positron emission tomography; generalized seizures, 26393
posttraumatic stress disorder; neurobiology; dissociation; functional magnetic resonance imaging; positron emission tomography; mind; body; brain; childhood trauma, 16670
quality assessment; magnetic resonance imaging data; automated procedures; hardware performance; data quality, 3645
rapid modulation; gamma aminobutyric acid concentration; human sensorimotor cortex; motor learning task; magnetic resonance spectroscopy, 25008
rats; brain; pharmacology; magnetic resonance imaging; blood oxygen; spatial changes; temporal changes, 514
repetitive electrical stimulation; motor evoked hemodynamic responses; magnetic resonance imaging, 15916
schizophrenia; neuropathological abnormalities; neuroimaging; myelin; genes; magnetic resonance imaging; white matter pathology, 34915
semantic divergence; creative story generation, 6527
sound blending; functional magnetic resonance imaging investigation; frontal gyrus; reading; phonological awareness; background noise, 3544
spatial attention; selective attention; magnetic brain imaging; visual cortex, 15753
specific language impairment; task switching; children; executive functioning; functional magnetic resonance imaging; neurophysiological correlates, 17126
subcortical cerebral hyperintensities; magnetic resonance images; childhood neuropsychiatric disorders; Tourette's syndrome; obsessive-compulsive disorder; ADHD, 28724
supplementary motor area; motor processes; perceptual processing; MRI; event related potentials, 28103
temporal resolving power; blood oxygenation level-dependent magnetic resonance imaging; occipital cortex; auditory cortex; visual stimulation; spin echo; gradient echo, 3637
white matter changes; psychotic symptoms; Alzheimers disease; magnetic resonance imaging; basal ganglia; parieto occipital region, 25776
white matter imaging; magnetic resonance imaging; brain development; aging; pathology; life span, 34142

Magnetism—Serials

animal magnetism; Spanish medicine; legal responsibility; phrenology, 33753
electromagnetic fields; central nervous system; cellular phones; evoked electrodermal activity; skin resistance response, 15841
hemispheric lateralization; number comparison; reaction time, 6777
inner ear; middle ear implant; superparamagnetic iron oxide nanoparticles; auditory function, 22256
magnetic responses; direction specific adaptation; motion onset; velocity; temporo occipital area, 3299
neuromagnetic; auditory cortex; behavioral measures; auditory perception; stimulus parameters; brain, 3568
static magnetic fields; magnetic stimulation; K-ATPase activity; nucleus basalis magnocellularis; rats, 28149

Magnetoencephalography—Serials

amodal completion; mosaic primes; visual processing; occlusion primes; magnetoencephalography responses; occlusion patterns; evoked neural activity, 30935
attentional modulation; cortical neuromagnetic gamma response; biological movement; human body; magnetoencephalography, 25036
language mapping; magnetic source imaging; magnetoencephalography; external validity; epilepsy; surgery; brain activity; Wernicke's area, 23439
magnetoencephalography; cortical effects; psychopharmacology; neurons; skull; brain; sensory processing; cognitive processing; psychopharmacological agents, 28080
magnetoencephalography; frontal areas; obsessive compulsive patients; fronto-temporal paroxysmal rhythmic activity; cingulate cortex; selective serotonin reuptake inhibitors therapy, 16785
magnetoencephalography; functional brain imaging; dyslexia; reading; development; neurophysiological processes; reading disability; phonological decoding; magnetic source imaging, 3808
magnetoencephalography; neuroimaging; beamforming techniques; cortical networks; magnetic resonance imaging, 3636
negativity amplitude; magnetic mismatch; field strength; individual variation; auditory processing; event related potentials, 12952
right parietal activation; delusional state; episodic interictal psychosis; epilepsy; magnetoencephalography, 35300
somatosensory cortex; neuroimaging; magnetoencephalography; stimulated body part viewing, 568
time-locked brain activity; emotions; emotionally evocative pictures; magnetoencephalography; mesial temporal lobes, 34104

Magnitude Estimation—Serials

cooling sensations; cold threshold; magnitude estimation; cutaneous sensation; spinal-cord injury; sex differences, 20251
magnitude scaling bias; conjectures; Stevens; psychophysical exponent, 619
magnitude; size congruity effect; intrapartial sulcus; luminance, 30899
reward magnitude differences; Iowa Gambling Task; choosing advantageous & disadvantageous decks; monetary profit; uncertainty; chance; loosing; immediate rewards; distant pay-off; choice behavior, 12750
subitizing; magnitude representation; magnitude retrieval; deaf; hearing adults; long term memory; visual-spatial analog; mathematical difficulties, 32695

Magnitude of Effect (Statistical) [See Effect Size (Statistical)]

Mail Surveys—Serials

check all format; forced choice question format; web surveys; telephone surveys; test validity; test reliability, 30857
electronic mail; web surveys viewing; survey response; subject lines, 3263
hospitality industry; minimum wage policy; postal surveys; response rates; small firm employers, 3256
online surveys; mail surveys; service research, 21610
questionnaire cover design; mail survey response; response rates, 6384

sex life issues; coronary heart patients; heart infarction groups; age groups; angina pectoris group; general practitionars; mail survey, 8093
web surveys; survey response rates; lotteries; incentives; internet users, 36552

Mainstreaming [See Also Mainstreaming (Educational)]—Serials

cold war phenomenon; management education; mainstream education; management theories; feminism, 30524
community links; intellectual disability; residents; quality of life; social inclusion, 23900
gender mainstreaming; feminist reading; European Union; political discourse; gender inequality, 34602
gender mainstreaming; gender equality policies; organizations; human resource management; gender biases, 18281
intellectual disabilities; sport participation; athletic programme evaluation; adolescents, 7964
mental health services; employment status; occupational care; vocational interventions, 23991

Mainstreaming (Educational)—Serials

autistic spectrum disorders; foreign languages learning; diagnosis; mainstream; professional experiences; teaching, 9044
behavioural problems; emotional problems; mainstream schools; level of difficulties; Ford score; test validity; test reliability, 134
child perceptions; arts inclusion project; musical performance; learning difficulties, 18146
conversational skills; school children; social skills; group therapy evaluation; mainstream schools, 12047
early education; educational inclusion; Poland; educational integration; kindergartens; special needs, 33482
educational inclusion outcomes; physical impairments; speech impairments; educational team perspective; augmentative and alternative communication, 15078
English as a second language; educational policy; language learning; students; teachers; curriculum; mainstreaming, 36228
English as a second language; mainstream teachers; secondary schools; curriculum, 36148
Florida; elementary schools; inclusion programs; organizational support; teachers perceptions; administrators perceptions; principals, 30209
foreign language learning; special educational needs; curriculum, 9029
general education classrooms; mental retardation; special education students; mainstreaming, 18148
genuine inclusion; students disability; colonizing discourses; learning disabilities, 9030
high schools; students with disabilities; academic program; intellectual options; motivation; academic support; learning success; needs; case studies; school transcript analysis, 36364
inclusive education; high school students; severe intellectual disabilities; learning environment, 15074
inclusive education; India; international concept; national interpretation; minority groups; disabled children; post-independence government documents, 36365
inclusive educational settings; critical importance; communication development; social support, 15087
learning disabilities; general education; learning seminar; classroom inclusion; team teaching; school support; school opportunities; equal opportunity; academic achievement, 36357
mainstream classrooms; special education; Down syndrome, 30362
mainstreaming; Down's syndrome; pupil inclusion; teacher narrative, 18122
managing bullying; deaf; hearing disorders; educational mainstreaming, 20314
narrative approach; research; teaching; teachers experiences; inclusion; special education, 18125
preschool communities; alternative language development; child-child interactions; mainstreaming; special education, 15089
principal attitudes; teacher attitudes; inclusive education; background characteristics, 36199
psychometrics; pre-school inclusion; teachers' perceptions; educational settings; test reliability; test validity; Supports Scale For Preschool Inclusion, 30779
school inclusion of students with disabilities in regular classrooms; school counsellors attitudes & involvement, 2740
school reform; school culture; policy change; decision making; educational programs; inclusion; collaboration; teaming, 18140

Self Discovery Programme; emotional difficulties; behavioral difficulties; relaxation skills; special education, 2739
self efficacy beliefs; inclusion; preservice training needs; special education students; special education placements; attitudes; preservice teachers, 17991
students with disabilities; good high schools; participation; goals; positive results; research questions; case studies, 36363
students with disabilities; high schools; strategy themes; academic courses; program options; support structures; needs; motivation; synergistic approach; Good High Schools study; action theory, 36359
support pathways; high school students; disabilities; inclusion; community involvement; student success; school life; social needs; case studies; abilities; academics, 36358
teachers' attitudes; disability; inclusive education; India; children with disabilities, 30250
teaching practices; curriculum authoring tools; inclusive classrooms; curriculum development; curriculum implementation, 18005
team supports; autism; communication skills; general education curriculum; mainstreaming, 15086
universal design; students with disabilities; educational access; educational environment, 24259

Mainstreaming (Educational)—Books

Making inclusion work: Effective practices for all teachers, 21268
Teaching language arts, math, & science to students with significant cognitive disabilities, 21269

Maintenance Therapy—Serials

alcohol withdrawal; maintenance treatment; valproic acid treatment; alcohol dependence; bipolar disorder, 8394
bipolar affective disorder; maintenance electroconvulsive therapy; refractory mania; manic episodes, 25881
electroconvulsive therapy; major depressive episodes; maintenance treatment, 2116
folic acid; depression; treatment supplement; antidepressant medication; dosage; maintenance treatment, 32888
gender differences; health related quality of life; maintenance treatment program; opioid users; treatment implications; withdrawal symptoms; methadone; morphine; buprenorphine, 5418
general practitioners attitudes; prescription patterns; buprenorphine maintenance treatment; patients; doctor shopping; buprenorphine misuse; opiate addiction, 11779
lithium treatment; evidence base; bipolar disorder; maintenance therapy; medical treatment; mania prevention; depressive episodes; suicide; side effects; clinical effectiveness, 17553
maintenance therapy; maintenance paroxetine; major depression; elderly patients; monthly interpersonal psychotherapy, 26490
maintenance therapy; maintenance paroxetine; major depression; elderly patients; monthly interpersonal psychotherapy, 26494
maintenance therapy; maintenance paroxetine; major depression; elderly patients; monthly interpersonal psychotherapy, 26473
mania management; bipolar disorder; long term outcomes; maintenance therapy; pharmacological approaches; psychological interventions; theoretical gap, 16741
methadone maintenance; Europe; Hungary; sociocultural resistance; opiate substitution treatment, 26960
nicotine replacement; heavy smokers; nicotine cessation treatments; nicotine patch; nicotine addiction, 20914
olanzapine efficacy; bipolar I disorder; pharmacological characteristics; clinical trials; relapse prevention; mania; maintenance therapy; clinical trials; safety; olanzapine tolerability, 17526
pain coping skills training; maintenance training; treatment effectiveness; rheumatoid arthritis, 35181
schizophrenia; high relapse rates; antipsychotic maintenance therapy; antipsychotic medication; risperidone, 4368
schizophrenia; schizoaffective disorder; haloperidal decanoate; long-term maintenance therapy; quetiapine, 32889
schizophrenia; schizoaffective disorder; haloperidal decanoate; long-term maintenance therapy; quetiapine, 32908

Maintenance Therapy—Books

Offending identities: Sex offenders' perspectives of their treatment and management, 2006

Major Depression [See Also Anaclitic Depression, Dysthymic Disorder, Postpartum Depression, Recurrent Depression, Treatment Resistant Depression]—Serials

abdominal hysterectomy; depression; anxiety; hostility; dysphoric women; married nulliparae; sexual relationship, 8461
academic stress; graduate students; Turkish university; hopelessness; problem solving; automatic thoughts; anxiety; depression; symptoms, 7610
acupuncture therapy; older adults; depression; patients; clinicians; treatment; symptoms, 32945
acute depression; outpatient treatment models; independent practice; strategies for collaboration with managed care; treatment outcomes, 5304
acute treatment; maintenance treatment; cluster C personality disorders; late life depression; treatment outcomes; persistent functional impairment; residual symptoms, 1332
adaptive & maladaptive components; humor; attributional style; dysphoria, 28838
adaptive inferential feedback; partner training; augmented cognitive behavioral approach; depressed patient; treatment effectiveness, 17475
adherence to tradition; depression; Chinese; elders, 13722
adjunctive bright light therapy; non seasonal major depression; treatment effectiveness, 2110
adjustment disorders; depressive episode; psychiatric diagnosis; epidemiological study, 22916
adolescent depression; adolescent development, 19806
adolescent depression; epidemiology; interventions; causes; depression classification; vulnerability; stress; epilepsy, 13709
adolescent depression; obesity; Blacks; Whites; risk factors, 4320
adolescent depression; psychiatric disorder; adolescent mental health service, 20752
adolescent; depression; peer; parent; interaction; social interactional model; behavioral interaction; depressive symptoms, 16704
adolescents; missense mutation; CART gene; anxiety; depression; cocaine; amphetamine; peptide levels, 19760
adult attachment; maladaptive perfectionism; ineffective coping; depression, 10663
adult attachment; perceived discrimination; gay males; mediation & moderation effects; depression; anxiety; avoidance, 28867
adult attachment; social self-efficacy; self-disclosure; loneliness; depression; freshman college students, 1381
adult siblings; traumatic brain injury; subjective caregiving burden; depressive symptoms; role strain; intrapsychic strain; social support; coping behavior, 20249
African American; psychological adjustment; psychometrics; structural equation modeling; physical self-concept; self-esteem; physical activity; sport participation; depression symptoms, 19215
age at onset; major depression; inner city adults; asthma, 32548
age differences; depressive disorders; rheumatoid arthritis; human females; social experiences; health problems, 8043
age effects; dysphoria; emotion focusing; autobiographical memory specificity; children, 22953
age; cognitive effects; electroconvulsive therapy; mood improvement; depressive patients; neuropsychological outcome; cognitive domains; memory; information processing; executive function, 19791
age; depression; CES-D; subscales; Center for Epidemiological Studies Depression Scale; depressive symptomatology, 15465
alcohol addicts; sociodemographic characteristics; suicidality; depressiveness, 7643
alcohol dependence; drug dependence; depression course; substance use; anxiety disorders, 16703
alcohol related suicides; suicide victims; hospital treated depression; alcohol related depression; patient history, 7858
alexithymia; automatic processing; affective priming paradigm, 13691
allergy; depression; suicide; cytokines, 7593
American Indians; integrative therapy; depression; alcohol dependence; cognitive behavioral therapy; self help support groups; clients, 13714
animal stress paradigm; peripheral triiodothyronine; rats; footshock; escapable stress; inescapable stress; depression, 12842
anorexia nervosa; olanzapine; mirtazapine; major depression; combined treatment; antidepressant therapy, 17550
anticholinergic burden; mild cognitive impairment; selective serotonin reuptake inhibitors; pharmacotherapy; posttraumatic stress disorder; obstructive sleep apnea; elderly patients; depressed, 19705
anticipation; unipolar affective disorder; unipolar disease pattern; age differences, 10651
antidepressant agomelatine; major depressive disorder, 14496
antidepressant class; dosing; old Mexican Americans; geropsychiatric treatment guidelines; depression; geriatric patients, 14488
antidepressant drug trials; suicidal risk; depressive disorders, 17519
antidepressant medication use; palliative care; mood disorders; depression; adjuvant therapy; pain management, 35912
antidepressant mirtazapine; neutropenia; major depressive disorder, 5064
antidepressant prescribing practices; major depressive episodes; comorbidity; attention-deficit hyperactivity disorder, 20603
antidepressant response; selective serotonin reuptake inhibitors; major depression; genetic polymorphisms; genes; antidepressant efficacy, 8392
antidepressant response; tryptophan hydroxylase gene; polymorphism; Koreans; major depression; serotonin reuptake inhibitors; genotypes, 10637
antidepressant therapy; plasma protein; adiponectin; tumor necrosis factor-alpha; major depression, 29675
antidepressant treatment; major depression; epidemiology modeling; population health status; treatment efficacy; mathematical models, 5065
antidepressant-like effect; harmane; carbolines; mouse; forced swim test; animal model; depression, 25101
antidepressants; major depression; acetylsalicylic acid; drug augmentation; fluoxetine, 25877
antidepressants; major depression; treatment; children; adolescents; pediatric population, 23695
antidepressants; major depressive disorder; children; adolescents; pediatrics; selective serotonin reuptake inhibitors; suicidal ideation, 2044
antiglucocoticoid treatments; depression; neuroendocrinology, 26708
anxiety depression disorder; long term contribution; cognitive behavioral therapy, 14410
anxiety disorders; genetics; major depression; mental disorders; treatment; generational transmission, 34878
anxiety disorders; screening; psychiatric outpatients; major depression; diagnosis, 13750
anxiety symptoms; depression symptoms; FRIENDS program; intervention, 32997
anxiety; aging; depression; elderly; neuroticism, 16695
anxiety; comorbidity; treatment effectiveness; interpersonal psychotherapy; depressed adolescents, 32816
anxiety; depression; agonistic encounters; interactive functioning; reconciliation; moods, 13645
anxiety; depression; alcohol use disorders; primary medical care; health care utilization, 1322
anxiety; depression; insomnia development; epidemiology; risk factors, 28747
anxiety; depression; psychoanalysis; sexual abuse; memory, 26648
anxiety; depression; sexual dysfunction; women; chronic pelvic pain; gynecology outpatient clinic, 29188
anxiety; depression; tension; stress; children; youth, 34842
anxious retarded depression; major depressive disorder; melancholia; plasma vasopressin level; cortisol levels; family history, 13703
anxious symptomatology; depressive symptomatology; selective attention deficits; self report; reaction times, 29369
apathy; dementia; depression; Alzheimer's disease, 8173
artistic image; depression; manic euphoria; mixed states, 34850
ascending digits task ; executive function; geriatric depression, 16731
Asperger syndrome; depression; autism, 17065
assessment; psychological treatment; depression; older adults; terminal illness; quality of life; palliative care; hospice settings; cancer treatment, 11289
assessment; treatment; depression; older adults; primary care; psychotherapeutic techniques; mental health services, 11278
assessment; treatment; depression; older adults; primary care; psychotherapeutic techniques; mental health services, 11266
assimilation; brief psychotherapy; mild depression; problematic experiences; treatment outcome, 35476
asymptomatic reboxetine overdose; major depression, 17520

at-risk gambling; suicidality; suicide attempts; depression, 34974
atrioventricular blocks; citalopram; episodic faintness; side effects; drug therapy; recurrent depressive symptoms; elderly patients, 5051
attachment representation; depressive symptomatology; social withdrawal; middle childhood; depression, 28834
attentional biases; social anxiety; dysphoria; comorbidity; threats, 19711
autobiographical memory; depressed & nondepressed patients; borderline personality disorder; long term psychotherapy; severity; symptoms, 23071
autobiographical memory; dysphoric college students; overgeneral memories; cues, 22979
autobiographical memory; memory phenomenon; major depression; working memory; semantic memory; verbal learning; delayed verbal recall; recognition memory; source memory, 28854
autobiographical memory; suppression; dysphoria; depression; negative memory; stream-of-consciousness, 28828
automatic & effortful processing; self statements; depression; cognitive processes; negative knowledge structures, 28865
baseline immune activation; risk factor; depression; interferon-alpha treatment; hepatitis, 29778
Beck Depression Inventory II; confirmatory factor analysis; depression; factor structure models, 15475
behavioural inhibition system; behavioural activation system; major depression; sensitivity to reward; sensitivity to punishment, 13729
beliefs; depression; Pentecostal; religious; treatment, 22991
bereavement; major depression; elderly; grief; coping behavior; drug therapy; selective serotonin reuptake inhibitors; psychotherapy, 1377
bereavement; suicide; survivors depression; Chinese samples, 10806
bias; accuracy; children's perceptions; peer acceptance; depressive symptoms; self-report; social self-perceptions, 28242
bibliotherapy; cognitive psychotherapy; depression; older adults; elderly, 20442
bilateral lesion; globus pallidus; substance abuse; depressive symptoms; anhedonia, 25780
biochemical profile; anxious depression; serotonergic antidepressants; tianeptine; sertraline; action mechanisms; pharmacology, 17549
biochemistry; suicide; biochemical changes; depression; stress axis; brain, 7582
bipolar disorder; anticonvulsant drugs; drug effectiveness; valproate; bipolar depression; maintenance therapy; lamotrigine; carbamazepine; mania, 26657
bipolar disorder; depression; treatment; future psychological investigation; phenomenology; natural history; neuropsychology; psychosocial predictors; cognitive style, 10647
bipolar disorder; G proteins; neurobiology; mood disorders; depression, 34860
bipolar disorder; postmenopausal women; menopause knowledge; subjective experience; perimenopausal women; schizophrenia; major depression; quality of life, 19736
bipolar disorder; unipolar disorder; differential diagnosis, 4322
bipolar disorder; unipolar major recurrent depression; cognitive style; affective disorders, 32109
bipolar disorder; unipolar major recurrent depression; cognitive style; affective disorders, 32100
bipolar disorders; school age childrens; brain; behaviors; misdiagnosis; treatment; school nurses; case management; mania; depression, 1373
bipolarity; manic symptoms; depressive symptoms; bipolar disorder; treated patients, 1349
blood serum; cholesterol; suicidal ideation; major depression; African American; diabetics patients, 17191
body dysmorphic disorder; obsessive compulsive disorder; depression; comorbidity; pharmacological treatments, 26268
body image; major depression; polycystic ovary syndrome; infertility, 26285
body mass index; pleasant events; engagement; depressive symptomatology; rewarding behavior; enjoyment, 16567
borderline personality disorder; neuropsychological testing; major depressive disorder, 20378
botulinum toxin A; major depression; psychopharmacology; psychotherapeutic treatment, 35397
brain derived neurotrophic factor; serum; depressed women; pathophysiology; psychiatric disorders, 34848
brain stimulation; major depression; transcranial direct current stimulation; anodal stimulation; dorsolateral prefrontal cortex; treatment efficacy, 19799
brain stimulation; treatment; psychiatric disorders; major depression; pharmacology, 32968
brain; white-matter hyperintensities; cardiovascular risk factors; treatment outcome; major depression, 23708
brief hope therapy; group treatment; goal pursuit skills; anxiety symptoms; depressive symptoms, 35569
Brief Measure of Worry Severity; personality correlates; clinical correlates; severe worriers; depression; anxiety; psychometrics, 9393
brief screening; depression; cancer; radiation oncology department; validity, 27628
bupropion; depression; narcolepsy cataplexy syndrome; imipramine; modafinil, 8382
burnout; depression; catholic priests, 11786
C-reactive protein; major depression; selective serotonin reuptake inhibitors; drug therapy, 26687
cancer risk; oxidative DNA damage; clinical depression, 4324
Cardiac Depression Scale; Beck Depression Inventory II; acute coronary syndromes; depression, 12494
Cardiac Depression Scale; cardiovascular patients; rehabilitation program; outpatients; statistical correlation; test reliability; comrobidity, 12523
Cardiac Depression Visual Analogue Scale; acute coronary syndromes; Cardiac Depression Scale; Beck Depression Inventory-II; depressed mood; cardiac population, 9390
cardiac drug regimens; depressed patients; cardiovascular disease; emotional functioning; therapeutics, 4259
caregiver assessment; patients depression; Alzheimer disease; caregiver mood; caregiver burden, 2084
caregivers burden; post stroke depression; stroke survivors; support, 4732
case management; major depression; primary health care; relative risk, 13707
casual sex encounters; college students; depressive symptoms; infidelity; sex, 34627
Center for Epidemiologic Studies Depression Scale; psychometric properties; confirmatory factor analysis, 30746
Center for Epidemiologic Studies-Depression Scale; traumatic brain injury; depressive symptoms; disorder severity; test validity; factor structure, 27631
Center for Epidemiological Studies Depression Scale; Indian caregivers; elderly population; factor structure; revised scale version, 12499
central noradrenergic function; depression; antidepressants; noradrenaline, 8402
cerebral blood flow; vagus nerve stimulation; depression; antidepressant treatment, 2117
cervical cancer; depressive symptoms; long term survivors; diagnosis; treatment, 17233
child care; work; depressive symptoms; low income mothers; well being; employment; welfare participation, 19817
child maltreatment; adults depression; prevention; clinicl population; general population; developmental pathways; treatment needs; childhood; adolescence, 23553
child maltreatment; shame; guilt; adolescent attitude; depression; juvenile delinquency, 4464
childhood abuse; child neglect; substance dependents; axis I disorders; personality disorders; depression severity; anxiety symptoms, 16617
childhood depression; measurement; assessment instruments; psychiatric screening, 19793
childhood medical trauma; psychoanalytic psychotherapy; eye movement desensitization and reprocessing; adverse childhood experiences; depression; attention deficit disorder, 19758
childhood psychiatry; posttraumatic stress disorder; depression; ethnicity; dissociation; trauma related cognitions, 32072
childhood sexual abuse; psychiatric patients; neuroticism; major depression; self consciousness, 28738
children inferential styles; depressive symptoms; onset; children; parents; hopelessness theory; human sex differences, 22945
Children's Depression Inventory; child psychiatric population; classification of major depressive disorder; Danish version; validity; reliability, 105
Children's Depression Inventory; post Iraqi invasion; Kuwaiti youth; test reliability, 24606
childrens coping behavior; peer rejection; depressive symptoms; social competence; gender differences; emotional response, 22558
chronic migraine; major depression; disorder severity; comorbidity; clinical features, 4660
chronic pain; couples; theoretical models; empirical evidence; marital satisfaction; marital relations; depression, 26294
chronic transcranial magnetic stimulation; antidepressant drugs; anxiolytic drugs; rat models; anxiety; depression, 9869
client attitudes; depression; long term care residents; retirement community; older adults attitudes; residential journaling, 16729
clinic nuances; impact on diagnosis & management; first 100 patients assessed; new Black Dog Institute Depression Clinic, 35814
clinical burnout; cortisol awakening response; dexamethasone suppression test; chronic stress; depression; hypothalamus pituitary adrenal axis, 12992
clinical correlates; anxious depression; elderly patients; major depression, 13670
clinical courses; depression; quality of life; antidepressant treatment; individuals' history; symptoms; treatment-related change; improvement; reboxetine; treatment response; age of onset, 20597
clinical depression incidences; occupational therapy educational programs; leadership styles; entry level directors, 2142
clinical depression; African American women; diagnoses; treatment; research issues, 28824
clinical effectiveness; guided self help; waiting list control; anxiety management; depression management; primary care; self help intervention; patient satisfaction, 29714
clinical effectiveness; guided self help; waiting list control; anxiety management; depression management; primary care; self help intervention; patient satisfaction, 29703
clinical hypnotherapy; hypnosis; Australia; mental health needs; depression; suicide; mental illness; social issues, 26724
clinical impact; mood disorder; comorbidity; obsessive-compulsive disorder; depression; bipolar disorder; disease course, 28938
clinical incentives; economic incentives; depression management; Medicaid population; Colorado Access; primary care physician practices; comordities; psychosocial barriers, 26869
clinical information technology; depression care management; patient privacy; healthcare practices; policy makers; Robert Wood Johnson Foundation; Depression in Primary Care-Incentives Demonstrations, 26844
clinical psychology; depression; patients; computerized cognitive behavioral therapy; anxiety; CD Rom, 14422
clinical risk factors; completed suicide; assessment; depressive disorder, 28966
clinical utility; test validity; malingering depression scale; Minnesota Multiphasic Personality Inventory, 9359
co-occurrence; metabolic syndrome; depression; anxiety; young adults; psychological distress, 19715
cognition; aging; psychopathology; schizophrenia; depression; cognitive functioning, 28796
cognition; cognitive impairment; dementia; severe mental illness; older people; geriatric psychiatry; diagnosis; treatment, 23489
cognitive behavior therapy; neural reactivity; depression; emotional responses, 26603
cognitive behavioral group therapy; depressed patients; self esteem; depression, 13700
cognitive behavioral interventions; depression; school personnel, 10646
cognitive behavioral therapy; adolescent depression; Asian immigrants; symptoms; prevalence; adolescent depression measures; PASCET; CWD-A; Beck's CBT; intervention, 35553
cognitive behavioral therapy; biofeedback assisted relaxation therapy; panic disorder; agoraphobia; depression, 16672
cognitive behavioral treatment; inpatients; middle aged male; severe anxiety; depression; suicidal ideation; Axis I symptoms; Axis II symptoms, 29578
cognitive behaviour therapy; depression; Parkinsons disease, 4997
cognitive deficits; depression; dementia; driving behavior; overestimated memory; caregiver stress; neuropsychology; mental health clinicians; physicians; medication, 4925

cognitive deficits; depressive symptoms; dementia; awareness, 25788
cognitive etiology; late onset schizophrenia like psychosis; persecutory delusion formation, 22932
cognitive impairment; depression; prevalence; psychodiagnosis, 35326
cognitive impairment; mood; milnacipran; serotonin norepinephrine reuptake inhibitor; post-stroke depression, 35631
cognitive model; depression; ethnic minorities; adolescents; self-efficacy; cognitive errors; hopelessness, 28840
cognitive processes; dysphoria; college drinking; daily experiences; cognitions, 11249
cognitive schemata; depressed adolescent girls; maternal cognitions; cognitive theory; cognitive therapy, 19819
cognitive theory of depression; negative self-schema; risk of depression onset, 13697
cognitive theory of depression; negative self-schema; risk of depression onset, 13705
cognitive therapy; EEG; major depression; cortical activity; electroencephalography, 6780
cognitive therapy; in vivo work; depression; therapeutic process; functional analytic psychotherapy enhanced cognitive therapy, 5001
cognitive therapy; treatment outcome; behavioral activation; antidepressant medication; major depression, 29376
cognitive vulnerability; depression; information processing; dual process models, 4316
cognitive vulnerability; depression; rumination; hopelessness; suicidal ideation; self-injurious thinking; risk factors, 35015
cognitive-behavioral therapy; adolescents; depression; recovery; moderation; psychosocial group interventions; recovery; life skills tutoring, 16685
cognitive-behavioral treatment; adolescent depression; school setting; evidence-based therapy; Adolescent Mood Project, 30393
collaborative care program; incentives; primary care providers; depression; participation, 8218
college population; depression; evidenced-based treatment; brief treatment methods; cognitive behavioral therapy; interpersonal therapy, 9056
college students; mental health; depression; anxiety; stress; first year tertiary education students; Hong Kong, 32096
common genetic vulnerability; depressive symptoms; coronary artery disease; genes; inflammation; serotonin; cardiac events, 19706
communication counseling; treatment plan; depression; interpersonal factors; interventions; clients; etiology, 35517
community based intervention; college student depression; campus personnel; mental health problems; student attitudes, 24271
community disadvantage influence; precocious transitions; adulthood; adolescent outcomes; racial differences; life events; depressive symptoms; family, 4341
community violence exposure; parental mental health; internalizing problems; urban adolescents; psychological functioning; posttraumatic stress disorder; depression, 22937
comorbidity; developmental trajectories; female psychopathology; depression; eating disorder; substance abuse; symptoms; antisocial behavior, 28756
comorbidity; major depresson; Alzheimers disease, 19732
competence; self-esteem; coping efficacy; ecological risk; depressive symptoms; racial & ethnic differences, 32117
complicated grief; attachment; loss; bereavement; major depression; individuals experience; traumatic loss; death, 10521
computer based intervention; childhood depression; psychosocial support; psychoeducational intervention; psychiatric illnesses, 16713
conduct disorder; oppositional defiant disorder; depression; comorbidity; symptomatology; dysthymic disorder, 25809
conscious memory; preconscious memory; health threatening stimuli; lexical decision; patients with somatoform vs depressive disorders, 25761
control mastery therapy; major depression; posttraumatic stress disorder, 13681
convergent validity; cognitive therapy; major depression; CORE-OM; CORE-SF; assessment & outcome measurement; measures of depression, 15448
coping behavior; anger; feelings; depression; youths, 34861
coping flexibility; neurasthenia; depressive patients; cognitive flexibility, 13624
coping strategies; depression; Turkish adolescents; gender; school type; grade level, 16727
coping; social support; functional disability; stress; elderly; depression; psychological factors, 22890
corticotropin releasing factor receptors; CRF agonist cortagine; anxiety; depression; receptor binding; drug interactions; neurophysiology, 9896
cost effectiveness; cost utility; tricyclic antidepressants; selective serotonin reuptake inhibitors; lofepramine; primary health care; depression, 19801
cost effectiveness; depression prevention; primary care patients; minimal contact psychotherapy, 19820
cost utility; depression; anxiety; brief therapy; cognitive behavioural therapy; quality of life, 19765
counsellor awareness; psychotherapeutic process; depressed clients; therapy outcome; therapists characteristics, 4880
counterfactual thinking; perceived control; depressive symptoms; undergraduate participants, 22971
cranial electrotherapy stimulation; safer alternative; psychopharmaceuticals; depression treatment; anxiety; treatment efficacy; side effects; safety factors, 5080
Creutzfeldt-Jakob disease; psychotic symptoms; depressive disorder; neurodegenerative disease; early clinical manifestation, 35303
cross cultural depression experience; immigrant populations; life stress, 10643
cueing; visual attention; emotional facial expressions; individual differences; anxiety; depression; cognitive processes; stress, 22927
curriculum development; long term care nurses; depression recognition; dementia, 33263
cytokine profiles; bipolar affective disorder; ill patients; immune system; mood disorders; major depression; bipolar mania, 13726
daily affective reactivity; depressive symptoms; predictive role; risk factor; daily stressful events; daily process method, 4318
dance movement therapy; emotional responses; neurohormones; mild depression; psychological health, 11443
Darwinian medicine; depression; evolutionary psychology; mood; social risk; mood disorders, 25848
dating; sexual activity; well being; Italian adolescents; gender differences; depression; adjustment, 22520
deliberate self harm; sociocultural dimensions; clinical diagnostic; psychiatric disorders; hospitals; major depression; substance use disorders, 26052
depressed adolescents; selective serotonin reuptake inhibitors; supportive psychotherapy; major depressive disorder; 5-year outcomes; relapse; comorbidity; treatment disengagement, 14331
depressed Chinese American patients; primary care physicians; attention to treatment, 7670
depressed future thinking; universal quantifiers, 10622
depressed individuals; mood; psychopathology; depression; cognitive processes, 29368
depressed mood; institutionalized schizophrenia patients; illness-related variables; functional variables; frequency of depression, 1397
depressed mood; risk factor; unprotected sex; young people; public mental health services, 34851
depressed mothers; happy expressions; infants; facial expressions; vocal expressions; habituation, 22960
depressed patients; bipolar II disorder; bipolar I disorder; second-generation antidepressants; hypomania; mania; mood stabilizers; switch rate, 23687
depressed patients; deliberate self-harm; depressive disorders, 1336
depressed patients; treatment adherence; drug therapy; relapse remission, 29674
depression care management; primary care; depression treatment, 26809
Depression Coping Self Efficacy Scale; test validity; depressed individuals; coping self efficacy; psychometrics; test reliability; treatment, 18569
depression diagnosis; antidepressant treatment; depressed primary care patients; veterans health administration, 28844
depression history; pain coping; daily diary methods; ecological momentary assessment; fibromyalgia, 20198
depression history; tetrabenazine treatment; hyperkinetic patients; predisposition; depression frequency; other adverse events; medical charts; preexisting history, 35614
Depression in the Medically Ill measure; test validity; depression; cardiac population; psychometrics; heart failure, 15451

depression; problem-solving appraisal; cognitive behavioral therapy; patients' self-perception, 32821
depression; psychiatric disorders; effective treatments; interventions; prevention, 23555
depression; public health concern; infant children; adolescent mental health; risk factor; maternal depression, 25860
depression; quality of life; women; Turners syndrome; chromosomes, 20344
depression; rheumatoid arthritis patients; demographic predictors; clinical predictors; psychological predictors; patients attitudes; medication, 26270
depression; rheumatoid arthritis; measurement; Center for Epidemiological Studies Depression Scale; test development; short-form version; test reliability; test validity, 21678
depression; schizophrenia; mind; embodiment; phenomenology; mind-body relationship, 8444
depression; school-based prevention; adolescent; randomized controlled trial; cognitive behavioral approaches; prevention, 17479
depression; self-esteem; anger; emerging adults; trajectories of change; demographic characteristics; parent child relations; social support; well being; employment; sex differences, 16170
depression; sex differences; polymorphism; serotonin transporter gene; environmental effects, 32121
depression; sexual functioning; minority women; sexual dysfunction; relationship satisfaction; quality of life; treatment adherence, 13620
depression; social contacts; sleep; cortisol response; cortisol awakening response, 4337
depression; social context; cognitive behavioral therapy; intellectual disabilities, 14414
depression; substance dependence; suicide attempters; drug dependence treatment; prognosis, 31974
depression; symptoms; personal experience, 25855
depression; thinking; cognition; emotions; Baganda; Uganda; etiology, 28850
depression; treatment compliance; primary care patients; health education, 32711
depression; treatment quality; primary care; patient perspectives; brief psychotherapy; medication, 28826
depression; treatment selection; clinical response; deep brain stimulation; treatment modality; functional neuroimaging; brain changes; cognitive-behavior therapy; pharmacotherapy, 26520
depression; treatment; disability; life satisfaction; community activities; treatment outcomes; symptoms; comorbidity; interdisciplinary treatment; psychotherapy; antidepressant drug therapy; aging, 14337
depression; treatment; schizophrenia, 32164
depression; welfare reform; welfare recipients; mental illness; labor force involvement; factors; inclusion, 28801
depression; well being; Black African immigrant women; mental health; culturally appropriate treatment, 16274
depression; women; heart disease; social role performance; spirituality; depressive symptoms; medical history, 32599
depressive disorder; hyperkinetic nondystonic movement disorder; modafinil induced reversible; drug induced movement disorder; antidepressant treatment, 26682
depressive disorders; cognitive behavioral therapy; nondirective supportive therapy; major depression; efficacy, 1950
depressive disorders; cognitive behavioral therapy; nondirective supportive therapy; major depression; efficacy, 1943
depressive disorders; cognitive behavioral therapy; nondirective supportive therapy; major depression; efficacy, 1946
depressive episode; myocardial infarction; worse cardiac failure; psychosocial characteristics; mortality rate; postinfarction outcome, 11029
Depressive Experiences Questionnaire; personality scales; depression severity; five factor model; attachment style; neediness; connectedness, 15462
depressive experiences; relationship; relational phenomenon; grounded theory, 16720
depressive illness; secondary depression; primary disorders; medical illness; psychiatric symptoms, 10632
depressive moods; index finger force; motor cortex stimulation; transcranial magnetic stimulation; motor processes; depressive symptoms, 19813
depressive personality traits; treatment outcome; major depression; group cognitive behavioral intervention, 34841
depressive prone bipolar disorder; initial mood episode; disease course; bipolar I systematic treatment enhancement program, 10652
depressive stimulus; depression proneness; cigarette smoking, 22994
depressive symptom profile; Parkinson's disease; elderly patients, 20252
depressive symptomatology; community sample; methylenedioxymethamphetamine users, 13959
depressive symptomatology; sex differences; individual differences; stress generation process; sociotropy; autonomy, 16732
depressive symptoms; academic achievement; intelligence; school children, 16204
depressive symptoms; adolescents attitudes; Sri Lanka; prevalence; behavioral correlates, 25882
depressive symptoms; African American; Whites; older adults; demographic variables; physical health constraints; psychosocial attributes; risk factors, 10640
depressive symptoms; Alzheimers disease; dementia; medical history, 1781
depressive symptoms; anger expression; attributions; child misbehavior; discipline, 25874
depressive symptoms; antiretroviral therapy use; HIV positive women; demographic features, 14159
depressive symptoms; caregiving; self efficacy; dementia; family caregivers; communities, 20256
depressive symptoms; cigarette smoking; workers, 13713
depressive symptoms; coping strategies; eating disordered; college women; problem-solving, 34811
depressive symptoms; diabetes; asthma; control related beliefs, 10971
depressive symptoms; elders; community; prevalence; risk factors, 10662
depressive symptoms; excessive reassurance; reassurance seeking; psychopathology, 7652
depressive symptoms; home care patients; informants, 1369
depressive symptoms; involuntary job loss; older workers; retirement, 32106
depressive symptoms; lung cancer patients; caregivers; optimism; pessimism; spouses, 1743
depressive symptoms; maternal depressed mood; infant emotional reaction; emotional state; dyadic interaction; mother infant relations, 16081
depressive symptoms; memory symptoms; spinocerebellar ataxia; neuropsychiatric symptoms, 34798
depressive symptoms; mental health functioning; repeat detoxification, 11669
depressive symptoms; negative prediction; future life events; optimistic bias; pessimistic bias, 19821
depressive symptoms; negative social interactions; perfectionism; avoidant coping; perceived social support, 19795
depressive symptoms; neuropsychiatric side effects; efavirenz; drug tolerance; depression history; neuropsychological symptoms; treatment adherence, 35605
depressive symptoms; physical & mental functioning; interferon/ribavirin treatment; posttransplant; hepatitis C; psychiatric comorbidity, 20678
depressive symptoms; pramipexole; bipolar depression; unipolar depression; antiparkinsonian agent, 20584
depressive symptoms; pregnancy; Selective Serotonin Reuptake Inhibitors; appetite change; weight gain trajectory, 29648
depressive symptoms; psychopathology; urban adolescents; cross cultural study; prosocial beliefs; comorbidity; risk perception; countries, 13733
depressive symptoms; psychosocial factors; medication adherence; cardiovascular disease, 14556
depressive symptoms; risk factors; gender differences; elderly persons; community, 10642
depressive symptoms; risk; incarcerated delinquent youth; stressful life events; parental support, 26161
depressive symptoms; schemas; sexual arousal; affect; sexually health women, 31692
depressive symptoms; self assessment; global health; reciprocal effects; chronic illness; functional disability; education; income; gender; race; age, 10644
depressive symptoms; self criticism; dependency; disease course, 13694
depressive symptoms; sleep disturbances; treatment adherence; HIV infection, 2170
depressive symptoms; social services; health services; elders; hospitalization; gender differences, 20775
depressive symptoms; temporal lobe epilepsy; heterogeneous neurological disorders, 35348
depressive symptoms; urban population; Russia; Poland; Czech Republic; prevalence, 19790
depressive symptoms; urinary-free cortisol; HIV-positive persons; spirituality; positive reappraisal coping, 29212
depressive violent rage; criminal responsibility; mental disorders; depressive disorder; mental impairment defense, 6181

detoxifying inpatients; substance-related disorders; major depressive disorder; illicit substances, 35987
developmental disabilities; depression in mothers, 22986
DEX/CRH; dexamethasone/corticotropin-releasing hormone test; major depression relapse; glucocorticoids; hypothalamic-pituitary-adrenocortical axis dysregulation, 19789
diabetes mellitus; major depression: comorbidity, 8042
diabetes patients; depression; additional support; exercise; symptoms, 29205
diagnosis; treatment; depressive disorders; genetic vulnerability; physiology; environmental factors, 22974
diagnostic criterion; psychotic features; Psychotic Depression; Study of the Pharmacotherapy of Psychotic Depression; treatment, 25823
dialogical sequence analysis; assimilation; psychotherapy; mild depression; brief therapy, 35527
diet; alpha-lactalbumin; memory; depressed patients; brain serotonin; cognitive dysfunctions, 25853
dieting; dietary restraint; bulimic symptoms; depressive symptoms; adolescent girls, 20629
digitalis intoxication; paroxetine; digoxin; drug co-administration; depression, 17552
disease susceptibility; brain-immune interactions; immune system; neuroendocrine system; major depressive disorders; autoimmune diseases; osteoporosis, 7587
disordered eating; body mass index; obsessionality; depression; self-esteem; college students, 35150
distress levels; surgical breast cancer patients; coping responses; optimism; pessimism; major depression, 14170
domestic abuse experiences; health clinic; depression; hopelessness; suicidality, 6212
dopamine transporters; serotonin reuptake inhibitors; dopamine neurotransmitter systems; major depression, 5071
dopaminergic based pharmacotherapies; depression; pro dopaminergic activity, 28851
dose response; adjunctive light therapy; citalopram; post-stroke depression, 29773
double blind; clinical trial; major depression; anxiolytic drugs; antidepressant activity, 13735
dual reuptake inhibition; antidepressant efficacy; duloxetine; noradrenaline; fluoxetine; depression, 20568
dualism; mind-body experience; mental disorders; phenomenological analysis; depression; schizophrenia, 8439
duloxetine; relapse prevention; major depressive disorder; serotonin reuptake inhibitor; efficacy; safety; tolerability; noradrenaline reuptake inhibitor, 19815
dysbetalipoproteinemia; tricyclic antidepressants; clomipramine; protease inhibitors; apolipoprotein-E2 homozygosity; major depression, 5053
dysfunctional attitudes; seasonal affective disorder; major depression, 28833
dysphoria; depression; attention; disengagement; inhibition; mood congruency; attentional bias; maintained attention; negative words, 7658
dysphoric adolescents; avoidance goals; motivation; schools, 16714
dysphoric responses; diathesis-stress model; hope; defense maturity; defensive hopelessness, 1374
early intervention; prevention; major depression; risk factors; children; adolescents; adults; elderly persons; methodology; sampling; research design; psychometrics, 23557
early intervention; self-help strategies; depression; anxiety; health care; symptoms; population, 13671
early morning wakening; age impact; hypersomnia; melancholia; young patients; bipolar depression, 13640
economic incentives; depression care; behavioral health; primary care providers; financial incentives; managed behavioral health organization, 26820
economics; depression; primary care; Oregon Medicaid program; physical health services; mental health services; CareOregon, 25873
economics; evidence based practice; depression care; primary care; organizational barriers; clinical practice, 26808
economics; integrated depression care; primary care initiative; financial systems; mental health, 26829
ego defense; depressive symptoms; cancer survival; adaptive styles; depression symptoms, 20666
elderly depressed patients; recovery; social functioning; integrative treatment; psychopharmacological therapy, 4910
electroconvulsive therapy; cystic fibrosis; depressive disorder; antibiotics, 19797
electroconvulsive therapy; depression; Parkinsons disease; brain stimulators; bilateral subthalamic nucleus; psychotic features, 8109
electroconvulsive therapy; depression; vagus nerve stimulation, 20619
electroconvulsive therapy; hereditary spinocerebellar degeneration; psychotic depression; catatonic stupor, 29713
electroconvulsive therapy; major depressive episodes; maintenance treatment, 2116
electroconvulsive therapy; medication resistant bipolar disorder; recurrent manic episodes; recurrent depressive episodes, 25891
electroconvulsive therapy; motor cortical excitability; depressive patients; anticonvulsant effects; neurotransmission; transcranial magnetic stimulation, 23732
electroconvulsive therapy; placebo; depression; treatment, 17560
electroconvulsive therapy; treatment; multiple system atrophy; major depression, 14528
electroencephalographic activity; vulnerability marker; anxiety; depression; anxiety symptoms, 15910
emotion regulation; maternal depression; anxious symptoms; parent child interactions; caregivers, 19144
emotion; depression; cognitive flexibility; Wisconsin Card Sorting Test, 31083
enduring effects; cognitive behavior therapy; depression; anxiety; psychosocial interventions; treatment termination, 11199
entrapment; shame; depression; carers; dementia; self criticism; responsibility; guilt, 20271
environmental influences; genetic influences; depressive symptoms; adolescence, 22980
epidemiology; major depression; Mexico; Mexican culture, 28861
episodic memory; autobiographical memory; depression; autonoetic consciousness; self perspective; early memories, 22968
episodic stress; chronic stress; exposure; reactivity; depression; sex differences; interpersonal domain; adolescents, 13737
escitalopram; depression; Alzheimer's disease; treatment; safety; effectiveness, 20608
escitalopram; selective serotonin reuptake inhibitor; major depression; Parkinson's disease; flexible dosage, 35459
etiology; child depression; major depressive disorder, 7667
evaluation; depression; primary care; stakeholders; executive decision makers; healthcare system; chronic illness care models; quality of care, 25888

executive function; depression; community dwelling; older adults; everyday activities; symptoms, 29370
factor structures; depression questionnaires; Beck Depression Inventory; Center for Epidemiological Studies Depression Scale; Hamilton Rating Scale for Depression; Zung Self-Rating Depression Scale, 12519
familism; burden; depressive symptoms; dementia; caregivers; Hispanics; culture; US; Spain, 14716
family factors; sociopsychopathological risk factors; suicide attempt; bulimia; eating disorder; depressed women, 25826
fatigue management; depressed patients; fatigue inducing antidepressants; serotonin activity; brain area; dopaminergic agents; cognitive interventions; residual symptoms, 2076
fatty acids; nutritional deficiencies; aggressive behavior; depressive disorders; neurotransmitter system; serotonin; docosahexaenoic acid; eicosapentaenoic acid, 25817
fibroblast growth factor system; mood disorders; neural plasticity; hippocampus; predisposition; brain development, 28864
first onsets; recurrences; depression; cognitive vulnerability, 13695
fluoxetine; adolescents; major depression; substance use disorder; clinical course; comorbid adolescents, 8371
fluoxetine; nortriptyline; symptoms; major depressive disorder; reuptake inhibitors, 20598
fluoxetine; prevention; relapse; major depression; drug tolerance; placebo; children, 5049
fluoxetine; prevention; relapse; major depression; drug tolerance; placebo; children, 5042
fluvoxamine; treatment; depression; anxiety disorders; cancer; outcomes, 8383
folic acid; depression; treatment supplement; antidepressant medication; dosage; maintenance treatment, 32888
Freud; paranoid delusions; repressed homosexuality; persecution; grandeur; depression; psychoanalysis; Schreber, 32858
frontal asymmetry; depression; excessive reassurance seeking; electroencephalography; gender, 29467
frontal dysfunction; depressive syndrome; Alzheimer disease; patients; glucose metabolism; brain, 32648
frontal electroencephalographic asymmetry; unipolar depression, 12957
frontal lobe; white matter; depression; symptoms; anisotropy; neural circuits, 16641
functional status; quality of life; major depression; depression severity, 25892
gamma aminobutyric acid concentrations; depressed patients; cognitive behavioral therapy; cerebral cortex, 13734
gender difference; depression; quality of life; primary brain tumor; psychosocial factors, 19726
gender differences; anger dimensions; depression; clinical sample, 19812
gender differences; depression; undergraduate students; Islamic countries, 32097
general health; well being; outpatients; bipolar disorders; major depression; quality of life; affective symptoms, 25871
general psychiatrists; patients' children; adult patients; major depressive disorder; preventive interventions; risk factors; funding, 35534
generalized anxiety disorder; stressful life events; risk factors; major depressive episodes, 25945
genetic epidemiologic perspective; comorbidity; depression; anxiety; family risk, 10619
genetics; self mutilation; depressed patients; protein; risk factor; personality correlates; sexual abuse, 13711
Geriatric Depression Scale; 15 item informant version; scale development; validation; psychometrics, 9389
Geriatric Depression Scale; factor analysis; depressive mood; community residents; nursing home residents; geriatric hospital patients, 12510
Geriatric Depression Scale; Minimum Data Set; primary care provider diagnosis; depression; rural nursing home; older adults; quality of life; prevalence, 1364
geriatric depression; detection; treatment barriers; risk reduction; somatic intervention; medical disorders; pharmacotherapy; exercise; electroconvulsive therapy, 10630
geriatric depression; detection; treatment barriers; risk reduction; somatic intervention, medical disorders, pharmacotherapy, exercise, electroconvulsive therapy, 10656
geriatric depression; drug therapy; antidepressants; psychotherapy; comorbidity; executive impairment, 1346
geriatric psychiatry; depression; comorbidity, 17408
glucocorticoid receptor; hypothalamic pituitary adrenal axis; cortisol; major depression; glucocorticoid resistance; antidepressants, 28115
glutamate; alanine; serine; major depression; amino acids, 28847
goserelin induced disorder; new onset depressive disorder; prostate cancer; diagnosis, 32111
group interpersonal psychotherapy intervention; depression; treatment outcomes, 29603
guideline-based care; depression; primary care; evidence based practice; health services, 25889
Hamilton Depression Rating Scale; psychometrics; clinical trials; construct validity; pharmaceutical companies; interactive voice response, 21682
Harold II; Battle of Hastings; holy war; helplessness; hopelessness; depression; loss of soul, 19319
health related quality of life; traumatized refugees; mental health; multidisciplinary treatment; symptoms; major depression; anxiety; posttraumatic stress disorder, 4871
health risks; depression; adolescent smoking; adolescent development, 13647
heart rate variability; depressed elderly; non depressed elderly; cardiac autonomic functioning; risk factor, 16736

help question; screening questions; diagnostic validity; diagnosis; depression; general practice; sensitivity; specificity, 9342
hemoglobin; depression; anxiety; cancer patients, 14174
hierarchy levels; sum score; worsening disability; depressive symptoms, 17198
high cholesterol; triglycerides; body mass index; suicide attempters; major depressive episode, 16843
high dose electroconvulsive therapy; major depression; elderly; treatment efficacy; cognition, 29712
high end specificity; childrens depression inventory; anxiety diordered youth; diagnostic criteria; depressive symptomatology, 78
hippocampal volume; cognitive deficits; electroconvulsive therapy; memory problems; older depressed patients, 14240
hippocampal volume; electroconvulsive therapy; older patients; depression, 4328
hippocampus; chromatin regulation; mouse model; depression; chronic imipramine; social defeat stress; gene expression, 34229
hippocampus; chromatin regulation; mouse model; depression; chronic imipramine; social defeat stress; gene expression, 34214
history of depression; smoking cessation; treatment outcome; abstinence rates; failure to quit smoking; study methodology; treatment characteristics; gender, 23963
HIV patients; depression prevalence; depression costs; quality of life; coping strategies; social support; health services use; social services use, 4699
home clinic program; private mental health facilities; mental health sufferers; major depression; registered nurses; professional guidance, 20839
homework; cognitive behavior therapy; depression; symptomatic outcome; adherence, 25894
homocysteine levels; methylenetetrahydrofolate reductase; genotypes; hyperintensities; major depressive disorder; late onset disorder; vascular pathology, 4317
homocysteine; folate metabolism; depression; folate deficiency; vitamin B12 deficiency; biochemical correlations; neurochemical correlations; clinical correlations, 10626
homocysteine; neuropsychiatric disorders; schizophrenia; major depression; bipolar disorder; folate deficiency; hyperhomocysteinemia; brain atrophy; nutritional etiologies, 10609
hope; coping strategies; family members; patients; obsessive-compulsive disorder; depressive symptoms; primary caregivers; spouses, 25938
hopeful thinking; participation; depressive symptoms; strokes; survivors; memory; disabilities, 29185
hopelessness; interpersonal stress; depressive symptoms; interpersonal addendum; stress, 1362
hopelessness; suicide ideation; depression; vulnerable prisoners; self harm, 7800
Hospital Anxiety and Depression Scale; Geriatric Depression Scale; Parkinson's disease; concurrent validity; screening; diagnosis; depression, 27634
Hospital Anxiety and Depression Scale; homeless; socially marginalized; psychometric properties; factor structure; psychological screening instrument, 27630
human cingulate amygdala interactions; genetic susceptibility; depression; polymorphism; serotonin transporter gene, 4331
hypericum induced mood disorder; depression; mixed episodes; hospitalization; suicidal risk, 28809
hypothyroidism; major depression; cognitive disorders; symptoms; anxiety, 25756
ideographic autobiographical memories; major depressive disorder; paradigmatic techniques, 13732
immature dependence; self criticism; major depression; unipolar depression; recurrence; prediction, 22972
Impact on Family Scale; tic disorders; family functioning; tic severity; comorbid symptomology; depressive symptoms; psychometrics, 1837
impaired cortical inhibition; patients; unipolar major depression; gamma aminobutyric acid; neurotransmission; transcranial magnetic stimulation, 16706
impaired working memory; major depression; patients; cognitive dysfunction, 13731
implicit self-esteem; depression; cognitions; etiology, 25857
improved detection; pharmacotherapy; major depression; psychiatric outpatient care; Finland; diagnosis; quality of care, 32927
incarcerated mothers; mother child relations; family relationships; depressive symptoms; relationship disconnection; trauma; incarceration, mothers, depression; children, 2393
incentive payments; attendance; depression; therapy appointments; African Americans; low income, 20456
incidence; risk factors; depression; anxiety disorders; Swedish cohort study, 4309
inflammatory markers; natural killer cell activity; major depressive disorder, 16728
initial treatment approaches; remission; depression; functional status; pathophysiologic changes, 25869
insomnia; nightmares; dreams; sleep; depression; suicidality; sleep disturbances, 16614
insomnia; risk factors; depression; elderly, 20187
integration; cognitive behavioral therapy; depression; positive psychology; intervention, 28748
intentional forgetting; rumination; depression memory; bias; emotional material; cue words, 4325
interaction styles; depressed mothers; infants; electroencephalography; neurotransmitters; intrusive mothers; withdrawn mothers, 16716
interictal anxiety; depression symptoms; epilepsy, 35286
interleukin 6; major depressive disorder; genetic variant; genotype; polymorphism; susceptibility; Chinese, 7656
internalizing symptoms; interpersonal problem solving; interpersonal conflict; internalizing symptoms; close relationships; family conflict; depression; anxiety symptoms; negative problem orientation, 1429
Internet addiction; Korean adolescents; depression; suicidal ideation; psychological health problems, 22926
Internet based depression prevention; primary care intervention; adolescents; risk factors, 5288
interpersonal characteristics; interactionist interpersonal therapy; anxiety; depression; recovery, 17457
interpersonal factors; late-life depression; social relations; family relations; recovery; risk factors; interventions, 10639
interpersonal factors; late-life depression; social relations; family relations; recovery; risk factors; interventions, 10654
interpersonal psychotherapy; depressed women; childhood sexual abuse histories; trauma; community mental health center, 11304
interpersonal psychotherapy; elderly patients; primary care; major depressive disorder; general practitioner care; effectiveness, 35833
interpersonal psychotherapy; major depression; medical patients, 26742
interpersonal sensitivity; romantic stress; depression; minority adolescent girls, 34428
interpersonal theory; music therapy techniques; family; depressed adolescent; interpersonal psychotherapy; major depression, 2129
intimate partner violence; depression; pregnancy; physical abuse; domestic violence; mental health, 13914
intimate partner violence; depressive symptoms; African American women, 4524
intimate partner violence; depressive symptoms; coping strategies; sexual assault; police reactions, 13924
intravenous mirtazapine; depressed inpatients; antidepressants; therapeutic efficacy; tolerability; safety, 32917
intrusion; avoidance; cognitive coping strategies; war; posttraumatic stress reactions; depressive symptoms, 22928
John Nash; male melancholia; honor; hope; humor; male religiousness, 28634
ketamine anesthesia; word recall; electroconvulsive therapies; etomidate; major depression; short term memory, 29702
ketamine; anesthesia; ECT; antidepressant effects; major depression, 5063
Korean elderly immigrants; depressive symptoms; risk factors; psychosocial factors; somatic manifestation; social support, 29330
lamotrigine induced mania; severe manic switch; male patient; psychotic depressive episode, 28789
Las Comadres; adult day care centers; perceived impact; socialization; mental wellness; alleviating depression; Mexican Americans; stress; aging, 14707
late life depression; comorbidity; medical illness; risk factors; neurodegenerative diseases; rehabilitation; psychoeducation; early intervention; hyperlipidemia; diabetes; hypothyroidism, 1293
late life depression; prevention; medical illnesses; risk factors; illness management; intervention, 22963
late onset depression; neuroradiological abnormalities; vascular risk factors; hypertension, 13742
late-life depression; psychosocial adversity; heredity factors; medical comorbidity; diagnosis; epidemiology; pathophysiology; prevention; management; care delivery; elderly people, 1365
late-life depression; vascular; African American; activity limitations, 16658
latent class analysis; anxiety disorder; depressive disorder; Youth Self-Report; young adolescents, 18577
latent class analysis; anxiety symptoms; depressive symptoms; referred adolescents, 7612
Latino mental health; depression prevention and treatment; smoking cessation; cognitive-behavioral therapy; evidence-based treatments; ethnic minority populations; treatment manuals, 4908
leaders; followers; adolescent close friendships; adolescents' susceptibility to peer influence; autonomy development; risky behavior; friendship instability; depression; psychosocial functioning, 16705
learning disabilities; depression; students; risk factors, 14041
leptin; cortisol; comorbidity; major depression; anxiety disorders; chronic stress, 13631
life events; depression onset; serotonin transporter gene; 5-HTTLPR, 25897
life satisfaction; depressive symptoms; elderly women; natural killer cell number; cytotoxicity; psychological factors, 7120
light therapy; nonseasonal depression; seasonal depression; treatment efficacy; side effects; treatment protocol, 2115
linear regression model; general practitioners; decision making; matching heuristic model; depression; medication; cues; prescribing, 20613
loneliness; depression; social support; stress; hostility; demographic characteristics; aging, 16709
loneliness; depressive symptoms; perceived togetherness; older people, 4338
long term depression; long term potentiation; rats; development; visual experience; perirhinal cortex; visual memory; synaptic plasticity, 22184
long term treatment; severe depression; antidepressant antidepressant pharmacotherapy; suicide attempts; seriousness; electroconvulsive therapy, 16707
longitudinal trajectories; self system processes; depressive symptoms; maltreated children; self esteem, 23111
lorazepam; diazepam; catatonic features; major depression; schizophrenia; intramuscular injection, 25868
low dose oral selegiline; severe refractory depression; antidepressant medication, 16719
magnetic resonance spectroscopy; anterior cingulate glutamate; pediatric major depression; major depressive disorder; pathogenesis, 10655
maintenance phases; antidepressant treatment; depression; life long maintenance treatment; acute phase; continuation phase, 5059
maintenance therapy; maintenance paroxetine; major depression; elderly patients; monthly interpersonal psychotherapy, 26490
maintenance therapy; maintenance paroxetine; major depression; elderly patients; monthly interpersonal psychotherapy, 26473
maintenance therapy; maintenance paroxetine; major depression; elderly patients; monthly interpersonal psychotherapy, 26494
Major Depression with psychotic features; pharmacologic treatment; antidepressants; antipsychotics, 26655
Major depression with psychotic features; symptoms; differentiating; diagnosing, 25835
major depression; activity of daily living; motor function; Parkinson disease, 35298
major depression; activity of daily living; motor function; Parkinson disease, 35301
major depression; activity of daily living; motor function; Parkinson disease, 4777
major depression; awakening cortisol response; hypothalamus hypopituitary adrenal axis; psychotherapy, 28837
major depression; carotid artery; late-onset major depression; intima medium thickness; white matter hyperintensities; magnetic resonance imaging; elderly patients, 13699
major depression; childhood; adolescence; depression onset; psychiatric outcome, 25859
major depression; cognitive deficits; traumatic brain injury; memory; attention; executive functioning, 17272
major depression; female urinary incontinence; illness comorbidity, 16656
major depression; generalised anxiety disorder; ruminative thinking; worry, 6554
major depression; memantine; antidepressant effects; N methyl D aspartate antagonist, 22997
major depression; mental illness; Medicare Part D program; program comprehension, 29888

major depression; minor depression; older medical inpatients; chronic heart pulmonary disease; congestive heart failure, 32002
major depression; panic disorder; psychiatric disorders; childhood; adolescence; psychopathology, 31976
major depression; pathophysiologies; hypothalamic pituitary adrenal axis; neurobiological alteration; sleep alterations, 16623
major depression; pathophysiologies; hypothalamic pituitary adrenal axis; neurobiological alteration; sleep alterations, 16608
major depression; patient beliefs; diagnostic subtype, 32122
major depression; relationship discord; moderator; moderation, 16735
major depression; research developments; controversies; epidemiology; treatment; antidepressants use; psychotherapy, 10631
major depression; substance use disorder; clinical evaluations; cannabis dependence; comorbid depression; adolescents, 7583
major depression; transition to adulthood; young adult functioning; past depression; recurrence; chronic course of illness, 28852
major depression; traumatic brain injury; older adults; psychosocial outcome, 23464
major depressive disorder; Alzheimer's disease; apolipoprotein E; polymorphisms; alleles, 13622
major depressive disorder; coronary heart disease; emotional distress; risk factors; demographic characteristics; early age at initial diagnosis, 14179
major depressive disorder; depression; cardiovascular disease; antidepressant treatment; serotonin reuptake inhibitors, 28779
major depressive disorder; DSM IV symptom criteria; psychometric evaluation; diagnosis, 19814
major depressive disorder; electroconvulsive therapy; depressed inpatients, 14526
major depressive disorder; insomnia; risk factors; psychiatric comorbidity; developmental differences; sex differences; age differences; sleep macroarchitecture, 34789
major depressive disorder; premorbid history; Alzheimer's disease; risk factor; clinical course, 16684
major depressive disorder; single nucleotide polymorphisms; arrayed primer extension; genotyping; haplotype analysis; mood disorders, 16723
major depressive disorder; symptoms; remission; efficacious therapies, 25849
major depressive disorders; general hospital; guidelines; clinical practice; medical residents; treatment recognition, 25878
major depressive episode; anxiety disorders; anorexics; bulimics; comorbidity; subject variables, 20126
male depressive syndrome; gender differences; major depressive disorder, 32099
male depressive syndrome; gender differences; major depressive disorder, 32123
manganese superoxide dismutase; gene polymorphism; mood disorders; major depressive disorder; genotypes, 34870
manic disorder; bipolar depression; bipolar disorder; depressive mood states; diagnostic issues; co-morbid disorder, 1376
marijuana use; depression; adults; causal associations, 35036
marital hostility; parental depression; youth maladjustment; parenting behaviors, 19455
married mastectomy patients; anxiety; depression; breast cancer, 2158
maternal depression; behavior problems; affect regulation; psychophysiology; parent-child interaction; childhood-onset depression; child frontal electroencephalogram asymmetry, 7571
maternal depression; child outcomes; child welfare; child general health; social isolation; policy; effective intervention; childhood risk, 4329
maternal depression; emotion regulation strategies; gender difference; childhood-onset depression, 7664
maternal depression; emotion regulation; child internalizing problems; children, 13738
maternal depression; intervention programs; infant reactions; high risk motherhood; mother infant interactions; socioemotional development; infant development, 22987
maternal depression; parenting behaviors; adolescents; psychological functioning; Romania, 22981
maternal depression; risk factor; environmental adversity; genetic factors; twin; mothers; offspring; familial transmission, 4333
maternal depressive symptoms; child awakenings; duration; frequency; child sleep; age periods; mutual influence, 16739
maternal depressive symptoms; relationship satisfaction; verbal behavior; social cognitive analysis; interpersonal relationships; Attention Deficit Hyperactivity Disorder, 16733
mattering; suicide ideation; adolescents; self esteem; depression, 10766
medical disorders; depression; treatment; drug treatment; cognitive impairment; elderly patients, 2040
medical management; depression; medications; drug safety & efficacy, 22964
medical management; depression; medications; nefazodone; adverse effects; hepatotoxicity, 22970
medical management; depression; medications; thyroid hormone supplements, 22959
medicalizing melancholia; psychiatric professionalization; mental illness; medical expert; diagnosis; neurasthenia, 13637
medication nonadherence; substance abuse; psychosis; depressive symptoms; social stability, 5048
medications use; psychiatric medications; depressive disorders treatment; African American women; gender differences; racial ethnic differences; metabolism, 29662
Melanie Klein; repression; depressive position; paranoid schizoid position, 13626
memory deficits; hippocampus; major depression; 5-hydroxytryptamine; neural network simulation; neuropharmacology, 19729
memory facets; autobiographical memory; adolescents; major depressive disorder; never depressed controls; memory retrieval, 22966
mens experiences; hidden depression; emotional distress, 1352
mental health care services; older adults; depression; mental health problems, 16712
mental health problems; self help interventions; psychological therapy; non-guided self help manual; anxiety; depression; primary care setting, 1872
mental health providers; expertise; treatment; perinatal depression; clinicians training; community services; mental health care, 20794
mental health services; depression treatment; primary care; early intervention; posttraumatic stress disorders, 19928
mental health services; depression; grounded theory; family; adolescent psychiatry, 2242
mental health services; depressive disorders; anxiety disorders; frequency; patterns; adolescent development, 10607
mental health services; primary care patient; patients satisfaction; older adults, 20746
mental health treatment; personality disorders; schizotypal disorders; obsessive compulsive disorders; major depression, 16661
mental health; Chinese American urban adolescents; violence exposure; depression; posttraumatic stress disorder, 25832
mental health; Muslims; United States; anxiety; depression; Arab countries, 29736
mental illness; major depressive disorders; inpatient treatment; treatment outcomes, 16638
mental state decoding; dysphoric college students; theory of mind; emotional states, 10638
methodological issues; eligibility criteria; acute treatment; combination pharmacologic treatment; trial duration; Study of the Treatment of Psychotic Depression; STOP-PD study, 24703
methylphenidate-enhanced antidepressant response; citalopram; elderly depressed patients; antidepressant response; major depression, 14498
mice; mutations; symptoms; depression; hypothalamic pituitary adrenocortical system; gene activity, 28052
middle aged women; eating disorder symptoms; anxious symptoms; depressive symptoms; bulimotypic indicators; self esteem; weight status; perfectionism, 20140
migraine; depression; perfectionism, 10467
mild cognitive impairment; Alzheimer type dementia; major depression; cerebrospinal fluid; soluble amyloid precursor protein, 23461
mild traumatic brain injury; recovery; depression; pain; symptoms, 8156
military veterans; armed forces personnel; Afghanistan; Iraq; posttraumatic stress disorder; depression; mental health professionals; families; war; combat, 19893
Millon Adolescent Clinical Inventory; male juvenile offenders; somatic complaints; depressive disorders; behaviorally disruptive adolescents, 1286
milnacipran; depressive state; Alzheimers disease; noradrenaline reuptake inhibitor; serotonin reuptake inhibitor; treatment efficacy, 35685
minor depression; major depressive disorder; onset, 13706
minority issues; cultural issues; late-life depression; cultural competence; psychosocial assessment tools, 10628
misdiagnosis; persistent postconcussion syndrome; depression patients, 32108
modafinil augmentation; SSRI therapy; major depressive disorder; excessive sleepiness; fatigue; suicide; leukopenia; neutropenia; treatment efficacy, 25895
modafinil augmentation; SSRI therapy; major depressive disorder; excessive sleepiness; fatigue; suicide; leukopenia; neutropenia; treatment efficacy, 25852
monoamine oxidase inhibitor; selegiline transdermal system; hypertensive reactions; tyramine, 26694
monosymptomatic delusional disorder; treatment implications; delusion of poverty; diagnosis; antidepressants; drug therapy; depression, 19780
monotherapy; reboxetine; amphetamine; withdrawal syndrome; major depression; noradrenaline reuptake inhibitor; serotonin; drug abuse; drug rehabilitation, 35966
monozygotic twin differences; depressive symptoms; nonshared environmental influence; negative life events, 7660
Montgomery Asberg Depression Rating Scale; interactive voice response; test reliability; test validity; depression; clinical trials, 12509
Mood and Feelings Questionnaire; depression; juvenile justice; screening, 91
mood congruent memory; dysphoria; incidental memory; intentional memory; biases; state affect; cognitive style, 34855
mood disorders; depressive illness; assessment importance, 10629
mood disorders; impulsivity; neuropsychology; depression; children; adolescents; age differences; executive functions; behavior, 1354
mood disorders; major depression; psychophysiology; emotional states; cognitive complexity; language processing; semantic processing, 13704
multiple sclerosis; depressive symptoms; affective memory biases; verbal encoding; memory, 11050
National Institute for Clinical Excellence guidelines; depression; cognitive behavior therapy; childhood development; adolescents development, 21067
National Institute of Mental Health trials; collaborative care models; depression treatment; primary care; evidence-based care, 20771
naturalistic outcome; cognitive-behavior therapy; anxious depressed outpatients; pharmacotherapy; effectiveness, 25884
naturalistic study; repetitive transcranial magnetic stimulation; treatment of depressive relapse, 32937
negative mood regulation expectancies; self-efficacy beliefs; locus of control orientation; depression; therapeutic changes; cognitive behavior therapy, 26599
neighborhoods; depression; risk factors; housing; stress, 34854
neural systems; positive affect; child depression; adolescent depression, 10634
neuroacanthocytosis; neurological disease; sudden flexion movements; seizures; chorieform movement; depression; personality changes; cognitive deterioration; neuropathy, 34818
neurocognitive impairment; euthymic young adults; bipolar spectrum disorder; major depressive disorder, 13739
neuroimaging techniques; addictions; schizophrenia; depression; antipsychotic drugs; Arab patients; alcohol dependence, 32054
neuropsychiatric disturbances; Parkinsons disease; dementia prevalence; major depression, 4747
neuropsychiatry; selegiline transdermal; major depression; amyotrophic lateral sclerosis; proteins; cognitive performance; sertraline; obsessive compulsive disorder; steroids; aggression, 22873
neurostimulatory techniques; resistant depression; treatment effectiveness evaluation, 25856
neurotrophic factors; depression; polymorphism; dexamethasone CRH test; hypothalamic pituitary adrenocortical systems; pathophysiology, 31220

neurotrophic model; stress; mood disorders; antidepressant treatment; depression; brain; clinical neuroimaging, 28021
newborns; depressed mothers; moderate pressure massage; pregnancy; light pressure massage; neonatal behaviors, 22954
news stories; antidepressants; major depression; suicidal thoughts; health care services, 28805
nicotine dependence; depression proneness; posttraumatic stress disorder symptoms; sex differences; smokers, 13841
nonpharmacological treatment; psychiatric medications; consumer advertisements; antidepressants; selective serotonin reuptake inhibitors; scientific evidence, 14338
nonseasonal major depression; bright light therapy; adjunct therapy; antidepressant treatment; treatment efficacy, 5085
nonviolent interparental conflict; childhood; mental health; major depressive disorder; alcohol abuse; alcohol dependency; mediating factors; young adults, 13344
nurses; recognition; depression; registration; anxiety; diabetes mellitus; emotional problems; outpatients, 14681
nursing management; nursing intervention; depression; pregnancy; infant development; mothers; drug therapy; nonpharmacologic therapy; drug safety; antidepressant medication, 17546
obesity; depressive symptoms; comorbidity; active duty military personnel; underweight; sex differences, 16630
obesity; depressive symptoms; comorbidity; body mass index; sex differences; epidemiology; elderly, 17109
older Australians; anxiety disorders; depression; prevalence, 28807
Omega-3 fatty acids; pharmacologic monotherapy; childhood depression; therapeutic benefits, 29676
Omega-3 polyunsaturated essential fatty acid; suicidal behaviors; major depression; risk assessment, 28863
optimal duration; short-term antidepressant trial; treatment; geriatric depression; early improvement; major depression, 20600
oral contraceptives; mood; women; premenstrual dysphoria, 19802
pain; depression; personality; neuroticism; older primary care patients, 28731
pain; depression; symptoms; diagnosis, 25885
parent child cultural marginalization; adolescent depressive symptoms; Asian Americans; family members, 16258
parent child relations; parenting; negative life events; cognitive diatheses; depression; childhood development; attribution, 28823
parental attachment; self worth; depressive symptoms; adults; mothers; relationship, 16342
parental conflict; parent-child relationship quality; child internalizing problems; child anxiety; child depression; European American; African American, 32093
parental domestic violence; depressive symptoms; Filipino adolescents; public health problems; developing world, 34792
parental physical child-abuse risk; children's attributional style; children's depression symptomatology; children's anxiety symptomatology, 19777
parental rejection; family relations history; depressive symptoms; older rural adults; life span; integenerational affection, 7665
parenting behaviors; children depressive symptoms; supportive positive behavior; harsh negative behavior, 22682
parenting processes; cultural differences; adolescent development; anxiety; depression; developmental periods, 32092
Parkinson's disease; Fatigue Impact Scale for Daily Use; depression; health-related quality of life; amantadine; disability, 27651
Parkinson's disease; L-Dopa; subthalamic stimulation; depressive symptoms; hedonic tone; electric stimulation, 35372
Parkinson's disease; major depression; prevalence; brain stimulation, 17309
Parkinsons Disease; psychiatric comorbidity; depression, 1836
paroxetine; galactorrhoea, 2062
paternal depression; symptoms; risks; family effects, 34874
patient experiences; anxiety; depression; acute pain; surgery, 2153
Patient Health Questionnaire 9; psychopharmacological depression treatment; sertraline, 12537
patient self management; primary care treatment; depression; chronic illness care model, 25850
pediatric and adolescent depression; antidepressants; psychotherapy; cognitive behavior therapy; pediatric and adolescent emotional behavioral disorders; serotonin reuptake inhibitors, 8368
pediatric depression; antidepressant drugs; fluoxetine; drug efficacy; side effects, 17538
peer assessment; manifestations of depression; person perception; personality judgment; Electronically Activated Recorder; cues, 32114
peer contribution; deviant peer affiliation; monthly variation; depressed mood; age; gender; high risk adolescents, 16711
peer relations; friendships; depression; adolescent girls; depression vulnerability; reassurance seeking; gender differences, 3867
perceptions; depression; depressive experiences; beliefs; recovery; recovered-depressed; never-depressed, 22995
Performance IQ; Verbal IQ; WAIS-III; test performance; major depression; intellectual functioning, 34862
pergolide; adjuvant therapy; amisulpride; negative symptoms; depressive symptoms; paranoid schizophrenia, 25923
perinatal depressed mood; race; ethnicity; risk factor; pregnancy; early postpartum period; racial differences, 22984
perinatal depression; Japanese women; antenatal depression; epidemiology; pregnancy; risk factor, 28841
personality change; psychotherapy; personality pathology; borderline personality disorder; Shedler Westen Assessment Procedure; efficacy of psychotherapy, 13862
personality development; FFM; depression; personality stability; treatment outcomes; personality continuity; drug therapy; psychotherapy; interdisciplinary treatment; personality change, 17386
personality disorder symptoms; depression; interpersonal stress; adolescents, 32212
Personality disorder traits; unipolar depression; risk factors; middle adulthood, 1442
personality disorder; depression outcome, 13724
personality trait; harm avoidance; late life depression; community patients; aging, 16710
personality traits; depression; bipolar disorder; disorder onset; mood disorder; manic episode; risk factors, 25805
personality traits; risk factors; anxiety; depression, 13555
pervasive refusal syndrome; depressive devitalization; asylum seeking children, 34843
pharmacologic antidepressant treatment response; cognitive impairment; executive functioning; neuropsychological measures; multiple sclerosis; cognitive behavior therapy; group psychotherapy, 34865
pharmacologic management; depression; remission; antidepressants; anxiety disorders; primary care, 32887
pharmacological management; teenager; significant alcohol use; depression; medical management, 32737
physical activity; depressive symptoms; older Japanese adults, 32124
physical health; depressive symptoms; cross-national differences; later life, 1351
plasma concentrations; cytokines; depressive state; lymphocyte proliferative responses; anxiety state; bulimia nervosa; immunological dysfunction, 14074
police officers; suicide; suicide prevention; practical intervention; burnout; depression, 4447
polymorphism; Alzheimers disease; transcription factor; genes; chromosome 12; apolipoproteins; major depression, 32028
polymorphism; neuropeptide Y gene; schizophrenia; unipolar depression; panic disorder, 13676
polypill; diabetes; risk factors; genes; glucose monitoring; comorbidity; depression; antidepressant drugs; surgery, 29190
population growth; older adults; quality psychological services; treatment; late-life depression, 10184
Porsolt Forced Swim Test model; epi-inositol; depression; immobility; swimming; struggle time; rats, 678
positive affect; physical health; anxiety; depression; hostility; risk factors; mortality; pain, 25628
post stroke mania; major depression; cerebral infarction; functional imbalance; left frontotemporal hyperperfusion; orbitofrontal cortices, 1755
post-acute dispositions; older adults; depression; psychiatric hospitalizations; psychiatric rehospitalization, 35938
posterior cortical atrophy; depressive symptoms; atypical dementive syndrome, 25799
postnatal depression; social support; low income country; risk factors; prevalence; social correlates, 28839
postnatal period; depression; perinatal period; parents, 22992
postpartum depression; child delivery; depression; delivering women; attempted suicide; family members, 4330
posttraumatic stress disorder; acute stress disorder; cancer; anxiety; depression, 4711
posttraumatic stress disorder; depression; people living with HIV; medication adherence; HIV disease markers; antiretroviral therapy, 29211
posttraumatic stress disorder; major depression; duloxetine; olanzapine; antidepressants; electroconvulsive therapy, 29407
posttraumatic stress; depressive symptoms; alcohol use; traumatic life events; hospitalized injured adolescents; parents, 25801
practice; dysphoria; negative material; recall, 16725
predictors; attributional style; behavior change; vulnerability; depression; life experiences; hopelessness, 28280
preexisting depression; cerebrovascular health outcomes; geriatric continuing care; cardiovascular risk factors; stroke, 4727
pregnancy; major depression; antidepressant treatment; relapse, 29652
pregnancy; major depression; antidepressant treatment; relapse, 29696
pregnancy; major depression; antidepressant treatment; relapse; litihum; bipolar disorder, 29695
pregnancy; major depression; antidepressant treatment; relapse; therapy reintroduction, 29682
pregnant smokers; depressive disorders; smoking cessation; major depressive disorder; smoking reduction; dysthymia, 32101
pregnant women; postpartum women; depression screening; community based visiting nurse program, 13723
prenatal alcohol exposure; postnatal environment; maternal drinking patterns; family interaction; child characteristics; child depression, 16986
prenatal depression; fetus; newborn; prenatal growth; prematurity; low birthweight; depressed mothers; dopamine; serotonin, 25862
prepulse inhibition; habituation; acoustic startle response; suicidal depressive patients; psychotic symptoms; biological markers; serotonin deficit, 22978
prescribing antidepressants; major depression; acute care services; inpatient setting; length of stay, 35602
prescribing principles; selective serotonin reuptake inhibitors; serotonin-norepinephrine reuptake inhibitors; treatment choices; unipolar late life depression; suicide risk, 20569
prescription drug; depressive disorder; psychotropics; socioeconomic characteristics; pocket payment; drug purchase, 8438
preterm infants; stress; coping strategies; mothers; depression, 34868
prevalence; major depression; college students; alcohol-related problems, 19700
prevention; depression; young people; risk factors; mental health promotion; public health; social well being; emotional well being, 23566
private health insurance; Medicare; risk factor; depressive symptoms; stress; older married couples; race differences; Whites; non-Hispanic Whites; African Americans, 1371
problem gambling; youth problem gamblers; risk factors; hopelessness; adolescents; suicide ideation; major depression; clinicians, 4470
prognosis; depression; antidepressant; outpatients; nefazodone; gender; living status; illness features, 8412
prolonged confusional state; electroconvulsive therapy; diagnostic clues; serial electroencephalography; pharmacotherapy-resistant depression, 26715
prolonged confusional state; electroconvulsive therapy; diagnostic clues; serial electroencephalography; pharmacotherapy-resistant depression, 26712
prospective test; hopelessness theory; depression; children; attributional styles; negative life events, 22955
psychiatric history; pain reports; rheumatoid arthritis; major depression; antidepressant medication, 29183
psychiatric outpatients; suicidal ideation; major depression; Finland, 7819
psychiatry; knowledge; power; depression treatment; Osheroff debate, 26478
psychiatry; knowledge; power; depression treatment; Osheroff debate, 26493
psychiatry; knowledge; power; depression treatment; Osheroff debate, 8253

psychiatry; psychotic illnesses; cognitive decline; Alzheimer disease; major depressive disorder; genetics; posttraumatic stress disorder; treatment, 16605
psychodynamic treatment; depression; concurrent treatments, 8271
psychodynamically oriented treatment; concomitant borderline personality disorder; posttraumatic stress disorder; trauma-focused inpatient treatment; women; self-mutilating behavior; depression, 26938
psychological adaptation; posttraumatic stress disorder; depression; adult attachment behavior; terrorist attacks; high exposure survivors; individual differences; September 11, 16668
psychological factors; breast cancer; incidence; risk factors; depression; epidemiology; depression; personality traits; illness attitudes; life events; health history, 4702
psychometric evaluation; Self Report Depression Questionnaire; mental retardation; test reliability; test validity, 9391
psychometric principles; Hamilton Depression Rating Scale; scale evaluation, 6324
psychometric properties; generalized anxiety disorder; Beck Depression Inventory; inventory evaluation; non elderly adult patients, 111
psychosocial burden; infertility; assisted reproduction; depression; anxiety; conflict resolution; sexual relationship; communication, 16649
psychosocial functioning; major depression; antidepressant medications; psychotherapy; Medicaid recipients, 32743
psychosocial health; postnatal period; postpartum depression; husbands; wives; sex differences; marital relations; stress; social support; parity; self esteem, 16350
psychosocial stress; major psychiatric disorders; mental illnesses, 8011
psychosocial treatment; depression; older adults; dementia; evidence-based clinical care, 11291
psychosocial treatment; depression; older adults; dementia; evidence-based clinical care, 11305
psychosocial treatments; major depression; dysthymia; older adults; counseling services; suicide, 19822
psychosocial view; anxiety; depression; epilepsy; neuroepilepsy; psychological variables, 14201
psychotherapeutic process and outcome; major depression treatment; emotions; perception; working alliance; experiential psychotherapy; perceptual processing, 4958
psychotherapy interventions; internalizing disorders; empirical support; treatment approaches; anxiety; depression, 19775
psychotherapy; emotion; personality disturbance; chronic depression; obsessive compulsive disorder; emotional experiences, 23600
psychotic depression; official diagnostic criteria; clinical experience; treatment, 27020
psychotic disorders; duloxetine treatment; major depressive episodes; suicide; antipsychotic treatment; clozapine; amisulpride, 25846
psychotic features; major depressive episode; ribavirin treatment; pegylated interferon alpha 2b treatment; hepatitis C, 2087
psychotropic medication use; personality disorder; long term dynamic psychotherapy; depression, 14311
psychotropic medication; electroconvulsive therapy; severe depression; antidepressant pharmacotherapy; outpatients, 28855
public health problem; major depression; epidemiology; primary mental health prevention; mental disorder, 34872
Puerto Ricans; depression; acculturation; mental health, 13730
quality of life; chronic obstructive pulmonary disease patients; comorbidity; anxiety; depression, 31983
quality of life; coping behavior; depression; adults; HIV; AIDS, 32572
quality of life; depression; police officers; Taiwan; job stress; work disability; risk factors, 24540
rabies; differential diagnosis; depression; absence of dog bite, 35345
Real Men Real Depression campaign; marketing; National Institute of Mental Health; NIMH; help-seeking attitudes; gender-role conflict, 17412
reboxetine; Parkinson's disease patients; major depressive episode; treatment, 14509
receptor binding potential; major depressive episode; treatment response; serotonin reuptake inhibitors; positron emission tomography; genotype; polymorphism, 34871
recovery; depression; general population, 13745
recreational ecstasy; serotonergic axons; brain; depression; drug usage, 19713
relationship satisfaction; depression; romantic stress, 11256
religious coping; suicidal behaviors; risk factors; African American adolescents; hopelessness; high school students; depression, 32284
religious involvement; gender differences; major depression; church attendance, 22973
repetitive transcranial magnetic stimulation; electroconvulsive therapy; depressive patients; motor cortical excitability; dorsolateral prefrontal cortex; therapeutic interventions; major depression, 11423
repetitive transcranial magnetic stimulation; panic disorder; comorbid depression; myocardial infarction, 26531
repetitive transcranial magnetic stimulation; serum brain derived neurotrophic factor; drug resistance; depressed patients, 13749
research assessment; treatment study; assessment instruments; psychotic features; depressive symptoms; psychotic depression; Study of the Pharmacotherapy of Psychotic Depression, 25813
residential care homes; depressive symptoms; care staff training; treatment; detection of depression; training programme, 14361
residual symptoms; pharmacological approaches; treatment emergent side effects, 25861
respiratory depression; Symbayax; overdose; binge drinking; depression; olanzapine; fluoxetine, 20582
response predictors; coping behavior; depression; older adults; community mental health; mental health services, 35871
retirement; grandchild care; depressive symptoms; grandparents; well being, 13743
ribonucleic acid; serotonin; learned helplessness rats; major depression; pathophysiology; fluoxetine treatment, 3574
risk factors; chronic schizophrenia; substance abuse; suicidality; major depression; hopelessness, 13775
risk factors; conduct problems; depressive symptoms; Ukrainian children; mother child communication; attention problems; marital satisfaction; maternal characteristics, 22918
risk factors; migraine; chronic daily headache; out patients; major depressive disorder; comorbidity, 4323
risk factors; stress; pregnant women; gestational age; depression; prenatal clinics, 16717
rokumigan; hachimijiogan; fatigue; energy loss; partial remitted major depressive disorder; drug therapy; herbal medicine, 7669
rumination effect; dysphoria level; humor effect, 7662
rumination; distraction; autobiographical memory retrieval; social problem solving; dysphoric, 32110
sadness; antidepressants; depression; psychotherapy; antidepressant treatment resistance; medication; affective personality disorder; personality disorder; symptoms; treatment; therapeutic alliance, 28770
sadness; antidepressants; depression; psychotherapy; antidepressant treatment resistance; medication; affective personality disorder; personality disorder; symptoms; treatment; therapeutic alliance, 28728
sadness; antidepressants; depression; psychotherapy; antidepressant treatment resistance; medication; affective personality disorder; personality disorder; symptoms; treatment; therapeutic alliance, 28768
salivary cortisol; awakening; depression, 10625
sand rats; day length; diurnal rodent; depression; photoperiod, 34024
Scales of Psychological Capacities; psychic structure; long term psychotherapy; depression, 4954
school performance; childhood; adolescence; depressive symptoms; adulthood, 32112
screening performance; terminally ill patients; cancer; adjustment disorders; major depression; Japan; test validity; test reliability; psychometrics, 21660
seasonal affective disorder; anger attacks; aggression; depression, 16740
seizure frequency; depression symptoms; epilepsy; theoretical model, 8175
selective attention; dysphoric patients; affective interference; affective inhibition; dysphoria; major depression; negative distractors; emotional information, 1359
selective serotonin reuptake inhibitor; pediatric populations; major depression; suicidal thoughts; self injurious behavior; hyperactivity; impulsiveness; adverse behavioral effects, 2086
selective serotonin reuptake inhibitors; suicidal thinking; brain neurotransmitter systems; norepinephrine; dopamine; depression, 5066
selective serotonin reuptake inhibitors; suicidal thinking; brain neurotransmitter systems; norepinephrine; dopamine; depression, 5039
self criticism; depressive symptomatology; academic achievement; educational psychology; adolescent depression; middle schools, 15022
self disclosure; adolescents; suicidality; anxiety; depression; psychiatric inpatients; personality variables, 32261
Self Efficacy Questionnaire for Depression in Adolescents; test validity; test reliability; psychometrics; test development; coping; depressive symptomatology, 9409
self esteem; psychosis; coping strategies; carer characteristics; expressed emotion, 22826
self management program; dyspnea; obstructive pulmonary disease; depressed mood; baseline depression risk, 1696
self mutilation; depression symptoms; anxiety symptoms; borderline personality disorder, 7745
self processes; adolescent depression; self worth contingencies, 34852
self reported depression; schizoaffective disorder; psychotic features, 34903
self reported depression; taxometrics; taxonicity; MAXEIG & MAX procedures, 34849
self worth; depressive symptoms; vulnerability; college students, 28686
self worth; life events; becks congruency model; depression vulnerability; achievement, 28832
self-efficacy; social adjustment; bipolar disorder; major depression; post-hospitalization; patients; mood disorder, 1355
self-harm behaviors; antipsychotics; quetiapine; major depression; cutting; drug therapy, 32909
sense of coherence; depression; mass evacuated adults; Kosovo; stress; symptoms; health, 28856
separation anxiety; childhood; complicated grief; life; etiology; major depressive disorder; posttraumatic stress disorder; psychiatric disorder, 13845
serotonergic hypothesis; depression; parkinson disease; biological risk factor, 23441
serotonin transporter gene promoter region polymorphism; major depression, 17252
serotonin transporter polymorphism; low density lipoprotein; late onset depression, 34857
serotonin transporter; polymorphism; neuroticism; depression, 7668
sertraline dosages; plasma concentrations; efficacy; adverse reactions; major depression; selective serotonin reuptake inhibitors; genotypes; drug therapy; Chinese patients; Caucasian patients, 14508
sertraline; depression; age related macular degeneration, 32982
severe bronchorrhea; electroconvulsive therapy; malignant catatonia, 29699
severe depression effects; Test of Memory Malingering; disability seeking outpatients, 13748
sex differences; vulnerability; adolescent depression; child characteristics; parent characteristics; risk factors, 34856
sexual function; sildenafil effects; intercourse; asymptomatic men; antidepressants; depressed patients, 13027
shame; depression; guilt; group therapy illustrations, 19810
short communication; reciprocal relationship; sense of control; depressive symptoms; natural disaster; feedback; mental health, 34719
Short Mood and Feelings Questionnaire; item response theory; categorical data factor analysis; self-report; community sample; psychometrics; childhood depression, 27640
short term intensive dynamic psychotherapy; anxiety; depression, 26595
short-form versions; Center for Epidemiologic Studies-Depression Scale; Mexican immigrants; community mental health, 27624
short-term group therapy; grief; psychiatric outpatients; depression, 14445
sickle cell disease; depression; risk factor; chronic illnesses; primary care practice; stigmatizing condition, 8026
signs of silent suicide; hospitalized geriatric patients; depression; psychiatric medications; psychiatric referrals, 1356
sleep deprivation; sleep phase advance; bipolar depression; information processing, 10623
sleep disturbance; anxiety; core mood symptoms; acute treatment; depression; old age; improvement speed; an-

tidepressant monotherapy; pharmacotherapy; psychotherapy, 29379
sleep disturbances; depressed patients; antidepressants; sleep onset latency; sleep continuity; sleep efficiency; rapid eye movement sleep, 1347
sleep duration; depression; mania; prospective effect; sleep deficit, 25883
sleep; caregiving; depression; social support, 17746
smoking; education; psychosocial variables; depression; anxiety; coping traits, 34650
social anxiety; depressive symptoms; social skills; loneliness; mothers' social functioning; school age girls, 13687
social anxiety; social phobia; depression; cognitive-behavior group therapy; treatment mechanisms; mediator of change, 5004
social comparison processes; depressive symptoms; children; adolescents; Asperger syndrome, 20078
social disability; occupational disability; social adjustment; major depressive disorder, 32118
social history; immigrant mental health; gender differences; psychosocial stressors; Latinos; anxiety; depression; Mexicans; stress, 28797
social network type; depression severity; elderly patients; treatment outcomes, 1357
social relationships; depression; suicidal ideation; older adults; mental health; marital status; social support resources; sense of belonging, 4340
social support; depressive symptoms; hemodialysis patients; psychological well-being; locus of control; gender; duration of dialysis, 20171
social support; depressive symptoms; loneliness; social intervention; depression; acculturation; older adults; elderly, 4261
social support; gender difference; depression; negative life events; vulnerability, 28827
solicitation; social comparison; dependency; self criticism; behavioral strategies; depression vulnerability; self worth, 13493
somatic symptoms; depression; female students; Japanese; American; transcultural psychiatry, 28769
somatic symptoms; indicators; chronic obstructive pulmonary disease; psychological distress; military veterans; medical illnesses; diagnosis; anxiety; depression, 16618
somatic symptoms; outpatients; major depressive disorder; fluoxetine, 32103
somatic symptoms; post stroke depression; depressive symptoms, 11085
somatoform dissociation; psychological dissociation; depressive symptoms; suicidal ideation; health status; social support, 4277
specific physical symptoms; mental distress; general practice, 4298
specificity; social problem solving; depressive symptomology; anxious symptomology, 25816
spousal burden; schizophrenia; depression; psychiatric disorders; care burden; family members; treatment responsibility; household functioning, 7694
STAR*D study; remission rates; depression; treatment evaluation; treatment outcomes; citalopram; major depressive disorder; psychiatric care; selective serotonin reuptake inhibitors; symptom remission, 35637
STAR*D study; remission rates; depression; treatment evaluation; treatment outcomes; citalopram; major depressive disorder; psychiatric care; selective serotonin reuptake inhibitors; symptom remission, 35611
STAR*D study; Sequenced Treatment Alternatives to Relieve Depression; treatment; depression remission, 35431
stress generation; depression; stressful life events; interpersonal interactions, 34864
stress; depression; children; adolescents, 13701
stress; medical researchers; questionnaires; clinical depression, 17841
stressful life events; 5-HTT genotype; risk; depression; genetic exposure; environmental exposure; etiology; psychiatric disorders, 25901
striatal dopamine 1 receptor binding; major depressive disorder; anger attacks, 28831
study designs; study outcomes; antidepressant clinical trials; placebo responses; major depression; disorder severity; flexible dose design, 2073
subjective appraisal; Alzheimers disease caregiver; self efficacy role; depressive symptoms; caregivers burden, 11605
subjective memory complaint; Alzheimer's disease patients; cognitively normal relatives; first-degree relatives; depression symptoms, 35363
substance abuse; psychiatric disorders; addiction management; antidepressants; depression, 17419
substance use disorder; comorbidity; major depressive disorder; age of onset; demographics; clinical features, 31985
substance use; depression; adolescents; concomitant courses; drug abuse, 25753
substance use; young offenders; behavior problems; internalizing problems; attention deficit hyperactivity disorder; depression, 16644
suicidal behavior; mindfulness based cognitive therapy; cognitive processes, 13942
suicidal ideation; depression; elderly people; Hong Kong, 31981
suicidal ideation; depressive symptoms; attitudes; suicide; hopelessness; risk factors; college students, 16857
suicidal ideation; suicidal attempts; hopelessness; depression; social factors; risk population; risk factors; drug abuse; Chinese population, 13878
suicide attempt; melancholic depression; erotomania, 7623
suicide attempters; depressive disorders; client characteristics, 7577
suicide attempts; affective disorder; impaired autobiographical memory specificity, 22967
suicide ideation; Hong Kong; adolescents; family climate; school climate; perceptions; depression, 16631
suicide prevention; antidepressant drug; suicide rates; depression; risk factors; population at risk; drug therapy, 5055
suicide prevention; community intervention; depression; elder peoples; depression; screening; group activity, 14702
supraorbital edema; electroconvulsive therapy; depressed patient, 11427
sustained-release bupropion; buspirone; medication augmentation; major depressive disorder; citalopram, 29698
sustained-release bupropion; extended-release venlafaxine; selective serotonin-reuptake inhibitor; remission rates; nonpsychotic major depressive disorder; sertraline, 29692
sustained-release bupropion; extended-release venlafaxine; selective serotonin-reuptake inhibitor; remission rates; nonpsychotic major depressive disorder; sertraline, 29686
symptom dimensions; depression; myocardial infarction; somatic health status; cardiovascular prognosis, 34808
symptom dimensions; depression; myocardial infarction; somatic health status; cardiovascular prognosis, 34784
symptoms knowledge; schizophrenia treatment; depression treatment; Kuwaiti population; mental health literacy; schizophrenia symptoms; depression symptoms, 4301
symptoms specificity; major depression; minor depression; Alzheimer's disease; apathy; dementia, 1829
symptoms specificity; major depression; minor depression; Alzheimer's disease; apathy; dementia, 32679
symptoms specificity; major depression; minor depression; Alzheimer's disease; apathy; dementia, 32633
syndrome of inappropriate antidiuretic hormone; tolerable side-effect profile; selective serotonin reuptake inhibitor; escitalopram therapy; major depression, 29677
systemic lupus erythematosus; parental magico religious illness beliefs; illness experience; major depression, 14151
talking theory; talking therapy; psychotherapists; depression; psychoanalyst; attachment theory; therapeutic relationship; recovery process, 26588
taxometric analysis; major depression; undergraduate population; etiology; conceptualization; diagnosis, 29342
taxometrics; unipolar depression; dimensional; categorical; National Comorbidity Survey; statistical analysis, 4332
teenage pregnancy; attachment style; depression; age differences; pregnant women; risk factor, 34398
terorist attacks; depressive symptoms; alcohol consumption; demographic characteristics; America, 1291
terrorism; Israeli youths; psychological distress; alcohol use; posttraumatic symptoms; depressive symptoms, 28812
therapeutic alliance; interpersonal problems; depression; multiple sclerosis patients; psychotherapy outcomes; cognitive behavioral therapy, 34793
therapist effects; psychotherapy; National Institute of Mental Health Treatment of Depression Collaborative Research Program; depressed patients; treatment outcome; patient therapist interaction, 26574
therapist effects; treatment of depression; patient therapist interaction; outcome differences; patient severity, 26596
therapist effects; treatment of depression; patient therapist interaction; outcome differences; patient severity, 26592
therapist effects; treatment of depression; patient therapist interaction; outcome differences; patient severity, 26558
therapist effects; treatment of depression; patient therapist interaction; outcome differences; patient severity, 26559
therapist effects; treatment of depression; patient therapist interaction; outcome differences; patient severity, 26556
thyroid autoimmunity; depression; anxiety; epidemiological study, 6816
time to clinical improvement; homocysteine levels; major depressive disorder; serum folate levels; vitamin B12 levels; fluoxetine treatment, 8400
toxic catatonia secondary to azithromycin; acute psychotic depression; remission; drug therapy; electroconvulsive therapy; ECT, 32082
transcranial magnetic stimulation; language switching; bilingual patients; dorsolateral prefrontal cortex, 2105
transdermal delivery formulation; monoamine oxidase inhibitor; selegiline; depression treatment; skin patch, 32931
trauma; grief; depression; Nairobi children; 1998 bombing; American embassy; posttraumatic stress disorder; negative life events, 28932
traumatic grief; bereavement related depression; death; nortriptyline; interpersonal psychotherapy, 25866
trazodone; cardiac arrhythmias; bipolar depression; recurrent major depression; comorbid panic disorder; benzodiazepine dependence; inpatients, 23729
treating negative interpersonal processes; suicidal depression, 34875
treatment options; elderly depressed patients; psychiatric care; antidepressants; psychotherapy, 19803
treatment response; attention network dysfunction; geriatric depression, 16726
treatment withdrawal; depression; renal dialysis; dialysis withdrawal; end-stage renal disease, 17578
treatment; depression; dementia; treatment alternatives; cognitive impairment; Alzheimer's disease, 29430
triallelic functional polymorphism effects; serotonin transporter linked promoter region; human brain; major depressive disorder; genotype, 22977
triiodothyronine; fluoxetine; forced swim test; sex differences; animal model; antidepressant therapy, 13031
tryptophan hydroxylase-2 gene; psychiatric patients; risk factors; unipolar major depression; autism; obsessive compulsive disorder, 31986
tryptophan hydroxylase; gene expression; postmortem brain; suicide subjects; major depression, 13884
unidimensionality; bandwidth; Center for Epidemiological Studies Depression Scale; classical test theory; item response theory, 12521
unipolar disorders; bipolar disorders; psychotic disorders; specialist mental health service; service delivery; adolescents, 26854
unipolar psychotic depression; drug therapy; antidepressant drugs; antipsychotic drugs, 26705
validation; Geriatric Depression Scale; sedentary older adults; screening tests; self esteem; factor analysis, 27629
vascular risk factors; late life depression, 32597
venlafaxine administration; urinary incontinence; sertraline therapy; reactive depression, 8403
venlafaxine; serotonin syndrome; differential diagnoses; depression; psychomotor retardation; drug therapy; catatonia, 11387
venlafaxine; severe edema; serotonin norepinephrine reputake inhibitor; social anxiety disorder; depression; antidepressants; dizziness, 20581
verbal fluency; cerebrovascular burden; depression; prediction; older adults, 25898
verbal memory performance; younger adults; memory impairment; major depression, 22993
vulnerability; friends suicide; suicide influence; adolescents depression; gender differences; depression severity, 34995
westernization; Chinese culture; traditional medicine; heart; depression; emotional distress; mental distress; mental disorders; mental health; suicide, 13720
William Styron; autobiographical account; depression, 28703

withdrawn & intrusive maternal interaction style; infants; depressed mothers; non depressed mothers; electroencephalography; infant frontal EEG asymmetry shifts, 16358
women; depression; alcoholism; antisociality, 28848
women; intimate partner or spousal violence; domestic violence; depression; anxiety; psychological well-being, 28664
worksite disease management programs; depression; employer benefits; workplace illness, 35827
young adults; single syndrome; suicidal ideation; major depression; hopelessness, 28859
Zung Depression Scale; traumatic brain injury; physical disabilities; depression, 8128
Major Depression [See Also Anaclitic Depression, Dysthymic Disorder, Postpartum Depression, Recurrent Depression, Treatment Resistant Depression]—Books
The age of melancholy: Major depression and its social origins, 4343
The bipolar workbook: Tools for controlling your mood swings, 19823
Chronic depression: Interpersonal sources, therapeutic solutions, 4346
The complete depression treatment and homework planner, 4344
Depression and personality: Conceptual and clinical challenges, 10620
Depression and women: An integrative treatment approach, 32819
Depression in Later Life, 1383
Eating, drinking, overthinking: The toxic triangle of food, alcohol and depression–and how women can break free , 19753
Emotion-focused therapy for depression, 8301
If your adolescent has depression or bipolar disorder: An essential resource for parents, 1382
The interpersonal, cognitive, and social nature of depression, 19824
Let Them Eat Prozac: The unhealthy relationship between the pharmaceutical industry and depression, 5078
Melancholia: The diagnosis, pathophysiology, and treatment of depressive illness, 32127
The myth of depression as disease: Limitations and alternatives to drug treatment, 20481
Talking to depression: Simple ways to connect when someone in your life is depressed, 4347
Will's choice: A suicidal teen, a desperate mother, and a chronicle of recovery, 10807
Women and depression: A handbook for the social, behavioral, and biomedical sciences, 32125

Male Animals—Serials
asymmetrical territorial contests; male green hairstreak butterfly; residency experience; body size, 12867
lifetime reproductive success; male bushcrickets; parasitism; phonotactic fly; mortality, 22055
male copulation frequency; sexual cannibalism; sterility; St Andrews cross spiders; pedipalp, 6694
male loons; changing territories; vocalizations; birds; animal behaviour, 15831
male male competition; swordtails; mate choice; sword length; body size, 15804
male mating behavior; feeding behaviors; Caenorhabditis elegans; environmental cues; pharyngeal neurons; copulatory spicules, 22121
mate choice; copying; male vs female pipefish; mating patterns; sex roles, 24941
mating success; male saliva secretion; nuptial feeding; scorpion fly; nutritional status, 24921
monoamine levels; nucleus accumbens correlates; male sexual behavior; middle aged rats, 18925
operational sex ratio; male mating tactics; Chinese bush-cricket; copulation; body weight; alternative reproductive behaviours; environments, 18919
perinatal 5alpha-R2 metabolic pathway; brain sexual differentiation; finasteride; male rats; sexual behavior, 6855
plumage brightness; colorful plumage; lekking species; golden collared manakin; spectral properties; animal male; mating behavior, 22105
rival recognition; territorial tawny dragon; animal aggressive behavior; species recognition; conspecifics, 3479
social isolation; species differences; anxiety related responses; males; prairie voles; meadow voles; circulating corticosterone; brain activation, 6824
Male Attitudes—Serials
adolescent male body; body image; sports; adolescent attitudes, 25360
body image; male attitudes; physical appearance, 25333
masculinities; femininities; sexualities; honor; gender identity; Indian communities; traditional male authority; economic provisioning; control; social conditions, 22708
protest masculinity; gendered identity; working-class men; social control; solidarity; masculinity; sexual humiliation; same-sex sexual harassment; work relations, 22719
sexual matters; school sex education; male pupils; young men's views; intended behaviour; actual behaviour; other sources of information; influence of sex education on behaviour, 24180
smoking; male youths; tobacco; role models; manhood; boyhood; macho men; seventeenth century; society; liminal rites, 22623
Male Castration—Serials
castration; biparental male hamsters; paternal behavior; testosterone; estradiol; territorial aggression, 651
Male Criminals—Serials
correctional inmates; suicidal behaviors; hostility; hopelessness; risk factors; suicide attempts; depression; adult male, 4876
gender; crime news; chivalry hypothesis; newspaper; female criminals; male criminals, 25185
homicide; gender inequality; rural areas, 17022
juvenile male offenders; residential treatment; recidivism prevention; client perspectives, 23081
juvenile sex offenders: victim; judicial processing characteristics; demographics; sex differences; offender characteristics; judicial processing, 17030
Male Delinquency—Serials
classification; personality and clinical scales; Millon Adolescent Clinical Inventory; males; juvenile offenders; residential facility, 13999
female delinquency; male delinquency trajectories; adolescent development; social support, 13203
juvenile male offenders; residential treatment; recidivism prevention; client perspectives, 23081
mental disorders; violent offences; male adolescent remand prisoners; epidemiology, 20055
Millon Adolescent Clinical Inventory; male juvenile offenders; somatic complaints; depressive disorders; behaviorally disruptive adolescents, 1286
patterns of alcohol expectancies; juvenile delinguents; personality profiles; Aggression; Northern Russia; alcohol use; alcohol-related problems, 1560
Rorschach aggression variables; male juvenile offenders; aggressive movement; psychopathy, 29343
social support; moderating role; violent delinquent behavior; exposure to violence; stressful life events; male adolescents, 16879
violent delinquents; cost benefit analysis; intensive treatment program; treatment effectiveness evaluation, 20927
Male Female Relations—Serials
couples; Quality of Relationships Inventory; confirmatory factor analysis; support; male female relations; factor structure; models; sex differences, 15407
cross sex friendships; professional workplace; workplace environment; sexual harassment awareness, 36474
heterosexual couples; experience with AIDS; primary caregiver; social support; spiritual journeys, 11004
maternal anger; teenaged mothers; partner conflict; partner transitions; child oppositional behavior; child anger, 28991
migration; gender relations; Mexican women; social support, 3944
prediction; partner abuse; adolescents; heterosexual dating relationships; sexual intercourse; pregnancy; verbal & physical abuse; romantic relationship; duration; age; partner age differences, 16898
rape resistance; child abuse history; sexual victimization; alcohol administration; passive; assertive; polite; relationship type, 28159

relationship dissolution; infidelity; attributions; forgiveness; heterosexual relationship; romantic relationship, 25548
representation of males; teenage girl magazines, 4063
resilient sexual desire; heterosexual couples; inhibited sexual desire; sex therapy; traumatic sexual experiences; guilt; negative self-image; variant sexual behavior; relationship difficulties, 7350
rural South-Eastern Nigeria; socio-cultural context; adolescents' notions of sex & sexuality; social gatekeepers; boys; sexual relationships; gender norms; cultural narratives, 3855
same sex victim; domestic violence; heterosexual relationships, 4891
sexual functioning; sexual compatibility; sexual depression; anxiety; partner's perceptions; heterosexual intimate relationships, 4086
Male Genitalia [See Also Penis, Prostate]—Serials
circumcision; female genital mutilation; cultural practices; religious rituals, 25442
viagra; male sexuality; popular culture; masculinity; penile performance, 28413
Male Homosexuality—Serials
adult attachment; perceived discrimination; gay males; mediation & moderation effects; depression; anxiety; avoidance, 28867
alcohol users; marijuana users; cocaine users; relationship quality; serodiscordant male couples; human immunodeficiency virus, 10560
alcohol; HIV; sexual risk taking; problem drinking; men who have sex with men, 28745
avoidance; coping; HIV; risk behavior; gay men; prevention; bisexual men; unprotected anal intercourse, 1723
binge & chronic methamphetamine use; gay men; bisexual men; psychological differences; psychosocial correlates; addiction, 16955
bisexual practices; Latino men; HIV prevention; gender identities; African-Americans; sexual practices, 2206
body image dissatisfaction; homosexual men; social comparison; self esteem; depression, 16806
carers; homosexual caregivers; sexual partners; carers network; Alzheimers society, 5370
commercial sex encounters; urban community; gay men; bisexual men; gay community, 1069
condom fatigue; AIDS optimism; self esteem; unsafe sex; gay men; bisexual men; sexual relationships; social circumstances; reasoning processes, 1056
counseling competencies; bisexual individuals; gay; lesbian; bisexual individuals, 11855
cruising; sexual risk behaviors; HIV testing; public sex environments, 13300
crystal methamphetamine dependence; gays; bisexual men; addiction treatment; outpatient treatment, 17782
crystal methamphetamine dependence; gays; bisexual men; addiction treatment; outpatient treatment, 20898
discriminatory beliefs; gay men; registered nurses attitudes; lesbians; gay rights movement; equality; workplace, 28537
epistemological frameworks; homosexuality; religion; interpersonal perceptions; reality, 4078
erotic identities; all-male comic strips; Sigmund Freud; homoerotic comic strip; media; subaltern texts; rites of masculinity; sexualities; intimacies; body worship; contemporary phallic regimes, 4087
experiences; gay; lesbian; near death experiences; divine light; bisexual; transgender, 24885
family court; same sex couples; marriage; child centered perspective; legal protections, 15337
gamma hydroxybutyrate use; gay men; potential outcomes; side effects; social influences; prevention strategies, 16988
gay & lesbian parents; empowerment; needs, 25486
gay couples; marriage rights; lesbianism; politics, 15350
gay fraternities; hegemonic masculinity; stigmatized status; homosexuals, 13423
gay male couples; child adoption; social trends; professional guidance; advanced practice nurses; psychiatric mental health nurses, 31556
gay male youth; gender roles; nonconforming behavior; suicidality; bullying; sexual orientation, 23098
gay males; cognitive therapy; social workers; stigmatization; mental health; anti gay harassment; environmental interventions, 31693
gay men; cognitive representations; schemas; attitudes; content analysis, 4076
gay men; emotions; heterosexuality; sexuality; therapists, 22724
gay men; psychological sense of community; test validity; test reliability; membership; influence; fulfillment of

needs; shared emotional connection; test development, 12441
gay musicians; Turkey; self-confidence; on stage performance, 10359
gay parenthood; paternity; gay male intimacy; kinship; parental desire; decision-making, 13420
gay relationships; relationship innovation; male couples; sexual inclusivity; monogamy scripts; sexual cultures; autonomy, 13407
gay; bisexual men's; outcome expectancies; sexual risk; alcohol; substance use; sexual behavior; sexual partner; sexually transmitted infections, 26086
gay; lesbian; aging; social work practice; intolerance; insensitivity; homosexuality, 8576
gayness; developmental experiences; peer relationships; awareness; coping strategies, 28235
genotypes; ciprofloxacin resistant isolates; homosexuals; gonorrhoea; tetracycline resistance plasmid; men who have sex with men, 35690
health messages; entertainment television; intentions predictors; health behavior; syphilis storyline; gay male responses, 5202
health related social control; gay couples; relationship interdependence; health promotion; HIV; AIDS prevention, 33013
heterosexist events; homophobia; substance use; lesbian; gay; bisexual individuals; counseling, 29533
heterosexual fathers; gay fathers; sexual orientation; child behavior; well being, 19451
HIV disclosure; regret; HIV-positive gay men; family; friends; sex partners, 20208
HIV epidemic; Men who have sex with men; unprotected anal intercourse; steady vs casual male & female sex partners; HIV serostatus; attitudes; gay males, 26332
HIV infection; high risk population; leaders opinion; intervention; community based organizations; gay men; sex, 35753
HIV risk behaviour patterns & predictors; sexually transmitted diseases; prevalence; social networks; male homosexuality, 17135
HIV treatments; risky sexual behavior; gay men; condom use; peers; bisexual men; beliefs, 13415
HIV-associated medical & behavioral & psychiatric symptoms & disorders; treatment-seeking methamphetamine-dependent men who have sex with men; behavioral characteristics; HIV serostatus; prevalence, 10579
HIV-related factors; gay men; Brazilian immigrants; Puerto Ricans; South Americans; acculturation; demographic characteristics, 29210
HIV; AIDS; gay community; men who have sex with men; stigmas; sexual risk behaviors; substance use behaviors; serostatus disclosure; mental health, 17208
HIV; AIDS; gay undergraduate males; HIV/AIDS education; prevention; safe sex; popular culture; sexual scripts; television, 19420
HIV; Asians; Pacific Islanders; men who have sex with men; testing, 17211
homosexuality attitudes; Mexican Americans, 25549
implicit predictors; self report; high risk sexual behavior; HIV; male homosexuality; self esteem, 29513
inequality; gay; lesbian; bisexual; student support services; sociology; constructionism, 25409
internalized homonegativity; body image; eating disturbance; self esteem; gay men, 31699
internet sexuality research; subject recruitment; rural men who have sex with men; HIV risk survey; sexual behavior, 7336

tanning salon use; behavioral alternatives; appearance; relaxing; socializing; cognitive predictors; gym, 20647

Mastectomy—Serials

breast reconstruction; mastectomy; Women's Health and Cancer Rights Act, 11463
married mastectomy patients; anxiety; depression; breast cancer, 2158
prophylactic mastectomy; surgical option; prevention; familial breast cancer; risk management; risk perception; genetic testing, 5190

Mastery Learning—Serials

gifted education; giftedness; talent development; curriculum; mastery model, 24267

Mastery Tests [See Criterion Referenced Tests]

Masturbation—Serials

antimasturbation crusade; antebellum American medicine, 4889
directed masturbation paired with olfactory aversion; deviant sexual interests; sexual attractiveness; consensual sex; chronic child molester, 13913
post-orgasmic prolactin increase; intercourse; masturbation; sexual satiety; arousal; physiological satisfaction, 12960

Masturbation—Books

In praise of masturbation, 4095

Matching Test [See Matching to Sample]

Matching to Sample—Serials

asymmetrical sample training; asymmetrical retention functions; pigeons; matching task, 22063
base rate neglect; pigeons training; informative case cues; animal behavior, 6653
behavior topography; eye movements; accuracy scores; matching to sample; multiple samples; delayed matching, 31040
contingency interactions; instructional accuracy; instructional history; conditional discrimination, 12000
experimental control; nodality effect; conditional discriminations; equivalence protocols; speed conditions; matching to sample, 15581
finger prints matching; contextual top down processing; participants judgment; judgmental bias; emotional manipulation; forensic evaluation, 9281
learning processes; matching to sample; oddity from sample; reward; sample responding; oddity preference effect; sample reinforcement; concept learning; pigeons, 476
matching-to-sample; differential outcome expectancies; differential sample outcome associations; pigeons; discrimination; serial compounds, 466
MDMA; delayed matching to sample; memory; proactive interference; rats; intertrial interval, 13022
nonresponse bias; imperfect samples; sampling bias; academic research practices; sampling quality, 15549
olfactory stimuli; rats; odor; identity matching to sample, 18911
personal appearance; observers impression; matching; personal belongings; automobiles; owners, 16480
pigeon; associative symmetry; go/no go reinforcement schedule; successive matching-to-sample; stimulus equivalence, 469
preschool age children; generalized relational matching; joint control; mediating stimuli, 28300
rehearsal; joint control; behavior analysis; matching to sample, 28647
remembering; extraneous reinforcement; pigeons; stimuli; retention; matching to sample; discriminability, 6649
short-term memory; matching-to-sample; visual stimuli; context stimuli; stimuli recognition, 24716
stimulus equivalence class formation; self referring stimuli; evaluative stimuli; matching to sample, 10506
symmetry advantage; object matching; accidental viewpoints; nonaccidental viewpoints, 15610
training delays; keylight duration; pigeons; matching to duration; choose short effect; memory, 15786

Mate Selection [See Animal Mate Selection]

Mate Swapping [See Extramarital Intercourse]

Materialism—Serials

aging; self-meaning; person-object relations; materialism; later-life relationships; identity, 34444
Berlin Wall; wall construction; material culture; psychological theory; psychological sciences; historical moments; metaphor, 16262
compulsive buying; dysfunctional consumer behavior; identity seeking behavior; self-discrepancies; materialistic values, 1217
cross cultural differences; materialism; openness; self transcendence; self enhancement; test validity; psychometrics; individual values, 7512
food security; materialism; security motivation; food availability; life goal; obese persons, 7459
gifted education; metaphysical assumptions; intelligence; quantum physics; Dualism; Materialistic monism; gifted students, 15093
material values; television viewing; consumer values; materialism; heuristics, 9976
materialism; racism; social attitude; prejudice, 19650
personal beliefs; death attitudes; materialism; personal insecurity, 13523

Maternal Behavior (Animal) [See Animal Maternal Behavior]

Maternal Behavior (Human) [See Mother Child Relations]

Maternal Investment [See Parental Investment]

Mates (Humans) [See Spouses]

Mathematical Ability—Serials

academic abilities; creative abilities; mathematics; instructional strategies, 27219
academic achievement; kindergarten students; mathematics achievement; reading ability, 27230
addition operations computation; large numbers; rhesus monkeys, 6654
algebra; numeric efficiency; compensatory-encoding theory; compensations; automatic processes; comprehension; time restriction; subcomponent efficiency, 30327
amodal representation; small numbers; visuo tactile modalities; infants; numerical ability; object recognition; intermodal transfer, 19175
angles; school geometry discourse; climbing discourse, 19176
arithmetic abilities; adults; dyslexia; students; mental ability; written ability, 23247
arithmetic memory; identical elements model; addition; subtraction; response time; models, 30969
arithmetic processing; spina bifida; calculation accuracy; strategy use; fact retrieval fluency; math disability, 18108
arithmetic subtraction; nonsymbolic numerosities; deaf adults; formal mathematical performance, 17363
arithmetic; strategies; choice behavior; information retrieval, 21929
at-risk preschoolers; insertion games; oddity games; numeracy development, 25286
autism; arithmetic; circumscribed interests; savant; verbal memory; computation; calendar prodigy, 35132
calendrical savants; practice; autism; mental calculation, 29091
children's ability; conceptual understanding; addition; subtraction; mathematical understanding; physical objects; individual differences; school age children, 6984
childrens division strategies; age related changes; childrens performance; conceptual knowledge, 16128
childs drawing; familiar objects; young children; perceptual geometric factors; photographs copying, 793
cognitive processes; mathematical precociousness; young children; working memory processes, 16135
conventional mathematical knowledge; teacher math talk; teacher speech; early math development; preschool mathematics; teacher input; number skills, 11932
corrected version; Akaike information criterion; multivariate analysis; linear regression models; numerical experiments; statistics, 18625
cross linguistic cartography; language development; number development, 13147
developmental differences; individual differences; pure numerical estimation; mathematics; development, 10033
developmental psychology; response latency; developmental stages; multiplication, 21180
equal sign; solving equations; algebra; middle school students; problem solving; mathematical ability, 30312
everyday life; discrimination; enumerating numbers; mathematical skill; brain mechanisms; event related potentials; electrophysiology, 19015
familiarization; infants perception; arithmetic; problem solving; cognitive ability; infant development, 16097
females; math ability; mental control strategy; stereotype threat; test performance, 12132
gender differences; mathematical ability attributions; general ability; teacher evaluation; student perception; teacher ability evaluation, 27215
gender stereotypes; math performance expectations; performance avoidance goals; females, 34615
genetic effects; mathematics performance; reading; general intelligence; twins, 786
gifted children; resilience; legislation; mathematics abilities; disadvantaged students, 9045
heterogeneity effect; numerical ordering; rhesus monkeys; color; shape; size; numerosity perception, 18903
high school geometry classes; mathematical tasks; student's perspectives; proving; proofs, 14964
infants; calculation; mathematical competence; sex differences; familiarity preferences, 25281
literacy; mathematics skills; psychiatric in-patients; adult literacy program, 14664
male adolescents; brain network; mental rotation; mathematics ability; parietal lobes; anterior cingulate; frontal cortex, 6767
many-to-one counting; child development; knowledge; counting performance, 25245
mathematical ability; problem solving ability; spatial abilities, 6556
mathematical background; Spanish college students; statistics; social sciences, 7485
mathematical literacy; standardized mathematical assessments; mathematical skill; mathematics educators; mathematical representations, 30282
mathematical problem solving; elementary school children; metacognitive macroevaluations; learning disabilities; cognitive load, 18048
mathematical skills; preschool children; socio-emotional functioning, 16065
mathematical understanding & reasoning; paradigmatic metonymy, 12756
mathematics abilities; economically disadvantaged students; Kumon instruction, 9049
mathematics education; mathematical symbols; teacher student discourse; lessons errors; first grade students; mathematical ability; negotiation, 5644
mathematics skills; Tswana speaking learners; achievement; personal potential; affective facets; teaching; socio-economic context; cognitive ability, 27221
mathematization; problem solving; student; strategies; script identification, 36324
memory; mathematics learning difficulty; basic addition performance; counting speed; adolescent student; learning; problem solving strategies, 21186
metacognitive skills; math problem solving; prediction & evaluation skills; mathematics learning disability; children, 20107
mood; metacognitive experience; mathematical ability; self concept; maths performance, 5796
Mozarts music; spatial rotation; numerical tasks; brain activity; human brain; sensory stimulus, 540

noise enhanced computation; cortical column; weak signals; cognitive processes; mathematical ability; evoked potentials, 3592
non symbolic arithmetic; young children; adults; arithmetic calculations, 13117
nonhuman number concepts; parrot cognition; avian intelligence; numerical ability; addition skills, 15794
number sense growth; mathematics difficulties; reading skill; mathematical performance; income status, 13135
numeracy; decision making; probability tasks; affective responses; numerical ability; lexical decision; judgment, 24822
numerical abilities; children; finger gnosia; reading abilities, 10058
numerical competence; children; prenatal testosterone; sex difference; negative correlations; performance, 25258
numerical intelligence; verbal intelligence; second to fourth digit ratio; big five personality dimensions; index finger length; ring finger length, 1236
numerical relationship; inference ability; counting skills; childrens cognitive skills, 792
numerical representations; numerical ability; reaction time; rhesus macaques; reaction time, 24899
predictors; university students' performance; elementary arithmetic; math skills, 18064
problem solving strategy use; automaticity; working memory involvement; complex multiplication, 6551
processing abilities; math skills; adult learning disability; college adults; learning problems, 17083
reading; mathematical ability; writing disabilities; childhood development; clinical disorders; learning disabilities, 25778
self explanation effect; addition problems; encoding; kindergartners; children, 10035
semantic dementia; verbal expressions; linguistics; semantic processing; numerical knowledge; comprehension, 26379
sex differences; intrinsic aptitude; mathematics; science; cognitive development; spatial reasoning, 7024
sex differences; math performance; approach to schoolwork; classroom performance; achievement goals; classroom behavior; learning strategies; self-efficacy; math grades; motivation; longitudinal, 11836
shared system; ordering small large numbers; monkeys; humans; numerical capacity; accuracy; latency; primitive mechanism, 24792
spatial representation; numerical sequences; sensory neglect; psychophysiology; neuropsychology, 20235
specific numeracy educational program; kindergarten children; numerical skills; conceptual knowledge; procedural skills; program effectiveness; numerical cognition, 8907
stereotype threat; locus of control beliefs; performance deficits; mathematical intelligence; social intelligence, 19484
understanding; numerical magnitudes; math ability; estimation skills; knowledge; children ability, 28226
working memory; mathematical problem solving; phonological processing, executive processing; age effects; cognitive processes; individual differences; elementary school children; achievement, 19198
working memory; mathematical skills; children; mathematical development; mathematics curricula; cognitive ability, 13133
working memory; reading disabilities; mathematics abilities; phonological awareness, 17078

Mathematical Ability—Books

Developing math talent: A guide for educating gifted and advanced learners in math, 12060

Mathematical Modeling [See Also Structural Equation Modeling]—Serials

aging and episodic memory; item recognition; two-process theory; ROC curves; Yonelinas high threshold model, 15718
axiomatic characterization; value judgments; reference point, 21785
bagging; stochastic gradient boosting; classification techniques; prediction; customer churn behavior, 24668
Bayesian methods; model selection methods; scientific communication, 15543
belief operators; decision theory; preference based; game theory; mathematical modeling, 158
biology learning; computational theories; embodied modeling approach; theory testing; theory construction; high school curriculum, 30300
blockmodel structure; algorithms; binary data; seriation procedures, 33857
careless error estimation; lucky guess probabilities; dichotomous test items; psychometrics; biometric latent class model; random effects, 21797
category learning; RULEX model; predictions; model investigation; algorithmic method, 174
circadian rhythms system; mathematical formulations; conceptual model; global concept, 3647
complex model selection; methods choice; accumulative prediction error; one-step-ahead error; unseen data point; next data point; time series models; natural ordering; meta selection, 15542
computational model; habituation; learning; cognitive processes, 6400
computational modeling; neurosciences; mathematical modeling; computation; schizophrenia, 16750
conditional independence models; seemingly unrelated regressions; incomplete data; multivariate analysis, 15502
confidence; overconfidence; calibration; hard-easy effect; Poisson race model; mathematical modeling; response bias; choice, 27862
confusion matrix; similarity-choice model; cluster analysis; seriation; subset selection; computer software; MATLAB, 30804
decision rule; decision theory; observer model; decision variables; decision strategies; mathematical psychology, 33860
defection detection; methodological approaches; predictive accuracy; customer churn models, 24672
drift diffusion model; reward rate; optimal performance; speed-accuracy trade-off; perceptual choice, 33856
dual bounds; fixed multivariate marginals; distributed random vectors; risk assessment, 15503
dynamic properties; relative mass; collision dynamics; computational modeling; visual perception; heuristics; exemplars; invariants; memory; cues, 24738
dynamical processes; self-organizing communication systems; language processes; distributed coordination; computational models, 6137
E Z reader model; cognition; eye movements; visual processing; language processing; reading; lexical processing, 15684
elimination by aspects; generalised extreme value models; choice behaviour; mathematical conditions; discrete choice, 33855
empirical likelihood inference; linear transformation models; censored survival data; chi-squared distribution, 21779
exercise; single mathematical object; pedagogy; variation; sense making, 15745
family systems; interaction processes; short- & long-term transitions; simulation models; state space models; time-serial measurement; dynamic systems approach; family assessment, 3268
feature-based statistical model; advertisement similarity; similarity perceptions; executional elements; familiarity; attitudinal responses; recall; persuasion; marketing strategy, 27459
Gaussian graphical modeling; goodness of fit; robustified multivariate estimators, 21783
generalized relevance learning vector quantization; gene expression; data prototypes; weighting terms; cost function values; leukemia, 18425
Gompertz kinetics; exponential process; decay; descriptive tool; neuroscience; growth, 6748
Hausdorff distance; multivariate dispersion ordering; convex compact sets; random vector, 21778
heuristics; binary cues; paired comparisons; lexicography; accuracy; mathematical psychology; cues, 33863
income utility; random function; behavioral characterization; theoretical approach; probabilistic choice, 21750
individual differences modeling; Dirichlet process; Bayesian framework; modeling groups; inferred groups; parameter distributions; dimensionality, 15525
information theory; latent class; latent trait; model selection; latent distribution modeling; information-theoretic approach, 30828
instability; hierarchical cluster analysis; input order; permutations; ties; SPSS add-in, 6375
intransitive preferences; random effects approach; choice behavior; systematic violations; modeling; judgments, 15539
item parameter estimation; three parameter logistic model; marginal maximum likelihood estimation; Bayesian estimation, 167
item response theory (IRT); Ramsay-curve IRT (RC-IRT); nonnormality; density estimation; distributional assumptions; model selection; latent variables; latent distribution, 30843

item response theory; hierarchical generalized linear model; dichotomous items, 12616
latent growth curve models; individual fit; statistics; quadratic component; linear component; linear model, 12569
lattice segmentation; minimum Bayes; risk factors; discriminative training; vocabulary; speech perception, 24490
learning theory; statistical probability; selective attention; locally Bayesian learning; trial by trial learning, 33865
learning vector quantization; winner takes all algorithms; learning curves; training dynamics; mathematical modeling, 18410
levy copulas; multidimensional levy processes; multivariate; multivariate Levy process, 21770
mathematical models; fatal crashes; belted drivers; mortility; selective recruitment, 9474
mathematical models; language, 730
mathematical thinking; mathematical learning; mathematical modeling; structural engineers, 12571
matrix distribution; mathematical applications; predictive distributions, 12581
maximum likelihood estimation; all-pass time series models; simulation; autoregressive-moving average model; autoregressive polynomial, 21731
measuring stochastic dependence; statistical distributions, 12593
memory model; regression analysis; learning curves; animal learning; addicts, 6669
minimum description length; information theory; inductive inference; compressed data; data coding; information extraction; model selection; normalized maximum likelihood, 15523
minimum description length; model selection; parametric complexity; small sample sizes; normalized maximum likelihood; Bayesian marginal distribution; Jeffreys prior, 15500
model selection; rate problems; data analysis; significance testing; minimum description length; Bayesian model; statistical criteria, 15519
multilevel analysis; latent class analysis; random effects models; personal networks; ego-centered networks; quasi-symmetry models; conditional logit models, 24710
multilevel generalized linear models; modeling; age related gender differences; violent behavior; risk factors, 3237
multilevel model; hierarchical linear model; indirect effect; mediation; moderated mediation; direct effects; evaluation, 24655
multivariate least squares; multivariate models; growth curve model, 12573
multivariate normal covariance; precision matrices; star shape model; missing data, 12610
music cognition; perception-based model; computational modeling; kinematics, 27801
oligopoly games; transferable technologies; oligopoly TU games; cartels; incentives; decision making; convexity, 165
optimal testlet pool assembly; multistage testing designs; mathematical programming technique, 21595
ordinal response models; sampling; evaluation; simulation, 33866
physical motion; computational theories; rhythmic structure; tempo rubato; kinematic approach, 9906
predicting speech recognition errors; automatic speech recognition systems; pronunciation variations; pronunciation modeling, 715
psychophysical judgments; behavioral attributes; psychological functions; empirical evaluation; psychological review, 183
psychophysical judgments; model evaluation; behavioral properties; psychophysical function; auditory experiments, 184
random rotations; statistical model; Cayley distributions, 15520
recognition; recall; correlation; memory; modeling, 427
reliability estimation; multilevel covariance structure modeling; hierarchical designs; clustered data; populations, 9476
risk sharing; continuous time model; stable coalitions; economy; insurance contracting scheme; cooperative arrangements, 162
saccade generation; eye movements; oculomotor system; reading; word recognition; processing; mathematical models, 603
schizophrenia; neurobiology; pharmacological treatment; systemic modeling; brain, 16777

schizophrenia; phenomenological modeling; nigrostriatal loop; dopamine, 16774
selecting mixed effects models; generalized information criterion, 12595
semantic cues; mathematical modeling; word problems; problem solving; age differences; textbooks; object relations, 3227
sentence processing complexity metric; words; grammar; syntactic structure; conditional entropy, 34275
similarity; dissimilarity; perceptual categorization; exemplar model; category membership, 9612
social network analysis; random effects,; multilevel modeling; p2 model, 24692
social welfare functions; generating social choice rules; invulnerable; manipulation; majority rule, 21743
Spatial Openness Index; urban environments; visual analysis, 36568
spectrum inversion; conscious experiences; logical possibility; functionalism; scrambling theorem; mathematical formulation; color space, 18720
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18717
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18719
spectrum inversion; conscious experiences; logical possibility; scrambling theorem; mathematical formulation; color space, 18702
statistical modeling; intraindividual covariance structure; multivariate stationary time series analysis; interindividual techniques; homology; Five Factor Model of Personality, 3222
structural engineers; mathematical modeling; problem solving; abstactions; engineering models; mathematics curriculum, 14958
structural equation modeling; Baron and Kenny approach; partial mediation; complete mediation, 15565
temporal bisection; range frequency theory; duration; timing; identification; temporal stimuli; temporal duration, 330
testlets; item performance; discrimination parameters; alternative models, 12586
transitive indistinguishability; measurement; finite ratio-scale representations; mathematical modeling; comparative judgments, 21795
unbiased representations; general Gauss Markov model; dispersion matrix, 12579
utterance classification; discriminative language modeling; automatic speech recognition error, 16034
variance structures; growth curve model; multivariate regression, 12620
well being analysis; secondary schools; multi-level growth curve models; multilevel multivariate models; student well being, 3218
windows based program; item response theory; estimates parameters; Generalized Graded Unfolding Model, 12601

Mathematical Modeling [See Also Structural Equation Modeling]—Chapters

The Bargaining Problem, 10437

Mathematical Psychology—Serials

cognitive scientists; graduate students; training; inequalities; order-restricted inference, 21768
decision rule; decision theory; observer model; decision variables; decision strategies; mathematical psychology, 33860
facets; linear ordering polytope; unification; weighted graphs; binary choice; stochastic modeling, 21754
heuristics; binary cues; paired comparisons; lexicography; accuracy; mathematical psychology; cues, 33863
illumination invariance; Plateau's midgray; psychophysiology; color perception; brightness; functional equations; mathematical psychology; psychophysics, 21763
symmetry; direct measurement; Torgerson's conjecture; number words; ratios; axiomatic theory; numerical representations, 21786
theoretical response functions; duration reproduction task; mathematical psychology; additivity property; time representation, 33875
triadic judgment models; Weber's law; numbers; psychophysical measurement; discrimination models; probabilistic measurement; mathematical psychology, 21792

Mathematicians—Serials

Joseph A Goguen; eminent mathematician; computer scientist, 30062

Mathematics [See Also Algebra, Calculus, Geometry, Statistics]—Serials

academic achievement; academic self-perceptions; math; science; middle school; structural equation modeling, 8959
academic beliefs; self concept; academic performance; international mathematics; science study, 29349
accountability; average mathematics scores; state education policy attributes; cognitive achievement domains, 14999
addition operations computation; large numbers; rhesus monkeys, 6654
alternative representations; arithmetic word problem solving; mental representation; paradigmatic techniques, 407
arithmetic inversion; arithmetic associativity; knowledge level; conceptual development; associativity, 31421
arithmetic priming; neglected numbers; visuospatial neglect; parafovea; visual field; judgment task, 18740
arithmetic; problem solving; word problem; arithmetic learning disabilities, 29130
assessment validity; students; disabilities; mathematics content; mathematics achievement, 9038
attention deficit hyperactivity disorder; arithmetic task performance; frustration, 17062
base-10 tasks; counting on; child performance; trading; partitioning; procedural knowledge, 22498
bidirectional links; multiplication facts; activation of multiplication operand nodes; product, 15690
calculation latency; mathematics; strategies; memory; transformation; response time, 21909
children understanding; inversion; missing number paradigm; arithmetics, 25262
Chinese parental involvement; mathematics learning; American parental involvement; mother child interaction; proportional reasoning, 13153
classroom learning experiences; mathematics; new entrant children; Down syndrome, 5844
coefficient alpha; sample homogeneity; reliability generalization; mathematics questionnaire, 6362
cognitive assessment; learners; knowledge structures; schema; problem solving; arithmetic; memory; expertise, 16111
cognitive foundations; reading skills; arithmetic skills; verbal ability; nonverbal ability; phonological memory; digit comparison speed; phonemes, 16098
Common Ground initiative; Math Wars; mathematicians; mathematics; education, 27131
correlational coefficient; mathematical analysis; quasi orders; Knowledge Space Theory; goodness-of-fit measure, 21791
creative mathematical thinking; schooling; age; knowledge; developmental variation, 34331
educational practices; science; math; engineering; technology; advancement; student engagement; Peach Blossom Shangri-La, 5681
executive processes; memory updating; simple mental arithmetic, 31039
exercise; single mathematical object; pedagogy; variation; sense making, 15745
flexible mental processes; numerical size judgments; Hebrew letters; linguistic function; alphabets; arithmetic, 24824
girls; Turner syndrome; primary school students; mathematical disability; normative group; counting skills, 26299
group differences; sex; social background; ethnic background; equal capacities and achievement; choice behavior; mathematics; science subjects; secondary education; Netherlands, 17954
history of mathematics; numerical concepts; evolved cognitive abilities; human culture; cultural concepts; epidemiology; numerical competence; cultural transmission; number module, 24545
home; schools; mathematics; social practice; classroom; social identities; teachers; socialization; underachievement, 36303
instructional interventions; mathematics; students; emotional disorders; behavioral disorders, 30371
integral trimmed regions; empirical distributions; half-space trimming; zonoid trimming, 9451
intra-disciplinary synthesis; inter-disciplinary synthesis; qualitative mathematics; cultural psychology, 25474
Jim Kaput; mathematics educator; mathematics education, 17980
language characteristics; mathematics test items; English language learners; student performance; disabilities; educational measurement, 27663
limit of the difference quotient; limiting process; difference quotients; students; reflective connections; associative connections, 21185
literacy experiences; teaching propensities; elementary preservice teachers; reading mathematics word problems, 30255
math identity; gender related stereotypes; human sex differences; stereotype threat, 34611
math interest; choice intentions; non-traditional African American college students; social cognitive career theory, 24221
mathematical discourse; mathematics teaching methods; language barriers; South African primary school, 15058
mathematical relativism; logic; grammar; arithmetic; cultural comparison; anthropology; mathematical environments, 25469
mathematics anxiety; gender differences; age differences; college students, 16513
mathematics beliefs; elementary school students; academic achievement; Japan; United States, 21187
mathematics curriculum; written communication; school; writing needs; mathematics teacher; writing skills, 33399
Mathematics Interest Inventory; test development; test evaluation, 3148
mathematics skills; Tswana speaking learners; mathematics achievement; social class; South Africa, 15009
mathematics; cognitive correlates; arithmetic; algorithmic computation; word problems; third grade skill; language; problem solving; concept formation; processing speed; long term memory, 15003
mathematics; consciousness, 6522
mathematics; homework practices; mother child interactions; parents, 21189
mathematics; learning disability; single digit multiplication; incremental rehearsal; retention; intervention, 9015
mathematics; medical school; calculus; premedical students; curriculum, 36073
mathematics; student performance; instructional methods; instruction; new topics; eighth-grade students, 36264
modeling; language; mathematics word problems; bilinguals; problem completion paradigm, 10031
multiple solution methods; mathematics learning; worked out examples, 24188
multiplication verification task; answers; mental arithmetic theories; calculation algorithm, 15688
multiplicative effects; additive effects; mathematical reasons; analysis of variance; dependent variable, 18616
music; middle school students; math test scores; counseling; education; ethnicity, 30164
natural number arithmeticians; preschoolers; educational programs; cognitive development, 34350
non symbolic arithmetic; young children; adults; arithmetic calculations, 13117
parental role; learning facilitation modes; informal learning; mathematics; Grade One learners, 18018
plane area; elementary children; mathematics concepts; measurement, 19181
plane area; elementary children; mathematics concepts; measurement, 19196
platonic foundations; finance models; models interpretation; mathematics, 18180
predictors; university students' performance; elementary arithmetic; math skills, 18064
problem size effect; mental arithmetic; event related brain potentials; memory retrieval; arithmetical problems; processing strategies, 34154
psychological time; homogeneity; ambivalence; mathematics; attention; developmental psychology; metaphor, 24664
psychological time; homogeneity; ambivalence; mathematics; attention; developmental psychology, 24681
psychological time; homogeneity; ambivalence; mathematics; attention; developmental psychology; metaphor, 24680
psychometric approaches; elementary school education; arithmetic word problems; item response theory; individual difference, 11976
reading skills; mathematical fluency; decoding; chunking; comprehension; reading aloud, 30263
reading; mathematics, 30218
risk information; genetic counseling; risk communications; risk expressions; risk responses; comprehension; words; numbers, 2202
sex differences; age differences; mathematics, 8976
signed arithmetic story problems; primary level deaf & hard of hearing students; American sign language; problem solving strategy use; problem difficulty, 18106
social propositional spaces; Galois field; mathematics space; social location; social statement spaces; finite vector spaces; real vector space, 3231

specialist school status; mathematics college; computing college; technology; pedagogical perspectives; education personnel; job promotion, 17951
spiral repetition; generative life cycle model; ecology; life story; life and death; time concept; metaphor, 25229
spiral repetition; generative life cycle model; ecology; life story; life and death; time concept; metaphor, 25218
strategy selection; arithmetic split effects; addition comparison; verification tasks; cognitive aging; decision processing, 6515
student success; undergraduate mathematics courses, 21183
task interspersal; task difficulty; on-task behavior; math worksheets, 21133
trigonometric functions; mathematical functions; stimulus functions; algebraic functions; contextual cues, 33868
Turing; formal language; arithmetic; computer science; cognitive science; Turing machines, 22357
working memory; carry; borrow; mental arithmetic; phonological; phonological working memory; visuospatial working memory, 9632

Mathematics [See Also Algebra, Calculus, Geometry, Statistics]—Books

Gender differences in mathematics: An integrative psychological approach, 8983
The math instinct: Why you're a mathematical genius (along with lobsters, birds, cats, and dogs)., 3285
What successful math teachers do, grades 6–12: 79 research-based strategies for the standards-based classroom, 21170

Mathematics (Concepts) [See Also Algorithms, Number Systems, Numbers (Numerals)]—Serials

arithmetic fact retrieval; cognitive functions; acalculia, 3363
arithmetic inversion; arithmetic associativity; knowledge level; conceptual development; associativity, 31421
children's ability; conceptual understanding; addition; subtraction; mathematical understanding; physical objects; individual differences; school age children, 6984
debate; continuity hypothesis; innate nonverbal counting principles; verbal count list; competence; performance; preschool children, 13140
definitional formulas; computational formulas; conceptual formulas; introductory statistics course; understanding, 5747
development of fraction concepts; physically distributed learning; physical environments, 430
elementary school students; rational number; physical quantities; infinite divisibility; reasoning, 7023
high school geometry classes; mathematical tasks; student's perspectives; proving; proofs, 14964
informal out of school mathematics; formal in school mathematics; decimal numbers; learning environment, 8893
interactive computerized environment; students; theory concepts; collaborative learning; arguments, 21149
limit of the difference quotient; limiting process; difference quotients; students; reflective connections; associative connections, 21185
math-estimation task; communal learning; individual learning; African American children; cultural context, 11988
mathematical thinking; mathematical learning; mathematical modeling; structural engineers, 12571
mathematics education; mathematical symbols; teacher student discourse; lessons errors; first grade students; mathematical ability; negotiation, 5644
middle school students; understanding; equal sign; textbook series; algebra, 36266
multiplicative thinking; children's solutions; sophisticated solutions; paper folding tasks, 12721
neighborhood effects; mental arithmetic; multiplication problem, 3402
nonhuman number concepts; parrot cognition; avian intelligence; numerical ability; addition skills, 15794
numerical relationship; inference ability; counting skills; childrens cognitive skills, 792
plane area; elementary children; mathematics concepts; measurement, 19181
plane area; elementary children; mathematics concepts; measurement, 19196
size congruity; physical formats; numerals, 21923
two digit numbers; addition; mental arithmetic, 3362

Mathematics Achievement—Serials

academic achievement; mathematical difficulties; attention deficit hyperactivity disorder, 14018
academic enablers; mathematics achievement; interpersonal skills; study skills; elementary grades, 11981
academic self schemas; self congruent learning; cultural differences; Australian students; Chinese students; high school students, 2688
assessment validity; students; disabilities; mathematics content; mathematics achievement, 9038
child temperament; maternal temperament; math achievement; poverty; reading achievement, 6971
childrens division strategies; age related changes; childrens performance; conceptual knowledge, 16128
cognition; motivation; emotions; Hispanic students; White students; mathematics achievements; self efficacy; mental ability; racial differences, 24219
college algebra; students; mathematics disability; differentiation; mathematics difficulty; math fluency; nonverbal/visual reasoning; reading; attention; working memory, 2746
college students; mathematics course; learning disabilities; performance, 2752
Comprehensive Test of Nonverbal Intelligence; racial ethnic group differences; reading achievement; math achievement; construct validity; Woodcock Johnson Psychoeducational Tests of Achievement, 44
curriculum-based measures; statewide standardized achievement tests; norm-referenced achievement tests; reading performance; mathematics performance; math computation; math concepts, 18598
definitional formulas; computational formulas; conceptual formulas; introductory statistics course; understanding, 5747
early acceleration; mathematics achievement growth; school & student characteristics; individual differences; formal algebra, 11998
elementary teachers; systematic error patterns; subtraction problems; math performance; instructional focus; identification; remediation, 2622
equal sign; solving equations; algebra; middle school students; problem solving; mathematical ability, 30312
gender differences; ethnic differences; mathematics achievement; students attitudes; parental expectations, 18044
immigrants; nonimmigrants; reading; mathematics; school factors; socioeconomic factors; sociocultural factors; first generation; second generation; educational achievement; 15 year old students, 5808
mathematics ability; geometry vocabulary; academic achievement; school learning; children's literature, 18010
mathematics achievement; classification & regression trees; achievement growth; family socioeconomic status; individual differences; middle & high school students, 11997
mathematics achievement; middle school students; school environment; school context and practice; student and school demographics; teacher educational attainment; mathematics curricula, 33449
mathematics achievement; monitoring educational changes; curriculum; academic achievement; mathematics education; item analysis, 24666
mathematics performance; educational system; achievement gap, 8957
mathematics performance; performers; contingency phase; rewards; problem solving, 30320
mathematics program; mathematics ability; potentially talented; adolescent girls; program perceptions; at risk population; social sciences; mentor, 27195
mathematics skills; Tswana speaking learners; mathematics achievement; social class; South Africa, 15009
mathematics; student performance; instructional methods; instruction; new topics; eighth-grade students, 36264
online discussion; self regulated learning; instructional methods; mathematical literacy; metacognitive guidance, 27182
parent involvement; mathematics achievement; racial groups; ethnic groups, 12014
parental perspectives; mathematics learning; mathematics education; community context; poor students; minority groups, 36147
parents; causal attributions; child school achievement; preschool primary transition; reading achievement; math achievement; parent education, 12006
Scottish schools; curriculum; policy; gender; mathematics achievement; Assessment of Achievement Programme Scotland, 8974
self concept; goal orientation; mathematics achievement; help seeking behavior; adult high school students; intrinsic motivation; learning strategies, 2710
sex differences; math performance; approach to schoolwork; classroom performance; achievement goals; classroom behavior; learning strategies; self-efficacy; math grades; motivation; longitudinal, 11836
socioeconomic status; ethnicity; mathematics achievement; gender differences, 18057
student goal orientations; parent goal orientations; classroom goal structures; math achievement; African Americans; high school transition; self-efficacy in mathematics, 11986
underachievement; mathematics; UK children; social perspective; low socioeconomic status, 36304
visuospatial skills; math performance; girls; fragile X syndrome; Turner syndrome; object identification; visual perception, 26297

Mathematics Achievement—Books

Gender differences in mathematics: An integrative psychological approach, 8983

Mathematics Anxiety—Serials

mathematics anxiety; gender differences; age differences; college students, 16513

Mathematics Education—Serials

achievement; middle-grades; professional development; reform in mathematics education, 8890
children's mathematical thinking; classroom cultures; social interaction; cognitive processes; class discussion, 27268
classroom instruction; student performance; linear equations; linear inequalities; mathematics education, 18067
classroom practice; students; algebraic reasoning skills; instructional practice, 11899
collective mathematical understanding; improvisation; mathematics education; classroom practice; mathematical tasks, 18054
college students; mathematics course; learning disabilities; performance, 2752
Common Ground initiative; Math Wars; mathematicians; mathematics; education, 27131
definitional formulas; computational formulas; conceptual formulas; introductory statistics course; understanding, 5747
developing mathematics teachers; preservice teachers; experienced teacher; epistemology; educational programs; learning environment; teacher education, 27145
early acceleration; mathematics achievement growth; school & student characteristics; individual differences; formal algebra, 11998
early childhood; education; mathematics learning strategy; teachers; India; culturally responsive teaching; finger counting technique, 18020
elementary students; learning; bar graphs; graphing application software, 21176
elementary teachers; mathematics knowledge; reform minded teaching; professional development; lesson study, 8863
elementary teachers; systematic error patterns; subtraction problems; math performance; instructional focus; identification; remediation, 2622
equal sign; solving equations; algebra; middle school students; problem solving; mathematical ability, 30312
gambling; mathematical knowledge; odds; college; university; students; mathematical expectation, 18042
high school geometry classes; mathematical tasks; student's perspectives; proving; proofs, 14964
high school; algebra; learning disabilities; student perceptions; intervention; success; accomodations, 2744
informal out of school mathematics; formal in school mathematics; decimal numbers; learning environment, 8893
interactive computerized environment; students; theory concepts; collaborative learning; arguments, 21149
Invisible Wall Project; reasoning; problem solving processes; primary students; lower secondary students, 15065
Jim Kaput; mathematics educator; mathematics education, 17980
linking research; mathematics education; classroom teaching, 18021
math motivation; science motivation; choices; beliefs; longitudinal associations; out-of-school activities; values; course enrollment; activity participation; gender, 12009
mathematical discourse; mathematics teaching methods; language barriers; South African primary school, 15058
mathematical learning; computer assisted teaching; mathematical multimedia software; Down syndrome; special education, 30375
mathematical literacy; standardized mathematical assessments; mathematical skill; mathematics educators; mathematical representations, 30282
mathematical thinking; mathematical learning; mathematical modeling; structural engineers, 12571

mathematics achievement; monitoring educational changes; curriculum; academic achievement; mathematics education; item analysis, 24666
mathematics education; algebra instruction; curriculum; young students; algebraic concepts, 18011
mathematics education; evaluation criteria; scientific communication, 17958
mathematics education; higher education institutions; doctorates; job positions; mathematics educators, 30251
mathematics education; mathematical symbols; teacher student discourse; lessons errors; first grade students; mathematical ability; negotiation, 5644
mathematics education; primary multilingual classroom; discourse analysis; dominant language, 11962
mathematics education; teachers; research; National Council of Teachers of Mathematics; International Advisory Board members, 11868
mathematics intervention; teaching mathematics; reading strategies; reading related instruction, 30264
mathematics language reading interactions; algebra learning; English language learners; reading challenges; middle school students; classroom mathematics instruction, 30275
mathematics lessons; teacher mistakes handling; beliefs about learning process; culturally specific instruction; teacher student interactions; classroom settings; Italy; US, 2673
mathematics program; mathematics ability; potentially talented; adolescent girls; program perceptions; at risk population; social sciences; mentor, 27195
mathematics skills; Tswana speaking learners; achievement; personal potential; affective facets; teaching; socio-economic context; cognitive ability, 27221
mathematics teacher education; Florida's public schools; student demographics; teaching; mathematics; public schools; African-American students, 33393
mathematics teaching; cross cultural video analysis; Italy, 8938
mathematics teaching; primary school classrooms; teaching characteristics; problem solving; teaching quality; classroom behavior; childhood development, 8921
Mathematics teaching; teachers; key concepts; teaching curriculum, 8933
mathematics teaching; teaching systems; United States; Third International Mathematics and Science Study; video study, 11925
mathematics; homework practices; mother child interactions; parents, 21189
mathematics; student performance; instructional methods; instruction; new topics; eighth-grade students, 36264
mathematics; teaching; mathematics teacher education, 30236
memory; mathematics learning difficulty; basic addition performance; counting speed; adolescent student; learning; problem solving strategies, 21186
middle grades; policy issues; reform in mathematics education; teaching practice, 8905
middle school students; mathematical word problem-solving; learning problems, 5852
middle school students; understanding; equal sign; textbook series; algebra, 36266
old math; new math; parents experiences; African American; reform; schools; curriculum; participation, 36279
origami math; deaf; teaching; students; general & special education; hard of hearing, 18012
parental perspectives; mathematics learning; mathematics education; community context; poor students; minority groups, 36147
parental role; learning facilitation modes; informal learning; mathematics; Grade One learners, 18018
perceived barriers; conceptual teaching; mathematics; international perspective, 11910
preservice teacher training; science teaching; mathematics teaching; technology integration; technology use; pedagogical content knowledge, 2621
problem solving; mathematics education; experiences; college students, 8978
problem-based courses; mathematical proof; strategies, 14981
promoting strategic learning; eighth grade students; mathematics struggling, 7937
social justice; Latinos; mathematics teaching; parental attitudes; curriculum; classroom, 36160
student performance; educational research; mathematics education; special education, 27168
student performance; mathematics word problems preferences; explicit timing; interspersing procedures; second grade students, 24201
students procedural knowledge; mathematics education research; conceptual knowledge, 9508
students' conceptual understanding; experimental calculus course; mathematical software, 14960
students' coordination; geometric reasoning; fixed perimeter task; mathematical understanding; linear measurement; numerical strategies; cognitive theory; problem solving, 27210
students' motivation; elementary mathematics; classroom experiences; teacher student interaction; self efficacy; elementary school student attitudes; affect, 27264
students; equations; cognitive overload; mathematical expressions; word problems; unit analysis, 36278
surplus meaning; attributions content; mathematics students; dimensional perceptions, 2693
teacher attitudes; cultural differences; mathematics lesson construction; classroom instruction; mathematical concept; lesson planning; US; Japan, 5699
teaching; geometry problems; instructional situations; mathematical tasks; reasoning; classroom interaction, 30271
working memory; mathematical skills; children; mathematical development; mathematics curricula; cognitive ability, 13133
Mathematics Education—Books
The math we need to know and do in grades preK-5: Concepts skill, standards and assessments (2nd ed.), 33428
What successful math teachers do, grades 6–12: 79 research-based strategies for the standards-based classroom, 21170
Mating Behavior (Animal) [See Animal Mating Behavior]
Matriarchy—Serials
elephants; dying; matriarch; animal behavior; family, 34022
Matriculation [See School Enrollment]
Maturation [See Human Development]
Maturity (Emotional) [See Emotional Maturity]
Maxilla [See Jaw]
Maximum Likelihood—Serials
asymptotic distributions; likelihood ratio criteria; covariance structures; nonnormality; normal assumption, 9481
beta distribution; regression; variance; generalized linear model; heteroscedasticity, 15536
conditional prediction; probability judgment; confirmation bias; metacognition; overprediction, 27848
confirmatory factor analyses; least squares means; maximum likelihood; variance; simulation, 24656
consistent variable selection; large panels; observable factors; econometric method; linear factor model; maximum likelihood, 15526
dichotomous variables; latent variables; maximum likelihood analysis; nonlinear structural equation model; EM algorithm, 3232
eigenvalues; covariance matrices; spiked population models; population size; maximum likelihood; statistical analysis; multivariate analysis, 21732
empirical likelihood; single index models; linear regression; statistical probability; multivariate analysis, 21798
estimation bias; multiple-category classification; likelihood; Bayesian estimators; item response theory; educational measurement, 30613
generalized growth curve model; matrices; regression coefficients; maximum likelihood estimation; simulation, 30844
growth mixture models; start values; latent classes; local solutions; local optima; maximum likelihood, 15513
item parameter estimation; three parameter logistic model; marginal maximum likelihood estimation; Bayesian estimation, 167
likelihood ratio stastics; separability; covariances; test construction; null hypothesis; multivariate analysis, 18617
linear inequality constraints; product multinomial setting; testing; statistics; probability vectors; maximum likelihood estimates, 30801
maximum likelihood estimation; all-pass time series models; simulation; autoregressive-moving average model; autoregressive polynomial, 21731
maximum likelihood method; covariance structure analysis; statistical analysis; skewness effect; multivariate implication, 9482
maximum likelihood; weighted least squares means and variance; confirmatory factor analyses; estimation, 24657
minimum description length; information theory; inductive inference; compressed data; data coding; information extraction; model selection; normalized maximum likelihood, 15523
multigroup common factor model; minimal uniqueness constraints; power; uniform bias; maximum likelihood, 21766
proximity coefficients; interrelationships; sequence behavior; intrinsic organization; statistical correlation, 24688
psychosomatic medicine; research; modern missing data methods; direct maximum likelihood estimation; multiple imputation; illustrative analysis; quality of life, 21757
reduced rank parameterizations; multivariate models; statistical correlation; maximum likelihood estimators; statistical analysis, 15506
skew normal measurement error models; maximum likelihood; Bayesian inference, 9445
trait values; genetics; nonresponse mechanism; environmental variance; monozygotic twins; dizygotic twins; maximum likelihood estimation, 34061
Maximum Security Facilities—Serials
malingering; psychopathy; maximum security forensic psychology inpatients; psycho-legal assessment; Minnesota Multiphasic Personality Inventory-2 validity scales, 7738
psychiatric settings; secure inpatient care; solution-focused models; forensic patients, 24001
Maze Learning—Serials
dopamine antagonists; systemic treatments; acetylcholine; radial maze learning; scopolamine; flupenthixol; rats, 25024
dorsal hippocampus; parietal cortex; allocentric space; egocentric space; Hebb-Williams maze; lesions; spatial information processing; acquisition; retention, 28089
estrogen; hippocampal striatal dependent learning; cognitive strategies; ovariectomized; female long evans rats; cognitive strategies, 465
hippocampal activity; virtual radial arm maze; spatial memory; virtual reality, 520
hippocampus; T maze; radial-arm maze; rats; place learning; excitotoxic lesions; spatial working memory; subiculum, 18994
Mozart effect; rats; spatial reasoning; Mozart piano sonata, 27959
Mozart effect; rats; spatial reasoning; Mozart piano sonata, 27962
rats; learning; prenatal methamphetamine exposure; navigation tasks, 3702
repetitive dextromethorphan; adolescence; water maze learning; spatial learning; female rats, 13007
spatial learning; goldfish; gustatory cues; intramaze cues; sensory cues, 9701
spatial memory; radial maze; pigeons, 15782
Mazes [See Also T Mazes]—Serials
anxiety status; morphometric parameters; amygdala; bed nucleus; stria terminalis; aging; rats; acoustic startle, 34113
anxiolytic like effects; short term postnatal protein malnutrition; elevated plus maze test; diazepam, 34210
consolidation; acquisition; retrieval; Morris water maze; orexin 1 receptors; functional inactivation; lateral hypothalamic area; hippocampus, 34067
ethological analyses; temporal analyses; anxiety like behavior; elevated plus maze model; rodents, 9717
histamine agents; ventral hippocampus; rats; plus maze test; anxiety; brain, 25045
locomotor effect; anxiolytic effects; acetaldehyde administration; elevated plus maze; ethanol; mice; behavioral effects; drug effect, 9893
maze task performance; regulatory mechanisms; autonomic nervous system; nonverbal intelligence; autonomic balance, 3567
Porsolt Forced Swim Test model; epi-inositol; depression; immobility; swimming; struggle time; rats, 678
radial maze; senescent hooded rats; olfactory cues; baited arms; working memory; animal foraging behavior, 12805
retrosplenial cortex lesions; water maze; rats; animal learning; spatial memory, 22154
taurine effects; rat behaviors; anxiety models; plus maze test, 19047
vicarious trial and error behavior; hippocampal cytochrome oxidase activity; Y maze discrimination learning; rat, 15789
MDMA [See Methylenedioxymethamphetamine]
Mealtimes—Serials
anorexia nervosa; behavior conditioning; structural family therapy; adolescent females, 35533

breast feeding; mealtimes; mother infant interactions; feeding practices; mealtime negativity, 13361
eating patterns; evening hyperphagia; nocturnal eating; objective bulimic episodes; shape concerns; binge eating disorder; disordered eating; depressive symptoms; night eating syndrome; overweight, 7970
family style mealtimes; quality of life; physical performance; body weight; nursing home residents, 29959
meal duration; social facilitation; eating; humans, 16504
meal support training; eating disorders; practical guidance; collaborative stance; friends; families; problem solving approach, 1644

Mean—Serials

arbitrary observation; optimal predictor; self consistency; mean, 9458
comparability; meta-analysis; standardized mean difference; effect size; measurement considerations, 27687
individual fluctuations; alcohol consumption; drinking cultures; alcoholic beverages; collective consumption; regression towards mean, 28530
interpretation of confidence intervals; replicability of results; average probability of replication; confidence interval misconceptions; statistical means; future replication means, 30809
location estimation; error process; LARCH process; memory; mean; M-estimators; normal distribution, 30802
maximum likelihood; weighted least squares means and variance; confirmatory factor analyses; estimation, 24657
means and covariance structures approach; measurement invariance; second order factor structure, 24661
preservice elementary teachers; procedural knowledge; mean; median; mode; statistical content knowledge, 14924
reliability generalization; survey; organizational support; test items; test reliability; employee's well-being, 27682
sample mean; covariance; skew elliptical model; scale matrix; location vector; testing hypothesis; power function, 21758
selection differential; top down selections; stochastic model; variance; mean, 3217
structural equation modeling; fit index criteria; data distribution; root mean square; error of approximation, 15535
teachers; means and covariance structures; testing; factor structure; latent mean differences; multigroup invariance, 24660
time related mean differences; cross sectional analysis; narrow age cohort samples, 30817
trimmed means method; Hall's transformation conjunction; heteroscedastic test statistic; analysis of variance model, 171

Meaning [See Also Verbal Meaning]—Serials

academic motivation; meanings of education; personal values; university students, 27247
affect; risk perception; emotional processes; dominating meanings, 16577
affect; risk perception; emotional processes; dominating meanings, 16584
aging; self-meaning; person-object relations; materialism; later-life relationships; identity, 34444
assessing structural properties; personal meaning systems; measuring meaning of life; theology students; science students; health; well being; life satisfaction, 31830
automotive industry; organizational change; transportation experience; marketing department; volvo car corporation; personal problems; meaning, 27427
awareness; faces; emotional meaning; threat; perception; detection; stimuli, 18673
beliefs; perceived value; science; religion; perceived truth; belief value, 7530
boundaryless careers theories; employment settings; occupation; social conditions; economic conditions; meaning; purpose, 18193
breast cancer; meaning; art; postmodernism, 31318
breast cancer; meaning; discourses, 8079
case alternations; meaning of predicates; morphosyntactic expression of arguments; swarm class verbs; frame semantic approach; diathesis; event structuring concept; Czech; linking; semantic roles, 6901
Catholic pastoral action; religious leaders; therapeutic intervention; traditional psychology; Catholic Church; logotherapy; Tsunami; religious faith; life meaning, 4969
Christian conversion; drug addiction recovery; depression; Logotherapy, 4949
coloring task; extensional meanings; information collection; body part terms, 34299
conditionals; mental models; suppositional conditional; counterfactuals; theory; knowledge; pragmatics; semantics; meaning; inference; reasoning; mental representations, 356
content normativity; semantics; naturalism, 19094
creativity contexts; novelty; meaning; psychometric measures; projective tests; correlation analyses, 21652
cross cultural differences; meanings search; suicidal behavior; methodological challenges; psychometrics, 16860
diverging interpretations; indirect negative meaning; conversation, 6526
dream analysis; repression; meaning; psychoanalytic process; psychoanalysis, 8359
Egypt; Greece; comparative; dream-books; cultural meaning; dream content; cross-cultural differences; social phenomena, 27928
evolution; semantics; language games; meaning; communication; words; players, 27497
family; meanings; kinship networks; ethnography; minority ethnic families, 22601
gender beliefs; meaning of work; work experiences; women; widows; nonwidows; Japan, 19408
grief; meaning reconstruction; bereavement; constructivist theories, 13538
introduction to issue articles; ego state theory; Freudian agencies; meaning; transactional analysis; psychoanalysis, 25730
Ken Wilber; Viktor Frankl; spirituality; comprehensive view; life meaning; philosopher; psychiatrist, 3725
language; meaning; social difficulties; emotional difficulties; behavioral difficulties, 13882
lay theories; meaning systems; social cognition; social psychology; self regulation; social perception; social development, 16484
linguistic anthropology; speech act theory; meaning; speech community; Hopi Indians; interpretation; arguments; debate; disputes, 13077
marriage; functional relationships; genderless unions; meanings, 13345
Meaning in Life Questionnaire; purpose in life; measurement; scale construction; well-being; internal consistency; factor structure; validity, 9382
meaning in life; positive affect; mood; goal appraisal, 10498
meaning maintenance model; social motivations; world view; mental representations; psychological threats, 22817
meaning of statistical significance; alpha values; p values; marketing research textbooks; marketing journals; overlapping confidence intervals, 30182
meaning of work; employee cynicism; employee engagement; emotions, 27391
meaning selection; subcortex; lexical ambiguity; repetition effects; semantic priming; subcortical lesions; lexical decisions, 35276
meaning; social constructionism; coordinated management of meaning model; understanding; data analysis; discourse; mental health service; professionals, 29897
meaning; willpower; determination; clergyperson; terminally ill patients, 32023
mental representations; autopoietic systems; perception; internal neural representations; surroundings; ourselves, 31902
mothers; daily routine; rituals; drawing; meaning making; belief systems; gendered responses; mother's presence, 16127
music; meaning; well being; positive aging, 10181
narratives meaning; interactional construction; negotiating meaning; punchline sequences; post punchline sequences, 9909
nuclear holocaust; human meaning; Hiroshima; Michihiko Hachiya; diaries; language, 25441
partnership discourse; pragmatic partnership; partnership construct; idealistic partnership; inter organisations, 5965
poetry; adolescents; helping teenagers; make a difference; meaning; purpose, 17733
poor women; poverty; health; legitimacy; discourse; feminist praxis; marginalized women, 19315
pragmatic plausibility effects; eye movements; lexical associative processes; sentential meaning; sentence matching task; time course, 34290
preschool children; number word meanings; counting, 13146
rape survivors; meaning reconstruction; women violence; violence recovery, 4912
recollection rejection; semantic similarity; memory conjunction paradigm; meaning, 433
religion; meaning making framework; life stress; adversity; coping; meaning system; adjustment; loss, 10261
religion; meaning system; resiliency; new millennium, 10264
religion; meaning; prejudice; intergroup attitudes; cross cultural differences; cross religious differences; religious groups, 10255
religious experience; constructivist philosophy; Christian community; developmentally disabled; problem solving; meaning; cognitive ability, 7183
religiousness; meaning; life adjustment; stressful encounters; coping style; health; aging, 22837
sacred; personal goals; life meaning; religion; spirituality, 10254
search for mearning; death; grief, 31866
semantic inference; implicit consequentiality; implicit causality; semantic roles; meaning; interpersonal verbs; consequential verb attributions, 34268
semantics; pragmatic reasoning; expressions types; conventional meanings, 19098
semester at sea; meaning; life experiences, 27172
significant dreams; highly memorable dreams; self narratives; narrative psychology; archetypal psychology; meaning making, 34000
social constructionism; social inequality; social sciences; meaning, 25451
social policy; religion; meaning system; new millennium; public policy development; policy implications; positive influences; negative influences, 10258
spoken language comprehension deficit; verb subcategory knowledge; lexical syntax, 7983
stay at home mothers; cultural beliefs; leisure; meaning; Church of Jesus Christ of Latter Day Saints; women, 27446
strawsonian; sentence; meaning; contexts, 6507
subjective impact; meaning making; emotions; self defining memories; self defining events, 25715
surplus meaning; attributions content; mathematics students; dimensional perceptions, 2693
terror management; meaning; modern art; aesthetic judgments; need for structure; mortality salience; reality, 25676
theological strategies; breast cancer patients, 11027
therapeutic misconception; bioethics; medical practice, 17903
uniformity of fixation density; Voronoi method; fixation locations; cell size distributions; visual evaluation; intuitive meaning, 33934
Victor Frankl; Pytell; humanistic psychology; Rollo May; Carl Rogers; Abraham Maslow; logotherapy; meaning; Holocaust experience; trauma, 29618
Viktor Frankl; Logotherapy; Existential Analysis; meaning; reductionism, 8283
white space; rhetoric; history; meaning; visual theory; advertising; choice, 30548
women ideology; understanding of body art; meaning & belonging concepts; women with tattoos & piercing; negotiation of authenticity in body art; women's identities; body appearance, 7085
work; US industry; Latino immigrants; meaning, 7128

Meaningfulness—Serials

dimensionality impact; children's copying accuracy; intellectual realism; drawing accuracy, 3834
meaningfulness; prediction; psychosocial well-being; testicular cancer survivors; cancer-related distress, 29221

Measles—Serials

adverse publicity; MMR vaccine uptake; measles susceptibility; vaccination; deprived groups, 33023
vaccinated communities; public health; vaccination; measles, 32577

Measurement [See Also Achievement Measures, Aptitude Measures, Attitude Measurement, Attitude Measures, Body Sway Testing, Comprehension Tests, Creativity Measurement, Criterion Referenced Tests, Digit Span Testing, Employment Tests, Group Testing, Intelligence Measures, Inventories, Multidimensional Scaling, Needs Assessment, Occupational Interest Measures, Pain Measurement, Perceptual Measures, Performance Tests, Personality Measures, Preference Measures, Pretesting, Professional Examinations, Profiles (Measurement), Psychiatric Evaluation, Psychological Assessment, Questionnaires, Rating Scales, Reading Measures, Retention Measures, Screening, Screening Tests, Selection Tests, Sensorimotor Measures, Speech and Hearing Measures, Standardized Tests, Statistical Measurement, Subtests, Surveys, Symptom Checklists, Testing, Verbal Tests]—Serials

absolute monitoring accuracy; relative accuracy; metacognition; normal distribution; judgments, 15388
accelerometry; physical activity; schizophrenia; energy expenditure, 28771
acquaintance; quantity; quality; personality; person perception; Personal Acquaintance Measure; test reliability; self other agreement, 21654
actigraphic measures; agitated behaviour; dementia, 26429
active living research; built environment; urban design; walkability; operational definitions; measurement protocols, 33766
addiction; attentional bias; current concern; meta-analysis, Stroop; addiction-Stroop task; drug addiction, 18501
adjustment scales; children; adolescents; Native American Indians; factorial validity; generalization; Ojibwa youths; psychopathology, 27590
administration; standardized pretrial juror bias assessment; college students; semantic priming, 9347
Adolescent Sexual Abuser Project assessment pack-Dutch Revised Version; personality characteristics; juvenile sex offenders; juvenile perpetrators; violent offences; psychometric properties, 33839
aggression; computer simulation; fuzzy logic; marginal deviations; neural networks; sociometric predictors; aggressive conduct in children, 3133
antecedent assessment; mainstreaming; Tourette disorder; tics, 11128
antenatal psychosocial assessments; antenatal clinic; English speaking women; non-English speaking women, 1901
Antisocial Process Screening Device; Youth Psychopathic Traits Inventory; construct validity; justice involved adolescents, 15468
anxiety sensitivity, Anxiety Sensitivity Index-Revised, confirmatory factor analysis; psychometric properties; test reliability; test validity; factor structure, 18540
assertive outreach teams; multi professional service; crisis management; life difficulties; service interventions; outcome measures; research, 5354
assessing structural properties; personal meaning systems; measuring meaning of life; theology students; science students; health; well being; life satisfaction, 31830
assessment of acculturation; attitudes; behaviors; equivalence framework; domain-specificity; self report, 12428
Assessment of Work Performance; instrument development; work rehabilitation; job performance; motor skills; process skills; communication skills, 27674
assessment practices; school assessment policy; testing culture; assessment culture; secondary education; vocational education; vocational training, 8948
assessment tool; asynchronous communication; computer experts; laypersons; Internet based consulting services; help desks; hardware; software, 18394
assessment validity; students; disabilities; mathematics content; mathematics achievement, 9038
assessment; change; teaching standards; learning, 8944
assessment; cognitive impairment; quantitative electroencephalography, 6336
assessment; theory; practice; students outcomes; Nordic countries; education; communication, 33339
attention-deficit hyperactivity disorder; assessment; impaired functioning; evidence based assessment; outcome measurement, 35094
audiometric equipment; calibration; threshold measurements; acoustic test signals; reference hearing thresholds, 333
autistic symptomatology; preschoolers; early intervention; autism; treatment response; adaptive behavior; psychometrics; test reliability, 30747
behavioral identification; assessment; gifted students; talented students; behavior problems; teachers; administrators, 24263
behavioral symptoms; Alzheimers disease; early disease onset; senile dementia; dementia symptoms; elderly patients, 8127
Brief Symptom Instrument; test validity; test reliability; psychometrics; symptom assessment; chronic diseases; older adults; community; cancer; heart failure; pulmonary disease, 21690
built environment; physical activity; geographic information systems; environmental measures; GIS, 33767
Cancer Patients; Insomnia Severity Index; test Validation; construct validity; screening evaluation; internal consistency; factor structure; cancer diagnosis; test reliability, 128
Cardiac Depression Visual Analogue Scale; acute coronary syndromes; Cardiac Depression Scale; Beck Depression Inventory-II; depressed mood; cardiac population, 9390
Caregiver Reaction Assessment; pychometrics; temporal stability; primary caregivers; Norwegian cancer patients; palliative care; caregiver burden; well-being, 27623
centralized examinations; summative assessment system; Latvian examinations; Latvia education system; school based practices; standardized tests; external examinations, 8956
cerebral blood flow; evaluation; color duplex sonography; patients; untreated panic disorder; anxiety levels, 6787
child mental health services; adolescent mental health services; treatment outcomes; measurement, 14639
child-rearing beliefs; Chinese; culture-appropriate assessment, 28401
childhood obesity; prevalence; measurement, 14076
children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36314
children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36306
children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36323
children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36317
children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36310
children's learning; reasoning; national standards; classroom assessments; learning progression; research, 36302
chronic fatigue; chronic fatigue syndrome; pathogenesis; measurement scales, 26316
classification accuracy; Test of Memory Malingering; traumatic brain injury, 35291
classroom based assessment; preservice teacher education; assessment driven planning, 5701
clinical assessment; computer application, 20739
Clinical Institute Withdrawal Assessment for Alcohol; alcohol detoxification episodes; test score comparison, 15470
clinical interviewing; ethnic minorities; assessment; diagnosis; African Americans; ethnic & cultural factors, 20424
clinical utility; soft phonation index; multi dimensional voice program; vocal folds; acoustics; female speakers, 15402
clinical variables; mental retardation; children; pervasive developmental disorder; cognition adaptation; age differences, 7928
clitoral color doppler ultrasonography; female sexual arousal; discriminant validity; convergent validity; clitoral blood flow, 28127
collectivism; individual differences; teams; groups; personality; in-groups; measurement, 30471
common method variance; correlations; self-report surveys; systematic variance; measurement bias, 15571
communication skills; receptive language development; severe expressive impairments; MacArthur Communication Developmental Inventory; Battelle Developmental Inventory, 33835
community policing; police performance measures; policing practice; reassurance policing; policing strategy, 24541
conceptualization; child care settings; parent involvement; measurement; rating, 28488
conceptualization; measurement; symbolic racism; belief system; racial policy preferences, 3997
construct validity; Balloon Analog Risk Task; psychopathic characteristics; antisocial behavior; risk taking; impulsiveness, 89
construct validity; balloon analogue risk task; BART; MDMA; methylenedioxymethamphetamine; risk-taking propensity; impulsivity; self report; sensation seeking; inner-city drug users, 24619
construct validity; C-tests; general language proficiency, 30656
consumer reactions; partnerships; emotional responses; attitudinal responses; sponsorships, 21466
contemporary research; statistical significance testing; effect sizes; counseling research, 18622
Copenhagen Burnout Inventory; burnout measurement; personal burnout; work-related burnout; client-related burnout; human service sector employees; test validity & reliability; job satisfaction, 6354
coping; Stressverarbeitungsfragebogen; Ways of Coping Questionnaire; reliability; factor structure; assessment; psychometric properties; stress, 6292
Corrective Feedback Instrument Revised; feedback; group settings, 33769
countertransference; measurement; psychotherapy research, 20441
creative thinking; personality; conscientiousness; student performance; assessment mentods; academic achievement prediction, 27213
curiosity; measurement, 34759
depression; rheumatoid arthritis; measurement; Center for Epidemiological Studies Depression Scale; test development; short-form version; test reliability; test validity, 21678
description; National Matriculation English Test; secondary schools; college students; entrance examinations; psychometric properties, 30770
differential functioning of items and tests; SAS/IML program; significance testing; differential item functioning; differential test functioning; DIFCUT, 12440
discriminant validity; Utrecht Work Engagement Scale; job involvement; organizational commitment; work engagement; psychometric properties, 24649
distance estimation skill; metric accuracy; training; pictures; words; verbal feedback; visual feedback, 18768
diverse student backgrounds; educator competency; educator attitudes; achievement; teaching practices; assessment practices; culture; language, 8898
domestic violence; marriage; couple therapy; agreement; CTS 2; Conflict Tactics Scale 2; relationship aggression, 7816
DOVE instrument; assessment; management; risk; domestic violence; abuse; partners prior to divorce mediation; safety plan intervention, 30721
Drinking Problems Index; problem drinking among older workers; alcohol screening; blue collar workers & drinking, 15490
drug use; assessment; adolescents; African American; Hispanic; drug abuse treatment; interviews; self report; measurement; marijuana use; cocaine use; urine assays, 7852
DSM IV; drug dependence; Addiction Severity Index; screening instrument; test validity; alcohol dependence, 27639
early psychosis; treatment services; treatment performance measures; Delphi method; consensus, 9330
Eating Disorder Assessment & Treatment Protocol; college students; counseling center; treatment guidelines, 20129
eliciting social preference; functional assessment; cancer therapy; lung health states; health related quality of life, 35817
environmental management; information processing; judgment and decision making; selective assessment; positivity bias; surveys, 15685
epidural anesthesia; epidural catheter; somatosensory evoked potentials; obstetrical analgesia, 11464
Ethical Intent Checklist; online counseling; Internet; counseling web sites; practice, 15403
euthanasia; death attitudes; patients autonomy; doctors authority; scale measurement, 9388
evaluating assessment; measurement theory; measurement utility; incremental validity; quantifying information value, 94
executive coaching efficacy; outcome measurement; Empathic Organic Questionnaire; valuation methodology; organizational psychology; test construction; test administration, 24651
executive function; aging; age-related effects; reliability; latent executive function construct, 30755
executive functions; aging; factor structure; executive functioning tests; Brixton Spatial Anticipation Test; Hayling Sentence Completion Test; Stroop Test; Color Trails Test, 15646
Expanded HIV Risk Factor Assessment Project; health knowledge; health promotion, 14600
Experiential Discounting Task; delay discounting; cigarette smokers; probability discounting; measurements, 15400
expressed emotion; assessment; rating scales; Five Minute Speech Sample (FMSS); perceived criticism; predictive validity; psychopathology, 30662
Extrinsic Affective Simon tasks; Implicit Association Test; indirect measures; anxiety; reliability; convergent validity, 30706
factor analysis; coping; stress; mothers; 2-year-old children; factor structure; measures, 30696

factor structure; Parenting Scale; low income African American sample; construct validity, 3147
factor structure; Yale Brown Obsessive Compulsive Scale; reliability; validity; obsessive compulsive disorder, 107
family assessment; methodological issues; continuous time analysis; dynamic systems; mutual parent-child relationships assessed; assessment of bidirectional influences; family relationships, 3257
family assessment; validity; methodology; family systems; family functioning; self-report measures, 21607
Family Check-Up; incarcerated adolescents; parents; motivation measure; at risk behaviors, 3146
family systems; family assessment; statistics; measurement; psychopathology; Social Relations Model, 3251
family systems; interaction processes; short- & long-term transitions; simulation models; state space models; time-serial measurement; dynamic systems approach; family assessment, 3268
frailty index; ageing populations; physical health; functional health; activities of daily living; hospitalization; mental scores, 33849
Frustration Discomfort Scale; test development; psychometric properties; frustration intolerance beliefs; psychological disturbance, 3159
functional assay; comprehensive assessment; functional tests; peripheral nerve regeneration; rat nerve injury, 553
gait nomogram; neuromuscular function; cerebral palsy, 4839
gender theories; intimate partner violence; sex symmetry; research; measurement, 1447
generalizability theory; mental workload; target variance; relative error variance; International Organization for Standardization, 6037
Geriatric Depression Scale; factor analysis; depressive mood; community residents; nursing home residents; geriatric hospital patients, 12510
Geriatric Depression Scale; Minimum Data Set; primary care provider diagnosis; depression; rural nursing home; older adults; quality of life; prevalence, 1364
group differences; scale validity; multi component measuring instruments; covariance, 3229
haptic perception; multidimensional scaling; roughness; compressibility; physical measurements, 12663
Health of the Nation Outcome Scales; HoNOS; patient symptoms; patient status; patient outcomes; clinicians, 14631
HIV; self report measures; antiretroviral medication; nonadherence, 8064
human resource management; employee attitudes; reports; management practices; measures; results, 9094
identity status; measurement structure; racial ethnic differences; gender differences; age differences, 12480
Implicit Association Test; evaluative conditioning; conscious propositional knowledge; conditioned stimulus; unconditioned stimulus, 21609
Implicit Association Test; explicit self report measures; correlation; memory, 425
Implicit Association Test; semantic similarity; semantic memory associations, 6241
implicit memory; priming; age differences; baseline scores; Snodgrass method; absolute measures, 21600
impulsivity; term usage; conceptualisation; measurement, 20954
incarcerated adolescents; psychopathy; confirmatory factor analysis; four-factor model; antisocial behavior; Hare Psychopathy Checklist Youth Version; factor structure, 21618
Indigenous societies; health performance measurement systems; health disadvantage; human rights framework, 27585
Initial Assessment; referral management system; waiting list initiative; mental health services; team morale; multidisciplinary team working, 20749
injection drug use; knowledge gain; capacity building; intervention development; rapid assessment and response; health problems, 23827
insanity acquittes; structured assessment; treatment completion; forensic psychiatrists; release from custody; community risk; clinical decision making framework; spread sheet program, 12382
insight; violence risk; mentally ill; measurement, 26004
institutional discrimination; structural discrimination; measurement; methodology; HIV discrimination; AIDS discrimination; policy, 9488
integrity tests; morality; ego development; moral reasoning; psychopathic personality; personality traits; individual difference, 18523
intellectual disabilities; children; early childhood settings; disorder severity; Individual Child Engagement Record; test construction; test reliability; psychometrics, 30765
Iowa Gambling Task; working memory; decision making; emotion-based processes, 31004
item response theory; differential item functioning; measurement invariance; family psychology; Project on Human Development in Chicago Neighborhoods; cross cultural measurement, 20
item response theory; measurement issues; leadership research, 27688
item validity; chronic back pain; functional capacity evaluation; occupational therapists; Dictionary of Occupational Titles; performance measure; physical demands of jobs, 15494
items; vocabulary; reading; second language testing; multiple true false test format; multiple choice; concurrent validity; reliability, 18503
Keele assessment; participation restriction measurement; psychometric properties; societal consequences; health conditions; individuals perception; contextual factors, 130
knowledge gaps; school staff; high quality ecological assessments; schools, 2604
lateral functional reach test; validity; reliability; reproducibility; community; older people; daily living activity; timed up & go; mental status, 18513
learning disabilities; problem solving framework; responsiveness to intervention; student centered assessment, 11831
Level of Supervision Inventory-Revised; reconviction; English prisoners; risk analysis, 18556
literacy teaching; assessment; professional development; secondary school teachers; knowledge; skills, 30243
longitudinal prediction; preschool parenting measures; low-income; middle childhood cognitive outcomes; socioemotional child outcomes; parenting assessment methodologies; measurement, 9512
love scales; simplified version; tetrangular model of love; Sternberg's model; psychometrics, 12487
MacArthur Competence Assessment Tool Criminal Adjudication; MacCAT-CA; competency to stand trial; forensic assessment; factor structure; validity, 6331
Marital Disillusionment Scale; psychometric properties; validity; internal consistency, 18508
measurement analogies; behavioral measurement; physical measurement; global psychophysical theory of intensity, 12591
measurement instruments; bioethics; research ethics; psychometrics, 17925
measurement; medical self-assessment; methodological issues, 5497
measuring alcohol consumption; ethanol; pharmacological relapse prevention treatment; cross cultural research, 27705
measuring alcohol consumption; ethanol; pharmacological relapse prevention treatment; cross cultural research; body weight, 27702
measuring anxiety; evaluation; validation; rating scales; psychometrics properties, 19
mental health counseling outcomes; psychotherapy outcomes; outcome measures, 17442
mental health court; Law Enforcement and Mental Health Project; diversion-to-treatment; effectiveness evaluation; measurement; research challenges, 9293
mental health services; outcome measures; consumer management; service quality improvement, 24624
mental healthcare; patient characteristics; outcome measures, 124
mental status; dementia; Alzheimer disease; cognitive function; assessment, 4763
methodological issues; substance use assessment; phenotypes; research designs, 26119
methodology; assessment; diagnosis; psychopathology, 14345
microwave radar devices; chronobiology studies; locomotor activity; Periplaneta Americana; circadian rhythm; monitoring insects, 9503
Minnesota Multiphasic Personality Inventory Adolescent; MMPI A; random responding; validity scales; response set, 6321
mood assessments; response time frames; depression; confusion; vigour, 852
mood disorders; depressive illness; assessment importance, 10629
mood disorders; virtual reality technology; spatial memory; treatment; measurement, 27626
mother-child relationships; mutually responsive orientation; dyadic relations; infants; father-child relationships; dyadic measures; measurement methodology; Mutually Responsive Orientation Scale, 31639
motivation measurement; students motivation; cross cultural approaches, 5791
multidimensional measures; unidimensional measures; measurement; cultural values; Hofstede Value Survey Module; test validity, 21604
multilevel longitudinal Rasch measurement model; hierarchical generalized linear model; psychotherapy outcomes assessment, 12511
multiple choice exams; multistate bar examination; dimensionality; Mplus; NOHARM; TESTFACT; guessing; factor structure, 15389
multitrait-multimethod approach; family relationships; problem behavior; questionnaire; observation, 3255
nasalance scores; cleft palate speakers; nasalance analysis; hypernasal patients; measurement, 17124
Necker-Wheatstone cube; fluctuations; measurement, 27568
neighborhood measurement scale; test validity; test reliability, 15392
Neuropsychological Battery for Systemic Lupus Erythematosus; test reliability; test validity; cognitive impairment; rheumatoid arthritis, 119
Neuropsychological Battery for Systemic Lupus Erythematosus; test reliability; test validity; cognitive impairment; rheumatoid arthritis, 118
nicotine dependence; cocaine abuse; addiction severity; Addiction Severity Index; Fagerstrom Test of Nicotine Dependence, 9398
non native language; quantity language; language rhythm; phonetics; syllables, 6923
noncognitive constructs; graduate education assessment; personality factors; student characteristics, 5834
North Carolina Assessment of Risk; measurement; risk assessment; juvenile offenders; risk of recidivism; predictive validity; race; ethnicity; gender, 18572
Nursing Motives for Helping Scale; test validity; test reliability; psychometrics; altruistic motivation, 21703
objective measures; activity attention; differential diagnosis; psychiatric childhood disorders; bipolar disorder; attention deficit hyperactivity disorder, 27618
obstetric risk; fetal monitoring guidelines; women; heart rate monitoring; appraisal process, 9343
olfactory computations; network oscillations; issues; measurement; olfactory information processing; molluscan model systems; multisite network measurements; network perturbations; causality, 15871
online assessment; grandmother experience; parenting styles; parental attitudes; teaching, 31650
outcome measurement; benchmarking; therapy service management; performance management; psychological therapy; counseling services; quality of services; organizational change, 29563
outcome measures; intervention; social sciences, 8241
paediatric pain; hospitals; nurses; pain management; negotiation; diagnosis, 35219
palliative care research; health-related quality of life instrument, 21701
panel surveys; analysis of Gini; sociology; selective attrition; German Socio-Economic Panel Study, 33884
parenting assessments; culture; race; class; gender; minority ethnic families; power; cross cultural assessments; family life; mental health, 13290
pathological gambling; assessment; cognitions; impulsivity; time perspective; convergent validity; cognitive distortions, 15460
peer assessment; manifestations of depression; person perception; personality judgment; Electronically Activated Recorder; cues, 32114
peer learning; learning-oriented assessment; technology-enhanced environments; collaborative learning; peer assessments, 33436
peer optimism; social competence; peer interactions; peer relationships; factor structure; test validity; test reliability; optimism questionnaire, 30679
perceptual attention; executive attention; attention measures; concentration measures; confirmatory factor model, 27603
perfect correlations testing; structural equation modeling; latent factors; parameter constraints, 9478
performance measures; drug services; health care delivery; continuum of care, 23966
person impressions; explicit measures; implicit measures; memory systems, 15556
personal drinking problems; social drinking problems; freshman first offenders; drinking measures, 9402

physical activity measurement; chronic conditions; disabling conditions, 9426
Physical Mobility Scale; test validity; test reliability; frail older people; physiotherapists; residential aged care, 33778
picture naming; name agreement; naming responses; measurement, 9353
plane area; elementary children; mathematics concepts; measurement, 19181
plane area; elementary children; mathematics concepts; measurement, 19196
portfolio assessment; learning enhancement; effective practice; students responsibility; candid reflection; strategic prompts; metacognitive independence, 5742
positive symptoms; negative symptoms; public school children; attention deficit disorder with hyperactivity; disorder assessment, 83
preliminary investigation; internal consistency; construct validity; Triple C checklist; communication competencies; severe disabilities, 3174
preliminary validity; computerized cognitive measures; neurocognitive tests, 3191
Prenatal Breast-feeding Self-efficacy Scale; psychometric properties; pregnant women: low income level, 15482
prevention; assessment; rehabilitation, 33188
price sensitivity: Korean consumers; consumer innovativeness; fashion; consumer behavior; price sensitivity scale; psychometric evaluation, 154
prior knowledge; written genres; examination settings, 8969
professional development program; teacher changes; instructional change; Classroom Assessment as a basis for Teacher Change project; CATCH; teacher support sources; assessment pyramid & practices, 8861
professional development; higher education; portfolios; learning; assessment, 11837
Profile of Mood States-Brief; US; Korea; test evaluation; psychometrics; test reliability; test validity, 33817
psychological factors; micrometer measurement; applied psychology, 9315
psychometric assessment; videophones suitability; communication tools, 27476
psychometric principles; Hamilton Depression Rating Scale; scale evaluation, 6324
psychometric properties; generalized anxiety disorder; Beck Depression Inventory; inventory evaluation; non elderly adult patients, 111
psychometric validation; Coping Styles Questionnaire for Social Situations : monitoring blunting coping styles; social anxiety disorder, 96
psychometrics; construct validity; tobacco dependence; measurement, 30670
qualitative assessment; assessment process; content analysis; qualitative methods; implicit leadership theories, 12424
quality of life measures; schizophrenia; psychometric properties, 7677
Rap music Attitude and Perception Scale; test validity; music; youth programs; hip hop culture; rapid assessment instrument; psychometrics, 12443
rating scales; scales of measurement; reliability; validity; clinicians; researchers; quadripartite scales; clinical psychology, 30715
rational-emotive behavior therapy; cognitive-behavioral therapy; theory investigation; tests, 35559
real relationship; therapist rated measure; therapeutic relationship; initial validation; psychotherapy; measurement, 82
reinforcement sensitivity theory; prevention orientation; promotion orientation; MTMM; multitrait multimethod model; reward; punishment; school & organization situations; measurement, 6240
Relational Health Indices; relational quality; measure; component structure, 3139
relationship aggression; dating violence; adolescent romantic relationships; adolescent aggression; assessment; threatening behavior; physical aggression, 6246
reliability; translated measures; assessment; dating violence; Mexican adolescents; Conflict in Adolescent Dating Relationships Inventory; Attitudes Towards Dating Violence Scales, 15452
robustness; centrality measures; random error; computer applications; data processing; social networks, 15321
Scale of Egalitarian Sex Role Attitudes; factor analysis; human service professionals; psychometric properties; womens rights; womens independence; egalitarian sex role attitudes, 24602
school practitioners; social skills assessment; social skills interventions; skills assesment instruments; psychometric properties; assessment derived interventions, 29
scores dependability; English as second language; speaking assessment; integrated tasks; independent tasks, 18506
screening; co-occurring mental disorders; substance abuse treatment; performance characteristics, 6315
secondary intervention; screening; concept; context; reading difficulties, 12080
sensitivity; within-person change; mood; diary studies; measures; Generalizability Theory; Profile of Mood States, 25650
sequential costs; poverty; measurement; low income families, 34495
setting events; emotional disorders; behavioral disorders; structural analysis; students; disruptive behavior; psychometrics, 10799
simulation comparison; parametric methods; nonparametric methods; test structure; psychometric model, 12550
situational judgment tests; scoring strategies; theory; practice; job applicants, 30787
sleep subscale validity; Diagnostic Assessment for Severely Handicapped II; profound intellectual disability; sleep disorder, 12508
smokeless tobacco users; nicotine dependence; concurrent validity; Fagerstrom Tolerance Questionnaire; Diagnostic Interview Schedule; clinical trial; bupropion, 30768
social cognitive constructs; career research; human functioning; measurement challenges; career development; self efficacy, 12151
social function; social cognition; concepts; measurement; schizophrenia; cognitive deficits; psychosocial interventions, 23044
social influences; scientific influences; criminal victimization; victimization measurement, 6160
social profile; test validity; test reliability; psychometrics; preschool childrens; social skills; occupational therapy students, 39
social work; traditional assessment; assessment procedures; social construction, 5323
South African children; assessment techniques; posttraumatic stress disorder; trauma, 10733
specialist memory clinic; learning disabilities; dementia; assessment; diagnosis, 17080
speech-language tests; speech-language pathologists; intellectual disability; students, 30653
speeded coding task; computer based mouse response; individual differences; psychomotor performance; task processing speed, 9346
standard error; confidence interval; maximal reliability; congeneric measures; coefficient alpha, 21789
statistic; dimensionality assessment; practitioners; researchers; standard deviation; DIMTEST, 33876
structural analysis of social behavior; assessment tool; interpersonal interactions; intrapsychic interactions, 27577
student marks; tutors assessment; group work; contributions, 12008
subjective well being; scales; individual oriented cultural conception; socially oriented cultural conception; test reliability; American; Chinese; culture, 12475
sun protection; golfers; ultraviolet exposure; body area; clothing; three dimensional body scans; hats; measurement, 21455
sympathetic cardiac reactivity; preschool children; young adults; pre-ejection period, 31272
taxometrics; depression; indicator validity; nuisance covariance; simulation; base rate; psychopathology, 6235
teacher quality research; student achievement; student success; school; teacher education; teacher assessment, 33760
test use; school psychologists; projective techniques; social emotional assessment, 24030
tests; phonemic fluency; semantic fluency; aging; age differences, 30661
threat orientations; health behaviors; health messages; measurement, 15481
total test scores; scores reliability; classical type linear model; ordinal measurement, 12567
trait aggression; television exposure; film violence; violent video games, 21640
trait anxiety; test performance; monkeys; learning test; cognitive tests, 6673
transitive indistinguishability; measurement; finite ratio-scale representations; mathematical modeling; comparative judgments, 21795
Treatment Beliefs Questionnaire; measurement; beliefs; children; family; child mood disorders; treatment needs; treatment participation; treatment adherence; agreement; concordance, 15449
treatment sensitivity; outcome measures; generalized social phobia; psychometric properties; test translations, 3173
treatment sensitivity; passive approach; preference and reinforcer assessments; children with intellectual disabilities; minimal physical movement; physical challenges, 32467
triage assessment system; crisis intervention; affective reactions; behavioral reactions; cognitive reactions, 29885
Trier Social Stress Test; subjective responses; psychosocial stress; cortisol; heart rate; psychometrics, 30650
two stage analysis; repeated measurements; dropouts; internment missing data, 15527
unconscious cognition; dissociation; critical stimulus; measurement; cognitive processes, 27878
unidimensionality; bandwidth; Center for Epidemiological Studies Depression Scale; classical test theory; item response theory, 12521
Urban Hassles Index; chronic multidimensional urban stressors; contextually relevant measure; underlying factor structure; life events indexes, 18499
Virtual Planning test; test-re-test reliability; executive functioning: planning; organization; healthy young adults; traumatic brain injury, 6335
visual tracking system; spatial navigation; rhesus monkeys; sex differences; memory task; visual perception, 9845
walkable neighborhoods; theoretical understanding; measurable definitions, 36559
website assessments; psychoactive substances; harm reduction approach, 23568
willingness; self censor; public opinion research; self esteem; validity; measurement tool, 6386
workplace incivility; job satisfaction; psychological distress; psychological well being; organizational behavior; Uncivil Workplace Behavior Questionnaire; test development; test validity, 147
worship; church attendance; Sunday worship services; public opinion; religious practices; spirituality; measurement, 7176
Measurement [See Also Achievement Measures, Aptitude Measures, Attitude Measurement, Attitude Measures, Body Sway Testing, Comprehension Tests, Creativity Measurement, Criterion Referenced Tests, Digit Span Testing, Employment Tests, Group Testing, Intelligence Measures, Inventories, Multidimensional Scaling, Needs Assessment, Occupational Interest Measures, Pain Measurement, Perceptual Measures, Performance Tests, Personality Measures, Preference Measures, Pretesting, Professional Examinations, Profiles (Measurement), Psychiatric Evaluation, Psychological Assessment, Questionnaires, Rating Scales, Reading Measures, Retention Measures, Screening, Screening Tests, Selection Tests, Sensorimotor Measures, Speech and Hearing Measures, Standardized Tests, Statistical Measurement, Subtests, Surveys, Symptom Checklists, Testing, Verbal Tests]—Books
Clinical neuropsychology: A pocket handbook for assessment, 2nd ed., 6338
Measurement and research in the accountability era, 11871
Measuring emotional intelligence: Common ground and controversy, 3166
MMPI-2: Assessing personality and psychopathology (4th ed.), 33818
Outcomes assessment in cancer: Measures, methods, and applications, 4716
Separation anxiety in children and adolescents: An individualized approach to assessment and treatment, 4979
Measurement Error [See Error of Measurement]
Mecamylamine—Serials
intravenous nicotine self administration; rats: mecamylamine; hexamethonium; naloxone; reinforcing effects, 22295
olanzapine interactions; nicotine; mecamylamine; rats; memory function; cognitive effects; schizophrenia, 657
Mechanical Aptitude—Serials
mechanical abilities; siblings, 30175
Mechanoreceptors—Serials
voltage clamp errors; anomalous interaction; independent ion channels; auditory hair cells; mechanoelectric transduction; series resistance; voltage gated calcium channels, 3633

Media (Communications) [See Communications Media]
Medial Forebrain Bundle—Serials
central extended amygdala network; neural circuit; brain stimulation reward; basal forebrain function; medial forebrain bundle; network circuitry, 22225
dopamine; self-stimulation; locomotion; in vivo microdialysis; rat medial forebrain bundle; nucleus accumbens; rewarding stimulation; neurochemical & behavioral consequences, 28076
dopaminergic projection; reward; reinforcement learning; medial forebrain bundle; dopamine; brain stimulation; tegmentum, 28072
lateral and medial anterior prefrontal cortex; contextual recollection; event details; experiences; event-related functional MRI, 571
Medial Geniculate Nucleus [See Geniculate Bodies (Thalamus)]
Median—Serials
inferences; median; random variables; random sampling; statistical analysis, 27691
preservice elementary teachers; procedural knowledge; mean; median; mode; statistical content knowledge, 14924
Median Nerve [See Spinal Nerves]
Mediation—Serials
adolescent school related deviant behavior; victimization; psychological distress; mediation; parents; teachers; gender; age, 36339
adult attachment style; symptom reporting; testing; mediational model; psychosocial factors; social support; self esteem; personality traits, 28626
adult attachment; shame; depression; loneliness; basic psychological needs satisfaction; mediation; distress, 1258
allostatic load; health disparities; physiological theories; allotasis explanations; mediation processes, 1863
alternative dispute resolution; conflict resolution; mediation; harmony ideology; anthropology; power; The Gambia, 19288
alternative dispute resolution; on-line dispute resolution; mediation; emotions; cognitive limitations; challenges; benefits; human needs, 19521
antiaging medicine; mild cognitive impairment; practice issues; policy issues; geriatrics; Alzheimers disease, 11132
candidate gene studies; meta-analysis; mediation; moderation; behavioral & psychiatric phenotypes, 12635
children voices; telling; listening; postseparation mediation, 9302
civil war; expected duration; outside interventions; conflicts; diplomatic efforts; diplomacy; mediation; economic interventions; mediation, 34491
conversational analysis; court-sanctioned mediation program; mediator neutrality; conversational footing, 19501
disputants' metaphors; mediation; self reflection enhancement; communication, 9305
divorce; mediation; client competence; family law; domestic violence; legal standards, 15369
DOVE instrument; assessment; management; risk; domestic violence; abuse; partners prior to divorce mediation; safety plan intervention, 30721
early socialization experiences; content mastery; socialization outcomes; mediational approach; socialization content; employees, 15155
experiments; mediational analyses; causal chain; psychological processes; social psychological papers, 7384
family counselor; expertise; family counseling; family mediation; quality of practice; theory, 27088
family group conference; decision making; child protection; families; legal processes; workers, 33738
family mediators; linguistic acculturation; adolescent development; mental health; behavior problems; depressive symptoms, 25330
federal mediators; conflict resolution; contract disputes; mediation; resolving disputes, 2915
final offer arbitration; incentives; optimism; dispute, 18470
high performance work systems; organizational performance; internal social structure; mediating role; human resource practices, 2906
law; ethics; bioethics; mediation; decisions; euthanasia, 3089
mediation style; international crises; crisis outcomes, 15368
mediation; discursive positioning; ethical dimension; ethical practice; narrative approach; agentic action; equity; justice; democratic partnership; disrespect, 31577
mediation; generational prospective; grandparents; parents; grandchildren; family crises; interpersonal relationships, 10199
mediation; moderation; mediated moderation; moderated mediation; treatment effects, 8242
mediators; rapport; settlements; training, 3096
micropolitics; victim-offender mediation; restorative justice; adjudication; juvenile court; power, 36647
moral development; moral functioning; mediated action; socio cultural perspective, 22431

medical student education; psychiatric education; academic psychiatry, 21019
medical student; essay contest; humanism; psychiatry, 17855
medical students; emotional intelligence; physician empathy; exam performance; communication skills; gender difference, 8784
medical students; medical disorders; psychiatric rotation; student attitudes, 8759
medical students; motivation; learning, 2453
medical students; motivation; learning, 2527
medical students; personality disorders; psychotherapeutic principles; psychiatry clerkship; medical curriculum; medical education, 21001
medical students; psychiatry career DVD; psychiatry training; Royal Australian and New Zealand College of Psychiatry, 2450
medical students; residency applicants; sexual orientation; lesbian students; gay students; bisexual students; physicians; selection process, 5599
medical students; students' attitudes; mental disorders; psychiatry residency, 8758
medication adherence; medical students; placebo medication regimens; medical education; highly active antiretroviral therapy, 2530
near death experiences; medical students; medical education; curriculum; death; group discussion; professionalism, 11764
neurosciences; psychiatry; curriculum; medical students, 20999
occupational therapy students; students attitudes; sexual discomfort; sexual issues; inadequate sexuality education; clinical practice, 2491
personality factors; medical students; academic success; retention; student attrition, 28615
pharmacy students; smoking status; risk factors, 16429
physician assisted suicide; German medical students; suicide; legal knowledge; ethical views, 13929
professional competence; physicians; medical students; medical residents; peer assessment, 17924
psychiatric education; educational duties; professional challenges; medical care, 21016
psychiatric education; medical students education; psychiatric faculty; curriculum; student attitudes, 20996
psychiatric rehabilitation; proposed curriculum; doctoral students; clinical psychology graduate programs; mental illness, 29479
psychiatry clerkship students; clinical grade evaluation; medical students, 20989
research training; psychiatry; neurosciences; medical students; medical education, 17853
resident performances; performance appraisal; residency programs; medical students; faculty confidence; performance forecast, 5576
situational judgment test; video; predictive validity; medical students; written tests, 30666
social factors; medical student drug use; social control theory; social learning theory, 11780
soft skills; curriculum; medical education programme; professional socialisation; medical students; undergraduate education, 21012
standardized patient outcome; teaching intervention effectiveness; asthma medication patient education; medical students; clinical performance, 5565
structured practice opportunities; mnemonic; medical student interviewing skills; intimate partner violence; teaching module, 14813
student teacher relationship; physicians; medical education, 17862
test reliability; test validity; medical students attitudes; older adults; Maxwell Sullivan Attitude Survey; UCLA Geriatrics Attitude Survey, 24601

UK medical graduates; psychiatry; career change; doctors, 30130
willingness; counseling; Indonesian undergraduate students; students' attitudes; university counseling services, 33499
writing; emotions; goals; psychological health; physical health; medical students; emotional processing; emotional expression, 14839
Medical Therapeutic Devices [See Also Artificial Pacemakers, Hearing Aids, Optical Aids, Prostheses]—Serials
automatic occlusion device; tracheoesophageal speech; laryngectomy, 17805
hearing protection; multimedia technology; training; audiometric testing; computer; intervention program; psychometrics, 87
latex gloves; HIV; AIDS; precautions; disease control; rubber latex; school setting; epidemic; allergies, 33022
patients; surgical equipment; professionalism; nurses; manufacturer; surgerical device; UK hospital practice, 32985
personal care; assistive technology; late life disability; national trends; self care activities, 17563
psychosocial issues; implantable cardioverter defibrillators; life threatening ventricular arrhythmia; cardiac care patients, 5129
quality of life; implantable cardioverter defibrillators; postimplant outcome; cardiovascular system, 2174
racial and ethnic differences; assistive devices; mobility; age differences, 17585
voice quality; speech quality; laryngectomy; esophageal speech; electroacoustical speech aid; tracheoesophageal voice prosthesis, 17807
Medical Treatment (General)—Serials
abuse liability; medications; drug dependency; medical use, 20020
children's memory; distress; voiding cysto urethrogram; invasive medical procedure; procedural narration; distraction, 32983
clinical outcomes; telemedicine; telehealth; medical care process; patient satisfaction, 5234
cognitive capacities; older adults; consent procedures; medical treatment; clinical research; decision making, 34447
drug development; endocannabinoids; tetrahydrocannabinol; medical treatment; marijuana, 11217
drug users; bacterial infections; health problem; medical management; medical care, 10964
family therapy trainees; supervision; primary care medical centers, 11754
HIV infection; AIDS; adolescent medicine, 14161
humor; pain related distress; medical intervention; preadolescent children; coping style, 11455
illness script components; medical practice; medical decision making; knowledge structures; gastrointestinal disorders; knowledge representation; referral; half-factorial design, 2443
improving cancer care; patient associations; experience collaboration; patients involvement; health care professionals; health care systems, 17227
intellectually disabled infants; intellectual disability; life-sustaining treatment withdrawal; infants interests; ethical issues; decision making, 36144
Kantian ideal; medical learning curves; medical practice; medical practitioners; learning; pofessional ethics, 11815
medical treatment; patients decisions; health care professionals; treatment refusal, 5258
migraine headache; care barriers; treatment outcomes; differential diagnosis; medical treatment; medical recognition; medical confidence, 5151
nonpsychiatric medical treatment; body dysmorphic disorder; treatment outcomes; treatment effectiveness evaluation; isotretinoin; suicidality, 11451
pain; children; coping; distress; medical procedures; pediatric procedural distress, 8005
patient autonomy; American medical practice; severely ill patients; professional duties; beneficence, 5611
pediatric asthma; parenting stress; difficult child behavior; routines; medication adherence, 10958
prison medicine; good medical practice; ethical dilemmas, 14770
procedure related pain; children; adolescents; guidelines; pain management; delayed healing, 17592
religious beliefs; religious practices; spirituality; medical treatment; treatment adherence; HIV; United States, 23365
risk perception; worry; medical errors; prevention; risk communication, 17583

risk; life extension; medical possibility; medical interventions; cardiac care; high-tech clinical treatments; late life, 20696
sexual medicine; sexual dysfunction; erectile dysfunction; basic science, 5132
standard medical therapy; schizophrenia; integrated psychological treatment, 32716
thematic evidence; psychosocial thriving; childhood cancer survivors; medical treatment; long term survivors; psychospiritual well being; trauma, 8083
tragedy; utopia; medical progress; understanding; medicalisation; setbacks; errors; side effects; sudden infant death syndrome, 35671
treatment; children; unexplained chronic pain; biopsychosocial approach; multidisciplinary care; medical management; physical therapy; psychological intervention, 17165
Medical Treatment (General)—Books
Chronic health-related disorders in children: Collaborative medical and psychoeducational interventions, 29209
Clinical epidemiology: How to do clinical practice research (3rd ed.), 20804
Health psychology: Biopsychosocial interactions, 5th ed., 35655
Sleep: A comprehensive handbook, 26327
Medicare—Serials
English proficiency; health insurance; health care services; Hispanics; elderly population, 14623
entitlement programs; aged; long term fiscal context; medicare; medicaid; social security; policy changes, 19311
federal support; multisite demonstrations; mental health treatment; interventions; public Medicare; Medicaid reimbursement, 11527
health insurance literacy; Medicare beneficiaries; prescription drug; health, 24047
health literacy; social support; Medicare enrollees; managed care plan, 33064
major depression; mental illness; Medicare Part D program; program comprehension, 29888
medical innovations; sociological approach; Norbert Elias; unplanned processes; innovations deiffusion; innovations change, 6001
Medicare beneficiaries; chronic conditions; patient attitudes; helath care delivery; managed care, 17688
Medicare Benefits Schedule; psychiatrists; Australia; outpatient psychiatric services; funding schedules, 20808
medicare program; older adults; cognitive variables; reading habits; reading comprehension ability; metamemory, 7103
Medicare; prescription drug benefits; benefit caps, 26870
out-of-pocket prescription drug expenditures; OOP-PD; elderly; gender differences; community-dwelling elderly Medicare beneficiaries; demographic factors; socioeconomic factors; utilization factors, 23887
prescription-drug benefit; private drug plans; Medicare Advantage programs, 26806
prescription-drug plan; legislation; Medicare Part D, 26866
psychiatric inpatient units; staffing; Medicare; per diem patient-based payment system; job duties, 26930
psychiatric patients; Medicare drug benefit; mental health patients; prescription drug program; low income patients, 23834
reading habits; reading comprehension; memory beliefs; older adults' knowledge; Medicare; health insurance, 14583
social environment; mortality; serious illness; urban community; Medicare; elderly patients; social networks, 2299
Terri Schiavo; disability rights case; terminally ill; medicare; disability discrimination, 16627
Veterans Administration; health maintenance organizations; self report; health status; Medicare HMOs; VA access; HMO availability, 5276
Medication [See Drug Therapy]
Medicinal Herbs and Plants [See Also Hypericum Perforatum]—Serials
alternative medicine; mental health problems; drug therapy; psychiatry, 29737
alternative medicine; mental health problems; drug therapy; psychiatry, 23758
alternative medicine; mental health problems; drug therapy; psychiatry, 29749
antiepileptic effects; drug administration; aquatic plant; fassett; folk medicine; amphetamine; hyperactivity; epilepsy; practitioners; isoniazid, 32964
biogenic amine changes; brain regions; Ocimum sanctumin; noise exposure; rats; dopamine; serotonin; neurotransmission, 15983
cognitive abilities; ginkgo biloba extracts; mood; older adults; young adults; memory, 22299
Ginkgo biloba; spatial learning; water maze; radial arm maze performance; adult rats; spatial memory, 28165
herbaceuticals; counselors; side effects; drug interactions; drug physiology; cultural issues; legal issues; ethical issues, 11425
metabolites; protopanaxadiol type saponins; axonal regenerative factor; teneurin 2; phosphatidylinositol 3-kinase; ginseng, 24974
tian ma; Chinese herbs; epilepsy; antiepileptic drugs; pharmacology; vanillin, 17543
Medicine (Science of) [See Medical Sciences]
Medics [See Paramedical Personnel]
Meditation—Serials
centering prayer; heuristics; religious practices; life style changes; meditative practice, 4895
health; emotion; mindfulness medication; cognitive therapy; positive psychology; physical illnesses; cognitive behavioral therapy; yoga, 29406
mediation; EEG; ERP; fMRI, 15761
meditation; attention; mental training; consciousness discipline; contemplation; Western psychology, 15764
meditation; emotion; visual masking; subjective experience; somatic marker hypothesis, 31089
mental health; meditation; spirituality; social cognitive theory; stress; health professionals, 29706
mindfulness meditation component; university counseling center; psychotherapy internship program; organizational structure, 30397
mindfulness questionnaires; facet structure; psychometric properties; meditation experience, 12455
mindfulness training; task concentration training; social phobia, 17379
mindfulness-based stress reduction; medical settings; meditation, 35447
mindfulness-based stress reduction; rational emotive behavior therapy; meditation; irrational beliefs; self-discipline; self-acceptance; compassion; intentionality, 35479
mindfulness; acceptance; hypnosis; response sets; cognition; clinical perspective, 20632
partner violence; female survivors; sexual abuse; meditation, 23110
Qigong; self healing; healing postures; movements; sounds; breathing techniques; meditation; well being, 14527
sertraline; meditation; emotion; side effects; sadness; happiness; rapture; love, 15986
spirituality; addiction; clinicians perceived role; physiology; psychology; cross cultural sources; meditative practices, 33141
stress; stress reactivity; meditation; PMR; progressive muscle relaxation; state anxiety; anxiety reduction, 32942
veil painting; transpersonal psychology; meditative vail painting method; transpersonal art therapy; spirituality; meditative and contemplative steps, 32948
Vipassana; meditation; mindfulness; incarcerated; substance use; psychosocial outcomes, 33172
yogic breathing; meditation intervention; HIV; AIDS, 14158
Medulla Oblongata—Serials
c-fos expression; rats; medulla oblongata; treadmill running speeds, 22260
neuropeptide gene; preproendothelin-1 gene; mouse brains; medulla; pons; thalamic reticular nucleus; postnatal respiration; cardiorespiratory region, 3618
Melancholia [See Major Depression]
Melancholy [See Sadness]
Melanin—Serials
estradiol; orexigenic effect; melanin-concentrating hormone; food intake; water intake; ovariectomized rats, 28113
gamma aminobutyric acid control; hypothalamic melanin; head restrained rats; fos expression; eye movement; sleep wake cycle, 506
melanin concentrating hormone receptor; mice; cognitive deficits; N methyl d aspartate receptor function, 3526
melanin; nicotine; smoking behavior; metabolism, 34651
signaling; melanin based patches; carotenoid based patches; animal mating behavior; sexual selection; plumage color; Parus major, 27940
Melanocyte Stimulating Hormone—Serials
activity based anorexia; rats; energy expenditure; melanocortin receptors; SHU9119; agouti related protein neurons, 28148
alpha melanocyte stimulating hormone; putative stress induced sickness behaviors; isolated guinea pig pups; anti-inflammatory peptide; passive responses, 13048
Melanotropin [See Melanocyte Stimulating Hormone]
Melatonin—Serials
agomelatine; melatonin; diazepam; buspirone; animal models of anxiety; anxiolytic action; chronobiotic properties; diurnal cycle; S22153; rats, 9887
autistic spectrum disorders; sleep problems; melatonin; treatment effectiveness, 32416
circadian rhythms; pineal gland; melatonin synthesis; neuronal pathway; inducible cAMP early represser; autoregulatory loop, 25080
circadian rhythms; serum melatonin levels; diurnal complex; nocturnal complex; partial seizures, 26456
controlled release melatonin; autism; sleep disorders; treatment efficacy, 35673
Hypericum perforatum; salivary cortisol; noradrenaline-mediated melatonin; male volunteers, 13016
initial insomnia; melatonin intervention; sleep hygiene intervention; attention deficit hyperactivity disorder; children, 20414
melatonin entrainment; circannual pattern; seasonal cycles; physiology; mammalian pituitary gland; vertebrates; pars tuberalis; photoperiod; prolactin, 34174
melatonin sensitivity; monozygotic twins; bipolar disorder; light sensitivity, 1360
melatonin synthesis; human pineal gland; animal circadian rhythms; hypothalamus; transferases; brain; arylalkylamine N-acetyltransferase, 34160
melatonin; agomelatine; anxiety related procedures; rats; diazepam; neural receptors; elevated plus maze, 28154
melatonin; oscillatory mammalian circadian system hormones; suprachiasmatic nucleus; rats, 34052
misdiagnosis; sleep-wake schedule disorder; melatonin, 8460
photic effects; circadian activity rhythm; diurnal rodent; behavioral properties, 6823
Membranes [See Also Nictitating Membrane]—Serials
childhood otitis media; adulthood audiometric threshold; otoscopy; acoustic reflex; tympanic membrane abnormality, 29322
dopamine receptor stimulation; brain; arachidonic acids; rats; membrane phospholipids; substantia nigra, 631
dorsolateral prefrontal cortex; synaptophysin; bipolar I disorder; schizophrenia; neurotransmitter; syntaxin; vesicle associated membrane protein; neuronal cell; pathologies, 19779
Gompertz kinetics; voltage clamp predictions; perturbation motion; macroscopic changes; macroscopic gating currents; membrane potential perturbation, 586
membrane vesicles; traffic signals; group behavior; prokaryote; bacteria; chemical communication; Pseudomonas aeruginosa; signal trafficking system, 463
membrane; pyroglutamyl-2-naphthylamide; rat hypothalamus; pituitary gland; retina; enzyme; animal circadian rhythms, 34166
Purkinje cells; cellular bistability; sensorimotor information; upstate membrane potential; cerebellar cortex, 34125
Purkinje cells; cellular bistability; sensorimotor information; upstate membrane potential; cerebellar cortex, 34108
tissue specific alternative splicing; BK channel transcripts; Drosophila; slowpoke gene, 25060
Memory [See Also Autobiographical Memory, Early Memories, Eidetic Imagery, Episodic Memory, Explicit Memory, False Memory, Implicit Memory, Long Term Memory, Memory Decay, Memory Trace, Reminiscence, Repressed Memory, Short Term Memory, Spatial Memory, Spontaneous Recovery (Learning), Verbal Memory, Visual Memory]—Serials
4 aminopyridine; classical conditioning; potassium channels; rabbits; nictitating membrane response; learning; memory, 34232
accuracy; memory; reaction time; visual search; visual perception; serial self terminating models, 3305
acoustic environment; animal learning; rats; memory, 12829
acquisition memory; memory retrieval; extinction; appetitive learning paradigm; honeybee; spontaneous recovery; olfactory memory, 3467
actions; mugging script; retrieval induced forgetting; memory; recall; latent inhibition; cognitive processes, 33968

acute stress disorder; neutral faces; distressing information; trauma; memory, 32198
adrenoceptor mediated inhibition; reward related memory; reconsolidation; propranolol; fear, 22164
adult attachment; memory; emotional reactions; events; negative events; positive events, 12796
adult neurogenesis; learning; hippocampus; memory; dentate gyrus, 31204
advertisements; memory distortion; informational function; misleading information; advertising; product evaluation, 6100
affect; fantasy play; memories; divergent thinking; creativity; cognition, 34330
affective impressions; memorability; color form combinations, 24767
affective valence; self-reference effect; retrieval conditions; positive trait information; negative trait information; memory, 6568
age differences; encoding networks reorganization; subsequent recognition memory, 6802
age differences; familiarity; recollection; memory; recognition; event-related potentials; old-new effect, 9830
age differences; inhibitory mechanisms; memory retrieval; retrieval interference, 888
age differences; memory accuracy; memory monitoring; executive function; neuropsychological assessment, 3393
age differences; temporal working memory; item memory; associative memory; simple order memory; multiple item memory; cognitive mechanisms; aging, 10180
age group differences; emotional memory; free recall; positivity effect; valence, 10179
age; process dissociation; recognition memory; familiarity; noncriterial recollection, 31069
age; retest; practice effects; cognitive abilities; memory; processing speed; change correlates; multivariate models of change; multivariate latent growth curves; longitudinal methodology, 358
aging and episodic memory; item recognition; two-process theory; ROC curves; Yonelinas high threshold model, 15718
aging; age differences; memory; cue detection; interruptions; working memory; delayed intentions; naturalistic stimuli, 24802
aging; cognitive impairment; late-life insomnia; memory, 26282
aging; emotion; memory; motivation; executive function, 10188
aging; memory fears; possible selves; thoughts; self; cognition; future selves, 16223
aging; memory processes; visual search; age differences; spatial encoding, 24720
aging; memory; stereotypes; stereotype threat; recall performance, 31044
aging; source memory; emotion; age differences, 10189
alcohol; repetition priming; word recognition memory; memory cues; alcohol intoxication, 15979
Alzheimer disease; temporal lobe; memory; emotional discrimination deficits, 11080
Alzheimer's disease; mild cognitive impairment; episodic memory; false recognition; prose recall; gist memory; detail memory, 32636
AMBER alert system; missing children; psychological research; memory; witness identification, 36648
amnesia; memory; Benjamin Franklin; electroconvulsive shock therapy; electricity; melancholia, 17282
AMPA receptors; LTP; hippocampus; DRL; nonspatial information; synaptic plasticity; hippocampal lesions; differential reinforcement, 3609
amygdala damage impact; emotional enhancement; amygdala function; enhanced memory; critical period, 8171
amygdala; learning & memory; electrophysiology; classical conditioning; instrumental conditioning; fear conditioning; signaled avoidance conditioning, 3465
amygdala; nucleus accumbens; c-Fos immunohistochemistry; elevated plus-maze; maternal experience; maternal memory, 22102
anagram unscrambling; brand name recognition; preference judgments; discrepancy attribution; memory, 27907
analogical inferences; memory; attitudes; analogy, 6594
ancient receptor family; lipoprotein receptors; synaptic plasticity; memory formation; Alzheimers disease; neurodegenerative disease; neuropsychiatry, 12932
androgen; androgen deprivation therapy; memory; retention; testosterone; memory consolidation; hippocampus; aging; older men, 9866
anisomycin; hippocampus; memory; inhibitory avoidance; rats, 13042
anterior prefrontal cortex; contextual information; recollective memory; task memory; position memory; functional dissociation; lateral regions, 439
anterior temporal lobe; human cognition; memory; fear; hippocampus; survival; neurobiology, 25051
anterograde amnesia; midazolam; memory recognition, 29294
anxiety; depression; psychoanalysis; sexual abuse; memory, 26648
applied cognitive psychology; applied science; memory; cognitive processes; autobiographical memory; witness memory; misinformation, 27900
arithmetic memory; identical elements model; addition; subtraction; response time; models, 30969
assassination; footage details; memory; fantasy proneness; remembering; autobiographical memory, 27906
associative isolation; associative memory; list memory; paired associates learning; chaining model, 9627
associative memory; tobacco use; peers; adolescents; drug-related memory associations; tobacco-related memory associations; Australian high school students, 22535
attention dysfunctions; memory dysfunctions; multiple sclerosis; cognitive dysfunction; visual evoked potentials; disability-free patients; mildly to moderately disabled patients, 8177
attention switching; word encoding; word retrieval; aging; recognition memory; cued attention, 18664
auditory memory; event related potentials; stimulus rates; sequential sound organization; interstimulus interval; auditory perception, 3340
auditory perception; representational momentum; expectations; pitch perception; auditory attention; systematic extrapolations, 12694
autobiographical memory retrieval; younger adults; older adults, 6571
autobiographical memory; memory ownership; twins; false memories, 12894
autobiographical memory; memory phenomenon; major depression; working memory; semantic memory; verbal learning; delayed verbal recall; recognition memory; source memory, 28854
avoidance; Pavlovian conditioning; amygdala; fear; rat; amygdala; learning & memory; electrophysiology; classical conditioning; instrumental conditioning, 3461
Bayesian adjustment strategies; within category feature correlations; judgment accuracy; memory, 31037
behavior; learning; memory; mice; scopolamine; phosphatidylserine; induced amnesia, 25098
behavioral plasticity; memory impairment; memory reconsolidation; amygdala; protein kinases A; rats, 22345
behavioral sequences; sequential replay; hippocampus; spatial experience; rats; learning; memory, 18968
Bender-Gestalt; visual-motor perception; memory; test revision, 15410
bereavement counseling; therapist's experiences; phenomenology; data collection; memory, 29484
beta estrogen receptor knockout mice; attenuated hippocampus; long term potentiation; memory deficits; contextual fear conditioning; synaptic deficits, 3492
biased memory; decision making; behavior knowledge; outcome knowledge; cues, 12780
bidirectional associative memories; concept lattices; learning concept, 6151
bidirectional synaptic plasticity; procedural memory formation; protein deficient mice; striatum; cyclic adenosine monophosphate, 34114
binding; relational memory; naturalistic events; free recall; developmental perspective; childrens performance; episodic memory; memory development, 13159
bipolar disorder; functional polymorphisms; nitric oxide; brain functions; memory; learning, 13683
bizarreness effect; spatial location; mnemonic advantage; memory, 3426
blood glucose; salivary cortisol; memory enhancement; emotional arousal; neurochemicals; memory decline, 22253
brain behavior relations; lifespan; neural plasticity; compensation; dedifferentiation; control; memory; learning, 34073
brain oscillations; electroencephalography; memory task; resting; spectral patterns, 12943
British Psychological Society; memories; counseling psychology, 35453
cache protection; pilferage; food storing animals; memory, 27975
CaMKII; learning; memory; protein phosphatase 2A; brain; neurons; hippocampus; central nervous system, 34145
cAMP responsive element binding protein; phosphorylation; perirhinal long term potentiation; recognition memory; temporal lobe, 3704
caregiver; cognitive status; harmful caregiver behavior; demographic factors; care recipient dyads; memory; language comprehension, 20843
category based suppression; contextual suppression; retrieval induced forgetting; memory impairment, 24869
category specific cortical activity; retrieval; memory search, 9836
causal intervention; multiple cue judgment; positive effects; negative effects; learning; observation; memory, 12766
child sexual abuse; effects; memory, 10859
child sexual abuse; memory; social remembering; past agency transformation; adult survivor identities, 19987
childhood memory; pre-event stereotypes; misinformation effects, 13150
children self reference advantage; age determination; memory; colourful object pictures, 799
children's memory; distress; voiding cysto urethrogram; invasive medical procedure; procedural narration; distraction, 32983
children; long term memory; knowledge; repeated questioning; autobiographical memory; pediatric examination; recall accuracy; age differences, 16125
childrens memories; false memory; childhood development; recall; priming, 28284
cholinesterase inhibitor medications; recognition memory performance; Alzheimer's disease; drug therapy; neurology, 14200
chronic ecstasy; memory; inhibition; drug use; task-switching deficits; executive functions, 26096
chronic food restriction; memory enhancement; mice; food deprivation; active avoidance; passive avoidance, 474
chronic stroke; dopaminergic effects; encoding; motor memory; drug dosages; levodopa, 5130
classification accuracy; Test of Memory Malingering; traumatic brain injury, 35291
coding task; intelligence; contrast sensitivity; sensory deficit hypothesis; component analysis; performance; memory; visual search, 16224
cognitive abilities; ginkgo biloba extracts; mood; older adults; young adults; memory, 22299
cognitive ability; constructive memory processes; perspective; children; social competence, 25296
cognitive architectures; multimedia learning; memory; instruction; learning theories, 27194
cognitive behavior therapy; vulnerability; emotional disorders; negative mood; metacognitive therapies, 20430
cognitive decline; memory clinic; magnetic resonance imaging; temporal lobe; white matter hyperintensities; elders, 10197
cognitive functioning; learning strategies; actors; acting; memory; learning theory; text comprehension; cognition; cognitive aging, 18676
cognitive functioning; older adults; medical personnel; social support; life expectancy, 1934
cognitive impairment; memory; diagnosis, 14215
cognitive learning; memory abilities; culture; evolution, 3281
cognitive performance inconsistency; intraindividual change; intraindividual validity; memory speed; aging; multivariate; growth curves; nonlinear, 10193
cognitive performance; middle-aged adults; older adults; speeded abilities; executive function; memory; aging, 22459
cognitive processes; representational momentum; memory; motion perception; spatial localization; psychophysics; imagery, 33928
collaborative recall; individual recall; memory; cross cueing; retrieval cues, 12759
collective memories; self reports; generational differences; political attitudes; political status, 7296
collective memory; family conversations; individualism; mnemonic learning, 3360
communication; audience tuning; memory; shared reality; trust; in-group; out-group; mood; social judgment, 1108
compensatory secondary control; recollection of emotions; self respect; past adversity; cognitive appraisal functioning, 24863
concatenated exploration; continuous exploratory research; theoretic memory; planning well; research process; social sciences; grounded theory; ethnographic memory, 33893
conjunction errors; memory; recollection-based rejections; forgetting; continuous recognition task; words; recall; familiarity, 12773

conscious memory; preconscious memory; health threatening stimuli; lexical decision; patients with somatoform vs depressive disorders, 25761
consistency; false suggestions; children's reports; repeated events; classroom activities; memory; source monitoring, 21232
conspicuity; memorability; comprehension; priming; road hazard warning sign; driving simulator; drivers, 18400
consumer experience; transformational advertising; reconstructive memory; framing effects; presentation order, 6084
consumer research; memory; persuasion; information processing; consumer behavior; cognition; motivation; affect, 30557
context memory; auditory hallucinations; schizophrenia; symptoms, 16781
context variability; free recall; memory; word frequency, 424
context variability; recollection; familiarity; mirror effects; recognition memory, 21978
context-specific expression; neural circuits; Pavlovian fear memory, 28029
cortical memory mechanisms; language origins; linguistic phenomena; semantic processing; syntactic processing; grammar, 25153
cortico-striatal contributions; category learning; verbal systems; implicit systems; memory; prefrontal cortex; aging; striatum; Parkinson's disease, 11108
covariation; implicit; nonconscious; social judgment, 18826
criminal conversation; free recall; eyewitness memory; verbal information; retention intervals; mode of presentation; audiovisual presentation; auditory presentation, 12762
cued recall probabilities; preexisting strength; similarity ratings; learning, 6592
cytotoxic lesions; hippocampus; social recognition memory; socially housed rats, 12939
daily stressors; interpersonal stressors; memory failures; Normative Aging Study; cognitive performance; older adults, 22589
decision by sampling; attribute's subjective value; sample of attribute values; memory; gains; losses; subjective probabilities; time, 21959
decision structure; deliberation; human memory; group processes; full reception; coherence, 22762
declarative memory; imitation; information processing; infants; performance, 22472
declarative memory; memory development; infant development, 22492
defective memory; analytical autoethnography, 27703
defective memory; qualitative sociologists; collective amnesia; ethnography; grounded theory, 27694
deliberate practice theory; theory relevance; theory effort; inherent enjoyment; novel task, 9631
dementia; memory loss; Alzheimer disease; neuropsychiatric symptoms; cognition; epidemiology, 11134
destination advertising; memory differences; age differences; adult tourism, 24453
diazepam; memory impairment; prospective memory; retrospective memory; attention; arousal; young adults, 15980
directed forgetting; inhibition; retrieval; older adults; inhibition deficit; age differences; memory, 16144
directional selectivity; BOLD activity; human posterior parietal cortex; memory guided saccades; functional MRI; visual field, 25031
discounting; delay discounting; psychology; memory; economic utility; probability, 24676
display effects; luminance contrast; memory performance; EEG response; preferences, 3432
distance cognition; virtual environmental space; route angularity effect; task difficulty; memory; intentional learning, 15662
distinctiveness effects; forenames; subjective experiences; recognition memory; familiarity; retention, 31034
distraction; naturalistic environment; traumatic brain injury; memory; prospective remembering, 17305
divided attention; eyewitness suggestibility; witnessed event; information; event memory; encoding, 18868
divided attention; memory; encoding; retrieval; word recall; bimanual rhythmic coordination; coordinate dynamics, 438
domain specific knowledge; serial order; neurophysiologic research; interacting factors; Bayesian decision theory, 9571
donepezil hydrochloride; memory functioning; adolescents; traumatic brain injury; drug therapy, 20297
dwarf goats; visual discrimination; operant learning; learning strategies; context; relocation effects; memory; group housing; behavioral strategies; shape discrimination, 15790
emergent networks; remembering; reconciliation; British war veterans; prisoners of war; memories, 22619
emotion regulation; expressive suppression; cognitive reappraisal; memory; physiology, 31041
emotion; attention; memory; emotional stimuli; preattentive processing; divided attention; memory enhancement effect; negative emotion memory model, 6418
emotion; immediate memory; arousal; priority-binding mechanisms; taboo words; neutral words; rapid serial visual presentation; taboo-superiority effect; immediate recall; short-term memory, 12769
emotional content; declarative memory; event related potential; memory retention; gender differences; sex related hemispheric lateralization, 12944
emotional memories; neural activity; amygdala responses; emotional context; neurophysiological correlates, 6773
emotional memory; cognitive neuroscience; brain; neural mechanisms; psychological mechanisms, 15882
emotional memory; facial expressions; amygdala activation, 31065
emotional memory; trait anxiety; level of encoding; type of recall; emotion-induced retrograde amnesia; emotional memory enhancement, 6424
emotionally arousing events; memory consistency, 3435
engaging teachers; reflective practice; narrative; memory; Canadian schools, 27158
enhancing memory; repeated marketing stimuli; brand attribute; recall, 30564
episodic memory; source memory; source monitoring framework; aging; age related differences; fluid ability; cognitive ability; perceptual speed; executive functioning; vocabulary, 881
episodic odor memory; handedness; sex differences; side of nose; lateralized brain processes; smell, 420
estrogen; hippocampal striatal dependent learning; cognitive strategies; ovariectomized; female long evans rats; cognitive strategies, 465
event based prospective memory; schizophrenia; memory deficits, 7693
event memory; retention interval; rehearsal effects; flashbulb memory; college students; September 11 2001, 15739
event planning; memory deficit; aging; Alzheimer's disease; dementia; older adults vs. younger adults; activity segmentation, 32692
excessive alcohol use; teenagers; everyday prospective memory, 25334
executive function; memory; posttraumatic stress disorder; Bosnian war veterans; neuropsychological functions, 19898
executive neurocognition; memory systems; borderline personality disorder; interpersonal relationships; self injurious behaviors, 19932
executive processes; memory updating; simple mental arithmetic, 31039
eye movement desensitization reprocessing; September 11; event memories; fear of flying, 13837
eye movement trajectories; trajectory deviations; oculomotor system; visual field; memory; attention, 22268
eyewitness identification; memories; offenders; confidence judgments; decision making; criminal justice system, 15359
eyewitness memory; metamemory; product identification; familiarity biases; civil cases, 3424
eyewitness memory; postevent misinformation; social postwarnings; memory characteristics; source monitoring, 6573
eyewitness testimony; vehicle memory; recognition memory, 6199
eyewitnesses; confidence judgments; event memory; realism, 15355
face distinctiveness; delayed testing; differential effects; student performance; student confidence; participants memory, 24760
face recognition; heuristics; recognition memory; generation; resemblance, 15722
facial expressions; memory; neutral expressions, 31067
faithfulness; past; reconstructing memory value; remembering; memory; conceptualization; epistemology; ethical achievement, 24791
Falklands war veterans perceptions; social support; traumatic memories reconciliation, 30539
false-positive errors; recognition memory; interpretation; Wada test; prediction; neuropsychology, 35262
familiarity affects; task irrelevant; auditory deviance, 9520
familiarity component; recognition memory; hippocampal pathology; anterograde amnesia; memory loss; familiarity; brain injury; occipital lobe; bilateral decrease; bilateral shrinkage; amygdala, 1718
familiarity; associative memory; amnesia; associative recognition, 29260
fear memory; mice; protein synthesis; fear conditioning; brain, 34072
features; recognition; young adults; children; memory performance; objects; locations, 788
firing phase; model hippocampal cells; pyramidal cells; theta cycle; rapid eye movement; sleep reactivation; memory consolidation, 24957
flashbulb memories; September 11 terrorist attacks; older adults; frontal lobe function, 19264
fluency; discrepancy; familiarity; encoding; learning; memory; recognition, 31050
forced choice recognition; recognition memory; word frequency, 6566
free recall; prediction; rehearsal; retrieval from memory, 31052
free recall; retrospective memories; prospective memories; intention superiority effect; individual differences, 3430
frontal lobe damage; metamemory impairments; episodic memory tasks; facial stimuli; frontal lesions; semantic memory, 11099
fuzzy trace theory; false memories; spontaneous recovery; suppressed memories; activation-monitoring theory; list learning progresses; memory-editing process; false recognition, 22015
gender difference; appearance recall; task motivation; memory, 13505
generation effect; context memory; item memory; location memory; encoding; relational processing, 31053
genetic influences; cognitive functions; intelligence; cognition, 34065
genomics; learning; memory; microarray technology; brain, 18942
gist memory; Alzheimer's disease; categorized pictures; endorsements; response bias; false memory; picture memory, 11051
global processing speed; developmental changes; auditory memory span, 16099
global visual features; obsessive compulsive disorder; stimulus encoding; memory, 32196
glucocorticoid hormones; memory consolidation; endogenously released glucocorticoids; cold-pressor stress; retention; salivary cortisol; stress hormones, 24840
glucose; memory performance; emotional enhancement; recognition memory, 31263
group size; memory; memory beliefs; anxiety; motivation; self-efficacy, 31790
guanfacine; executive functions; memory functions; healthy volunteers, 6848
guinea pigs; mismatch negativity; event related potential; neuronal mechanisms; memory; oddball paradigm; tone duration discrimination; change detection; memory, 34110
habit memory; medial temporal lobe; humans; declarative memory; robust capacity, 9782
habitual acceptance; misinformation; individual differences; source attributions; memory accuracy, 3412
hazard functions; memory retention functions; memory storage dynamics; two-trace hazard model; interference effects, 12763
health promotion messages; emotions; fear; unrealistic optimism; memory, 9652
hidden observer phenomenon; hypnosis; dissociation theories; neodissociation theory; memory, 3444
highly relevant distractors; attention; negative priming; memory; names, 31042
hippocampal activation; gender differences; cognitive strategy; memory; lateralization; brain activation patterns, 34083
hippocampal dependent memories; CPEB; mice; neurons; RNA, 12903
hippocampal structure; memory function; elderly humans; electrophysiology; event related potential, 31381
hippocampus; drug abuse; cocaine-seeking behavior; memory; incentive motivation; conditioned place preference; rats; drug craving, 19050
hippocampus; entorhinal cortex; forced-choice recognition; recollection; familiarity; memory; cognitive impairment; Alzheimer's disease, 17353
hippocampus; words; prefrontal encoding; neural substrates; brain, 31175
histamine; lithium; memory retrieval; cross state dependent retrieval; mice; avoidance, 687

history of memory; forgetting; anterograde amnesia, imagination; language; polyglot aphasia; Francis Bacon, 20267
human amygdala; emotion; cognition; emotional learning; memory; perception; social stimuli; human behavior; cognitive neuroscience, 9525
human infants; memory reactivation; age related changes; retention; infants; visual recognition; visual stimulus, 16122
human memory; early memories; attitudes, 27908
huperzine A effects; memory deficits; neurotrophic factors; transient cerebral ischemia; reperfusion; mice, 25131
hypermnesia; retrieval time; recall; repeated recall attempts, 22003
hypnotic memory suggestion; memory reports; hypnosis; response bias; misleading questions, 29731
idiopathic environmental intolerance; multiple chemical sensitivity; somatoform disorders; selective attention; memory; emotional Stroop, 29208
immanent past; psyche; memory; texts; ruins; monuments; intersubjective relations; culture, 21972
immediate memory; cochlear implant simulation; experimentally degraded speech; memory processing errors; memory span, 9626
impaired memory; individual differences; cortisol response; autonomic response; stress; sympathetic nervous system, 25084
Implicit Association Test; explicit self report measures; correlation; memory, 425
individual differences; memory control; cognitive abilities; multiple trial recall; directed forgetting; proactive interference; retrieval inhibition, 22012
individual differences; memory; forgetting; working memory; inhibition skill, 18769
individual differences; phenomenology; mental time travel; visual imagery; emotion regulation strategies, 21916
individuality; independent self concepts; public judgments; cognitions; motivation, 28696
infancy; declarative memory; deferred imitation, 22446
infancy; declarative memory; deferred imitation, 22467
infant; naps; abstraction; language learning; sleep; final word learning; word dependencies; remembering; abstract relations, 31406
infantile amnesia; fear; FG7142; GABA; latent inhibition; memories; recovery; retrieval; gamma amino butyric acid; transmission; rats, 12877
infants; memory; movement development; contingency; learning, 25298
infinite language; finite structure; neurons; memory, 6138
influencing variables; memory; long periods; time; recently learned face name pairs; encoding; memory retrieval; vivid images, 27902
information retrieval; transactive memory systems; organizational work teams; communication; knowledge levels perceptions, 6885
inhibiting change; memory effects; auditory selective attention; psyhophysical discriminability; distractor chnnel, 6794
inhibitory voluntary control; memory; stimulus onset; asynchrony; reaction time; suppressed memories; lexical decision, 33953
intentional forgetting; rumination; depression memory; bias; emotional material; cue words, 4325
interference resolution; elderly; age differences; inhibition; dual task processing; distraction; individual differences; cognition; memory span, 31013
international news events recall; hypnosis; relaxation; recall accuracy; memory; recall priming procedure; self confidence, 6576
interrogative suggestibility; suicidality, 7802
interruption; Tower of London task; goals; activation; memory, 12726
interruption; Tower of London; goals; associative activation; memory; contextual cues; cue encoding; priming, 31046
intracerebroventricular administration; drug dosage; drug therapy; histaminergic drugs; morphine; state dependent memory; passive avoidance; mice; histamine; clobenpropit; pyrilamine, 13028
intrahippocampal microinjections; anisomycin; glucocorticoid; memory impairment; genome; retention; corticosterone, 34223
intrusions; trauma memories; cognitive processing; healthcare professionals; medical crises; anxiety, 25775
intrusive memories; posttraumatic stress disorder; cognitive therapy; imaginal reliving; depression; patients, 19916
irrelevant stimuli; attentional distraction; memory performance; serial recall, 6582
judgments of learning; model; metamemory; stochastic drift, 402
language skills; simultaneous interpreters; language proficiency; language comprehension; working memory; cognitive skills, 16009
learning; free recall; testing effect; students' confidence; retention; memory, 21199
learning; memory; consolidation; freezing; timing; dorsal hippocampus; fear conditioning, 3545
learning; Morris water task; memory; retention; memory modulation, 24895
list discrimination; associative recognition; memory models; recognition memory, 6567
list learning; individual response strategies; animal learning; orangutans; recognition memory; serial order information; serial position effect, 31124
location estimation; error process; LARCH process; memory; mean; M-estimators; normal distribution, 30802
long lasting memories; walking cat; leg movements; obstacles, 22258
long term continuous exposure; memory function; anxiety parameters; circadian rhythm; locomotor behavior; acute disruption, 618
long term depression; long term potentiation; rats; development; visual experience; perirhinal cortex; visual memory; synaptic plasticity, 22184
long term effects; lanthanum intake; neurobehavioral development; rat; learning ability; DNA concentration; memory, 22307
long term gazing; cueing effects; attention; memory, 30983
long term negative priming; attentional processes; memory; selective attention; behavior, 448
long-term recency effect; recognition memory; recognition; short-term memory; single-store models, 22019
longitudinal memory performance; normal aging; twin association models; apolipoprotein E; Alzheimers disease; genes, 25400
low frequency words; high frequency words; divided attention; recognition memory; awareness; accuracy of knowing, 21987
macaque; visual learning; reward; prospective memory; retrieval processes; discrimination learning, 9697
maintenance electroconvulsive therapy; refractory depression; memory function; clinical outcome; relapse prevention, 20644
Malagasy; memory; Western conceptions; postcolonial politics; social dynamics; Madagascar, 21976
masculinity-femininity; concession; eyewitness testimony; recalled memories, 27904
MDMA; delayed matching to sample; memory; proactive interference; rats; intertrial interval, 13022
medial temporal lobe response; connectivity; memory encoding, 7008
memorability based strategy; nonexperienced event occurrence; training; children performance; age, 22458
memoriam; cognitive psychotherapy; positive psychology; graduate students, 30066
memories; temporal proximity; public events; emotional; nonemotional; aging, 13249
memory accuracy; face perception; personally known individuals, 15577
memory based processing; online processing; attitude strength, 31033
memory complaints; prospective memory performance; older adults, 32693
memory conjunction errors; face recognition; learning disabilities; nonverbal intelligence, 20105
memory conjunction errors; realistic faces; configural processing; facial features, 24859
memory consolidation; Pavlovian fear conditioning; nitric oxide signaling; memory formation; lateral amygdala; auditory fear conditioning; synaptic plasticity, 6772
memory consolidation; sleep role; molecular processes; cellular processes; memory reorganization, 6600
memory deficits; Parkinsons disease; recognition; task difficulty; recall; disease severity; prospective memory, 26454
memory disorders; memory clinic; neuropsychology, 11210
memory distrust; checking behavior; external validity; thresholds; obsessive compulsive disorder; metacognition, 25933
memory encoding; retrieval; transfer appropriate processing, 9635
memory errors; Alzheimer's disease; misattribution errors; recollection; familiarity; illusory truth effect, 17318
memory failures; self report; free recall technique; everyday activities; aging, 3428
memory for words; spelling transparency; memory recall; monosyllabic words; imageability; Persian orthography, 24841
memory fragments; patients; Alzheimer's disease; visual priming; physiological correlates; implicit memory, 20279
memory function; autism; children; memory assessment; discriminant analysis; principal components analysis, 10898
memory functioning; intellectual ability; memory impairment; General Ability Index; Alzheimers disease; dementia, 26419
memory functioning; memory aging knowledge; age differences; metamemory; education; verbal ability, 34365
memory impairment; methylenedioxymethamphetamine; neurotoxicity, 35028
memory impairment; patients; Alzheimer's disease; cognitive impairment unawareness; etiology; symptoms, 14234
memory interval; untimed stimuli; instructional ambiguity; retention interval; intertrial interval, 12834
Memory Lane Cafe; follow up support; early stage dementia; families; carers; family members; self reliance; self help, 20273
memory loss duration; mild cognitive impairment; aging process; elderly patients; screening, 17306
memory malingering; brain injury; cognitive performance; injured worker population; workplace safety; self perception; neuropsychological testing; emotional state, 4864
memory model; regression analysis; learning curves; animal learning; addicts, 6669
memory operations; short-term memory; cognition; serial visual presentation; attentional blink, 27755
memory performance; self stereotypes; stereotype threats; age stereotypes, 28606
memory performance; Wada; intracarotid amytal procedure; medial temporal lobe epilepsy; memory stimulus, 23494
memory problems; memory improvement; remembering, 3420
memory processes; stress; maltreatment; children; false memories; suggestibility; neurobiological changes; memory development, 31998
memory reactivation; behavioral expression; extracellular signal regulated kinase phosphorylation; rat prefrontal cortex; amygdala, 15781
memory reactivation; reactivation treatment; infants; priming; retention, 22463
memory representations; non neglected stimuli; right hemisphere; brain damage; neglect patients; spatial locations; space, 14208
memory retrieval; dopamine receptor; rats; temporal order memory; recognition order memory; information retrieval, 650
memory skill; exceptional performance; mnemonics; skilled memory; memorist, 31068
memory sources; Freud; dreaming; theory; hippocampus; life events; memory, 9659
memory span; general intelligence; working memory, 6564
memory suppression; dissociative individuals; Think-No Think task; dissociation, 7641
memory; absolute identification; serial position effects; perceptual discrimination; tones; length; weight; numerosity, 15733
memory; arousal; stress; cortisol; humans; pictures, 13029
memory; categorical information; subject performed tasks; verbal tasks; differential relational encoding, 3416
memory; cognition; obesity; type 2 diabetes mellitus; Zucker rats, 3507
memory; confidence; accuracy; sentence recognition; metamemory, 27895
memory; cued recall; phrases; enactment effects; multinomial modeling approach, 15742
memory; cultural narratives; minimally counterintuitive narratives; myths; folktales; cultural stability; cognitive templates, 27865
memory; embodied cognition; extended mind; motivation; cognitive science; individual differences, 24833
memory; famous faces; temporal lobe epilepsy, 32629
memory; hippocampus; retrograde amnesia, 27918
memory; Korsakoff's syndrome; amnesia; memory rehabilitation; self performed tasks; verbal free recall; verbal recognition; object naming, 11094

memory; location preferences; sex related attenuation; glucose dose; tacrine dose; male rats; female rats; saline injection; novel chamber, 13024
memory; mathematics learning difficulty; basic addition performance; counting speed; adolescent student; learning; problem solving strategies, 21186
memory; memory disorders; brain regions; neurobiology, 8149
memory; menopause; estrogen; cognitive performance; hormone influence; cognitive functioning; psychological functioning; brain structure, 610
memory; metamemory; benzodiazepine; lorazepam; scopolamine; cognitive mechanisms; neurochemical mechanisms; dose effects, 6847
memory; metamemory; memory self-efficacy; aging; longitudinal, 15743
memory; object location; route direction; virtual space, 15720
memory; position of objects; natural scenes, 292
memory; reality; dream; physical environment; social environment, 12775
memory; retrieval; celebrity names; face & object naming; interference paradigm; distractors, 21991
memory; robust future; anthropological approaches; emotional politics; cultural politics; globalization, 22022
memory; stimulus magnitude; Bayesian weighting, 6596
memory; time format; personal events, 21992
memory; wealth; commerce; history; Mexico; economics, 21983
memory; Wilhelm Wundt; history of psychology, 6561
memory; younger adults; older adults, 24853
mental models; transactive memory; acute stress; team performance, 30470
mental representation; visual crossmodal memory; haptic crossmodal memory; interference effects; unfamiliar objects, 15723
Merle Karnes; memoirs; mentor; special needs children, 1846
metacognition; study-time allocation; region of proximal learning; education; memory, 18848
metacognitive control; study repetitions; remembering; learning; decision making; memory, 21970
metacomprehension; metacognition; judgment; learning; memory, 3390
metamemory judgments; memory performance; cognitive assessment, 3275
metamemory; schizophrenia; memory; cued recall; recognition tests; feeling of knowing, 25925
microtubule associated protein deficiency; behavioral phenotype; altered retina function; mice; altered behavior performance; learning; memory; synaptic neurotransmission, 3522
misinformation effect; modernizing; slides; video; digital technology; research, 27711
mitogen activated protein kinase; kinase signalling; memory stabilization; neurons; gene expression; brain plasticity, 25004
mnemonic functions; hippocampus; rats; humans; sequential learning; short term memory; intermediate term memory, 22187
mnemonic value; vocabulary; words; elementary students; memory; orthography; spellings, 11856
momentary pain; recall; variability; memory processes; rheumatologic conditions, 1705
mood congruent memory; dysphoria; incidental memory; intentional memory; biases; state affect; cognitive style, 34855
mood effects; eyewitness memory; affective influences; misleading information, 7404
motivated cognition; aging; attention; memory; emotion regulation; cognitive control mechanisms, 10008
motor ability; spatial ability; autoimmune disease; lupus prone mice; learning; memory, 6740
motor memory; memory consolidation; motor consolidation; anatomical basis, 15584
mouse lines; methyl carboline carboxylate; memory processes; strain differences; learning abilities, 34019
mugshot exposure; source confusion; witness accuracy; mugshot commitment; target identification; memory failure; eyewitnesses, 33721
multidimensional sources; source dimensions; multidimensional monitoring; context reinstatement; binding; source memory; item selection effects, 6598
multiple sclerosis; depressive symptoms; affective memory biases; verbal encoding; memory, 11050
mushroom bodies; sleep; Drosophila; neural circuits; learning; memory, 25040
natural input memory; recognition memory modeling; natural input; natural stimuli, 15724
needs; affect; Stroop interference removal; PSI theory; volitional facilitation; intention memory; power needs; achievement needs; affiliation needs, 248
neural activity; memory; encoding; electrical activity; recollection, 34156
neural correlates; memory development; learning; neuroimaging; behavioral measures; cognitive processes; developmental processes, 15705
neural mechanisms; birdsong; male songbird; memory; speech acquisition; infants; auditory memorization; brain; sensorimotor learning, 24956
neurobiology; learning; memory, 12876
neurofuturity; theory of change; memory; intervention; therapy, 20385
neuroimaging; serial position curve; single store models; dual store models; hippocampal memory system; retrieval processes, 441
neuropsychological assessment; video recorder; third party observer effects; social facilitation, 9414
nitric oxide; memory facilitation; spermidine; rats; inhibitory avoidance task, 22313
NMDA receptors; long term potentiation; pathway-specific LTP; rat stratum; Hebbian LTP; memory encoding; feed-forward inhibition; glutamatergic synapses; interneurons; temporal fidelity, 3498
nonverbal conjunction errors; recognition memory; familiarity; novel test stimuli, 21994
nonverbal memory; verbal memory; posttraumatic stress disorder; memory impairment, 28922
noun phrase anaphors; anaphor resolution; memory; inference, 12728
novel event recall; pre event discussion; preparation; childhood development, 791
novelty detection; infants; familiar stimuli; memory; cognitive ability; ERP responses; electrophysiological correlates, 10086
object recognition memory; hippocampal lesions; rats; animal learning; novel object preference, 25034
observer perception; veracity assessment; memory; witnesses; memory performance; live & video presentation modes; witness statements & appearance; observer credibility, 9283
obsessive compulsive disorder; memory judgments; monitoring, 11220
oddball items; memory; isolation; differentiation; category learning, 18808
olanzapine interactions; nicotine; mecamylamine; rats; memory function; cognitive effects; schizophrenia, 657
olfactory sensory memory; encoding; olfactory glomeruli; honeybee antennal bulb; short term Hebbian plasticity, 15869
organizational memory; mishaps; organizational learning; organizational culture; management skills, 5882
organizational plasticity; neuromodulation; life span; memory plasticity; neurocomputational modeling; developmental plasticity; cognitive processes; cortical processes; dopaminergic system, 34105
organizing principles; real time memory encoding; neural clique assemblies; universal neural codes, 15726
paired associate learning; memory; cued recall, 15746
panic; anxiety sensitivity; memory biases; biased information processing; cognitive vulnerability; panic; threat, 1437
Parkinson's disease; dopaminergic modulation; learning; memory; impaired learning; L dopa, 17340
passive avoidance; lithium effects; morphine state dependent memory; memory performance; rats, 13053
past biases; future forecasting; atypical events; recall; forecasting, 432
past grief; spousal bereavement; current grief; memory; affective state; death, 21984
perception; memory; object recognition; response times; matching; visual perception, 27732
perceptual learning style; sensory modality; memory; self-report questionnaires; metacognition; learning proficiency; pictorial learning; auditory learning; tactile learning, 14967
perceptual; intrusive memories; priming; trauma; memory; neutral stimuli; symptoms, 21920
pharmaco behavioral evidence; ryanodine receptor calcium release channels; memory processing; passive avoidance task; synaptic plasticity; nitric oxide, 25100
phonological similarity effect; serial recognition task; memory retention task; phoneme overlap; sub syllabic mechanisms; psycholinguistic models, 3770
phosphatidylinositol kinase signaling; contextual memory; memory retrieval; memory extinction; mice; hippocampus, 3675
picture memory; Aspergers syndrome; extension errors, 4395
pigeons; memory; light flashes sequences; temporal properties; retention functions; interval gap confusion, 15798
pitch perception; memory; melody; infants; prosody, 7015
popular portrayals; memory phenomena; thinking skills; cognitive psychology; film; psychology courses, 36252
preclinical; Alzheimer's disease; episodic memory; prospective memory; retrospective memory; memory impairment; dementia diagnosis, 17298
preference; affective priming; emotion; memory; awareness; nonremembered affective associations, 22032
prefrontal microcircuit model; cognitive deficits; schizophrenia; memory; nonhuman primates; cognitive functions; computer simulation, 16780
preschoolers; believing; seeing; rumors; adult conversation; classmates; free recall, 19189
presentation medium; social influence; misinformation effect; confederates; co-witness information; memory, 27905
primacy; memory; performance; neural correlates; parietal lobe; cognitive processes; angular gyrus, 18998
priming cue encoding; transition frequency; cued task switching; switch costs; memory retrieval, 24829
priming; reactivation; memory accessibility; infants; forgotten memory; retention, 16092
prior knowledge effects; memory; suggestibility; kindergarten students; elementary school students, 6990
proactive interference; epilepsy; vulnerability; face recognition; memory; neurological patients, 14192
problem size effect; mental arithmetic; event related brain potentials; memory retrieval; arithmetical problems; processing strategies, 34154
procedural memory; nonverbal social skills; verbal social skills; schizophrenia, 32153
prospective memory failures; patient safety; patient simulators; intention, 26818
prospective memory performance; cognitive development; age differences, 34371
prospective memory; breaks; task switches; memory failure, 27897
prospective memory; memory; aging; older adults; multinomial modeling; formal modeling; cognitive resources, 18862
prospective memory; prefrontal lobe model; adolescents; young adults, 10018
protein synthesis; initial learning experience; altered gene activity; learning process; memory consolidation; molecular mechanisms; extinction; protein synthesis inhibition, 33987
psychopathology measures; intelligence measures; memory measures; adults; psychoeducational assessment; cognitive functioning; outpatient mental health clinic, 30669
psychopharmacology; memory formation; brain; beta-adrenergic antagonists; pathological emotional memories; long-term semantic memory; working memory; enhancement; therapy; storage; retrieval; drugs, 13017
pulsed methylprednisolone; multiple sclerosis; neuropsychology; memory retrieval; doses; drug side effects, 2179
race & skin tone influence; skin tone; crime news; viewer perpetrator perception; emotional discomfort; social reality judgments; Blacks; Whites; perpetrator memorability; racial & ethnic attitudes, 10449
rapid resumption; interrupted visual search; new insights; vision; memory; response time, 302
ras antagonism; basolateral amygdala; fear memory; intraamygdala infusions; farnesylthiosalicylic acid; rats, 15887
reading comprehension; integration deficit; sentence recognition; memory load; retention, 24218
reading comprehension; recognition memory; situation models; familiarity; judgments, 24855
reading habits; reading comprehension; memory beliefs; older adults' knowledge; Medicare; health insurance, 14583
reading; spelling; memory; neuropsychology; pronunciation; linguistics, 3763
reality monitoring; memory distortion; emotional information; negatively arousing information; decisions, 21934
reality monitoring; motor memory; checking-prone individuals; obsessive-compulsive disorders, 25978
recall memory; visual recognition memory; gestural communication; language emergence; infant development, 28282
recall richness; recall completeness; recall accuracy; children; reporting sexual abuse; obscene phone calls, 1486

recall; missing items; common words; response latency; serial position, 3427
recognition information; additional cues; memory; ecological rationality; recognition heuristic; object recognition, 12761
recognition memory impairment; amnesia; study induced fluency, 17302
recognition memory; awareness; perceptual effects; conscious resources; judgments; divided attention; recognition speed; encoding, 21986
recognition memory; conscious components; response times, 18834
recognition memory; decision strategies; receiver operating characteristics, 24858
recognition memory; dual process account; recollection; familiarity, 24848
recognition memory; evolution of cooperation; cognitive mechanisms; social environment; ecological environment, 30958
recognition; belief judgments; repetition primes; memory, 3409
recognition; recall; correlation; memory; modeling, 427
recollection rejection; semantic similarity; memory conjunction paradigm; meaning, 433
recollection; familiarity; dual-process theories; age differences; neuropsychological assessment, 15737
recollective experience; odor recognition; intention; familiarity; age differences; adults, 15596
recollective memories; initial experiencing; past conscious mental states, 6874
rectilinear views; boundary extension; visual perception; memory, 27764
reinforcement learning; rational analysis; embodied cognition; resource allocation; interactive behavior; soft constraints hypothesis; perceptual motor resources, 24806
relationships; self-esteem; memory; rejection; partner representations; partner information, 19498
remember Know judgments; retrieval; contextual details; recognition memory, 24801
reminders; spontaneous remembering; prospective memory tasks; target events, 24861
repeated checking; memory distrust; obsessive compulsive disorder, 16808
repression; recovered memories; mainstream psychology; Freudian theory; psychoanalysis; psychology, 19678
retention; recognition memory; cognate words; noncognate words; remembering, 12758
retrieval competition; forgetting; memory; inhibition, 22014
retrieval independence; recognition tasks; memory; word pairs, 15713
retrieval induced forgetting; inhibition; competition; transfer appropriateness; perceptually driven memory test; conceptual memory, 31031
Rey memory test; test versions comparison; actual memory impairment; simulated memory impairment; standard memory test, 6333
rhesus monkey; memory awareness; spontaneous behavior; memory tests, 15787
rhinal hippocampal connectivity; memory formation; sleep; volition; semantic processing; mnemonic core processes; dream memories; medial temporal lobe, 22168
ripple effects; memory; memory distortion; judgments; moral responsibility; negative act, 31064
robust recall; modular associator networks; rapid learning; autoassociative networks; memory; heteroassociatively trained synapses, 18416
rodents; object memory; spatial memory, 9691
rolipram; scopolamine; memory deficits; object recognition; action mechanisms, 13045
schizophrenia; delusions; metamemory; source monitoring; source memory, 13786
score discordance; older patients; memory deficits; cognitive impairment; dementia; test validity; test reliability; Wechsler Memory Scale-III; Rey Auditory Verbal Learning Test, 24637
Scripto Trauma Genogram; trauma survivors; survivors intrusive memories; Acute Stress Disorder; Posttraumatic Stress Disorder, 14379
search attempt; recognition memory; familiarity; judgment; event related potential, 529
seasonality; food storing behavior; parids; chickadees, 28002
segregation accuracy; item method directed forgetting; multiple tests; recall; memory, 30659
self memory system, 6565
self reports; memory failure; questionnaires; theoretical implications; recall memory accuracy, 6578
semantic condition; midazolam; semantic memory; amnesia; episodic representations; memories, 25115
sensory modalities; semantic organization; memory, 21999
sensory responsiveness; rewards; tactile learning; honeybees; memory; sucrose; proboscis stimulation; unconditioned stimulus, 6668
sentence comprehension; retrieval interference; memory research; cue-overload; encoding, 31024
septal infusions; glucose; gamma aminobutyric acid agonists; baclofen; memory impairment; neural receptor; rats; implications for hyperglycemia, 13015
serial order memory; immediate memory; list length effect; free recall, 24842
serial pattern learning; multiple item memory; chunking; rule learning; rats; interitem association learning; interleaved subpatterns, 22061
serum response factor; neuronal circuit; hippocampus; higher organisms; memory storage; axon; synapse formation; mouse; gene; ectopic fiber, 22191
severe depression effects; Test of Memory Malingering; disability seeking outpatients, 13748
significant life events; memories; future learned responses; stress; hormones; neuroanatomy, 12781
sleep and learning; REM sleep; memory; neurocognitive approach; dreams; sleep wake cycle, 18878
sleep dependent memory consolidation; memory encoding; sleep stages; offline memory reprocessing, 9663
sleep; growth hormone; sleep-dependent memory consolidation; memory performance, 22276
sleep; learning aids memory recall; memory; attention; hippocampus, 24849
sleep; memory; brain plasticity; neurosciences, 9768
social recognition memory; people's responses; seen items; unseen items; memories; influence; misinformation; eyewitness; memory conformity, 444
source cues; familiarity cues; imagination inflation; source monitoring, 3431
source memory; associative strength; relatedness effect; global matching methods; MINERVA 2; primes, 31045
source monitoring; context memory; metacognition; cued recall, 24844
source monitoring; eyewitness memory; implicit associations; incidental suggestions; episodic traces, 6577
source monitoring; source memory; young children; outward encoding focus; developmental changes, 13137
spacing effect; interrepetition spacing; free recall; inverted u shaped relationship; explicit memory, 442
spacing effect; vocabulary memory; retention; practice & forgetting effects; activation-based model, 434
spatial cognition; spatial updating; spatial memory; set size; capacity limits; offline updating; memory, 24810
spatial cognition; working memory; modeling; recognition; recall; geometric biases; spatial memory process; spatial recall tasks, 18812
spatial learning; hippocampal networks; animal model; rats; memory task; matching to sample, 3552
spatial memory; radial maze; pigeons, 15782
specialist memory clinic; learning disabilities; dementia; assessment; diagnosis, 17080
state anxiety; attribution; memory; suggestibility; post event information; source misattribution, 13568
stereotypes; communication; memory bias; coherence seeking; storytelling; information; serial reproduction, 13464
stimulus familiarity; chess players; memory; brain activity; frontal areas; cerebellum; cognitive processes, 6744
stress effects; hippocampus; synaptic plasticity; memory; hormones, 24970
stress hormones; memory function; lifespan; glucocorticoids; cognitive function; memory impairments; pharmacology, 15966
stress hormones; memory function; lifespan; glucocorticoids; cognitive function; memory impairments; pharmacology, 15973
stress; memory; natural disaster; mothers; recall, 31062
subject performance tasks; associative learning; amnesia; mild cognitive impairment; free recall; recognition memory, 32642
subjective impact; meaning making; emotions; self defining memories; self defining events, 25715
subjective memory complaint; Alzheimer's disease patients; cognitively normal relatives; first-degree relatives; depression symptoms, 35363
subjective memory; mood; Hong Kong Chinese adults; epilepsy, 32604
suggestibility; social support; memory; novel experience, 766
sum-difference theory; remember-know paradigm; recognition memory; signal detection models; receiver operating characteristic curves; item recognition; memory models; recollection; familiarity, 24857
sum-difference theory; remembering; knowing; remember-know paradigm; recognition memory; signal detection models; receiver operating characteristic curves; item recognition; STREAK; TODAM, 24862
supervisor observation; memory test performance; third party observer effect; social facilitation, 9422
suppression; emotional content; nonemotional content; memory; cognitive control; inhibitory influences; faces; words; pictures; repetition, 24846
susceptibility; memory distortion; suggestive information; false memories, 27911
switch cost; retrieval time; task span procedure; reaction time; memory span, 24812
synaptic plasticity; synaptic communication; learning; memory maintenance; neurons, 18944
synaptic potentiation; corticosteroid hormones; mouse hippocampus; mineralocorticoid receptor; glucocorticoid receptor; memory formation; memory processes; learning context, 19008
task interference; time based; event based; dual intention prospective; memory conditions; decision latencies; memory tasks, 423
task load; memory impairment; Down syndrome; performance decline; adults, 7965
taste aversion learning; memory retention; extinction; c-fos immunoreactivity; supramammillary nucleus; subcortical forebrain regions, 3469
taste memory; N methyl D aspartate; muscarinic receptors; nucleus accumbens, 12995
tau suppression; neurodegeneration; mouse model; memory function; neurofibrillary tangles, 566
team member assertiveness; team performance; satisfaction; transactive memory system, 30483
television violence; memory for advertising; nonviolent advertising; viewer hostility; memory enhancement, 12310
temporal gradient; memories; recalling; amnesia; mild cognitive impairment; Alzheimers disease; norms, 3411
temporal lobe resection; epilepsy; cognitive outcomes; cognitive status; memory, 23417
temporal lobe; memory encoding; functional magnetic resonance imaging; stimulus presentation modality; visual; auditory, 18993
temporal retrieval effects; recognition memory; recall tasks; recognition judgment; test item, 9637
temporal structuring; history; memory; society; time; rural Trinidad, 21971
terrorist attacks; September 11 2001; phenomenal characteristics; consistency; students' memories; flashbulb memories; Al Qaeda; World Trade Center; Pentagon, 22010
Test of Memory Malingering; neuropsychological test; retention trial; clinical neuropsychological evaluation, 33986
Test of Memory Malingering; traumatic brain injury; chronic pain, 14121
Test of Memory Malingering; Victoria Symptom Validity Test; Word Memory Test; internet; brain injury, 14190
test sequence; anterograde amnesia; retrograde amnesia; negative emotional scenes; memory performance, 26448
test validity; letter memory test; memory malingering, 30726
testing effect; transfer appropriate processing; elaborative processing; retention; cue support; memory; retrieval cues, 21974
testosterone; cognition; sex hormones; learning; memory; aging, 22281
time window; nonuniform effects; reinstatement; memory, 16068
time-sharing; pigeons; gap duration effect; discriminability; timed signal; memory; response function delay, 12818
timing; memory; timed intervals; untimed stimuli; animal memory; gap or retention interval; intertrial interval; forgetting; resetting the clock; instructional ambiguity; memory loss, 3470
tip of the tongue states; states resolution; incubation period, 3359
training delays; keylight duration; pigeons; matching to duration; choose short effect; memory, 15786

transcription factor; CREB activity; learning; brain region involvement; memory; cAMP response element binding protein; hippocampus, 6745
traumatic brain injury; persistent memory deficits; memory compensation strategies; independent living; assistive technology devices, 14739
unconscious memory; implicit; repetition priming; awareness; recognition, 24843
unconscious plagiarism; imagery; idea appropriation, 27884
unusual autobiographical remembering; superior memory; mnemonics; hyperthymestic syndrome; forms of superior memory; eidetic imagery, 17327
video effects; photograph reminders; event memory; infant development; visual perception; cognitive ability, 16131
violence; dialogue; memory exchange; convivial socialities; antagonisms; communities; narrative identity; translaltion, 4190
visual immediate memory; specific language impairment; perceptual organization; nonverbal tasks; visuospatial deficits; childhood development, 32496
visual perception; memory impairment; patients; medial temporal lobe lesions; cognitive functioning; hippocampus, 26440
visual search; memory; attention; eye movements, 18696
visuomotor representations; manual aiming; decay; psychometric function; memory guided reaching movements; time course; vision, 18698
vitamin E; cholinergic system; memory retention; passive avoidance learning; rats, 13014
whitewater boaters; recall; experiences; expectations, 15224
witness shyness; recall memory; culprit description; crime details, 7529
witnessing; social process; psychoanalytic treatment; collective memory; social witnessing, 31965
word frequency; memory; working memory; encoding; low-frequency words; cued recall; recognition, 24847
word list; Alzheimers disease; frontotemporal dementia; memory deficits; cognitive processes; rapid forgetting, 26455
working memory; prospective memory; attentional processes; multinomial modeling, 440
Memory [See Also Autobiographical Memory, Early Memories, Eidetic Imagery, Episodic Memory, Explicit Memory, False Memory, Implicit Memory, Long Term Memory, Memory Decay, Memory Trace, Reminiscence, Repressed Memory, Short Term Memory, Spatial Memory, Spontaneous Recovery (Learning), Verbal Memory, Visual Memory]—Books
Attention, perception and memory: An integrated introduction, 9325
Connectionism: A hands-on approach, 6153
The Harvard Medical School Guide to Achieving Optimal Memory, 9645
Memory fitness: A guide for successful aging, 3909
Secrets, lies, betrayals: The mind body connection: How the body holds the secrets of a life, and how to unlock them, 11526
Timing the future: The case for a time-based prospective memory, 33992
Memory Decay—Serials
autobiographical memory; reminiscence bump; cross-cultural differences; independent orientation; interdependent orientation; childhood amnesia; self-focus, 418
distracter; gap; interval timing; lever-pressing; peak-interval procedure; rat; switch hypothesis; ambiguity hypothesis; time-sharing hypothesis; responses; memory decay, 27944
episodic trace decay; oscillatory electroencephalography effects; encoding; physiological correlates; cerebral cortex, 15944
interval timing; gap procedure; temporal decay; animal memory; peak procedure; ambiguity hypothesis; subjective shortening, 477
IQ decline; early unilateral brain injury; developmental course; neural lesion; cognitive outcomes; childhood development, 8145
memory loss; intuition; midazolam; implicit memory; explicit memory; decision making; hippocampus, 31161
retrieval inhibition; episodic recall; cognitive tasks; forgetting; learning; cues; age differences, 3436
schizophrenia; false memories; confidence; memory impairment, 28889
time sharing; rats; peak interval procedure; gaps; distracter stimuli; switch; instructional ambiguity; memory decay, 12817
verdicality; consistency; confidence; autobiographical memory; event memory; Columbia shuttle diaster; narrative & rehearsal hypothesis; false memories, 21977
visual memory decay; short term memory; recall; forgetting, 6453
wishful thinking; source monitoring; memory distortions; predictions; source attributions; bias, 3419
Memory Disorders [See Also Amnesia]—Serials
acquired brain damage; memory dysfunction; self assessment; significant others; patients, 32663
autobiographical memory deficits; schizophrenia; memory retrieval, 23043
citalopram; memory impairment; electroconvulsive shock; selective serotonin reuptake inhibitor; working memory; immobilization, 15964
conscious recollection; autobiographical memory; schizophrenia; memory impairments, 1389
depressive symptoms; memory symptoms; spinocerebellar ataxia; neuropsychiatric symptoms, 34798
epilepsy; age differences; intelligence quotients; children memory scale; memory weakness; cognitive difficulties, 29245
errorless learning advantage; word stem completion; memory impaired participants; implicit memory; explicit memory, 14254
executive memory dysfunctions; mild traumatic brain injury; mnemonic problems, 23456
Ganser syndrome; malingering; differential diagnosis; memory disorder; Ganser-like symptoms, 35204
hippocampal volume; cognitive deficits; electroconvulsive therapy; memory problems; older depressed patients, 14240
memory complaints; prospective memory performance; older adults, 32693
memory consolidation; tryptamine analog; scopolamine; memory deficit; memory tasks; serotonin; 5 HT 6 receptors, 15977
memory deficit hypothesis; obsessive compulsive disorder; recall memory; confidence judgments; memory accuracy; coping strategies, 19906
memory deficits; hippocampus; major depression; 5-hydroxytryptamine; neural network simulation; neuropharmacology, 19729
memory disorders; memory clinic; neuropsychology, 11210
memory dysfunction; caudate infarction; Heubner's recurring artery occlusion; auditory verbal learning; explicit memory; implicit memory, 26298
memory dysfunction; MDMA; drug usage; selective serotonin neurotoxin; cognitive processes, 20045
memory functioning; intellectual ability; memory impairment; General Ability Index; Alzheimers disease; dementia, 26419
memory impairment; bihippocampal injury; status epilepticus; neuropsychological profile; cortico subcortical atrophy; cognitive impairment, 26410
memory impairments; behavioral tasks; rats; object recognition; avoidance; learning, 34015
memory impairments; language impairments; hippocampal cortex; perirhinal cortex damage; medial temporal lobe epilepsy patients; volumetric magnetic resonance imaging, 26367
memory loss; medication; dementia; caregivers; Caucasians; African Americans, 17576
memory; memory disorders; brain regions; neurobiology, 8149
mild memory impairment; older adults; aging; delayed recall trial; word list learning task, 17271
multiple sclerosis; memory interference; verbal memory impairments; proactive & retroactive interference effects, 10965
neuropsychological deficits; tumour; posterior corpus callosum; retrosplenial amnesia; memory disturbance; cognitive deficits, 29227
neuropsychological testing; diagnosis; dementia; Alzheimers disease; memory deficits; cognitive deficits, 30757
oxidative stress; memory impairments; hippocampus; rats; cocaine, 3532
pentylenetetrazol kindling; thioperamide; learning deficits; memory deficits; donepezil; histamine H 3 antagonists, 15971
preclinical; Alzheimer's disease; episodic memory; prospective memory; retrospective memory; memory impairment; dementia diagnosis, 17298
Rey memory test; test versions comparison; actual memory impairment; simulated memory impairment; standard memory test, 6333
semantic memory disorders; anatomical determinants; functional determinants; cognitive determinants; episodic memory; sensory motor processes, 23424
spatial working memory deficits; at risk population; schizophrenia, 13807
state dissociation; memory disturbances; spider phobia; traumatic experience, 32610
traumatic brain injury; persistent memory deficits; memory compensation strategies; independent living; assistive technology devices, 14739
visual working memory; medial temporal lobe; memory impairment; rehearsal strategies, 32662
Memory Enhancing Drugs [See Nootropic Drugs]
Memory Trace—Serials
duration estimation; phonological loop; articulatory suppression; irrelevant sounds; working memory; memory trace, 27898
episodic trace decay; oscillatory electroencephalography effects; encoding; physiological correlates; cerebral cortex, 15944
fan shaped body; Drosophila melanogaster; fruit flies; brain; visual pattern recognition; short term memory traces, 15884
fan shaped body; Drosophila melanogaster; fruit flies; brain; visual pattern recognition; short term memory traces; genetic techniques, 15892
lateral entorhinal cortex; medial entorhinal cortex; conditioned odor aversion; trace conditioning; olfactory memory trace, 34081
N methyl D apartate receptor reactivation; taste aversion memory; brain; mice; paradigmatic techniques, 3548
objective measures; aesthetic judgment; memory traces; verbal responses; aesthetic preferences; art, 25137
organizing principles; real time memory encoding; neural clique assemblies; universal neural codes, 15726
trace search; age; lexical activation; working memory; sentence processing, 34260
Memory Training—Serials
Alzheimers disease; errorful learning; errorless learning; memory rehabilitation, 11092
anomia treatment; aphasia; interstimulus interval; spaced retrieval, 17407
memory problems; memory improvement; remembering, 3420
priming; reactivation; memory accessibility; infants; forgotten memory; retention, 16092
reminders; spontaneous remembering; prospective memory tasks; target events, 24861
retrieval solutions; cognitive skill training; recognition tests; age, 31060
visual working memory; training; novel polygons; familiarity, 27724
Memory Training—Books
Memory fitness: A guide for successful aging, 3909
Men [See Human Males]
Menarche—Serials
menarche; pubertal timing; family stress; children of twins; stepfathering; family structure, 22138
menarcheal age; mothers; daughters, 9995
Meningitis—Serials
familiarity component; recognition memory; hippocampal pathology; anterograde amnesia; memory loss; familiarity; brain injury; occipital lobe; bilateral decrease; bilateral shrinkage; amygdala, 1718
hearing impairment; sensorineural hearing loss; cryptococcal meningitis; HIV-negative patients, 8181
meningocele; ankyloblepharon; utero exposure; olanzapine; pregnancy, 32890
Meningomyelocele [See Spina Bifida]
Menopause—Serials
ambulatory cardiovascular functioning; postmenopausal women; victimization histories; posttraumatic stress disorder, 1566
bipolar disorder; postmenopausal women; menopause knowledge; subjective experience; perimenopausal women; schizophrenia; major depression; quality of life, 19736
dehydroepiandrosterone supplementation; dehydroepiandrosterone sulfate; postmenopausal women; cognition; endogenous cortisol; DHEA, 13039
healthy postmenopausal women; physical activity; forearm bone mineral density, 29783
heart disease; post menopausal women; foods; preventive measure; health problem; lifestyle, 17249
hormone replacement therapy; cognition; women; postmenopause, 8471
hormone replacement therapy; cognitive performance; postmenopausal women; dementia risk; cognitive domain; memory, 14500

Menopause—Serials

hot flashes; sleep complaints; psychological functioning; healthy menopausal women; skin conductance monitoring, 28119
life satisfaction; menopausal symptoms; urinary incontinence; Korean women; healthy behavior; self report questionnaire, 8031
memory; menopause; estrogen; cognitive performance; hormone influence; cognitive functioning; psychological functioning; brain structure, 610
menopausal hot flashes; cognitive behavior therapy; quality of life; treatment effectiveness, 35656
menopausal transition; Bolivian native American; Movima women; indigenous populations; symptoms, 3650
menopause; quality of life; chronically mentally ill women; schizoaffective disorder, 7686
menopause; sociocultural factors; adult attitudes; life experiences; adult development, 3796
opioid withdrawal; endogenous opioid effects; oestrogen withdrawal; menopausal hot flashes; menopausal women, 9842
physical activity; body mass index; menopausal symptoms; midlife Australian women; exercise; hormone replacement therapy; health, 17173
pretreatment attrition; smoking cessation; postmenopausal women smokers; premenopausal women smokers, 31707
seasonal onset; menopause; reproductions seasonal rhythm; fertility, 3649
sedentary women; obesity; postmenopause; mood states; physical activity; exercise; behavioral weight loss program, 23268
sexual medicine; women's sexual health; postmenopausal female sexual dysfunction, 8018
whole-blood serotonin; mood states; postmenopausal women, 31238
womens health initiative; hormone therapy; health personnel attitudes; gynecologists; postmenopausal women; side effects, 5583

Menopause—Books

Hot and bothered: Women, medicine, and menopause in modern America, 13406

Menstrual Cycle [See Also Menstruation, Ovulation]—Serials

aripiprazole; hypertensive crisis; schizophrenia; bipolar disorder; postmenopausal woman, 17513
college women perceptions; anxiety; menstrual distress; menstrual cycle; psychological adjustment, 19658
EEG asymmetry; prementrual dysphoric; risk, 14100
female hormones; symptom severity; obsessive compulsive disorder; reproductive events; menstrual cycle; pregnancy; menopause; hormonal contraceptives; serotonin reuptake inhibitors, 25976
female sex hormones; migraine; menstrual cycle; estrogen; aura, 8034
gamma aminobutyric acid receptors; ovarian cycle linked changes; tonic inhibition; seizure susceptibility; anxiety; premenstrual dysphoric disorder; mice, 3656
levels; estradiol; progesterone; luteinizing hormone; follicle stimulating hormone; prolactin; testosterone; preferences; male vocal masculinity; normal cycling & hormonally contracepting females, 19428
menstrual cycle; stress hormones; mood responsiveness; work; individual differences, 3668
menstrual cycles; drug abuse research; drug response; psychomotor stimulant drugs; alcohol; benzodiazepines; caffeine; marijuana; nicotine; opioids; amphetamine; cocaine, 32387
menstrual shame; body shame; sexual decision making; sexual activity; sexual risk; sexual experience, 7355
menstrual synchrony; estrous synchrony indices; female chimpanzees; proximity, 607
neuroactive steroids; menstrual cycle; central nervous system disorders; mood disorders; women; premenstrual dysphoric disorder, 25118
objective sleep quality; subjective sleep quality; young adult women; actigraphy; menstrual cycle; sleep onset, 3665
premenstrual dysphoric disorder; premenstrual syndrome; late luteal phase dysphoric disorder; selective serotonin reuptake inhibitors; fluoxetine; platelet serotonin transporters, 8476
premenstrual symptoms; serotonin variability; women; biological markers; etiological clues, 19023
scent; mate selection; olfactory preferences; testosterone; estradiol; cortisol; menstrual cycle; fertile period; attractiveness; odor intensity; pheromones; body odor, 25559

Menstrual Cycle [See Also Menstruation, Ovulation]—Books

From menarche to menopause: The female body in feminist therapy, 4975

Menstrual Disorders [See Also Amenorrhea, Premenstrual Dysphoric Disorder]—Serials

menstrual migraine; revised diagnostic criteria; pre-emptive treatment strategies; clinical considerations, 5139

Menstruation [See Also Menarche]—Serials

hormone therapy; episodic memory; postmenopausal women; cognition; estradiol; serum, 32995
lamotrigine; serum concentrations; menstrual cycle; estradiol; progestogen, 25076
menstrual cycle; suicidal behaviors, 29010
psychosocial correlates; perimenstrual distress, 22849
symmetrical women; potential fertility; fluctuating asymmetry; menstrual cycle; estradiol levels; finger length; urban women; rural women, 31269

Mental Age—Serials

age identity; chronological age; age differences; physical health; functional status; mental health, 3883
determining mental age; graduated scale, 28231
Williams syndrome; visual configural information; visual abilities; mental age; chronological age; global information, 23298

Mental Confusion—Serials

cortical blindness; electroconvulsive therapy; confusion; neurology, 29711
mugshot exposure; source confusion; witness accuracy; mugshot commitment; target identification; memory failure; eyewitnesses, 33721
obsessive-compulsive disorder; treatment outcome; cognitive change; cognitive-behavioral therapy; obsessional belief; inferential confusion; sense information, 4404
prolonged confusional state; electroconvulsive therapy; diagnostic clues; serial electroencephalography; pharmacotherapy-resistant depression, 26712
prolonged confusional state; electroconvulsive therapy; diagnostic clues; serial electroencephalography; pharmacotherapy-resistant depression, 26715

Mental Deficiency [See Mental Retardation]

Mental Disorders [See Also Adjustment Disorders, Affective Disorders, Alexithymia, Anxiety Disorders, Autism, Chronic Mental Illness, Dementia, Dissociative Disorders, Eating Disorders, Elective Mutism, Factitious Disorders, Gender Identity Disorder, Hysteria, Impulse Control Disorders, Neurosis, Paraphilias, Personality Disorders, Pervasive Developmental Disorders, Psychosis, Schizoaffective Disorder]—Serials

abnormal behavior; etiology; childhood development; Freud's analysis; pediatrics; adolescents, 22933
abortion; pregnancy; mental disorder; mental health; prepregnancy factors, 8462
acute tryptophan depletion; clinical effects; clinical implications; central serotonin levels; psychiatric illness; depression, 12637
ADHD; children; intellectual delays; mental retardation; psychiatric illness; schizophrenia; symptoms, 32406
adolescence; adulthood transition; psychiatric disability; treatment, 22898
adolescent attitudes; mental illness; mental health; stigma reducing strategies; categorical thinking, 7640
adolescent behavior; tobacco smoking; family influences; peer influences; psychiatric disorders, 32081
adolescent depression; epidemiology; interventions; causes; depression classification; vulnerability; stress; epilepsy, 13709
adolescent development; adolescent disorders; narcissism; narcissistic pathology; psychoanalytic theory, 22943
adolescent temperament; substance abuse disorders; psychiatric disorders; adulthood; temperament dimensions, 25713
adult life; fortigenesis; subjective well-being; strengths; mental illness; mental health, 34711
adventure therapy; mental disorders; childhood development; behavioral change, 1881
age at onset; schizophrenia; psychotic symptoms, 32145
aging; geriatrics; psychiatry; geriatric psychiatry, 29422
alcohol abuse; age of onset; mentally disordered; offenders; patients; alcohol consumption; teenage; antisocial behavior, 10864
alcohol consumption; psychiatric disorders; morbidity; mortality; relapse; mental health hospital admissions; alcohol use disorders, 29913
alcohol dependence; tobacco smoking; social class; clinical characteristics, 10827
alternative medicine; mental health problems; drug therapy; psychiatry, 23758
alternative medicine; mental health problems; drug therapy; psychiatry, 29737

Mental Disorders—Serials

alternative medicine; mental health problems; drug therapy; psychiatry, 29749
American Indians; adolescents; substance abuse; treatment; psychiatric disorders; Diagnostic and Statistical Manual; residential substance abuse treatment, 26974
Americans with Disabilities Acts impact; psychiatric inpatients treatment; mental disabilities, 29970
anorexia nervosa; stigmatization; perceptions; mental illness; community; asthma; schizophrenia; self attribution, 20147
antipsychotic drugs; pregnant women; breastfeeding women; mental health nurses; psychiatric condition; mental illness, 8413
antipsychotic drugs; psychiatric emergencies; oral administration; intramuscular injections, 13662
antipsychotics; psychiatric disorders; endocrine disturbances; cardiovascular disease; bipolar disorder; metabolic disturbances, 11369
antisocial personality disorder; disorder severity; gambling; medical problems; drug problems; psychiatric problems, 26072
antisocial personality disorder; disorder severity; gambling; medical problems; drug problems; psychiatric problems, 26053
antistigma program; medical students attitudes; schizophrenia; mental illnesses; education, 27080
arts therapies; mental health problems, 14540
Asian American veteranss; psychiatric illness; alcohol abuse; homelessness, 28802
Asian Americans; mental health services; problem presentation; ethnic differences; help-seeking behaviors; sociocultural factors, 29839
assertive community treatment; intellectual disability; mental disorders; treatment outcomes; quality of life; comorbidity; treatment effectiveness, 29925
asylum reports; feeble minded cases; health improvement; history, 14615
asylum seekers; refugees; psychiatric inpatients; London; mental disorders, 17757
asylum; narrative; mental illness, 23931
attachment; dynamic maturational model; behavioral disorder; psychiatric disorder; family relationships; threatening environment; safety, 25758
attention deficit hyperactivity disorder; adult characteristics; drug dependence; psychiatric comorbidity; depression, 7642
attitudes; mental illness; rural Kentucky; socioeconomic variables; lay health workers, 29399
atypical antispychotics; clinical use; nonpsychotic illness, 32928
Australian norms; mental health problems; screening instrument; age; gender; Strengths and Difficulties Questionnaire; children; adolescents, 6316
automatism; mental impairment; provocation; legal process reform; defense of mental impairment, 6193
base rate information; test accuracy; prediction; probability judgment; medical diseases; diagnosis, 6525
behavioral pharmacology; cannabinoids; feeding; appetite; ingestive behavior; energy regulation; endocannabinoid systems; psychiatric disorders; rimonabant; psychoactive drugs, 630
behavioral problem; emotional problems; preschool children; symptoms; psychopathology; child mental health services, 22921
behavioral profile; psychiatric disorders; intellectual disability; behavioral problems; psychiatric problems; personality disorders; psychiatric diagnosis, 7961
behavioural problems; schoolchildren; socioeconomic status; age differences; gender differences; academic progress; ethnicity; religion; emotional adjustment; mental health problems, 1338
belief in life after death; psychiatric symptomology; death attitudes; mental disorders, 32064
bereavement research; self assessed psychological morbidity; measurement; death; cancer, 22924
biobehavioral sciences; translational research; behavioral neurobiology; developmental psychopathology; psychiatric disorders, 32084
bipolar disorder; redefining; DSM V; multisystem disorder; classification system, 34873
blood-borne diseases; viral infection; sexually transmissible infections; psychiatric populations; treatment, 32003
blood-borne diseases; viral infection; sexually transmissible infections; psychiatric populations; treatment, 1287
brain stimulation; treatment; psychiatric disorders; major depression; pharmacology, 32968

cannabis potency; Europe; tetrahydrocannabinol; pharmacological effects; mental health problems; risk factors, 6842
cannabis potency; Europe; tetrahydrocannabinol; pharmacological effects; mental health problems; risk factors, 6861
carbamazepine; capsules; treatment; bipolar disorder; psychiatric illness, 26675
cardiovascular risk factors; mental disorders; sociodemographic background variables; general population; comparison, 31977
cardiovascular risk factors; patients; diabetes; mental illness; cholesterol; blood pressure management, 28750
caregiver strain; substance abuse disorders treatment; mental health problems, 29950
central interests; major mental disorder; criminal behavior, 19745
child abuse; religious institutions; men's mental health; physical abuse; sexual abuse; criminal behavior; psychiatric disorders; emotional abuse, 22908
child and adolescent mental health services; multidisciplinary services; physical disorders; psychological disorders, 14676
child protection; mental illness; parents; child care; interfamilial relationships, 25803
child psychiatric disorders; brain-behaviour relationship; clinical impact; child neuropsychiatry; adolescent neuropsychiatry; Attention Deficit-Hyperactivity Disorder; Tourette Syndrome; Autism, 23225
childhood sexual abuse history; psychiatric comorbidity; abused females; adult mental disorders prevalence; family environment, 10569
childhood trauma; dissociation; clinical outcome; substance abuse; mentally ill populations; psychosis; emotional abuse, 29341
chorea gravidarum; postpartum psychosis; pregnancy; mental disorders; memory impairement, 23294
chronic fatigue syndrome; psychiatric comorbidity; psychiatric disorders; cognitive behavior therapy, 20673
chronic fatigue syndrome; psychiatric comorbidity; psychiatric disorders; cognitive behavioral therapy, 20674

Mephenesin [See Muscle Relaxing Drugs]

Meprobamate—Serials
meprobamate tranquilizer; anxiolytic; clinical psychiatry; history, 32923
Mercury (Metal)—Serials
dental amalgam removal; health improvement; physical problems; mental problems; somatic symptoms; dental fillings, 8470
neuropsychological function; renal effects; dental amalgam; children; mercury exposure; intelligence quotient; safety; neurobehavioral effects, 20689
Mercury Poisoning—Serials
blood mercury levels; neurobehavioral functioning; cardiovascular benefits; fish consumption; cognitive impairment; methylmercury; neurotoxicant, 11097
Mercy Killing [See Euthanasia]
Mesencephalon [See Also Inferior Colliculus, Substantia Nigra, Superior Colliculus, Tegmentum]—Serials
allopregnanolone; neurosteroid; lordosis; nongenomic; selective breeding; rats; pacing behavior; anxiety; midbrain; neonatal period; sexual behavior; vocalizations, 18972
anesthetic drugs; sensory processing; cat superior colliculus; midbrain structure; spike latency; bimodal integration; inhibitory responses; physiological properties, 559
auditory midbrain; nerve responses; interaural correlation; sinusoidal variations; acoustic waveforms; binaural neurons; inferior colliculus; cats, 22185
blocking; surprise; predictive learning; PAG; opioid; opioid receptors; midbrain; ventrolateral periaqueductal gray; prediction errors; Pavlovian fear conditioning; rats; receptor antagonists, 19049
GABAergic regulation; neural organization; fear; midbrain tectum; defensive reactions; Fos distribution; auditory evoked potentials, 9788
gray matter volume; panic disorder; cardiovascular control centers; respiratory control centers; brainstem volume; midbrain; rostral pons; hippocampus; prefrontal cortex; neurocircuitry, 34940
irrepressible saccades; tectal lesion; rhesus monkey; eye jerks; dorsal midbrain syndrome; cerebrovascular accident; superior colliculus, 18956
mesencephalon; serotonergic neurons; raphe obscurus; fatigue; raphe pallidus; long-duration locomotion; cats, 25009
midbrain gray matter; Tourettes syndrome; midbrain disturbances; pathogenic role; Devinsky's hypothesis, 23425
trigeminal autonomic symptoms; trigeminal autonomic cephalalgias; transient ischaemic attacks, 1690
Messages—Serials
adolescent drinking and driving; mixed messages; alcohol use; adolescent drinking behavior, 10830
advertisements; self congruency; message framing; massage processing; consumer behavior; emotional states, 12307
affective reactions; realistic recruitment messages; behavioral judgment; organizational attributes; computer applications, 21361
anticipatory speech anxiety; public speaking; speech type; anxiety reduction, 22853
birthday celebrations; alcohol-related problems; prevention; college students; messages; harm reduction, 29056
communications; women; parent child relations; sexual agency, 1101
condom use; personality; psychosocial variables; safe sexual behavior; sexual sensation seeking; sexual impulsive decision making, 31697
connectives; coherence maintenance; publicity texts; advertising; consumers ideas; persuasion; pragmatics, 739
cultural differences; answering machine; communication; message; feedback channel, 25151
early adolescents; anti tobacco messages; tobacco lessons; student attitudes, 27291
exercise message; attentional bias; sedentary lifestyle; health promotion; schema, 15748
framed messages; health behavior; health messages; cancer care, 33024
gender differences; social network development; mobile phone text messages; undergraduate students; dyadic relationships; interpersonal relationship, 4151
government demarketing campaigns; smoking cessation; excessive drinking reduction; motor cars use, 11524
health behaviors; repressive coping behavior; health promotion; anxiety; disease detection; message responses, 20720
health education; health promotion; message framing; persuasiveness, 14609
health messages; entertainment television; intentions predictors; health behavior; syphilis storyline; gay male responses, 5202
humor usage; speech disorganization; perception of organization; speech humorousness; audience sense of humor; divided attention, 6529
ideational dynamics; message production; origins; nature; behavior; second generation action assembly theory, 19093
integrative model; market communications; message source; argumentation; cues; source biases; heuristic processing; systematic processing; peripheral processing; central processing, 30545
literal symbolic messages; extended symbolic messages; advertising effectiveness; need for cognition; audiences; consumer psychology, 16442
low-power; high-power; persuasive messaging; attitude change; women's magazines; radical feminist view; opinions; involvement, 4057
maternal health; safe motherhood concepts; motherhood messages; developing countries; obstetric care, 8492
media message; interpersonal communication; public opinion; conditional nature, 16051
message effects theories; behavior change theories; messages; cancer control; communication; information processing theories, 31334
message formulation; utterance planning; gaze; conversation, 18773
message framing; college students; career decision making; cognition, 29515
message framing; products; risk information; consumer responses, 15246
message production; uncertainty; courtship; observers; role playing; judgments, 31750
need for cognition; message complexity; motivation; cancer information service; fruit intake; vegetable intake, 26542
news coverage; health promotion messages; extant theory; genetics; race, 17621
non traditional applicants; employee recruitment; recruitment message, 30428
normative motivation account; emotional support; sex difference; messages, 7396
obesity; weight loss; outcome expectations; satisfaction; psychosocial factors; message, 3280
palatable message; palliative medicine; end of life care; physicians, 23836
palatable message; palliative medicine; end of life care; physicians, 23864
palatable message; palliative medicine; end of life care; physicians, 23869
palatable message; palliative medicine; end of life care; physicians, 23888
patriotic messages; warmth message; restaurant tipping, 10460
persuasive influence; emotion; cancer prevention messages; cancer detection messages, 33005
persuasive message; biased processing; recipients' attitudes; self monitoring, 7553
preschool children; environmental messages; social categorization; intergroup bias; social groups, 30347
presumed influence hypothesis; smoking messages; peer norms; smoking-related media content; mass media; adolescent smoking; smoking behaviors; middle schools, 19111
promoting stair use; stair riser messages; message banners; pedestrian, 5201
psychological appeal; personalized content; web portals; customization; attitudes; behavior; internet technology; media messages, 19073
public health professionals; lay epidemiology; lay understanding & interpretation; public health messages; health risk values; empirical beliefs; nature of illness; risk weighting; public disbelief, 36012
race socialization messages; historical time; birth cohort; parents; Blacks, 31735
ratee reactions; performance; feedback situations; feedback packaging; messages; outcomes; personal feedback language; legitimizing statement; rater judgment, 10423
retrospective statements; prospective statements; voting; campaign messages; election outcome; political candidates attitudes; presidential elections; communication, 19400
risk messages interpretation; womens responses; health story; anxiety reduction strategies; risk communication, 4924
sexual health services; Interactive Multimedia Learning Environment; sexual health interventions; message framing; sexual attitudes; sexual behavior; risk perception; sexual knowledge, 14330
smoking; cigarettes; advertising; message processing; nicotine; beliefs, 18381
soap operas; message targeting; selective processing theories; prosocial change; health behavior; media planners; communication strategies, 25184
social judgment theory; social norms campaign; normative information; health behaviors, 22625
socioemotional communication; task communication; online multiplayer video games; computer mediated setting, 16056
solution-focused message; Name Game; training experiences, 2476
successful guidance; automatic output; music & verbal messages; daily behavioural disturbances; dementia, 14289
supportive messages; attachment styles; friends; romantic partners; college students, 10394
target corollary; social distance; perceived exposure; perceived predispositions; first person perception; second person perception; media effects; health messages, 6881
threat orientations; health behaviors; health messages; measurement, 15481
Messages—Books
Projecting politics: Political messages in American films, 9977
Meta Analysis—Serials
bias; efficiency; heterogeneity estimation; meta analysis; random effects model; population effect sizes, 187
candidate gene studies; meta-analysis; mediation; moderation; behavioral & psychiatric phenotypes, 12635
coefficient alpha; meta-analysis; reliability; sampling distribution; reliability generalization, 30836
comparability; meta-analysis; standardized mean difference; effect size; measurement considerations, 27687
correlation matrices; homogeneous subgroup; cluster analysis; meta-analytic techniques; structural equation modeling, 3214
counseling psychology; effect sizes; metaanalytic thinking; counseling research, 30848
Dyadic Adjustment Scale; reliability generalization meta analysis; sample characteristics, 27579
meta analyses; systematic reviews; research; publication bias; heterogeneity; statistical methods, 15557
meta analytic structural equation modeling; estimation; chi square test; covariance matrices, 24658
meta-analysis, effect size, Rater X Ratee designs, 15514
meta-analysis; correlation coefficients; population correlations; random effects models, 6359
meta-analysis; effect size; heterogeneity; I2 index; Monte Carlo method; Q test, 24667
meta-analysis; rehabilitation counseling; rehabilitation outcomes, 30854
methodological issues; diverse study types combination; systematic reviews; mixed methods; qualitative methods; quantitative methods, 207
neuregulin; NRG1; schizophrenia; meta-analysis; genetic association, 25920
neuropsychology; meta analysis; neuropsychological investigations, 15865
neuropsychology; meta analysis; research literature; methods, 15864
public health interventions; meta analysis; knowledge, 24706
publication bias; meta-analysis; bias detection; performance; statistics, 21773
range restriction; indirect range restriction; bias corrections; data analysis; data sets; mental ability; job performance; meta-analysis methods, 21807
range restriction; meta analysis; operational validities; credibility values; research results; corrections, 18652
school based anger interventions; intervention effectiveness; meta analysis; educational programs, 5858
sensation seeking; alcohol use; meta analysis, 28524
Meta Analysis—Books
Classroom communication and instructional processes: Advances through meta-analysis, 21168
Metabolic Rates—Serials
energy balance; metabolic profiles; inbred rats; weight gain; thermogenic activity; obesity; body composition, 12980
exercise energy expenditure; metabolic rates; hunger sensation; growth hormone; fatty acids; gastro intestinal stimuli; neuroendocrine compensations, 598
flavors conditioning; liking development; energy requirement, 15920

hypermetabolic pattern; frontal cortex; unmedicated schizophrenia patients; occipital cortex; psychotic symptoms; parietal; thalamus; striatum; temporal cortex, 7703
polyphasic activity patterns; cathemeral species; small mammals; shrews; body size; metabolic rate; circadian system; endosymbiont digestion; cellulose; voles, 22254
Target of Rapamycin protein; serine-threonine kinase; cell-cycle progression; energy status; food intake; hypothalamus, 22249
water deprivation; metabolic rates; taste aversion conditioning; rats, 19030
Metabolism [See Also Basal Metabolism, Biosynthesis, Lipid Metabolism, Metabolites]—Serials
Alzheimer's disease; neurofibrillary degeneration; brain glucose metabolism; tau O-GlcNAcylation; neurons; dementia symptoms, 32626
Alzheimers disease; frontotemporal dementia; Pick complex; patients; white matter; cingulate cortices; metabolic changes, 35330
atypical antipsychotics; metabolic; side effects, 2058
circadian clocks; mitochondria; metabolism; physiological processes; defense mechanisms, 34173
Diabetes Empowerment Scale-Chinese version; psychometric properties; metabolic control; test reliability; sub-scales relationships; metabolic control; diabetes diagnosis, 27653
drug inhibition; oxidation reactions; aldehyde oxidase; reductive metabolism; ziprasidone, 9886
endocrine programming; metabolic programming; intrauterine development; hypothalamic pituitary adrenal axis; somatotrophic axis; endocrine pancreas, 9841
family factors; metabolic control; diabetes adherence; children; adherence behaviors, 23318
folate deficiency; proliferation inhibition; adult hippocampal progenitors; adult brain metabolism, 508
food perception; lipid metabolism; nutrients; diets; carbohydrates; fats; pathology; eating behavior; physiology; risk; postprandial response, 31254
homocysteine metabolism; folate deficiency; amino acid; plasma; cardiovascular diseases; Alzheimer's disease, 34807
homocysteine; folate metabolism; depression; folate deficiency; vitamin B12 deficiency; biochemical correlations; neurochemical correlations; clinical correlations, 10626
low serum concentrations; antidepressant effects; ultrarapid metabolizer; paroxetine; mianserin; polymorphisms, 20585
medications use; psychiatric medications; depressive disorders treatment; African American women; gender differences; racial ethnic differences; metabolism, 29662
melanin; nicotine; smoking behavior; metabolism, 34651
mental illness; metabolic syndrome; prevalence; atypical antipsychotics; schizophrenia; mental disorders; epidemiology, 4363
metabolic comorbidity; schizophrenia; genetics; type 2 diabetes, 7688
metabolic consequences; shell choice; hermit crabs, 6681
metabolic effects; spices; teas; caffeine; foods; herbal drinks; satiation; thermogenesis; fat oxidation; energy balance; obesity, 31259
metabolic syndrome; cardiovascular disease, 8010
metabolic syndrome; schizophrenia; atypical antipsychotics; weight gain; cardiovascular disease, 32533
metabolic syndrome; schizophrenia; risk; pharmacological therapies; prevalence; clinical aspects, 10573
metabolic syndrome; schizophrenia; schizoaffective disorder; clozapine treatment, 35616
metabolic syndrome; schizophrenia; schizoaffective disorder; clozapine treatment, 35630
metabolism; nutrition; patients; traumatic brain injury; morbidity; mortality, 26415
mitochondria; Alzheimers disease; neuronal cell; energy metabolism; apoptotic pathways, 35331
neuroimaging studies; borderline personality disorder; structural & functional neuroimaging; frontolimbic network mediation; symptomatology; brain metabolism; volumetry; serotonergic neurotransmission, 25991
nuclear associated glycoprotein; rats; liver development; hepatoma cells; amino acids; systemic detoxification; drug metabolism, 12916
opioid substitution therapy; alcohol metabolism; driving ability; opioid pharmacotherapy; blood alcohol concentration, 22301
oxidative metabolic stress; delirium, 13803
psychotropic drug drug interactions; mood stabilizers; nonpsychotropic agents; psychotropic classes; clinical consequences; metabolism; enzymes; antidepressants, 2147
RNA metabolism; schizophrenia; myelin-related genes; gene expression; dysmyelination, 23026
S-adenosylmethionine effects; Alzheimer's disease; metabolism; DNA methylation; CNS gene expression, 35272
schizophrenia; single carbon metabolism; methionine; homocysteine; metabolic system; methylenetetrahydrofolate reductase; nutrients; antioxidants; B-vitamins; nutrients; antioxidants, 10680
traumatic brain injury; rat model; bone metabolism; bone density; carboxy-terminal telopeptide; osteocalcin; biomechanics, 6806
unusual metabolizers; drug metabolism; psychopharmacologic treatment; typical antipsychotics; antidepressants, 20574
Metabolism Disorders [See Also Cushings Syndrome, Cystic Fibrosis, Diabetes, Hyperglycemia, Hypoglycemia, Hyponatremia, Lipid Metabolism Disorders, Phenylketonuria, Porphyria]—Serials
chronic epilepsy; low grade metabolic acidosis; hydrogen ion; NMDA receptor, 17358
co-occurrence; metabolic syndrome; depression; anxiety; young adults; psychological distress, 19715
cognitive functioning; psychiatric disorders; metabolic diseases; children; adolescents; intelligence; psychiatric pathology, 23340
emotion regulation; metabolic syndrome factor; subjective health; structural equation modeling, 14126
metabolic disorders; mental illness; management of metabolic issues, 1848
metabolic syndrome; primary care; drug therapy; selective surgery use; causation, 1715
mitochondrial abnormalities; oxidative imbalance; Alzheimer disease; metabolic abnormalities; hippocampal neurons; vulnerability, 35376
mitochondrial amyloid beta peptide; pathogenesis; late phase development; metabolic dysfunction; Alzheimers disease, 35375
myocardial infarction; aspirin; metabolic syndrome; gender differences; long term adverse effects; diet; exercise; lifestyle, 2144
Metabolites—Serials
conditioned place preference; self-administration; androgen; reinforcement; neurosteroid; testosterone metabolite; ovariectomized female rats, 3685
drug inhibition; oxidation reactions; aldehyde oxidase; reductive metabolism; ziprasidone, 9886
influenza-associated encephalopathy; biomarkers; cerebral spinal fluid; metabolomics, 32643
metabolites; protopanaxadiol type saponins; axonal regenerative factor; teneurin 2; phosphatidylinositol 3-kinase; ginseng, 24974
nitric oxide; schizophrenia; metabolites; disease course; treatment; diagnosis; biological markers; neurotransmission, 1386
parental reporting; youth reporting; secondhand smoke exposure; Florida Youth Cohort Study; continine levels, 10366
plasma; nitric oxide metabolites; suicide attempters; psychiatric patients, 26041
schizophrenic patients; risperidone; brain metabolism; frontal lobes; temporal lobe; thalamus, 2090
Metacognition—Serials
absolute monitoring accuracy; relative accuracy; metacognition; normal distribution; judgments, 15388
age differences; social influences; children's eyewitness performance; metacognitive monitoring; recall accuracy; postevent information, 22500
aging; encoding; metacognitive monitoring; cues; learning; age differences; interactive imagery; paired associates, 31014
attitude change; cognitive consistency; dual process models; evaluative conditioning; implicit measures; attitudes; persuasion; implicit; metacognition; elaboration, 31006
attitudes; persuasion; attitude strength; metacognition; certainty, 31782
children's beliefs; reasoning; metacognition; problem solving; thinking processes, 22437
cognitive apprenticeship; metacognitive skills; metacognitive knowledge; primary school learning environments; student metacognition; direct instruction; Dutch education, 2692
collaborative learning; metacognitive skills; hypermedia; problem based learning; learning environments; computers; students; reflective prompts, 30168
comprehensive vocabulary instruction; metacognitive word learning skills; reading comprehension; vocabulary achievement; elementary school children; vocabulary intervention, 5758
computer systems; learning; metacognition; comprehension; Point&Query; AutoTutor; iSTART, 5746
computers; metacognition; teaching method; learning environments, 5733
developmental changes; metacognitive skill; elementary school children; problem solving, 16091
dialogical self; psychotherapeutic change; multiplicity; metacognition, 35477
distinctiveness heuristic; false recognition; false recall; metamemorial decision based strategy; generative processing, 27909
elementary school teachers; teachers metacognition; thinking teaching scale; scale validation; teacher characteristics, 2599
eyewitness memory; metamemory; product identification; familiarity biases; civil cases, 3424
frontal lobe damage; metamemory impairments; episodic memory tasks; facial stimuli; frontal lesions; semantic memory, 11099
individual differences; metacognitive responsiveness; cognitive correlates; personality correlates; uncertainty, 3403
intellectual ability; metacognition; learning; problematicity theory; task complexity, 33988
judgments of learning; model; metamemory; stochastic drift, 402
judgments of learning; underconfidence; debiasing; foresight, 18847
leadership skills development; information processing; leadership performance; emotional regulation; skill levels; identity formation; meta cognitive process; leadership expertise, 2855
macaca mulatta; rhesus macaques; numerosity judgments; uncertainty monitoring; monkeys; metacognition, 18901
mathematical problem solving; elementary school children; metacognitive macroevaluations; learning disabilities; cognitive load, 18048
medicare program; older adults; cognitive variables; reading habits; reading comprehension ability; metamemory, 7103
memory distrust; checking behavior; external validity; thresholds; obsessive compulsive disorder; metacognition, 25933
memory functioning; memory aging knowledge; age differences; metamemory; education; verbal ability, 34365
memory; confidence; accuracy; sentence recognition; metamemory, 27895
memory; metamemory; benzodiazepine; lorazepam; scopolamine; cognitive mechanisms; neurochemical mechanisms; dose effects, 6847
Metacognition Questionnaire; test validity; problem solving; psychometrics; metacognition, 30671
metacognition; hypermedia program; learning strategies; training; computers, 11865
metacognition; judgments of learning; JOLs; transfer of learning; illusions of competence; foresight bias; mnemonic cues; theory based judgments, 31048
metacognition; need for cognition; learning; problem solving; task performance, 6512
metacognition; students; monitoring accuracy; judgment bias; academic performance, 2704
metacognition; study-time allocation; region of proximal learning; education; memory, 18848
metacognition; subjective experience; monitoring; control; judgments of learning; behavior; metacognitive monitoring; metacognitive control; self regulation, 12730
metacognition; teachers; classroom; social norms, 5660
metacognition; uncertainty; rhesus monkey, 18915
metacognitions; emotions; procrastination; anxiety; depression, 34767
metacognitions; patients; hallucinations; obsessive-compulsive disorder; superstition factor; schizophrenia; psychotherapy, 28791
metacognitive activities; text studying; problem solving; taxonomy development; secondary education, 36267
Metacognitive Awareness Listening Questionnaire; test development; test validation; metacognitive awareness; psychometrics, 30677
metacognitive awareness; knowledge; girls development; short story writing; self formation, 16203

Metacognition—Serials

metacognitive beliefs; coping strategies; worry; stress symptoms; PTSD, 7731
metacognitive control; childrens short term study strategies; long term study strategies; judgments of learning, 3838
metacognitive control; optimal learning; learning curves; learning environment, 33991
metacognitive control; study repetitions; remembering; learning; decision making; memory, 21970
metacognitive experiences; human judgment; mind; debiasing, 33977
metacognitive factors; attention alterations; hallucinations; predisposition; cognitive processes, 13756
metacognitive knowledge; learning; technology; classrooms, 5780
metacognitive skills; executive function; emotional status; psychosocial adjustment; acquired brain injury, 1803
metacognitive skills; math problem solving; prediction & evaluation skills; mathematics learning disability; children, 20107
metacognitive therapy; generalized anxiety disorder; cognitive-behavioural treatments; psychotherapy; evaluation, 25977
metacomprehension; ease of processing; fluency; judgments; aging; text learning; age-related differences, 22455
metacomprehension; metacognition; judgment; learning; memory, 3390
metacomprehension; self-regulated study; metacognitive monitoring; delayed keyword effect; metacomprehension accuracy, 6436
metacomprehension; text comprehension literature; comprehension monitoring, 3405
metamemory judgments; memory performance; cognitive assessment, 3275
metamemory; schizophrenia; memory; cued recall; recognition tests; feeling of knowing, 25925
middle school students; metacognitive awareness; self-regulated note taking, 8962
momentary accessibility; metacomprehension judgments; judgment lags; accessibility effects, 24782
mood; metacognitive experience; mathematical ability; self concept; maths performance, 5796
motivation; metacognition; psychopathology; learning disabilities; at risk populations, 29135
motivational climate; achievement goals; metacognitive activity; physical education; exercise; frequency; out of school settings; sports, 24220
multicultural competence; metacognition; career counseling models; counselors; ethnic minority clients; cultural factors; racial minorities, 21341
negotiation outcomes; time; turning points; cognitive trust; affective trust; dyadic negotiations, 9304
obsessive compulsive disorder; metacognitive beliefs; parent beliefs; child symptoms; cognition; theory; treatment, 28921
online discussion; self regulated learning; instructional methods; mathematical literacy; metacognitive guidance, 27182
personality disorders; states of mind; metacognitive dysfunctions; interpersonal relationships; metarepresentative malfunctioning; difficulty in self-reflection, 4394
primary school students; metacognitive beliefs; religious education, 36354
reading comprehension; metacognition; judgment; individual differences; verbal ability; college students, 6422
schizophrenia; delusions; metamemory; source monitoring; source memory, 13786
second order judgments; judgments of learning; judgment accuracy; metacognition, 3365
self assessment; higher education; metacognitive approach; teacher education students; learning oriented assessment; teacher education programmes, 33371
source monitoring; context memory; metacognition; cued recall, 24844
state dependent thinking; wake state thinking; dream thinking; metacognition, 458
subjective ease; malleable meaning; social judgment; evaluative judgments; metacognition, 18771
system design; web-based cognitive modeling system; problem solving; cognitive processes; metacognitive processes; learning theories, 17932
tip of the tongue experiences; feeling of knowing experiences; prefrontal cortex functioning, 3404
tip of the tongue states; aging; psycholinguistic perspective; metacognitive perspective, 3395
tip of the tongue states; states resolution; incubation period, 3359
word frequency; mirror effect; recognition task; recognition memory; learning strategy; metacognition, 6540

Metalinguistics—Serials

definitional skills; metalinguistic skills; metalinguistic acquisition, 22442
superposition of functional contours; trainable prosodic model; metalinguistic information, 9932

Metals—Serials

Alzheimers disease; chelator clioquinol; clioquinol treatment; disorder onset; cerebral glucose metabolism, 20695
Alzheimers disease; GSK3; tau phosphorylation; metals; proteins; glycogen synthase kinase, 32628
trace metals; neuronal apoptosis; genes; behavior; neuronal death; central nervous system injury; neurodegenerative disorders; zinc; iron; copper, 6762

Metamemory [See Metacognition]

Metaphor—Serials

adult psychotherapy; metaphors; imaginary space, 11193
aesthetics; craft; design; modernism; organizational consultation; professions; organizational decoration; organizational development, 24411
AIDS; epidemiologists; anthropologists; Ugandan myths; metaphor, 17206
children; mystics; activists; sages; holy fools; spirituality; clinical work, 28425
chronic pain; indirect hypnosis; embedded metaphors; creativity, 26721
cognitive models; metaphorical components; moral system; political system; conceptual metaphors; candidates; debates, 712
cohousing groups; consensus; meaning; metaphors; communities; insight; groups thinking, 31771
composite metaphors; information search behaviors; computer systems; differing computer experience; Internet novices, 704
contextualism; metaphor; speakers; theorists, 22373
counseling process; eating disorders; girls perception; metaphor, 7979
creativity; polysemy; pathography; psychobiography; art criticism; psychoanalysts; psychoanalysis, 5028
disaster myths; Katrina; looting; social disorganization; deviant behavior; mass media; disaster victims; lawlessness; political discourse; metaphors, 27489
discourse processing; brain correlates; metaphor comprehension; cognition; ironic sentence; temporal cortex, 34080
discreteness; continuity; linguistic analysis; complex categories; metaphors, 25166
disputants' metaphors; mediation; self reflection enhancement; communication, 9305
dreams; female embodiment; Christian spirituality; psychology of religion; metaphor; Perpetua; martyrdom, 10544
educators; school leaders; discourse; diversity; intergroup relations; equity concepts; principals, 11882
embodied metaphors; organization development; intervention technology; collaborative diagnostic technologies; issue diagnosis; induced metaphors, 24387
experiential metaphor; experiential therapy; art therapy; family therapy; ropes; felt board, 26615
family therapy; healing conversations; metaphor, 26626
gestalt therapy; paradoxical theory of change; biological metaphor; authenticity; Nietzsche's philosophy, 11301
literalism; metaphorical interpretation; truth; contextualist literalist controversy; language; implicit indexicality; semantic transfer, 22387
mapping racism; racist thought; ethnic identity; metaphor; psychoanalysis, 13610
marriage metaphor extension; buyer seller relationships; problem solving, 31739
metaphor comprehension; aptness; conventionality, 21931
metaphor interpretation; simulation; abstract knowledge; schematic knowledge; disembodied knowledge; cognitive theories; utterances; narratives, 22377
metaphor production; online conversation; persuasive conversations; chat software; gender differences; friendship status, 28191
metaphor scenarios; public discourse; metaphorical mappings; target topic conceptualizing; language use, 13074
metaphor; coupling; action oriented perspective; cross domain conceptual mappings; conceptual metaphor theory; conceptual blending theory, 16041
metaphor; cue; verbs; abstraction, 738
metaphor; education; schools; computers; factories; society; student cynicism, 27190
metaphor; Eurocentric contexts; Arguedas; Asturias; Malouf; indigenous concepts; many sided analogies; protagonists; reality; Men of Maize; An Imaginary Life; novels; Deep Rivers, 16010
metaphor; Gricean account; literal; semantic account, 22390
metaphor; simile; writers; comprehension; psycholinguistic comparison theories, 22378
metaphoric advertising; product type; symbolic vs utilitarian product; pictures; literal headlines; advertising attitudes; brand personality perceptions; purchase intention, 33616
metaphorical images; organizations; researchers; organizational literature; heuristics, 12220
metaphorical representation of affect; social cognition; clinical psychology, 452
metaphorical utterances; attribution; emergent properties; semantic composition; pragmatic account; relevance theory, 22391
metaphors; concept; treatment; dissociation, 16698
metaphors; technology change; cell phones; landlines; identity; career counseling; vocational psychology; cultural studies; narrative; shift from linear to postmodern careers, 18189
mind; interpretation; unconscious; quantum mechanics; everyday transcendence; metaphor; ontology; therapeutic setting; psychoanalysis; spirituality; physics, 29626
mythology; linguistics; psychoanalysis; therapeutic process; emotional growth; individuals; society, 20451
narrative theory; post modernism; self concept; reconceptualisation; metaphor, 27549
negotiation; metaphors, 1157
political terrorism; injustice; frustration; shame; fundamentalist & messianic terrorism; metaphor, 7146
protean career; boundaryless career; career metaphors, 30435
psychoanalytic theory; space metaphors; timelessness; unconscious; phenomenology; time categories, 31958
psychoanalytic treatment; metaphor; unconscious fantasies; memories; repressed memories; traumatic events, 17509
readership; economics metaphors; linguistic metaphors; business discourse; scientific discourse; purpose, 16036
sexual metaphor; unconscious fantasy; psychic life; Kleinian discourse; sexual behaviour; language, 22861
spiritual pollution; sociomoral disgust; ethics; love; contamination metaphors; sin; salvation; holiness; purity; Christianity; psychological processes; New Testament, 25459
student conceptions; writing; spontaneous metaphors; science classroom; learning, 30342
symbolic interaction; music; esthetic constitution; self constitution; society; narrative analysis; metaphors, 19545
teacher education; novice teachers reflective teaching output; metaphors; students ability, 5689
The Wonderful Wizard of Oz; metaphor; career counseling issues; counselor training; counseling practice; cross cultural issues, 18186
theater metaphor; therapist; client; self narratives; psychotherapy, 17437
theoretical work; psychology; utility of theory; processes of social action; critical theory; reason; rhetoric; metaphor, 27565
theory of mind; metaphor task; language impairment; autistic spectrum disorder, 4558
therapeutic communication; therapeutic alliance; treatment situation; metaphors; psychoanalysis, 2036
time; psychological reality; ego; metaphor construal; cognitive linguistics; visual priming; time perception, 25171
transparency; metaphor; philosophical accounts, 22380

Metaphysics—Serials

evolution; ontogeny; human child; social challenges; stress hormones; health; salivary cortisol; chronic stress; morbidity; psychosocial stimuli; stress response, 22527
gifted education; metaphysical assumptions; intelligence; quantum physics; Dualism; Materialistic monism; gifted students, 15093
moral judgment; role of metaphysics; values; medical ethics; guidance, 30158
ontologies; integrate learning design; learning object content, 11933
ontology; neuropsychology; unilateral spatial neglect; ontological implications, 258
perennial entanglement; psychological facts; human values, 6872

Metapsychology—Serials

Bion's theory; thinking; projective identification; Post Kleinian metapsychologies; Donald Meltzer, 25734

object relationships; metapsychology; drives; modern drive theory; sexual drives; preservative drives; aggression; structures; psychoanalytic theory, 7562
psychic apparatus; neuropsychoanalysis; metapsychology; neuroscience; biology, 28092
psychic apparatus; neuropsychoanalysis; metapsychology; neuroscience; biology, 28095
Metapsychology—Books
On being normal and other disorders: A manual for clinical psychodiagnostics, 4936
Methadone—Serials
aluminum toxicity; intravenous injection; boiled methadone; substance abuse, 17009
chronic noncancer pain; opioids; methadone, 16632
chronic noncancer pain; therapeutic agents; opioid therapy; N-methyl-D-aspartate receptor; methadone, 17192
demographic characteristics; prescription opioid abusers; methadone patients, 29054
drug abuse; intimate partner violence; methadone; sexual violence, 4411
drug abuse; intimate partner violence; methadone; sexual violence, 4424
fatal poisoning; methadone; buprenorphine; drug dependent patients, 26700
galactorrhoea; methadone use; opiate dependence; prolactin, 29988
heroin dependent patients; physicians; methadone; buprenorphine; drug prescription; drug therapy, 14745
methadone induction; heroin; craving; withdrawal; dependence; mood; plasma level, 13964
methadone pharmacokinetics; dose requirements; unexpected toxicity; intravenous naloxone; opioid rotation, 23776
methadone treatment; injection drug users; recidivism; risk factors; drug related criminal activity; disease transmission; incarceration; opiate addiction, 11666
methadone; chronic noncancer pain; treatment; opioid agonism; N-methyl-D-aspartate; monoaminergic effects; drug therapy, 11482
methadone; polymorphic ventricular tachycardia; opioid-dependent patients; Torsades de Pointes, 32353
methadone; pregnant inpatients; buprenorphine transition; opioid dependent patients; drug withdrawl; morphine transition; open label exploratory study; withdrawal symptoms, 17780
obsessive compulsive symptoms; methadone tapering; pathophysiology; opioid system; cortico-limbic-basal-ganglia-thalamic circuit; drug dependence, 35976
opioid substitution therapy; alcohol metabolism; driving ability; opioid pharmacotherapy; blood alcohol concentration, 22301
opioid switching; oral slow release morphine; oral methadone; pain control; chronic nonmalignant pain, 23303
pregnant women; illicit substance use; special care nursery; neonatal abstinence syndrome; methadone withdrawal; health risks; buprenorphine, 20030
Methadone Maintenance—Serials
abstinence-oriented treatment; opiate addiction; drug treatment; inpatient treatment; methadone maintenance; treatment risks, 26980
abstinence-oriented treatment; opiate addiction; drug treatment; inpatient treatment; methadone maintenance; treatment risks, 26956
alcohol counseling; drug effectiveness; methadone treatment; substance use outcomes; alcohol use problems, 20889
client characteristics; psychologist attitudes; methadone treatment; needle exchange, 11791
client satisfaction; methadone maintenance program; service delivery; treatment outcome; ancillary services, 23973
constipation; methadone maintenance; opioid dependency, 8653
depression; heroin users; Australian Treatment treatment episodes; methadone maintenance; buprenorphine; residential rehabilitation; detoxification, 26104
drug abuse; significant other; opioid-dependent patients; methadone; social support; community reinforcement; adaptive treatment; motivated stepped care, 2367
fatal poisoning; methadone; buprenorphine; drug dependent patients, 26700
gender differences; health related quality of life; maintenance treatment program; opioid users; treatment implications; withdrawal symptoms; methadone; morphine; buprenorphine, 5418
health care costs; accreditation; methadone treatment; health care providers; drug abuse; opioids; policy making, 26986
heroin dependence; treatment effectiveness; treatment cost; benefits; methadone maintenance; substance abuse, 8673
heroin users; methadone treatment experiences; methadone treatment perceptions, 5420
managed care; methadone maintenance; drug-free outpatient treatment; substance abuse treatment; quality of care; number of services, 8675
Medicaid; publicly funded opiate treatment; client characteristics; treatment access; methadone maintenance; health care policy; government policy making, 33139
methadone dosage; treatment retention; methadone maintenance; outpatient clients; treatment facilities, 11635
methadone dose; methadone maintenance treatment; cocaine use, 20905
methadone maintenance treatment program; clinical environment; patients; hospital staff; safety; program evaluation, 35962
methadone maintenance treatment programs; hepatitis C virus; service delivery; drug treatment programs, 35178
methadone maintenance treatment; cost utility; risk taking behavior; substance user treatment, 14757
methadone maintenance treatment; demographic data; clinical data; ambulatory patients; public health service; drug addiction; HIV; Hepatitis B; Hepatitis C; global well being; government access policy, 5427
methadone maintenance; Europe; Hungary; sociocultural resistance; opiate substitution treatment, 26960
methadone maintenance; heroin addiction; opiate addiction; buprenorphine, 11672
methadone maintenance; opiate dependent; cognition; cognitive function; neurocognitive improvement, 23161
methadone maintenance; program effectiveness; trends; community; drug prevention program; drug abuse; coalition; Fighting Back, 33146
methadone; morphine; maintenance treatment; hyperalgesia; opioid dependence; pain sensitivity; mood status; hyperalgesia, 33150
opiate dependent mothers; methadone maintenance treatment; pregnancy; high dose buprenophine; infant development; neonates, 23168
pathological gambling; methadone maintenance; physical health; patient health status, 14760
perceived positive aspects; intimate relationships; abused women; Methadone Maintenance Treatment Programs; intimate partner violence; drug use; psychological distress; childhood abuse; severity, 7811
prize based contingency management; gambling; drug abstinent patients; methadone maintenance, 30016
public policy; office-based opioid agonist treatment; American Society of Addiction Medicine; methadone maintenance treatment; opioid addiction; office-based opioid treatment programs, 11630
randomized clinical trial; opioid use; case management; methadone treatment vouchers; substance abuse treatment; dependency; hospital patients, 8676
retention; methadone programs; opioid agonist therapy; predisposing client characteristics; provider related variables, 30024
sexual abuse history; women; methadone treatment; psychosocial functioning, 11632
smoking treatment benefits; smoking treatment barriers; methadone clinics; staff attitudes; staff training; health attitudes, 8669
socioeconomic characteristics; planned methadone maintenance treatment; heroin users; nonheroin users; vulnerable populations, 33155
sterile syringes; safe syringe disposal; injection drug users; methadone maintenance treatment; risk behavior, 30012
substance abusing mothers; disruptions; child custody; mother perceptions; psychological maladjustment, 23177
treatment barriers; hepatitis C virus treatment; recovering heroin users; methadone treatment, 11674
Methamphetamine—Serials
AKT1 haplotype; methamphetamine substance abuse; dopamine dependent behaviours; Japanese adults, 13966
binge & chronic methamphetamine use; gay men; bisexual men; psychological differences; psychosocial correlates; addiction, 16955
bupropion; methamphetamine; subjective effects; cue induced craving; dopamine neurotransmission, 28158
cerebral blood flow; right anterior cingulate cortex; methamphetamine users, 20022
cocaine use; methamphetamine use; differential effects; sexual drive & performance & pleasure; gender differences, 1520
crystal methamphetamine dependence; gays; bisexual men; addiction treatment; outpatient treatment, 17782
crystal methamphetamine dependence; gays; bisexual men; addiction treatment; outpatient treatment, 20898
discriminative stimulus effects; methamphetamine; morphine; rats; animal models; neuroadaptations; channel blockers, 34235
dopamine receptor; polymorphism; methamphetamine; drug abuse; psychosis patients, 20024
drug induced psychosis; crystalline methamphetamine; phenomenology; quetiapine; drug abuse; antipsychotic medication, 20576
early onset; methamphetamine; psychiatric morbidity; Taiwanese adolescents; gender, 13944
extinction responding differences; methamphetamine reinstatement; rats; self administered intravenous methamphetamine, 22322
gene expressions methamphetamine modulation; mice; brain; amphetamine abuse; cDNA array; hippocampus; protein expression, 684
HIV-associated medical & behavioral & psychiatric symptoms & disorders; treatment-seeking methamphetamine-dependent men who have sex with men; behavioral characteristics; HIV serostatus; prevalence, 10579
HIV; unsafe sex; methamphetamine; gay community, 4285
impulsivity; methamphetamine use, 10839
meth epidemic; methamphetamine; rural states; crime, 35039
methamphetamine abuse; dependence; assessment; psychosocial treatment; Matrix Model; contingency management, 35051
methamphetamine dependence; immunosuppression; neuropsychological functioning; HIV infection, 31979
methamphetamine dependent inpatients; childhood attention deficit hyperactivity disorder; psychiatric symptomatology; cognitive functioning; symptomatology, 10566
methamphetamine injections; alterations; MAP kinase related pathways; brains; mice; aggressiveness; psychiatric disorders, 22341
methamphetamine use; violent crime; recidivism; substance abusers; parolees; drug trade involvement, 16845
methamphetamine use; young adults; health consequences; social consequences; seizures; weight loss; psychological symptoms, 29057
methamphetamine; motor abnormalities; clinical phenotype; subcortical dopaminergic mechanisms; GABAergic mechanisms; motor behavior; movement disorders; basal ganglia; neurochemistry, 9867
methamphetamine; novelty preference task; object recognition; neurotoxicity; dopamine; cognitive impairments; monoamine; serotonin, 25094
methamphetamine; outpatient treatment; hepatitis C virus; heroin injection; illicit drug use; virus transmission, 34787
methamphetamine; substance abuse; symptoms, 35041
methamphetamine; Taiwanese adolescents; drug use; psychiatric comorbidity; personal knowledge; peers, 20002
prefrontal grey matter; short term and long term abstinent methamphetamine abusers; neuronal damage, 16964
prescription stimulants; nonmedical use; prevalence; demographic correlates; abuse; dependence; attention deficit hyperactivity disorder; methamphetamine, 32355
rats; learning; prenatal methamphetamine exposure; navigation tasks, 3702
reinforcement schedules; contingency management; treatment; methamphetamine abuse; vouchers; monetary value; drug therapy, 13980
substance initiation sequences; drug use onset; Taiwanese adolescents; methamphetamine; drug users; substance use; gender & age differences, 7881
treatment response; substance abusing adolescents; participant characteristics; methamphetamine; outpatients; dysfunction level, 10835
Methedrine [See Methamphetamine]
Methionine—Serials
folate deficiency; methionine cycle; Alzheimer's disease; multifactoral etiology; nutritional risk factors, 35358
neonatal screening; hypermethioninemia; measuring methionine level; homocystinuria; gene mutations; human development; etiology, 1665
schizophrenia; single carbon metabolism; methionine; homocysteine; metabolic system; methylenetetrahydrofolate reductase; nutrients; antioxidants; B-vitamins; nutrients; antioxidants, 10680
Methodists [See Protestants]

Methodology [See Also Causal Analysis, Cohort Analysis, Content Analysis, Data Collection, Empirical Methods, Grounded Theory, Meta Analysis, Qualitative Research, Quantitative Methods, Self Report]—Serials
abductive reasoning; scientific method; phenomena detection; theory construction; research methodology, 6385
action research; action researchers, 6392
action research; epistemology; methodology; social science; organizational behavior, 30516
acute tryptophan depletion; clinical effects; clinical implications; central serotonin levels; psychiatric illness; depression, 12637
anthropocentricity; problem solving; analytic hierarchy process; land use designing; planning theory; methodology, 3037
arbitrary metrics; theoretical & methodological & statistical tools; classic test theory; item response theory; scaling models; validity; reliability; Implicit Association Test; clinical significance, 9328
attitudes toward ECT; health professional attitudes; biased attitudes; methodological issues; ECT knowledge, 11421
behavioral research; 3 dimensional images; photo textures; stereoscopic display; visual perception; MATLAB; plugin program, 9511
body and embodiment; theories; epistemology; methodology; qualitative research, 33210
breadth of constraint; continuum; phoneme errors; learning; artificial phonotactic constraints; local & language wide constraints; time course; durability; natural constraints, 6435
Bubbles technique; young infants; perceptual categorization; information use; face processing, 25266
Camillo Golgi; Santiago Ramon y Cajal; Nobel Prize; staining technique; nervous tissue, 15905
capacity to consent; treatment refusal; research methods, 35442
child social anxiety; social evaluative task; child reports; parent reports; teacher reports; prediction, 25935
children's views; research methodology; professional consultation; children's preferences, 16072
Chinese education; Chinese action researchers; participative action research, 6389
clinical case study; research methodology; psychoanalytic inquiry; psychoanalytic psychotherapy; child psychotherapy; Freud, 32799
clinical significance; psychotherapy outcome; psychometrics; research methods, 3244
common method variance; correlations; self-report surveys; systematic variance; measurement bias, 15571
community mapping; research tool; participatory action research, 8515
complex model selection; methods choice; accumulative prediction error; one-step-ahead error; unseen data point; next data point; time series models; natural ordering; meta selection, 15542
conceptual framework; statistical procedures; multilevel theories; homology; psychometrics; organizations, 13
corpora; critical discourse analysis; methodology; world wide web, 6911
correction for attenuation; partial correlation; part correlation; error-score; Spearman; formulas; correlation coefficients, 24563
daily dairies software; momentary psychological processes; methodology; palmtop computers; experience sampling methods, 36589
daily experiences; personality advances; research; methodology; data collection; physical & mental health; personal vulnerabilities; interpersonal manifestations; disease risk, 4204
defection detection; methodological approaches; predictive accuracy; customer churn models, 24672
depression scales; mortality risk; patients; acute coronary syndrome, 26355
diary method; work related gossip; multimethod research; nursing; health care organizations, 2802
dream recall frequency; measure reliability; measure stability; dream diaries, 9662
dream sources; associations; links among dream sources; link significance; dream analysis; graph representation; grammar analysis, 9655
early adolescence; pubertal status; pubertal timing; adolescent health & development; methodology; adolescent research, 9988
Ecological Momentary Assessment (EMA) methods; research program; smoking relapse; negative affect; self-efficacy; risk factors, 4237
economic evaluation tool; occupational safety; occupational health; Potential method, 3029
economic evaluation; alcoholism treatment; health care costs; costs and cost analysis; methodological issues, 23960
educational intervention; experiments; randomized designs; educational research, 8833
electroencephalography; neurofeedback; methodological issues; neurofeedback models; physiological correlates; clinical populations, 19010
ethnomethodological ethnography; code of conduct; interactions; street influences; black male basketball players, 10278
ethnomethodology; therapeutic traditions; language, 30855
exiled Iranian activists; feminist attention; life stories; feminist methods, 1044
eyewitness identification; sequential lineups; simultaneous lineups; sequential superiority effect; study methodology; research design, 21572
families; communities; social influences; theoretical and empirical contributions, 7212
family risk factors; high school dropout; time varying outcome measures; mothers; employment status; income, 27259
female genital cutting; experiment methodological issues; social change interventions; ritual cessation; behavior change, 928
fieldwork practice; fieldwork methodology; women prostitution; intersubjectivity; gender identity; ethnographic narrative, 223
Fighting Back; program evaluation; bibliography; substance abuse; community programs; substance abuse prevention; trends; methodological issues, 32388
focus groups; collective identity; social movements, 21811
functional magnetic resonance imaging; study designs; cognition; cognitive comparison strategies; stimulus presentation possibilities; technical aspects; neuroscientists, 18945
gender occupational segregation; first order approximation; methodological reasoning, 36406
genetic factors; reading development; reading disorder; methodology; information, 22139
gerontology; public discourse; human face; secondary data, 10172
goal theories; motivation theories; rigorous humanism; methodology; Joseph Rychlak, 211
grounded theory; participatory action research; clients; professional practice; qualitative inquiry; positivist thinking; neutral search image; objective truth, 6394
grounded theory; qualitative research methods; knowledge management; knowledge work; academic research management; knowledge-based view of organizations; grounded theory approach, 24707
grounded theory; qualitative research; research methodology; misconceptions, 33894
health related research; gender sensitive policies; life sciences; biomedicine; gender differences; sex differences, 213
health service research; new methodologies; insights; complexity theory, 23862
health surveys; self-report; anonymous data collection; confidential data; bias, 30860
hidden observer; methodology; experiment; reals; simulators; hypnosis; ideomotor suggestion, 3442
hierarchical qualitative research teams; ethics; qualitative research; hierarchy, 3265
hospitality industry; minimum wage policy; postal surveys; response rates; small firm employers, 3256
hypnotic interventions; research methodologies; Cochrane review; clinical research, 29719
incarcerated fathers; family life; prison experience; homeward; rearrest rates; marital relations, 11700
information theory; latent class; latent trait; model selection; latent distribution modeling; information-theoretic approach, 30828
institutional discrimination; structural discrimination; measurement; methodology; HIV discrimination; AIDS discrimination; policy, 9488
integration methods; research process; triangulation; mixing methods; qualitative methods, 12634
intellectual property; action research; communication technologies; co-authorship, 16003
international study; cross cultural differences; mixed methods; parents; children; schools; anthropology; psychology, 16175
Jean Piaget; clinical method; methodology; history, 6229
job characteristics; stress research; self reports; work related strain; methodology, 18255
K-means clustering; local optima; cluster validation; diagnostic technique, 24687
laddering method; managers; personal values, 199
life chart methodology; bipolar disorder clinics; depression; clinical course, 19805
lifetime & current smoking status; reliability; proxy reports; self reports; family members; parents; adolescents, 31709
longitudinal prediction; preschool parenting measures; low-income; middle childhood cognitive outcomes; socioemotional child outcomes; parenting assessment methodologies; measurement, 9512
longitudinal; ego-control; ego-resiliency; multimeasure; multiperiod; methodology, 18632
malingering; analog simulation design; differential prevalence design; patients; validity; methodological limitations; simulated malingerers; suspected malingerers, 19947
marketing scientific theory; marketing practitioner; managerial implications; research propositions, 3015
measurement challenges; methodological issues; cancer; religion role; spirituality; physical health; quality of life; psychological adjustment; coping, 1745
measurement; medical self-assessment; methodological issues, 5497
medical laboratory report results; small screen displays; hierarchical displays; linear displays, 36565
mental health consumers; mental health research; research teams; consumer inclusion, 2191
mental models; methodology; card sorting; cognitive structure; semantic structure; weighted hierarchies; weighted edges; paired rating; knowledge elicitation; information architecture, 6361
metascience; theory; theory evaluation; methodology; actuarial; Paul Meehl; philosophy, 24021
methodological developments; social work practice research; community; professions, 14684
methodological individualism; spontaneous order; research program; political theory; policy analysis; economic imperialism; traditional boundaries, 198
methodological issues; conceptual issues; functional MRI; schizophrenia research; psychological disorders; neurological disorders; schizophrenia patients, 27695
methodological issues; diverse study types combination; systematic reviews; mixed methods; qualitative methods; quantitative methods, 207
methodological issues; interaction research; second language acquisition, 25168
methodological issues; Oklahoma City bombing; longitudinal research; mental health research, 9502
methodological issues; score linkages; similar content tests; different languages; concordance method; prediction method, 9430
methodological issues; substance use assessment; phenotypes; research designs, 26119
methodological pitfalls; religiosity; spirituality; psychological health; contemporary methodological critiques; physical health; construct measurement; study design; data analysis, 3247
methodological pluralism; British sociology; research methods, 217
methodological reflections; conscientious flexibility; disabled people; professional ethics; focus groups, 33897
methodology; assessment; diagnosis; psychopathology, 14345
methodology; multidimensional scaling; developmental psychology; irritability; mood change; adolescent development, 3253
methodology; research practice; advisory group; information technology; communication technology; community participation; advocacy; inclusive research, 30852
methodology; statistics; reliable change; Standardized Regression-Based method; Reliable Change Index adjusted for practice, 9335
minimum description length; model selection; parametric complexity; small sample sizes; normalized maximum likelihood; Bayesian marginal distribution; Jeffreys prior, 15500
misplaced leadership; leadership research; leadership practice; leadership process; interpersonal exchange; development activities, 7435
mixed methodology; teachers attitudes; adult literacy; educational change; numeracy skills; Skills for Life; England; qualitative method; quantitative method, 206
mixed methods problems; frame analysis; comparative research; methodological program; discourse analysis; qualitative elements, 12630
mixing methods; qualitative approach; quantitative approach; research process, 200

mother-child relationships; mutually responsive orientation; dyadic relations; infants; father-child relationships; dyadic measures; measurement methodology; Mutually Responsive Orientation Scale, 31639
multi method approach; data collection; class size differences; student teacher interaction; quantitative methods; qualitative methods; classroom observations, 197
multilevel Cox hazard regression; dyadic social interaction; multistate recurrent events survival analysis; random effects Cox hazard regression; sequential analysis; child antisocial behavior, 25373
multimodal ethnography; ethnographic work; research methods; multimedia semiotics, 12624
musical performance anxiety; psychotherapy; methodology, 1969
network action research; network technology; social change; community interaction; research methodology, 21805
network analysis; data collection techniques; information structures; organizational communication information auditing; organization structure; psychometrics, 234
nursing research; reflexivity paradigm, 204
observation; validity; multi-informant approach; coder training; valid global ratings, 21809
occupational therapy; electronic diary research; methodology, 20920
occupationally-specific skills; human resources; methodology; method validity; job requirements, 36432
online populations; online focus groups; online research; social research, 3266
operation span task; working memory; cognitive process; automated version, 9510
organizational research methods; scientific communication, 190
organizational research; research methods, 12621
outcome measures; intervention; social sciences, 8241
panel surveys; analysis of Gini; sociology; selective attrition; German Socio-Economic Panel Study, 33884
participatory action research; cancer patients; self help groups; cancer care; experiences; views, 14537
phenomenographic research methods; data analysis, 193
phenotypic characteristics; epilepsy; genetic investigations; experimentation; methodology, 24714
policy capturing; recruitment; job choice; job attribute preferences; statistical weights; direct estimates; efficacy; compensatory strategy; noncompensatory strategy, 24685
primatology studies; dominance hierarchy; dominance relationships; dominance-directed tree method; graph theory; set theory; social structure; transitive matrix; Cebus, 22089
professional guidelines; three-step method; performance evaluation; high performance coaches; evaluative feedback; guidance; coach development; measurement; criterion measures, 27065
prostitution diversion project; commercial sex workers; research methods; study findings; program evaluation; stakeholders experiences, 17742
psychological distress; daily life events; negative & positive affects; personality theory; health; well-being indicators; stress; research approach; neuroticism; coping, 4240
psychology undergraduates; Q methodology; WebCT course tool; research methods module, 33392
psychology; religion; complexity; methodology, 21582
psychopathology; cross informant correlations; clinical implications; research implications; clinical assessment, 25802
psychophysical judgments; behavioral attributes; psychological functions; empirical evaluation; psychological review, 183
psychophysical judgments; model evaluation; behavioral properties; psychophysical function; auditory experiments, 184
publication bias; meta-analysis; bias detection; performance; statistics, 21773
qualitative health research; quality criteria; land mines; modest proposal; crafts; attention, 6395
qualitative research; mixed methods; research strategies; social experience, 12632
qualitative research; quantitative research; mixed methods research; content analysis; social sciences; research designs, 12623
qualitative research; research overviews; methodology; psychoanalysis; narrative psychology; phenomenology; grounded theory, 33885
quantitative research methods; qualitative research methods; electronic searches; health services research, 212
randomized response survey designs; design efficiency improvement; sensitive topics study; design parameters; direct question designs; randomized response studies, 3258
recreational spaces; physical activity; Photovoice approach; focus group; mapping; qualitative research methods; obesity, 3252
rehabilitation research; internal validity; experimental research; research consumers; research method, 6379
rehabilitation research; rehabilitation counseling; disability, 33128
rehabilitation; single subject research methods; individual behavior; targeted interventions, 12638
reliability generalization methodology; Self Description Questionnaire; reliability coefficients; internal consistency, 15518
research and development; mental health services; service-based research, 23866
research and development; mental health services; service-based research, 23875
research and development; mental health services; service-based research, 23878
research community; marketing research; organization; managers, 9507
research data sharing; confidential data protection; Institutional Review Boards issues, 18636
research design; quasi-experiment; randomized experiment; causality; treatment effect; parallelism; methodological typologies, 15568
Research Ethics Committees; HIV vaccine trials; financial & material resources; perceived resources & needs; membership; structure; training characteristics, 18649
research guidelines; juvenile justice; child forensic interviews; age differences; crimes; special needs, 15567
research initiatives; Bangladesh; participatory action research; poverty, 6399
research methodology courses; qualitative methods; quantitative methods; research students; methodological framework; social sciences; behavioral sciences, 3261
research methodology; humanistic critique; psychology, 6225
research methodology; longitudinal tracer study approach; hoshin kanri; middle range theory, 9489
research methods courses; student interests; scientific interests; practitioner interests; psychology majors, 36344
research methods; school counseling research; practitioner; professional school counselors; interventions, 27290
research; protocol, 24697
research; psychology; religion; methodology, 12636
respiratory sinus arrhythmia; heart rate variability; respiratory control; psychosomatic medicine, 34178
reversal theory; interpersonal relationships; sports; methodological framework, 15223
sales settings; appreciative inquiry; positive psychology; organizational change, 15206
school based second language acquisition research programs; epistemological & technical challenges; ethical challenges; second language learning; Canadian school settings, 5768
school nurses; school setting; research methodology; childhood nutrition; focus groups; student perceptions; student feelings, 224
shadowing; qualitative research technique; organizational research, 3259
social propositional spaces; Galois field; mathematics space; social location; social statement spaces; finite vector spaces; real vector space, 3231
statistical inference; bootstrap resampling; confidence intervals; regression coefficients; psychometrics, 232
statistical myths; alternative model testing; cutoff values; common method bias; mediation test; research process, 15390
statistical techniques; Journal of Counseling & Development; methodology; research design, 9483
structural equation modeling; confirmatory factor analysis; statistical analysis technique; research methods, 30838
student learning; primary information sources; methodology; statistics courses; student performance, 14948
students procedural knowledge; mathematics education research; conceptual knowledge, 9508
students' knowledge development; subject discipline; quantitative methods; qualitative methods; multilevel analysis; students' mathematical explanations, 210
subjective approach; capability approach; human; well being assessment ; synergic approach, 3250
teacher effectiveness; methodological reflections; research; process-product perspective; standardized tests; classrom observation; qualitative methods; outcome measures, 15485
teaching research methods; Vienna E-learning; blended learning; enhancing self-regulated learning, 27196
testing; auditory cognition; songbirds; methodology; rationale; zebra finches; ability; brain; operant conditioning; cognitive discrimination, 24908
tic disorders; habit reversal treatment; behavior modification, 11320
trends; Swedish educational research; sociology of education; educational policy; methodology; philosophy of education, 33883
undergraduate peer review project; research method students, 5781
visual presentation procedure; visual word recognition; self focused attention; individual differences, 9492
visual research methods; incarcerated indigenous women; Mexico; photographs; women's lives, 36001
water birth; recent research; patient preference study; observational study; systematic review; perinatal outcome; methodology criticism, 11456
web based program; software environment; response protocols; coding efficiency; open ended assessments, 9442

Will the Real Relationship Between Facial Expression and Affective Experience Please Stand Up? The Case of Exhilaration, 6629

Methoxyhydroxyphenylglycol (3,4)—Serials

plasma levels; brain derived neurotrophic factor; CNS lupus; catecholamine metabolites; psychotic symptoms; central nervous system; systemic lupus erythematosus; 3-methoxy-4-hydroxyphenylglycol, 35197
saliva levels; General Health Questionnaire; psychometrics; 3-methoxy-4-hydroxyphenylglycol; mental health index, 31248

Methylatropine [See Atropine]

Methylenedioxymethamphetamine—Serials

American youth; music lyrics; trends; ecstasy use; rap; communication; cultural studies; race; class; gender differences, 20015
benefit perceptions; risk perception; party drug use; harm reduction campaigns; health promotion messages; ecstasy users, 13984
cannabis use; ecstasy; drug abuse; risk factors, 1553
chronic ecstasy; memory; inhibition; drug use; task-switching deficits; executive functions, 26096
club drug use; substance abuse; lysergic acid diethylamide; lifetime drug use rates; youths, 17778
cognitive impairment; cognitive sequelae; ecstasy; neurological damage; methylenedioxymethamphetamine; cognitive ability, 29449
depressive symptomatology; community sample; methylenedioxymethamphetamine users, 13959
ecstasy consumption; side effects; neuropathology; psychopathology, 13968
ecstasy drug; urban youth networks; dance events; clubs; drug monitoring, 7871
ecstasy use; Brazil; social clubs; users attitudes, 23150
ecstasy use; inner city adolescents; party culture; poly drug; sex risk behaviors; middle class, 7854
ecstasy users; response inhibition; behavioral inhibition; abnormalities; brain electric implementation; drug abuse; polydrug users, 1529
ecstasy; amphetamine derivative; recreational drug; social interaction; drug administration, 32372
ecstasy; animal data; species; human data; brain serotonin; dopamine; rats; locomotor activity; hyperthermia; neurotoxicity, 15963
emotional judgement processes; ecstasy; polydrug users; executive impairments; social judgement processes, 20032

hippocampal dysfunction; poly drug ecstasy; cognitive impairments; episodic memory; retrieval; neurotoxicity, 1779
MDMA; delayed matching to sample; memory; proactive interference; rats; intertrial interval, 13022
memory dysfunction; MDMA; drug usage; selective serotonin neurotoxin; cognitive processes, 20045
memory impairment; methylenedioxymethamphetamine; neurotoxicity, 35028
methylenedioxymethamphetamine; adult rats; long term neurobehavioral consequences; early exposure; rats, 22338
methylenedioxymethamphetamine; ecstasy, 31285
Methylenedioxymethamphetamine; Ecstasy; memory impairment; verbal memory, 6844
methylenedioxymethamphetamine; ecstasy; psychopharmacology; cannabis; drug usage, 16990
methylenedioxymethamphetamine; paradoxical sleep deprivation; ecstasy; genital reflexes; male rats; sexual pleasure, 22290
neuropsychological functioning; poly drug perspective; ecstasy exposure; MDMA; cognitive functioning; drug use; neurotoxin; serotonin; gender; marijuana users; low to heavy ecstasy use, 10828
patterns; perceptions; ecstasy use; low-income; young women; risk factors, 16428
personality characteristics; substance use; MDMA; Big Five personality dimensions; house parties, 29059
rats; methylenedioxymethamphetamine; temperature regulation; spontaneous motor activity; attention; serotonin transporter binding, 670
recreational ecstasy; serotonergic axons; brain; depression; drug usage, 19713
recreational ecstasy; substance use; risk perception; psychosocial factors, 7873
self reported ecstasy use; club rave attendees; oral fluid specimens; test validity, 23183
self reported ecstasy; drug usage; recreational ecstasy use, 20008
self-administration; MDMA; conditioned effects; methylenedioxymethamphetamine; rats, 34205
sex; touch; HIV risk; ecstasy; sexual behavior, 31571
young adult ecstasy; self report; drug abuse, 23176
young drug users; 3,4-methylenedyoxymethamphetamine; epidemiology; intervention; public health; drug rehabilitation, 20014

Methylphenidate—Serials

atomoxetine; methylphenidate; attention deficit disorder with hyperactivity; comorbid bipolar disorder; Tourette syndrome; valproic acid; clonidine; ziprasidone; drug therapy, 32911
attention deficit disorder with hyperactivity; methylphenidate; drug therapy; headache; anorexia; insomnia, 32915
attention deficit hyperactivity disorder; response inhibition; teacher rated medication; human males; methylphenidate, 20096
depression treatment; modafinil; methylphenidate; myocardial infarction; drug tolerance, 11417
desensitization protocol; methylphenidate; attention deficit hyperactivity disorder, 11379
differential behavioral effects; neurochemical effects; cocaine effects; methylphenidate exposure; attention deficit hyperactivity disorder; animal model, 13006
dose ranging; methylphenidate transdermal system; attention deficit hyperactivity disorder; children; medication, 8395
drugs; reality therapy; external controls; personal choices; medications; behavioral control; ADHD; ADD; dextroamphetamine; methylphenidate, 20326
emotional status; academic assistance; academic performance; attention-deficit hyperactivity disorder; multimodal psychosocial intervention; methylphenidate; psychotherapy, 29411
emotional status; academic assistance; academic performance; attention-deficit hyperactivity disorder; multimodal psychosocial intervention; methylphenidate; psychotherapy, 29381
incorrect diagnosis; rat brain development; human brain development; methylphenidate induced neuropathology; children; attention deficit hyperactivity disorder; Ritalin, 656
methylphenidate effectiveness; adult attention deficit hyperactivity disorder; epilepsy patients; antiepileptic drug use, 25794
methylphenidate; Williams syndrome; attention deficit hyperactivity disorder, 32934
parkinsons disease; methylphenidate; cognitive function; gait; visual spatial performance; memory, 14185
reality therapy; choice theory; medication; ritalin; attention deficit disorder, 11204
single trial memory formation; memory impairment; oral methylphenidate; rats; dopamine; norepinephrine; working memory; prefrontal cortex; drug dosages; animal learning, 13008
spontaneously hypertensive rats; symptoms; attention deficit hyperactivity disorder; methylphenidate, 22346
stimulant medication; XYY syndrome; attention deficit hyperactivity disorder; methylphenidate; social adaptation, 5070
stimulant medications; reinforcing effects; stimulant abuse; amphetamine; methyphenidate, 22736
young male; acute myocardial infarction; mental illnesses; methylphenidate; bupropion; erythromycin, 11031

Methylphenyltetrahydropyridine—Serials

amphetamine; locomotor activity; mice; MPTP treatment; Parkinson's disease; dopamine, 28169
Parkinsons disease; plasma levels; methylphenyltetrahydropyridine; parkinsonian monkeys; clinical symptoms; dopaminergic degeneration; Tumor Necrosis Factor alpha; Interleukin 1beta, 9863

Methysergide [See Serotonin Antagonists]

Metrazole [See Pentylenetetrazol]

Metronomes—Serials

coordination; coupling; dynamics; human; movement; metronome beats, 24778

Mexican Americans—Serials

acculturation; gap distress hypothesis; high risk Mexican American families; ethnic minority families; parent child conflict; conduct problems, 955
adolescents; drug use; religiosity; Mexican American; acculturation, 837
adult day care centers; family caregivers; Mexican American elderly women; gender differences; emotional states, 8602
alcohol use disorders; alcohol dependence; immigrants; Mexicans; Mexican American immigrants; acculturation, 29031
biculturalism; identity; self-concept; implicit measures; automatic; ethnicity; culture; Asian Americans; Mexican Americans, 28430
body image; body size perceptions; Mexican American women; age; weight; socioeconomic status; acculturation, 16521
border pedagogy; Chicano professors; border pedagogy practitioner; racial identity development; transformative teaching; pedagogy educators; social capital theory, 5719
Brief Acculturation Rating Scale for Mexican Americans-II; reliability; validity; acculturation; Mexican American children; adolescents, 37
Chicano lite; Mexican American consumer culture; ethnography; US Mexico border; anthropology, 2992
Chicano youth; sociopolitical history; school performance; Guadalupe Hidalgo treaty; colonialism, 5795
cognitive assessment techniques; Mexican immigrants; questionnaire development; health outcomes; Mexican women, 21601
college students' attitudes; Intimate Partner Violence Attitude Scales; Mexican American college sample; violent behavior; domestic violence; whites, 66
college students; criminal history; ethnicity; intimate partner violence; Mexican Americans; Whites, 1569
comorbidity; disabilities; elders; Mexicans; Mexican Americans; health; aging; arthritis; cancer; strokes; diabetes; heart attack, 25783
decisional balance; exercise; Mexican American women; Decisional Balance Scale; aging, 9344
depression rates; suicidal ideation rates; Mexican American school aged children; primary school students, 4296
depression; mental health; Mexican American spouses; geriatrics; well being; self-esteem; social support, 34876
discriminant validity; convergnent validity; Universal Nonverbal Intelligence Test; Mexican American; elementary school students; Wechsler Intelligence Scale for Children; test score, 38
drugs-violence nexus; Mexican-American; gang members; human males, 35024
eating disorders; European Americans; women; Mexican Americans; help seeking; treatment barriers, 14316
expressed emotion; family interactions; Mexican Americans; schizophrenia; relapse risk, 28885
family support; psychiatric medication usage; Mexican Americans; schizophrenia; family caregivers; expressed emotion, 34891
homosexuality attitudes; Mexican Americans, 25549
identity development; ego identity; Mexican Americans; college students; achievement motivation; acculturation; generation level, 20379
implicit leadership; United States; Mexican immigrants, Mexican Americans; non Hispanic Americans; leadership styles; cultural groups; sociocultural factors, 27539
Las Comadres; adult day care centers; perceived impact; socialization; mental wellness; alleviating depression; Mexican Americans; stress; aging, 14707
late life cognitive function; non Hispanic White residents; Mexican American ethnicity; elderly, 34448
living conditions; children of Mexican immigrants; social services; unmarried families; socioeconomic characteristics; maternal and child health; access to health care; social support, 28252
marginality making; Mexican immigrants; adolescent girls; rural southwest; schooling; sociocultural context; cultural ideals, 5841
mental health; undocumented Mexican immigrants, 3996
Mexican American adolescents; life satisfaction; family support; Latino; acculturation; adolescent perceptions, 28327
Mexican American; adolescent females; criterion validity; discriminant validity; measuring violence risk; Conflict Tactics Scales; Past Feelings and Acts of Violence Scale; psychometric properties, 6236
Mexican American; grief; family; death of a child; qualitative; family bereavement experiences; cultural implications, 19617
Mexican Americans; college students; acculturation; psychological help-seeking; attitudes and behaviors; sociocultural predictors, 29743
Mexican Americans; language acculturation; self esteem; adolescents; epidemiologic studies; elderly; probability, 19272
Mexican Americans; miscarriage; Euro Americans; grief reaction; racial ethnic differences, 11161
nonparent adult social support; depressive symptoms; Mexican American adolescents; European American adolescents; drug use; risk factors, 31440
nontraditional career choice; goals; Mexican American adolescent men; career choice model; self-efficacy; career interests, 19219
psychosocial factors; Mexican-American women; treatment adherence; hemodialysis treatment; cognitive dimensions; phenomenology, 32988
racial segregation; Mexican American students; American students; teachers attitudes; racial hostility; racial discrimination; racial integration, 5828
self rated health; adult attitudes; women of Mexican origin; health behavior; chronic conditions; acculturation; SES, 14548
self report; arthritis; elders; Caribbean; pain; Latin America; Mexican Americans; activities of daily living, 26319
sexual abuse; eating disorders; Mexican American women; bulimic symptomatology; psychiatric comorbidity, 1634
shared health behaviors; Mexican American couples; 65 yr olds & older, 31834
short-form versions; Center for Epidemiologic Studies-Depression Scale; Mexican immigrants; community mental health, 27624
sibling relationships; Mexican American families; adolescence; familism; relationship quality, 7097
teen pregnancy prevention; after school curriculum; Escuelitas; Mexican Americans; school drop outs; delinquency; Latino community, 18027

MHPG [See Methoxyhydroxyphenylglycol (3,4)]

Microcephaly—Serials

brain volume; ASPM gene; schizophrenia; polymorphisms; nucleotide changes; neurons; microcephaly; neurogenesis, 23032
severe microcephaly; parental care; parental needs; fears; vulnerability, 20294

Microcomputers—Serials

assessing human movement; accelerometry, 33640
communication; information technologies; American Sociological Association; sociologists; microcomputers; research; teaching, 34249
personal computers; millisecond response time; Linux; psychologist, 27499
SNOOP program; null hypothesis testing; personal computer; data collection; type I error, 27500
sociologists; computers; microcomputers; communication; information technologies; American Sociological Association; sociological research; teaching, 34256
virtual reality environments; training efficiency; self efficacy; personal computer; spatial aptitude, 30431

Microorganisms—Serials
drug users; bacterial infections; health problem; medical management; medical care, 10964
membrane vesicles; traffic signals; group behavior; prokaryote; bacteria; chemical communication; Pseudomonas aeruginosa; signal trafficking system, 463
obligate social cheater; superior cooperator; obligate relationships; Myxococcus xanthus; spore-bearing fruiting bodies; social cooperation; social independence; genotypes, 24962
parasite migration; local adaptation; host parasite system; parasitic specialization; bacterium Pseudomonas fluorescens; parasitic bacteriophage, 3478
Micturition [See Urination]
Midazolam—Serials
anterograde amnesia; midazolam; memory recognition, 29294
memory loss; intuition; midazolam; implicit memory; explicit memory; decision making; hippocampus, 31161
midazolam injection; methadone treatment; AIDS/HIV vaccine trial; needle sharing; trends; injection drug users, 4502
pyramidal cells; midazolam effects; decay kinetics; rat hippocampal slices; gamma aminobutyric acid receptor; inhibitory postsynaptic currents; benzodiazepines, 3686
semantic condition; midazolam; semantic memory; amnesia; episodic representations; memories, 25115
ventromedial hypothalamic nuclei; anxiolytic effects; elevated plus-maze; anxiety; exploratory behavior changes; rats; midazolam, 6841
Midbrain [See Mesencephalon]
Middle Class—Serials
Bihari women; middle class women; women power, 7331
black middle class neighborhoods; racial segregation; residential outcomes; socioeconomic status; suburbanization; gentrification, 3972
family friendly community; adaptive strategies; middle class; dual earner couples, 7231
London adolescents; power relations; discourses; gender identities; middle-class, 34674
middle class families; adolescent behavioral autonomy; mothers; fathers; prudential issues; different expectations; African American families, 814
middle class; personal identities; leisure activities; sixth form students, 16181
middle class; social reproduction; working class; negotiation, 933
new Indian woman; rapid evolution; middle class; societal roles; societal places; oeuvre of Deshpande, 25533
urban to rural migration; narrative analysis; identity formation; middle class; career change; moral narratives, 904
women; spirit possession; Sudan; United States; cross cultural comparison; cultism; middle class, 29409
Middle Ear—Serials
childhood otitis media; adulthood audiometric threshold; otoscopy; acoustic reflex; tympanic membrane abnormality, 29322
diagnosis; ossicular chain mobility; humans; apparatus, 23518
inner ear; middle ear implant; superparamagnetic iron oxide nanoparticles; auditory function, 22256
otitis media effusion; phonetic perception; infant development; middle ear effusion; phonetic discrimination, 8192
tympanometric norms; Chinese school children; equivalent ear canal volume, 16117
Middle Income Level—Serials
middle-income countries; health systems; trust building; low-income countries, 2247
Middle Level Managers—Serials
corporate level strategy; business unit manager; organizational structure, 2863
hotels room price; customer perceptions; strategic assets; hospitality industry; Israel; restaurants; brand names; middle level hotel managers, 21375
Middle School Education—Serials
accelerated reader; reading renaissance implementation; reading achievement; middle school education; educational program evaluation, 21198
government strategy; education reform; curriculum development; policies; Stage 3 education; England, 5771
Middle School Students—Serials
adjustment patterns; social adjustment; personal adjustment; sports involved children; urban middle school children; organized team sports, 2663
adolescents' smoking behaviors; risk belief; environmental tobacco smoke exposure; Mexico; sixth grade students, 28316
bullying dynamics; psychological distress; victimization; middle school student, 32241
Career Explorer; Self Directed Search; high risk middle school students; cognitive information processing, 18605
community violence; risk factors; inner-city middle school children; high-risk neighborhoods; adolescent development; ecological factors, 19317
comprehension reading; middle school students; disabled students; Computer-Assisted Collaborative Strategic Reading, 33481
contemporary American woman; adolescent girls; sexual tensions; popular culture; cheerleading, 24178
Corrective Reading Program; reading abilities; classroom behaviors; middle school students; reading deficits; challenging behavior; special education, 30373
equal sign; solving equations; algebra; middle school students; problem solving; mathematical ability, 30312
high school students; middle school students; homework purposes; homework management strategies; intrinsic reasons; extrinsic reasons, 2683
instructional design factors; reflective thinking; middle school students; college students; learning environments; teaching methods, 24248
learning disabilities; civil rights movement; teaching; historical content; middle school students; curriculum, 18115
low achieving middle school students; integrated learning systems; Merit literacy software; language arts curriculum, 24154
marginality making; Mexican immigrants; adolescent girls; rural southwest; schooling; sociocultural context; cultural ideals, 5841
mathematics achievement; classification & regression trees; achievement growth; family socioeconomic status; individual differences; middle & high school students, 11997
mathematics achievement; middle school students; school environment; school context and practice; student and school demographics; teacher educational attainment; mathematics curricula, 33449
mental health; Chinese American urban adolescents; violence exposure; depression; posttraumatic stress disorder, 25832
middle class; personal identities; leisure activities; sixth form students, 16181
middle school classroom; authentic assessments; gifted students; academic standards; psychological principles, 12549
middle school students; mathematical word problem-solving; learning problems, 5852
middle school students; metacognitive awareness; self-regulated note taking, 8962
middle school students; question; connect; transform; historical fiction; middle school teachers; language arts program; social justice, 18032
middle school students; students academic achievement; classroom intervention; student attitudes, 15016
middle school students; U.S. colonial history; instructional strategies; problem-solving strategies; declarative knowledge; procedural knowledge, 30293
music; middle school students; math test scores; counseling; education; ethnicity, 30164
Numbered Heads Together instruction; chemistry test performance; behavioral incentive package; sixth graders, 21151
personality factors; aggression; grades; academic success; attendance; middle school students, 19583
rational emotive behavioral therapy; anger management; office referrals reduction; school children; behavioral problems, 2005
reading fluency; mild disabilities; special education; mental disabilities; reading skills; health impairments; middle school students; private assessment; public assessment, 27275
school bullies identification; middle school students; peer nomination survey; student self report, 18592
school phobia; school children; school nurses; psychiatric disorders; physical symptoms; school based interventions, 1440
school psychologists; Behavior Education Program; school intervention; behavior problems; discipline referrals; middle school students, 24272
sex differences; overt aggression; delinquency; urban minority middle school students, 13993
sleep practices; attitudes; beliefs; middle school children; inner city, 19239
social networks; cultural practices; young avid screen users; cultural repertoires; communication tools; sociology; human computer interaction, 10097
social support; middle school students; learning disabilities, 15081
students; harassment; stereotypes; slurs; student interventions; school bullying; type; content, 32318
substance abuse; secondary school students; prescription asthma inhaler misuse, 13174
success learning experiences; self efficacy beliefs; occupational interests; occupational aspirations; at risk urban youth, 30340
teachers; principals' attitudes; support; sabotage, 36196
therapeutic components; middle school children; attendance; after school prevention program, 29524
trouble prevention; positive behavior supports intervention; disruptive behaviors; school safety, 9002
ultraviolet monitors; protective clothing; middle school children; sun safety diary; validity, 23577
understanding level; eighth grade students; science student teachers; chemistry concepts; science education, 2690
Middle School Students—Books
Increasing student motivation: Strategies for middle and high school teachers, 36301
Middle School Teachers—Serials
middle grades; policy issues; reform in mathematics education; teaching practice, 8905
middle school teachers; classrooms; motivating instruction, 11852
teachers; principals' attitudes; support; sabotage, 36196
Middle Schools—Serials
achievement; middle-grades; professional development; reform in mathematics education, 8890
ethnic diversity; safety perceptions; urban middle schools; vulnerability; social satisfaction, 27249
middle school students; physical education students; fair play behaviors; group dynamics; contingency; volleyball games; social behavior, 33416
middle school youth; tobacco use prevention; African American students; program evaluation; curriculum, 36390
Northern Mississippi; teacher job satisfaction; school effectiveness; high schools; elementary scaools; middle schools, 30426
novice teachers experiences; team leaders; school community partnership; urban middle schools; teacher development; collaborative leadership, 21119
school counselor; consultation; flexibility; relationship building; objectivity, 5505
school wide positive behavior support; academic achievement; urban middle school; treatment adherence, 30399
school-based mediation program; school climate; conflict strategy choices; social-cognitive dispositions; middle school students, 33454
service learning; standards based instruction; middle schools; academic outcomes; learning conditions; teacher attitudes, 2674
sun safety; mediation; skin cancer; school-based prevention intervention program, 36391
teenagers; middle school; suicide prevention; teenage suicides; interventions; postvention efforts, 10785
therapeutic components; middle school children; attendance; after school prevention program, 29524
Midwifery—Serials
grounded theory; midwives; child bearing; pregnancy, 24104
grounded theory; midwives; medically dominated environment; childbearing, 24105
midwives; grounded theory; pregnancy; helping women; interviews, 24103
midwives; knowledge level; attitudes; hypnosis; hospitals; hypnotherapy service, 27086
social organization; maternity care systems; midwifery, 8518
Migraine Headache—Serials
abdominal migraine; treatment; intravenous valproic acid; episodic abdominal pain; headaches; vomiting, 32553
acupuncture analgesia; bihumoral mechanism; nitrate; migraine; aura; endorphins; endothelin, 5122
chronic daily headache; catamenial migraines, 14113
chronic migraine; major depression; disorder severity; comorbidity; clinical features, 4660
cortical spreading depression; migraine headache; trigeminovascular system; pathophysiology; neurologic aura, 8006
diagnostic value; neuroimaging; primary headaches; clinical diagnosis; migraine; tension headache, 32518
dietary modifications; migraines; vasoactive amines; riboflavin; placebo; food additives, 17149
differential diagnosis; migrainous positional vertigo; horizontal canal benign paroxysmal positional vertigo; nystagmus, 26312

drug therapy; pharmacological therapy; acupuncture; migraine treatment, 5121
early triptan intervention; migraine; medication use; recurrence rates, 5144
episodic neurological deficits; permanent mental retardation; familial hemiplegic migraine; mild head trauma; ATP1A2 gene mutation, 22905
female sex hormones; migraine; menstrual cycle; estrogen; aura, 8034
headache disorders; international classification of headache disorders; diagnosis; diagnostic approach; treatment, 8039
headache disorders; migraine; International Classification of Headache Disorders 2nd Edition; ICHD-II, 1697
menstrual migraine; revised diagnostic criteria; pre-emptive treatment strategies; clinical considerations, 5139
migraine headache; care barriers; treatment outcomes; differential diagnosis; medical treatment; medical recognition; medical confidence, 5151
migraine lay trainers; preliminary effectiveness; home based behavioral management training; trainer skills; migraine attacks; prevention, 23762
migraine prevention; migraine preventive therapy; preventive medications, 5145
migraine prophylaxis; topiramate; drug treatment; treatment effectiveness evaluation, 5126
migraine with aura; pathophysiology; prophylactic treatment; therapeutic strategies; lamotrigine; picotamide, 5127
migraine with aura; risk factors; cardiovascular disease; women, 29191
migraine; depression; perfectionism, 10467
migraine; form processing; motion processing, 23301
migraine; risk factors; unprovoked seizures; children; epilepsy; aura, 23320
nonpharmaceutical treatments; non-drug treatment; migraine; trigger factors; attack readiness; prevention, 8491
orbitofrontal cortex involvement; chronic analgesic overuse headache; episodic migraine, 23304
osmophobia; taste abnormality; migraine patients; odor sensitivity, 4637
osmophobia; taste abnormality; migraine patients; odor sensitivity, 4639
persistent foramen ovale; migraine; aura; inheritance; shunts; decompression illness, 8051
personality profile; muscle tenderness; chronic migraine; chronic tension; headache; psychiatric comorbidity; cervical muscles; depression; anxiety, 10576
pharmacogenetics; headache treatment; genetics; migraine; headache; dopaminergic system; serotonergic system, 5143
retinal nerve fiber layer; migraine patients; aura, 1707
risk factors; migraine; chronic daily headache; out patients; major depressive disorder; comorbidity, 4323
suboccipital injection; cluster headache; ipsilateral steroid injection; occipital nerve, 32984
suboccipital injection; cluster headache; ipsilateral steroid injection; occipital nerve, 32992
treatment; acute migraine; anti-inflammatory drugs; triptans; ergotamine, 8472
tremor; multifocal myoclonus; fasciculations; topiramate; migraine; antiepileptic drug, 26264
visual aura; glyceryl trinitrate; PET occipital activation; migraine aura; occipital cortex, 7999
zolmitriptan; myalgia; cramps; migraine episodes; treatment efficacy, 8455
Migrant Farm Workers—Serials
Hispanic migrant farmworkers; diabetes; farmworker attitudes; epidemiology, 14123
life experiences; agricultural economy; migrant farmworkers; Mexican families, 25439
Mexican immigrant farm workers; immigrants attitude; immigrants; economic condition; upward mobility; gender type; residency period, 10245
migrant families; living conditions; children capabilities; health services; educational services; service barriers, 11535
Migration (Human) [See Human Migration]
Migratory Behavior (Animal)—Serials
cortex functional asymmetry; homing pigeons; olfactory impairments; avian piriform cortex; pigeons navigation; olfactory navigational map; cortical lesions, 6751
disordered movement; ordered movement; locusts; mass-migrating; collective motion, 24917
female hierarchy instability; male immigration; infanticide; female chacma baboons; glucocorticoids, 22081
landmark based navigation; spatial memory; Columbian ground squirrels; Spermophilus columbianus; global & local landmarks; escape burrows, 18914
parasite migration; local adaptation; host parasite system; parasitic specialization; bacterium Pseudomonas fluorescens; parasitic bacteriophage, 3478
predator escape performance; latitudinal sex ratio; migratory shorebird, 6710
single landmark learning; landmark salience components; Morris pool; rats; navigation; performance, 27932
spatial generalization gradients; navigation task; rats; Morris pool, 22073
spatial learning; geometric module; navigation; local vs global spatial information; goals; rats; cues; animal environment, 27993
Mild Mental Retardation—Serials
aggression; attribution; hostile intent; intellectual disabilities; interpersonal perceptions, 17091
attention deficit hyperactivity disorder; psychiatric comorbidity; psychological comorbidity; phenotypes; cleidocranial dysostosis; mild intellectual disability, 35118
behavior; Nagers syndrome; mild mental retardation; deafness; problem behavior; prompting procedures, 16613
behavioral treatment; challenging behaviors; mild mental retardation; psychotherapeutic treatment, 29145
clozapine discontinuation; oculogyric crisis; mild mental retardation; motor symptoms; movement disorders; behavioral symptoms, 35621
eyelid myoclonia with absences; mild mental retardation; electroencephalography; epileptic seizure; etiologic implications; Jeavons syndrome, 17276
instructional environments; mild mental retardation; secondary students; special education teachers; curriculum, 2737
Modified Cognitive Strategy Instruction in Writing; mildly mentally retarded; students; writing problem solution texts, 18121
phonology; reading skills; mental retardation; childhood development; language ability; verbal working memory; speech articulation, 14005
post-school destinations; mild intellectual disabilities; attrition; transition, 23252
pseudohallucinations; mild intellectual disabilities; chronic perceptual anomalies, 1602
recombinative generalization; mild mental retardation; constructed spelling task; consonant vowel consonant words, 27562
socioemotional understanding; aggression; intellectual disabilities; emotion recognition; perspective taking abilities, 17092
training methods; cross cultural investigation; problem solving; students; mild mental retardation; African Americans; European Americans; Nigerians; interpersonal problems; Interest based training, 27272
Milieu Therapy—Serials
forensic psychiatric; inpatient; psychosocial treatment; therapeutic milieu; adolescent development; aggression management, 18435
residential treatment; milieu therapy; point systems; level systems, 5390
Militancy—Serials
genre; Canadian reception; suffrage militancy; history; news reports; debates, 31572
Shi`i support of Hezbollah; satisfaction with government performance; personal religiosity; Lebanon; regional instability, 22612
Military Attrition—Serials
sexual harassment; turnover; attrition; job attitudes; military servicewomen; time-dependent modeling, 6051
Military Deployment—Serials
antisocial behavior; warzone experiences; posttraumatic stress disorder; combat veterans; post deployment violence, 19880
demand-control model; coping style; peacekeeping; job control; deployment stress; demand-strain relationship; psychological health; training, 2979
inventory development; psychosocial risk factors; resilience; military personnel; war zone deployment; hazardous environments; test consistency; reliability; validity; PTSD; health, 30764
mental health problems; mental health service use; mental health screening; attrition; military service; combat deployment; Iraq; Afghanistan, 33610
mental health problems; mental health service use; mental health screening; attrition; military service; combat deployment; Iraq; Afghanistan, 33613
mental health problems; mental health service use; mental health screening; attrition; military service; combat deployment; Iraq; Afghanistan, 33611
military hardiness; psychological health; deployment; military occupational stressors; soldier health, 24429
postdeployment domestic violence; US army soldiers; military deployment; partner abuse, 6050
psychiatric disorders; combat deployment; Vietnam veterans; injuries; posttraumatic stress disorder; returning veterans, 19712
psychological screening procedures; content validity; construct validity; clinician assessments; risk factors; US forces deployment, 153
Military Deployment—Books
Military life: The psychology of serving in peace and combat (Vol. 1): Military performance, 30541
Military Enlistment—Serials
casualties; legislatures; accountability; selection effects; conscription, 6048
hearing changes; military conscripts; Swedish army; significant threshold shift; slight hearing loss; risk factors, 26463
military combat casualties; conscription; democracy, 6053
military service motivation; terror management theory; death salience; mortality salience; self esteem; hardship anticipation, 33615
Military Medical Personnel—Serials
challenges; ethical dilemmas; military medical officer; peacekeeping operations; medical care; local population, 11821
Military Officers [See Commissioned Officers]
Military Personnel [See Also Air Force Personnel, Army Personnel, Commissioned Officers, Marine Personnel, Military Medical Personnel, Navy Personnel]—Serials
accession standards; attention deficit hyperactivity disorder; military service; health problems; history, 23218
active duty military personnel; health concerns; combat experiences; health symptoms; psychological distress; Iraq war deployment; mental health; post-traumatic stress disorder; mental health; fatigue, 25744
antidepressant medications; Canadian Forces; drug usage; drugs, 23573
British deployment; British casualties; military personnel; Iraq war, 13275
British deployment; British casualties; military personnel; Iraq war, 13278
child maltreatment; spouse abuse; family violence; public health; military families; civilian families, 16896
cognitive processes; sleep deprivation; time pressure; cadets; rescue operations; military ranger training, 2981
combat zone; anger; mental health care; US military personnel; combat stress control prevention team; anger management interventions, 2286
demand-control model; coping style; peacekeeping; job control; deployment stress; demand-strain relationship; psychological health; training, 2979
disorganized attachment; military sample; maternal trauma; sadness; narratives; infants, 11233
Filipina entertainers; romance; relationships; GI's; US military camp towns; prostitution; trafficked entertainers, 7358
gatifloxacin induced hallucinations; 19 year old male; military recruit; psychiatric symptoms, 32135
group differences; measurement equivalence; command climate; military organizations; attitudes; military personnel, 18346
identity development; college students; Kegans theory; military cadets; developmental change, 6958
in service sexual harassment; posttraumatic stress disorder; veterans; disability applicants, 23056
inventory development; psychosocial risk factors; resilience; military personnel; war zone deployment; hazardous environments; test consistency; reliability; validity; PTSD; health, 30764
job performance; stressors; soldiers; health behavior, 6046
leisure time; noise exposure; hearing thresholds; hearing symptoms; Finnish conscripts, 23312
low income women; military family; child rearing; disabled children; mothers role, 1019
marital status; military service status; relationship satisfaction; marriage, 6049
medical ethics; war; terrorism; Guantanamo Bay; Iraq, Afghanistan; health care professionals; treaters; coercive interrogation, 27517
medicine; traditional ethics; Iraq; Afghanistan; international law; medical personnel; military detention camps; human rights abuses, 30150
meteorologic factors; emergency evaluation; psychiatric services; climatic variables; military teaching hospital; admission; discharge, 11626

military aviation; fatigue; pharmacology; sleeping environments; working environments; aircrew performance; hypnotics; alertness-enhancing compounds, 2977
military cadets; capabilities & benevolence belief model; learning orientation; trust propensity; attitudes; organizational change; responses, 33608
military children; schools; model; motivation; mental health; emotional health; academic work; consultee centered approach, 11987
military combat casualties; conscription; democracy, 6053
military combat units; journalists; television news stories; war; military embedding, 752
military hardiness; psychological health; deployment; military occupational stressors; soldier health, 24429
military health care personnel; ethical conduct; war on terror; torture; interrogation; disciplinary action, 11811
military performance; military policy; military service; homosexuality; military personnel, 9169
military service motivation; terror management theory; death salience; mortality salience; self esteem; hardship anticipation, 33615
military service; life course; aging; war; retirement, 7118
military service; mortality; health dynamics; retirement study; life course; continuity; oldest old, 9171
military service; wealth accumulation; health and retirement study; multiple regressions; economic disincentive, 9170
military veterans; armed forces personnel; Afghanistan; Iraq; posttraumatic stress disorder; depression; mental health professionals; families; war; combat, 19893
military; ethical; services; gay; lesbian; bisexual; health care delivery; clinical problems; referral issues, 14881
military; smoking cessation; smoking prevention; smokeless tobacco; tobacco control program; long-term use; US military troops; basic military training; health education, 20897
mixed impressions; strangers reactions; pathological personality traits; military recruits, 25657
moral disengagement; military force; terrorist attacks; public support; retaliatory strikes, 22618
obesity epidemic; social classes; military service; medical examinations; educational attainment; German men; time series, 1650
obesity; depressive symptoms; comorbidity; active duty military personnel; underweight; sex differences, 16630
overseas military program; gambling treatment; first year outcome data; military members, 5406
parental perceptions; military adolescent behavior; geographic relocation frequency; resilience development; aberrant behavior, 862
pedorthic practices; Canadian Forces; impact loading; footwear; supportive device cushioning, 17409
post traumatic stress disorder; soldier experiences; war, 32181
prior combat experience; deploying soldiers; posttraumatic stress disorder; somatic symptoms; affective symptoms, 19720
psychiatric referrals; peace time; war time; Nigerian soldiers, 1301
psychiatry; military law; psychological consequences; physical consequences; forensic psychiatrists; war; terrorism, 33614
psychological adjustment; army basic training; depression; anxiety; stress, 24432
psychometric properties; Stages of Change Readiness and Treatment Eagerness Scale; test validity; test reliability; active duty military service members, 9400
rifle marksmanship research methods; shooting performance; perceptual-motor variables; cognitive factors; affective factors; equipment; environmental factors; phases-of-skill-development model, 33609
selfish altruism; domestic charities; recognition; counselors recommendations; unselfish act; soldiers stationed overseas, 25621
sexual harassment severity; appraisal processes; female military personnel, 4439
sexual harassment; turnover; attrition; job attitudes; military servicewomen; time-dependent modeling, 6051
smokeless tobacco initiation; young adult military cohort; tobacco initiation predictors; cigarette smoking, 13428
smoking habits; young Italian soldiers; attitudes; military men, 22730
soldiers; dispositional factors; situational factors; attempted suicide; psychological evaluation; risk factors, 16841
team outcomes; female representation; military personnel; gender roles; social cohesion; problem solving, 15229
virtual reality; experiential therapies; combat experience; posttraumatic stress disorder; military personnel; acute stress disorder, 19917
war; psychological health, 25421
war; psychological health, 25422

Military Personnel [See Also Air Force Personnel, Army Personnel, Commissioned Officers, Marine Personnel, Military Medical Personnel, Navy Personnel]—Books

Military life: The psychology of serving in peace and combat (Vol. 1): Military performance, 30541
Military life: The psychology of serving in peace and combat (Vol. 2): Operational Stress, 28943
Trained to Kill: Soldiers at War, 12276

Military Psychology—Serials

group differences; measurement equivalence; command climate; military organizations; attitudes; military personnel, 18346
marital status; military service status; relationship satisfaction; marriage, 6049
pro bono; military; families; secondary trauma; psychoeducation; at risk population; mental health problems; Strategic Outreach to Families of All Reservists; deployment, 35409
soldiers drug addiction; soldiers attitudes; military service; military training; discipline, 4487
support systems; systems users; military command; military control; organizations; weather forecasting; monitoring; military airlift, 30540
U.S. air base; Iraq; outpatient mental health care, 35769
US Navy personnel; combat experience; stress reactions; public sector; mental health care delivery; war; posttraumatic stress disorder; military psychology, 5271

Military Recruitment—Serials

accession standards; attention deficit hyperactivity disorder; military service; health problems; history, 23218
advertising effectiveness; allocation of spending; army recruitment; enlistment; television & newspaper & magazine & radio advertising, 33633
Cold War; military service; college education; overlapping hypotheses; government funding; veteran education, 9172
Five Factor Personality Model; personality dimensions; training performance; recruiter training; cognitive ability; predictive validity; Marines, 34774
mixed impressions; strangers reactions; pathological personality traits; military recruits, 25657

Military Schools—Serials

premorbid personality; Taiwanese military students; adjustment disorder; military high schools; diagnosis; personality traits, 16831

Military Training—Serials

psychological adjustment; army basic training; depression; anxiety; stress, 24432
trauma narratives; emotional processing; posttraumatic stress symptoms; psychological distress; military training accidents, 12274

Military Veterans—Serials

aging; cognition; hypertension; Veterans Affairs Normative Aging Study, 3884
anhedonia; emotional numbing; combat veterans; posttraumatic stress disorder; psychiatric comorbidity, 13672
antipsychotics; age; schizophrenia; military veterans; prescribing decision making; polypharmacy, 14491
antisocial behavior; warzone experiences; posttraumatic stress disorder; combat veterans; post deployment violence, 19880
aripiprazole; post traumatic stress disorder; symptoms; global war; terrorism veterans, 26681
Asian American veteranss; psychiatric illness; alcohol abuse; homelessness, 28802
australian gulf war veterans; psychological health; physical health; chronic fatigue, 26291
children involvement; parent treatment; homeless veterans; community residential care; characteristics, 2279
client predictors; treatment retention; homeless; military veterans; rehabilitation; personality disorder; treatment compliance, 26967
cognitive behavioral treatment; substance use disorders; posttraumatic stress disorder; Veterans administration; clinician training; seeking safety treatment; dissemination efforts, 24061
cognitive function; dissociative disorder; veterans; posttraumatic stress disorder; attention; diagnosis; autobiographical memory; verbal memory, 25834
combat exposure; military experience; traumatic stress; mental health; perceived benefits; wisdom; later life, 7110

combat veterans; posttraumatic stress disorder; social support; combat trauma; combat experience; current life events; mental health, 1877
continuous positive airway pressure; in vivo exposure therapy; claustrophobic response; Hispanic male veteran; sleep apnea syndrome, 14138
depression diagnosis; antidepressant treatment; depressed primary care patients; veterans health administration, 28844
disconstraint; posttraumatic stress disorder; negative emotionality; substance use; alcohol use; Vietnam veterans; severity, 22893
emergent networks; remembering; reconciliation; British war veterans; prisoners of war; memories, 22619
emotional functioning; military-related posttraumatic stress disorder; treatment; veterans; emotion regulation; affective control; depressive symptoms; anxiety symptoms, 25965
enhanced incentives; vocational rehabilitation; dual diagnoses; military veterans; contingency management, 2385
ethnicity; Veterans Health Administration; racial disparities; research, 26515
executive function; memory; posttraumatic stress disorder; Bosnian war veterans; neuropsychological functions, 19898
Falklands war veterans perceptions; social support; traumatic memories reconciliation, 30539
family psychoeducational program; serious mental illness; veterans, 26800
fluoxetine; acute treatment; relapse prevention; post-traumatic stress disorder; veterans; drug therapy, 25956
gender; partner violence; perceived family functioning; Vietnam veterans, 10763
health care of veterans; health care research; history of psychology; Veterans Administration psychology; mental health programs, 33037
hedonics; eudaimonics; well being; post traumatic stress disorder; Vietnam; war veterans; gratitude, 16803
homeless veterans; substance abuse; gender; social support; trauma; sexual abuse; physical abuse; combat exposure, 17653
ideological commitment; posttraumatic stress symptoms; former child soldiers, 10708
in service sexual harassment; posttraumatic stress disorder; veterans; disability applicants, 23056
intervention; couples family psychotherapy; posttraumatic stress disorder; symptoms; trauma; military combat; veterans, 8346
late onset stress symptomatology; late life emergence; early life trauma; aging combat veterans, 7721
lifetime educational attainment; Vietnam service; combat experiences; adulthood; lifelong ramifications; male twins, 7113
logotherapy; veterans; combat; posttraumatic stress disorders; psychosocial functioning; trauma; survivors; symptoms; emotional experience; drug abuse, 32809
medial temporal lobe; military veterans; chronic posttraumatic stress disorder; combat exposure; neurobiology; resonance spectroscopy, 7728
mental health; early life trauma; late onset stress; posttraumatic stress disorder; military service, 23050
metabolic syndrome; veterans; schizophrenia; cardiovascular risk, 13785
military deployment; psychiatric disorders; military veterans; Gulf War veterans, 25812
military returnees; posttraumatic stress disorder; PTSD; war in Afghanistan & Iraq; war-zone trauma, 25937
military service; life course; aging; war; retirement, 7118
multiple sclerosis; pain; veterans; pain interference, 23458
patient facility factors; antipsychotic diffusion; veterans affairs; health system; schizophrenia, 19872
patient facility factors; antipsychotic diffusion; veterans affairs; health system; schizophrenia, 19863
post traumatic stress disorder; spirituality; group intervention protocol; spiritual beliefs; trauma; combat veterans, 29443
posttraumatic stress disorder; combat veteran; neuropsychiatric complaints; war; mental health, 19901
posttraumatic stress disorder; Gulf War veterans; childhood trauma; lifetime trauma; combat exposure; coping strategies, 10732
posttraumatic stress disorder; late onset smoking; twins; genetic; veterans; increased risk; Vietnam Era Twin Registry, 16629
posttraumatic stress disorder; primary care; prevalence; psychiatric disorders; healthcare use; functional status, 4374

posttraumatic stress disorder; psychological trauma; Yom Kippur war veterans, 4382
posttraumatic stress disorder; quality of life; military veterans; group psychotherapy, 29614
posttraumatic stress disorder; virtual reality based exposure therapy; healing tool; disorder symptom reduction; war veterans; traumatic memories, 11431
posttraumatic stress disorder; wartime experiences; mental health consequences; military combat; diagnosis, 19920
predictors; treatment engagement; cohabitating female partners; Vietnam theater veterans; combat-related post-traumatic stress disorder; PTSD treatment barriers, 25967
psychiatric disorders; combat deployment; Vietnam veterans; injuries; posttraumatic stress disorder; returning veterans, 19712
psychiatric morbidity; onset; military service separation; prevalence, 25757
psychometric properties; factor structure; neuropsychological battery; elderly military veteran, 30756
psychosocial rehabilitation; therapeutic environment; homeless; veterans; social support; altruistic activities; healthy lifestyle behaviors; contingency management program, 17762
racial differences; psychiatric symptoms; service use; primary care clinics; psychopathology; PTSD; African American veterans; Caucasian veterans; use of services, 20766
Royal Australian Navy veterans; harmful alcohol use; 1991 Gulf War; high risk subgroups, 32365
social anxiety disorder; veterans; primary care clinics, 16802
somatic symptoms; indicators; chronic obstructive pulmonary disease; psychological distress; military veterans; medical illnesses; diagnosis; anxiety; depression, 16618
stress; substance abuse diorders; depression; affective disorders; posttraumatic stress; attention deficit hyperactivity disorders; schizophrenia; veterans, 22929
suicidal ideation; veterans; opiate dependence; treatment; risk indicators, 36539
suicide rates; test validity; military; at risk population; thresholds, 26021
suicide risk factors; completed suicide; veterans of peacekeeping; Norwegian peacekeepers; repatriation; negative life-events; marital status, 35021
suicide; assessment; veterans; SADPERSONS Scale; suicidal behavior; test validity, 21670
surrogate decision makers; hospice services; chronically ill veterans, 35915
symptom patterns; chronic PTSD; male Vietnam veterans; war, 19903
symptomatic ill health; Gulf war veterans, 32012
Taking Charge; female veterans; posttraumatic stress disorder; military sexual trauma; personal safety; therapeutic self-defense program; behavioral intervention, 17487
traumatic war experiences; physical disease; mental health costs; Civil War veterans; trauma; military records; medical records, 17631
treatment; female veterans; posttraumatic stress disorder; predominantly male environment; mental health services; comfort level, 32725
veterans perceptions; health care; post traumatic stress disorder symptoms; military service, 2237
Vietnam veterans; death toll; official toll; suicide, 7788
Vietnam veterans; mental health needs; cohabiting partners; combat veterans; combat related posttraumatic stress disorder; treatment use; needs assessment, 2291
wartime military service; nations call; life course; aging; wartime experiences; world war; Korean veteran population; Vietnam veteran population, 7117

Military Veterans—Books

Trained to Kill: Soldiers at War, 12276

Millon Clinical Multiaxial Inventory—Serials

discriminant functions; development; detection of dissimulation; Millon Clinical Multiaxial Inventory; psychiatric inpatients; test validity, 33836
Minnesota Multiphasic Personality Inventory; Millon Clinical Multiaxial Inventory; parental ompetency, 34592

Mimicry (Biology)—Serials

cognitive ability; communicative abilities; grey parrots; mimics; intelligence, 34034
mimicry; ants; vision; innate aversion; jumping spiders; predator responses; ant mimics; visual cues, 24935
prey selection; dragonflies, 9745
testosterone; drug administration; empathetic behavior; facial expressions, 28028
vocal mimicry; passerine bird; animal vocalizations; behavior; mixed-species flocks, 31141

Mind—Serials

adaptation; mind; social psychology, 1106
adaptation; mind; social psychology, 1110
analytical supervision; professional self; dynamic learning; state of mind; supervisor's attitude, 23659
animal rights; animal minds; human mindreading; nonhuman animals; mental states; anthropomorphism, 12828
brain; mind; dyadic change processes; trauma; neuroscience; attachment; brief emotionally based psychotherapy; personality disorder; psychodynamic therapy; psychoanalysis; psychoneurosis, 23606
cognitive psychology; reflective function; Jungian movement; analytical psychology; patient's unconscious; cognitive science, 23666
conscious states; mental states; causal relevance; epiphenomenalism, 21924
consciousness; space; mind, 22042
corporealized & disembodied minds; perception; movement; intentional arcs; embodied consciousness; alienation; schizophrenic patients; phenomenological account, 7687
depression; schizophrenia; mind; embodiment; phenomenology; mind-body relationship, 8444
developing understanding; beliefs; childrens development; mental simulation, 10126
dreaming mind brain; Jungian perspective; neuroscience; clinical material; dreaming process; evidence based research; dream sleep; dreams; transference; emotional experience, 14396
emotion-cognition interactions; aging; mind, 10170
epiphenomenalism; mind body problem; philosophies, 21947
epiphenomenalism; physical properties; causal inefficacy; nomological connection, 21946
evidence-based conceptualization; integration of brain & mind; neurobiological aspects of psychotherapy, 25007
evolution of mind; psychotherapy; psychopathology, 32787
evolutionary psychology; chronic pain; neural plasticity; natural method; adaptationism; mind, 4676
evolutionary psychology; human psychology; mind, 10
extended mind; extension; mental states; connectionism; external environment; evolution; cognitive costs, 18798
Greek zombies; human mind; consciousness; psychological theories, 22049
hard problem; quantum physics; brain; theories; mind, 25050
history; psychological theories; interpretation; Argentina; Germany, 6233
history; psychology; mesmerism; mind; US antebellum era, 6232
human mind; human behavior; mental processes, 6548
human uniqueness; philosophies; mind; cognitive tasks; cognitive ethology; animal cognition, 31326
immanent past; psyche; memory; texts; ruins; monuments; intersubjective relations; culture, 21972
integration; unintegration; disintegration; state of mind; catastrophic anxieties responses; stage of development, 32772
manipulation; discourse analysis; social power abuse; cognitive mind control; discursive interaction; social inequality, 25179
maternal reminiscing style; children's autobiographical memory; cognitive processes, 25288
mental life; feeling; thinking; moral science; social practices; space of reasoning, 22777
mental plurality; justification; objections; logical requirements; partitioning; mind; cognition; knowers, 7461
mental states; brain activity; neuroimaging; consciousness state decoding; ethical implications; privacy implications, 28075
metacognitive experiences; human judgment; mind; debiasing, 33977
mind attribution; action identification; mind perception; theory of mind; dehumanization; mentalizing, 19566
mind loss; african american community; dementia; aging; silent epidemic; linguistic variations; cultural variations; grounded theory, 14226
mind; arts; theatre; visual event; Alzheimers disease; visual communication, 4842
mind; causality; philosophical traditions; philosophical views; historical philosophers; natural law, 13056
mind; parental behavior; disorganized attachment; transmission gap; family; infants, 34558
mind; theory; scientific psychoanalytic approach; minding; caring; humanizing; thinking; therapeutic scene, 19679
mindfulness questionnaires; facet structure; psychometric properties; meditation experience, 12455
molecular genetics; mind, 12878
nature nurture; cultural neurophenomenology; mind-body schism; Fisher information; experience; culture; reality, 31597
neural functions evolutionary conservation; psychological functions evolutionary conservation; interspecies resemblance; comparative genomics; animal psychology; cognitive processes, 9680
object relation theory; unconscious expectation fantasies; defensive organizations; attachment theory; modern infant research; neuroscience; psyche, 22858
personality disorders; state of mind organization; interstate shifts; typical states; Horowitz's States of Mind Theory; personality organization; interpersonal patterns; internal experience, 4396
philosophy of mind; Yogacara Buddhist idealistic school; Indian philosophy; receptacle consciousness; function consciousness; vasanas; cognizing ego; congnized objects; individual experience, 6234
physicalism; phenomenal concepts; missing concept strategy; conscious experience; mind philosophy, 9919
prescribed psychoactive drugs; medicating the mind; debilitating emotional problems; Kant's formula of humanity, 14503
primates; monks; mind; empathy; neurophenomenology; cognitive ethology, 9710
psychoanalytic conceptions; mind; personality disorders; drug abusers; comorbidity; Defense Mechanism Technique Modified, 32228
psychoanalytic revolution; metapsychological assumption splitting mind; Freud; traditional sciences, 1270
psychological anthropology; mind; lecture method; Robert I. Levy; memorial, 10277
recollective memories; initial experiencing; past conscious mental states, 6874
robots; human nature; artificial intelligence; technological progress; human computer interaction, 6141
science; spirituality; near death experiences; mind brain relationship; approaching death experiences; out of body experience, 3451
selectivity; integration; psychoneurobiology; conscious mind; metacognitive process, 3529
theoretical implications; minds; free will; determinism; dichotomous reasoning; positionality; unconscious drives; social existence; psychosocial approaches, 22867
theoretical implications; minds; free will; determinism; dichotomous reasoning; positionality; unconscious drives; social existence; psychosocial approaches, 22857
theoretical pluralism; epistemology; cognitive science, 6230
totalitarian; mental processes; social contexts; racism; oppression; destruction; psychoanalytic theory, 28710
totalitarianism; state of mind; political system; destructiveness; psychoanalysis, 28715
unconscious inferences; G. F. Parrot; theory; mental processes; experimental processes, 6443
Unertan syndrome; human mind; evolution; mental retardation; quadrupedality; bipedality; motor system; incest, 29159
valenced core affect; emotional life; individual differences; human mind, 13514

Mind—Books

An argument for mind, 18487
Beyond psyche: Symbol and transcendence in C. G. Jung, 28719
Coming into mind: The mind-brain relationship: A Jungian clinical perspective, 31168
Evolutionary psychology: A beginner's guide human behavior, evolution and the mind, 6222
Field notes on the compassionate life: A search for the soul of kindness, 1161
The future of the brain: The promise and perils of tomorrow's neuroscience, 9827
Language and mind (3rd ed.), 19105
Mind, brain, and schizophrenia, 10690
Natural minds, 3112
Panpsychism in the West, 703
The psychology of science and the origins of the scientific mind, 18486
Secrets, lies, betrayals: The mind body connection: How the body holds the secrets of a life, and how to unlock them, 11526
Seeing red: A study in consciousness, 15588
Self-hypnosis: New tools for deep and lasting transformation, 3447

Mind—Books

The unschooled mind: How children think and how schools should teach, 5785
Mind Blindness [See Theory of Mind]
Mind Body [See Dualism]
Mindfulness—Serials
anxious children; attention problems; anxiety symptoms; mindfulness practices; childhood anxiety, 14420
cultural intelligence; mindfulness; culture, 13319
elementary school students; attention levels; Attention Academy; students mindfulness training program; cognitive propensity; program evaluation, 2768
mindfulness theory; authenticity; unconditional self-acceptance; tyranny of evaluation; mindlessness of social comparison; benefits of mistakes, 34773
mindfulness training; task concentration training; social phobia, 17379
mindfulness-based stress reduction; medical settings; meditation, 35447
mindfulness-based stress reduction; rational emotive behavior therapy; meditation; irrational beliefs; self-discipline; self-acceptance; compassion; intentionality, 35479
mindfulness; cognitive therapy; insomnia, 32528
mindfulness; marital satisfaction; perceived spousal similarity; marital relationships; well being, 13322
mindfulness; psychotherapies; conceptual foundations; empirical evidence, 32778
mindfulness; psychotherapies; conceptual foundations; empirical evidence, 32798
mindfulness; psychotherapies; conceptual foundations; empirical evidence; meditation, 32803
mindfulness; psychotherapists in training; treatment results; self experience, 27055
personal mindfulness practice; scientifically based behavior therapy; therapeutic strategies; holistic intervention; experiential-humanistic perspective, 35441
stress management program; humanism; psychotherapy; historical aspects; historical conditions; self-acceptance; Buddhist ideas; Jon Kabat-Zinn; nonjudgmental acceptance; search for wisdom, 35478
substance use disorders; cognitive behavioral treatment; mindfulness based relapse prevention, 11678
therapeutic community; dialectic behavior therapy; trauma; mindfulness, 35505
therapist mindfulness; manualized treatments; therapy outcome, 36115
treatment team functioning; mindfulness-based mentoring intervention; adult inpatient psychiatric hospital; patient satisfaction; staff satisfaction, 24083
Vipassana; meditation; mindfulness; incarcerated; substance use; psychosocial outcomes, 33172
Mindfulness—Books
Mindfulness and psychotherapy, 4981
Mindfulness-based treatment approaches: Clinician's guide to evidence base and applications, 26597
Mini Mental State Examination—Serials
Mini Mental State Examination; mental status; mental disorders; screening instrument; cognitive disorders; mood disorders; elderly, 24626
Mini Mental State Examination; screening for cognitive impairment; palliative care patients; delirium; validity, 6332
Mini Mental Status examination; psychometric properties; rehabilitation counselors; vocational evaluators, 3209
Mini-Mental State Examination; Alzheimers disease; clinical diagnosis; caregivers; family coaching, 35289
psychometric properties; mini-mental status exam; psychiatric inpatient unit, 116
Rowland Universal Dementia Assessment Scale; South India; cognitive screening tests; Mini Mental State Examination; older people; cognitive impairment; psychometrics, 33847
Minimal Brain Disorders [See Attention Deficit Disorder with Hyperactivity]
Minimum Competency Tests—Serials
competency testing; capstone business class; test administration, 8924
Ministers (Religion)—Serials
churches; glossolalic members; religious beliefs; religious practices; values; meaning; pastors, 19146
mentoring; developmental experiences; Baptist Pastors; Texas; practical ministry; professional development, 30177
pastors beliefs; counseling; secular counselors; spirituality; clergy; secular therapists, 29535
Minnesota Multiphasic Personality Inventory—Serials
American Indians; MMPI-2; personality assessment; cultural contextual perspective; normative validity, 18533
assessment; psychopathic personality traits; Minnesota Multiphasic Personality Inventory, 9379
clinical utility; test validity; malingering depression scale; Minnesota Multiphasic Personality Inventory, 9359
construct validity; Rorschach Test; Minnesota Multiphasic Personality Inventory Second Edition; test validity; test reliability; psychometrics; psychopathology, 18497
cross cultural equivalence; MMPI-2; Korean translation; test reliability; bilinguals; test-retest, 33797
Cuban psychology; language translation; Minnesota Multiphasic Personality Inventory; MMPI; MMPI-2; historical overview, 3162
employee screening; promotions; personality traits; mental illness; Minnesota Multiphasic Personality Inventory, 30795
incremental validity; Minnesota Multiphasic Personality Inventory; private practice; test validity, 18573
incremental validity; Minnesota Multiphasic Personality Inventory-2; Personality Psychopathology- Five Scale; self reported personality disorder criteria, 21694
incremental validity; MMPI 2; therapy outcome; manipulated assessment design; Minnesota Multiphasic Personality Inventory data; therapist access, 6314
malingering; psychopathy; maximum security forensic psychology inpatients; psycho-legal assessment; Minnesota Multiphasic Personality Inventory-2 validity scales, 7738
Minnesota Multiphasic Personality Inventory 2; Personality Psychopathology Five scales; test validity; five factor personality model; 16 Personality Factor, 27571
Minnesota Multiphasic Personality Inventory Adolescent; Minnesota Multiphasic Personality Inventory 2; True Response Inconsistency Scales, 12500
Minnesota Multiphasic Personality Inventory Adolescent; MMPI A; random responding; validity scales; response set, 6321
Minnesota Multiphasic Personality Inventory-2; Personality Assessment Inventory; posttraumatic stress disorder; feigning; test validity; psychometrics, 33799
Minnesota Multiphasic Personality Inventory-2; restructured clinical scales; incremental validity; personality assessment; psychometric evaluation, 102
Minnesota Multiphasic Personality Inventory; Content Component Scales; external correlates, 12498
Minnesota multiphasic personality inventory; empirical correlates; college counseling settings; test validity; restructured clinical scales, 12518
Minnesota Multiphasic Personality Inventory; malingered emotional distress; workplace injury; group validation, 21436
Minnesota Multiphasic Personality Inventory; Malingering Discriminant Function Index; test validity; test reliability, 33795
Minnesota Multiphasic Personality Inventory; Millon Clinical Multiaxial Inventory; parental ompetency, 34592
MMPI 2 Restructured Clinical scales; normal personality traits; construct validity; Multidimensional Personality Questionnaire, 6325
Overcontrolled Hostility Scale; Minnesota Multiphasic Personality Inventory Second Edition; child custody; test validity; test reliability; psychometrics; evaluations, 18498
Paul Meehl; clinical psychology; Minnesota Multiphasic Personality Inventory; rational emotive behavior therapy; statistical prediction, 8720
profile stability; code-type congruence; test-retest stability; MMPI 2; worker injury; psychological assessment; profile interpretation; profile stability, 15459
psychopathology; Minnesota Multiphasic Personality Inventory; anorexia nervosa; prolonged illness, 35160
serial killer; MMPI responses; symptomatic behavior; Jeffrey Dahmer, 26162
taxometrics; overreporting; forensic; malingering; MMPI-2; test structure; algorithm; psychopathology, 30749
understanding adolescent development; psychopathology; Minnesota Multiphasic Personality Inventory, 10143
Minnesota Multiphasic Personality Inventory—Books
MMPI-2: A practitioner's guide, 3186
MMPI-2: Assessing personality and psychopathology (4th ed.), 33818
Minnesota Teacher Attitude Inventory [See Attitude Measures]
Minority Group Discrimination [See Race and Ethnic Discrimination]
Minority Groups—Serials
academic possible selves; African American; Hispanic; prevention; self regulation; academic outcomes; academic attainment; social identity; low income students; minorities, 30345

civil rights; heterosexism; prejudice; minority group; transsexualism; trans persons; gender identity; United Kingdom, 13421
climate; minority; recruitment; retention; students; psychology graduate education; minority group students; recruitment; retention; admission strategies; college environment; decision making factors, 14832
clinical interviewing; ethnic minorities; assessment; diagnosis; African Americans; ethnic & cultural factors, 20424
clinical psychology; clinical psychologists; ethnic minority representation, 36062
cognitive model; depression; ethnic minorities; adolescents; self-efficacy; cognitive errors; hopelessness, 28840
college students attitudes; minority students; low income students; academic success, 33456
culturally competent care systems; children; mental health; disparities; mental health services; minority group populations; cultural diversity, 2284
demographic characteristics; social cohesion; minority; ethnic communities; economic disadvantaged; social structure, 34539
depression; clinical trials; ethnic-minority women; cognitive-behavioral therapy; low income; cognitive behavior therapy; antidepressant medication; group therapy, 17403
depression; sexual functioning; minority women; sexual dysfunction; relationship satisfaction; quality of life; treatment adherence, 13620
discursive analysis; prejudice; moral exclusion; ethnic minorities; Romania; sociocultural context; rhetoric, 13320
disproportionate minority contact; juvenile justice; community needs, 36639
doctor patient communication; cultural competency training; minority health; health care disparities, 14803
Dr. Faye A. Gary; genesis; nursing leader; American Nurses Association; ethnic minority, 8740
educational achievement; African Americans; racial & ethnic minorities; low income; higher education; Hispanics; GEAR UP; educational equity & access; federal educational initiatives, 17957
educational discourse; exclusive representation; the other; scholarly discourse; groups; oppressed groups, 8820
educational equity; disproportionate representation; minority students; special education; student ethnicity; language proficiency status; disability labels; access to least restrictive environment, 30364
endorsement; minority rights; group position; national context; ideological beliefs, 28414
ethical considerations; mental health research; research ethic; research participants; racial & ethnic minority communities, 2573

ethnic differences; gender differences; job applicants; decision making; reasoned action; recruitment; job choice; minority groups; women, 24306
ethnic identity; Indian; migrants; minority; New Zealand; women; work, 3993
ethnic minority populations; published psychological research; psychology journals; minority research, 9496
ethnic minority; ethnic discrimination; gender effect; depression; self esteem; psychological variables, 10270
exercise; self-efficacy expectations; outcome expectations; minority older adults; motivation; Senior Exercise Self-Efficacy Pilot Program, 16233
families; communities; social capital; postwar minorities; ethnic identities, 34531
family caregivers; learning disabilities; minority ethnic groups; social worker support; social services, 29868
family education; intervention; ethnic minorities; type 1 diabetes; health outcomes; knowledge; metabolic control, 11514
gender; cultural factors; anxiety disorders; minority; cognitive-behavioral treatment; children; adolescents, 35544
health care; health disparities; deaths; ethnic minority, 29876
health inequalities; minority populations; social inequality, 7162
health promotion; socioeconomic groups; cultural minorities; health-care provider assumptions; differing health perspectives, 11503
HIV; AIDS; native populations; ethnic minorities, 11017
homophobia; low income HIV positive women; women of color; social stigma; coping behavior; physical needs; emotional needs; psychological needs; support networks; disclosure, 4686
horizontal hostility; multiple minority groups; group differentiation; mainstream; group members attitudes; outgroups; ingroups; college students, 28594
identity; adaptation; minority Indo-Guyanese; generational status; gender; reference group; situation, 19346
inclusive education; India; international concept; national interpretation; minority groups; disabled children; post-independence government documents, 36365
increasing diversity; ethnic minority recruitment and retention; increasing persons of color in psychology; barriers to and strategies for achievement, multiple diversities; peer relations, 14834
instructional consultation teams; minority students; placement; special education referrals, 18119
intergroup contact; minority status groups; ethnic relations; majority status groups; interests, 31783
internalizing problems; ethnic minority; ethnic majority; parenting style; social support; parental attitude; ethnicity, 6977
interpersonal sensitivity; romantic stress; depression; minority adolescent girls, 34428
Islamophobia; September 11; religious discrimination; prejudice; stereotyping; minority groups, 13289
Latino mental health; depression prevention and treatment; smoking cessation; cognitive-behavioral therapy; evidence-based treatments; ethnic minority populations; treatment manuals, 4908
marginalized men; health disparities scholarship; marginality cultural competence integrative framework, 19749
medical education admissions; medical student admissions; inclusive education; underrepresented groups, 8763
medical profession; educational barriers; career barriers; minority students; gender differences, 27056
mental health care; barriers; stigma; ethnic minorities; mental illness; mental health services, 8525
mentorship; minority junior faculty; graduate students; mental health services; United States, 27077
minority concentration; minority disadvantage; racial inequality; nonmetropolitan United States; socioeconomic variables, 3912
minority education access; higher education; ethnicity; college admissions; minority enrollment; funds; educational inequities; Latino students, 2614
minority group access; public mental health services; evaluation; mental health practitioners, 17701
minority group members; intergroup contact theories; British Muslims conceptualizations; Islamophobia; social change, 31549
minority groups; sexual orientation; transgender; mental health care utilization; access; rural areas; secular services; religion, 26876
minority issues; cultural issues; late-life depression; cultural competence; psychosocial assessment tools, 10628
minority languages; language situation; Circassian ethnic minority group; ethnic language attrition; ethnic identity, 19079
minority status; consumer outcomes; service inputs; ethnic group; service quality; developmental disability; adult developmental disability services, 29908
minority status; group size; social perception; social outcomes; subjective control; interpretative reasoning; intergroup procedure; factual information, 19456
minority stress; gay men; body image; masculinity; body ideal distress, 7344
minority students of color; psychology graduate pipeline; school graduation; school enrollment; US trends 1989-2003, 14823
monolingualism; Moroccan adolescents; linguistic sabotage; hegemony; school; stereotypes; Belgium, 5830
multicultural psychology; community psychology; clinical psychology; ethnic minority populations; mental health services, 4909
multiculturalism; student success; ethnic minority voices; counselors; undergraduate students; graduate students, 30410
networks coverage reporters; presidential campaign; staff diversities; minority reporters; white reporters; newsroom diversity; reporting diversity; gender differences, 6943
optimal human functioning; United States; conceptualizations; cultural values; colored people, 13311
organizational impression management; minority job applicants; female job applicants; recruitment; marketing; social psychology, 15141
orthodox; humanitarian; science; beliefs; prejudice; Jews; Muslims; ethnic minorities, 19342
outgroup attitudes; majority group; ethnic outgroups; intergroup contact; adolescents; non-Western immigrant groups, 809
overweight; asthma; spirometry; minority children; urban environment; risk factor, 23308
parenting competency; pregnancy; postpartum period; life course; parenting efficacy; pregnancy postpartum transition; depressive symptoms; parenting satisfaction; Hispanics; African Americans; mothers, 13387
Parents' Rights documents; intervention; reading; cognitive disabilities; overrepresentation; minority students; special education; teacher shortage; private school programs; students with ADHD, 30370
patient inequalities; health care utilization; minorities; health care delivery, 29906
perceptions; minority invisibility; Asian American professionals, 27408
physical activity levels; African American girls; Hispanic girls; Caucasian girls; adolescent development; minorities; physical activity attitudes; physical activity preferences, 15040
possible selves; students of color; motivation; college students; commitment; achievement; identity goals; low income communities, 18091
psychological distress; perceived family conflict; career development issues; college students; minority groups, 30333
quality of support; affects reactions; group identification; minority groups, 31770
race and ethnicity influence; health care relationship; interpersonal care, 17660
racial and ethnic groups; minority groups; mental health treatment; health disparities; treatment disparities; psychiatrists, 11528
racial and ethnic groups; minority groups; mental health treatment; health disparities; treatment disparities; psychiatrists, 11554
racial attitudes; intergroup interactions; ethnic minorities; white people; intergroup contact experiences, 16323
reader response; minority staffing; newsroom; newspaper; editorial content; community readership, 13084
relationship influences; teachers' perceptions; parent-teacher and student-teacher relationship quality; academic competence; African American; White; Hispanic; first grade students, 5649
schizophrenia incidence; ethnic minorities; immigrants; Netherlands, 34914
schizotypy taxon; adolescents; Maori; aboriginals; minorities, 23023
school connectedness; family involvement; social support; minority youth; substance use; self control; family supervision, 10159
secondary gain expectations; ethnic Turkish psychiatric patients; first generation immigrants; Dutch outpatients; Netherlands, 23759
sex differences; overt aggression; delinquency; urban minority middle school students, 13993
sex; gender; race; ethnicity; harassment, 18251
sexual minorities; risks factors; informed consent; HIV prevention; bisexual men; Black gay men; youth, 33890
sexual minorities; UK fire service; work environment; workplace; diversity, 18313
single sex schools; educational improvement; low income minority students; California; public single gender academies, 5648
social & societal membership; minority groups; young immigrants; membership in everyday life & social interaction & life course & welfare structures; culture factors; Finland culture history, 7195
social dynamics; communities; clinic settings; health care delivery; culturally relevant services; minority groups; sexual orientation; rural areas; urban areas, 33055
social dynamics; communities; clinic settings; health care delivery; culturally relevant services; minority groups; sexual orientation; rural areas; urban areas, 33086
social dynamics; communities; clinic settings; health care delivery; culturally relevant services; minority groups; sexual orientation; rural areas, 26875
spontaneous smoking cessation; pregnancy; postpartum smoking relapse; ethnic minority women; psychotherapy relapse prevention treatment, 13432
status groups; intergroup contact; contact-prejudice; minority groups; majority groups, 10420
subgroup respect; pluralism; diversity; ethnic minority groups, 28581
substance use; ethnic minority youth; epidemiology; treatment outcome, 29058
substance use; visible drug problem; individual factors; neighborhood factors; minority; marijuana; cocaine, 32341
suicide risk; foreign background; Denmark; gender differences; minority groups, 35017
support providers; sexual minority women; breast cancer; breast cancer experience; adjustment; social support; distress; coping, 8076
test scores; college success; high school grades; minority students; academic achievement; involvement; retention; satisfaction; racism; religion, 5801
workplace relationships; ethnic diversity; organizational setting; employee management relations; minorities, 18301

Minority Groups—Books

The color of success: Race and high-achieving urban youth, 24223
The handbook of lesbian, gay, bisexual, and transgender public health: A practitioner's guide to service, 20806
NCLB Meets School Realities: Lessons from the Field, 11875
Why are so many minority students in special education?: Understanding race & disability in schools, 21270

Mirror Image—Serials

body image disturbance; risk factor; eating disorders; mirror exposure therapy, 14322
image distortion; illusory distortion; mirroring; mirror images, 24768
interweaving protosign; protospeech; imitation system; language readiness; mirror system; vocal gestures, 9931
mirror image symmetry; search asymmetry; visual search; serial process models; visual target thresholds; decision noise model, 18706
mirror images; size perception; distance, 6447
mirror reflection; naive physics; intuitive physics; optics; naive optics, 289
rear-view mirror use; driver behavior; alertness; road type; electroencephalography; visual behaviour, 28105
self recognition; mirror image; face recognition; leg recognition; self concept, 13109

Mirroring—Serials

mental mirroring; attributions; folk psychology functions; radical simulationism; mental states, 9920
social heuristics; instrumental rationality; smarter; mirroring; situated cognition; mind reading; game theory, 9586

Misanthropy—Serials

hogging; male dating practices; neutralization techniques; male sexuality; negative self conceptions; cultural misogyny, 16404

Misarticulation [See Articulation Disorders]
Misbehavior [See Behavior Problems]
Miscarriage [See Spontaneous Abortion]
Miscegenous Marriage [See Interracial Marriage]
Misconduct [See Behavior Problems]
Misdemeanors [See Crime]
Misdiagnosis—Serials

hydrocephalus occlusus; bipolar disorder; depressive symptoms; manic symptoms; adynamic symptoms; routine brain imaging; brain damage, 1366
hydrocephalus occlusus; bipolar disorder; depressive symptoms; manic symptoms; adynamic symptoms; routine brain imaging; brain damage, 1375
managed mental health care; intentional misdiagnosis; mental disorders; ethical dilemmas; legal dilemmas; insurance reimbursement; ethics code violation, 10600
misdiagnosis; persistent postconcussion syndrome; depression patients, 32108
misdiagnosis; sleep-wake schedule disorder; melatonin, 8460
mitochondrial disorder; misdiagnosis; motor neuron disease; myositis; respiratory chain disorder, 32526
traumatic brain injury; post-traumatic stress disorder; false positive diagnosis; self-report questionnaire; structured interview, 14270
Misogyny [See Misanthropy]
Missionaries—Serials
Bible translation; medicine man talk; missionaries; language expert; San Carlos Apache community; indexical associations; cultural practice; religious practice, 34520
Gold Coast context; Missionsfrau; ethnographical observations; white male dominance; female counterparts; colonial encounter; cultural change, 34541
role perception; well being; married female missionaries; missionary role, 4059
spiritual development; psychological development; cross-cultural adjustment; missionaries; relational psychodynamic perspective, 19335
Mistakes [See Errors]
MMPI [See Minnesota Multiphasic Personality Inventory]
Mnemonic Learning—Serials
bizarreness effect; spatial location; mnemonic advantage; memory, 3426
cranial nerves; mnemonic devices; student success; complex ideas, 27211
executive memory dysfunctions; mild traumatic brain injury; mnemonic problems, 23456
memory skill; exceptional performance; mnemonics; skilled memory; memorist, 31068
metacognition; judgments of learning; JOLs; transfer of learning; illusions of competence; foresight bias; mnemonic cues; theory based judgments, 31048
mnemonic functions; hippocampus; rats; humans; sequential learning; short term memory; intermediate term memory, 22187
mnemonic techniques; children prose learning; delayed memory, 8854
mnemonic value; vocabulary; words; elementary students; memory; orthography; spellings, 11856
name learning strategies; retrieval practice; semantic association; imagery; memory improvement techniques; imagery mnemonics, 6590
self monitoring approach; mnemonic learning; retention; learning techniques, 3415
standardized Cognitive Interview; older adults; text-based stimuli, 15711
structured practice opportunities; mnemonic; medical student interviewing skills; intimate partner violence; teaching module, 14813
unusual autobiographical remembering; superior memory; mnemonics; hyperthymestic syndrome; forms of superior memory; eidetic imagery, 17327
Mobility (Geographical) [See Geographical Mobility]
Mobility (Occupational) [See Occupational Mobility]
Mobility (Social) [See Social Mobility]
Mobility Aids—Serials
disabled people; wheelchair; housing; lifetime homes; physical barriers, 29933
functional specifications; verbal aid; blind pedestrians; urban areas, 8188
Gross Motor Function Measure; motor skills; cerebral palsy; ambulatory aids; orthoses; barefoot; aided assessment; within-child functional change, 21624
Gross Motor Function Measure; motor skills; cerebral palsy; ambulatory aids; orthoses; barefoot; aided assessment; within-child functional change, 21625
long cane components; visual impairment; clients knowledge; clients preferences, 11138
long cane design; human factor analysis; performance measures, 12347
personal care; assistive technology; late life disability; national trends; self care activities, 17563
racial and ethnic differences; assistive devices; mobility; age differences, 17585
residential facilities; power mobility use; quality of life; occupation; self esteem; social interactions; risk factors; safety; power wheelchairs, 2337
Modeling [See Simulation]
Modeling Behavior [See Imitation (Learning)]
Models [See Also Animal Models, Medical Model, Mental Models]—Serials
7 phase model; personal conflict; worldview; frame of irony; styles; organizational settings; church organizations; adversarial & collaborative approaches; conflict resolution, 31551
absolute identification; relative judgment; model, 256
acoustic prepulse inhibition; prepulse facilitation; noise levels; neural networks; pedunculopontine tegmental nucleus; startle; computational model, 9818
action pattern model; inter-firm cooperative processes; cooperating partners; partner relationships; transaction cost characteristics; trust; construction industry, 9142
acute depression; outpatient treatment models; independent practice; strategies for collaboration with managed care; treatment outcomes, 5304
acute low back pain; pain related fear; fear avoidance model; general practice; patient characteristics; avoidance; pain; disability, 8046
aetiology; temporomandibular disorders; pain disorders; theories; biomedical model; biopsychosocial model; psychological model; physical disorder factors; psychosocial illness impact factors, 8049
alternative models; learning disabilities identification; responsiveness to intervention, 10905
American contexts; Japanese contexts; Olympic performance; media coverage; agency construction; nature and source; athletes, 15222
anger related feelings; trajectory analysis; latent variable models; partially ordered set data, 3228
antidepressant treatment; major depression; epidemiology modeling; population health status; treatment efficacy; mathematical models, 5065
arithmetic memory; identical elements model; addition; subtraction; response time; models, 30969
attachment insecurity model; eating disorders; body mass index; body dissatisfaction; psychometric test; treatment seeking; women, 32491
attentional blink; neurodynamic model; distraction, 534
attuned representation model; primary prevention; eating disorders, 14320
awareness discounting matrix; awareness action sequence; task oriented functions; option oriented functions; educational setting; commercial setting; information technology; education, 26518
Aymara language; crosslinguistic comparison; spatial construals; gestures; time models, 28203
Bayesian neural network models; militarized interstate dispute; Gaussian approximation; Markov Chain Monte Carlo method, 15332
Beck Depression Inventory II; confirmatory factor analysis; depression; factor structure models, 15475
behavior change; models; spiritual transformation; spiritual mechanisms; substance abuse treatment, 11663
bi-factor multidimensional item response theory model; testlet based tests; reliability, 21752
bifactor models; second order factor models; quality of life, 30807
bipolar disorders; psychological approaches; multilevel emotion approaches; models, 10653
bisexuality; heterosexuals; flexibility; sexuality conflict; sexual orientation, 1075
boundaryless careers; protean careers; career models; career profiles; career development; interventions, 30458
brain cancer; rehabilitation model; cerebral neoplasia; cognitive process restoration, 4707
brain function; modeling; magnetic resonance imaging; blood, 24963
business models; entrepreneurial practice; entrepreneurship, 6022
categorical data analysis; relative model fit; likelihood ratio test statistics; nested models, 21782
categorization; eyetracking; prototype model; exemplar based generalized context model; category learning; selective attention, 255
change detection; attention; visual stability; eye movements; computational model; real-world scenes; visual attention & cognition, 286
chronic pain; pain clinic attenders; hypochondriasis; health anxiety; cognitive behavioral model; health care services, 14144
clinically oriented model; anxiety disorders; DSM; psychopathology; treatment outcomes, 28930
cognitive brain functioning; distributed artificial neural network models, 6144
cognitive evaluation; disease modifying efficacy; galantamine; memantine; models; mice, 13052
cognitive vulnerability; depression; information processing; dual process models, 4316
cognitive-behavioral therapy; complicated grief; constructivism; self-narrative; cognitive-behavioral model; bereavement adaptation, 23627
cognitive-behavioral therapy; complicated grief; memory; CG symptoms; mechanisms; treatment; background variables; hypotheses; cognitive-behavioral conceptualization; model, 23624
Collaboration Engineering; thinkLet concept; conceptual object model; practitioners, 21367
community based services; serious mental illness; interdisciplinary treatment; integrated care models, 33103
community level variables; multilevel models; standard error; social sciences, 9444
complete network data; exponential random graph models; personal network data; random effect models; social network analysis, 24709
computational modeling; acquired dyslexias; reading; computer programs; algorithm, 17077
computational modeling; perceptual expertise; impaired face perception; alexia; prosopagnosia, 20255
concept analysis; arthritis; pain coping; hybrid model, 20191
conceptual model; effective community coalitions; Internal Coalition Outcome Hierarchy; health promotion, 23806
conflict coaching; conflict resolution; executive coaching; comprehensive conflict coaching model, 33535
consciousness; psychology; neurosciences; theory of mind; Cartesian Theater model of the mind; Multiple Drafts model of consciousness; metacontrast; Stalinesque model; Orwellian model, 31103
consciousness; reflective consciousness; interactive process model, 3438
constant ratio model; selection bias; constant difference model; measurement, 21742
contact experiences; personality traits; ethnic prejudice; intergroup attitudes, 4152
crisis intervention responses; children victimization; terrorism; adult treatment effectiveness evaluation; parents; fear; Roberts' Seven Stage Model; coping skills, 14688
current training realities; Canadian health-care system; curriculum review; psychology as true health care profession; health care reform; psychology; models, 5553
decision making; impulsivity; individual differences; cognitive models; reinforcement learning; cues; adolescents; go/no-go discrimination task, 31383
decision making; uncertainty; probabilistic decision modelling; health care, 35834
diabetes; adolescents; ecological model; adherence; management, 29752
dimensional focus; situation model construction; influence; narratives; reading, 21961
disability; counseling; models, 16650
discriminative learning; naive Bayes model; logistic regression, 178
dissociation theory; dissociated experience model; dissociated control model; hidden observer; hypnosis, 3446
dissociative identity disorder; multiple personalities; switching; amnesia; phenomenological model; sociocognitive model, 16665
double mediation model; argumentation; conflict aversion; orientation reaction; vacillation; sacrifice; decision making, 18809
dream work; process & outcome of dream sessions; client characteristics; Hill dream model, 33999
dual process model of perfectionism; reinforcement theory; negative perfectionism; positive perfectionism; avoidance orientation, 22814
duality; matrix variates; normal distribution; models; mathematical modeling; statistical analysis; multivariate analysis, 21762
ecological validity; learning disabilities; diagnostic models, 14038
educational effectiveness; comprehensive model; achievement variation; affective schooling aims; Creemers model of educational effectiveness; personality; thinking style, 2699
efficacy; effectiveness; range of possible changes; evidence based intervention; treatment; behavior changes; model; research, 26488
efficient auditory coding; nonlinear model; natural sounds; speech, 15627

embodied model; epigenetic robots; sensorimotor grounding; grounding transfer; linguistic abilities; language; autonomous mental development; behavior, 36610
emotion regulation; emotion episodes; resource allocation; performance episodes; episodic process model; affective influences; cognitive & regulatory processes, 5926
emotion; preventive health behavior; perceived risk; influenza vaccination; worry; regret; decision making; attitudes; models, 20708
emotion; preventive health behavior; perceived risk; influenza vaccination; worry; regret; decision making; attitudes; models, 11496
emotional states; verbalizations; cognitive appraisals; comforting, 31749
emotions; golf performance; individual zone of optimal functioning model; sport psychology, 21441
equating error; observed score equating; unidimensional response model, 30841
Ethnicity and Public Recreation Participation; unidimensionality assessment; overall fit; model reliability; model validity; psychometrics, 24567
evaluation; task performance; activation model; mediating processes; effort, 31721
event related potential; perceptual; implicit memory; structural description system; performance; object decision priming; models; visual system, 15741
evolutionary dynamics; cooperation; social networks; biological organizations; natural selection, 24673
exercise adoption model; exercise adoption; maintenance; middle aged men; perceived stress; self efficacy; decisional balance; self rated health; health locus of control, 5199
factor analysis model; discrepancy measure, 3233
factor analytic analogue; latent class analysis models; regression extension, 12580
factor structure; Multidimensional Aptitude Battery; nested factor models; oblique models; higher order models; intelligence research, 12467
feminism; grounded theory; identity development, 1050
fit indexes; sample size; missing data; factor loadings; factor covariances; models, 9457
four-stage loyalty model; moderator effects; loyalty sequence; consumer behavior, 24441
Full Dynamic Model of Type; shared preferences; trait orientation; rank ordering, 31904
functional assay; comprehensive assessment; functional tests; peripheral nerve regeneration; rat nerve injury, 553
generalized graded unfolding model; item response theory; statistics; dimensionality assessment; factor structure, 15
generalized growth curve model; matrices; regression coefficients; maximum likelihood estimation; simulation, 30844
generic model of psychotherapy; therapeutic bond; dynamic therapy; cognitive therapy; interpersonal therapy; universal change processes, 20447
genetic programming; model variable relationships; Naturalistic University of Alberta Nonlinear Correlation Explorer; psychology research; computers, 36585
glottal pulse parameter variations; speech production; speech perception; synthetic stationary vowels; Liljencrants Frants model; perceptual effects, 3341
goal orientation; leadership; climate; cross level; employee motivations; individual-level performance; organizational work groups; models, 5872
grammatical structures; bilingual production; natural codeswitching; Matrix Language Frame model; linguists; psycholinguists, 28202
Gray's model; personality; addiction; behavioral approach system; drug addicts; alcoholics, 16947
Grief Intervention approaches; Neonatal Death; grief intervention models; family grief reactions; mourning; social work practice, 2199
group partition model; Chinese participants; Chinese culture; octant model; RIASEC; personality types, 12590
group psychotherapy; inpatient unit; MEGA Group Model, 23647
growth mixture models; start values; latent classes; local solutions; local optima; maximum likelihood, 15513
hallucinations; delusions; source monitoring; multinomial model; schizophrenia, 28902
health behavior; multi stage model evaluation; health behavior change; cognitions; discontinuity patterns; social cognitive variables; self efficacy; outcome expectancies, 8445
health expectations; psychological theory; model; Alzheimer's disease, 20709
health promotion model; construction workers; hearing protection; predictive usefulness, 14608
help seeking behavior; stage process model; young people, 10128
hierarchical Bayesian model; decision-making; optimal stopping problem; human performances, 27851
Holland's vocational interest structure; Chinese population; cross-cultural differences; gender differences; collectivist cultures; Self-Directed Search, 9092
homelessness; structural risk factors; poverty rate; metropolitan areas; models, 16290
HRQOL conceptual model; structural equation modeling; health-related quality of life; biological aspects; psychological aspects; immunologic disorders; AIDS; HIV; Wilson/Cleary model, 29217
human computer interaction; interface characters; I-PEFiC model; human character interaction; aesthetics; affordances; intentions; engagement; satisfaction; users, 30597
humor appreciation; recognition latency; salient content; humor model; comprehension, 6895
hybrid functional models; longitudinal data analyses; wage inequality; variance components; covariance structure, 9477
incomplete communication; partial cooperation; Myerson models, 21737
infant lexical acquisition; embodied intention; computational model; word discovery; word-meaning association; social cognitive skills, 7030
Information Motivation Behavioural Skills model; AIDS preventive behavior; adults with sexually transmitted infections; self efficacy; stigma, 20205
information processing; help seeking; mental health; professional help; model; decision making, 29917
information theory; latent class; latent trait; model selection; latent distribution modeling; information-theoretic approach, 30828
integrative harmony paradigm; integrative harmony model; medically fragile children; parent caregivers, 20842
intelligence; g factor; dynamical systems; mutualism; reciprocal causation, 34769
interpersonal behavior; interpersonal motives; approach; models; noncomplementary reactions; complementary reaction; individual differences; indifference; circumplex model, 13457
interpersonal feedback; interpersonal perception; interpersonal behavior; group therapy; social relations model, 20546
interpersonal learning; tacit knowledge; March's exploration exploitation model; organization; personnel turnover, 36488
interpersonal problems; circumplex model; personality disorders; construct validity, 21646
item response model; nominal data; rising selection ratios criterion, 12600
JD-R model; burnout; engagement; organizational commitment; job demands; resources; model robustness; cross cultural differnces; occupational context; data collection methods, 33561
Judgment Model of Cognitive Distortions; cognitive schemata; sexual offenders; denial; beliefs; values; action, 26177
kleptomania; treatment; obsessive compulsive spectrum disorder; models, 32067
latent memory; Aplysia; model; behavioral & cellular & molecular level, 18937
leadership competency models; leadership effectiveness, 30480
life satisfaction; cross cultural differences; item response theory; structural equation modeling; multiple indicator multiple cause model, 25691
linear regression model; general practitioners; decision making; matching heuristic model; depression; medication; cues; prescribing, 20613
logistic model trees; supervised learning; tree induction methods; linear models; numeric values prediction; algorithm; classification problems; logistic regression, 3226
long-term memory engrams; bidirectional synaptic weight; clustered plasticity model, 28073
long-term recency effect; recognition memory; recognition; short-term memory; single-store models, 22019
Markov Chain Monte Carlo; item parameters; estimation; generalized graded unfolding model, 21751
Mediated Moderation Model; maternal parenting style; deviant peers; problem behavior; African Americans; European Americans; adolescents, 861
men; dreams; dream interpretation; Hill model; gender role conflict; psychotherapeutic processes, 11364
mental disorders; geriatrics; service delivery; mental health services; models, 35780
mental health services; mental health consumers; consumer-directed evaluation; framework, 35804
mental illness; mental health care; model of recovery, 26849
mirror image symmetry; search asymmetry; visual search; serial process models; visual target thresholds; decision noise model, 18706
missing data; non-ignorable missing data; item response theory models, 3223
model comparison; model complexity; MCMC; connectionist modeling, 15334
model quality; sample size; solution propriety; confirmatory factor models; confirmatory factor analysis; construct reliability; simulations, 21759
modeling; influence; similarity; dissimilarity; social comparison; opinion; music, 16434
models; craniofacial growth; workplace design; Robert E. Shaw, 11729
models; education; training; professional psychologists, 30111
Mozart effect; children; music perception; spatiotemporal performance; pedagogical benefits; trion model; arousal-mood model; model evaluation; popular music; Mozart; piano sonatas, 19172
multi dimensional hypnotic model; psychotherapeutic intervention; cognitive behavior; smoking cessation, 11634
multi stage model; transtheoretical model; social cognitions; health behavior; behavior change; self efficacy; risk awareness, 1189
multigroup common factor model; minimal uniqueness constraints; power; uniform bias; maximum likelihood, 21766
multilevel longitudinal Rasch measurement model; hierarchical generalized linear model; psychotherapy outcomes assessment, 12511
multilevel model of external team networking; organizational demography, 36479
naive Bayes models; latent classification models, 170
narcissism; sexuality; relationship commitment; theoretical models; close relationships, 31860
National Institute of Mental Health trials; collaborative care models; depression treatment; primary care; evidence-based care, 20771
nested factors model; WAIS-III; factor structure; bi-factor model; model fit; higher order models, 24590
network resources; interconnected firms; model; competitive advantage, 36483
neural network model; mobile robots; robotic manipulators; time-varying environments, 6146
neural networks; cortical maps; models, 6148
neuropathic pain; human surrogate models; clinical studies, 21824
neuropathic pain; human surrogate models; clinical studies, 3292
Nordic model; national education system; values; practices; equity; participation; welfare; school system, 33326
nurse requirement planning; computer model; personnel recruitment; nurse requirement estimation, 2425
object outlines; segmentation; object segmentation models, 15602
offenders; behavior change; problem behavior; rehabilitation programme; transtheoretical model, 8696
one sided error; heuristic learning; Boolean formulas; agreement problem; models, 6122
online consumers; web sites; cross cultural differences; technology acceptance model; information technology; international web site usage, 36549
Pareto/NBD model; customer counting; purchasing patterns; beta-geometric/NBD model; purchasing environments, 6069
perceptual learning; cortical plasticity; Hebbian learning; reweighting; connectionist model; linear classifier; orientation; discrimination, 435
perceptually grounded categories; language; models, 6549
personality traits; geometric structure; five factor model; interpersonal sphere; conscientiousness; three dimensional model, 22854
plausibility; Plausibility Analysis Model; human judgment, 15642
policewomen; stressors; model; interpersonal stress, 33744
posttraumatic stress disorder; cognitive model; complicated grief; traumatic grief; phenomenology; stimulus discrimination; memory updating; autobiographical memory; death; cognitive therapy, 22919

primary visual cortex; computational model; multiple maps; map development; monocular deprivation; ocular dominance; visual field position; cortical representations, 9793
primates; optimal control theory; medical superior temporal; cerebral cortex; recurrent neural network; model, 6152
professional supervision; psychotherapists; professional competence; professional development; Integrated Developmental Model, 5570
psychiatric research; models; neurobiology, 29386
psychokinesis; parapsychology; pragmatic information model; psi, 31105
psychometric modeling; response speed; accuracy; multidimensional models; logistic regression, 12614
Psychopathy Checklist; Youth Version; factor structure; serious adolescent offenders; antisocial behavior; juvenile delinquency; antisocial personality disorder; models; sex differences, 15455
psychosocial intervention; men; psychotherapeutic intervention; gender sensitivity; therapist countertransferences; bias; socialization; help seeking behavior, 4970
psychotherapeutic models; integrated approach; client attitudes; group work; strategies; problem solving; behavior change motivation; Montreal Model, 23637
psychotherapy process; psychotherapy outcomes; phase model; training; outpatient clinic, 23586
quadrupedal gait; primitive speech; severe mental retardation; human evolution; syndrome, 17102
random graph models; Markov chain Monte Carlo; visualization; maximum likelihood estimation, 24684
Rasch models; linear regression models, 24663
rating scale model; partial credit model; disordered thresholds; Rasch models; polytomous responses; structural thresholds; Thurstone thresholds, 6368
ravaging resistance; collaborative learning classroom; educational setting; Resistance Breaking Process Model, 2732
recovery; blocking; overshadowing; backward blocking; super latent inhibition; classical conditioning; attentional model; neural network model; storage; retrieval, 9702
redundant signals; race model inequality; negative dependence; reaction time distribution; statistical testing, 12712
reinforcement learning; recurrent choice; skill learning; credit assignment; cognitive architecture, 18839
relational identity commitments; model, 13588
relationships; specific model; general model; attachment models; attachment representations; peer models; parental models; romantic models, 7411
relative validity; complete solution; Rescorla Wagner model, 12618
religion; public relations; local community relations; covenantal model; Hindu faith communities; devotional-promotional communication, 34521
remembering; adult development; life transitions; models; reflection, 31378
research methods; mixed models; intra familial correlation; spatial autoregressive approach; family members, 214
research training environment; graduate psychology education; professional psychology; scientist-practitioner model, 30093
resistance factors; risk factors; psychological distress; Icelandic parents; chronically ill children; Wallander and Varnis disability-stress coping model, 34790
response; auditory; categorization; models; noisy encoding noisy activation (NENA), 24776
rifle marksmanship research methods; shooting performance; perceptual-motor variables; cognitive factors; affective factors; equipment; environmental factors; phases-of-skill-development model, 33609
risk episode management; risk assessment; PREMP model; Previdence Risk Episode Management Process, 30987
risk factors; alcohol usage; bivariate dale model, 4108
risk sensitive model; higher risk situations; medication; randomized clinical trial; decisional-capacity determinations; mental health professionals, 33220
role identity; personality traits; model, 25714
safety and health measures; participative model; cost effectiveness, 3032
Scalar Expectancy Theory; testing; learning to time model; temporal bisection task; timing; pegions, 24892
scale-free networks; social networks; interaction; hubs; elites; masterminds; vertex fitness; homophily; network model; threshold graph; tennis players, 33867
schizophrenia; genetics; neurobiology; neuregulin; pathogenesis model; risk genes, 23035
scientific models; consumer models; disorder recovery; schizophrenia, 32140
second hand smoke exposure; 5As model; treatment guidelines; smoke-free environments; primary tobacco use screening; public health policy; counseling; family intervention, 2219
security models; open services; open service environment; security interoperability, 36594
seizure frequency; depression symptoms; epilepsy; theoretical model, 8175
self-enhancement; imitation; complementarity; self-construal; social comparison; self salience model, 16476
semantics similarity; episodic memory; words; memory model, 6534
serial order; consonant-vowel structure; graphemic buffer disorder; spelling errors; dysgraphic patients, 1783
shame-focused coping; Compass of Shame model, 16528
shared strategic control; multi party relationship models, 36438
short term memory; neural networks; working memory; serial order; computational models, 18829
similarity judgment; transformation-based models; structure-mapping models; Similarity as Interactive Activation and Mapping model; object configuration, 6535
smoking cessation; process of change; Theory of Planned Behavior; Transtheoretical Model, 29989
SNARC effect; dual route; Simon effect; numbers; space; computational model; handedness; judgments, 12642
social conflict models; human psychopathology; psychiatric disorders; social experience; defeat; aggression; violence; brain; behavioral influence, 34673
social connectionism; multiagent models; communication; persuasion; trust; cognition; social psychology; social relations; simulation, 25622
social identity; leadership dynamics; collaborative agents; transformational leadership; leaders identity; social reality transformation, 1169
social informatics; information systems development methods; information & communication technologies; web models, 3750
social information-processing models; aggressive behaviour; children; mild intellectual disabilities; residential care, 35928
social performance-corporate financial performance behavioral model; consumers, 36547
social phobia; dictation phobia; Clark Wells model; children; cognitive behavioral therapy, 13815
social power; dependence; role identity; self verification; subordinate perceptions; supervisors; Identity-Dependence Model, 5974
social relations model; group therapy; group therapists, 20547
social support; distress; Harmful Support Model; Adversity as Third Variable Model; Reverse Causation Model, 7426
societal beliefs; near death experiences; crosscultural variation, 18882
somatizing behavior; interpersonal psychotherapy; therapeutic alliance; models, 29573
space models; Grassmann manifolds; modeling; time series; noise processes; statistical probability; multivariate analysis, 21748
speech recognizer; automatic speech recognition; human speech recognition; human spoken-word; computational model, 6490
spiritual direction; family therapy; Virginia Satir model; pastoral counseling, 14538
stochastic ordering; latent trait; sum score; polytomous item response theory models, 12613
streamlined models; dementia care mapping; quality of life; quality of care, 35785
stress management intervention; transtheoretical model; tailored communications; outcomes, 29793
structuring complex news; engagement; situational understanding; cognitive models; text comprehension, 28220
subtractive model; outcome allocations; age differences; perceived inputs; Chinese, 7022
tacit knowledge; multidimensional model; academic tacit knowledge; Academic Tacit Knowledge Scale; domain specificity, 9434
teachable subskills; word recognition; parsimonious reading models; reading comprehension, 18029
teacher quality research; student achievement; student success; school; teacher education; teacher assessment, 33760
team practice; family therapy; individual families; group programs for children; combined model, 20556

teams; empowerment; IPO model; processes; inputs; outcomes; service technician teams, 12126
temporal distinctiveness models; short term memory; serial order; serial positions, 12776
terminal decline; cognition; death; multilevel modeling; predictors of mortality, 31510
texture transparency; texture segregation; texture-edge detection; filter-rectify-filter mechanism; texture perception, 6458
theoretical models; conceptual analyses; Journal of Applied Psychology, 5510
three-dimensional model of affect; acoustic cues; music perception; speech perception; valence; energy arousal; tension arousal, 18757
Tidal Model; nursing; philosophy, 2276
Tidal Model; nursing; philosophy; scientific inquiry; academic discourse, 23850
trait curiosity; Interest/Deprivation Model of Curiosity; validity; factor structure; curiosity measures, 24593
trajectory groups; substance abuse; remission; mental health services; group based modeling, 29063
transtheoretical model of behaviour change; stage of change, 10518
transtheoretical model of behaviour change; stage of change, 25694
transtheoretical model of behaviour change; stage of change, 25712
transtheoretical model; health behavior; dietary change; theory of planned behavior; implementation intentions; stages of change, 17376
traumatic brain injury; cognitive functional independence; predictive model, 11062
triadic judgment models; Weber's law; numbers; psychophysical measurement; discrimination models; probabilistic measurement; mathematical psychology, 21792
trust; resource acquisition; interorganizational networks; conceptual model; social capital, 12224
two digit numbers; number processing; number magnitude; models, 3386
two pulse experiment; cross correlation; Rashbass model; temporal summation; luminance; visual thresholds; visual system, 18742
unfairness; physical health; perceived unfairness model, 19563
unidimensional item response theory models; Bayesian approach; posterior predictive model checking, 12608
unimodel of persuasion; cancer communication; cues; message arguments; issue arguments; evidence; conclusions, 31753
unintegration; disintegration; deintegration; psychodynamic model; self, 32811
usability capability maturity models; user centred design; software; product development, 27478
visual word recognition; lexical decision; masked neighbor priming; multiple criteria account; multiple readout model, 6404
wellness; counseling; Five Factor Wellness Inventory; spirituality; Adlerian perspective; positive psychology; wheel of wellness concept, 35405
Werther effect; suggestion imitation model; media publicity; suicide rates, 4434
word learning; children; associative learning; lexicon as exemplars model; fast mapping; phonological form; generalizing word meaning; mutual exclusivity; memory interference; referential learning, 7016
working models; attachment processes; attribution processes; intimate relationships; relationship satisfaction, 16444

Models [See Also Animal Models, Medical Model, Mental Models]—Books

Geropsychological interventions in long-term care, 35930
Handbook of mental health services for children, adolescents, and families, 11563
Human clocks: The bio-cultural meanings of age, 28267
Models for intensive longitudinal data, 18658
Neuropsychological Evaluation of the Child, 3193
Psychology of entertainment, 19121
The strengths model: Case management with people with psychiatric disabilities (2nd ed.), 20805
Theories of truth, models of usefulness: Toward a revolution in the field of psychotherapy., 4988

Models [See Also Animal Models, Medical Model, Mental Models]—Chapters

Progress in Behavioral Game Theory, 9625
The Self Under Siege (1999), 29312
Splitting-the-difference in Interest Arbitration, 10431

Moderate Mental Retardation—Serials

aggression; attribution; hostile intent; intellectual disabilities; interpersonal perceptions, 17091

high preference items; computer based video program; task completion; autism spectrum disorder; middle school students; moderate mental retardation, 21253
socioemotional understanding; aggression; intellectual disabilities; emotion recognition; perspective taking abilities, 17092
static picture prompting; video prompting; simulation strategies; group instructional procedures; moderate mental retardation, 29143

Modernization—Serials

creativity management; innovation management; contemporal issues, 24336
creativity; Gilles Deleuze; philosopher; innovate; destructive nature of creativity; scholars, 22352
creativity; repetition; modern dance; theoretical concept; body; organizing processes; habitual appropriation; embodied processes; new; philosophies, 24406
domiciliary care; home care services; health agencies; modernization; older people, 17697
educational choice practices; ideological tensions; modern Greek Cypriot parents; rapid modernisation process; Greek Cypriot society; cultural environment; social advancement; social capital, 998
identity sniping; innovation; imagination; body; creativity; fantasy; brainstorms; interaction; knowledge-sharing technologies; organizational form; crisis; individual connections, 24395
Lazarus; liminality; animality; xenotransplantation; zoonosis; late modern society; human organ transplantation; disease transmission, 22125
linguistic constructions; modernity; Korean television commercials; English language; Korean language, 16020
modern racism; neo liberal globalization; discursive psychology; global economy; intergroup relations; newspaper coverage, 16263
modernity; self control; European views; national characters, 16302
modernization; China; crime patterns; developing countries; violent crimes, 19309
modernization; management; business school; teaching; cross cultural psychology; organizational behavior; organizational culture; international organizations; contingency theory, 18238
organizational creativity; new; novelty; assumptions; empiricist; James; Deleuze; rationalist; creativity management; innovation management; regular operation, 24408
risk factors; modernity; environmental risks; public attitude; socioeconomic circumstances; big business; globalization, 3043
self construction; young people; gender differences; society; modernity, 22553
social significance; synchronicity; Jung's analytical psychology; modernity; mass society; cultural events; social events, 22868
structural adjustment; social transformations; economic governance; class structures; economic policy; transnational networks, 3962
traditional apprenticeships; German dual system; system modernisation; vocational education; training reform, 12159
virtual communities; modernity; counterculture; cyberculture; individuality, 3737

Monetary Incentives—Serials

monetary incentives; mood enhancement; task performance; experimental research, 24880
motivated executive; attention incentives; noise compatibility effect; rewards; punishment; performance; monetary incentives, 12791
social disincentives; economic incentives; psychological incentives; redeem coupons; social consequences, 9183
stock options compensation; shareholders; institutionalization; institutional environment; incentives, 2779
survey response rates; prepaid monetary incentives; college students; incentive effect; student characteristics, 1254
symbolic remuneration; company's legitimacy; variable compensation; rational incentive; organizational performance, 33540
web surveys; survey response rates; lotteries; incentives; internet users, 36552

Monetary Rewards—Serials

delay; probability; discounting; money rewards; statistical method, 33878
fiscal responsibility; consideration of future consequences; individual differences; impulsive buying; monetary windfall, 7508
insurance claims; errors; compensation payments; medical malpractice litigation, 36124
insurance claims; errors; compensation payments; medical malpractice litigation, 36120
insurance claims; errors; compensation payments; medical malpractice litigation, 36119
insurance claims; errors; compensation payments; medical malpractice litigation, 36131
insurance claims; errors; compensation payments; medical malpractice litigation, 36143
insurance claims; errors; compensation payments; medical malpractice litigation, 36141
monetary reward; monetary punishment; emotional affinity; stimulus preceding negativity; responses; right hemisphere dominance, 28084

Money—Serials

academic psychiatry; monetary need; patient inspired philanthropy; donations, 26525
advertising effectiveness; allocation of spending; army recruitment; enlistment; television & newspaper & magazine & radio advertising, 33633
asset accumulation; savings; low income families; individual development accounts, 13272
behavioral approach; portfolio formation; portfolio performance; subjective forecasts; probabilistic forecasts; real time basis; standard time series modeling; stock market, 12127
charity; decision making; household economy; financial behavior; household financial management, 4113
cognitive factors; emotional factors; currency perception; money illusion effect; emotional attachment; price evaluation; Poland, 31575
disposable income; expenditure; part time employment; fast food; alcohol; cigarettes; gambling; secondary school students; New Zealand, 34392
diversification heuristic; covariation neglect; novice investors; portfolio diversification; 1/n heuristic, 30989
domestic abuse; domestic violence; quantum factor; relationship breakdown; financial outcome; jurisprudence, 30631
dowry; dowry deaths; domestic violence; Indians; Indian weddings; psychotherapeutic interventions; feminist psychological perspective, 7805
drug policies; government drug policy; government expenditures; drug budgets, 20909
economic sanctions; criminal justice; recidivism; criminal behavior; probation, 18464
euro illusion; currency; income; prices; consumer products; budget constraint, 31548
exchange paradox; probabilistic analysis; cognitive analysis; psychological conundrum; money, 30832
finance and romance instrumentality; gender differences; family contact; emerging adulthood; gender roles, 31490
financial decisions; adults; learning disabilities; social policy; legal policy; clinicians, 32449
financial incentives; nonfinancial incentives; business unit outcomes; performance management; fast food industry, 12130
financial knowledge; low income population; financial education program; financial management, 35904
financial literacy; black college students; race; gender; age; parental educational level, 1240
gender stereotypes; advisors clinical judgments; financial risk tolerance; financial advisors; advisory clients; subjective clinical judgments, 10515
government revenue; sale of alcohol; adolescent alcohol consumption; government expenditure; alcohol drinking education campaigns; tax revenue, 34394
harm reduction initiatives; tobacco industry; policy; accepting tobacco industry money; funding of research; second-hand smoke, 30149
health status; wealth; happiness; financial resources; subjective well being; disability onset, 1306
household allocative systems; management and control of money; sociodemographic characteristics; family structure; division of labor; gender attitudes; relationship quality, 19366
influences; money; medical sciences, 36023
investment portfolio framing; risk taking behavior; investors; lottery, 31569
investor discussion; online information; forecasts; decision making; mutual fund name changes; investment decision; risk behavior; intra-generational trust; endowments; invesment banking relationships, 30547
life satisfaction; income; happiness; genetics; environmental processes; perceived financial position; perceived control over life; twin study, 19628

lottery payments; research; ethical issues; institutional review boards; research participants, 14872
money laundering; criminal law; judicial situation, 13996
money leverage; psychiatric treatment; mental disabilities; treatment adherence; patients, 20322
money management ability; ecological validity; brain dysfunction; neuropsychological assessment; acquired brain injury; brain dysfunction; test performance; neuropsychological correlates, 4778
money mismanagement measure; test development; cross validation; suspected range restriction; Rasch analyses; test reliability; test validity; serious mental illness, 24611
money; bias; processing fluency; spending; monetary instruments; consumer attitudes, 21476
money; love; postdivorce families; children's perspectives; trade offs; economic sociology; sociological division; caring, 9999
money; self-esteem; egotism; entrapment; losing endeavors; investments; financial well-being; luck; interpersonal competition; ability; threat, 25720
novelty seeking; money attitudes; financial attitudes; neurotransmitter, 25719
older women; health; wealth; marital status; finances, 28377
orientation toward finances scale; measurement scale development; individual psychology; financial management; behavioral competencies; financial information; personal financial planning, 9371
overconfidence; highly educated males; investments; certainty, 16516
parental job insecurity; spillover mechanism; crossover mechanism; money attitudes; money anxiety; money motives, 33560
peer crowds; work experience; financial saving behavior; young Canadians; economic behavior; money, 16529
personal financial debt; multi disciplinary behavioral model; money attitudes; economics; Air Force enlisted members, 31570
prediction markets; financial predictions; wisdom of crowds, 18355
recency; frequency; monetary value; customer lifetime value; Iso value curves; customer base analysis, 9189
reinforcement schedules; contingency management; treatment; methamphetamine abuse; vouchers; monetary value; drug therapy, 13980
relative effects; feedback; contingent money; staff training; stimulus preference assessments; discriminative functions; reinforcing functions, 18213
saving performance; individual development accounts; marital status; low income level; poverty, 13328
slot machine simulation; gambling; money; response effort; nonpathological gamblers, 34770
social discounting; social distance; hyperbolic functions; probability discounting; time, 19462
student racial differences; credit card debt; financial behaviors; stress; money management, 27242
subsidized credit; asymmetric information; corruption; borrower; default; repayment rate; bribe, 34492
surplus cash flow; earnings management; external monitoring; discretionary accruals, 5946
teaching; values; thrift; saving; debt; attitudes; education; gender differences; children; immigrants, 16241
technical analysis; trading styles; financial markets, 27324
time; money; psychotherapy; family therapy; system therapy; economics, 26503
trading sex; homeless youth; decision making; food; money; shelter; drugs, 34639
typology; money; attitudes; investments, 30546
welfare programs; welfare reform; Temporary Assistance to Needy Families; sanctions; time limits; financial resources; hardship; quality of life; welfare recipients, 34557
welfare reform; policies; cash assistance; poverty; individual characteristics; local conditions; economic sustainability, 35905

Money—Books

Guide to effective grant writing: How to write an effective NIH grant application, 2449
Money, a memoir: Women, emotions, and cash, 28502

Mongolism [See Downs Syndrome]

Monitoring [See Also Self Monitoring, Source Monitoring, Vigilance]—Serials

absolute monitoring accuracy; relative accuracy; metacognition; normal distribution; judgments, 15388
acceptability; daily behavior; report cards; teachers attitude, 33329
adolescents; detainees; STDs; family influences; parental monitoring; parent-child communication, 35182

adult patients; video EEG monitoring; paroxysmal behavioral events; psychogenic nonepileptic seizures; epileptic seizures, 14243
affective modulation; cognitive modulation; performance monitoring; behavioral responses; evoked related potentials; EEG, 3642
age differences; memory accuracy; memory monitoring; executive function; neuropsychological assessment, 3393
age differences; social influences; children's eyewitness performance; metacognitive monitoring; recall accuracy; postevent information, 22500
alcohol consumption; alcohol policy; alcohol dependence; world's drinking; World Health Organization; monitoring, 10811
ambulatory monitoring actigraphs; test validity; test reliability; psychometrics, 9509
asynchronous audiovisual speech monitoring; temporal window; audiovisual integration, 6440
atypical antipsychotics medications; cardiovascular disease; risk factors; Kilkenny mental health services; baseline testing; monitoring, 2243
barriers approach; disabled people employment; Disability Discrimination Act 2005; employers; employment provisions; monitoring, 23992
behavior monitoring; internal; external; error negativity; error-related negativity; event-related potentials; mirror neurons; theta; go/nogo task, 6778
caregiver attentional focus; monitoring; misconduct; nonverbal communication; social reference; attention organizing behavior; observability; sanctionable behavior; communication resources, 19135
clinical monitoring system; clozapine; patients; clinical settings; schizophrenia, 26659
clozapine toxicity; therapeutic drug monitoring; plasma concentrations; pharmacodynamics; primary enzymes; drug therapy, 8405
clozapine toxicity; therapeutic drug monitoring; plasma concentrations; pharmacodynamics; primary enzymes; drug therapy, 8389
cognitive deficits; conflict monitoring; dissociations; error related negativity; N2; alcohol effects; brain lesions, 14290
curriculum based measurement; inclusive elementary settings; reading progress, 12554
disability statistics; developing nations; development initiatives; number systems; disability surveillance; life circumstances; intellectual disability; poverty status, 10561
domestic cat; terrestrial animal behavior monitoring; animal behavior, 3486
drinking relapse; IVR; automated follow-up; feedback; re-treatment; self-monitoring; alcohol dependence, 11662
EDAC(TM) test; monitoring; abstinence; relapse; outpatient treatment; alcohol consumption; binge drinking; self report; drinking behavior, 11650
electronic monitoring; offenders; positive intervention, 12393
electrophysiology; response monitoring; response control; errors; event related potentials, 6783
epilepsy patients; undergoing video EEG monitoring; retrospective assessment; momentary assessment; temporal relationship; seizures, 24713
ERN; Pe; ERP; decision-making; event-related potentials; error related negativity; reward conditions; delay of gratification; performance monitoring, 6790
error preceding brain activity; robustness; temporal dynamics; boundary conditions; event related brain potential; response monitoring system, 538
error processing; performance monitoring; error positivity; error negativity; error awareness, 6795
error-related negativity (ERN); error negativity (Ne); response monitoring; response feedback; anterior cingulate cortex (ACC); error processing; event related potentials; learned expectations, 6781
event related potentials; error monitoring; socialization; error related negativity; response monitoring, 844
focal lesions; frontal lobe; brain lesions; prefrontal cortex; response rhythm; monitoring, 20284
gender; alcohol consumption; parental monitoring; television monitoring, 22735
Health of the Nation Outcome Scales; HoNOS; patient symptoms; patient status; patient outcomes; clinicians, 14631
healthy aging; health check log; health awareness; health monitoring skills; professional consultation, 35752
highway driving; simulation; vigilance monitoring; operator safety; vehicles; drowsiness detection; accident prevention; highway driving, 24474
hyperactive action monitoring; motor-initiation; conversion paralysis; stress-induced tonic immobility; anterior cingulate cortex hyperactivity; event-related potentials, 14260
informational coping styles; psychological reaction; cancer patients; spouses; monitoring; blunting; caregiver, 26345
inspection performance; standard complexity; task factors; computer simulation, 36604
Internet based real time system; pharmacological interventions; neurodevelopmental disorders; neuropsychiatric disorders; monitoring, 32729
interrupted actions; output monitoring; event related potentials; source recognition; brain activity; sensorimotor information; cognitive operations, 3380
judgments of learning; online monitoring; cue; paired associate; words, 15730
locally efficient estimation; regression parameters; current status data, 9443
mathematics achievement; monitoring educational changes; curriculum; academic achievement; mathematics education; item analysis, 24666
metacognition; students; monitoring accuracy; judgment bias; academic performance, 2704
metacognition; subjective experience; monitoring; control; judgments of learning; behavior; metacognitive monitoring; metacognitive control; self regulation, 12730
metacomprehension; text comprehension literature; comprehension monitoring, 3405
metrical stress; monitoring; internally generated speech; polysyllabic words; object recognition; phonology, 15691
mode awareness; automated flight operations; simulation; commercial flights; pilots; gaze; eye tracking; callouts; aircraft performance, 30587
monitoring adverse events; second generation antipsychotics; side effects; children; adolescents, 14482
monitoring; computer based tests; test validity; psychometrics; item response time; warning messages, 33877
multidimensional sources; source dimensions; multidimensional monitoring; context reinstatement; binding; source memory; item selection effects, 6598
obstetric risk; fetal monitoring guidelines; women; heart rate monitoring; appraisal process, 9343
oral glucose tolerance test; schizophrenia; diabetes; monitoring guidelines; second generation antipsychotic medication; metabolic problems, 28877
outcome monitoring system; substance abuse treatment; hospital staff; organizational change; drug rehabilitation, 20915
panel performance procedure; sensory attributes; ability tests, 3219
parental behaviors; family system functioning; adolescent perceptions; social support; monitoring, 28442
parental monitoring; self-esteem; delinquency; juvenile justice system; probationary status; Mexican American male adolescents, 26148
parental support; parent monitoring; parent adolescent relations; adolescent functioning; self esteem; substance abuse; delinquency, 7076
parenting; monitoring; self-disclosure; externalizing problems; prediction; adolescent problem behavior, 16377
performance monitoring; error processes; lexical decision tasks; Parkinson's disease; dementia, 14223
practical systems; monitoring; substance use disorder; patients; cost containments; psychosocial outcomes; veterans, 26537
prediction; response to intervention; reading; reading disability; short-term progress monitoring; identification; at-risk readers; first graders; classification models; word identification fluency, 21244
psychiatric patients; performance monitoring; neurological patients, 13653
psychometric validation; Coping Styles Questionnaire for Social Situations ; monitoring blunting coping styles; social anxiety disorder, 96
psychotropic dosing; monitoring guidelines; drug therapy, 29654
reality monitoring; memory distortion; emotional information; negatively arousing information; decisions, 21934
regional psychiatric boards; compulsory hospitalization monitoring; compulsory outpatient treatment; quality of care; mentally ill inpatients; Israeli legislation, 11530
rigid coping styles; adaptive coping styles; Frankfurt Monitoring Blunting Scales; confirmatory factor analysis; statistical validity, 21656
satisfaction; impaired health care professionals; mandatory monitoring & treatment programs; program costs; professional career; mental health difficulties, 11824
school cafeteria; eating habits; food choice monitoring; desserts; beverages; nutritional consequences, 5836
school tobacco control policies; student smoking; student attitudes toward smoking; tobacco use; severity of consequences; staff smoking; monitoring, 5657
second generation antipsychotics; monitoring, 32918
social monitoring; loneliness; unskilled social interactions; social inclusion, 4144
somatic awareness; uncertainty; care seeking delay; acute heart failure; symptom monitoring, 20230
storybook reading; eye movement monitoring; visual fixations; childhood development; oral reading, 10041
support systems; systems users; military command; military control; organizations; weather forecasting; monitoring; military airlift, 30540
surplus cash flow; earnings management; external monitoring; discretionary accruals, 5946
syllogistic reasoning; eye movement monitoring; probability heuristics, 6516
treatment adherence; antiretroviral medications; electronic monitoring; self-report HAART; highly active antiretroviral therapy; HIV; data collection methods, 20685
uncertainty monitoring; metacognition; deferred feedback; monkeys; reinforcement; Macaca mulatta, 18913
user task monitoring; integrated framework; interruption; expressive task specification; notations; event management; user progress monitor; task completion time; error rate; affective state, 15319
video surveillance system; breeding activity; monitoring; remote areas; three-toed woodpecker, 3480
violence exposure; drug use; family cohesion; parental monitoring, 34410
volunteer citizens; school governance; participation; monitoring schools; performance improvement, 5716
word recognition; word identification stages; E-Z Reader model; word frequency; word predictability; fixation duration; eye movements; visual features; orthographic features, 33975

Monoamine Oxidase Inhibitors [See Also Isocarboxazid]—Serials

cholinesterase; anxiogenic; depressive behavior; hypothalamic pituitary adrenal; prenatal stress rats; monoamine oxidase inhibitor; brain, 671
monoamine oxidase inhibitor; selegiline transdermal system; hypertensive reactions; tyramine, 26694
therapeutic potential; monoamine oxidase inhibitors; enzymes; neurodegenerative diseases; antidepressants, 20306
transdermal delivery formulation; monoamine oxidase inhibitor; selegiline; depression treatment; skin patch, 32931
transdermal delivery; pharmacological characteristics; selegiline; dietary restriction; tyramine, 28160

Monoamine Oxidases—Serials

adrenocortical response; monoamine oxidase; corticosterone response; psychosocial stress, 12994
catechol-O-methyltransferase; monoamine oxidase; neuroleptics; polymorphisms; genotypes; dopamine; norepinephrine; serotonin; schizophrenia; schizoaffective disorder, 23720
cerebral cortex; mitochondrial monoamine oxidase; developmental lead exposure; rat brain; synaptosomal catecholamine levels; hippocampus; cerebellum, 638
depression; monoamine oxidase; semicarbazide-sensitive aminoxidase; antidepressant, 26695
monoamine levels; nucleus accumbens correlates; male sexual behavior; middle aged rats, 18925
platelet monoamine oxidase; alcoholism; gender differences; comorbidity; withdrawal syndrome, 10833
social withdrawal behaviors; nonhuman primates; neuroendocrine concentrations; monoamine concentrations; animal separation behavior, 620

Monoamines (Brain) [See Catecholamines]

Monocular Vision—Serials

binocular responses; monocular deprivation; visual cortex; visual stimulation; cortical neurons; kittens; ocular dominance plasticity, 3578
cyclopean eye; Wells-Hering's laws; visual direction; monocular vision, 9541
infant development; monocular vision; binocular vision; interceptive arm movements, 16136
monocular estimate method retinoscopy; accommodative response; nearpoint plus lenses; accommodative posture; pre-presbyopic subjects, 5155
monocular image; Panums limiting case; binocular unit; inhibitory mechanism, 271

monocular transparency; unpaired stereopsis; quantitative depth; stereoscopic displays; stereopsis, 18722
neurofilament labeling loss; primary visual cortex; monocularly deprived monkeys; early deprivation; neural development; neural cytoskeleton change; neural connections reorganization, 9799
visual distractors; monocular distractors; binocular distractors; saccade latency; binocular vision, 21852
Monogamy—Serials
bisexual women; non monogamy; differentialist anti promiscuity discourses; stigmatizing effect; cultural context, 1067
family functioning; life satisfaction; marital satisfaction; mental health; polygamous marriage; monogamous marriage; ethnoracial community, 13321
fidelity teaching; couples; monogamy; infidelity; marriage; physical attraction; therapists; treatment, 11294
genetic mating system; social polyandry; three toed woodpeckers; monogamy; paternal investment, 3481
mental health; Turkish women; polygamous families; monogamous families; psychiatric disorder; polygamous marriage; somatization disorder, 28762
nucleus accumbens; dopamine transmission; monogamous pair bonds; prairie vole, 22145
nucleus accumbens; dopamine transmission; monogamous pair bonds; prairie vole, 22167
paternal den attendance; prediction; offspring survival; monogamous foxes; mammals; birds; paternal care; bat eared fox, 15834
polyandry; monogamy; sexual selection; beetles; fecundity; oviposition; reproductive success, 479
relationship dissolution; infidelity; attributions; forgiveness; heterosexual relationship; romantic relationship, 25548
sexual infidelity; imagined datubg infidelity; infidelity victims; power; betrayal esperience; forced-choice paradigm; evolutionary psychological theory of jealousy, 7394
Monogamy—Chapters
Negotiating (Non)Monogamy: Bisexuality and Intimate Relationships, 4101
Monolingualism—Serials
discourse comprehension; monolingual readers; bilingualism, 3392
English compounds; regular plurals; monolingual children; bilingual children, 3830
Japanese-English bilinguals; US monolinguals; autobiographical memory; words; cues; language; earliest memory, 22000
language experience; phonetic contrasts; monolingual acquisition; bilingual acquisition; English; age differences, 28306
monolingualism; Moroccan adolescents; linguistic sabotage; hegemony; school; stereotypes; Belgium, 5830
sound systems; monolingualism; Vietnamese speaking children; phonological impairment; phonetics, 32510
Monotony—Serials
snack food variety; diet; monotony; long-term sensory-specific satiety; obesity treatment; hedonic ratings, 14077
Monozygotic Twins—Serials
antisaccade performance; schizophrenia endophenotype; monozygotic twins, 23009
melatonin sensitivity; monozygotic twins; bipolar disorder; light sensitivity, 1360
monozygotic twin differences; depressive symptoms; nonshared environmental influence; negative life events, 7660
monozygotic twin pairs; transsexualism; gender identity, 32089
monozygotic twins; Aspergers syndrome; brain structure; genetics; functional imaging; behavior, 23201
neurological abnormalities; schizophrenia; concordance; heterozygotic twins; monozygotic twins; genetics, 16767
non-shared environmental influence; discordant monozygotic twins; anxiety; middle childhood, 34316
posttraumatic stress disorder; neuropsychology; twins; combat exposure; veterans, 28917
synaesthesia; monozygotic twins; achromatic graphemes; color synaesthesia; microsatellite loci; genotypes, 9774
Monozygotic Twins—Books
Divided minds: Twin sisters and their journey through schizophrenia, 10689
Mood Disorders [See Affective Disorders]
Moods [See Emotional States]
Moral Development—Serials
aesthetic; ethical issues; theatre in education; transgressive play; secondary schools; moral engagement, 2682
age changes; prosocial response; moral reasoning; adolescence; early adulthood; self report measures, 817
care-based moral reasoning; justice development; law-enforcement students; nursing students; social work students; care development; ethic, 21215
changing moral judgement; divinity students; moral growth; ethical dilemmas; moral reasoning; educational setting, 2642
common value; common school; two values education programmes; spiritual development; moral development; curriculum development; UK schools, 2638
Erik Erikson; adult development; Freudian thoughts; psychoanalytic theorist; Freud concepts; reductionism; predeterminism; mental illness model; adult morality; adult rationality, 13605
ethical attitude; analytic relationship; moral development, 2567
group discussions; moral issues; group decision making; moral reasoning; children, 13229
Journal of Moral Education; John Wilson; memorial lecture; Philosophy of Education Society; morality, 2592
leadership; cross cultural contact; socioeconomic status; operational reasoning; moral reasoning, 31443
medicine faculty students; student attitudes; cheating behavior; Kohlbergs moral development concept; intellectual development, 17898
moral development; adolescence; moral development research; policy concerns; moral life, 824
moral development; cognitive developmental approach; cooperation; moral judgment; pragmatic approach; Lawrence Kohlberg's model; moral decision making; morality, 24556
moral development; cognitive developmental approach; cooperation; moral judgment; pragmatic approach; Lawrence Kohlberg's model; moral decision making; morality, 24553
moral development; conceptual development; substance abuse counselors; cognitive development; education, 21021
moral development; conventional rules; personal rules; foster care; evaluation; ethnicity; reasoning; judgments, 28292
moral development; moral functioning; mediated action; socio cultural perspective, 22431
moral dilemmas; moral rules; emotional responses; intuitions; judgments; reasoning, 28674
moral dilemmas; primary school classrooms; hushing; ethnography; moral education; teachers, 24250
moral education; moral development; disability; ethnoreligious conflict; values education program; moral judgment; moral reasoning, 24147
moral education; role models; emulation, 24191
moral reasoning; aggression; moral development, 3865
moral reasoning; Kohlberg; Gilligan; developmental morality; stage theory, 31882
moral responsibility; whiteness; social justice education; color blindness; meritocracy; individual choice; discourses, 2637
moral situations; moral emotions; moral self; juvenile delinquents; global self-esteem; shoplifting; moral predictors, 35068
peer conflict; moral learning; moral issues; friendship; Dutch schoolchildren; gender differences; peer pressure; emotions; betrayal, 25369
person; moral agents; psychology; moral development; Charles Taylor, 7470
professional practice; personal lives; professional development; moral development; memoir; rationality facilitation, 5618
psychological education; ego development; moral development; female sexuality; alcohol abuse; sexual assertiveness; sexually transmitted diseases; unwanted pregnancies; sexual violence, 6961
relational aggression; physical aggression; children's moral reasoning; moral orientation; gender differences, 34421
rule breaking; procedural justice; restorative justice; moral development; laws, 24520
student comprehension; stories; moral education; cultural factor; European American students; Native American culture, 24210
Moral Development—Books
Character psychology and character education, 7555
Handbook of moral development, 10539
Morale—Serials
directive support; morale; social support; coping; hope; optimism; Inventory of Nondirective and Directive Instrumental Support; test development; domination; facilitation, 24
faculty morale; cultivating consciousness; empathy; empowerment; narratives; job satisfaction; educational personnel; narrative theory, 36202
imaginative resistance; conventional distinction; moral distinction, 3858
moral disengagement; military force; terrorist attacks; public support; retaliatory strikes, 22618
moral judgment; personality disorder diagnosis; cultural norms, 25982
moral nature; DSM IV cluster B personality disorders, 25981
moral reasoning; executive functions; religiosity; social awareness, 11173
moral responsiveness; therapeutic relationships; phenomenological methods, 4927
moral values; moralism; presidential election; political strategy; social policy issues; personality trait; voters, 7299
person; moral agents; psychology; moral development; Charles Taylor, 7470
siding; workplace dispute; legitimacy; sanction; Guanxi; outsiders; Chinese employees; moral orientation; expedient orientation, 5988
sleep disturbance; morale; Japanese elderly people, 8025
Morale—Books
Our endangered values: America's moral crisis, 10235
Morality—Serials
7th Global Conference on Evil and Human Wickedness; evil; wickedness; conference reflections; scientific communication; philosophical debate, 31331
acting intentionally; side-effect effect; moral judgment; theory-of-mind concept; preschoolers, 25215
alcohol use; life story narration; gendered morality; old people; moral issue; social constructionism; gender issues, 10196
altruistic punishment; altruistic helping; empathy; moralistic anger; future interactions probability; psychological traits; genetic relatedness; friendship, 1147
Aristotelian perspectives; business ethics; students; moral imagination; management educators, 36410
Asch experiments; moral dilemmas; physical & social perception; values; conversational pragmatics; cross cultural comparisons; negotiation; conformity, 13501
attitude formation; intention; moral norms; information seeking; planned behavior; motivation; organ donation; conservation behavior, 25672
behavioral ethics; justice; morality; evolutionary game theory; folk theorem; equilibrium; cooperation, 22754
beliefs; voices; malevolence; benevolence; auditory hallucinations; emotional reactions; schizophrenia, 32148
business ethics courses; students; moral values, 36244
care reasoning; moral conflicts; ethic of care, 31883
casuistry; ethical principles; ethical decisions; ethical dilemmas; real life situations; moral principles, 14879
character; fitness; professional licensing; state licensing, 8766
child caring; kinematics; judgment; social perception; physical weight; morality, 25506
childrens distributive justice judgments; aversive racism; Euro American children; moral judgments; racial differences, 28348
childrens understandings; victimization; compliance; subversion; morality, 28357
cognitive models; metaphorical components; moral system; political system; conceptual metaphors; candidates; debates, 712
consciousness; ethics; moral responsibility; psychiatry, 8809
contextual influences; moral functioning; footballers; aggressive behaviors; cheating; motivation; modelling; youth, 19230
corporate philanthropy; shareholder wealth; risk management; moral capital; managerial implications, 36402
corporate philanthropy; shareholder wealth; risk management; moral capital; managerial implications, 36397
cyborgs; moral identity; neuroscience; technological medicine; social skills; personal skills; brain simulation; cybernetics; inteligent technology, 12915
dangerousness; harm; mental health; philosophy; treatability; ethics; policies and practices, 8798
deception; disavowal; moral hypocrisy; integrity; superego; immoral actions; impulse strength; narcissism; intention; moral disengagement; psychotherapeutic processes, 28711
deception; physical aggression; relational aggression; early childhood; lying; moral behavior, 16201
deliberative democracy; citizens; democratic countries; human nature; ideological controversy; moral controversy, 22641

democracy; learning; religious education; moral education; citizenship education; decision making, 25434
desire; foresight; intention; intentional actions; folk intuitions; morality, 31805
developmental age stages; moral reasoning; juvenile delinquents; behavioral intention; cloth stealing; planned behavior, 7885
discursive analysis; prejudice; moral exclusion; ethnic minorities; Romania; sociocultural context; rhetoric, 13320
environmental risk evaluation; morality; societal decision making, 6116
ethical economy; competitive markets; altruistic behavior; moralistic behavior; material well being, 9211
ethical economy; competitive markets; altruistic behavior; moralistic behavior; material well being, 9210
ethics; narrative; personhood; philosophy; values; morals, 8804
ethics; policy writing; hospitals; moral disagreement; medical practices; healthcare organization; individual decision making, 11822
evolution; morality; welfare; vertebrates; religion, 34043
Finnish youth consumer; unnecessary spending; consumer society; consumer identity, 2991
folk conceptions; mind; agency; morality, 31811
folk concepts; intention; intentional action; morality; cross cultural differences; social cognition, 31800
folk concepts; intention; intentional action; morality; cross cultural differences; social cognition, 31801
folk intuitions; free will; moral responsibility; experimental philosophy; prephilosophical judgments; freedom, 9604
folk psychology; folk morality; responsive intentional agent; social cognition; cognitive development, 31818
genetic testing; ethical obligations; moral obligations; public health, 17911
gifted & talented adolescents; personal morality; group morality; personality; September 11 events; teenagers; values, 13216
group discussions; moral issues; group decision making; moral reasoning; children, 13229
group-based guilt; national identification; moral violations; conflict vehemence; in-group, 34702
health care professionals; moral sensitivity; ethical issues; trustworthiness, 36142
human eggs; egg donors; research; ethics; morality, 33290
human fertilisation; embryonic stem cell research; bioethics; state legislation; moral significance; embryos potentiality; egalitarian speciesism; embryos quality, 5613
human judgment; intentionality; morality; social cognition; folk concept, 31802
human rights; sexual rights; social change; Barbados; socio-sexual attitudes; stigma; homosexuality; HIV; AIDS, 28511
ideology; moral cosmology; sense of community; United States; education; theological modernism; religious orthodoxy, 16294
impropriety; street drinking; moral order; ideological dilemma; public space; social relations; social attitudes, 19558
integrative social contracts theory; contractualist business ethics; morality, 36501
integrity tests; morality; ego development; moral reasoning; psychopathic personality; personality traits; individual difference, 18523
intentionality judgments; morality; folk psychology, 31803
Iowa Gambling Task; sex differences; decision making; moral dilemmas; prefrontal cortex; emotional arousal; calculation; reverse responses; performance, 28086
Journal of Moral Education; John Wilson; memorial lecture; Philosophy of Education Society; morality, 2592
judgmentalism; counseling; moral agency; unconditional positive regard, 11804
Kurt Lewin; cooperation; humanitarianism; quality of life; extermination; democracy; morality, 10219
Kurt Lewin; cooperation; humanitarianism; quality of life; extermination; democracy; morality, 10231
Kuwait university faculty members; cross-sectional examination; International Journal; International Education Journal; Social Behavior; J. Al-Shehab; moral reasoning; Djilali Bou Hamama, 36195
leadership; cross cultural contact; socioeconomic status; operational reasoning; moral reasoning, 31443
life stories; Finnish women; moral behavior; divorce; morality; feminism, 7325
lifestyles; AIDS risk; moral worlds; young people; sexual relationships; unemployment, 29216
mammals; nonhuman animals; moral consideration; dissociation; analogy; skeptics; pain; consciousness; learning; physiology, 31329
moral awareness; ethical predispositions; moral intensity; individual differences; utilitarian ideals; formalistic; management personnel, 12192
moral character; social work; standard ethics; liberalism; human service professionals, 24126
moral development; adolescence; moral development research; policy concerns; moral life, 824
moral development; cognitive developmental approach; cooperation; moral judgment; pragmatic approach; Lawrence Kohlberg's model; moral decision making; morality, 24553
moral development; cognitive developmental approach; cooperation; moral judgment; pragmatic approach; Lawrence Kohlberg's model; moral decision making; morality, 24556
moral development; conceptual development; substance abuse counselors; cognitive development; education, 21021
moral dilemmas; moral rules; emotional responses; intuitions; judgments; reasoning, 28674
moral distress; mental health care settings; interdisciplinary disputes; psychiatric health care; psychologists; distress experiences; hermeneutic phenomenological study, 8710
moral education; moral development; disability; ethnoreligious conflict; values education program; moral judgment; moral reasoning, 24147
moral experience; French parents; life support decisions; critically ill children; grounded theory; parent communication, 17572
moral extension; planned behavior theory; conservationism; trait like conception; regret; individual attitude, 25674
moral imagination scale; construct validity; internal locus of control; ambiguity tolerance; empathy; test development; Machiavellianism; managers, 21728
moral imperialism; universal prima facie principles; moral judgments; healthcare ethics; cultural variation, 21061
moral judgments; hedonic states; socially relevant stimuli; abstract reasoning; simulation; cognitive control; ethical dilemmas, 24834
moral judgments; hypnotic disgust; moral intuitions; arbitrary word; posthypnotic suggestions, 7551
moral mandate; fairness; justice; anger; motivated reasoning; group differentiation, 19514
moral nature; DSM IV cluster B personality disorders, 25981
moral nature; patient centeredness; quality of care; moral commitments, 29380
moral obligations; gender; culture; charity advertising; masculine & feminine cultures; advertising effectiveness; cultural differences, 15264
moral predispositions; American politics; election campaigns; moral values; voting; moral judgment; attitudes, 4051
moral psychology; morality; psychological mechanisms, 31812
moral reasoning; couple therapy session; ethical judgements; responsibility; blame, 8337
moral reasoning; Kohlberg; Gilligan; developmental morality; stage theory, 31882
moral reasoning; provictim attitudes; interpersonal aggression; imprisoned young offenders, 29080
moral responsibility; medical errors; patients; system deficiencies; taxonomy, 30144
moral responsiveness; therapeutic relationships; phenomenological methods, 4927
moral rules; preferences; gender differences; preschool students, 856
moral self; narratives; offenders; mental health problems, 26153
moral sensitivity; health care practice; ethics; concept, 35802
moral situations; moral emotions; moral self; juvenile delinquents; global self-esteem; shoplifting; moral predictors, 35068
morality; self interest; leadership; international affairs; leadership qualities, 18247
morals; moods; gift exchange game; behavior, 22824
Nightingale's nursing legacy; moral imperative; societal influences; health inequities; poverty; nurses; political advocacy; public health nursing; critical caring; political action; policy, 5224
nursing; obedience; eugenics; nursing morality; complicity; nurses, 14868
Oedipus complex; Chinese culture; non Western cultures; moral repression; filial piety complex; crosscultural perspective, 13604
offence taking; institutional harassment policy; moral judgements; self serving, 24145
offence taking; institutional harassment policy; moral judgements; self serving, 24149
offence taking; institutional harassment policy; moral judgements; self serving, 2575
online deception; prevalence; motivation; emotion; moral standards, 16002
ontology of innovation; innovation management; creativity; moralization; concept of post-originality; philosopher Alain Badiou; polymath Walter Benjamin; history; economy; reproduction, 33513
parenting; youth deviance; sexual morality; social norms; traditional moral boundaries; parental status effect; parental status; traditionalists; conservative views; modernist individuals, 16331
perennial entanglement; psychological facts; human values, 6872
person; moral agents; psychology; moral development; Charles Taylor, 7470
physician assisted suicide; life experiences; policy morality; public policy; disability experiences; disability rights; disability discrimination, 1660
posteriori information effects; culpability judgments; cross cultural perspective; crime victims; victims' moral attributes, 1572
psychoanalysis; ethics; morality; psychiatrists; medicine, 30153
relational aggression; physical aggression; children's moral reasoning; moral orientation; gender differences, 34421
rights; duties; bad Samaritans; pedophiles; alleged terrorists; moral monsters; Patriot Act, 21561
ripple effects; memory; memory distortion; judgments; moral responsibility; negative act, 31064
school bullying; victimization; aggression; emotions; moral values, 33453
self concept; self worth; self perception; morality; delinquent risk behavior; shoplifting, 32396
self control; moral beliefs; criminal activity, 16901
self enhancement; opinion objectivity; moral topics, 19642
self governance; absolute inner worth; Kantian theory; moral philosophy; bioethics, 11807
self reproach; personal responsibility; psychotherapy; moral responsibility; personal choice, 23614
spiritual pollution; sociomoral disgust; ethics; love; contamination metaphors; sin; salvation; holiness; purity; Christianity; psychological processes; New Testament, 25459
state crime; criminology; organizational goals; terror regimes; Congo Free State; moral costs; cruelty, 3074
The Lord of the Rings; identification; media audiences; films characters; morality; culture, 3783
Theory of Moral Sentiments; Adam Smith; Thomas Wright; sociological theory; Passions of the Minde in Generall; psychology, 699
United Nations goals; Universal Draft Declaration on Bioethics and Human Rights; ethical relativism; fundamental freedoms; female genital circumcision; cultural diversity; pluralism, 8807
young adults; moral exemplars; life stories; moral commitment; identity development, 838

Morality—Books

Adolescent psychological development: Rationality, morality, and identity (2nd ed.), 3813
Doing the right thing: An approach to moral issues in mental health treatment, 4994
Losing heart: The moral and spiritual miseducation of America's children, 14915
Moral sentiments and material interests: The foundations of cooperation in economic life, 10426
The new science of axiological psychology, 10250
Putting morality back into politics, 28496

Morals [See Morality]

Mores [See Values]

Morita Therapy—Serials

Morita therapy; Eastern therapies; Western therapies; historical roots; Constructive Living; Japanese therapy; Adlerian psychology; Choice Theory; Reality Therapy, 11298

Morphemes—Serials

Attract F; verbal morphology; Kiswahili; verbs; syntax; morphemes; language, 25170
Cantonese speaking children; specific language impairment; verb morphology; morphemes; expression of aspect, 14088

mean length of utterance; linguistic knowledge; morpho-syntax; vocabulary, 779
morphemic homophony effect; kanji compound words; lexical decisions; naming; phonological information; orthographic representations, 737
predicate coordination; clause structure; Japanese; morphemes; verbs; syntax; language; sosite, 25163
psycholinguistics; language production; gender congruency; freestanding & bound morphemes; open & closed class words; representation; retrieval, 31017
root frequency; word frequency; word encoding models; reading; morpheme; sentence; English language, 31058
speech production; grammatical gender; free morphemes; bound morphemes; processing mechanisms, 15668
syllables processing; grammatical morphology comprehension; Down syndrome, 17103
utterance lenhth; morphemes; language development; syntactic skills; English-speaking children; linguistics, 3831
visual word recognition; reading; lexical access; letter transpositions; masked-prime naming; morpheme boundaries, 6511
young writers; sensitivity; morphemes; spelling; words; orthography; phonemes; theories, 31397

Morphine—Serials

adult rats; morphine dependence; behavioral phenotypes; neurobiological phenotypes; handling, 22347
animal exploratory behavior; drug self administration; novel environments; morphine place conditioning; trait anxiety; rats, 6849
benzodiazepine; NMDA antagonist; learning; repeated acquisition; morphine; odor discrimination, 34212
bovine adrenal medulla; antinociceptive morphine tolerance; rat; intrathecal injection, 13026
calcium calmodulin dependent protein kinase; brain region specific changes; chronic morphine treatment; neuroplasticity; mouse brain, 3692
cocaine; morphine; mice; place conditioning; pregnancy, 28143
discriminative stimulus effects; methamphetamine; morphine; rats; animal models; neuroadaptations; channel blockers, 34235
dorsal striatum; nucleus accumbens; morphine action; behavioral responses; opiates; mouse; protein; gene; analgesic tolerance; phenotype; dynorphin expression; opiate addiction, 22351
endogenous cholecystokinin; morphine; antinociception; nucleus accumbens; rats; anti-opioid peptide, 34234
ethological analysis; scopolamine; naloxone-precipitated withdrawal signs; morphine-dependent rats, 25133
GABA receptor; mice; morphine; straub tail; naloxone; baclofen, 31306
intracerebroventricular administration; drug dosage; drug therapy; histaminergic drugs; morphine; state dependent memory; passive avoidance; mice; histamine; clobenpropit; pyrilamine, 13028
long lasting rewarding effects; drug primings; morphine; acquisition; maintenance; extinction; reinstatement; drug dosage; conditioned place preference; animal model; drug addiction; mice, 3676
methadone; morphine; maintenance treatment; hyperalgesia; opioid dependence; pain sensitivity; mood status; hyperalgesia, 33150
methadone; pregnant inpatients; buprenorphine transition; opioid dependent patients; drug withdrawl; morphine transition; open label exploratory study; withdrawal symptoms, 17780
morphine effects; motor activity; mice; behavioral characterization; drug dosages, 669
morphine treatment; mating; late pregnancy; corticosterone; female rats; maternal behavior, 15835
morphine; analgesia; median raphe nucleus; dorsal raphe nucleus; rats; serotonergic neurons; tolerance, 18934
morphine; enkephalins; analgesic tolerance; locomotor sensitization; conditioned place preference; mice, 13033
morphine; MK-801; neuropathic pain; rat; chronic pain states; hyperalgesia; N-methyl-d-aspartate antagonist, 28147
morphine; peptide corticotropin-releasing factor; anxiety; locomotor activity; sensitization; opiate exposures; behavior responses, 34199
nalbuphine; morphine; reward effect; rats; opioid agonists; rewards; locomotor activity; behavioral sensitization; activation of mesolimbic pathway, 31302
nifedipine; morphine; analgesia; rats; HPA axis, 6846
norepinephrine; opiate-induced locomotion; opiate reward; mice; dopamine beta-hydroxlase; conditioned place preference; nucleus tractus solitarius; noradrenergic signaling, 15845
opiate dependence; cardiovascular function; spontaneous withdrawal; telemetric examination; heart rate; arterial blood pressure; rats, 25113
opioid dependence; morphine; agonist treatment; pharmaceutical treatment; side effects; clinicians, 11679
opioid receptors; side effects; pain therapies; rats; periaqueductal gray; morphine tolerance; morphine dependency; intracellular networks; neuronal nitric oxide synthase, 646
opioid switching; oral slow release morphine; oral methadone; pain control; chronic nonmalignant pain, 23303
orexinergic systems; mesolimbic dopamine pathway; morphine; rodents; tyrosine hydroxylase; ventral tegmental area, 22331
passive avoidance; lithium effects; morphine state dependent memory; memory performance; rats, 13053
ventral pallidum; ionotropic glutamate receptors; mu opioid receptors; conditioned place preference; motor adaptations, 34204

Morphology—Serials

aplysia; snails; long term sensitization; learning; unilateral stimulation; sensory neurons; ipsilateral; contralateral modifications; brief shock treatment; contralateral training, 31111
apolipoprotein polymorphism; mild cognitive impairment: brain morphology; parahippocampal gyrus; thalamic nuclei, 32666
butterflies; male territoriality; species differences; morphology; physiology; aerial interactions, 22107
chronological ages; physiological ages; morphofunctional characteristics; adolescent development; physical development; cardiorespiratory system; exercise performance, 3653
corpus callosum morphometrics; young children; autism spectrum disorder, 35087
corpus callosum; dichotic listening; diffusion tensor imaging; attention; interhemispheric transfer; morphology, 19005
dog hippocampus; sex; paw preference; brains; morphological asymmetries, 12901
dorsolateral prefrontal cortex; morphology; schizophrenia; short term outcome, 10679
facial shape; asymmetry; cognition; embryological unity; dysmorphology; anterior brain; sex differences, 15872
female facial attractiveness; shape analysis; face perception; geometric morphometrics, 18748
fungus weevils; sexual dimorphism; intrasexual selection; positive allometry; eye protrusion; antenna elongation, 608
genetic influences; brain structure; brain morphology; intelligence quotient; brain mapping; cognitive ability; behavioral studies, 3525
human breast areolae; scent organs; morphology; maternal neonatal coadaptation; lactation; skin glands; olfactory perception, 19028
individual differences; aging; neuroimaging; brain morphology; cortical recruitment; inhibition; executive control; attention, 873
inflectional morphology; language learning; learner characteristics; input variables; nouns; vocabulary, 19089
lighting condition; circadian system; rats; suprachiasmatic nucleus; morphology; weaning; developmental stage, 599
morphological asymmetry; sex differences; handedness differences; thyroid lobes, 34146
morphological structure awareness; phonological awareness; word recognition; vocabulary knowledge; cross linguistic differences, 10055
morphology; lexical decision; words; Hebrew; Dutch, 6897
morphosyntax; semantics; language development; mood expression; children; Swahili, 13127
novice readers; English as a foreign language; first language; socioeconomic status; phonological awareness; morphological awareness; spelling; vocabulary knowledge; word reading, 27217
oophagous tadpoles growth; nest displacement; maternal care; nest homing; morphology, 15807
QTL analysis; behavioral morphological differentiation; zebrafish; animal strain; anti predator behavior; chromosome, 24949
schizophrenia; psychotic bipolar disorder; regional volume deviations; brain structure; grey matter deficit, 19781
schizophrenia; psychotic bipolar disorder; regional volume deviations; brain structure; grey matter deficit, 19770
semantic number; morphological information; linguistic phenomena, 710
sex judgments; body shape; body motion; morphology; gender; psychosexual behavior, 10344
spelling; morphology; dyslexia; phonology; language development, 32443
statistical analysis; morphological differences; brains; neuroscience; ethnic groups; cortical surfaces, 19002
uncoupled leftward asymmetries; planum morphology; functional language processing; left hemisphere; language laterality, 25160
verb processing; nouns; verbs; verbal inflectional morphology; cortical mechanisms; temporal gyrus; bilateral inferior frontal & occipital & left middle & inferior temporal cortices, 31028
wounding; mortality; mane morphology; African lions; mane development; attack, 15934

Morphology (Language)—Serials

Attract F; verbal morphology; Kiswahili; verbs; syntax; morphemes; language, 25170
body part terms; words; Tiriyo language; morphology; verbs; adjectives; semantics, 34288
Cantonese speaking children; specific language impairment; verb morphology; morphemes; expression of aspect, 14088
case alternations; meaning of predicates; morphosyntactic expression of arguments; swarm class verbs; frame semantic approach; diathesis; event structuring concept; Czech; linking; semantic roles, 6901
exercise performance; morphological relationship; ethnic groups; cardiovascular strain; environmental factors, 3348
grammatical morphology; cerebellum damage; human language; verbal memory; working memory; neuropsychology, 18784
high functioning dyslexics; reading difficulties; reading comprehension skills; lexical decision; orthographic change; morphology; derived forms, 26214
infant development; semantic distinction; singular plural distinction, 16115
inflected words; language morphology; word frequency; Swedish language; Finnish language; morpheme-based recognition; monolinguals; bilinguals; word recognition; lexical decision, 25167
lexical aspects; grammatical aspects; toddlers; language; imitation accuracy; morphology, 31410
linguistics; loanwords; Hadrami Arabic; bilingualism; morphology; phonological processes; Arabic dialect, 19082
morphological awareness; cross-language transfer; Chinese reading; English reading; phonological awareness; biliteracy acquisition; primary school students, 28309
morphological encoding; Mandarin Chinese; compound words; speech production; priming, 18775
morphology; literacy; phonology; vocabulary; reading; phonological memory; phonological decoding; spelling; words; elementary school students; middle school students, 15013
neural correlates; morphological decomposition; language; neuroimaging; lexical decision; semantics, 31202
noun plurals; German; regularity; productivity; default; language acquisition, 31413
object agreement; Swahili children; knowledge; nominal specificity; determiners; pronouns, 31398
orthography; morphology; lexical organization; form priming, 6902
phonological awareness; visual skills; spelling; Chinese developmental dyslexia; reading development; reading impairment, 14044
phonological reading; repetition priming; pseudohomophones; lexical decision, 27833
pronunciation modeling; phonological rules; linguistic hierarchies; speech recognition, 3053
prosodic cues; morphological complexity; speech signal; vowel length; intonation; plural nouns; Dutch language, 3332
spelling; dyslexia; derived words; derivational morphology; vocabulary tasks, 32450
syllables processing; grammatical morphology comprehension; Down syndrome, 17103

Mortality [See Death and Dying]

Mortality Rate—Serials

Adderall XR; amphetamine; attention deficit hyperactivity disorder; safety; sudden death rate, 5074
amphetamine users; opiate users; drug treatment; mortality rate; all-cause death; drug-cause death, 35032
amphetamine users; opiate users; drug treatment; mortality rate; all-cause death; drug-cause death, 35056
anxiety; agitation; dementia; mortality rates; institutionalization; depression; cognitive impairment, 35366

Mortality Rate—Serials

automobile accidents; survival; econometric model; vehicles; mortality rate, 33664
blood type; ecological studies; suicide rates; suicide mortality, 7829
cancer emergence; public health concern; mortality rate; public health service; gender differences, 4713
causes of death; autism; life expectancy; mortality rates; mental retardation, 35126
causes of human mortality; evolutionary life-history framework; sex differences; male-to-female mortality ratio; mortality rates; environment; socioeconomic factors, 19136
children's disease profile; Kabul; health care system; tertiary care teaching, 17182
cirrhosis; mortality rates; alcohol consumption; alcoholics anonymous; Ontario, 11657
community parenting center; infant mortality rates; parenting programs; child abuse; United States; civil rights movement; parenting programs; womens movement, 5337
criminal justice; sickle cell anaemia; custody death; minority ethnic groups; African-Caribbean people; health care, 14773
death causes; men; women; China; risk factors; age differences; death rate, 17140
death causes; men; women; China; risk factors; age differences; death rate, 17162
death causes; men; women; China; risk factors; age differences; death rate, 17202
death causes; men; women; China; risk factors; age differences; death rate, 17203
death causes; men; women; China; risk factors; age differences; death rate, 17204
depressive episode; myocardial infarction; worse cardiac failure; psychosocial characteristics; mortality rate; postinfarction outcome, 11029
diabetes mellitus; alcohol consumption; public health; alcohol abuse; mortality rate, 32376
economic stability; health status; economic crisis; mortality rates, 19298
ECT risk; ECT morbidity; methodology; clincal methods; anesthesia technique, 11420
employees; justice at work; cardiovascular disease; mortality, 33593
epidemiology; traumatic brain injury; race; hospitalization; deaths; emergency department visits; children, 4790
foster children; parental deaths; out-of-home care youths, 29930
gender differences; cancer mortality; risk perceptions; screening behaviors; older adults; epidemiology, 26350
health policy relationship; womens health outcomes; socioeconomic status; womens health; medical access; mortality rate; environmental health, 7333
heart disease; African American women; mortality rates; community health workers; risk factors, 23385
helmet laws; motorcyclist; fatality rates, 12363
income inequality; mortality rate; tax return data; census data; risk factors, 3937
infant mortality; medicine; colonial discourse; modernity; feminist scholars; child rearing; public health practices; US Occupied Philippines; public welfare, 1903
injury rates; age differences; human sex differences; motor traffic accidents; mortality rates, 33669
Kanaka Maoli; Hawaiian; men's roles; health; well-being; warrior self; cultural trauma syndrome; Western colonial powers; pre-contact cultural structures; sociocultural factors; cultural wounding, 950
leisure participation; health related factors; men, 20715
living circumstances; South Africa; suicide mortality; racial differences; gender differences; city, 7752
method specific suicide rates; medical compound availability; method specific suicide mortality; trends, 26050
mortality rates; unintentional injury; death and dying, 32961
mortality risk; aging; volunteering; older people; delayed mortality; social support, 7109
mortality; mental illness, 7580
mortality; mentally disordered offenders; hospitalized patients; forensic psychiatric care, 1317
neuroleptic medication; mortality; schizophrenia, 23751
opioid related fatal overdoses; Massachusetts; injury mortality; heroin, 35040
Prader-Willi syndrome; mortality; mortality rate; intellectual functioning, 23206
public health initiatives; immigrant mothers; children; infant mortality; sanitation improvement, 35763
public policies; smoking; deaths; Vietnam; simulation model; policy making, 26793
risk factors; cardiovascular disease; mortality rate; ethnicity; income level, 4734
rural county; suicide rates; mortality; age differences; human sex differences, 1477
schizophrenic patients; Bali; mortality; developing countries, 19847
self rated health; social role; mortality; older people; Japan, 16225
social inequalities; male mortality; smoking; death rates; lower social class; education; income, 31558
socioeconomic position; mortality rate; adult life; mothers; birth cohort; at risk population, 4280
somatic diseases; neuroleptic medication; mortality; schizophrenia, 23752
South Africa; racial differences; infant mortality; trends, 19285
traumatic brain injury; posthospitalization mortality; risk; hospital discharge, 4824
urban areas; rulal areas; motor vehicle; motor crash; children; youth; death rate; hospitalization rates, 12358
wasted children; child undernutrition; non-emergency settings; developing countries; child mortality; intervention, 26280

Mosaicism [See Chromosome Disorders]
Moslems [See Muslims]
Mother Absence—Books

Unbecoming mothers: The social production of maternal absence, 4025

Mother Absence—Chapters

Enduring Sadness: Early Loss, Vulnerability, and the Shaping of Character (1990), 29643

Mother Child Communication—Serials

adolescents' attitudes; marriage; interparental conflict; adolescent gender; maternal disclosures; divorce, 34572
causal inferences; conversational discourse analysis; childhood development; mother child communication, 25203
emotional understanding; relational understanding; affect; emotional discourse; socioemotional development; mother child interaction; preschool children, 25214
family emotional climate; attachment security; young children; emotion knowledge; high risk sample; maternal depression; mother child relations, 13218
human breast areolae; scent organs; morphology; maternal neonatal coadaptation; lactation; skin glands; olfactory perception, 19028
infant massage practices; dynamic interaction; visually impaired infant; physical contact, 2197
infant observation studies; attachment between mother and infant; trauma; neurobiology research; psychoeducational group; pregnant and new mothers; Spanish speaking immigrants; intervention, 14451
infants' attention; word-object relations; temporal synchrony; spoken words; moving objects; object naming; word mapping; mothers, 34351
maternal narrative styles; book reading; mothers; children; mother child interaction; Peruvian mothers; American mothers, 10322
maternal verbal scaffolding; childhood development; language abilities; reading comprehension skills; decoding skills, 14954
maternity blues; touching behavior; mothers; mother-infant interaction; pregnancy to motherhood transition; maternal role; psychopathology, 16715
mother child communication; maternal style factors; future events; language development; temporal terminology, 25265
mother child conversations; communication play; displaced speech development; childhood development, 13114
mother child conversations; emotional talk; shared past; emotional socialization; cultural effect; event valence; gender effect; Euro-American mothers; Chinese mothers, 10316
mother child conversations; internal state language; traumatic event; tornado; nontraumatic event; cross lagged correlations; childhood development, 10029
mother child conversations; shared reading; utterance content; story familiarity; utterance role, 10124
mother child reminiscing; everyday experiences; psychological interventions; preschool years; childhood development, 31664
mother daughter dyads; conversation about sex; Latina adolescent girls; sexual risk taking, 13208
mother infant relations; group psychotherapy; self object relations; cross cultural communication; treatment; minority mothers; intervention; prevention; family life, 14454

Mother Child Relations—Serials

mother infant talk; mental states; desire language; emotion understanding; vocabulary levels, 22432
mothers effectiveness; HIV; risk reduction educators; adolescent females; low income; African American; community based intervention, 26887
mothers; mental state language; preschoolers; retention; conversations; mother child talk; object memory, 10064
perceived neighborhood characteristics; problem behavior; disadvantaged children; social skills; family relations; socioeconomic status; maternal perception, 34420
risk factors; conduct problems; depressive symptoms; Ukrainian children; mother child communication; attention problems; marital satisfaction; maternal characteristics, 22918
shared reading interactions; pre school children; mothers; language development; literacy development; reading interactions; disadvantaged community, 7264
social contingency; mother-infant interactions; stranger-infant interaction; stranger relative; two-month-old infants; contingent responsiveness, 34382

Mother Child Communication—Books

You're wearing that?: Understanding mothers and daughters in conversation, 34594

Mother Child Relations—Serials

abstract collection; International Society for Developmental Psychobiology; mice; rats, 9757
acculturation disparity; Chinese Canadian immigrants; mother adolescent dyads; cross cultural differences, 13318
African American preschoolers; prosocial behavior; emotional regulation; parenting; maternal behavior; individual differences; socialization, 19220
aggressive children; group therapy; mother child treatment; child only treatment; control group; maternal coping, 14448
agreement level; children perceptions; mothers perceptions; maternal acceptance rejection; Finland; Pakistan; loving families; less than loving families, 1013
anger; mothers; children; Turkish women; domestic move; coping methods, 22827
anxious mothers; interactions; infants; developmental difficulties; anxiety disorders; transmission of risk; temporal relatedness; qualitative dimension, 7726
attachment behavior; coping behavior; mother child narratives; asthma specific stressful events, 26275
attachment; behavior problems; middle childhood; child informants; mother; teacher; psychopathology; socioeconomic status; predictive relation, 19237
attachment; maternal sensitivity; distress; infancy, 22695
attachment; maternal sensitivity; intervention; parent-child relationship; temperament; video feedback, 22698
attention deficit hyperactivity disorder; electronic diaries; pharmacotherapy; mother child relations; self report; family life, 26209
attention deficit hyperactivity disorder; mothers; maternal attributions; maternal affect; parenting, 32417
Australian mothers; safety intervention; child characteristics; toddlers; injury prevention; gender differences; temperament; language comprehension; mother child relations, 16357
breast feeding; mealtimes; mother infant interactions; feeding practices; mealtime negativity, 13361
career orientation; maternal tendencies; personality traits; women; height; sex traits, 7491
child anxiety; maternal anxiety; attachment beliefs; childrens perceptions; maternal control, 7245
child autonomy; connectedness; mother child interactions; parenting behaviors; cultural factors; maternal socialization; goal oriented behaviors, 7261
child care experiences; low income communities; developmental quality; maternal views; nonparental care; home care; Head Start, 25510
child conduct problems; asynchrony; mothering style; cultural differences, 7830
child development; mother child relationship; psychotherapy, 19499
child emotional self regulation; temperamental approach reactivity; parenting; control capacities; approach; avoidance; goodness-of-fit; control process interactions, 10101
child maternal contributions; shared reading; language development; literacy development; metalingual utterances, 13126
child mother play; immigrant families; acculturation; cultural factors; parenting, 7246
child neglect; adolescent mothers; childhood development; child abuse; mother child interactions, 32273

child perceptions; father support; mother support; child teacher relationship; aggressive children; Singapore, 13165
child temperament; maternal temperament; math achievement; poverty; reading achievement, 6971
children's cognitive development; mother child relations; child attitudes, 25208
Chinese parental involvement; mathematics learning; American parental involvement; mother child interaction; proportional reasoning, 13153
cigarette smoke odor; development; mother-child interactions; olfaction; tobacco; hedonic judgments; parental smoking; maternal mood; child preferences, 6991
cocaine; depression; maternal behavior; substance use; polydrug use; maternal childhood history; maternal insensitivity; mother infant interactions; maternal psychopathology; infant birth weight, 16945
community mentor; maternal behaviors; parenting skills; child cognitive outcomes, 17717
contingency; imitation; affect sharing; infant social awareness; dyadic interactions, 10122
coparenting; parent-child attachment; maternal parenting style; family systems, 22660
depressed mothers; happy expressions; infants; facial expressions; vocal expressions; habituation, 22960
depressive symptoms; maternal depressed mood; infant emotional reaction; emotional state; dyadic interaction; mother infant relations, 16081
disgust level; baby feces; soiled diaper changing; other babies; labeling; self report; mother attitudes, 31640
disorganized attachment; military sample; maternal trauma; sadness; narratives; infants, 11233
disrupted maternal behavior; attachment relationships; mother-infant interactions; adolescent mothers, 16191
divorced families; intact families; mothers; preschool children; attachment security, 764
domestic violence; drug abuse; pregnancy; maternal attachment; infant temperament; teenage mothers; clinical practice, 1339
Down Syndrome; mother infant interaction; infant development; social behavior; caregivers, 28481
early social experience; baby management; mother infant interaction, 13367
emerging adult sons; mothers; divorced families; mother child relationship; father child relationship, 31635
emotion regulation; maternal depression; anxious symptoms; parent child interactions; caregivers, 19144
emotion states; narrative co-construction; kibbutz children; mother child dyads; metapelet child dyads; female caregiver, 16116
emotional knowledge; social behavior; maternal emotion framing; mother-child relationship; relationship quality; social competence, 31442
expectant mothers; trauma; frightened maternal behavior; risk factors; frightening maternal behavior; protective factors, 19386
Eye Movement Desensitization and Reprocessing; desensitization; maternal infant bonding; bonding failures; integrative psychotherapy; maternal trauma; physical separation, 29561
factor structure; Parenting Scale; low income African American sample; construct validity, 3147
family educational involvement; child academic achievement; mother child relationship, 13380
family emotional climate; attachment security; young children; emotion knowledge; high risk sample; maternal depression; mother child relations, 13218
family figures; 20th century British psy discourses; child; mother-child couple; father; children's self development; psychological discourses; psychoanalytic discourses; subjectivity; World War II, 34553
family relations; maternal occupation; childcare; preschool children; cortisol production; hypothalamic functioning; pituitary functioning; emotional exhaustion, 10315
family structure; help exchange; reciprocity; mother daughter relations; relationship quality, 13341
father daughter relationships; mother daughter relationship; drug refusal self efficacy; adolescent girls; urban communities, 22680
feared mother; early childhood; psychoanalysis, 31946
frustration reactivity; infants responses; mothers; continuity; stability; negative reactivity; regulation, 22548
gastrostomy tube feeding; disabled children; mothering; stigma; governmentality; parental discourses; professional discourses, 20342
gene-environment interaction; dopamine receptor maternal insensitivity; externalizing behavior; preschoolers; polymorphisms; parenting style, 31432
group intervention; parenting programs; aggressive children; child functioning; maternal confidence; parenting knowledge; parenting attitudes; treatment evaluation; mothers, 32739
HIV disclosure; stigma; children; HIV-positive women, 14166
impression management; social construction; motherhood; physical appearance, 992
incarcerated mothers; mother child relations; family relationships; depressive symptoms; relationship disconnection; trauma; incarceration, mothers, depression; children, 2393
infancy; smile; FACS; peekaboo; tickle; social play; mother infant games; perturbation, 22413
infant attachment; amygdala; hyper functioning; noradrenergic locus coeruleus; mammalian; neurobiology; caregiver; rats; humans, 9810
infant massage practices; dynamic interaction; visually impaired infant; physical contact, 2197
infant soothability; infant negativity; maternal sensitivity; maternal perceptions; infant temperament, 16361
infant-mother attachment; risk; protection; maternal sensitivity; parenting quality; social competence; behavior problems; early attachment security; preschoolers; continuity from infancy to preschool, 10323
infant; behavioral responses; singing; music; maternal interactions; mothers; cognitive behavior; physical behavior, 25321
infants' reactivity; maternal behavior; novelty; anxious behavior; developmental trajectories, 16158
intergenerational adolescent childbearing; high risk sample; early sexual behavior, 28322
intergenerational transmission; September 11; mother to child transmission; expectant mothers, 23193
intervention effects; maternal concepts; child development; children's cognitive outcomes, 11548
Kangaroo Mother Care; mother-infant bonding; premature delivery; psychological impact; maternal anxiety levels; infant interactive signals, 28486
low income; toddler boys; dyadic synchrony; parent child relations; parenting; caregiving quality; mothers; psychology; child attributes; early conduct problems; nurture; at risk population, 25370
marriage; risk factors; maternal pregnancy; children; attention deficit hyperactivity disorder, 14017
maternal accuracy; toddlers behaviors; toddlers fearful temperament; maternal cognitive characteristics; maternal personality, 22537
maternal anxiety; prematurity; infants neurobiological risk; mother infant interactions; very low birth weight, 4022
maternal attachment; teacher-child relationships; child care; kindergarten; first grade; mother child relations, 13372
maternal attitudes; young people attitudes; children rights; self determination; nurturance; socio political attitudes; parenting style, 16160
maternal beliefs; musical background; musical preferences; musical activity; parent child musical interactions, 1002
maternal caregiving behavior; stress reactivity; fearfulness; positive joint attention; right frontal elctroencephalographic asymmetry; infant temperament; negative affect, 25207
maternal confidence; infant neurobehaviors; sociodemographic factors, 31615
maternal depression; behavior problems; affect regulation; psychophysiology; parent-child interaction; childhood-onset depression; child frontal electroencephalogram asymmetry, 7571
maternal depression; child outcomes; child welfare; child general health; social isolation; policy; effective intervention; childhood risk, 4329
maternal depression; emotion regulation strategies; gender difference; childhood-onset depression, 7664
maternal depression; emotion regulation; child internalizing problems; children, 13738
maternal depression; intervention programs; infant reactions; high risk motherhood; mother infant interactions; socioemotional development; infant development, 22987
maternal depression; parenting behaviors; adolescents; psychological functioning; Romania, 22981
maternal depressive symptoms; child awakenings; duration; frequency; child sleep; age periods; mutual influence, 16739
maternal expressed emotion; children's perceived self competence; behavior; child intelligence; African American families; child behavior, 13201
maternal factors; child factors; injury rate; risky behavior; parental locus of control; unintentional injury; prevention, 996
maternal health; safe motherhood concepts; motherhood messages; developing countries; obstetric care, 8492
maternal interactive style; overprotectiveness; personality development; acquired blindness; attachment, 17360
maternal racial identity; maternal parenting behavior; child outcomes; low income urban black families; cognitive achievement; social competence, 999
maternal reflective functioning; mother infant communication; infant attachment; mental states; childrearing; intergenerational transmission; infant development; AMBIANCE measure, 7253
maternal reminiscing style; children's autobiographical memory; cognitive processes, 25288
maternal reports; adaptive behaviors; Italian; American; young children; urban-rural; gender comparisons; children's communication; daily living; socialization; motor skills, 7038
maternal representation; mother child relations; infant development; domestic violence; pregnancy period; depressive symptomatology; interpersonal interaction; time, 7822
maternal role concepts; parenting; employment choices; life satisfaction, 34582
maternal separation; emotional responses; fear paradigms; mesolimbic dopamine; neonatal handling; tyrosine hydroxylase; ventral tegmental area; immunoreactive cells, 12849
maternal smoking; bad behavior; consumer oriented media; pregnancy; medications; psychiatry, 35396
maternal smoking; secondhand exposure; environmental tobacco smoke; mother infant dyads; heart rate; autonomic functioning; pregnancy, 22430
maternal support; student adjustment; child achievement; parenting dimensions; school performance; social adjustment, 2725
maternal victimization; maternal functioning; child behavior; child development; depressive symptoms; social support, 828
maternity blues; touching behavior; mothers; mother-infant interaction; pregnancy to motherhood transition; maternal role; psychopathology, 16715
mathematics; homework practices; mother child interactions; parents, 21189
mirror self recognition; maternal contingent responsiveness; cultural factors; parenting styles; self conceptions development, 7000
mother and child relationship; food purchases; price function; purchasing behavior, 31645
mother characteristics; child characteristics; theory of mind; conflict; cooperation, 13376
mother child bookreading; low income families; early childhood development; cognitive development; vocabulary; comprehension; language; cognition, 28474
mother child conversations; categories; individuals; developmental psychology; human thoughts, 6994
mother child interaction; interpersonal dimensions; emotion regulation; child distress communication, 853
mother child play; social behaviors; infants; maltreating families; social development; cognitive development, 23143
mother child relationships; relationship quality; adolescents; adults; autism spectrum disorder; maternal caregiving, 17056
mother infant interactions; attachment behavior; maternal responsiveness; depression; culture, 6951
mother infant relations; group psychotherapy; self object relations; cross cultural communication; treatment; minority mothers; intervention; prevention; family life, 14454
mother-adolescent conflict frequency; maternal support; avoidant coping; degrading parenting; adolescent conduct problems; internalizing, 32238
mother-infant interactions; perceived vulnerability; premature infants; prematurity stereotyping; child development, 31659
mother-to-infant bonding; early mood; scale development; psychometrics, 27613
mothers; daily routine; rituals; drawing; meaning making; belief systems; gendered responses; mother's presence, 16127
mothers; infants; hamadryas baboons; developmental pathways; regularities; diversity, 9730
mothers; sons; attributions; behavior; attention deficit hyperactivity disorder; oppositional defiant behavior, 13630

newborn baby; gastrointestinal tract hormone; energy conservation; close body contact; vagus activation; energy economy; nursing behaviors; mutual regulation; physiology; behaviors; mothers, 9850
parental attachment; self worth; depressive symptoms; adults; mothers; relationship, 16342
parental perception; parent child relationship; adolescent attitudes, 1017
parenting stress; neonatal behavior; maternal characteristics; prenatal cocaine exposure; infant temperament; parenting stress, 17001
parenting styles; parent child interaction; cultural values; parenting stress; social support; Chinese mothers, 7280
parenting; adult attention-deficit/hyperactivity disorder; parent psychopathology; parent child interactions; child attention deficit/hyperactivity disorder, 14021
parenting; maternal mental representations; posttraumatic stress disorder; violent trauma; reflective functioning; intergenerational transmission; infant development; inner city, 7732
parenting; motivation; mental health; homework; mothers; mastery oriented involvement; well being; negative perceptions; competence, 15015
parenting; self-fulfilling prophecies; achievement; motivation; child competence; mother-child relations; maternal perceptions; affective functioning, 31657
parenting; sociohistorical change; individualization; mother child interaction; Germany, 4016
parenting; toddlers; cognition; emotion; psychophysiology; overreactive discipline; mothers; experienced emotion; autonomic reactivity; negatively assessed appraisals, 4018
personal essay; mother child relations; family relations; Alzheimers disease; anger; stress; death attitudes; social discrimination, 16625
physical aggression; mothers; preschoolers; relational aggression, 25381
physical discipline; children adjustment; cultural normativeness; aggression; anxiety; mother child dyads, 7257
Positive Parenting Program; at-risk population; conduct problems; mother child relation, 33068
postpartum depression; treatment approaches; mother infant relationship; infant development; attachment behavior, 32115
posttraumatic growth; acquired disabilities; maternal caregivers; emotional states; positivism, 17168
prenatal alcohol exposure; postnatal environment; maternal drinking patterns; family interaction; child characteristics; child depression, 16986
preschool children's education; Japan; parenting beliefs; socioeconomic status; maternal involvement, 36295
prevention program; promotion intervention program; mother infant relationship; home visiting intervention, 17596
psychological health; maternal attachment; attachment style; breast feeding mothers; formula feeding mothers, 25524
psychosocial problems; siblings; disabled children; Japanese children; psychosocial association; mother child association, 1289
racial ethnic differences; mother daughter communication; adolescent sexual behavior, 25348
relational outcomes; childhood sexual abuse; female survivors; intimate; marital relationships; African American women; maternal support; low-income; interpersonal problems, 7790
Relationship Questionnaire Clinical Version; mother's distrust; attachment style; prenatal assessments; relational problems; parent-infant relations; psychometrics, 27598
Revised Infant Temperament Questionnaire; factor structure; mothers; behavior evaluation; test validity; test reliability; psychometrics; Japan, 12453
sacrifice; parenthood; motherhood; social value system; guilt; socialization; social environment; love, 28473
self-fulfilling prophecies; accumulation; drinking behavior; parent-child relations; maternal beliefs, 25433
sex differences; mothers; speech; play behavior; infant mother dyads, 34580
short term reliability; emotional availability; mother child dyads; socioemotional adaptation; parent child dyads; psychometrics, 28464
sibling relationships; antisocial behavior; peer relationships; parent-child relationships; low-come families; delinquency training, 7045
social anxiety; depressive symptoms; social skills; loneliness; mothers' social functioning; school age girls, 13687
social behavior; interpersonal timing; infants; mother infant interaction; communication, 28304
stepfather involvement; adolescent; mothers; fathers; well being; stepfather stepchild relationship; mother child relationship; health, 31667
temperament effects; perceived maternal rejection; childhood anxiety; behaviour problems; interpersonal relationship; emotional arousal, 13238
toddler aggression; dysfunctional parenting; mother toddler dyads; parenting interventions, 22683
toddler behavior problems; alcoholic father; mother infant attachment; paternal alcoholism, 19379
touch; mother-infant relations; affection; dyads, 10057
toys; motherhood; culture; social conflict; childhood; child care; toy catalogs, 7268
understanding interventions; intervention outcomes; mothers of infants; mothers' transition; pediatric nursing practice, 20354
understanding maternal intentions; home visiting programs; ethnically diverse group, 33099
video interaction; mothers; postnatal depression; coping; self image, 32771
working mothers; Korea; infants; self efficacy; non maternal child; child care settings; socioeconomic status, 28479
young children's reactions; maternal disclosure; maternal HIV serostatus, 23362
young infants; differential vocal responses; mothers; strangers; infant mother relationship; cognitive functioning, 10083

American Beverage Licensees; Mothers Against Drunk Driving; traffic crashes; victim support services, 7877
anger; mothers; children; Turkish women; domestic move; coping methods, 22827
attachment based parenting groups; mothers; childrearing practices; drug rehabilitation; reflection; maternal sensitivity, 35984
attachment; child medical condition; maternal grief resolution; diagnosis; toddler to preschooler transition; congenital disorders; family impact, 16354
attention deficit hyperactivity disorder; mothers' perceptions; sons; effects on family; social disapproval; ostracism; behavioral symptomatology, 7932
attention deficit hyperactivity disorder; mothers; maternal attributions; maternal affect; parenting, 32417
Australian mothers; safety intervention; child characteristics; toddlers; injury prevention; gender differences; temperament; language comprehension; mother child relations, 16357
avoidance coping style; father support; mother support; anxiety; depression; resiliency models, 16541
becoming women; mothers breast cancer diagnosis; gender identity; young women; psychological development; physical development, 29473
birth rate; twin births; developed countries; mothers; fertility treatments, 34063
birth weight; cognitive ability; mother's intelligence quotient, 778
book reading behaviors; African Americans; sociocultural view; Puerto Ricans; mothers; Head Start children; children's literacy development, 8902
breastfeeding; Icelandic women; parenting stress; postpartum depressive symptoms; mothers; demographic characteristics, 22941
caregiving; autism spectrum disorder; routinization; parenting; family activity; mothers, 20084
cesarean delivery; maternal request; National Institute of Health conference; nulliparous women, 35699
child abuse potential; mothers; drug users; substance abuse; treatment rejection, 23105
child care subsidies; low income urban mothers; work hour problems; families, 13373
child care; work; depressive symptoms; low income mothers; well being; employment; welfare participation, 19817
child parent psychotherapy; randomized controlled trial; treatment outcomes; mothers; children, 32843
child sexual abuse; biracial girl; mother, 19965
child temperament; child-injury risk; maternal attributes; caregiver supervision; unintentional injury, 31652
child welfare professionals; battered mothers; public child welfare; interventions, 20830
childcare magazines; gendered discourses; parenting; parent child relations; social change; mothers; fatherhood, 28219
children; women; substance abuse; Oxford Houses; communal setting; mothers, 20813
Chinese women; Hong Kong; disordered eating; motherhood transition; mothers; psychosocial factors; bulimic symptoms; pregnancy; prenatal period; postnatal period; mother infant relationship, 20136
Christian women; motherhood; career; qualitative study; working mothers, 3981
chronic pain; mothers; psychosocial variables; functioning; parenting efficacy, 8014
cognitive ability; pregnancy; early motherhood; cognitive impairment, 27828
cognitive schemata; depressed adolescent girls; maternal cognitions; cognitive theory; cognitive therapy, 19819
college student; students views measurement scale; Traditional Motherhood Scale; Traditional Fatherhood Scale; test development; test validity; test reliability, 69
community networking initiative; new parenthood; motherhood, 7262
coping behavior; positive perceptions; Irish mothers; children with intellectual disabilities; care demand; family support, 32459
coping strategies; African Americans; youth assault; emergency medical treatment; mothers; maternal experiences; injuries; social support; violence; distress, 26761
crosscultural issues; immigrant; social work practitioners; familys integration; bicultural balance, 10324
depressive symptoms; postpartum period; parental attitudes; childs temperament; parental bonding, 7653
developmental disabilities; depression in mothers, 22986
dietary quality; weight retention; postpartum period; breast-feeding, 35649
domestic violence; child protection; collaborative interventions; children; mothers; battered women's shelters; child protection agencies, 35862
dyadic decision making; decision-making process; mother-child; caregiving; regrets; older mothers; adult children; mother-son & mother-daughter pairs, 23919
economic resource; new mothers; policy; social safety; pregnancy; families; poverty; socioeconomic status, 31682
economic roulette; low wage working mothers; family networks; work patterns; public systems, 10217
employed mothers; breastfeeding; work family conflict; infant nutrition; workplace interventions, 2870
factor analysis; coping; stress; mothers; 2-year-old children; factor structure; measures, 30696
familial ethnic socialization; generational differences; cross cultural differences; Puerto Rican mothers; Mexican mothers; United States, 31661
family environment; modeling; control; restrained eating; weight loss; daughters; mother preoccupation; maternal influence, 4581
family nurturing time; nurturing program; substance abusing mothers; residential treatment; parent education curriculum; child abuse; treatment outcomes, 29439
fathers; mothers; society; parental investment; parent child relations, 28471
feared mother; early childhood; psychoanalysis, 31946
first-time mothers; choices; experiences; early discharge; postnatal care; midwife visitation, 33066
frustration reactivity; infants responses; mothers; continuity; stability; negative reactivity; regulation, 22548
fulltime motherhood; life transition; stay-at-home mother role, 13384
functional communication; home environments; training; child behavior; childhood development; mothers, 16359
gastrostomy tube feeding; disabled children; mothering; stigma; governmentality; parental discourses; professional discourses, 20342
gendered living arrangements; disabilities; gender inequality, 29090

governmental decision; material hardships; Temporary Assistance for Needy Families; welfare benefits; mothers health, 5267
high school education; academic functioning; mothers role; parental characteristics; child behavioural problems; school transition, 2694
high vs low quality of maternal care in vignette; stay at home mothers; employed mothers; perceptions of maternal competence, 13379
home injuries; young children; caregiver supervision; mothers, 31653
home visitor mother relationships; Early Head Start; program goals; family success; achievement, 18009
homeless mothers; mental illnesses; specialized services; Thresholds Mothers Project; supportive housing, 14644
hospitalized child; acute illness; family centered care; mothering; experience; nursing, 5228
human intelligence; epigenetic inheritance; maternal behavior; biology; developmental psychology; mothers; psychologists; evolution; mammals; ontogeny; phylogeny; genetics; experiences, 22402
impression management; social construction; motherhood; physical appearance, 992
incarcerated fathers; maternal gatekeeping; father role; work release program; identity theory; correctional policies; father child relations, 11707
incarcerated mothers; mother child relations; family relationships; depressive symptoms; relationship disconnection; trauma; incarceration, mothers, depression; children, 2393
individual characteristics; familial experiences; psychopathology; children; mothers; borderline personality disorder, 32208
infant attachment disorganization; mothers; state of mind; pregnancy; parents; posttraumatic stress disorder; transmission gap; stillbirth, 34555
infant care; child care; England; caregivers; mothers; child rearing; satisfaction; aspirations, 28461
infant growth; post partum depression; South African periurban settlement; mothers, 10661
infant observation studies; attachment between mother and infant; trauma; neurobiology research; psychoeducational group; pregnant and new mothers; Spanish speaking immigrants; intervention, 14451
infant social behavior; Alarme Distress de Bebe Scale; mothers mood; caregiver; psychometric properties, 3154
infant social looking; mothers; strangers; remote controlled toys; age groups; emotional responses, 859
infant-mother attachment; risk; protection; maternal sensitivity; parenting quality; social competence; behavior problems; early attachment security; preschoolers; continuity from infancy to preschool, 10323
interaction styles; depressed mothers; infants; electroencephalography; neurotransmitters; intrusive mothers; withdrawn mothers, 16716
intergenerational relationships; cross-cultural comparison; social networks; mothers; grandmothers, 28446
intergenerational transmission; September 11; mother to child transmission; expectant mothers, 23193
interpretative phenomenological analysis; maternal identity; child suicide; bereavement, 4468
interrole conflict; work sanctification; working Christian mothers; Academia; spirituality; coping constructs, 3980
intimate partner violence; parenting stress; child adjustment; African American families; mothers; emotional problems; behavioral problems, 32290
late pregnancy; offspring smoking behavior; maternal smoking; adolescence; adulthood; gender, 31713
learning difficulties; mothers; child protection; experiences; vulnerable families, 26210
lesbian mothers; lesbian families; same sex couples; children of lesbian mothers; donor insemination, 974
life threatening breast cancer; dependent children; mothers; transformation; support needs; desolation; consolation; experiences, 17234
marginalized mothers; parenting skills; homeless mothers; professional staff; resilience; shelter programs; poverty; childhood development, 7159
maternal age; England; Wales; Down syndrome; risk factors; mothers; pregnancy, 29144
maternal beliefs; musical background; musical preferences; musical activity; parent child musical interactions, 1002
maternal chronological age; prenatal history; perinatal history; social support; parenting practices; infants, 28465
maternal depression; child outcomes; child welfare; child general health; social isolation; policy; effective intervention; childhood risk, 4329
maternal depression; risk factor; environmental adversity; genetic factors; twin; mothers; offspring; familial transmission, 4333
maternal distress; expressed emotions; behavior problems; intellectual disabilities; mental health, 14048
maternal employment patterns; child development; part time work; full time work; children's cognitive outcomes; matching; imputation, 3823
maternal expectations; infant development; cross national comparison; pessimistic view; stereotyped behavior; preterm infants, 22434
maternal expressed emotion; children's perceived self competence; behavior; child intelligence; African American families; child behavior, 13201
maternal health; safe motherhood concepts; motherhood messages; developing countries; obstetric care, 8492
maternal input; theory of mind; deaf children; mothers' mental talk; child language proficiency, 23524
maternal panic disorder; infant prematurity; low birth weight; anxiety disorders; psychopathology, 19926
maternal psychological morbidity; low birth weight; fetal growth; emotional trauma, 28803
maternal ratings; antisocial behavior; aggressive behavior, 839
maternal weight; adolescent weight; perception; weight-related behavior; eating behavior; body image, 28241
maternal work schedules; child outcomes; school engagement; extracurricular activities; American families, 31365
maternally; behaviors; filial attachment; newborn rats; primitive locomotor behaviors; behavioral regulation, 9743
maternity blues; touching behavior; mothers; mother-infant interaction; pregnancy to motherhood transition; maternal role; psychopathology, 16715
maternity care clinicians; community health; fetal demise; pregnant woman, 8794
medical psychiatric unit; patient satisfaction; peripartum inpatient psychiatric program; mothers; infants, 29961
menarcheal age; mothers; daughters, 9995
mother baby day hospitals; pregnancy; postpartum depression; psychiatric disorders; quality of care; mental health; hospital services, 29967
mother characteristics; child characteristics; theory of mind; conflict; cooperation, 13376
mother's expressivity; children's effortful control; problem behaviors, 32312
mother-infant interactions; perceived vulnerability; premature infants; prematurity stereotyping; child development, 31659
motherhood; employed women; South Turkey; women's perceptions; satisfaction, 34610
mothering; parenting; African American women; drug abuse; cocaine; rural environment, 35034
mothers effectiveness; HIV; risk reduction educators; adolescent females; low income; African American; community based intervention, 26887
mothers emotional responses; cognitive responses; infant distress; family; mother; infant characteristics, 31373
mothers experience; premature infant; birth; attachment theory; separation; guilt; affective experience; fear; touching; social support, 28263
mothers mental distress; parenting practices; infants; toddlers, 7259
mothers' attitudes; fatness; body weight; dieting; child's weight; eating, 25507
mothers; childrearing; history; parenting; life stress; positive experiences; negative experiences, 31647
mothers; daily routine; rituals; drawing; meaning making; belief systems; gendered responses; mother's presence, 16127
mothers; depressed mood; anxiety; massage; preterm infants, 26711
mothers; India; cultural activity; interviews; belief, 22603
mothers; parenting; children; behavior disorders; unintentional injury risk, 23135
mothers; postpartum depression services; hospitals; mental health professional, 29405
mothers; psychological morbidity; depression; childbirth; pregnancy; low birth weight, 25784
mothers; singing; premature baby; feeding; neonatal intensive care; music; stress; weight gain, 22403
motivation skills; behavioral skills; African American girls; mothers; intervention; sexual communication; dyads, 28222
mutual influences; American parents; childrens conformity; spouses educational level; mothers employment; marital happiness; child rearing values, 10327
neonatal nurseries; neonatal stimulation; prenatal stimulation; perinatal stimulation: mothers; pregnancy; neonatal period; hospitals; Neonatal Intensive Care Units, 23934
newborn baby; gastrointestinal tract hormone; energy conservation; close body contact; vagus activation; energy economy; nursing behaviors; mutual regulation; physiology; behaviors; mothers, 9850
newborns; depressed mothers; moderate pressure massage; pregnancy; light pressure massage; neonatal behaviors, 22954
non-parental child care; preschoolers; mothers' employment; toddlers; birth order, 34583
nonresidential parents; mothers; schools; family law; family relationship centres; family separation; social stigma, 9294
normality parameters; cultural constructions; mental retardation; Bengali families; mothers, 23259
nurse home visiting; nurses' perspective; nurse family partnership; home visitation; low income mothers; maternal health, 17708
omega-3 fatty acids; postpartum depression; randomized dose; mothers; treatment, 14486
opiate dependent mothers; methadone maintenance treatment; pregnancy; high dose buprenophine; infant development; neonates, 23168
parent child relations; parental control; cross-cultural differences; child rearing attitudes; children's self-esteem; authoritarian parenting; maternal emotion; cognition; collectivist; individualist, 16373
parental age; economic resource; social capital; cultural capital; parental educational expectations; childhood development, 34563
parental leave taking; workplace situation; fathers; mothers, 27352
parenting behaviors; anxious mothers; parent child interaction; African American community, 22687
parenting competency; pregnancy; postpartum period; life course; parenting efficacy; pregnancy postpartum transition; depressive symptoms; parenting satisfaction; Hispanics; African Americans; mothers, 13387
parenting interventions; drug-dependent mothers; young children; attachment-based approach; outpatient interventions; child welfare system; caregiving skills, 20562
parenting newsletter series; child rearing information sources; mothers; infants; newsletters usefulness, 7277
parenting practices; attention deficit disorder with hyperactivity; demographic characteristics; mothers; parental characteristics; child rearing, 20088
parenting research; attachment style; mothers; infants; parental mental health; wellbeing; fathers, 25515
parenting; adult attention-deficit/hyperactivity disorder; parent psychopathology; parent child interactions; child attention deficit/hyperactivity disorder, 14021
participatory consultation; oral history; socioeconomic conditions; working class mothers; parents; youth experiences; social mobility; justice; activism, 10212
paternal postpartum depression; maternal postpartum depression; demographic characteristics; alcohol misuse; Brazil; population, 19816
perceived stress; perceived social support; well being; mothers; cerebral palsy; disability, 26441
persistent problems; Munchausen syndrome by proxy label; legal experience; mothers, 26303
personal epistemology; parenting style; goal orientation; college mothers; academic goals; working class families; academic tasks, 27262
physical aggression; mothers; preschoolers; relational aggression, 25381
planned & unplanned pregnancies; affective states; maternal attitudes; motherhood; psychological well being; parenting, 10314
postnatal depression; primary care clinics; risk factors; postpartum; depressive symptoms; mothers, 13712
postpartum dejection; self structure; first time mothers; social support network; mother role stress, 10325
postpartum depression; treatment approaches; mother infant relationship; infant development; attachment behavior, 32115
postpartum smoking relapse; smoking abstinence; self efficacy; motherhood, 16422
posttraumatic stress disorder; women daughters; breast cancer; daughters; breast cancer screening, 4704
pregnancy; coping strategies; motherhood; loneliness, 7533

prenatal depression; fetus; newborn; prenatal growth; prematurity; low birthweight; depressed mothers; dopamine; serotonin, 25862
prenatal diagnosis; intrauterine growth restriction management; maternal stress; developmental outcome; pregnancy management; maternal coping, 4629
prenatal hypnotherapeutic program; postnatal psychological wellbeing; hypnosis; first-time mothers, 26729
preterm infants; maternal adaptation; parenthood; maternal perceptions; infant vulnerability; self efficacy; infant hospital discharge, 1020
preterm infants; stress; coping strategies; mothers; depression, 34868
primary care givers; custodial grandmothers; biological mothers; material hardship; mental health; physical well being, 968
psychiatric disturbance; psychiatric disorder; relatives; mothers daughters; morbidity risk, 25754
psychiatric mother baby unit; mother; babies; psychiatric disorder; hospitalized patients; schizophrenia; schizoaffective disorder; mood disorders, 2349
psychological coping strategies; religious coping strategies; bereaved mothers; sudden infant death, 4205
psychological health; maternal attachment; attachment style; breast feeding mothers; formula feeding mothers, 25524
psychometric testing; Maternal Confidence Questionnaire; test validity; test reliability; psychometrics, 6238
psychosocial problems; siblings; disabled children; Japanese children; psychosocial association; mother child association, 1289
public health initiatives; immigrant mothers; children; infant mortality; sanitation improvement, 35763
Rasch analysis; functional caregiving; adult children; intellectual disabilities; mothers, 24639
reverence for mothers; Ecuadorians vs Euro-Americans; cultural differences & perception of women; perceived maternal power; gender roles; individualism; uncertainity, 31604
rural environments; lower income level; mothers; chronic stress; health; life changes; resources, 25445
sacrifice; parenthood; motherhood; social value system; guilt; socialization; social environment; love, 28473
safe motherhood; women; safety, 5186
satisfaction survey; women; inpatient mother baby unit; psychiatric aspect; specific perinatal aspect, 23940
scripture based prayer; emotional adjustment; family stress factors; childhood development, 768
secure base scripts; mothers; narratives; attachment; attention deficit disorder with hyperactivity; symptoms, 29404
selfcare; mothering; African American women; HIV; AIDS, 14167
selfcare; mothering; African American women; HIV; AIDS; United States, 14168
separation; immigration; African Caribbean women; mothers; extended family; economic prosperity; psychotherapy, 34566
serious mental illness; health care professionals; mothers, 10613
sex differences; mothers; speech; play behavior; infant mother dyads, 34580
sexual intimacy; new mothers; counseling; spiritual dimensions; personal dimensions; social dimensions, 35467
shared reading interactions; pre school children; mothers; language development; literacy development; reading interactions; disadvantaged community, 7264
smoking; pregnancy; behavioural patterns; cognitive patterns; fetal attachment; mothers; stages of change, 19447
social behavior; interpersonal timing; infants; mother infant interaction; communication, 28304
social capital; social support; website; Internet; emotional support; community building; online message boards, 7248
social consequences; HIV; womens participation; prevention programs; mother to child transmission, 14588
social support; postpartum depression; maternal self-efficacy; depressive symptomatology, 28836
socioeconomic position; mortality rate; adult life; mothers; birth cohort; at risk population, 4280
socioeconomic status; smoking; pregnancy; birth outcomes; community studies; Liverpool; mothers, 34581
stay at home mothers; cultural beliefs; leisure; meaning; Church of Jesus Christ of Latter Day Saints; women, 27446
stereotypes; psychology graduate students; pregnant peers; mothers; gender differences, 28563
stress; memory; natural disaster; mothers; recall, 31062
substance abusing mothers; disruptions; child custody; mother perceptions; psychological maladjustment, 23177
Taiwan; mothers; adolescents; guidance; parenting strengths; learning needs, 7241
Taiwanese-Canadian mothers' beliefs; personal freedom; young children; everyday situations; acculturation, 34579
teaching styles; young mothers; Puerto Ricans; acculturation; verbal teaching style; nonverbal teaching style, 13293
teenage mothers; self sufficiency; resilience; socioeconomic status; schools, 28251
theory of mind; parent-child book reading; mothers mental state language, 10026
Therapeutic Spiral Model; psychodrama; unresolved painful emotional experience; healing process; managing avoidance mechanisms; interpersonal process recall; grief; guilt, 32746
time use; meaningfulness; enjoyment; balance; occupations; mental retardation; motor difficulties; attention deficit hyperactivity disorder; typical development; well being; mothers; children, 28740
toys; motherhood; culture; social conflict; childhood; child care; toy catalogs, 7268
ventilator assisted children; mothers; social support; mental health; stress; home, 35910
video interaction; mothers; postnatal depression; coping; self image, 32771
whining; mother directed speech; acoustic characteristics; vocal patterns; parents perceptions; teachers perceptions, 10072
withdrawn & intrusive maternal interaction style; infants; depressed mothers; non depressed mothers; electroencephalography; infant frontal EEG asymmetry shifts, 16358
working women; childcare; mothers; young children; transitional phase; cultural factors, 19396
young children's reactions; maternal disclosure; maternal HIV serostatus, 23362
young children; psychological services; mothers characteristics; mother child relations; self report; emotional behavior; emotional behavior, 8249
young families; child well being; mothers; family stress; maternal well being; supporting parents, 13336
young infants; differential vocal responses; mothers; strangers; infant mother relationship; cognitive functioning, 10083

Mothers [See Also Adolescent Mothers, Single Mothers, Unwed Mothers]—Books

"Are you there alone?" The unspeakable crime of Andrea Yates, 6168
Baby steps: How lesbian alternative insemination is changing the world, 4093
Depression in new mothers: Causes, consequences, and treatment alternatives, 4345
Hillbilly gothic: A memoir of madness and motherhood, 28870
Mothers, babies and their body language, 4027
Unbecoming mothers: The social production of maternal absence, 4025
Why mothers kill: A forensic psychologist's casebook, 33714

Motion Parallax—Serials

heading control; flight simulation; vertically extended contours; terrain texture; 3-D objects; visual cues; motion parallax, 30933
motion parallax; depth perception; historical descriptions; apparent motion; motion perception; head movement; binocular parallax; perceptual cues, 6473
motion parallax; evidence-based definition; classroom demonstration; psychology textbooks, 36272
motion parallax; optical contact; distance perception; ground contact, 309
retinal optic flow; performance; motion energy; cyclopean stimuli; monocular information; virtual environments; eyes; visual control, 18732

Motion Perception [See Also Apparent Movement, Motion Parallax]—Serials

age effects; gender effects; maximum voluntary range of motion; upper body joints, 21895
aging; 3-D shape perception; dynamic patterns; binocular disparity; age differences, 21868
albino wistar rats; long evans rats; motion perception, 25071
ambiguous binocular information; depth perception; motion; visual system; retinas; spatial displacement; binocular disparity; interocular time delay; neurons, 3322
amplitude coupling; bimanual reversal movements; directional coupling; motor preparation; intermanual interactions, 27811
anchoring strategies; bimanual coordination pattern; movement cycle, 18766
angular expansion; ball catchers; vertical velocity; horizontal velocity; baseball, 21839
anisotropic motion; coherence sensitivities; early infancy; expansion motion; contraction motion, 16132
apparent rotational motion; representations; visual memory; spatial structure, 21866
attention; motion aftereffect; neuronal responses; color; luminance, 34181
attention; visual search; dynamic displays; motion; abrupt onset; static targets; reaction times, 12684
audio visual speech perception; videos; head movements; language processing; face perception, 27751
barrel column; somatotopic map; vibrissa motion perception; rats, 34069
binocular disparity; global speed averaging; depth perception; moving dots; judgment; primate cortex, 22189
binocular rivalry; plaid motion rivalry; positive mood state; visual perception; perceptual alternations, 18741
biological motion perception; configural form cues; superior temporal sulcus; neurons; brain network, 33932
biological motion; brain activity; motion perception; event related potential; spatiotemporal structure, 12949
biological motion; efficiency; gender recognition; ideal observer; point-light displays; human gait; movement, 6502
biological motion; form perception; masking; learning; arbitrary motion, 261
brain mechanisms; interpretation; actions; biological-motion cues; facial expression; social psychology; contextual factors, 25037
chromatic linear motion detectors; macaque; neurons; motion perception; color; luminance, 539
cognitive processes; representational momentum; memory; motion perception; spatial localization; psychophysics; imagery, 33928
coherent motion; magnocellular sensitivity; subcortical entities; neurons; spatial summation; cortical entities; brain, 24769
colour changes; moving object; velocity; reaction time; kinematic effect, 18728
continuous wagon wheel illusion; electroencephalogram; moving objects, 22243
cortical maps; cortical temporal frequency tuning; visual stimuli; motion perception; spatial frequency domains; cortical organization model, 522
cortical regions; visual cortex; biological motion; scrambled motion; temporal gyrus; superior temporal sulcus, 3641
corticotropin releasing factor; long term expression; behavioral sensitization; cocaine; locomotor response; rats, 31281
cue heuristics; direct perceptual competence; visual perception; relative mass; collisions, 24740
deficits; local and global motion processing; low birthweight children; premature birth; motion stimuli; organization development; functional development; visual development, 1689
delayed response; animate implied motion; human motion processing areas; photographs, 15632
deliberate control; motor performance; parameter changes; movement parameters, 6496
dementia; feature binding; motion perception; cross-cortical interaction; vision; neocortical disconnectivity; sensory integration; Alzheimer's disease, 4764
developmental changes; sensitivity; biological motion, 31186
disorientation tasks; object location; spatial reorientation; rotational movements, 28289
dual task processing; task interference; reaction time; ballistic movement; central-processing bottleneck; psychological refractory period, 33909
dynamic properties; relative mass; collision dynamics; computational modeling; visual perception; heuristics; exemplars; invariants; memory; cues, 24738
facial motion; familiarity; face recognition; viewing format, 30937
form and shape perception; perceptual persistence; shape-from-motion displays; motion perception; spatial organization, 21826
Frohlich effect; localization; lateral inhibition; attention; visibility; initial moving target signals; cumulative lateral inhibition theory, 33926
frontoparallel haptic space; task dependence; motion perception; reference orientation, 21857

gait perception; biological motion pattern; point lights walker; motion perception; event perception, 343
ganglion cell; psychophysical localization; moving targets; central motion mechanism, 6761
gradations; emulation learning; object movements; action imitation; infants, 6998
grouping cues; trajectory storage; multiple object tracking; common item motions; uniform direction, 21881
ideomotor compatibility; reaction time; object motion; dynamic movements; stimulus; movement observation; response; static movements, 3351
illusory motion; representational momentum; target movement; perceptual mechanism, 308
infant; cognition; self-propulsion; animacy; learning; concept acquisition; motion properties, 31420
infants; facial motion discrimination; face perception; biological motion cues; visual displays, 16134
inhibition; perceptual load; visual marking; motion; attention; motion blindness; selective inhibition; cues, 27727
interbodypart coordination tasks; central processing limitation; movement control; neural mechanisms, 18762
interception; binocular vision; action; motion in depth; information; catching; hand movements, 260
intuitive knowledge; physics; pendulum; cognitive development; children; imagery; task-specific knowledge; pendulum motion law; task conditions; judgment; perception, 781
language processing; auditory motion perception; sentence processing; visual perception; sentence comprehension, 33904
learning; self-propelled objects; motion; toys; infants, 10007
luminance interaction; chromatic motion perception; color perception, 6446
magnetic responses; direction specific adaptation; motion onset; velocity; temporo occipital area, 3299
migraine; form processing; motion processing, 23301
morphed motion; artificial smiles; natural smiles; personally familiar faces; face identity; moving face recognition advantage; degraded familiar face; static image; characteristic motion; memory, 21995
motion discontinuities; complex motions; motion perception, 21836
motion grouping; speed discrimination; thresholds; velocity, 18749
motion onset hypothesis; attention; motion perception, 21829
motion parallax; depth perception; historical descriptions; apparent motion; motion perception; head movement; binocular parallax; perceptual cues, 6473
motion perception deficits; albino ferrets; pigmented ferrets; moving patterns; random dot patterns; dynamic noise stimuli, 33929
motion perception; aging; vision; collision detection; driving, 15598
motion perception; temporal frequency; spatial frequency; coherent motion; pattern contrast; Fourier components, 3302
motion popout; visual orienting; selective orienting; moving targets; perceptual grouping; element density; age differences, 10040
motion segregation; colour; polarity; disparity depth; texture orientation; cued-preview; cue integration; figure-ground, 6475
multiple global motion solutions; object motion; cortical visual processing; global motion processing; intersection of constraints; vector average rules, 18700
navigation; visual information; body-based information; movement; spatial tasks; rotational movement; search; efficiency, 24766
object based anisotropies; Flash Lag Effect; flashed stimulus; motion signals; visual position; moving stimulus, 30948
object motion; flash-lag effect; spatial uncertainty; perceptual localization, 18727
optic flow; parametric decomposition; retina; surface patches; ego motion; natural motions; brain, 3300
oscillatory motion; change blindness; relative inability; normally sighted observers; scenes; low level signals; saccadic eye movements; artificial saccades; mud splashes, 12687
paradoxical lateralization; imagined foot movements; brain potentials; spatial organization; motor homunculus, 557
parietal cortex; movement intention; attention; neurons; saccades; monkeys; lateral intraparietal area; parietal reach region, 34117
perceived angular velocity; rotating object; aspect ratio; luminance; rotational motion percepts; ellipses, 33921
perceived speed; speed discrimination; visual systems ability; temporal area; visual cortex; macaque, 15881
perceived velocity; point light walkers; complex viewing; motion cues; motion perception, 285
perceptual decisions; motion pattern formation; computational simulations; luminance perturbations, 27812
perceptual filling in; motion induced blindness; temporary blindness; boundary adaptation, 24745
physical motion; computational theories; rhythmic structure; tempo rubato; kinematic approach, 9906
Pinna illusion; self motion; retinal expansion; local factors; global factors, 18716
position and motion signals; saccadic system; asynchrony; electrophysiological experiments; motion pathways, 21875
proprioception; bearing angle strategy; law of control; tendon vibration; interceptive task; virtual reality; moving target; velocity, 27720
proprioceptive acuity; ipsilateral position matching; velocity discrimination, 3553
prospective control; sport; motion perception; perceptual motor coordination, 2957
psychophysics; perceptual decisions; motion detection; motion pattern formation; luminance, 27729
pulvinar; visual attention; stimulus-driven control; motion; color, 3594
radial motion bias; macaques; frontal eye field; memory saccade task; visual receptive field, 34144
representational momentum; boundary extension; misremembering; object position; spatial processing, 307
representational momentum; internalized physics; visual short term memory; mislocalization, 6419
retinal optic flow; performance; motion energy; cyclopean stimuli; monocular information; virtual environments; eyes; visual control, 18732
retinal slip; rapid processing; macaques; middle temporal area; motion sensitivity; direction tuning; body movements; visual motion, 560
segregated objects; attention; letters; moving stimuli; stationary stimuli; attentional capture, 21841
sensitivity; motions; autism; neural etiology; neural information processing; perceptual abilities, 35085
sensory suppression; transparent motion; attention; illusory surface; signal detection; visual extrastriate cortex, 25044
smooth pursuit system; position input; visual axis; eye movements, 273
spatial channels; stereo; motion; noise stimulus; orientation, 18718
spatial cues; motion; head movements; face movements; experimental paradigm; invariance; visual perception, 3329
spatial memory; displacement; target motion; representational momentum, 24851
spatial modulations; temporal modulations; sensitivity; second order motion; first order motion; motion patterns; direction identification thresholds; luminance, 21859
spatial perspective; virtual reality; motion; reference frames; linguistic context; language, 21903
spatial relationships; distance perception; outdoor environments; observers judgement; perceptual distortions, 6470
speed control; accuracy; visually guided manual-pointing movements; motor actions; movements, 27746
stimulus factors; illusory rebound motion; color, 24744
surface markings; motion direction judgments; bias; direction; contours, 30893
temporal properties; biological motion; making motions; walking, 3310
three dimensional structure; motion selectivity; anterior superior temporal polysensory area; behaving monkey, 3528
timing; compression; flash-lag; neuronal delays; spatial localization; uncertainty; moving object, 27722
transparent motion; motion detection; global motion systems; speed processing, 18714
tunnel effect; object persistence; change detection, visual working memory; temporal same-object advantage, 27768
velocity perception; virtual reality; vehicle simulator; visual information; sound effects, 36564
visual areas; motion perception; dynamic form analysis; brain activity, 550
visual attention; cortical visual impairment; movement; color, 11141
visual awareness; position shift; visual motion; binocular rivalry, 3327
visual behavior; visual perception; moving objects; visual occlusion conditions; experienced athletes, 9547
visual distraction; search items; motion perception; contrast perception; visual search, 3312
visual fields; image motion; contrast motion; neurons; vertebrates; visual pathways, 548
visual illusion; motion perception; rotating tilted lines illusion, 30904
visual memory; moving scenes; simulated self motion; boundary extension; picture boundaries; depth axis; optical expansion pattern, 15710
visual motion perception; time course; neural responses; human visual system; two stroke; illusion; apparent movement, 30927
visual motion processing; exogenous cueing; feature based effects; spatial effects; cue target intervals, 30896
visual objects; subthreshold features; object based attention; visual perception; motion perception, 24759
visual perception; biological motion; human walking; motion signal, 30890
visual perception; motion coherence; rats; mice; coherence thresholds, 34013
visual perception; perceptual processing; individual differences; motion perception; visual attention; eye movements; orientation perception; seminar, 297
visual processing; motion perception; spatial integration; autism; thresholds; contour integration, 20072
visual search; human; chimpanzees; movement; attentional processing; perceptual organization; moving target; stationary items, 31251
visual search; motion singleton; visual images; visual motion; coherently moving distractors, 24733
visual speed perception; noise; speed discrimination; expectations, 33922
visual speed perception; noise; speed discrimination; expectations, 33942
visual system; motion information; velocity information; stereo information, 18707
visual transients; veridical position localization; moving objects; visual processing; visual areas, 21861
young infants sensitivity; shading stimuli; radial motion, 7021

Motion Pictures [See Films]

Motion Sickness—Serials

autogenic feedback training exercise; military pilots airsickness; motion sickness; autonomic nervous system response; physiological responses, 12273
novel motion effects; desensitization training regime; controlled breathing; habituation; motion sickness, 11153

Motivation [See Also Achievement Motivation, Affiliation Motivation, Animal Motivation, Educational Incentives, Employee Motivation, Extrinsic Motivation, Fear of Success, Hunger, Incentives, Intrinsic Motivation, Monetary Incentives, Procrastination, Sex Drive, Temptation, Thirst]—Serials

academic achievement; classroom assessments; social studies; science; middle schools; effort patterns; student perceptions; self efficacy, 18590
academic achievement; motivation; praise; effective applications; goal orientations, 11999
academic desire trajectories; discourses; subjectification; desire; biography; university cultures; discursive practices; empirical analysis; gendering processes, 2628
academic enablers; mathematics achievement; interpersonal skills; study skills; elementary grades, 11981
achievement & avoidance motivational orientations; mentoring; organization-based mentors & proteges; personal learning, 24302
achievement goals; task performance; interest; perceived goal; motivation, 6624
achievement settings; writing based attributional retraining; primary control; secondary control; psychotherapeutic motivational intervention, 25594
achievement; goals; performance; contingencies; motivation, 6407
adolescent smokers; identity of control; smoking motivation; confidence in ability to quit; social & cultural characteristics; occasional smokers; daily smokers, 10146
adolescent students; self evaluations; time perspectives; school motivation; self efficacy; social self concept; school investment; academic achievement; age differences, 2705
affect; emotion regulation; neuroticism; performance; motivation; worry; task demand; trait-consistent regulation, 455
affective beliefs; attitudes; theory of planned behavior; physical activity; intention, 11502

age differences; attitude change; cognitive resources; motivation; argument quantity; persuasive arguments, 31936
age differences; goal autonomy; motivation; college students; parents; trait perspectives; life satisfaction; humanistic perspective, 19655
age related differences; emotional advertisements; consumers responses; motivation, 12285
aging; emotion; memory; motivation; executive function, 10188
aging; motivation; technology acceptance; innovation; cost & benefit, 16078
alcohol use; college students; affective states; drinking motives; social contacts; keg parties, 7869
alcohol; automatic processes; hazardous drinking; implicit measure; self-regulation; drinking motivation; Implicit Association Test, 30743
altruistic helping; goal achievement; motivation; human infants; chimpanzees, 15832
animal cruelty; motivations; childhood behavior, 4433
approach avoidance social motivation; friendship; well being, 13530
arts; Parkinson's disease; artists; motor impairments; creativity; drawing; motivation, 29249
asymmetrical outcome dependency; dyadic interaction; interpersonal accuracy; feelings; motives; behavior, 31795
at risk youth; tobacco cessation; smoking cessation clinic; motivation, 20901
attribute importance method; reason method; understanding behavior; Internet job search behavior; perceived importance; motivating behavior, 9091
autocratic leadership; leader self-sacrifice; emotional reactions; motivation, 13445
avoidance social motives; approach motives; goals, 13481
behavioural difficulties; problem solving skills; pupil motivation; thinking skills, 28999
career values; learning experiences; motivations; underserved populations; college students; helping, 8768
childless; motives; parenting; career; leisure; sociological factors, 980
children; movement self concept; Motivational Spiral Model; Self Evaluation; physical activities; task strategies; child motivations; child health; educational programs, 6945
Chinese classrooms; cross cultural application; immediacy learning models; motivation; teacher immediacy; affective learning; cognitive learning, 27206
cigarette smokers' attitudes; quitting motivation, 19620
clinical structure; masochistic fantasy; symbolic law; social violence; desire fulfillment; drive satisfaction; perversion; psychoanalytic treatment; forensic psychotherapy, 11362
coaching climates; mastery avoidance achievement goals; situational motivation; social cognitive influences; sports; swimming, 16155
cognition; motivation; emotions; Hispanic students; White students; mathematics achievements; self efficacy; mental ability; racial differences, 24219
cognitive motivation; negotiation role; buyer seller negotiation, 15156
college students; romantic attraction; peers; physical disabilities; motivation; discomfort, 32006
college teacher ratings; web sites; student motives; students perceptions; United States; Canada, 5832
color preferences; sensation seekers; motivation; artistic expression; boredom, 25701
community attitudes; birth fathers; motives; adoption placement; single parenting, 1008
commuting; trains; stress; cortisol; motivation, 21515
competition; motives; social interdependence; strategies; organizations, 27428
complex roles; motivation; text medium; persuasion process; belief change; motivational constructs; mode of delivery, 11844
conditions; school motivation; construct validity; applicability; students; McInerney's Facilitating Conditions Questionnaire, 3202
constraints on learning; single incentive selective associations; stimulus-reinforcer interactions; appetitive aversive interactions; avoidance; food; shock; pigeons, 6666
construal; fate judgments; counterfactual judgments; counterfactual attributions; time; temporal distance, 28630
consumer intention; mobile service use; motivational influences; attitudinal influences; normative pressure; perceived control; service comparisons, 3003
contextual influences; moral functioning; footballers; aggressive behaviors; cheating; motivation; modelling; youth, 19230
COPE inventory; dimensionality; approach and avoidance motives; positive traits; negative traits; coping strategies; self sufficiency; social support, 22830
counselor education; doctoral level programs; job satisfaction; motivation; faculty members; accredited programs, 21327
creativity; sexual selection; parental investment; self presentation; mating goals; mating motivation, 28579
cumulative risk estimates; judgment strategies; motivational processes; cognitive heuristics, 4226
curiosity; pleasures; learning; neuroscience; motivation; affective experience, 6764
decision making; family discussions; organ donation; motivated information management, 25576
decision making; genetic testing; Huntington disease; breast cancer; autosomal dominant disorders; motivational factors, 10377
decision making; motivation; career search behaviors; self regulation; gender differences, 27250
decisional balance; Motivational Interviewing; alcohol consumption; safe sex behavior; motivation; college males, 15110
design principles; animated pedagogical agents; motivation, 11907
desire crystallization; discontent crystallization; life changing decisions; personal narratives; personality; well being; decision outcomes, 1207
desire; foresight; intention; intentional actions; folk intuitions; morality, 31805
desires; impulsive choices; decision making, 9516
desires; theory of mind; early childhood development, 9993
developing creativity; motivation; self actualization; learning systems; failure, 10479
dietary restraint; feminist identity; vegetarianism, 19586
diets; eating motives; restrained eating; hedonic appetite system; energy balance; physiological vs psychological hunger; obesity, 4586
diminished motivation; traumatic brain injury; biopsychosocial approach; motivational impairments, 1797
discrimination; racism; bias; decision making; affirmative action; mixed motives; racial bias; college admissions, 13314
divergent thinking; discretionary time on task; motivation; creativity; ideational behavior, 16571
diversification heuristic; covariation neglect; novice investors; portfolio diversification; 1/n heuristic, 30989
divorce motives; Dutch life history; relational issues; behavioral problems; work problems; marriages; division of labour; theories, 16334
domestic violence; violence perpetrators; gendered comparison; motivation, 4436
drinking motives; alcohol expectancies; self-efficacy; drinking behavior, 818
drinking motives; young people; drinking motivation; demographic factors; personality; contextual issues, 34646
drinking; motivations to drink; adolescent children; parental alcohol problems, 22518
drive mounting; object; will of jouissance; enjoyment; desire; analyst's desire; perversion; psychoanalysis, 11354
drug abuse treatment; treatment dropout; subjective reasons; client motivation; personality; symptoms, 14741
eating disorders; smoking motivation; women; anorexia nervosa; bulimia nervosa, 10919
economic crisis; women's childbearing motivations; abortion attitudes; public assistance; welfare reform, 13366
educational psychology; cognitive psychology; behavioural psychology; social cognitive theory; humanism; motivation, 8842
ego involvement; Difficulty Law of Motivation; cardiovascular reactivity; motivational intensity theory, 31865
electronic animal identification; animal motivation; sheep; pasture resources; diet preference; movements, 9690
electrophysiological ratio markers; reward; punishment; decision making; motivational imbalance; electroencephalogram; EEG; psychopathology; Iowa gambling task, 595
emerging adults; reflectivity; doing mode; growth; change; goals; inner processes, 16576
empathy-motivated helping; group membership moderation hypothesis; intercultural context; cultural groups; empathy; ingroup members, 25586
empathy; instrumentality; volunteer motivations; altruism; volunteers, 28554
engaged participation; sociocultural model; motivation theories; educational assessment, 5800
engagement in therapy; motivation to change; adult prisoners; University of Rhode Island Change Assessment; Treatment Motivation Questionnaire, 30668
engagement modes model; flow experience; information technology; personality orientations; motivation, 18396
environmentally beneficial choices; motivational causes; environmental values; conservation, 27488
ethnicity; self detoxification; opioid drugs; Asian groups; Whites; motivation; drug treatment service, 23964
excitement motives; sociability; sport spectators; entertainment sport events; soccer; ski jumping; sociodemographic variables; scale development; reliability, 9373
exciting store environment; retailer; consumers motivational orientation; shopping behavior, 15233
exercise motivation; public health; social recognition; self determination, 4898
exercise; self-efficacy expectations; outcome expectations; minority older adults; motivation; Senior Exercise Self-Efficacy Pilot Program, 16233
experimental analysis; reading intervention; reading instruction context; group instruction; motivation, 33387
explicit persuasive intent; success impact; communicators physical attractiveness; likeableness; salespersons, 28681
factorial structure; motivation; anorexia nervosa; Anorexia Nervosa Stages of Change Questionnaire; test reliability; test validity; psychometrics, 33834
Family Check-Up; incarcerated adolescents; parents; motivation measure; at risk behaviors, 3146
feasibility; motivation; motor control; virtual reality; conventional home exercise; childhood development; cerebral palsy; computer applications, 23406
fidelity measures; motivational interviewing; clinical supervisors; substance abuse; behavior problems; therapist competence; drug rehabilitation, 30131
food security; materialism; security motivation; food availability; life goal; obese persons, 7459
foreign languages; language learning; motivation, 11858
forgiveness; family roles; social relations model; transgression related interpersonal motivations; forgivability, 975
forgiveness; rehabilitation; patients motivation; pastoral care; therapeutic outcomes, 11449
formal training; medical education; scholarly evaluation; colleagues manuscript; peer reviews, 27063
friend influence; prosocial behavior; motivational factors; friendship characteristics; individual characteristics; friendship quality; adolescence, 10094
functional approach; volunteerism; task preference; functional differences; motives; volunteer tasks, 7503
genetic testing; smoking cessation; motivation; complex diseases, 2375
goal construction; personality; motivation; adulthood transition, 7539
goal orientation; teacher motivation; teacher applicants; student teachers, 17981
goal pursuit; sustained motivation; behavioral persistence; priming; self-as-doer construct, 28651
goal setting tendencies; work motivation; organizational climate; employee perceptions; nurses; officers, 24090
grassroots leadership; personal values; motivating factors, 4135
group dominance perspective; social dominance; motivated cognition; affirmative action; framing effects; motivated cognition; social cognition, 19561
group negotiation; social motives; group performance; prosocial motivation; divergent performance; convergent performance; creative task; planning task, 1124
groups; performance feedback; motivation gain; dyads; identifiability, 1141
habituation; salivation; motivation; food cues; salivation, 28359
hate crimes; risk assessment; bias motivated acts; violence; perpetrators age; victim gender; substance abuse; mentally disordered offenders; guilty, 4112
health behavior change; couple dynamics; interdependence; motivation, 20717
health risks; problem alcohol use; criminality; at risk groups; motivational interventions; arrest; offenders; treatment program evaluation, 35052
heritage site; tourist perceptions, 24427
HIV; adherence; highly active antiretroviral therapy (HAART); antiretroviral therapy (ART); information-motivation-behavioral skills (IMB) model, 29765

human facial expression; evolutionary view; communication; expression; emotions; social motives; ethology, 13434
human motives; self interest, 6616
humor; tourism; social comic relief theory; tourist motivation levels; satisfaction levels, 33604
identity styles; causality orientations; motivational underpinnings; identity exploration process; self-determination theory; late adolescents, 7544
identity; language; sexuality; gender; desire, 4215
implementation intentions; driver behavior; speeding; motivation; volition; compliance, 27490
implicit affiliation motives; implicit power motives; Costa Rican people; Cameroonian people; German people; cultural test bias; thematic apperception measures, 54
impulsiveness; personal efficacy; academic motivation; college cheating; student behavior, 21206
individual differences; motivated social cognition; self serving information processing; self serving domains; rationalization; cheating, 410
individuality; independent self concepts; public judgments; cognitions; motivation, 28696
infant development; pointing; motivation, 25277
injecting drug use; young adults; Amsterdam; disease prevention; client attitudes, 29834
integrating motivating; constraining forces; deviance causation, 7759
intellectual disabilities; family placement schemes; provider characteristics, 2318
intercultural contact; tourism; language attitudes; language learning motivation, 3820
interpersonal behavior; interpersonal motives; approach; models; noncomplementary reactions; complementary reaction; individual differences; indifference; circumplex model, 13457
interpersonal forgiveness; altruism; God; love; enemies; psychological processes; motivation; virtues, 25716
interpersonal motives; interpersonal interaction; noninterpersonal interactions; individual differences; motive activation; interpersonal behaviors; frustration of activated motives; assertiveness, 28589
interspecies hormonal interactions; man; domestic dog; motivation, 34008
late parenthood; subfertile couples; fertile couples; parenthood motivation; educational goals; femininity; masculinity; desire to have children, 7276
lateral hypothalamus; orexin neurons; reward seeking behavior; motivation; drug reward; food reward, 9761
linguistic accommodations; older adults; communication disorders; partner motivation, 7992
Lou Andreas Salome; desires; writer; psychoanalyst, 11203
low stakes testing; motivation; differential effort; test validity; response time; computer based test, 18599
malt liquor consumption; community college students; beverage; intoxication; economics; health; mood enhancement; motives, 28521
manual handling; hoist; occupational safety; health care workers; theory of planned behavior; protection motivation theory; social cognition, 21045
marijuana use; motivation to change; incarcerated adolescents; treatment; Marijuana Ladder; test validity; psychometrics; test reliability, 21687
Maslow's psychological theories; self-actualization; open populist movements; closed populist movements; group motivation, 7297
maternity leave; return to work; nurse motivations; nurse attitudes; work schedules, 5972
math motivation; science motivation; choices; beliefs; longitudinal associations; out-of-school activities; values; course enrollment; activity participation; gender, 12009
mathematics homework; homework efforts; motivational antecedents; expectancy value framework; students conscientiousness, 30351
meaning maintenance model; social motivations; world view; mental representations; psychological threats, 22817
memory; embodied cognition; extended mind; motivation; cognitive science; individual differences, 24833
mental fatigue; contingent negative variation; action monitoring; error related negativity; motivation; behavior; event related potential; individual differences; performance, 15838
mice learning; win-shift contingency; water escape; motivation; intertrial interval, 6663
middle school teachers; classrooms; motivating instruction, 11852
midlife women; physical activity motives; physical activity participation, 35751
military service motivation; terror management theory; death salience; mortality salience; self esteem; hardship anticipation, 33615
moral mandate; fairness; justice; anger; motivated reasoning; group differentiation, 19514
motivated gaze; goal achievement; eye tracking; emotional information; older individuals, 24747
motivated responses; senseless violence; emotional responses; behavioural responses; person identification; position identification, 7826
motivating novice students; textbooks reading; teacher feedback; teachers, 33442
motivating operations; appetite research; behavior analysis; eating behaviours, 1199
motivating students; technology skills classes; self-efficacy; learning behavior; college students, 33461
motivation factors; value structure; charitable giving, 31796
motivation filtering; test score validity; student attitudes; educational quality, 12556
Motivation for Religious Behaviour Questionnaire; Maslow's Hierarchy of Needs; reliability; social validity, 12461
motivation measurement; students motivation; cross cultural approaches, 5791
motivation skills; behavioral skills; African American girls; mothers; intervention; sexual communication; dyads, 28222
motivation; audio review; health behavior; risk factors; interventions; treatment, 31087
motivation; close relationships; sacrifice; relationship maintenance; daily experience methods; intimate relationships; motives; approach; avoidance; well being; relationship quality, 1139
motivation; family environment; student characteristics; academic achievement, 33435
motivation; goal focus; optimization; compensation; age-related differences; younger vs older adults; performance, 22415
motivation; interpersonal conflict management styles; leadership effectiveness, 25588
motivation; interview; psychotic disorders; patients; schizophrenia; medication; substance abuse disorders, 32137
motivation; learning environment; achievement goals; self-efficacy; Korean girls, 8985
motivation; life events; problem drinkers; community; alcohol consumption; drinking severity; natural history, 10819
motivation; metacognition; psychopathology; learning disabilities; at risk populations, 29135
motivation; psychotherapy; somatoform symptoms; long-term treatment outcome; cognitive-behavioral treatment; psychopathology; psychological distress; treatment expectations; somatization syndrome, 26607
motivation; reinforcement; rats; pedunculopontine tegmental nucleus; sucrose consumption; reward; runway; mesopontine tegmentum, 22143
motivation; routine activities theory; sex offenders, 7899
motivation; self efficacy; leadership experience; collective efficacy; individual differences, 2782
motivation; self-determination; well-being; performance; self-regulation; academic performance; students, 36305
motivation; smoking reductions; health information; safer smoking tips; cigarette smokers, 29791
motivation; visual perception; motivated reasoning; New Look; ambiguous figures, 33902
motivational activities; early treatment engagement; probationers; gender differences; substance abuse treatment; treatment effectiveness evaluation, 20879
motivational climate perception; athletes; competitive sports; needs satisfaction; psychological well-being; physical well-being; team sports, 18337
motivational climate; goal orientation; adolescent female softball players; parents, 10158
motivational cultural intelligence, realistic job preview; realistic living conditions preview; cross cultural adjustment, 15176
motivational effects; procedural justice; informational justice; feedback processes; credibility motivation relationship; fair treatment; appraisal process, 33514
motivational enhancement; military veterans; posttraumatic stress disorder; brief therapy intervention; readiness to change; behavior change, 11343
motivational factors; foreign language learning; cultural variation; language assessment; language acquisition, 5812
motivational factors; learning strategies; resource management; course grade; college students, 27220
motivational influence; self perception; perceived ease of recall; autobiographical memories; success promoting attributes; introversion, 13576
Motivational Interviewing Skill Code; coding system; content validity; test reliability; treatment situations, 22
motivational interviewing; drug-related problems; alcohol abuse; age differences; adolescents; young adults, 23160
motivational interviewing; HIV testing; American Indian substance abuse treatment facility; risk factors, 11501
motivational interviewing; self determination theory; therapeutic change; need satisfaction; internalization, 32813
motivational interviewing; self-determination theory; theoretical framework; counseling, 1968
motivational interviewing; within session client behavior; smoking cessation; principles; African American smokers; counselor adherence, 14743
motivational matching; attitude function theory; functional approach; organ donation; persuasive messages, 4154
motivational selectivity; adult development; goal-pursuit involvement; intergoal facilitation, 15758
motivations; medico legal action; accountability; restoration; correction; communication; sanction; compensation; New Zealand, 36624
motive congruence; interpersonal identity Status; ego identity formation; self attribution; affiliation motivation, 22819
motor behavior; incidental evaluations; motivation; inhibition; affect, 24729
multiple achievement goal benefits; physical education; ego orientation; task orientations, 27228
music practice; band; orchestra; sixth-grade instrumentalists; motivation, 34238
national tragedy; altruistic motivations; egoistic motivations; social support; helping behaviors, 16437
need for cognition; message complexity; motivation; cancer information service; fruit intake; vegetable intake, 26542
need fulfillment; self expansion; susceptibility predictors; infidelity; motivation, 34677
need to belong; group discrimination; prejudice; interpersonal motivations, 10397
negative motives; attribution; attitude disagreement, 4184
negotiation; dual process models; epistemic motivation; information processing; conflict; social motivation; strategic choice, 25593
neurobiology of decision making; anticipation; anxiety; choice selection; development; motivation; schizophrenia, 3557
nonconformity; mating goals; fear; self-presentation; social influence; social motives; self-protection; mate attraction, 28580
nonpsychotic nonparaphilic self amputation; Internet, 4293
normative motivation account; emotional support; sex difference; messages, 7396
Nursing Motives for Helping Scale; test validity; test reliability; psychometrics; altruistic motivation, 21703
object labels; desires; conventional nature; nineteen-month-olds; understanding; cognitive generalization, 34352
object relationships; metapsychology; drives; modern drive theory; sexual drives; preservative drives; aggression; structures; psychoanalytic theory, 7562
online deception; prevalence; motivation; emotion; moral standards, 16002
organizational citizenship behavior; motives; motive fulfillment; role identity; workplace, 33555
organizational climate; occupational safety; accidents; injuries; organizational behavior; safety motivation, 30526
organizational environment; salesperson motivation; sales organizations; control, 5970
organizational justice; learning motivation; training outcomes, 30467
overseas nurse motivations; global workforce migration; nurse perspectives; globalization, 5979
paradoxical effect; positive self statements; social skills; thoughts; moods; motivations; attitudes, 29441
parent motivation; treatment participation; family; treatment barriers; test validity; Parent Motivation Inventory; test construction; test reliability, 27636
participation rates; participant motivational characteristics; psychology experiments; customary rewards, 34763
pathological gambling; intervention; cognitive behavior therapy; motivational enhancement, 20534

patient attitudes; motivation for treatment; readiness for change; substance abuse treatment; hospitalized patients, 35437
payoff structure; regulatory focus; perceptual categories; motivation & learning; promotion focus; prevention focus, 9601
peer relationship profiles; motivation; youth sport; motivational salience; group differences, 36521
perceived health; smoking behavior; smoking motivation; smoking cessation, 16953
performance approach avoidance motivation; planned behavior theory; model stability; Greek students; learning disabilities; academic achievement, 2709
Personal Concerns Inventory; motivation; monitoring; treatment engagement; psychometrics; addictive behaviors; offenders; test reliability; test validity, 21686
personal relevance effects; action expectation; left frontal cortical activity; negative affects; motivational direction; affective valence, 25013
physical activity; spinal cord injury; patient; cardiovascular conditioning; motivation, 35227
physical health; substance abuse treatment; medically ill adults; motivation; addiction treatment; hospitalization, 35982
Polish weblogs; content analysis; motivations; gender differences, 34687
popular media; transformation; desires; consumers; transition; technology; lifestyle, 34654
positive gender stereotype; performance; motivation; domain identification; stereotype valence, 19573
preschool students; choice behavior; motivation; future; current desires, 28315
preschoolers; speakers desires; new words; toys; word learning, 25290
presidential stalkers; assassins; attack behavior; United States; motivation, 32295
proactive personality; motivation to learn; five factor model of personality; development activity, 28668
proactivity; self-efficacy; autonomy; trust; flexible role orientation; model; personality & work environment antecedents; proactive work behavior; cognitive-motivational mechanisms; problem solving, 24402
problem learning; traditional instruction; self-regulated learning; motivation; learning strategies; goal orientation, 27198
procedural justice; voice; approach-avoidance; hedonic motivation; motor action, 34707
process utility; help seeking; motivation; economic outcomes; service providers; experts, 22770
processes of change; physical exercise; protection motivation theory; social cognitive theory; transtheoretical models; self efficacy; social support; environmental support, 25633
prosocials; social value; maximizing joint outcomes; equal outcome, 31719
psychological defense mechanisms; motivational factors; tobacco; smokeless tobacco users; neuroticism; smokers, 31715
psychotherapeutic models; integrated approach; client attitudes; group work; strategies; problem solving; behavior change motivation; Montreal Model, 23637
psychotherapy; training; motivation enhancement; client motivation; resistant clients; degree status; psychotherapeutic technique workshops; workshop duration; health care providers, 14812
racial bias; perceptions; athleticism; motivation; racial stereotypes; criminal behavior, 31808
recent drinking consequences; motivation to change; alcohol consumption; behavior change, 13948
regulatory focus; desire; self control; temptations; consumer attitudes, 18362
regulatory focus; fit; motivation; input; stop rules; rightness feelings, 33997
relationally autonomous reasons; personally autonomous reasons; relational-interdependent self-construal; motivation; goals, 22815
relationship satisfaction; career motivation; attachment style; socioeconomic status; educational status; occupational status; racial ethnic groups; professional women, 4123
retention; motivation; top performers; healthcare industry; nursing; job satisfaction; human resource, 30437
reversal theory; motivation; emotion; sport psychology, 2943
Russian activity theory; cognition; motivation; behavior; Russian ergonomists; Russian systems designers; human operator, 15271
salivary cortisol; reaction time; cognitive tasks; implicit power motivation; individual differences; dominance contest, 15935
school achievement prediction; cognitive ability; motivation; intrinsic value; elementary school children; general factor; g, 33445
school-leisure conflict; educational functioning; conflict research; behavioral issues; negative academic outcomes; motivational model; mental health; college students, 11853
self accountability emotions; fear appeals; motivating behavior, 19644
self determination theory; motivation; tobacco cessation; autonomy support; competence; abstinence; internalization; models, 11677
self determination; physical activity; self concordance; motivation; functional persuasion, 8485
self efficacy; motivation; smoking cessation program; bupropion, 8646
self-control strength; self-regulation; motivation; goals; conservation, 31906
self-esteem; self-enhancement; identity motives & construction, 16583
self-protection; self-preservation; self-conservation; maintenance; outreach; thrust to wholeness; protective motives, 33746
self-regulation; self-efficacy; motivation; control theory; training; exam performance; undergraduate students; learning context, 33446
sensation seeking; anxiety; fear; startle; psychophysiology; predictability; unpredictability; aversive motivational system; skin conductance, 6622
sense of remaining time; motivational variables; socioemotional selectivity theory; cognition; emotion, 28229
September 11 attacks; social goals; Severe Acute Respiratory Syndrome; epidemic; sociocultural events; motivation, 28600
severe and persistent mental illness; motivation for change; alcohol abuse; dual diagnosis, 19750
severe mental illness; work experiences; employment status; problem solving; motivation, 13660
sex differences; motivation; self efficacy; coping styles; incarcerated drug users; substance abuse treatment program, 13976
sex differences; personal incentives; self motivation; perceived positive changes; feelings; exercise; weight management, 25640
slot machine simulation; gambling; money; response effort; nonpathological gamblers, 34770
smoking behavior; psychiatric hospitalization; patients; nicotine replacement; smoking cessation; motivation; cigarette smoking, 17787
smoking cessation studies; cigarette smoking; motivation to quit, 14751
smoking cessation; self motivation; teenagers; controlled regulation; autonomous regulation; scale development, 41
social compensation; social comparison artifact; group performance; group motivation, 28592
social interaction; family relationships; loneliness; mall shopping; motivation; older consumers; mall spending, 12280
social motivation; sexual motivation; mouse; estradiol; social isolation; operant behavior, 9883
soma; psyche; psychoanalysis; drives; somatic illness; libido, 31941
sport motivation scale for children; physical education classes; psychometric properties; test validity, 9358
stereotypic impressions; conversation; dyads; model; gender role; ethnicity; motivation; group identity, 31772
strength training; older adults; confidence; muscular strength; self efficacy beliefs, 10194
subconscious; priming; goals; goal motivation; task performance; conscious goals, 30877
subiculum; instrumental learning; dopamine receptors; motivation; rats; motor behavior, 22334
subiculum; instrumental learning; dopamine receptors; motivation; rats; motor behavior, 22291
suicidal plans; suicidal desires; suicidality; Nepal, 7778
tanning; Physical Appearance Reasons For Tanning Scale; sunbathing; UV exposure; skin cancer prevention; indoor tanning intentions; test reliability; appearance motives, 30761
teacher immediacy; motivational factor; student learning; causal model; cognitive learning, 18003
teacher nonverbal immediacy; teacher credibility; student motivation; student affective learning; college teachers; college students, 27226
team process; players psychological responses; failure; national volleyball team; athletes; team motivation, 36517
test development; validation; student test-taking motivation; self report; factor analysis; psychometrics, 27658
test taking motivation; goal orientation, 8838
theory of planned behavior; exercise motivation; congenital heart disease; physical activity; patient attitudes, 2211
theory of reasoned action model; motivation; consumers; hedonic involvement; self-expressive involvement; self-concept congruity, 12295
therapeutic alliance; motivation; treatment outcomes; alcohol use disorder; treatment compliance, 35975
therapist influence; client language; motivational interviewing; motivational enhancement therapy, 23604
threat categorizations; extroversion; reaction time approach; avoidance motivation; object appraisal functions, 1246
transtheoretical model; self-efficacy; processes of change; pros; cons; intention-behavior profiles; motivation; physical activity, 20724
treatment motivation; treatment expectancy; helping alliance; outcomes; cognitive behavioral treatment; obsessive compulsive disorder, 25995
value; motivation; pleasure & pain; engagement; decision making; emotion; hedonic experience; judgment, 24877
variability; motivation; athlete burnout susceptibility; college athletes; swimming, 18334
visceral drives; emotional states; behavior, 27922
visceral influences; risk taking behavior; cues; immediate gratification; consummatory behavior; desire; social cognition theory, 21919
web usage; gender differences; human factors; Technology Acceptance Model; extrinsic motives; intrinsic motives, 13507
white collar crime; American dream; institutional anomie theory; economic institutions; commitment; motivations; violent crime; material success, 26168
work stressors; motivation; performance, 12241
young people; drinking motives; consequences, 4491
young women; voluntary sexual intercourse; wantedness factors; sexuality, 1065
youth development programs; motivational change; civic activism organization; grounded theory, 31379

Motivation [See Also Achievement Motivation, Affiliation Motivation, Animal Motivation, Educational Incentives, Employee Motivation, Extrinsic Motivation, Fear of Success, Hunger, Incentives, Intrinsic Motivation, Monetary Incentives, Procrastination, Sex Drive, Temptation, Thirst]—Books

Addictions counseling: A practical and comprehensive guide to counseling people with addictions (rev. & updated ed.)., 4505
Daring wives: Insight into women's desires for extramarital affairs, 19370
On the Theory and Therapy of Mental Disorders: An Introduction to Logotherapy and Existential Analysis, 1938
Service learning in grades K-8: Experiential learning that builds character and motivation, 33429
The teacher's reflective calendar and planning journal: Motivation, inspiration, and affirmation, 30261

Motivation [See Also Achievement Motivation, Affiliation Motivation, Animal Motivation, Educational Incentives, Employee Motivation, Extrinsic Motivation, Fear of Success, Hunger, Incentives, Intrinsic Motivation, Monetary Incentives, Procrastination, Sex Drive, Temptation, Thirst]—Chapters

Desire and Fantasy: A Psychoanalytic Perspective on Theory of Mind and Autism (1993), 29124

Motivation Training—Serials

eating disorders; Jordanian women; good prognostic factors; bad prognostic factors; illness course; medical treatment; motivation enhancement therapy, 4590
eating disorders; motivational interviewing; bulimia nervosa; binge eating disorder; motivational enhancement therapy; self help treatment; compliance; readiness to change, 17435
motivational enhancement therapy; adolescents; cannabis; marijuana; school based intervention, 26540
motivational interviewing; attention control; relaxation training; substance abuse treatment engagement; incarcerated adolescents, 17763

Motor Coordination—Serials

adaptation; one handed catching behavior; developmental coordination disorder, 23205
anchoring strategies; bimanual coordination pattern; movement cycle, 18766

Motor Coordination—Serials

bimanual co-ordination; children; young adolescents; hemiparetic cerebral palsy; congenital brain damage, 26451
bimanual coordination; motor planning; prehension; end state comfort effect; posture, 30957
concurrent cognitive tasks; coordination dynamics; bimanual rhythmic coordination, 254
coordination; coupling; dynamics; human; movement; metronome beats, 24778
developmental coordination disorder; prevalence rates; Canadian children; Greek Children; lifestyle differences, 25790
developmental coordination disorder; rhythmic movement; temporal movement parameterization, 14032
divided attention; memory; encoding; retrieval; word recall; bimanual rhythmic coordination; coordinate dynamics, 438
feedback; reaching; eye-hand coordination; online control; forward model; target location; point to point movements, 6497
global perception; small numerosities; subtizing; cerebral-palsied children; eye-hand coordination; counting performance, 20242
hand preferences; baboons; unimanual task; coordinated bimanual tasks; handedness, 6809
haptically linked dyads; target acquisition task; motor task execution, 24779
horse; rider; coordination dynamics; phase synchrony; ensemble motions; trot sequence, 6500
infants; perseverative reaching; developmental progress; stability; reach kinematics; motor development, 25251
intentional switches; bimanual coordination patterns; nondominant hand; handedness, 22162
interbodypart coordination tasks; central processing limitation; movement control; neural mechanisms, 18762
interface stability influences; torso muscle recruitment; spinal load; pushing tasks; electromyographic activity, 22257
intermanual interactions; movement amplitudes; endpoint locations; cues, 18763
interval timing; functional mechanisms; neural mechanisms; movement speed; motor control, 9791
low-level motor control; masked priming; motor activation; inhibition, 24780
manual incoordination; attention deficit disorder with hyperactivity; accuracy drawing task; dual task; resistance to distraction; developmental coordination disorder, 17054
motor coordination; transgenic mice; genes; genetics; exploratory activity; trisomy 21, 6727
motor imagery; object hand interactions; corticospinal excitability; transcranial magnetic stimulation, 3347
neuromuscular skeletal origin; predominant pattern; coordination; rhythmic two joint arm movement; rhythmic flexion extension, 12698
new postural patterns; preexisting spontaneous behaviors; ankle hip relative phase; coordination, 27810
polyrhythmic temporal coordination; bimanual circle tracing; movement amplitude; natural tracing frequency; arms, 21894
primary neurologic screening; motor coordination; spinocerebellar atrophy; sensorimotor pathways; mutation, 544
rat fetus; limb coordination; motor learning; interlimb yoke; conjugate movements, 9700
response response compatibility; bimanual movements; spatial stimuli; numeric stimuli, 6499
rhythmic bimanual coordination; allocentric constraints; egocentric constraints; motion mediation; motion plane; vision, 6504
shared cortical anatomy; motor awareness; motor control; brain lesions; brain damaged hemiplegic patients, 1772
socialization; behavioral problems; elementary school pupils; developmental coordination disorder; motor coordination, 10780
visual environment; aimed movements; movement execution; visual motor coordination; visual information; trace feedback, 21901
visually guided action; braking; perceptual motor calibration; optic flow; deceleration, 242

Motor Cortex—Serials

botulinum toxin type A; cortical excitability; transcranial magnetic stimulation; motor cortex; motor evoked potentials, 28150
brain asymmetry; handedness; capuchin monkeys; lateralization; Cebus apella, 9815
deep brain stimulation; chronic pain; motor cortex stimulation; pain syndrome; neurosurgeons, 23786
depressive moods; index finger force; motor cortex stimulation; transcranial magnetic stimulation; motor processes; depressive symptoms, 19813
electroconvulsive therapy; motor cortical excitability; depressive patients; anticonvulsant effects; neurotransmission; transcranial magnetic stimulation, 23732
figure ground segregation; transcranial magnetic stimulation; visual stimuli; visual areas; visual perception, 3571
frontal operculum; inhibition; attentional capture; visual marking; premotor cortex; visual attention; lesion; frontal operculum; interference, 20276
frontotemporal dementia; Alzheimers disease; short latency afferent inhibition; motor cortex, 35280
hemimedullary syndrome; ipsilateral sensorimotor deficits; vertebral artery dissection; ipsilateral hemiparesis; sensory loss, 20291
left frontal response; tools use; motor experience; lexical competition; speech; prefrontal cortex; neuroimaging, 15877
local morphology; functional organization; dorsal premotor region; eye field; visuomotor hand conditional activity, 34068
long term potentiation; repetitive transcranial magnetic stimulation; neural responses; motor cortex; electrical stimulation, 19013
lorazepam effects; dextromethorphan effects; transcranial magnetic stimulation; human motor cortex; cortical responses, 3678
mediated learning; delayed auditory feedback; motor repatterning; reduce stuttering; verbal fluency; ADHD; attention deficit hyperactivity disorder, 10892
middle cerebral artery stroke; brain activation; brain reorganization; recovery assessment, 11034
mirror neuron system; neurorehabilitation; motor cortex; imitation learning; motor imagery; rehabilitation; stroke, 23407
motor cortical deactivation; motor cortex; movement interval; cognitive demands; postmovements, 34143
motor memory; memory consolidation; motor consolidation; anatomical basis, 15584
motor thalamus; prosimian galagos; frontal lobe; motor cortex, 9760
neuroanatomical asymmetries; electrical stimulation; motor cortex; chimpanzees; visual search, 34075
premotor cortex; electrical stimulation; frontal lobe; lesions; supplementary sensorimotor area; laughter; surgery; speech; patients, 23476
premovement component; local field potentials; neuron discharge; motor cortex; monkeys, 19017
presymptomatic members; spinocerebellar ataxia; multimodal electrophysiology; mutation; at risk population; somatosensory evoked potentials; transcranial magnetic stimulation, 1809
primary motor cortex; off line learning; repetitive transcranial magnetic stimulation blocks; brain state, 3610
rapid modulation; gamma aminobutyric acid concentration; human sensorimotor cortex; motor learning task; magnetic resonance spectroscopy, 25008
repetitive transcranial magnetic stimulation; electroconvulsive therapy; depressive patients; motor cortical excitability; dorsolateral prefrontal cortex; therapeutic interventions; major depression, 11423
repetitive transcranial magnetic stimulation; treatment; obsessive compulsive disorder; Tourette's syndrome; motor cortical regions, 14525
sensorimotor adaptation; dorsal premotor cortex; on line error corrections; human brain; transcranial magnetic stimulation; learning process; visual targets, 34102
sensorimotor attenuation; central motor command signals; conditioned suppression; human body; transcranial magnetic stimulation; motor cortex, 22224
shared cortical anatomy; motor awareness; motor control; brain lesions; brain damaged hemiplegic patients, 1772
supplementary motor area; motor processes; perceptual processing; MRI; event related potentials, 28103

Motor Development [See Also Perceptual Motor Development, Psychomotor Development]—Serials

age differences; cyclic aiming movements; discrete aiming movements; speed/accuracy trade-off; motor leanring; motor development, 16133
autism; everyday object use; parental guidance; social influence, 4567
early stages walking; anteroposterior directions; mediolateral directions; bipedal gait; toddlers; Down syndrome, 22473
human motor development; developmental biomechanics; puzzle solutions; new skills; competence; neuromotor system, 10079

Motor Performance—Serials

human motor development; developmental biomechanics; puzzle solutions; new skills; competence; neuromotor system, 10048
human motor development; developmental biomechanics; puzzle solutions; new skills; competence; neuromotor system, 10045
human motor development; developmental biomechanics; puzzle solutions; new skills; competence; neuromotor system; enginering; communication value, 10077
human motor development; developmental biomechanics; puzzle solutions; new skills; competence; neuromotor system, 10047
infancy; facial motility; orofacial movements; motor skills; speech; developmental changes, 16101
infant; motor development; prehension; Fitts' law; object size; speed-accuracy trade-off; grasping, 7031
infants; independent locomotion; nightwaking; motor development; sleep wake regulation, 3807
infants; memory; movement development; contingency; learning, 25298
infants; perseverative reaching; developmental progress; stability; reach kinematics; motor development, 25251
motor development; neuropsychological patterns; Downs syndrome; cognitive profiles; mental retardation; linguistic domain, 29162
parental role; early motor intervention; Down syndrome; motor impairments; disabilities, 33130
perceptual-motor deficits; Down syndrome; early intervention; motor development; cues, 32469
rat fetus; limb coordination; motor learning; interlimb yoke; conjugate movements, 9700
segmental mass; inertia; dynamic contact task construction; age differences; motor processes; children; adults, 27809

Motor Development [See Also Perceptual Motor Development, Psychomotor Development]—Books

Infant motor development, 25237

Motor Disorders [See Nervous System Disorders]

Motor Evoked Potentials [See Somatosensory Evoked Potentials]

Motor Neurons—Serials

activity induced EMG changes; human thenar motor units; force potentiation; fatigue; selective stimulation, 24781
anterior knee pain; synchronization of motor unit action potentials; motor unit synchronization, 1693
serotonin; substance P; postnatal rats; trigeminal motor nucleus; trigeminal motoneurons; nerve terminals; immunoreactivity; mastication; breathing, 25033
target recognition; motor axon targeting preferences; embryonic motor axon pathfinding; neuromuscular junction morphology; synaptogenesis; sidestep protein; flies, 528

Motor Performance [See Also Finger Tapping, Jumping, Running, Walking]—Serials

age differences; working memory; dual task conditions; force control; cognitive performance; motor performance, 31027
aging; concurrent task performance; cognitive demand; motor control; age differences, 34441
anthropometry; physical performance; training; box lifting ability; strength, 27814
auditory rhythm awareness; motor rhythm awareness; dyslexia; adults; cues; speech rhythm; stress, 29137
automatic processes; motor task; bounce juggling; transfer effects; learning; controlled processing; bounce juggling, 6494
bimanual coordination; motor planning; prehension; end state comfort effect; posture, 30957
biological motion; efficiency; gender recognition; ideal observer; point-light displays; human gait; movement, 6502
children; movement self concept; Motivational Spiral Model; Self Evaluation; physical activities; task strategies; child motivations; child health; educational programs, 6945
computer mouse; visual demand; mouse clicking performance; muscle activation; computer users; age differences, 3833
cortical activation; blocked motor task; visual stimulation; visual task; functional near-infrared spectroscopy; evoked potentials, 31212
deliberate control; motor performance; parameter changes; movement parameters, 6496
developmental coordination disorder; attention deficit hyperactivity disorder; children; associated movements; motor performance, 17050
gait freezing; Parkinsons disease; asymmetric motor function; rhythmic hand movement, 4812

gait perception; biological motion pattern; point lights walker; motion perception; event perception, 343
gross motor ability; self perceptions; self worth; children; adolescents; age differences; sex differences, 16079
gross motor skill acquisition; adolescents; Down syndrome; verbal motor performances, 29154
habitual napping; motor performance, 30954
haptically linked dyads; target acquisition task; motor task execution, 24779
hidden observer; hypnosis; real simulator; ideomotor responding; hypnotizability, 3439
intentional switches; bimanual coordination patterns; nondominant hand; handedness, 22162
intermanual interactions; movement amplitudes; endpoint locations; cues, 18763
Knoxs cube imitation test; verbal memory; learning ability; motor performance; intelligence quotient; behavioral assessment; intelligence measures, 6286
limb reciprocal tapping; gender biases; motor performance, 12701
long cane design; human factor analysis; performance measures, 12347
manipulative activity; portable objects; wedge-capped capuchins, 3458
maze task performance; regulatory mechanisms; autonomic nervous system; nonverbal intelligence; autonomic balance, 3567
motor control; emotion control; movement attributes; affective pictures; performance; affective valence; affective arousal, 6615
motor deficits; parkinsons disease; dopa sensitivity; daily activities; constraint, 14203
motor learning; nonlinear dynamical system; bifurcation; time scale; landscape, 18765
motor learning; schema theory; practice specificity; special skills; basketball players; performance, 2955
motor skill; motor tasks; motor performance; extrapersonal space; aiming tasks; distal targets; gender differences, 9563
Movement Assessment Battery for Children; test validity; test reliability; cross cultural differences, 21630
movement time; Fitts's law; multielement versus single-element displays; array orientation & size; distant target; egocentric visuomotor action; spatial information; rapid hand movements, 33899
nicotine; bupropion; locomotor effects; stimulants; rats; reward pathway; neurological changes, 22350
noise enhanced balance control; diabetic neuropathy; stroke patients; somatosensory function, 23334
paroxetine treatment; motor response; levodopa; Parkinson's disease; walking speed; tapping; dyskinesia, 5124
pedometer based intervention effects; physical performance; mobility related self efficacy; community dwelling older adults, 35748
perceived motor competence; young children; sex differences; motor skills, 10059
quadrupedal gait; primitive speech; severe mental retardation; human evolution; syndrome, 17102
response response compatibility; bimanual movements; spatial stimuli; numeric stimuli, 6499
search strategies; children; verbal behavior; motor behavior; developmental trends; task performance, 25302
segmental mass; inertia; dynamic contact task construction; age differences; motor processes; children; adults, 27809
shared cortical anatomy; motor awareness; motor control; brain lesions; brain damaged hemiplegic patients, 1772
speed control; accuracy; visually guided manual-pointing movements; motor actions; movements, 27746
task switching; response modalities; performance impairment; reaction time, 340
touchpad operation; touchgrid; display regions; cell cursors; tapping tasks; spatial learning; performance task, 9215
traumatic brain injury; Parkinson's syndrome; motor functions; bromocriptine therapy; cognitive functions; levodopa, 14738
vigilance; Purkinje; lurcher; chimera; motor; sustained attention; cerebellum; mice; wildtype, 18985
visual environment; aimed movements; movement execution; visual motor coordination; visual information; trace feedback, 21901
Motor Processes [See Also Activity Level, Animal Locomotion, Exercise, Grasping, Jumping, Licking, Motor Coordination, Motor Performance, Motor Skills, Physical Mobility, Rotational Behavior, Swallowing, Swimming, Tonic Immobility, Tool Use, Wandering Behavior]—Serials
accelerometry; physical activity; schizophrenia; energy expenditure, 28771
action learning; intention; observed behaviour; motor learning, 15631
active leisure determinants; physical activity; social pressure; social expectations; partner support; socioeconomic status; strategies development; women; mothers, 2973
active living; health; quality of life; income; physical functioning, 14606
activeness; physiology; motor processes, 30952
adductor plasticity; botulinum toxin A; children; cerebral palsy; motor function; placebo; motor development; treatment, 23779
adolescent girls; perceived barriers; participation; physical activity; socioeconomic status, 19174
affective beliefs; attitudes; theory of planned behavior; physical activity; intention, 11502
affective responses; physical activity; inter individual variation pattern; adaptive activities; evolutionary dose response model, 4220
affordance judgments; nonlocomotor body movement; sitting height; judgment accuracy; judgment task, 342
affordance perception; aperture crossing; person plus object system; size perception; visual perception, 322
age differences; cyclic aiming movements; discrete aiming movements; speed/accuracy trade-off; motor leanring; motor development, 16133
age effects; gender effects; maximum voluntary range of motion; upper body joints, 21895
aging; cognition; gait velocity, 15661
allocentric reference frames; locomotion control; landmarks; scene layout information, 12696
amplitude coupling; bimanual reversal movements; directional coupling; motor preparation; intermanual interactions, 27811
animal behavior; motor systems; mobile robot; neural network; hierarchical control, 3065
articulation; naming latency; reading aloud; initial phoneme; speech production; motor execution stage; consonantal effects; onset duration, 733
Asperger syndrome; insomnia; motor phenomena; leg movements, 32437
assessing human movement; accelerometry, 33640
attention deficit hyperactivity disorder; motor control processes; graphic movements, 4564
auditory hair cells; proteins; sensory functions; motor functions; force production, 15842
autistic spectrum disorder; form coherence detection; motion coherence detection; motor control; foetal testosterone; childhood development, 35119
avoidance of heights; visual cliff; newly walking infants; self-produced locomotion; slope perception; gap traversability; postural context; crawling infants; visual texture; drop-offs, 3840
balance; fear; Parkinsons disease; motor impairment; quality of life; postural changes, 11073
basal ganglia; metabotropic glutamate receptors; motor circuit, 9759
Bender-Gestalt; visual-motor perception; memory; test revision, 15410
bilateral motor actions; motor congruence hypothesis; arm flexion; arm extension, 3346
bipolar disorder; velocity scaling abnormalities; motor physiology disturbances; affective state, 34867
brain imaging; functional imaging; motor & sensory control; central nervous system; gastrointestinal tract; neural pathways; vagus, 31166
brain stimulation; reaction time; stimulation duration; striate cortex; visual experiences; consciousness states; anomalous control; voluntary movement; involuntary movement, 31209
brain stimulation; reaction time; stimulation duration; striate cortex; visual experiences; consciousness states; anomalous control; voluntary movement; involuntary movement, 31213
brain stimulation; reaction time; stimulation duration; striate cortex; visual experiences; consciousness states; anomalous control; voluntary movement; involuntary movement, 31205
brain's language; semantic word properties; movements; lexical decision; action association; visual images; visual associations; cell assemblies; neurons, 569
canceling planned action; countermanding saccades; motor behavior; human dorsal cortex; oculomotor regions; decision processes; fixation, 3651
catching; interception; optic acceleration cancellation; OAC; linear optic trajectory; LOT; theory; elevation; gaze; rotation; cricket, 12648
central nervous system; caffeine; electrophysiological response; cognitive response; motor responses, 637
cerebellar synaptic defects; abnormal motor behavior; mice; dystrobrevins, 34086
childhood development; multiple disabilities; motor behavior; chin movements; microswitches; environmental stimulation; cognitive processes, 23740
chronic treatment; behavioural effects; cannabinoid agonist; agonist quinpirole; motor responses; rats; dopamine, 665
cognitive neuroscience; imitation; neurology; neurons; motor activation, 9789
combined expectancy; accumulator model; cueing effects; reaction time; biased competition; priming; spatial attention; object based attention; preparation; motor cueing, 6423
combining exercise; cyclooxygenase inhibition; learning deficits; brain damage; neurodegeneration; behavioral impairments; physical activity, 537
coordination; coupling; dynamics; human; movement; metronome beats, 24778
covert motor processes; motor imagery; synchronization tapping; movement-related brain potentials; frequency tagging, 28104
crawling; motor attainment; sleep wake regulation; infants, 10015
cross cultural study; perceived positive outcomes; regular active recreation; physiological benefits; leisure time; physical activity, 2976
cybernetics; heuristics; human physiology; motor processes; biology, 31236
depressive moods; index finger force; motor cortex stimulation; transcranial magnetic stimulation; motor processes; depressive symptoms, 19813
developmental coordination disorder; attention deficit hyperactivity disorder; children; associated movements; motor performance, 17050
dystonia mutation; mice; impaired motor learning; autosomal dominant disorder; torsinA; gene encoding, 3524
emotion; visual perception; visual sensitivity; visual experience; human action; emotional processes; neuropsychology, 27762
emotional vulnerability; physical activity; panic disorder; anxiety sensitivity, 19915
enjoyment perception; physical activity; intervention efficacy, 35760
error; self concept; motor predictions; agency, 378
exercise; body image; physical activity; meta analysis, 13543
fatigue; train handling; speed restrictions; experience level; safety; drivers; motor processes, 30604
feasibility; motivation; motor control; virtual reality; conventional home exercise; childhood development; cerebral palsy; computer applications, 23406
feedback; reaching; eye-hand coordination; online control; forward model; target location; point to point movements, 6497
formative research data collection; community agencies; trial of activity for adolescent girls; physical activity; after school programs, 15115
formative research; intervention programs; physical activity; adolescent girls; intervention planners; Trial of Activity for Adolescent Girls, 14712
formative research; school health programs; community based health programs; intervention programs; Trial of Activity for Adolescent Girls; physical activity; adolescent girls, 15103
frontal lobe; motor activity; response inhibition; right inferior frontal gyrus; physiological arousal; transcranial magnetic stimulation, 15856
functional neuroimaging techniques; motor function; recovery; stroke; neural substrates; long term disability; therapeutic interventions, 4724
functional properties; grasping related neurons; ventral premotor area; macaque monkey; motor properties; visual properties; neuronal discharge; visual feedback, 22056
gait nomogram; neuromuscular function; cerebral palsy, 4839
garter snakes; tonic immobility; antipredator behavior; supination; human predator handling; physical restraint, 27979
genetic factors; physical activity; equal environment assumption; Swedish young male; twins, 24975
habituation; dishabituation; exploratory responses; appetitive responses; proboscis muscle responses; honey bee; sucrose-induced antennal & proboscis motor responses, 6693

hand movement span; mild traumatic brain injury; memory, 32623
hand movements; deception; hand gestures; suspicion; truth; lie, 31738
happiness; humans; motor area; neural structures; perception; action; laughter; social behavior, 22825
health promotion; physical activity; mental retardation, 17101
healthy living; recreational opportunity; at risk population; diabetes; physical activity; social capital, 1677
hemisphere asymmetry; finger movements; hand movements; finger posture, 22163
hemispheric specialization; motor function; hemispheric integration; dynamic process; motor control, 12938
high dose cabergoline; Parkinson's disease; treatment efficacy; safety; motor fluctuations; dyskinesia, 17581
human behaviors; functional interactions; subcortico-pario-fronto-frontal regions; brain mechanisms; motor sequence, 3563
human locomotion; heading; optic flow; eye movements; active gaze; judgments; visual information, 12655
human locomotion; steering; body rotation; vestibular information; semicircular canals; optic flow; gaze angle; self-motion, 265
human movement systems; adaptive behavior; sports; ecological constraints; artificial systems, 27492
human push capability; technical note; athletic pursuits; US football; wrestling, 24456
hypnosis; hypnotherapy; ideomotor compliance; smoking; tobacco; cannabis; hypnotherapy; treatment outcomes, 26959
hypnotic suggestions; altered perception; motor imagery; balance, 18874
Hypnotizability Scale; motor items; Hypnotic Susceptibility; amputee, 11437
ideomotor compatibility; reaction time; object motion; dynamic movements; stimulus; movement observation; response; static movements, 3351
individual differences; approach movements; avoidance movements; avoidance motive; response force; incentives; threats; traits; voluntary motor behavior; stimuli; sounds; lexical decision, 25695
infant development; monocular vision; binocular vision; interceptive arm movements, 16136
infants; memory; movement development; contingency; learning, 25298
inhibition of return; negative priming; bradyphrenia; subcortical connectivity; executive function; visual selective attention; Parkinson's disease; endogenously & exogenously evoked movement, 20258
interleukin 10; lipopolysaccharide; motor activity; weight loss; endotoxin; learning impairments; memory; food; exploration; spatial learning, 25014
intermanual transfer; timing control; tasks complexity; motor processes; visual stimulus; motor learning, 12702
interval timing; functional mechanisms; neural mechanisms; movement speed; motor control, 9791
joint motion; three-dimensional intra-articular kinematics; joint configuration, 9560
knowledge; perception; action; cognitive representations; objects; sequential action; object recognition, 18806
language deficits; healthy older adults; motor tasks; stroke survivors, 17248
lateral functional reach test; validity; reliability; reproducibility; community; older people; daily living activity; timed up & go; mental status, 18513
lateral interception; perception-action; required velocity; model; optics, 18672
learning; movement sequences; proactive effects; retroactive effects; interference paradigm, 12777
leg motor activity; sleep patterns; infants; Downs Syndrome; leg movements, 17098
leisure; active lifestyles; physical activity; health; holistic approach, 2971
lexical retrieval; muscular activity; speech theories; hand functions; gestural activity; semantics; electromyographic activity; words, 727
limb differences; gender differences; healthy elite dancers; dance movement, 12697
limb movements; motor plasticity; learning mechanisms; sensory adaptation, 15633
